

Chapter 753

"That's okay." Yin Luo said, yes, they are already husband and wife, so naturally they want to live together, but she is still a little uncomfortable now.

On this day, she was also a little tired, Yi Yan drove the car steadily, and Yin Luo fell asleep in the car.

When I woke up again, it was already the next morning. Looking at the handsome profile of the man lying next to him, he looked a little cute while sleeping.

From when she found out that Lu Shuchen had derailed, to now that she married Yi Yan, watching him sleeping next to her, everything was as unreal as a dream, as if she would wake up from the dream in the next second.

Peeping at me? Yi Yan suddenly opened his eyes when Yin Luo was thinking about something, which frightened Yin Luo.

You bastard. Yin Luo beat the man in the chest, but for a man with abdominal muscles, it doesn't matter if it doesn't hurt or itchy.

Okay, my bastard. The man took Yin Luo's little hand, his face was full of happiness, I'm afraid he didn't have a illusion.

Raising her arm, Yin Luo realized that she was wearing comfortable pajamas instead of yesterday's clothes. Yes, yesterday's dress was a formal dress, so naturally I can't wear it to sleep, but who changed the dress on her now?

Yin Luo asked, "You describe to me the whole process after I fell asleep in your car yesterday."

I really want to describe it all? Some processes can't be described. Yi Yan said badly.

Don't make trouble. Yin Luo knew that nothing happened between them, otherwise she would definitely know even if she fell asleep.

Okay, don't make trouble, I listen to my wife. Yi Yan said honestly after saying, "You slept like a dead pig yesterday. After you get home, I will take you upstairs to the bed and you don't feel at all."

And then. Yin Luo asked, she couldn't wait to know what happened next.

Then, I took off your clothes, wiped your body, and changed into a pajama.

Hearing this, Yin Luo was shy, "You...you take advantage of me while I'm asleep."

I'm your husband. Yi Yan emphasized that since they are husband and wife, there is nothing they can't do between husband and wife.

I didn't toss you when I saw you fell asleep yesterday. If you don't get up quickly, you will be late immediately. Yi Yan reminded.

Yin Luo stretched, turned on the phone to check the time, and he was about to be late as expected.

He quickly got up, brushed his teeth, washed his face and changed clothes. Yin Luo wanted to go directly to the company, but was caught by Yi Yan.

You must eat. Mother Wang has already prepared the meal. It won't be long before I will be late with you when you are late.

There was no way, Yin Luo had to stay for breakfast with Yi Yan. Yin Luo was not allowed to eat too fast. Yin Luo felt that he was about to die, but Yi Yan was like a okay person.

Finally, after dinner, Yin Luo wanted to go to the company, but Yi Yan said he wanted to send her off.

Yin Luo refused, "No, we didn't go along the way. Wouldn't you be late if you sent me?"

It's okay, my own company decides on its own. It's not the first time I'm late. If you don't let me send it, I won't let you go. It's not the first time I'm late for you.

All right. Yin Luo had no choice but to agree.

After arriving at the company and bidding farewell to Yi Yan, Yin Luo walked into the company. Suddenly someone grabbed her wrist and looked back with a handsome face, Yi Yan.

Is there anything else? Yin Luo asked.

Yi Yan said seriously, "You have something you forgot to bring."

What? Yin Luo asked in confusion. I took a look at my bag and files, and there is nothing I forgot to bring.

I forgot to bring it. Yi Yan said with a smile, and reached out to Yin Luo when he finished speaking.

Stop making trouble, this is at the door of the company. Yin Luo refused.

No trouble, I want to inspect my wife's company, let everyone know that I am your husband. However, since you don't want to take me, then I have to...

Yi Yan picked up Yin Luo and walked into the company. "I have no choice but to take you to visit your company."

You let me go. Yin Luo slapped the man, but no matter how Yin Luo slapped, the man just didn't want to let go. Damn, she is the dignified president of the company, where does this put her face?

Yi Yan hugged Yin Luo into the company and caused a great sensation. Along the way, all the employees who were working on the job looked at Yin Luo enviously, and even had jealous eyes, as if they were about to take Yin Luosheng alive. .

Who doesn't want to have a handsome man like Yi Yan who is rich and loves his wife. Which woman won't be tempted?

After they took the elevator, they dared to talk.

This should be Mr. Yi, he is so handsome, the president and Mr. Yi really match each other.

Yeah, yeah, she looks like a talented woman. Mr. Yin usually looks fierce, but when he meets Mr. Yi, hehehehe.

They are so happy, so envious. I can see that Mr. Yi likes our president very much. Our president's previous divorce was really right.

...

In the elevator that reached the top floor, Yin Luo asked Yi Yan to put her down, but Yi Yan firmly disagreed and had to send her to the office. No way, she wasn't tired anyway, Yin Luo didn't move anymore, obediently letting Yi Yan hold her. It's a big deal, it's just a few people who have seen it. Anyway, most of the company's people have seen it.

Yi Yan reported her to the soft chair in the office, kissed her on the cheek, and looked at her dozingly.

Well, I'm here, let's go. Yin Luo rubbed Yi Yan's face and said.

What should I do if I can't bear to leave?

I'm angry. Yin Luo threatened. She still has a lot of work to do, and she wants to do it quickly.

Yi Yan couldn't bear Yin Luo's anger, so he proudly said, "Kiss me and leave."

Didn't you just kiss you?

It was you who I took the initiative to kiss just now. It's different. Come on. Yi Yan stretched out half of his handsome face to face Yin Luo.

Yin Luo was helpless, how could he be like a child, or let him go quickly, otherwise, she would not be able to work well today. Closing his eyes, Yin Luo leaned close to Yi Yan's face and gave a quick kiss.

Yi Yan was willing to give up, and after bidding farewell to Yin Luo, he left.

Just walking on the way to the company, at this moment assistant Xiaotian just made a call, and Yi Yan answered in a good mood, "Hey, good job this time, the call is just right."

Ah? Oh, thank you for the praise. Xiaotian breathed a sigh of relief, and finally the time was right this time, and he didn't bother him anymore, "Then you go to work, are you coming?"

Of course, waiting for me at the company.

Okay, Mr. Yi, hang up. The little Tianmo stared at the phone that had just hung up. Oh, yeah, there was finally such a day when Mr. Yi didn't scold him. Mr. Yi was in a different mood when he was in a good mood. It was awesome.

At noon, Yin Luo was still working, so Yi Yan called her to have lunch with her.

Yin Luo still has a lot of work to do, but he feels like Yi Yan is very leisurely, "President Yida, why are you so active when you get off work? You are very leisurely."

As long as I can stay with Luoluo, no matter how busy I am, I will be very busy. In fact, he is also very busy. The company occupies half of the city in a short period of time. How could it be possible without his efforts? Now he has lost all his work to the assistant and the vice president, and he has been left alone.

Just you can talk.

Okay, I will pick you up at your company later, and we will have lunch together. When I arrive, you will go with me. You are not allowed to work anymore. I hear you. Yi Yan said.

I heard it, I heard it, hang up first.

Yin Luo still wanted to read the archives again. Fortunately, Yi Yan's company and her company were still some distance away. It was estimated that it would take tens of minutes, so Yin Luo looked at the archives with peace of mind.

After a while, the door of the office rang, and Yin Luo was a little strange. Lin Lin seemed to have left work just now. Could it be that she forgot to take things? Yin Luo got up and opened the door, but when he opened the door, he saw Yi Yan. She was a little surprised, although she still wanted to look at the file for a while.

Why is it so fast? Yin Luo greeted Yi Yan in and asked.

Fool. Yi Yan explained, "When I called, I was downstairs in your company. You just promised me. If you want to eat, I will take you there."

Unexpectedly, Yin Luo joked, "I want to eat you."

Okay, which hotel to go to, or which one of ours? Yi Yan thought about it seriously for a while.

Okay, stop making trouble, I will eat whatever you want.

Okay, let's go.

Yi Yan and Yin went to a shrimp shop.

This prawn shop is antique and the prawns made are also delicious.

Do you know why I brought you here? Yi Yan asked.

Yin Luo shook his head to express puzzlement.

Yi Yan explained, "Because I want to help you peel the shrimp and eat it myself."

Wow, you are so good. Yin Luo watched Yi Yan pick up a few shrimps, and personally helped Yin Luo peel the shrimps with his hands.

Seeing Yi Yan lowering his head and peeling the shrimp seriously, his profile looks really good, especially when he gets serious, then he must look handsome at work. Suddenly, she felt like she had made a profit by marrying such a handsome man.

Yi Yan's technique of peeling shrimps is very good, and a few shrimps will be peeled in a short time. Yi Yan personally put them on Yin Luo's plate and watched Yin Luo eat them.

Well, the shrimp peeled by President Yi is really delicious. Yin Luo praised, and then fished out another shrimp peel. "Since you are so good to me, then I will help you peel one."

Yi Yan nodded. This woman finally knows how to be better for him. "Hey, yes, Gu Yan invited me to a KTV party in the evening. Come with me."

What is the relationship between you and Gu Yan? Yin Luo asked.

Yi Yan thought for a while and said, "It's a very important relationship. He and I are also very good friends, and we also have business dealings. Why? You don't seem to like him very much?"

Neither. Yin Luo replied, "I just dislike him changing women day by day like changing clothes."

Yi Yan smiled, "That means there are more women, other places are pretty good. But don't worry, I will only have you as a woman in my life, Yi Yan."
