

Chapter 743

The next day, Yin Group.

President Yin, Shao Lu wants to see you. Do you see it or not?

Yin Luo wrote a meal, "Ask me about this kind of thing? No see."

But Mr. Yin, Shao Lu said it was official this time and he was already in the conference hall.

Lin Lin looked embarrassed. Although the marriage between the Yin family and the Lu family was canceled inexplicably, the Lu family is still one of the largest families in g city, and Lu Shao and the others can't stop it!

Yin Luo twisted his eyebrows, and finally closed the file in his hand.

In the meeting room, Yin Luo greeted Lu Shuchen on business, and then went straight to the subject.

Shao Lu, I heard that you want to talk to me on business.

Luoluo...

Lu Shuchen wanted to step forward, but Yin Luo raised his hand to stop him.

Shao Lu, since it's an official business, you should call me Mr. Yin.

A trace of heartache flashed through Lu Shuchen's beautiful face, but today he is here to talk about business...

President Yin, I heard that Yin's capital chain has become even more tense because of his resignation.
so what?

Yin Luo's expression remained unchanged and gave Lu Shuchen a faint look.

Indeed, the banks are now pressing harder and tighter. When other banks hear about borrowing money, they are evasive, and other projects are also greatly damaged.

If this continues, Yin's subsidiaries will probably begin to go bankrupt one after another. By then, the head office will also be shaky. As long as other companies add a few fires, it will be easy to destroy Yin.

The Yin family is in urgent need of a large sum of money, and the amount is not only huge, but also urgent!

Lu Shuchen grabbed this weakness, grabbed her arm and said excitedly.

Luo Luo, you know. As long as our marriage continues, this is not a big problem at all. If you still can't let go of what happened that night, I promise you that this kind of thing will never happen again in the future, as for Yun Xiaoyin, I won't have anything to do with her again!

Yin Luo sneered, his eyes full of mockery.

No need. That night, I felt a big loss of face and I accidentally drunk and messed up. Sex, happened to be the president of Yinhui Group Yi Yan, and we two were even. As for the issue of funds, I think, Mr. Yi What just happens to be money right now.

Lu Shuchen was like a blow to the head, his charming peach eyes suddenly widened, and his whole person was stunned.

Luoluo, are you kidding me?

Shao Lu, it seems that you still don't know me well. I don't like Yin Luo to joke, don't you know? Yin Luo took a deep look at him, holding a low voice, "Lu Shuchen, do you remember when you were a child? Are you kidnapped?"

Kidnapping? When was he kidnapped?

The position of Yin Luo's heart seemed to be a knife, dripping with blood, and chuckled softly, "Sure enough."

It turned out that she had always been thinking about her, and he just regarded her as a passer-by in his life, a passer-by who didn't even have an impression.

Seeing Yin Luo's hard-hit appearance, Lu Shuchen frowned fiercely. Did he forget something?

Luoluo, you give me another chance!

No need! Shao Lu will meet to discuss official business in the future. Outside of official business, I don't want Shao Lu to disturb my life again.

After Yin Luo finished speaking, he left with a cold face. Her hands squeezed her fists fiercely, her small face returned to her usual coldness, and her eyes were filled with disappointment.

From beginning to end, she was passionate about herself.

Seeing Yin Luo leave, Lu Shuchen seemed to give someone a hard punch in the chest, and he was almost out of breath when he was so stuffy but swollen.

After returning to the office, the phone on Yin Luo's desk kept vibrating, and after a glance at the caller ID, she took a deep breath.

Hey, Uncle Lu... well, I'll go over immediately.

...

Father Lu sat on the soft cushion, and the years did not seem to leave too many marks on his face. The angular features, the sturdy back, and the unangry eyes glanced lightly at the person in front of him, and took a sip. Tea.

Luoluo, you know, I have been very satisfied with you since the first time I saw you.

Yin Luo lowered his eyelids, took a faint sip of tea and did not speak.

Father Lu held the teacup, gently traced the texture with his thumb, and continued.

I have talked with your father. This incident is indeed Shu Chen's fault. Our Lu family will never be partial to Shu Chen. However, we still hope that you can continue with the marriage contract.

Yin Luo put down his tea cup, "Uncle Lu, do you know how my mother died?"

Father Lu had a meal. They were all big families in City G. Although the Yin family's past was deliberately hidden, if people don't know what they can do, people with their status will know more or less in their hearts. It's just that it's clear what should be said and what should not be said on the bright side.

Yin Luo smiled.

My mother has no brothers or sisters, so she treats Chen Meng with all her heart. As a result, Chen Meng went to my dad's bed and became my dad's little lover outside. She even managed to force my mom to sit in the position of the mother of Yin's family. .

Taking a sip of the tea, his sharp eyes looked straight at Jin Lu's father's black eyes.

Perhaps I can swallow this breath for the sake of Yin's life, but I can't accept that the object is Yun Xiaoyin, a good friend I have always loved!

Father Lu frowned, "Luoluo, your child is too stubborn. If you don't marry, what about the capital chain?"

"Don't worry about Yin's capital link uncle. I have already agreed to the proposal of Yi's president. Yi's offer of 20 shares of Yin's as a gift to help Yin's tide over the current difficulties is a condition. I believe this is a generous condition. Uncle doesn't think I'll refuse."

President Yi's? Yi Yan?"

Yes.

Father Lu's body stiffened slightly, a strange light flashed under his eyes, and his big hand picked up the water glass to cover the contemplation in his eyes.

Five minutes later, Yin Luo frowned slightly and looked at Father Lu with a strange expression on his face.

Uncle Lu, if there is nothing wrong, I will leave first.

Father Lu's deep black eyes took a deep look at Yin Luo and nodded slightly.
