

Chapter 751

Today is Gu Xiaoxiao's birthday, and the birthday party will be held at night. Please search on Baidu (web) because Yi Yan and Gu Yan have a good relationship, and the Yi Group and Gu have business dealings, so Yi Yan had to give Gu Yan this face and participate in Gu Xiaoxiao, which is Gu Yan's Sister's birthday.

As for the female partner, of course, it is Yin Luo.

Yi Yan took Yin Luo to the clothing styling shop to do styling, and then picked two evening dresses.

They went to pick the evening dress first.

Luoluo, what kind of dress do you like? Yi Yan followed Yin Luo through each dress.

Yin Luo stayed for a while beside a white lace evening dress and then walked to another place.

Yi Yan looked at the white evening gown and asked, "Do you think it looks like a wedding dress? Speaking of which, I still owe you a wedding."

I don't care. Yin Luo answered casually.

I care. Yi Yan said immediately.

How could a woman not care if his man would give her a wedding? Unless, this woman doesn't like him at all, so she doesn't care about him, she doesn't care about him, and naturally she doesn't care if there will be a wedding.

Does she really care about Lu Shuchen, even if he derails, he is several times better than herself, right? Is he about to lose Yi Yan here at Yin Luo?

No, it won't. He will slowly win back Yin Luo's heart, at least, her current body is completely his own.

Without showing anything, Yi Yan allowed Yin Luo to choose the dress slowly, while he silently followed behind.

Finally, Yin Luo chose a lavender evening dress. In order to match Yin Luo's, Yi Yan also chose a lavender suit.

This clothing styling shop is often visited by Yi Yan. Because of its unique style and well-known brand, it is favored by the upper-class people, but it is not something that the upper-class people can consume.

Yin Luo and Yi Yan have already changed their evening dresses, and the designer is making styles for them to match the clothes.

During the period, the designer praised, "This young lady's panel is really good, and her vision is also very good. This evening dress is the painstaking effort of the well-known costume designer der personally."

Thank you. Yin Luo said with a smile. The praised Yin Luo was in a good mood.

The designer went on to say, "Yi Shao, you usually don't have a female companion. I didn't expect that the area would make me so amazing. This lady has a very good foundation. After putting on makeup, she must be the most beautiful person at the party, and you are the most beautiful person at the party. It really matches."

Hearing what the designer said, Yi Yan was naturally very happy. However, Yin Luo was married by him, and Qian Li Ma met Bo Le. Therefore, he hopes that in the future, Yin Luo will have only his Maxima.

She is my wife. Yi Yan explained to the designer.

For some reason, after hearing this message, the designer would be so happy. "Oh, isn't it? That's great, you guys are really good for being together. The young lady is so good and beautiful, she doesn't look like married People."

That's because I treat her well. Yin Luo couldn't listen to the narcissistic man again.

Finally finished the styling, Yin Luo looked at himself in the mirror, it was really pretty. Looking at Yi Yan again, he was really handsome, and he was always handsome, but now he is naturally able to fascinate thousands of young girls.

Fortunately, he belongs to her, otherwise she might be jealous if she sees other women around him. However, these are all because Yi Yan is handsome, there is no other reason.

After confirming that the clothes and makeup were correct, Yi Yan drove to the door of the party.

The party was very luxurious this time, the hall was large and the lights were warm.

Yi Yan and Yin Luo walked in hand in hand, they won everyone's attention as soon as they walked in, and everyone was talking about it. At the last press conference, most of them already knew Yi Yan and Yin Luo. This was probably the first time Mr. Yi and his wife attended the party. Gu's face was really great.

A handsome man and a beautiful girl will naturally win attention wherever they go.

Gu Yan saw them coming, and immediately took the beauty around them to greet them.

The beauty this time is obviously not the one that Gu Yan took when Yin Luo met Gu Yan last time. Also, Gu Yan is a playboy, and it's normal to have a few beauties around him. This time the beauty is still an awl face, big breasts, thin waist, long legs and white panels. Sure enough, his vulgar vision hasn't changed.

President Yi, Mr. Yin. Oh, no, Mrs. Yi.

Yi Yan shook hands with Gu Yan, "I still prefer your name to Mrs. Luo Luo Yi."

It seems that Mr. Yi likes Mrs. Yi very much, Gu Yan said.

You envy?

Haha, of course not, I don't like being supervised. I'm unfettered. It's so cool to have a different beauty in my arms every day. Gu Yan looked at the woman next to him with an ambiguous expression, and then kissed him. A quick glance on her cheek seemed to enjoy the presence of many women.

But Yin Luo didn't like such a man with many women. He silently despised him and cursed him to be too "happy" and die. "When you have a woman you like, you will know how stupid you are now."

Hearing Yin Luo speaking, Gu Yan remembered the last time he met her. "Mrs. Yi, I helped you last time. Wouldn't you be grateful?"

It's just because I am grateful to you that I will show my face to your sister's birthday party.

Mrs. Yi is right, please inside.

Yin Luo took Yi Yan's hand and walked inside. Everywhere he went, many people looked at them with envy. The combination of handsome men and beautiful women would naturally attract people's attention.

It didn't take long before I met the hostess of the party tonight, Gu Xiaoer.

Yin Luozi didn't know Gu Xiaoer, but she was wearing a golden yellow evening gown, crystal shoes, heavy makeup, and a crown on her head. You can guess that this is Gu Xiaoer. No doubt.

Although Gu Xiaoer had never seen Yin Luo before, she knew who she was when she saw Yin Luo and Yi Yan attending the conference video.

Gu Xiaoer seemed to have not seen Yin Luo, and only greeted Yi Yan, "Brother Yi Yan, do you remember me?"

However, Yin Luo didn't care at all, and she didn't need to care about a girl.

Yeah. Yi Yan only said one word.

Gu Xiaoer continued, "Brother Yi Yan, do you remember the scene when we met in country a? At that time, I just arrived at university a, and you were already in graduate school. At that time, we met for the first time. I've never been able to ask a question, and I don't want to ask the tutor. It's you..."

Gu Xiaoer was interrupted by Yi Yan before he finished speaking. He said coldly, "I remember, the party will begin soon, and you need to speak."

Gu Xiaoer saw that the host had indeed begun to speak, and it was her turn immediately, and then she reluctantly left.

Seeing Gu Xiao'er leaving, Yin Luo finally couldn't help but laughed out, "Yi Yan, you school girl really loves you so much."

Are you jealous? Yi Yan approached Yin Luo and asked ambiguously.

Yin Luo replied, "I didn't."

That's right. Yi Yan thought for a while, hugged Yin Luo and said, "I am all yours, and you have nothing to be jealous of."

Yin Luo pushed Yi Yan, "You let go, I am not."

They were talking when they suddenly realized that everyone at the party seemed to be watching them.

At this time, Gu Xiaoer stepped down from the stage and walked towards them, then stretched out her hand and said to Yi Yan, "Brother Yi Yan, can you invite you to dance the first dance of this party with me."

Yi Yan looked at Yin Luo, and then refused without hesitation, "Sorry, I already have a female companion."

It's okay. Gu Xiaoer didn't care at all, and continued to invite Yi Yan, "It's just a dance, and it's not taking you away. After dancing with me, you can still dance with your female partner."

Sorry, my wife cares, and I care too. Yi Yan refused again.

Yi Yan had refused twice, and Gu Xiaoer had nothing to say, and the scene was very embarrassing for a while.

Gu Yan came here and smiled and said, "Sister, when you grow up, you want to dance with other men? Shouldn't you dance with your brother on the first dance of this birthday?"

After speaking, Gu Yan stretched out his hand to invite Gu Xiaoer, and Gu Xiaoer stretched out his hand to dance with Gu Yan for the first time.

Seeing that the matter had been resolved, everyone danced with their female companions.

When Yin Luo danced, he didn't forget to step on Yi Yan, "You are really good, you refuse to use me as a shield."

Don't you think that way? Yi Yan asked.

certainly not.

Yi Yan sighed, "Women just love duplicity. In the future, if you say you want it, you don't want it. If you say you don't want it, you just want it. If you say you like it, you don't like it, and if you don't like it, you like it. Then I ask you, it's me that you like.?"

Just now Yi Yan said that, Yin Luo didn't know whether he should like it or not. "I refuse to answer your question."

Yi Yan smiled, "So you like to be embarrassed to say it?"

No. Yin Luo said habitually, and Yi Yan was still narcissistic as always.

It's not that it is.

Gu Xiaoer, who was still dancing on the other side, watched the two people over there talk so happily. Brother Yi Yan didn't usually like to laugh, but now he looks like a different person. Why? Her brother Yi Yan could only laugh for her.

She started to like Yi Yan a long time ago, but she felt that people like Brother Yi Yan would not fall in love so early. He didn't expect to get married in a while.

She Gu Xiaoer's fancy thing must be obtained in the end, she doesn't care who he belongs to now, as long as he can still belong to her in the future.

After a dance, Yin Luo didn't want to dance anymore, and Yi Yan followed Yin Luo and sat with her in the corner.

But even in the corner, this woman can attract bees and butterflies to him.

Seeing that Yin Luo hadn't danced anymore, a single man went to Yin Luo's side and invited her to dance. Yin Luo originally thought Yi Yan would help her refuse, but he didn't. Yin Luo simply pretended to agree and stretched out his hand. This time, Yi Yan finally grabbed her hand, "Lady, I also want to invite you to dance.
