

## Chapter 736

The smiles on the faces of the three of them were extremely strong.

Especially when they saw that Yiqiang seemed to be irritated by Lin Fan's counterattack.

"Die to me!" In his mouth, there was a fierce and cruel roar, and the iron fist that was thrown out was even more violent and mighty.

The fist wind howled, even if it was a thick steel plate, it would be shattered by a punch.

Bang!

Click!

Almost instantly, Yiqiu and Lin Fan's fists slammed into one place.

The dull sound of collision, accompanied by a crisp sound of bone fragmentation, exploded here.

Bai Yi's pretty face changed drastically:

"Lin...Lin Fan!!!"

Bai Yi almost fainted, she immediately thought that the sound of bone fracture came from Lin Fan's arm.

More than her!

After hearing the sound of broken bones, whether it was Leng Bufan, Zhou Nan, or Bai Yifan, the grinning on the faces of others became more intense.

They immediately thought that Lin Fan's arm...was useless!

"Ah ah ah!"

Along with the sky is a shrill screams, and a figure of panic retreat.

Only when they heard who made the scream and saw who the backing figure was.

boom!

The smiles on the faces of Leng Bufan, Zhou Nan, Bai Yifan, etc. completely solidified.

All of them suddenly turned their eyes round, and the gazes that looked forward were as if they had seen a ghost.

Because under their shocking sight.

The person who retreated in a hurry turned out to be... a murderer!

What is even more incredible is that a fierce face, pale as paper, full of horror.

His entire wrist was completely drooped, and it was bloody and bloody, as if being struck by a thunderstorm, it was extremely miserable.

This is more than that.

Yiqiu dragged his shattered fist, and while retreating violently, he looked at Lin Fan's gaze as if he had seen a ghost:

"How is it possible! How can you...how can your power be comparable to a master? This, impossible!"

What!

When he heard a frightening word, looking at his almost shattered palm, everyone around him was all dumbfounded.

One punch, comparable to a master?

This, how is this so possible.

At this moment, the atmosphere in the entire box was almost suffocating.

Whether it was Leng Bufan, Bai Yifan and others, or Bai Yi, they all looked at Lin Fan, and the expressions were filled with incredible incredible.

Especially Bai Yifan and others.

They swallowed and spit fiercely one by one, their eyes kept looking at the fierce bloody fists and Lin Fan's calm face, but they couldn't accept the facts before them.

"Why... how could this happen! Isn't this guy... a trash?"

"That was a murderer who ruled Jiangnan ten years ago! A quasi-grand master who is even more

powerful than the old man Kong Sheng! Lin Fan, this guy actually... ..Abolished with a punch? Is this an illusion?"

Chapter 737

Horrified!

At this moment, the three of Bai Yifan, Shen Jian, and Lin Guangyao couldn't help but glance at each other. They only felt a chill, and went straight to their foreheads along the soles of their feet, causing their scalps to almost burst.

After all, what they always thought was a waste, but it was as powerful as a punch, which completely subverted their perception.

Just now.

Lin Fan didn't care about the horror of everyone around him.

He casually shook the blood stained on his palm, then looked at Leng Bufan, and smiled sensibly:

"Now, can I speak well?"

Hearing this.

Leng Bufan's body trembled slightly, and his complexion became more and more ugly:

"Boy, you...you are cruel!"

"Let's talk, what if that ruby diamond ring is on your wife? What if it is not on your wife?"

Leng Bufan naturally believed in Zhou Nan's ability to do things, and he could also be sure that the ring was definitely on Bai Yi's body.

And now.

He wants to dig a hole for Lin Fan!

It's just that Lin Fan didn't seem to see Leng Bufan's intentions, and smiled slightly:

"If it is on my wife, I will punish you!"

"If it is on your girlfriend, then she must kneel and apologize to my wife! "

What!

Leng Bufan was startled. He obviously didn't expect Lin Fan to be so confident, or to say... arrogant!

Let it be punished?

Thinking that when the ring was found from Bai Yi, he could dispose of Lin Fan and Bai Yi at will, Leng Bufan suddenly became extremely excited:

"Okay! It's a deal! Everyone around is a testimony!"

Seeing Leng Bufan's agreement, all the Jiangshi talents around also expressed their approval and witnessed.

Until it's arranged.

The bet is established.

Zhou Nan's mouth almost crooked with a smile.

She looked at Bai Yi and Lin Fan, as if looking at two fools, full of sarcasm and ridicule:

"Hahaha... Bai Yi, have you seen it? Your husband is really an idiot! I can be 100% sure , That ruby diamond ring is on your body!"

"Your husband is determined to lose! After he loses, let's see how we can deal with him! Hahaha..."

Zhou Nan's laughter was filled with delight.

She has been jealous of Bai Yi since she went to school.

And now.

As soon as Bai Yi appeared, she seemed to be ecstatic, attracting her boyfriend Leng Bufan, which made Zhou Nan hate Bai Yi even more.

Now, if Lin Fan can be dealt with ruthlessly, it would be regarded as a kind of painful torture for Bai Yi, which is naturally something Zhou Nan likes to hear.

And now after hearing Zhou Nan's stern words.

The people around were naturally not stupid, they faintly guessed what was going on.

In their eyes.

Zhou Nan is so confident, obviously he is 100% sure, that is to say, Lin Fan will lose!

Chapter 738

Thought of this!

Many young talents in Jiangshi looked at Lin Fan again, flashing deep pity and pity.

Especially Bai Yifan and others.

At this moment, their hearts jumped wildly again, and they couldn't wait to witness the miserable scene where the diamond ring was found from Bai Yi and Lin Fan was severely dealt with.

"Lin...Lin Fan!" Bai Yi was also nervous now.

Although she can be sure that she has not taken the diamond ring, if Zhou Nan deliberately framed it, the consequences would be unimaginable.

It just surprised everyone.

Lin Fan seemed to be unaware of the danger. He rubbed Bai Yi's hair, then turned his gaze, and said to Zhou Nan Senran:

"Since you are so confident, then you can talk about it first, then the ring is with me. Where is my wife?"

"Huh! I can't cry if I don't see the coffin!" Zhou Nan sneered, then glanced at Bai Yi, then confidently stared at Bai Yi's right pocket and said:

"I saw you vaguely before. My wife put my diamond ring secretly into the right pocket!"

"I have the ability, now turn out the right pocket, let everyone see!"

Right pocket!

Zhou Nan's appearance was obviously extremely confident.

Upon hearing this, everyone's sights once again shifted to Bai Yi's pocket.

“Wife, turn out your pockets and show them!” Lin Fan said with a slight smile.

Heard this.

Bai Yi hesitated a little. She was afraid that there was Zhou Nan’s ring in her pocket. Even if she jumped into the Yellow River and couldn’t clean it, she would harm Lin Fan.

“It’s okay! Don’t worry!”

Lin Fan smiled slightly.

And his smile, as if possessing magical powers, instantly made all Bai Yi’s panic disappear.

She could only bite the bullet and flipped out her right coat pocket!

tension!

At this moment, everyone around was extremely nervous.

Especially after Bai Yi’s pocket was turned out.

A small thing suddenly fell from her pocket and fell to the ground.

Ding Ding Ding!

The thing looks round in shape, only the size of a thumb cover.

When almost everyone saw this thing falling, they thought that this was the ring.

That’s it!

The people around felt a little stunned, knowing that Lin Fan had completely lost.

And Zhou Nan and Leng Bufan both laughed.

“Hahaha... Bai Yi, I have already said that you stole my ring! You still die with a hard duck mouth and refuse to... eh?”

Zhou Nan’s voice was filled with excitement and ridicule.

However, her words stopped abruptly before she finished speaking.

Her eyes were staring at the thing covered by the thumb that was jumping on the ground, and she could hardly believe her eyes.

More than her!

After seeing the thing on the ground clearly, the happy smiles on the faces of Leng Bufan, Bai Yifan and others suddenly stagnated.

Chapter 739

Ding...

The thing that fell out of Bai Yi's pocket has completely fallen on the ground at this moment.

Round!

The size of the thumb cover!

However, it was not a ring, but a...coin!

"No...impossible!" Zhou Nan's head was completely blank at this moment.

Her eyeballs almost fell out.

How could it be a coin?

She obviously put the ruby and diamond ring into Bai Yi's right pocket. How could it turn into a coin? Isn't this a joke?

And beside!

Leng Bufan's face was completely green.

He turned his head and stared at Zhou Nan angrily, and said angrily:

"Tell me, what's the matter?" The cold and extraordinary voice was full of chills, and Zhou Nan shivered instantly, almost scared to urine. .

"No! She must have put it in another pocket!"

"Bai Yi, you have the ability to turn out the left pocket of your jacket and all the pockets on your body! I don't believe it, that ruby and diamond ring must be on you , There is absolutely nothing wrong!"

Zhou Nan yelled at Bai Yi like crazy at this moment.

And heard this.

Bai Yi's pretty face sank, but there was no objection, and he took out his pockets one by one.

just!

Empty!

There is no trace of the diamond ring at all!

Puff!

Until Bai Yi turned out all his pockets and made sure that there was no ruby diamond ring, Zhou Nan was drained of all his strength and fell to the ground.

She was dumbfounded ... She couldn't figure out what was going on?

Obviously he put it in by himself, but it seemed to have evaporated, which made Zhou Nan doubt life.

But this is more than that.

Lin Fan's playful words came again:

"Now, my wife has proven her innocence! Now it's you!"

"Put your pockets out!"

What!

Zhou Nan was taken aback, looking at Lin Fan's gaze, as if looking at an idiot:

"Idiot, do you really think that ring will be on me?"

"Turn it over! It's my own ring, if I put it in my pocket, don't I know?"

Zhou Nan said this, and furiously turned out his pockets one by one!

The first empty!

The second empty!

...

Looking at the empty pockets, Zhou Nan's contempt and disdain towards Lin Fan grew stronger and stronger:

"I said it wasn't on my body, you are white..."

Ga!

Zhou Nan's words were not finished yet, but the movement on her hand suddenly stagnated.

Because after she turned out the last pocket.

Ding Ding Ding...

There was also a red thing that fell out of his pocket, which made Zhou Nan's eyeballs almost fall down.

Chapter 740

Not only her!

Leng Bufan, Bai Yifan and the others next to them were completely stunned as they watched a red diamond ring beating on the ground.

This is indeed a ring.

It is inlaid with red rubies.

Crystal clear.

Magnificent!

It is the ruby and diamond ring.

Quiet...At this moment, the atmosphere in the box fell into deathly silence again.

Almost everyone, looking at the ruby and diamond ring on the ground, was looking at Zhou Nan's face with a ghostly look. The expressions of everyone were extremely weird.

They couldn't imagine that this diamond ring was actually on Zhou Nan's body.

"No...impossible! This ring was clearly put in by me..."

Zhou Nan said halfway, and suddenly covered his mouth.

And Leng Bufan next to him was so angry that almost dripping out of his gloomy face, with a vicious look, he could not wait to eat Zhou Nan like:

"You trash!" The words fell!

Snapped!

Leng Bufan slapped Zhou Nan's face fiercely, and suddenly a bright red slap appeared on Zhou Nan's face:

"Now, go and apologize to Bai Yi!"

Facing the surrounding river cities The gazes of the handsome, even if Leng Bufan is arrogant, they are not willing to violate their gambling contract.

After all, once the contract is breached, although the many Jiangshi Junjie around do not say anything, he will soon become a joke for everyone.

Listening to Leng Bufan's words, feel the fiery pain on his face.

Zhou Nan was completely scared to pee.

She quickly picked up the ring and put it on her hand, then bite the bullet and walked to Bai Yi.

Puff!

Kneeling on the ground, kowtow more than just:

"Bai...Bai Yi, I was wrong! I was the one who was obsessed with my heart and blamed you! I beg you, my lord, don't remember the villain's fault!"

Zhou Nan's face flashed thickly. Unwilling and resentful.

It's just that even if she is unwilling, she doesn't dare to violate Leng Bufan.

And at the moment!

After seeing this scene, Bai Yi still did not react from the shock.

She couldn't believe that Zhou Nan, who was arrogantly cursing at herself just now, knelt at her feet like a dog under Lin Fan's few words.

"Zhou...Zhou Nan! Get up! This matter, I... don't blame you!"

Bai Yi had a kind heart.

She naturally couldn't tolerate an old classmate, kowtow to herself, and immediately helped Zhou Nan up.

just!

When Bai Yi just helped Zhou Nan from the ground, he saw Leng Bufan next to him, and a cruel expression flashed on his face, and said coldly:

"Okay! Now the diamond ring has been found! Then let's count the others. Make an account!"
