

# Super Rich Dad Chapter 761-763

## Chapter 761

Xue Chongli smiled slightly at his words and looked at Jiang Hao and said in a deep voice, 'That mess you made in our courtyard that day had both bad and good effects.'

When he said this, Jiang Hao looked at Xue Chongli with some confusion, he didn't quite understand why there were benefits for Xue Chongli.

Just as Jiang Hao was feeling puzzled, Xue Chongli spoke directly: 'If it wasn't for that mess you made. I'm afraid that my family Yu Ning and that boy Shen Qing Shu would have become a couple by now, so this is a good thing.'

'Wait, don't you want to join with the Shen family? Then why didn't you stand out against it!'

Hearing Xue Chongli's words, Jiang Hao couldn't help but roll his eyes, why did he have to stand up to this gun!

Xue Chongli looked at Jiang Hao and saw that his face looked a bit bad. So he smiled bitterly and said, 'This is not something I can decide, it's our old man who has to decide.'

After saying this, Xue Chongli gave a helpless cry, he wanted to stand up against this marriage. But his opposition was of no use in front of Elder Xue.

After all, she was only an illegitimate daughter and could not inherit anything in the family.

If she could marry a member of the Shen family, she would not have to suffer with their wealth and prosperity, and as the original spouse of Shen Qingshu, her future would be much more prosperous.

For the sake of this marriage, Elder Xue had gone to a lot of trouble to make sure that Xue Yuning would be happy and well for the rest of her life.

Although Xue Chongli did not agree with the marriage, he understood what Old Master Xue had in mind, so he could only remain silent.

The marriage was about to be consummated, and if Jiang Hao had not come, I was afraid that things would have gone in an irreversible direction.

Thinking of this, Xue Chongli looked at Jiang Hao with a trace of gratitude in his eyes.

'Whether you meant to or not, I have to say thank you, besides Yu Ning wants to see you.'

Hearing these words. Jiang Hao's heart jumped up indefensibly, did Xue Yuning remember herself, did she remember something to want to see herself?

Just thinking of this, Jiang Hao hurriedly said, 'Where is she, I'm going to see her now!'

Looking at the urgent look in Jiang Hao's eyes, Xue Chongli was a bit puzzled as he stood up and walked along, 'It's just a meeting, why are you so excited?'

Saying this, Xue Chongli then led Jiang Hao through the garden and then to the backyard.

After pointing to a slightly dilapidated looking house in the backyard, he spoke, 'Yu Ning lives in that house, you can meet her there, I'll wait here.'

Jiang Hao nodded at that and then ran towards the house.

Inside the room, Xue Yuning was quietly embroidering something, when she heard the sound of the door opening she turned her head to look.

She turned her head and saw that it was Jiang Hao who had made a scene at her engagement party that day. So she looked at him with some curiosity and said, 'You're here, have a seat.'

As she spoke Xue Yu Ning put down the things in her hands, then got up and walked over to Jiang Hao and looked deeply at him for a while.

'Why do I always feel that your eyes are familiar, yet I don't know you?'

As she said this, Xue Yuning was silent for a long time before she shook her head with a light laugh and said, 'Forget it, it's not a big deal anyway, I wanted to say thank you today.'

After Jiang Hao sat down, Xue Yuning poured him a glass of water, then sat down and looked at Jiang Hao and said, 'Thank you for standing up for me the other day, the truth is that I don't like him at all.'

Jiang Hao hesitated for a moment, wanting to regain his original appearance. But after thinking about it, he thought that this was the Xue family's house after all, so if people saw him, he might get into trouble.

So he sipped his water and spoke tentatively, 'Why don't you want to marry Shen Qing Shu, he is the heir to the Shen family in the Northern Province.'

Xue Yu Ning shrugged her shoulders and looked at Jiang Hao and smiled, 'I don't know why. Anyway, I just don't want to marry him.'

As she said this, Xue Yuning couldn't help but be drawn to Jiang Hao's eyes again, as if his eyes had some kind of magic power that could suck her whole being in.

After the two of them stared at each other speechlessly for a long time, Xue Yuning suddenly spoke with a confused expression, 'Why do I feel that your eyes are so familiar, who the hell are you. My head hurts so much!'

Suddenly, in just a few breaths, Xue Yuning fainted from the pain, while Xue Chongli, who was standing outside the door of the room, heard the noise inside the room.

He rushed in and saw that Jiang Hao was seriously checking Xue Yuning's pulse, then said in a deep voice: 'What's wrong, what's wrong?'

Jiang Hao closed his eyes and shook his head as he continued to check his pulse. After a long time, he opened his eyes and picked up Xue Yuning and put her on the bed, then covered her with the blanket.

Only then did he turn to look at Xue Chongli and ask, 'She seems to have been stimulated by something just now, remembering some of her previous memories, which is why she suddenly caused a headache.'

Hearing Jiang Hao's words, Xue Chongli faintly froze, then his face flashed a little unnaturally.

Jiang Hao felt a little strange at the sight, so he frowned at Xue Chongli and spoke, 'You knew about her condition a long time ago, right, so why didn't you tell me and why didn't you get a doctor?'

Xue Chongli bowed his head in silence for a long time before he looked at Jiang Hao and said, 'What I do is my business, she is my niece, my family, what are you?'

Jiang Hao's forehead burst into a blue vein. Looking at the bland look on Xue Chongli's face, he wanted to stamp a fist on his face!

'You say you're her family, so can't you care about caring for her?'

Said the words. Jiang Hao looked at Xue Chongli with some anger and pointed his finger at Xue Yu Ning who was lying asleep on the bed, 'Do you know that if you continue like this, there's a high chance that her spirit won't be able to support her?'

Xue Chongli lowered his head in silence. He didn't know, but there was nothing he could do about it!

Looking at Jiang Hao gesturing at himself, a layer of anger surfaced in Xue Chongli's heart as well.

'What do you know. You have a way you cure her ah, didn't you say last time that you were going to help her recover her memory, and what happened?'

After saying this, Xue Chongli looked at Jiang Hao whose face turned a little pale in an instant and continued, 'Didn't you say that you were very good at healing, if you are that good you can't do it, do you think I can?'

Xue Chongli looked at Jiang Hao and his emotions unconsciously became a little agitated, he also did not want to see Xue Yuning in this state.

At first it was only once every three days, but it had developed to the point where it hurt almost every day, and it hurt Xue Chongli's heart to see it.

The reason why he agreed to get Jiang Hao to take a look for Xue Yu Ning was because on the one hand he wanted to fulfill Xue Yu Ning's wish, and on the other hand he also wanted Jiang Hao to look at the cause of Xue Ying's illness.

Chapter 762

Jiang Hao didn't answer Xue Chongli's words, he looked down at Xue Yu Ning lying on the bed and felt a very complicated feeling in his heart.

He could still see all the things in the past, but Yu Ning could no longer, remember anything.

'I will heal her.'

After a long silence, Jiang Hao finally spoke. He said it indifferently. It was as if he was just elaborating on a very ordinary matter, but if one listened carefully, one could hear the complex emotions that were embedded in his words.

Hearing his words, Xue Chongli's face visibly eased up.

'As long as you can cure Yu Ning. No matter what you want, the Xue family will try their best to meet it!'

Xue Chongli just looked at Jiang Hao and took a deep breath. He spoke with a face full of determination.

For the past six months, he had always treated Yu Ning as if she was his own daughter. As long as he could cure Yu Ning, anything would be fine! But he couldn't commit to anything in place of the entire Xue family, so if Jiang Hao had a need, at least within his means, he would definitely fight himself to meet it!

'No need, this would have been something I had promised to do before.'

Originally, Jiang Hao's gaze had been on Xue Yuning's body, at this time when he heard these words from Xue Chongli, he collected himself beforehand then slowly spoke.

'This would have been what I had promised before.' The words fell, he then stood up straight, 'If there is no other business, I will leave first.'

Without waiting for Xue Chongli's response, Jiang Hao turned around and left straight away.

Xue Chongli just stood there as he watched Jiang Hao's back as he left, only feeling a little strange.

I don't know why. He always felt that this Jiang Hao's attitude towards their family Yu Ning seemed a bit strange.

But although he felt a little strange in his heart, Xue Chongli didn't dwell on these things too much. Maybe he was just thinking too much, as long as Jiang Hao could cure their Yu Ning, that would be enough!

Leaving the Xue family, Jiang Hao couldn't help but smile bitterly.

It's better not to remember, it's better not to remember!

.....

‘What did you say?’

Listening to his men’s report, Shen Qing Shu’s face turned ugly straight away.

‘That Jiang, Jiang Hao and Miss Xue have met privately.’ The man stood below and spoke with some real fear.

They all knew very well what kind of person Shen Qing Shu was. It was also because of this that everyone was cautious when it came to facing Shen Qing Shu.

‘Good, very good!’ Hearing such news, Shen Qing Shu smiled instead of being angry. ‘My fiancée, in private, has actually met my enemy, this is really great!’

Hearing these words from Shen Qing Shu, the crowd below looked at each other who didn’t dare to open their mouths to say anything.

Jokes, opening your mouth at this time would be no different from seeking death!

‘You, come here!’

The crowd stood carefully in place, and just at this moment Shen Qing Shu suddenly pointed at a man and spoke coldly.

‘Yes!’

Hearing the command, that person immediately came in front of Shen Qing Shu. And Shen Qing Shu faced him and explained some things in a low voice, and listening to these explanations, the man’s face changed slightly.

‘Have you remembered?’

‘My subordinate remembers!’

Raising his head again. The man immediately spoke.

‘You can go out now.’

‘Yes!’

‘All of you get out of here too!’

‘Yes!’

In an instant, Shen Qing Shu was left alone in the room. He looked at Jiang Hao’s photo on the table, his expression growing more and more sinister.

‘Jiang Hao. What a Jiang Hao! So what if you have that Sally backing you up? I’d like to see whether I can have the last laugh between me and you!’

Coldly speaking, without saying anything Shen Qing Shu directly tore up that picture of Jiang Hao.

When Xue Yu Ning woke up, it was already dark. She propped herself up and couldn’t help rubbing her head.

At this moment. She only felt as if her head hurt as if it was about to explode. After rubbing it silently for a while, she lifted her head.

She remembered that she seemed to have asked that Jiang Hao to meet her earlier. How come she was lying in bed at this moment? Thinking about and what had happened before, Xue Yu Ning was a little puzzled in her heart.

Taking a deep breath, she got out of bed and went directly outside.

‘Yu Ning, you’re awake.’

Xue Chongli was looking at some documents. Seeing Xue Yu Ning come out, a faint smile immediately appeared on his face. It seemed as if he was in quite a good mood.

‘Where’s that Jiang Hao?’

Xue Yu Ning didn’t pay too much attention to Xue Chongli’s words, she was silent for a moment then spoke directly inquiringly.

‘It’s already this time, Jiang Hao has already left.’

‘Ah!’

Hearing those words, Xue Yuning couldn’t help but feel a little disappointed in her heart. She still had so many things she wanted to talk to that Jiang Hao about! How come he had left already?

‘Well, Jiang Hao can meet whenever he wants, it’s not like there’s no chance next time.’

Looking at Xue Yu Ning’s unhappiness that was already written on her face, Xue Chongli only felt helpless in his heart.

‘Alright.’

Although there was still some unhappiness in her heart, but seeing Xue Chongli say so, Xue Yuning spat out her tongue and didn’t say anything further.

And at this moment. On the other side.

‘Are you saying that Jiang Hao went to see Xue Yuning?’

Putting down the things in her hands, Sally looked up at Old Black and then spoke directly. Saying this. She also frowned slightly.

‘Yes.’

Sally thought about Jiang Hao’s previous appearance and her heart was full of doubts. This Jiang Hao, his attitude towards that Xue Yu Ning was very unusual!

But as far as she knew. These two shouldn’t have had much of an encounter before! Then if that was the case, what kind of things could have made Jiang Hao so attached to Xue Yuning?

I wonder why. Thinking about Jiang Hao that way, Sally only felt a very strange feeling in her heart. She couldn’t say exactly what kind of feeling it was, it was just very complicated.

‘Investigate, this Xue Yu Ning’s previous affairs!’

Gathering her thoughts and raising her head Sally placed her gaze on Old Black, before speaking directly.

Intuition told her that the relationship between this Jiang Hao and Xue Yuning was definitely not as simple as it seemed on the surface! Behind this, there must be something she didn’t know about!

She had to find this out!

‘Understood!’

After hearing Sally’s words, Old Black nodded his head, turned around and left straight away.

Looking at Old Black’s back as he left, Sally was once again silent.

Jiang Hao’s words from before resounded in her mind again. Thinking about Jiang Hao’s previous appearance, Sally only felt puzzled in her heart.

She really didn’t understand what kind of things could make Jiang Hao have so much confidence. But now that she thought about it, Sally suddenly had a very convincing feeling when she thought about Jiang Hao’s appearance before. It was as if, Jiang Hao could really do it.

‘I really am crazy!’

After a long moment of silence, Sally snapped to collect her thoughts and then spoke in a self-deprecating manner.

Yes, she must have been crazy to believe that Jiang Hao could really do that kind of, near-impossible thing!

It was Shen Hao’s idea like that that was the kind of lunatic idea that would be out of this world!

Thinking about this, Sally took a deep breath and didn’t dwell on the matter any further.

Jiang Hao was Jiang Hao and she was her, all she needed to do was to do what she was supposed to do and that was enough. As for the rest, who would care so much?

Thinking about this, Sally did not continue to dwell on these.

Chapter 763

The Xue family.

Shen Qingshu had arrived, and seeing Shen Qingshu Xue Chongli's face was slightly ugly.

This Shen Qing Shu was never a good person, this was clear to all of them! But who knew what the purpose of Shen Qing Shu's coming over today was?

For some reason, Xue Chongli had a feeling of unease.

'Uncle Xue, I've come to deliver you here.'

What was going through Xue Chongli's mind, there was no need to say much Shen Qing Shu knew very well in his mind. But despite this. He was not how he cared. He just looked at Xue Chongli and slowly spoke. As he said this, a faint smile appeared on his face.

But that smile, no matter how one looks at it, gives people a feeling that is not very comfortable.

Hearing these words, Xue Chongli's heart just froze.

'Give it away?'

A faint frown. He then spoke with some confusion. Sending what kind of person?

'What kind of person, won't we know when Uncle Xue meets him.'

Shen Qing Shu said, he clapped his hands then two people walked in directly from outside. And those two men were carrying a sack each.

They came in front of Xue Chongli. Without hesitation those two men threw the sack on the ground.

'Yu Ning!'

Opening the sack, the moment Xue Chongli saw the person inside, the whole person directly stood up in excitement.

These two people were Xue Yu Ning and the maid who had been taking care of Xue Yu Ning.

At this moment, both of them had already passed out, and looking at that wretched appearance, it was not difficult to see what they had all gone through before.

‘Why don’t you quickly send Miss back to her room and ask for a doctor!’

After a long moment of silence, Xue Chongli finally spoke up. It was only until this time that the Xue family’s ushers also reacted.

Without saying anything more, everyone carried Xue Yu Ning out of the sack and then immediately sent her upstairs.

‘Shen Qingshu, what is your intention?’

Returning his gaze to Shen Qing Shu’s body, Xue Chongli’s face had turned completely gloomy. He could only see that his eyes were red and his entire body looked agitated.

‘It doesn’t mean anything, I just want to ask Uncle Xue to make it clear that although there is no wedding yet. But Xue Yu Ning is already my Shen Qing Shu’s fiancée, the future mistress of the Northern Province Shen Family! Not just anyone can meet her!’

Originally, Shen Qing Shu still had a smile on her face, but at this moment, as she said these words, the smile on her face directly disappeared.

Looking at that look, it only screamed that there was a very poisonous feeling.

‘Shen Qingshu you are deceiving people too much!’

‘Uncle Xue better hurry up and check on Yu Ning, after all, she has always been in poor health, if anything happens to her, what can we do?’

As soon as Xue Chongli’s words fell, Shen Qingshu spoke up right after him. As he said this, he even raised his hand and patted Xue Chongli’s shoulder, then turned around and left the Xue family.

‘Master, that Shen Qingshu is really bullying people too much!’

Only after seeing the man leave did the butler come to Xue Chongli’s side and spoke with a face full of indignation.

Originally, Xue Chongli’s face was already ugly, and at this moment, he heard the butler’s words. He even clenched his fists.

Just .....

‘Go and see how Yu Ning is doing.’

After a long moment of silence, in the end Xue Chongli swallowed this matter down raw.

The current Xue family was simply not enough to fight against Shen Qing Shu. Even if Shen Qingshu was no longer arrogant and had even moved Yu Ning, he, as the third uncle, could not do anything at all.

In this kind of matter, he could only swallow it with his teeth knocked down.

But he believed that this Shen Qingshu would not be able to bounce around for a few days! Thinking about this, Xue Chongli couldn't help but think of Jiang Hao, the general.

Jiang Hao, it was up to Jiang Hao!

'Doctor, how is Yu Ningshe doing?'

Standing in Xue Yu Ning's room, Xue Chongli looked at the doctor who had just finished examining Xue Yu Ning's body. Carefully, he opened his mouth and asked.

'Miss Yu Ning's injuries are just some superficial injuries, it's not serious. It's just that this illness of hers, I'm only afraid that it needs to be scratched a little.'

Hearing his words. The doctor straightened up then slowly spoke. As he said this, he even couldn't help but shake his head somewhat helplessly.

The injury was only a minor one, but the main thing was this disease, it was really difficult to deal with!

Hearing these words, Xue Chongli's expression just froze. He just looked at the doctor like this, and for a moment was even a bit unable to think of what he should say.

'Didn't he say. Can it still be controlled?'

After being dumbfounded for a while, Xue Chongli finally found his voice in general and spoke.

He clearly remembered that the doctor had said earlier that although Yu Ning's illness was vicious, it was still within the control of kowtow. How come he had to catch it now?

'Miss Yu Ning's illness has been deteriorating, and now she has received such a stimulus. It can't be controlled by medicine anymore. What I can do now. It can only be delayed.'

As soon as these words were spoken, Xue Chongli's eyes immediately turned red.

Because this time, things were really stimulated because of that Shen Qing Shu!

'Thanks a lot doctor, I'll hold on to it!'

Taking a deep breath, Xue Chongli rawly suppressed the impulse in his own heart, and then slowly spoke.

'This is the medicine prescribed for Miss Yu Ning, as usual. Mr. Xue I'll take my leave now!'

'Butler, go see the doctor off!'

'Yes!'

After everyone had left, the only two people left in the room were Xue Chongli and the still unconscious Xue Yu Ning.

Looking at Xue Yu Ning in this state, Xue Chongli only felt a great loss of heartache.

'I'm sorry Yu Ning, it's uncle's uselessness, he can't even protect you well!'

Xue Chongli sat on the side. He looked at Xue Yu Ning like this and spoke with a great loss of self-blame. It was all his fault, if he hadn't been too useless. How could Shen Qing Shu be arrogant like this?

Even their Xue family's young lady could be kidnapped in a dignified manner, and even told them so blatantly just like that!

In the end. It was still because Shen Qing Shu knew very well that there was nothing he could do about these matters.

'But you can rest assured, Yu Ning, uncle will definitely find a way. Avenge this for you!'

Slowly speaking, as he said this Xue Chongli's expression became even more fiercely determined.

Jiang Hao had searched for many ways, and he had finally found a medical treatment that could most likely be effective for this illness of Xue Yuning.

But whether this method would work or not, he still needed to go and examine Xue Yuning to be sure.

Thinking about this, Jiang Hao was slightly hesitant in his heart. He didn't know if Xue Yuning would still be willing to see himself this time, or even cooperate with him to undergo the examination.

He just looked at the various books in front of him and took a deep breath before finally standing up.

First, he slapped himself hard, and then his expression was no longer hesitant.

This was something he had promised Xue Chongli before, and no matter which way he looked at it, he couldn't break his promise!

It was only to see Yu Ning, and now that she didn't even remember or recognize herself, what was there to worry about?

Thinking about this, Jiang Hao took a deep breath and directly turned around and left his home.
