

Chapter 74: Meeting Bai Meixue

Of course, Xia Xibei had no objection when Song Jiaren said that she had to think about it. She even made a few cups of milk tea for Jiaren to take home.

Then, she began to focus on other matters.

That evening, Xia Xibei received a call from Pan Yan.

Over the phone, Pan Yan enthusiastically set up a meeting with her for tomorrow.

The next day, Xia Xibei dressed up and went to Pan Yan's SY company.

SY company was located in a building downtown. In a place where land was very expensive, the company had three floors, which showed that it was very well-off financially.

SY company was quite well-known throughout the entertainment industry in the country of Hua. There were two first-tier stars in the company, many second- and third-tier artists, and even more lesser-known ones.

However, they had never had a top star, let alone a queen who had gone to the international market.

Of course, these things had nothing to do with Xia Xibei.

In order for a company to develop, in addition to the top-tier, the foundation was indispensable.

SY company recruited some trainees every year, receiving decent results in this area in recent years.

When Pan Yan walked into the company with Xia Xibei, it attracted attention from many people.

Although Pan Yan didn't have any great talents on hand right now, he was strong, and many people wanted to become his artists.

However, his standard was very high, and not many people qualified.

—Of course, if someone's qualifications were very good, he would have to compete with others. After all, he was not the only agent in the company.

So, he liked to start with newcomers.

Everyone knew what he wanted, so the eyes that looked at Xia Xibei held intense scrutiny.

However, after seeing her face, everyone understood Pan Yan's attitude.

Pan Yan took Xia Xibei all the way inside the company, introducing the company's situation while doing so.

"Our company also has a dance studio and a recording studio. The facilities are comprehensive. Our trainee system is also very comprehensive, and as long as you pass the assessment, you can debut..."

He babbled about the company, but suddenly stopped.

"Hello, Sister Xue," Pan Yan nodded politely to the woman in front of him.

"Little Pan, this is..."

When Bai Meixue looked at Xia Xibei, her eyes narrowed. Her expression was subtle, with a little bit of unknown shock.

"Oh, this is the trainee I just found. I'm showing her around the company," Pan Yan said seriously.

A gleam of light flashed in Bai Meixue's eyes, and the smile on the corner of her mouth became even more subtle when she looked at the pretty young woman.

"Oh, a new trainee. Very good."

She smiled kindly at Xia Xibei, introducing herself, "Hello, I'm Bai Meixue."

"Hello, I am Xia Xibei. I have seen your shows. Your acting is fantastic!"

Xia Xibei showed her a bright smile, somewhat giving off the aura of a fan's excitement.

The two were all smiles, but each had their own ideas.

"Thank you." Bai Meixue was used to seeing fans' admiration and enthusiasm for her, so her smile remained unchanged. "Since you are a trainee for the company, we will be colleagues from now on. Please help advise me."

"How dare I?!" Xia Xibei shook her head. "You are the trailblazer. I don't know anything!"

Xia Xibei glanced at Xia Qinghan from the corner of her eye, but she sneered within her mind.

Seeing Xia Xibei's somewhat timid appearance, Bai Meixue's smile deepened.

"By the way, this is Xia Qinghan, and she will also be the company's trainee. Little Bei, you two can be good friends in the future!"

Chapter 75: The Trainee Contract

Good friends?

Xia Xibei smiled, not saying anything. She turned to look at Pan Yan, asking, "Brother Pan, where shall we go later?"

Before Pan Yan could reply, Bai Meixue said, "Well, we are going to the dance studio right now. Do you want to come with us?"

Bai Meixue had spoken up, so what could Pan Yan do?

He looked at Xia Xibei, who nodded.

"OK, let's go," he replied.

The group walked together, with Bai Meixue and Pan Yan walking in front and the two girls following behind them.

Xia Qinghan looked at Xia Xibei, her mood very complicated.

"Are you really going to be a trainee?"

“Yeah,” Xia Xibei glanced at her with the same smile as before. “I want to be a star and make a lot of money.”

Those words froze Xia Qinghan’s smile. “Really? But it’s not that easy to become a star.”

“It’s okay,” Xia Xibei said. “I think I look pretty good, so there shouldn’t be a problem.”

Xia Qinghan’s expression became stiff. However, she quickly smiled once again.

“Being a star requires talent in addition to good looks. Do you have any talents?”

“Talent?” Xia Xibei looked innocent. “What talent?”

“Singing, dancing, musical instruments, acting...”

“Singing and dancing?” Xia Xibei frowned. “Um... I haven’t tried it. I don’t know if I could sing well enough, and I haven’t danced before.”

Of course, Xia Qinghan knew that Xia Xibei had never been exposed to these activities.

Liu Zhijing knew Xia Xibei, so she knew that she had no time to try these things, let alone play a musical instrument.

Xia Qinghan was disdainful.

What else did Xia Xibei have besides a pretty face? And she wanted to be a star? Please!

With that thought, her smile became much more sincere.

“It’s alright! Just study hard after you become a trainee.”

“OK.” Xia Xibei’s smile was also very sincere.

Soon, they reached the dance room.

The door of the dance studio was transparent, letting people see the inside of the room.

Looking at the good-looking young men and women dancing to the music, Xia Xibei couldn’t help but open her mouth wide.

“This is amazing!” she exclaimed

Her reaction caused Xia Qinghan to open her mouth sarcastically. This girl was really a hillbilly, with no knowledge at all.

Thinking of this, Xia Qinghan's hostility toward Xia Xibei faded.

Besides a good-looking face, what else could she offer?

It wasn't easy to become a star!

Bai Meixue was also looking at Xia Xibei discreetly, and when she saw her exaggerated reaction, she was relieved too.

However, when she saw Xia Xibei's pretty and familiar face, she didn't dare take her lightly.

She didn't expect to see Xia Xibei here.

If this face appeared on screen, it would easily attract suspicion.

She had some speculation thinking of this.

Then the group toured some other places.

After the tour, Xia Xibei showed much enthusiasm, similar to the admiration of a hillbilly seeing the city.

“This place is so big!”

“Yes. After you become a trainee here, you will often have the opportunity to enter these places. Now, if there are no problems, you can sign the trainee contract now.”

Pan Yan had great confidence in Xia Xibei. She would definitely succeed!

Bai Meixue looked at Xia Xibei with a smile, asking, “You and Qinghan are both in the same grade, so you’re not 18 yet, right? In that case, you have to ask your parents to sign the contract.”
