

Super Rich Dad Chapter 739-740

Chapter 739

Jiang Hao stood in front of the buffet on stage eating, looking at Sally on stage every now and then, a hint of astonishment flashing in his eyes.

It had to be said that Sally's ability to control the stage was strong, so strong that no one could ignore her presence.

Even if she was hiding in a corner with Lin Yan. The crowd could no longer ignore her presence, but could instead smell the message she was spreading that no one should enter.

She was like a natural queen, and even though she seemed to be a little young, no one could refute her status as well as her strength!

Ning Kun looked at the Sally at this moment. Old Hei stood beside him and noticed the look in his eyes.

He laughed twice and said: 'I advise you not to hit on the boss. You know what I'm talking about, don't you?'

After hearing this, Ning Kun hurriedly wiped the drool that had unconsciously escaped from the corner of his mouth, then coughed lightly and said with a serious expression, 'Ahem, it's a nice day, let's go down and have a nice drink, how about that?'

'To celebrate your success in the throne, or should I celebrate your release from that purgatory?'

As he said this, a smile flashed across Old Black's eyes as he looked towards Ning Kun, who he had known for a long, long time.

Ning Kun laughed bitterly upon hearing Old Black's words, gently shaking his head and speaking, 'Both. Let's go, it's easier and more straightforward to catch up between old friends with alcohol.'

Sally, who had come down from the stage, looked at Old Black walking with Ning Kun, so she smiled lightly and shook her head before walking to the side and sitting down by herself.

Jiang Hao looked at Sally sitting alone in a chair, drinking calmly, and wanted to go over to talk to Sally and tease her about her style just now.

After all, he was a disillusioned man and naturally did not have a good look on his face.

There was no one in the courtyard that he could afford to mess with, which made him feel even more depressed.

When he saw Jiang Hao walking towards Sally, Lin Dong's eyes lit up, so he slowly walked up and smiled before saying, 'Yo. Isn't this our Great Doctor Shen, how come we still have a man surnamed Shen in this courtyard?'

Jiang Hao frowned slightly as he looked at Lin Dong who suddenly stopped in front of him with an unfriendly expression.

‘You might have some misunderstanding, not all people under the world surnamed Shen are necessarily bad.’

Speaking here, Jiang Hao opened his mouth with a self-effacing smile, ‘It’s like not every man, is really a man in general, you know what I mean?’

If it was said in a mocking tone. Instead, Lin Dong would have placed himself above Jiang Hao.

But it was this very serious tone of Jiang Hao’s voice, as if he was telling you something serious with his look. It made Lin Dong furious!

‘You mean, I’m not a man?!’

Jiang Hao hurriedly shook his head and spoke, ‘No, no, no, I don’t mean that.’

Hearing these words, Lin Dong looked at Jiang Hao with contempt and snorted, ‘Hmph. Don’t think that because I’ve lost my power that I can’t deal with a small doctor like you.’

Jiang Hao slowly walked forward, walked around Lin Dong and then whispered in his ear, ‘What I mean is, are you a man?’

Hearing this, Lin Dong’s eyes went round. He turned around and threw a fist at the back of Jiang Hao’s head.

Jiang Hao lightly staggered away from Lin Dong and then tossed him slightly on his feet.

This rather shady-looking young man fell to the ground in a standard dog-eat-dog position.

Meanwhile, Jiang Hao, who was standing in front of him, spoke up in surprise, ‘Ah! What’s wrong with this Lin Gongzi, I know you’re grateful that I could come, but there’s no need to perform this big salute, right?’

Lin Dong’s entire body was lying on the ground, and after hearing Jiang Hao’s words he slowly raised his head and looked at him in anger.

‘Brat, you’re looking for death!’

Having made such a big fool of himself in front of so many people, Lin Dong, who was already feeling very stifled, had completely exploded!

He stood up at once and threw a punch at Jiang Hao. Jiang Hao dodged Lin Dong’s fist as if he was teasing him.

His hands were behind his back. Every now and then, he commented on it.

‘Well, that was a good punch.’

‘Hm. The punch was slightly close, the force wasn’t even focused. The footwork is slightly flimsy.’

And so on and so forth, watching the crowd from the beginning of the nervous excitement to the back, each one could not help but start to feel a little bit of pain for Lin Dong.

Many people knew about what had happened to the Lin family, so they naturally looked at Lin Dong with a bit of mockery.

This, coupled with Jiang Hao’s incessant insults, made Lin Dong want to find a crack in the ground!

Sally sat on a chair and was drawn to the noisy scene over here, watching Jiang Hao teasing Lin Dong, and she smiled heartily.

Old Black was worried about Jiang Hao attracting any trouble here, after all, this was the Lin family’s place.

Teasing Master Lin’s grandson in such a way would attract Master Lin’s disgust, so he walked over to Sally and whispered, ‘Old Master, do I need to stop it?’

Sally took a sip of red wine before teasing, ‘Do you think you’re a match for him, Lin Dong doesn’t look like an uneducated dude with his skills.’

Old Black frowned before looking carefully for a moment and then shook his head, ‘But if I don’t go over there, I’m afraid Mr. Shen will incur the host family’s displeasure.’

Sally shook her head gently before turning her head to look at Old Black and said, ‘Don’t worry, the Lin family is now in Lin Yan’s hands, and in fact this Lin Dong deserves a good lesson.’

Hearing that his boss had said so, Old Black had no choice but to shrug his shoulders and stand quietly beside Sally in silence.

Jiang Hao saw that Lin Dong was slowly panting a bit, so he stopped and dodged his opponent’s attacks by just twisting his head.

After Lin Dong finally ran out of energy to throw another punch, Jiang Hao looked at Lin Dong and sighed in disappointment, ‘Alas, I didn’t expect Lin Gongzi to have such poor stamina, it seems you should be a bit masculine.’

‘Your mother is the one who is weak, your whole family is weak!’

When Lin Dong, who was already burning with anger, heard Jiang Hao’s words, he almost went on a rampage again!

But he had no strength left, this guy was as slippery as a loach, so he couldn’t grab him.

After bending over with his hands on his knees to catch his breath, Lin Dong lifted a finger and pointed at Jiang Hao, ‘Yes, don’t hide if you dare! Fight me squarely!’

Hearing this, Jiang Hao also put away the flirtatious look on his face and turned it into a kind of disdainful look.

‘Just you are also worthy to talk to someone about fighting in a dignified manner?’

The people gathered around, even though some of them knew the hidden story of the Lin family’s affair this time, didn’t expect a doctor like Jiang Hao to know it too and dare to say it in such a scene!

Chapter 740

Lin Dong was also feeling a little irritated at this point, and just as he was about to have a fit, Lin Nan came forward.

First, he glanced coldly at his son, and then spoke to Jiang Hao, ‘What brings you here. Do you have an invitation?’

Jiang Hao snorted upon hearing this and was about to open his mouth to reply when he saw that Lin Nan didn’t even give him the chance to speak.

Instead, he directly shouted, ‘Someone, kick this person who has mixed in out. How can you put everything in there? What are the people outside for?’

Lin Yan heard this and was about to step forward to help. However, she saw Sally slowly stand up and then walk over with Old Black.

At the same time, she spoke, ‘Yo, I didn’t see that Mr. Lin had quite a temper, this is the one I invited, do you have any comments?’

No one dared to say anything to Sally, so Lin Nan hurriedly smiled and said, ‘No, no, no, since she is Miss Sally’s friend, how dare I have an opinion.’

The implication was that if he wasn’t Sally’s friend, he might not have a problem with it!

Sally obviously also heard this meaning. So she looked at Lin Nan and laughed lightly, shaking her head and said, ‘Well, Mr. Lin is really a valuable person, in that case I won’t bother you.’

Jiang Hao hurriedly stepped forward and said, ‘No, no, no, no, I have to review Miss Lin later, let’s have something to eat first.’

Sally gave Jiang Hao a charming glance and then said, ‘If that’s the case, go and have a drink with me, you’ll get something to eat.’

Old Black also looked at Jiang Hao with a cheeky grin and nodded, and waited until he had walked over to the table where Sally was sitting.

Sally looked at Jiang Hao and couldn’t help but laugh, ‘Just come as you are, why are you making such a fuss. Look at how those people are looking at you.’

Jiang Hao picked up a piece of cake and ate it, then wiped the corners of his mouth and laughed, 'Whatever, I live my life what does it have to do with them, that said, you were quite classy just now.'

'Which way do you mean?'

After saying this, Sally looked at Jiang Hao with a different look in her eyes and spoke, 'Do you mean when I reprimanded that kid Lin Nan, or when I was on stage?'

Jiang Hao laughed out loud, then exchanged a sly smile with Sally, but didn't say anything.

Exasperated, Sally gritted her teeth and grunted softly. He then looked at Ning Kun who was standing behind Chen Jingdao in a disciplined manner and laughed, 'It just so happens that I'm introducing you to someone today.'

Jiang Hao followed Sally's eyes and looked over, then spoke in a somewhat strange manner, 'Ning Kun? What's the point of introducing him to me. I should be avoiding him right now, right?'

At first Sally thought that Ning Kun was someone else, so at the very beginning when she was planning to frame the Shen family, she was a little worried that Ning Kun had found out about Jiang Hao.

But later, after she knew that Ning Kun was a fish spilled by her own grandfather, she wasn't so evasive anymore. It was her own family anyway.

So at this moment, after hearing Jiang Hao's words, Sally spoke with a light laugh, 'Don't worry, since I introduced him to you, it proves that there will be no danger.'

After saying these words. Sally looked at Jiang Hao with some dissatisfaction and said, 'Could it be that I would harm you?'

Jiang Hao snorted, then looked at Ning Kun curiously and said, 'In that case, introduce me to him, he's a hot new star right now, there are quite a few people in the Northern Province who want to get on good terms with him, right?'

Sally nodded slightly, then pointed at Ning Kun, and Old Black slowly walked over.

'The Xin Cheng Group holds forty percent of the real estate business in North Province, and now that he's inherited the New City Group, he's naturally a hot dark horse.'

After saying this. Sally got a little smug, her own family's people were always the phoenixes of men wherever they went!

Jiang Hao smiled down after smiling at his words. Then he looked at Old Black and whispered a few words in Ning Kun's ear.

Ning Kun then leaned down and spoke to Old Master Chen Jingdao before following behind Old Black.

Sally looked at Ning Kun and smiled. After lifting her glass and clinking it with him, she spoke, 'Have a seat, and introduce a friend to you.'

Ning Kun smiled and nodded as he sat down. Then he looked at Jiang Hao and said with a smile, 'The friend you want to introduce is not this one, is it, Dr. Shen Yan Shen?'

Jiang Hao stopped moving his hands and wiped his hands and reached out to Ning Kun, 'Hello, this seems to be our first time meeting, how do you know me?'

Ning Kun didn't mind Jiang Hao's slightly oily hand at all, and reached out to shake it after hearing these words.

He then opened his mouth and smiled, 'Shen Yan, the new divine doctor of the Northern Province, has turned the Chinese Hospital into the No. 1 Chinese Hospital in the Northern Province in less than half a year after joining it.'

Speaking here, he shrugged and continued, 'I have to say that you are not small in ability, no wonder you are so highly regarded by Miss.'

Jiang Hao smiled before looking at Ning Kun, as soon as he came up he directly suppressed first, it looked like the other party had some bad intentions.

Then after a moment of contemplation Jiang Hao lowered his head while eating and smiled: 'Ning Kun, the 142nd cadet of Hunter Academy, especially good at criminal investigation means, the word card is very bright oh!'

With such a back and forth between the two, it was considered a tie, Ning Kun looked at Jiang Hao and raised his eyebrows, seemingly thinking that Jiang Hao was not a frugal light.

'Maybe I misunderstood you a bit from what I heard from people before, I didn't see that you seem to like playing some small tricks.'

Jiang Hao looked at Ning Kun and smiled, then spoke back, 'Each other.'

Sally finally couldn't help but laugh out loud as she watched the two tit for tat.

Then she collapsed on what hair and laughed, 'You two are so funny, if I don't say anything, are you going to keep revealing each other like this?'

Jiang Hao touched his nose, seemingly also feeling a little strange as to why he was so somewhat uncomfortable with Ning Kun.

Ning Kun's reaction was much the same as Jiang Hao's, and he also followed with a helpless, bitter laugh before speaking, 'Maybe men always want to better themselves in front of women.'

Jiang Hao raised his eyebrows at his words and said, 'Then maybe I'm a bit less like that, I prefer to belittle myself, after all, my character is modest!'

'Then you really did 'humble' yourself in front of everyone, didn't you?'

After saying this, Ning Kun lifted the cup in his hand and handed it over to Jiang Hao and said, 'Anyway, you're quite to my liking.'

Seeing that the other party had taken the initiative to show himself goodwill, Jiang Hao was not stingy, so he opened the bottle of red wine and clinked it with Ning Kun's glass and drank it all in one gulp!

Then he put the bottle down and burped, 'Although I'm honoured, I have to say, it's a bit disgusting to be told by a man that I have an appetite.'

Sally sat on the edge of the room and heard this, and for a moment she fell backwards laughing again.
