

Chapter 752

Knowing that Yi Yan was dissatisfied with her performance just now, Yin Luo extended his hand to Yi Yan with wit and apologized to the man. Seeing that Yin Luo didn't choose him, the man left knowingly. After all, the man next to her was really handsome.

So Yin Luo danced with Yi Yan again.

Yin Luo, you are so good. If you weren't here, you would run away with other men, wouldn't you? Yi Yan looked at Yin Luo bitterly, she really didn't worry.

Aren't you here?

What if I'm not here?

No, if he is not there, she will probably directly refuse the man who invited her.

But Yin Luo didn't want to say this to Yi Yan, she joked, "You don't want to try."

Yi Yan, who was dancing, suddenly stopped and hugged Yin Luo tightly. "Luo Luo, it seems that I will be by your side in the future. Otherwise, what should you do if you run away with other little white faces?"

Cut. Yin Luo pushed Yi Yan away, "If you don't talk to other little princesses, I will thank God if the little lady ran away."

Do you care?

I don't care.

Yi Yan took Yin Luo's hand, "Women just love duplicity, she cares in her heart but she doesn't care. Let's go, let's go have a drink."

As soon as he was about to leave, a few men came over to say hello to Yi Yan. They should be Yi Yan's friends, and they were talking to Yi Yan in unknown language. Yin Luo felt bored, so he sneaked away and wandered elsewhere.

After leaving the feasting party venue, Yin Luo felt that the air was much fresher and more comfortable. Behind it should be the back garden of Gu's family. The decoration of the garden is still very beautiful, and it looks refreshing.

Walking deeper, Yin Luo saw the two figures in the pavilion, and took a closer look. Isn't that Gu Yan and his sister Gu Xiao'er? The atmosphere of their conversation doesn't look right.

Gu Yan seemed to be very angry and asked Gu Xiao'er "Are you really interested in him?"

Gu Xiao'er didn't care, "Why, there are so many women around my brother, can't I like someone?"

Women around me? They I just play casually, just give a sum of money when I want to pass it. But you are different from him. Yi Yan is already a married person, and he is not what you can do. Take control at will, give him up, okay?

Married? Gu Xiaoler smiled coldly, without saying much.

Yin Luoben saw them accidentally. Later, he heard Yi Yan's name. He stayed for a while. After all, he heard the wall roots badly. Yin fell two steps behind and was about to leave, but when he turned around, he suddenly hit a sturdy one. In the arms.

The man was a little taller than her. She raised her head to find that it was Yi Yan. He must have found her sneaking out and came out to look for her.

The man grabbed Yin Luo's wrist, walked back for a while, and then pushed her against the wall.

Realizing something was wrong with the man, Yin Luo shook off the man's hand and asked angrily, "What are you doing? Did you hear what Gu Yan and Gu Xiaoler said?"

Should I ask you, you heard what Gu Xiaoler and Gu Yan said, don't you feel a little bit? Yi Yan seemed to be even more angry than Yin Luo.

Yin Luo was a little strange, "How can I feel, why are you so strange today... Um..."

Hearing Yin Luo's words, Yi Yan immediately blocked Yin Luo's lips and bit them punitively.

Yin Luo was bitten by him in pain, and struggled to push him away.

He himself didn't know why he couldn't control himself so much today, why he did such a stupid thing as soon as he met Yin Luo, he was easy to get angry when he knew that she might not care about him, although he also knew that he might be unreasonable.

Yin Luo felt that Yi Yan was really crazy today, "What are you doing, why are you..."

"Why? Luoluo, you heartless woman. Hearing other women want to replace you and covet me, you have nothing

feel? Even if it's a little bit, you really don't care about me at all? "

You let me go first.

I won't let go.

After that, Yi Yan kissed again. This kiss was different from the last time he was domineering. This kiss was gentle and lingering. Even the angry Yin Luo would forget everything and indulge in it. She really doubted whether it was true that he told her that he had no other women, and if not, how this kissing technique was so superb.

Suddenly, a soft cough came, and Yin Luo quickly pushed Yi Yan away. Gu Yan and Gu Xiao'er were the people who came. Therefore, Gu Yan and Gu Xiaoler saw them kissing just now.

Gu Yan looked at Yin Luoxiao's evil charm, and Yin Luo was a little embarrassed by him.

Unexpectedly, Mrs. Yi and Mrs. Yi are so gluey, we interrupted.

Yeah. Gu Xiaoler also continued. She had a professional smile, but her nails were deeply stuck in the flesh, "We are bothering you. Sister Luoluo is so lucky to meet Brother Yi Yan so good. people."

Yin Luo understood that Gu Xiaoer was hypocritical, and just responded “Yes.”

No. Yi Yan didn’t expect that just after Yin Luo answered, he said so, but then he said, “It is my blessing to meet Luo Luo in this life.”

With that, Yin Luo’s phone rang, it was Grandpa.

After saying hello to Gu Yan and Gu Xiao’er, Yin Luo walked away and took the call from Grandpa.

Grandpa’s old but vigorous voice came, “Luoluo, can I go back home? Grandpa has something to talk to you.”

Yeah. Yin Luo replied, she would never refuse Grandpa. Besides, this time I really should talk about it. Last time I married Yi Yan without telling everyone, even my grandfather knew through the press conference. They haven’t had a good talk for a long time.

After Tong Yi Yan explained the situation, Yin Luo wanted to leave first and let Yi Yan stay alone.

But Yi Yan refused, “I’ll send you off, I don’t want to stay here anyway. And you didn’t drive when you came, let’s go.”

So Yin Luo went to his grandfather with Yi Yan, and Yi Yan waited downstairs.

When Yin fell upstairs, the first thing he saw was Father Yin and Chen Meng.

Father Yin sat on the sofa and saw Yin Luo coming, and only greeted loudly, “Luo Luo is here.”

Yeah. After all, it was his father, and Yin Luo also responded.

But Chen Meng started talking endlessly, “Luoluo, watching the press conference and saying that you are married to the president of the Yinhui Group, why don’t you tell us about such a big thing in advance? Yinhui is also a big company. Luoluo, you What a blessing, I am really happy for you, I can marry so well.”

She didn’t want to hear what Chen Meng said anymore, anyway, she had heard a lot of these false feelings, and she asked directly, “Where is Grandpa?”

In it, I said I want to talk to you alone. Father Yin replied.

Yin Luo went directly into his grandfather’s room. Grandpa sat at his desk, his hair was a bit gray, and he was wearing a pair of reading glasses, looking like a university professor.

Hearing the sound, Grandpa turned and looked at Yin Luo kindly, “Luo Luo, you are here.”

Well, grandpa, I’m here, how is your health? Yin Luo asked concerned.

Grandpa looked at the stool next to the desk and motioned Yin Luo to sit down. Yin Luo nodded and sat beside him.

Grandpa looked at Yin Luo as if he was looking at a child. He stretched out his wrinkled hand and gently stroked Yin Luo’s hair. “Luo Luo, you’ve grown up, you are no longer the kid who haunted Grandpa.” .”

Grandpa what are you talking about? Yin Luo was indeed a little guilty when she heard what grandpa said, and it was true that after she worked, she rarely cared about grandpa. "No matter how old I am, it is the obedient granddaughter next to grandpa."

Hearing Yin Luo's words, Grandpa Le Ho Ho laughed, "Okay, okay, grandpa asks you one more thing, did you marry Yi Yan because he can help you, and at the same time, do you like him or just for the company? Is Yan treating you well again?"

Do you like him? She doesn't know, anyway, she can't worry about Grandpa now, "Grandpa, of course I like him better when I marry him, otherwise I can still marry Lu Shuchen, and I won't retire and choose Yi Yan. He also likes Yi Yan. I'm very, very, very good to me. Grandpa, please don't worry about it. If one day he treats me badly, I will put him in Grandpa's arms again, and Grandpa will definitely not despise me."

Okay, okay, that's okay, grandpa will be relieved. Grandpa nodded, this Yi Yan is not easy, but as long as Luo Luo likes him, he also likes Luo Luo, then there is no problem.

Well, in this case, it's not too early, Grandpa, I'll leave first.

It's getting too early. It's not safe for you to be a girl if you stay at Grandpa's one night. Grandpa kept.

Yin Luo explained, "No, you know, I don't like Chen Meng and don't want to live with her under the same roof. Moreover, Yi Yan just sent me here, and he is waiting for me now."

Knowing that Yi Yan was still sending Yin Luo off, Grandpa felt more relieved, and then he urged Yin Luo to leave quickly, don't make people wait in a hurry.

As soon as I walked to the door, I heard Chen Meng telling her father behind her, "You said that Luoluo is too ignorant, right? We don't even notify us in advance when we get married. It's really... or our daughter is obedient, you say..."

Yin Luo smiled, she had already heard these words, and deliberately made a loud noise at the door. Then Chen Meng stopped talking and smiled and looked at Yin Luo, "Oh, I'm leaving now? Why? Don't live at home? It's not too early."

Reluctantly smiled with her, Yin Luo explained, "Yi Yan is still waiting for me down there, so I won't. I'll go now."

Yin Luo who was out of the house could also think of Chen Meng's expression after hearing her mention Yi Yan waiting for her. Originally, Chen Meng was upset that she married Yi Yan and thought she was a high climber, but Yin Luo didn't care about Chen Meng's thoughts at all, just like to see her angry expression. After leaving Yin's house, Yin Luo went downstairs and returned to the car.

Go home? Yi Yan asked.

go home?

Yi Yan explained, "Naturally, I went back to Yinpin Court and Luoluo. We are already married and we are a real couple. Is it weird that we live together?"
