

Chapter 744

When she returned home, Yin Luo looked at the white custom-made wedding dress hanging on the hanger, and almost she was about to put on the wedding dress and become Lu Shuchen's bride.

If she had known that Lu Shuchen didn't remember anything before, and had never liked her a little bit, she would not agree to the marriage. Perhaps it was just a trivial matter for him in the past.

Taking off the gown, Yin Luo carefully put the wedding dress into the gift box, and then heavily covered the gift box. This cover is to bid farewell to Lu Shuchen, to bid farewell to the past, and to start a new life.

Since it is the past, it shouldn't be here. Yin Luo took the wedding dress and drove to the wedding shop. Sunshe is a well-known wedding shop. Many people come here to order wedding dresses and take wedding photos.

Seeing a couple of couples holding hands, talking and laughing, and some even kissing like no one else, Yin Luo suddenly felt empty in his heart.

I don't know if she had her first kiss that night with Yi Yan...really, what first kiss did she want after the first night.

Thinking about it, she smirked unconsciously. Recently, she was very strange, always sad inexplicably, and happy inexplicably. Yin Luo patted his face lightly, and after thinking about it, he returned the wedding dress first.

When I was about to ask the receptionist, I suddenly heard a sharp, familiar voice. It was Xia Yinyin, her rival, and Yun Xiaoyin, who had betrayed her good friend.

Xia Yinyin raised her mouth and laughed, "I thought I was wrong, it turned out to be you. I didn't expect that Mr. Yin, who started a big company, would come to return the wedding dress personally. Why is this wedding dress not good-looking?"

Yun Xiaoyin pretended to be weak and continued Xia Yinyin's words, "It's me who is not good. If it's not me, you can wear this wedding dress and marry Lu Shuchen. After all, Shuchen is so good, who doesn't like him? Woolen cloth?"

Do you like it? Then you want it. I, Yin Luo, never specializes in second-hand goods. Only if you are so diligent and thrifty, people who can collect tatters will be rare. And you want to wear this wedding dress for a long time, then I will give it to you today No thanks. Yin Luo said simply and neatly.

Yun Xiao's voice was so loud that he said, "You...you actually said that Shu Chen is rubbish."

Seeing Yun Xiaoyin said that Yin Luo couldn't be better than Yin Luo, Xia Yinyin comforted, "Don't be angry, Xiaoyin, some people just can't eat grapes and say grapes are sour."

Ho. Yin Luo recalled Yi Yan, and said with some pride, "If I eat better grapes, I naturally don't want to eat grapes that have been bitten by others."

What do you mean? Yun Xiaoyin was a little agitated. She deliberately seduce Lu Shuchen at the beginning. In addition to his face value and money, it was because of Yin Luo. Yin Luo relied that she was the president of the company and always looked high, so she wanted to step on her feet without dignity. But what did she mean by what she said just now?

Yin Luo smiled and shook his head, "It's meaningless, I probably just want to thank you for letting me recognize Lu Shuchen's true face and meet better people."

You... Before Yun Xiaoyin finished speaking, Yin Luo was about to turn around and leave. After staying with them for an extra second, she felt that even the air would become dirty.

But just when Yin Luo wanted to leave, Xia Yinyin suddenly grabbed Yin Luo's wrist to prevent her from leaving, and Yun Xiaoyin also cooperated with Xia Yinyin.

Yin Luo naturally couldn't beat the two of them. Xia Yinyin raised his right hand and wanted to fight. Suddenly a man appeared to stop her.

This person is the youngest master of the Gu family, Gu Yan.

It is said that there are three women in one drama, you guys are really wonderful. Gu Yan said arrogantly.

When Xia Yinyin and Yun Xiaoyin saw that the Gu family came, they all stopped immediately.

Yin Luo looked at Gu Yan, with a handsome face, and even his voice was magnetic. Although he saved himself, he doesn't look like a serious person in this way.

At this moment, he was holding a beautiful woman in his hand. The beauty has big eyes, double eyelids, a net red face, and has a perfect body, especially her breasts. Yin Luo really doesn't believe that she has never done it before.

Yin Luo doesn't like this kind of playboy very much.

Seeing that Xia Yinyin and Yun Xiaoyin were both honest, Yin Luo walked up to Xia Yinyin, raised his hand and slapped Xia Yinyin. Didn't she just want to beat herself? It would be a shame not to go back.

Xia Yinyin was beaten, covering her face, looking at Gu Yan aggrievedly, "Gu Shao, you are justified, she has just been scolding us, and she has also worked with us, we only beat her, look at her now arrogant and domineering appearance ."

Yes, Yun Xiaoyin also felt extremely wronged, and continued, "Yes, Gu Shao, I...I'm still pregnant, and she wants to kill my child."

After that, Yun Xiaoyin looked at Yin Luo triumphantly, but Yin Luo didn't care at all.

Thanks. Yin Luo said to Gu Yan, then turned and left. She was very tired today and no longer wanted to entangle them.

Hey, did you just say thank you? Gu Yan asked.

Without answering Gu Yan, Yin Luo went straight to his Lamborghini and drove away without stopping.

Seeing Yin Luo leaving behind, Gu Yan raised his lips and smiled “Interestingly.”

Then we... Xia Yinyin asked.

Just one glance at them, Gu Yan took the woman in his arms and left. These unclean women are not qualified to talk to him.

Driving a Lamborghini, Yin Luo thought of Yi Yan’s deal with her. She has no other way to go. Marriage with a handsome man who has slept is the best choice.

Three days later, Yin Luo arrived at the Civil Affairs Bureau as scheduled and saw Yi Yan in the crowd at a glance.

He is tall and has a cold temperament, looks unapproachable, and completely looks like an overbearing president.

After a while, Yi Yan caught a glimpse of Yin Luo, and he ordered “Come here.”

In the past, Yin Luo would not pay attention to him at all. But now, with a soft mouth and short hands, she had to walk over obediently.

When Yin Luo quickly walked to Yi Yan’s side, Yi Yan pulled her into his arms and hugged her tightly.

You let go. Yin Luo struggled in his arms, but still couldn’t get out.

The man smiled and looked at the restless little woman in his arms. She was in a bad mood but she made it so good. He deliberately teased her to “stop it, save some energy for the evening.”

Yin Luo felt that he might have seen a fake President Yi today. Shouldn’t he usually be very cold? Could it be that this is his true face, she fell into the wolf’s den?

Taking advantage of Yi Yan not paying attention, Yin Luo used the previous move again, stepping on Yi Yan’s foot vigorously, and then using the back elbow, Yi Yan really loosened his arm.

Yi Yan looked at Yin Luo angrily. This was the second time.

You want to murder your husband?

Yin Luo told him with a serious look, “Fortunately, you are going to be my husband, otherwise I will not only step on your feet, you know.”

Yi Yan leaned against Yin Luo’s ear and said ambiguously, “I’ll clean up you in the evening. I’ll get the certificate first.”

Okay, I’ll wait. Yin Luo looked fearless.

Yi Yan and Yin Luo were tired after a series of formalities were finally completed.

It’s getting late, I’ll see you off.

No, I’m driving. Yin Luo refused.

Yi Yan was upset, “I just became my wife and I have to reject me, huh?”

Okay, then. It doesn't matter if you want to come and give it away, Yin Luo still accepted Yi Yan's request.

Sitting in Yi Yan's car, he drove very smoothly, and Yin Luo wanted to fall asleep while sitting.

But when he was about to fall asleep, Yi Yan suddenly said, "Your car, I let the driver drive to your house."

Oh. Yin Luo replied in a daze.

Seeing that Yin Luo is still unclear, Yi Yan kindly reminded her, "Don't you feel that something is wrong?"

Something's wrong? Yin Luo rubbed his eyes, "Here...Why don't I know the road? This is not the way to my house. Where are you going to turn me?"

My house. Yi Yan said naturally, "We are now a husband and wife. Isn't it normal to live together?"

But... Yin Luo narrowed her mouth. She still remembered that he said he was going to clean up her at night. She didn't think so at the time, but now, thinking about it, she was still a little scared.

Yi Yan looked at Yin Luo's appearance and smiled, "Don't be sad, you are in my car now, and I have your company's shares in my hand, so you can't escape now anyway, so don't think about it, I I won't eat you again."

Even if Yin Luo didn't want to, he still had to bite the bullet, he was right, he still had shares in his hand. It's just a trip to his house, no big deal.

Who said I was thinking foolishly, I am bold. Yin Luo rolled his eyes, and the sleepiness was gone.

Soon, he arrived at Yi Yan's home-Pin Yinyuan.

Yi Yan and Yin Luo got out of the car together. There were a large area of daffodils planted in the yard. They looked beautiful, like a spotless fairy.

This flower was my mother's favorite flower during her lifetime. She said it was the most spiritual, and she said it was the most pleasant flower. But why, she is not happy at all, but sad?

Behind the courtyard are several villas. Compared with the hustle and bustle of big cities, this place is obviously like a paradise.

What are you doing in shock, let's go. Yi Yan reminded Yin Luo in a daze.

Not wanting Yi Yan to see his emotional changes, Yin Luo responded and followed Yi Yan to the villa.

The style of the villa is very simple, and the furnishings inside are simple but very expensive. The dining table is also her favorite wood.

Yin Luo suddenly looked at Yi Yan seriously, he felt her gaze and asked, "What are you doing? Are you fascinated by me?"

No, why do you like all the things here? It's definitely not what you asked for, right? Which designer has the same vision as me?

Yi Yan looked at Yin Luo with a look of hatred for iron and steel, and explained, "I arranged the arrangement."

Huh? Yin Luo said very regretfully, "I thought I had the same vision as a big designer."

Yi Yan never thought that there would be a day when someone would dislike his vision. For her in vain, he deliberately searched for information about things she likes from various channels, hoping that she would like it when she came here.

This woman.
