

## Chapter 754

"I don't believe it." Yin Luo was very happy when he ate the shrimp that Yi Yan had peeled for her.

Yi Yan promised, "Then I will prove it to you for a lifetime, as long as you don't betray me, as long as you are still mine."

...

In the evening, Yi Yan took Yin Luo to the mall and wanted to buy a couple outfit with her and wear it together at night.

Are you sure? Yin Luo questioned. She could see a lot of clothes that "fitted" the chief executive in the mall. For example, Mei Yang Yang, Mickey Mouse, hellokitty, gourd baby and so on.

Of course. Yi Yan said confidently.

Yin Luo looked at it, then stopped in front of a piece of clothing and said, "I think this one is good. You must look good in it."

This dress is a girly dress. It is a pink T-shirt with a kitty cat pattern on it.

This...there is a blue one next to it. I wear blue and you wear pink, which is just right. Yi Yan suggested.

No, I like blue, you wear pink, do you remember how you told me just now? Are you going to regret it? Yin Luo threatened.

Well, if you like it, then I will wear it.

So they changed their clothes together, and Yi Yan's pink clothes were less serious and more cute than a big boy.

It looks good. Yin Luo praised sincerely. It is good to be handsome. You can hold it no matter what clothes you wear. Yin Luo couldn't help but rubbed the man's face, paid the bill, and led him out of the mall with him.

Diyi KTV is the largest KTV in the city. Needless to say, it is luxurious and expensive. In addition to the staff, most of the people who enter and exit are also rich and wealthy. Yi Yan and Gu Yan often get together here, sometimes discussing business and sometimes discussing relationships.

After Yi Yan and Yin landed, as soon as they opened and left the parking lot, they attracted the attention of countless people. Yin Luo thought that the pink kitty cat clothes of the chief executive were so cute that people couldn't help but look at it more, haha.

There are more people at the front gate of Emperor Yiyi. The handsome men and beautiful women are already eye-catching, and with their costumes, they become the focus.

It may be that Yi Yan is used to being the focus, and he did not pay too much attention. He just walked forward with Yin Luo's hand, holding her, and there was an inexplicable sense of fulfillment. Holding her

was like getting the whole world. . There has never been anything that made him feel so beautiful, so he wanted to hold on, and didn't want to let go.

Taking Yin Luo to the private room that he and Gu Yan had never changed, opened the door and saw many people in the private room.

Of course there is Gu Yan, and I don't know if it is the few big breasted beauties that Gu Yan brought, or he found it from this KTV, but it doesn't matter much. Another person is Gu Xiaoer. She is wearing a leaky shoulder outfit today, which is extremely sexy.

Gu Yan was naturally surprised when he saw Yi Yan dressed in this way, and sighed, "Brother Yi Yan, it's really different for your family to have a little wife. The whole person seems to be ten years younger."

I'm not so old. Yi Yan took Yin Luo to find a spot and sat down.

Come on, let's have a drink first. Gu Yan raised his glass to face Gu Yan.

In the past, Yi Yan always drank a glass refreshingly, because drinking a glass of wine was nothing to him. But today, instead of raising his glass, he asked Yin Luo, "Wife, can I have a drink?"

Yin Luo was also surprised. When did he care so much about her feelings?

Whatever you want. Although he did this, Yin Luo didn't want to care about him.

Seeing that his brother has gradually become a strict wife, I feel that it is really scary to have a wife, or to be alone, it is better to have nothing to play with a woman.

Mrs. Yi, Mrs. Yi has said it, whatever you want, don't hurry.

Yi Yan had a drink with him.

Then Gu Yan poured another glass, "Mrs. Yi, last time I saved you, you can have a drink with me."

No. Yi Yan refused for Yin Luo. He knew that his family didn't like drinking. "Luoluo doesn't drink with people casually."

Look at you, do you want to drink with me casually? Knowing that He Yi Yan's brains can't make sense, Gu Yan turned to Yin Luo again, "Luo Luo, do you want to listen to that ghost?"

I just listen, I don't want to thank you. Yin Luo finally stood in the same boat with Yi Yan this time.

Gu Xiaoer poured a glass of wine and smiled and said to Yi Yan, "Brother Yi Yan, then I will toast you a glass. Thank you for helping me before."

You don't need to thank you. It's just a matter of effort, and you don't need to care. Yi Yan said politely.

Then Brother Yi Yan can have a drink with me, presumably Sister Yin Luo won't care. Gu Xiaoer continued to struggle.

Yi Yan looked at Yin Luo warningly. Yin Luo remembered that the last time Yi Yan saw her hearing Gu Xiao'er and Gu Yan's conversation, she was unmoved and angry. This time, she didn't want him to treat her with yin and yang strangely.

I mind. Except for Yi Yan, neither Gu Xiaoer nor Gu Yan would have thought that Yin Luo would refuse such a straightforward refusal.

Gu Xiaoer also reacted accordingly. Even if she wanted Yin Luo to leave Yi Yan immediately, she had better never show up in front of her, but at this time she still had to smile and face, "It turns out that Sister Yin Luo is so stingy. That's right, who doesn't want to hurry up with a good man like Brother Yi Yan? Then I wish Brother Yi Yan happiness forever." However, it is not happiness with Yin Luo, only she can give Yi Yan happiness.

After speaking, she drank the glass of wine alone.

Xiaoya, go and sing a song for everyone. Xiaoya sings very well. Gu Yan ordered the beauty in his arms, and Xiaoya nodded and started singing.

Yi Yan looked at Yin Luo, and then asked, "Luo Luo, I want to eat watermelon."

Then you eat, I didn't stop you. Yin Luo naturally knew what Yi Yan meant, but she just wanted to tease him.

I want you to feed me. Yi Yan said coquettishly to Yin Luo.

Don't feed, eat by yourself. Yin Luo refused.

Yi Yan sighed, then pierced a small piece of watermelon in the fruit plate with a toothpick and brought it to Yin Luo's mouth, "Then I will feed you."

Don't do it for nothing, Yin Luo obediently opened his mouth to let Yi Yan feed.

Gu Yan on the side can't stand it anymore, "Hey, you two, stop showing affection and spread dog food, okay? I'm already full."

It's not that you are not allowed to show affection. Yi Yan replied.

Gu Yan looked at Gu Xiaoer, she was just like her name, smiling. But Gu Yan knew that Gu Xiaoer was laughing on the surface many times, but it was painful inside, especially now. His parents named her Gu Xiao'er at the beginning, but now she is like this.

He called Gu Xiaoer to come today because he wanted her to see the relationship between Yi Yan and Yin Luo and asked her to give up. But he also understands that his family is stubborn, as is himself, and I am afraid he would not let it go easily. That's why, he has always had many women, he doesn't want to fall into the hands of a woman, so that he will be unable to extricate himself.

It's just a pity, I'm going to abduct your husband tomorrow. This is to show affection and separate quickly. Gu Yan said to Yin Luo triumphantly.

Yi Yan then explained to Yin Luo, "I will go to country b on a business trip with Gu Yan tomorrow, and I won't be back in three or four days."

Oh, that's great. Yin Luo thought that finally Yi Yan could not stick to her every day, and still have a little bit of fun.

Yi Yan looked at Yin Luo with a dangerous look and asked, "Are you sure?"

Not sure, not sure, I'll wait for you to come back. Yin Luo added again.

Only then was Yi Yan satisfied, and kissed Yin Luo on the forehead, really reluctant to bear her.

Later, Yi Yan and Yin Luo spent time in the high-profile show of affection, and today Yin Luo is also exceptionally cooperative.

Gu Yan drank the wine and looked at the sweet two. It is true that falling in love can really change a person.

After chatting with Gu Yan for a while, Yi Yan was about to leave with Yin Luo. But how could Gu Yan let Yi Yan go?

Yi Yan, this is not interesting enough for you. We used to drink until the next morning, but now it's only ten thirty. Gu Yan said.

Yi Yan smiled badly, "Don't you know that a moment is worth a thousand dollars?"

Gu Yanfu let Yi Yan and Yin Luo leave. They have just got married and are going to be separated for a few days, so naturally they have to be affectionate and affectionate.

After they left, Gu Yan looked at Gu Xiaoer, and she finally stopped holding back a smile. Drinking wine glass by glass, it seemed that drinking could make her forget the unpleasantness.

Don't drink anymore. Gu Yan persuaded.

But Gu Xiaoer didn't seem to have heard it, and continued to drink glass by glass. Later, I felt that it was not enough, so I just drank it bottle by bottle.

Seeing his sister like this, Gu Yan didn't know what to say, his sister on one side and his brother on the other. But, why does my sister like him?

Gu Xiaoer is also a veteran of drinking, and it is not easy to get drunk. She looked at the place Yi Yan and Yin Luo had just done, and smiled, Yi Yan, I will definitely snatch you back, Yin Luo, you must not die.

Yi Yan took Yin Luo back to Pin Yin Yuan, and Yin Luo was drowsy again. Yi Yan had to take the dozing Yin Luo back upstairs and put it on the bed, and take a bath by himself.

When he came out again, Yin Luo had already taken off his shoes and fell asleep in bed. How can she fall asleep? He will leave tomorrow. Shouldn't they do something tonight?

Yi Yan gently squeezed Yin Luo's ears, but she just moved, and there was no response.

So Yi Yan shook Yin Luo again, and whispered in her ear, "Luo Luo, wake up, go take a bath."

Yin Luo had a reaction now, "Take a bath? Yes, I haven't taken a bath yet. I'm going to take a bath."

Yawning, Yin Luo opened his eyes slightly and went to the bathroom, while Yi Yan was waiting for her outside looking at the files in the phone.

When Yin Luo came out again, she could see that she was still very sleepy. She yawned again, then silently walked to the bed, opened the quilt, closed her eyes, and lay in there.

Yi Yan put down the phone and gently called her “Luoluo, wake up.”

Why, I want to sleep. Yin Luo muttered, unhappy to be disturbed when he wanted to sleep.
