

## Chapter 748

Before finishing talking, Yi Yan also came into the kitchen, Yin Luo and Wang Ma looked at Yi Yan curiously. Please search on Baidu (web)

What are you doing looking at me? Yi Yan asked.

We are thinking, how could President Yi Da come to the kitchen. Yin Luo replied.

Yi Yan looked embarrassed and said, "I...I'm here to help you, do you need to fight?"

After listening to Yi Yan, Yin Luo hurriedly pushed him out of the kitchen. "President, save the time. You still want to fight. I think you want to grab my work, so I won't let you succeed."

He obviously only wanted to help her and Wang Ma, but now he was treated as a job snatcher. Yi Yan was pushed out helplessly by Yin Luo, waiting for their results on the sofa.

For the first time, he actively asked to help others, but was blasted out. The first time he didn't want his face, he went to buy sanitary napkins for girls, but was deceived by her. The first time he went to the supermarket for the first time. A girl didn't go to work in the company... How many cases did he give to her for the first time, and how many cases did he break for her?

After more than an hour of anxious waiting passed, Yin Luo and Wang Ma finally came out with a few dishes.

Mother Wang carried a dish on the table and praised, "This dish of braised prawns is the way I told Madam Young. She made it herself. She is very clever. Except that she is not used to shoveling vegetables, she can do everything. It's a teaching."

Yi Yan looked at it and asked in a puzzled way, "It's pretty and fragrant, but why there are only five shrimps. Is our shrimp not enough?"

Of course not. Yin Luo replied, "If you do less, you will have endless aftertastes. If you do more, you can eat enough. If it is not good, you say yes, Mother Wang."

Yes. Mother Wang answered.

The five? Yi Yan asked again, how should we divide the five and three?

It's very simple. Yin Luo replied again, "Mother Wang and I are one and two. You are heavier than both of us. Just eat one. It's fair."

It's because Yin Luo has a seemingly fair way of eating. When Yi Yan eats, he only feels that a little bit is gone. What should I do if he wants to eat? Look at Wang Ma's two shrimps and then Yin Luo's two shrimps. Well, I will let Yin Luo make many shrimps for him in the future.

In the end, Yin Luo gave the gift to Mother Wang and asked her to open it after she left.

Yi Yan drove Yin Luo into the company, and went to the company himself. After the company was away from him for a long time, there were a lot of things to deal with. Yin Luo just got 20% of the shares, and there must be many things to deal with.

After Yin Luo returned to the company, she saw a group of people gathered together. She didn't come this morning. She didn't expect the company's discipline to be scattered like this. What are they looking at, so excited that they even ignored their work.

Yin Luo coughed twice. Everyone was shocked when they heard Yin Luolai. They quickly dispersed and returned to their working position.

Unlike the childish tone when talking to Yi Yan, Yin Luo asked sternly, "What are you looking at? Is it so exciting?"

No, I didn't watch anything. A female employee sitting in the middle stammered. They were all watching from her seat just now.

Yin Luo still sternly said, "Either take it out or leave, don't let me say it a second time."

The female employee had to nervously hand over the mobile phone and turned on the mobile phone. Yin Luo saw the headline "The company is on the verge of bankruptcy, and the female president is being taken care of."

Scrolling down further, there was a photo of Yi Yan helping her get the seasoning when she was visiting the supermarket with Yi Yan today. Although the two of them were fine, the photo was as ambiguous as it was.

There are also photos of her holding hands with Yi Yan, and photos of walking together to buy things. However, the photos are not very clear. In some photos, only her front face can be seen, and the man's face can't be seen at all. The text at the back was impressively named her, and there were a whole bunch of stories she didn't know.

There were even comments below that she was no wonder she was retiring to Lu Shuchen. It turned out that she had found a new benefactor, so she naturally didn't care about Lu Shuchen anymore. What kind of profligacy, bitches come casually, it's ridiculous.

Yin Luo returned the phone to the female employee, "Everyone writes a 1,000-word review, and the next time I will be fired directly, I still hear nothing."

I heard it. The female employees knew they were wrong, so they didn't dare to say anything.

However, I don't know if that report is true. Their CEO seems to have gotten 20% of the scattered shares overnight. But now, they don't dare to talk about anything. Anyway, they are just small. Employees.

After reprimanding the employees, Yin Luo went back to his office and turned on the computer, searched for "Yin Luo", and the report about her popped up. This matter is now not only her business, but also related to the company. Fame, you can never leave it alone.

When I was about to call Yi Yan, his call came first.

Yin Luo first said, "Hey, have you seen it all?"

Yeah. Yi Yan replied, "Can't I call you without seeing it?"

Don't make trouble, it's business. Yin Luo said seriously, "Although this matter is aimed at me, it has nothing to do with you."

Luo Luo, we are now a serious couple. Holding hands. Isn't it normal to have a few ambiguous photos? It's not a big deal. We will hold a press conference in a few days. The rumors are naturally self-defeating. The bigger the trouble, the more embarrassing the people who spread the rumors.

That's good, then I'll listen to you. Yin Luo hung up after speaking.

Six days later, when it was time, Yin Luo wore a dress prepared in advance and painted makeup that matched the dress. Compared to her who doesn't like makeup in daily life, she is a bit more charming today. Find Yi Yan, who was wearing the same color suit, and the two rushed to the press conference together. What they see through is what a couple wears, and the two seem to really match each other, and the relationship can be seen at a glance.

As soon as Yin Luo and Yi Yan walked to the press conference site, they were surrounded by many reporters.

President Yin, how do you explain the matter of being nurtured? Is it true.

Ms. Yin, it seems that you and Mr. Yi are in a situation. Did you find another new love today?

Is it because of the company's situation that it was a last resort? Do you have any difficulties?

Yin Luo gave them a professional smile, and then replied "Sorry, I can't answer your questions right now. What you want to know, I and Mr. Yi will explain clearly in the press conference later, and give you a satisfactory answer. Thank you, please get out of the way."

The security and assistant opened a way for Yi Yan and Yin Luo, and Yi Yan embraced Yin Luo and entered the center of the press conference.

The conference started and everything went smoothly. Yi Yan explained the relationship between them, and there was a clear photo of the supermarket that day, which was obviously Yi Yan and Yin Luo.

In this way, those who spread the rumors have nothing to say.

At the end of the press conference, I remembered that the people suddenly asked Mr. Yi to kiss Mr. Yin. Yin Luo thought they were really a pit, and it was enough if they explained it clearly. Why do you have to see other people's relatives? There is no way I can't refuse at this time.

Seeing Yi Yan looking at himself with happiness and complaining in his heart, he really knows how to pretend. Just as Yi Yan's lips were approaching Yin Luo's, someone suddenly stopped him.

Wait a minute. The speaker was Lu Shuchen.

Yin Luo didn't understand. Since he had derailed a long time ago, it meant that he didn't have himself in his heart, and now they are also broken. As far as she knows, Lu Shuchen has nothing to do with Yi Yan. What is he doing here?

Lu Shuchen didn't look very good, his beard probably hadn't been shaved for many days, and the whole person looked decadent.

Seeing that things were turning around, the reporters all turned their camera to Lu Shuchen, looking forward to making more exciting entertainment news.

Lu Shuchen grabbed Yin Luo's wrist and said eagerly, "Luo Luo, I knew that I was wrong at the time, so you retired from me. In fact, you still like me, right? You and Yi Yan were married only for him. You have no feelings for him, right? You follow me, and I can give you whatever he can give you."

Lu Shuchen, let go. I like Yi Yan now, and the person I want to marry is also Yi Yan. Yin Luo said blankly to Lu Shuchen, it's all this time. What kind of disorder is good.

Yi Yan grabbed Lu Shuchen's hand and threw him away, warning, "Luo Luo is now my righteous wife and my lover. I don't allow others to bully her, especially you."

At this time, the reporters were restless and asked one question after another.

President Yin, did you really marry Yi Yan for his money?

Mr. Yin, can you tell us who you really like? Is it because Mr. Lu made a mistake in the first place that you dubiously said that you like Mr. Yi?

...

I'm telling you clearly now. Yin Luo said, she can no longer leave Lu Shuchen with a little illusion, she has already disliked him, he is so dirty, he is not worthy of himself.

Some of you may say that I was with him for Yi Yan's money, but it is impossible to give it to me, and Lu Shuchen can also give it to me, so why don't I choose someone I like to be with. As for I used to be engaged to Lu Shuchen because I hadn't met Yi Yan yet. At that time, I didn't know that there would be such a good man in this world.

He will go shopping for me, do what he has done for me, and take care of me when I am sick. I like him, and he likes me too. This is probably the luck of a lifetime. As for Lu Shuchen, I never liked him from the beginning to the end, and I will never like him in the future. In this way, for Lu Shuchen, I can say nothing more.

For you, I have already said everything I want to say, and I won't answer any of your questions, thank you.

After speaking, Yin Luo turned around and kissed Yi Yan's lips. Yi Yan was about to kiss deeply, and Yin Luo withdrew, pulling him to leave.
