

Chapter 761

Really!

The bone spurs against the artery!

If she moves randomly, then this leg of Shen Yumei is likely to be completely abolished.

Tick!

Tick!

Beads of sweat flowed from the doctor's forehead, and he said in a trembling voice:

"But...but the bone spurs of the wounded are too sharp and scattered, I'm afraid that only the head of our hospital can get bones!"

Wow...

the look of the doctor and his words changed the expressions of everyone around him.

Really?

They can be sure at this moment that what Lin Fan said is absolutely true, otherwise the emergency doctor would not be so scared.

In an instant, everyone's look at Lin Fan changed.

Baishan, Baiyi and his father and daughter were shocked.

They didn't even know that Lin Fan actually knew medical skills, especially in just a few words, that scared the emergency doctor into this.

just!

The two didn't have time to think, and asked Lin Fan eagerly,

"Lin...Lin Fan! What should I do now? My mother has lost a lot of blood. If I invite Senior Gao to come over now, I am afraid that my mother will be in danger!"

"Xiao Fan, think of a way! You must think of a way!" At this moment, the father and daughter almost burst into tears.

And Lin Fan nodded, and a touch of determination flashed in his eyes:

“There is no other way, but...I’m coming!”

Only...I’m coming!

After hearing these words from Lin Fan, both the doctor and Bai Yi’s father and daughter were all dumbfounded.

“Little sir, you... don’t be kidding! Bone-setting is an extremely profound knowledge, especially your mother-in-law’s leg injury is very serious. The bones are broken and sharp, even if the senior is here, I’m afraid it’s hard to complete!”

The doctor panicked and persuaded:

“Once, you can’t pick it up! Then your mother-in-law is likely to end up with lifelong disability! Even piercing a large artery will be life-threatening!”

Boom!

When the emergency doctor said this sentence, the expressions of the people next to him changed even more.

Permanently disabled! Danger to life!

These two words immediately scared Baishan’s father and daughter to death.

“Xiao Fan, you... don’t mess around! Why don’t you call Gao Lao!” “Lin Fan, don’t act rashly. I will call Gao Lao now and let his old man come over!”

Bai Yi and Bai Shan were completely affected by Lin Fan’s behavior and were terrified.

After all, the father and the daughter, but never knew that Lin Fan knew how to heal. Isn’t this nonsense?

However, Lin Fan shook his head:

“It’s too late! It takes half an hour to get here from the Yifan Chinese and Western Hospital. With the sharpness of this spike, it only takes three minutes. The aorta must be pierced, and it will be my mother’s. It is rescued, and this leg can’t be saved!”

Chapter 762

what!

Lin Fan's words shocked Bai Shan and Bai Yi even more.

The two hurriedly looked at the emergency doctor, and after finding that the other party was also pale and nodded, Bai Shan and Bai Yi almost fainted.

"What to do? What to do now?" The father and daughter were completely panicked at this moment.

And Lin Fan said to the emergency doctor:

"Senior senior should have taught you the five-finger pulse pressure method in Chinese medicine?"

Five-finger pulse pressure?

Emergency physicians slightly surprised a moment, then nodded his head:

"taught fingers tourniquet is a way to stop bleeding, blood can ease the momentum, so that the flexibility of the vessel wall occurs 30 seconds!!" "But this way, some tasteless, it is difficult to send It's useful! This gentleman, what are you asking for?" The emergency doctor was curious.

Five fingers pressure pulse, this is the unique technique of Yifan Chinese and Western Hospital.

It was the first-aid relief technique that the psychiatrist Lin gave to the senior, and senior senior taught all doctors.

Outsiders don't even know.

And how did this young man know?

"You help me use five fingers to compress the pulse, soothe the walls of my mother-in-law's aorta and give me 30 seconds!"

Lin Fan said directly without explaining.

Just hearing this, the face of the emergency doctor suddenly showed a ghostly look:

"Mr., are you crazy?"

"Are you going to take bones for the wounded within 30 seconds? "

Boom!

The emergency doctor could hardly believe his ears, his eyes looked at Lin Fan as if he were looking at a madman.

“Yes!” Lin Fan nodded.

He can only do this, otherwise, after three minutes, the aorta ruptures, even for him, it will be very difficult.

And seeing Lin Fan confessed, the emergency doctor exclaimed:

“30 seconds? No...impossible!”

“The wounded’s broken bone spikes are more than ten! Even if the old man is here, It’s impossible to pick it up in ten minutes!”

Wow...As soon as this word came out, everyone around was even more shocked.

Gao Lao was known as the first TCM doctor in Jiang City before Lin Shenyi.

He has profound knowledge in Chinese medicine.

Even his old man takes as much as ten minutes, but now this young man said that it only takes 30 seconds?

Isn’t this a joke?

The faces of everyone around him were filled with a deep disbelief.

It’s just that Lin Fan didn’t have time to care about everyone’s shock, his eyes flashed with a hint of chill:

“Follow it!!!” The words faintly, but fell in the ears of the emergency doctor, suddenly like thunder and roar.

Even the mentality of emergency doctors was temporarily blurred.

As if he was hypnotized, he squatted down and, as Lin Fan said, his five fingers stretched out and pressed against Shen Yumei’s main artery.

Chapter 763

See this scene.

Everyone around was dumbfounded.

They did not expect that the emergency doctor was still opposing just now, and in a blink of an eye they followed Lin Fan's words.

"Move three inches to the left!"

Lin Fan didn't seem to care about everyone around him at the moment. All his mind was on Shen Yumei's broken leg.

Hearing this, the emergency doctor moved his finger three inches to the left like a puppet being manipulated.

"Thumb and index finger are bifurcated, go up three times!"

"Lean the ring finger to the left, press down with the little finger!"

"..."

At this moment, under everyone's nervous eyes, Lin Fan said one sentence.

This is more than that.

While manipulating the five-finger pulse pressure of the emergency doctor, he put on medical gloves and began to move and pinch Shen Yumei's broken leg bone.

Click!

At this moment, everyone around could almost hear the sound of the moving bones.

One thorn after another.

Lin Fan kept pinching and pressing.

Time is also slowly passing by in this pinching bone sound.

Ten seconds!

Twenty seconds!

...

As time passed slowly, Bai Yi's father and daughter only felt their hearts, almost reaching their throats.

They wanted to stop Lin Fan, but now that it was done, they couldn't stop it.

"It must be successful! Lin Fan, you can..."

Bai Yi's jade hands were firmly clasped together, the palms of them were covered with sweat.

She looked at Lin Fan's eyes, filled with deep plea and expectation.

Click!

Click!

But in the nervous look of everyone.

Click!

With a clear sound, everyone suddenly saw Shen Yumei's whole body trembled in pain, and exclaimed.

"Mom!!!"

Bai Yi and Bai Shan were startled at this moment, and subconsciously wanted to stop Lin Fan.

And at this moment.

Phew...

They saw that Lin Fan took a long sigh of relief, and then stood up from the ground.

"Successful!"

Lin Fan wiped the sweat from his forehead, turned his head and smiled at Bai Yi.

what!

Succeeded?

Everyone was stunned at this moment, they just heard the sound of bones and Shen Yumei's screams.

And this... succeeded?

“Lin Fan...you, are you sure?”

Bai Yi’s pretty face was filled with a thick incredibility.

Although she was praying for Lin Fan to succeed, she didn’t have the slightest assurance in her heart.

After all, she never knew that Lin Fan knew how to heal?

Not to mention the far superior bone fixation method?

It’s like a fantasy.

Seeing the suspicion of the people around him, Lin Fan smiled slightly, and snapped his fingers at the emergency doctor next to him.

Snapped!

There was a sound of snapping fingers.

Everyone suddenly saw that the emergency doctor shuddered, and then a deep confusion appeared on his face:

“Just...what happened just now?”

Chapter 764

what!

Everyone was stunned.

Only then did they discover that the emergency doctor seemed to have forgotten what happened just now, as if all of his coordinated actions had been manipulated under Lin Fan’s hypnosis.

This makes everyone even more so.

However, I haven’t waited for them to remind.

The horrified scream of the emergency doctor suddenly came:

“No...impossible!”

“This broken bone was...connected?”

Broken bone...connected!

When the emergency doctor's incredible voice came.

boom!

Like a burst of thunder, it shocked everyone around him.

A 30-second bone fixation is something that the director of the Yifan Chinese and Western Hospital cannot do.

And now, was this young man in front of him easily able to do it?

Shocked!

incredible.

At this moment, whether it was Baishan's father and daughter, or everyone around him, looking at Lin Fan, it was as if they had seen a ghost, filled with a thick daze and shock.

This is more than that.

At this moment, the emergency doctor seemed to recall what he had just done.

The look on his face went from stunned to shock, and finally stared at Lin Fan, his voice trembled and asked:

"I was just helping you to compress your pulse with five fingers?"

Lin Fan nodded.

"It was you who took the bone in 30 seconds?" Lin Fan nodded again.

After confirming that everything he remembered was true, the emergency doctor almost fell to the ground.

"Oh my God! It's... It's a success! It's really 30 seconds to get the bone! This is incredible!"

"Also, I just seemed to be hypnotized by...?" The emergency doctor frowned at this moment.

And the more he thought about it, the colder his back became, and the mystery and fear of Lin Fan filled his heart.

however!

Lin Fan was not interested in caring about his inner drama. At this moment, he said to the two nurses:

“Now I can carry my mother on a stretcher!”

“Okay... OK! Now!”

The two nurses, also until this moment, Only then wake up from the shock.

The two of them looked at Lin Fan now, completely changed.

worship!

fear!

As if looking at a devil and a god's house.

As Shen Yumei was put on the stage by an ambulance, Lin Fan, Bai Yi, and Baishan also hurriedly got on.

In the beeping whistle, he began to drive quickly towards the Yifan Chinese and Western Hospital.

When the ambulance came to the Chinese and Western Hospital.

The severe pain in Shen Yumei's leg has slowly begun to fade, and her whole person has slowly woken up.

Lin Fan!

After she heard everything, Shen Yumei looked at Lin Fan's eyes, tears flickering.

These are tears of excitement, gratitude, and relief.

“Mom! Go in and put a cast on you and fix the injured bone in a while, you will be completely safe!” Lin Fan said with a slight smile at Shen Yumei.

Hearing this, Shen Yumei felt even more warmth flowing in her heart, she couldn't help but nodded fiercely:

“Xiao Fan, Xin...Thank you!”

Chapter 765

At this moment, she looked at Lin Fan as if her mother-in-law looked at her son-in-law, the more she looked at her, the more satisfied she became.

At the moment, the family escorted Shen Yumei and got out of the ambulance.

Just at this moment.

Everyone saw that a Bentley was parked in the hospital parking lot.

Then, a woman with heavy makeup, holding a young man with a greasy face, walked out of the car.

“Yes... it’s them! It’s the car!!!”

Baishan screamed after seeing the car and the man and woman who came down.

what!

In a word, the expressions of Lin Fan and Bai Yi completely changed.

They didn’t expect that the perpetrator not only escaped, but even dared to show up in the hospital in a big way.

However, this does not stop.

Baishan’s scream obviously attracted the attention of the man and woman.

When they turned their heads and saw Baishan and Shen Yumei on the stretcher, the woman with heavy makeup suddenly recognized the two:

“Yeah! Isn’t this the one who touched the porcelain just now?”

“What? Didn’t kill you all!”

Wow!

Arrogant and domineering!

Lin Fan and Bai Yi couldn't believe that this woman not only bumped into someone, but also had such a bad attitude.

"You...what nonsense are you talking about! Why did you hit my mother? Why did you escape! I have to call the police now!"

Bai Yi flushed with anger by this woman.

Just hearing this, the woman with heavy makeup, not only did not have the slightest fear, but burst into laughter as if she had heard a big joke.

"Gluck... Why hit your mother? Because my old lady is willing? How to drop it?" The woman with heavy makeup said provocatively to Bai Yi.

And the little white face with oily noodles next to it was also pointing at the woman proudly, and said to Bai Yi and others:

"Cut! You bunch of ants, do you know who she is?"

"She's He Jiaojiao! She is the great master of Jiangnan Province Granddaughter of Helan Mountain! Catch her? Hahaha... Even if the chief of the police station comes, we lend him a hundred courage, he dare not! "

What!

The words of this little white face made Bai Yi and Bai Shan's complexion pale as paper.

Helan Mountain!

This name is absolutely surreal.

There are two great masters in Jiangnan Province.

One is called Leng Aotian!

The other one is Helan Mountain!

Helan Mountain became famous thirty years ago and is known for its cruel methods and brutal heart.

He crossed the Jiangnan martial arts world, almost rare opponents, when he was young, he was even more arrogant, sweeping the thirteen cities in the south of the Yangtze River, let all the martial arts

world power, surrender under his lust.

This is more than that.

Helan Mountain is not only an extraordinary force, but with his own mind he founded the Lanshan Group, one of the four giant chaebols in Jiangnan!

Standing on the south of the Yangtze River, no one dares to mess with it.

However, what made Bai Yi and Bai Shan unbelievable was that it was the murderous granddaughter He Jiaojiao who broke Shen Yumei's leg.

Chapter 766

"What? Afraid? Hahaha..."

He Jiaojiao's arrogant laughter came out again when he saw Bai Yi's father and daughter's pale complexion,

"Huh! Didn't you just break her leg? I told you You, my grandpa loves me the most, even if I killed someone, what can you do with me?"

"Also, my grandpa will arrive in Jiang City in two days to fight the bloody Buddha! I persuade you, Don't provoke me! Otherwise, you won't be able to eat, just go around!"

Wow!

Arrogance to the extreme.

In a word, the expressions of Bai Yi and Baishan's father and daughter almost dripped gloomy.

They clenched their fists tightly, even if they were furious, but at the moment they didn't dare to refute He Jiaojiao.

After all, what the other party said is true.

However, the cold light in Lin Fan's eyes became more and more stern:

"Do you think your grandfather can protect you?"

What!

When He Jiaojiao heard this, her pretty face changed slightly, and then she glanced at Lin Fan up and down, then sneered:

“Cut! Where are you from the turtle? I’m afraid it’s you, even me. I haven’t heard of Grandpa’s name, right?” In a word, a trace of killing intent flashed across Lin Fan’s eyes.

And just when he just wanted to say something.

Bai Yi next to him, grabbed him, and did not let go:

“Lin...Lin Fan, I beg you, don’t... stop it!”

A trace of tears flickered in Bai Yi’s beautiful eyes. In her beautiful eyes, there was a strong sense of pleading.

Bai Yi clung to Lin Fan’s arm tightly, her tearful pretty face swaying constantly.

she knows.

Lin Fan had already abolished Leng Aotian’s grandson, and had forged a feud with Leng Aotian.

Bai Yi didn’t want Lin Fan to provoke Helan Mountain again.

Once the two great masters are offended, then Lin Fan will have no life.

Seeing Bai Yi’s begging look, Lin Fan’s mouth twitched slightly, and he could only forcefully suppress the killing intent in his heart.

“Cut! What? Are you scared too?”

He Jiaojiao saw this scene, and the smile on her face became more intense.

As if in her eyes.

Lin Fan’s family is a group of countryboys who have never seen the world, making her contemptuously:

“Since you are afraid, then I will spare you temporarily!”

“Humph! Old lady, you kind of inferior, just wait. Lame! This lady is going to find the famous genius doctor Lin, looking for a way to beautify her face! Hahaha...” He Jiaojiao laughed at Shen Yumei again.

After speaking.

She took the little white face and walked towards the hospital.

Doctor Lin?

Hearing this, Lin Fan's eyes flashed, and he said coldly,

"I can guarantee that you can't walk out of the hospital!"

"When you come out again, you must have exactly the same injuries as my mother!"

Chapter 767

what!

Lin Fan's words caused the two of Shen Jiaojiao who were about to leave to stop.

Can't walk out of the hospital?

The two turned to look at Lin Fan, and after a brief silence, they suddenly blossomed with joy.

"Hahaha... useless things, can I just talk ruthlessly?"

"It's still exactly the same as your mother? You mean, I will be interrupted by someone? Hahaha...joke, my old lady is here to find the genius doctor Lin Yes, with him, even if this lady breaks her leg, she can heal immediately!"

He Jiaojiao laughed at Lin Fan and the others, and then didn't bother to pay attention to it.

At the moment, he walked into the hospital with the little white face next to him.

It's not just He Jiaojiao.

At this moment, even Baishan, Bai Yi, Shen Yumei, and even the emergency doctor thought that Lin Fan was just saying a ruthless remark that didn't work at all, nothing more.

"Xiao Fan, forget it! The granddaughter of Helan Mountain, we can't afford it!" Shen Yumei said to Lin Fan with a deep bitterness on her face at this moment,

"What's more, my legs will be raised for a while, and it will be fine!"

Not only Shen Yumei.

Iran is also facing the White Lin Fan said:

“!! Lin Fan, you do not forget the impulse it”

said.

Both Bai Yi and Bai Shan and others shook their head bitterly.

He Jiaojiao!

They can't afford to offend, they can only hide!

But they didn't know that in Lin Fan's heart, He Jiaojiao had become a useless person.

At the moment, he didn't say much.

After sending Shen Yumei to the ward.

Lin Fan immediately found an excuse to go to the bathroom, and then headed to the top floor of the hospital.

When he had just arrived on the top floor, he suddenly saw Gao Zhiyuan, pacing back and forth in the corridor, holding a mobile phone in his hand, seeming to hesitate who to call.

And when he saw Lin Fan, he was immediately ecstatic:

“Mr. Lin, you are here just right!”

“There is something here. I originally wanted to call Miss Bai Yi and ask you to come!”

Obviously, Gao Zhiyuan I don't know what happened before.

And heard this.

The corner of Lin Fan's mouth curled, and he said in a harsh tone:

“You called me, is it because there is a woman named He Jiaojiao who wants to see me!”

Huh?

In a word, Gao Zhiyuan was stunned.

He didn't expect that before he said anything, he would be explained by Lin Fan.

"Yes! Doctor Lin, that He Jiaojiao is the granddaughter of Grand Master He Lanshan!"

"This time, I admire your name. It's not far away. Come here to find a prescription for beauty and beauty!"

Gao Zhiyuan said with joy.

after all!

The other party is the granddaughter of Grand Master Helan Mountain. If Lin Fan used this time to form a good relationship with the other party, it would be beneficial to Lin Fan without any harm.

However, what made Gao Zhiyuan a little bewildered.

After hearing these words, Lin Fan didn't seem to be surprised or happy at all. Instead, his expression gave people a creepy chill.

Chapter 768

"I see! Change clothes and come right away!"

"You let her wait for me in the reception room!"

Lin Fan finished speaking, ignoring Gao Zhiyuan, and walked straight to the changing room.

Looking at Lin Fan's back, a hint of ominous premonition appeared in Gao Zhiyuan's heart.

As if something happened!

"No... I should think too much!"

"After all, He Jiaojiao is the granddaughter of Helan Mountain and has nothing to do with the genius Doctor Lin. What can happen?"

Gao Zhiyuan muttered, and stopped thinking about it now, and went to make arrangements. He Jiaojiao.

...In the meeting room.

He Jiaojiao was listening to Gao Zhiyuan's narration about some magical stories about Doctor Lin.

Her arrogant face was shining with a deep joy:

“Gluck... Old man, it seems that this time I am worthy of a trip!”

“I didn’t expect that Doctor Lin was such a strange person! Don’t worry! As long as she can help me beautify my face, I will definitely introduce him to my grandfather!”

He Jiaojiao was full of joy.

After all, for a woman who loves beauty, nothing is more important than a beautiful face bag.

Hearing He Jiaojiao’s promise, Elder Gao nodded in satisfaction.

And at this moment!

Creak!

The door of the meeting room was pushed open from outside.

It was a man wearing a surgical gown and a mask walking in.

“Huh? Doctor Lin, what are you...”

Gao Zhiyuan was taken aback for a moment. He didn’t expect that when Lin Fan said he was going to change clothes before, he actually changed surgical gowns and was wearing a mask?

Could it be that there is still no surgery today?

Doctor Lin!

He Jiaojiao and Xiao Bailian next to Gao Zhiyuan’s name were also refreshed.

“Hello, Mr. Lin, my name is He Jiaojiao, and I am the granddaughter of Grand Master He Lanshan!”

“It’s nice to meet you!”

He Jiaojiao said enthusiastically.

And seeing this scene, Lin Fan nodded lightly, and then asked indifferently:

“Where are you sick?”

Huh?

He Jiaojiao was taken aback for a moment. She didn't expect that this genius doctor Lin was so direct that she came up and asked where she was sick.

And...

why is this sound familiar?

He Jiaojiao's brows wrinkled slightly, but she didn't think much about it. Instead, she said with a smile:

"Mr. Lin, in fact, I don't have any other diseases. I just want my face to be more beautiful and more beautiful!

"Can you do it?" he said.

He Jiaojiao looked at Lin Fan expectantly.

However, after hearing He Jiaojiao's words, Lin Fan's eyes suddenly flashed a little:

"No! Your face is not sick!"

"Your brain is sick!"

What!

Lin Fan's words were icy cold, and fell in the ears of Gao Lao, He Jiaojiao and others, making them hardly believe what they heard.

Brain disease?

Is this guy scolding himself?

After He Jiaojiao reacted, the enthusiasm on her pretty face faded instantly, replaced by a thick gloom:

"You...you dare to scold me?" Scolded?

Lin Fan shook his head faintly:

"No! You misunderstood, I'm not going to scold you!"

"I just... want to abolish you!"

Chapter 769

I just want to...abolish you!

When they heard Lin Fan's words, whether it was He Jiaojiao in the room or the senior man next to her, they were all dumbfounded.

what happened?

The great doctor Lin scolded He Jiaojiao when he came in, and even threatened to abolish this woman. This...what happened.

Gao Zhiyuan's ominous premonition grew stronger, and he wanted to ask questions immediately.

But at this moment, an unbelievable scene appeared.

Huh!

I saw that after Lin Fan had finished saying this, his toes touched the ground, and the next whip kick hit He Jiaojiao's right leg in front of him.

Click!

Almost instantly, Lin Fan's soles kicked heavily on He Jiaojiao's thighs.

He Jiaojiao's thighs snapped like a rotten wood.

Puff!

The whole person lay on the ground fiercely.

"Ah ah ah!"

Road shrill screams penetrate, issue from the mouth He waited until then, she only feels as if a Unit of general avalanche of pain came from her leg.

This is more than that.

He Jiaojiao was horrified to see that her thigh was actually kicked off by Lin Fan.

The white bone spurs pierced the skin of his thighs and pants, revealing them.

The scarlet blood gurgled endlessly.

miserable!

Penetrating!

This scene didn't look like a human foot at all, but rather like He Jiaojiao was hit by a car.

"Ah... asshole! You, you actually broke my leg!"

"Why! Why did you do this!"

He Jiaojiao's pretty face with heavy make-up was full of panic and panic.

Especially the pain above the broken leg.

She was trembling in pain, and she was dripping with cold sweat.

More than her!

After seeing her tragic injury, the old man and the little white face next to her were all shocked.

Ok... so ruthless!

They had never seen a person so cruel, and almost without the slightest sign, kicked off a leg of someone else.

This kind of cruelty, this kind of cruelty, made Gao Lao and Xiao Bailian's scalp numb.

just.

After hearing He Jiaojiao's screams, Lin Fan's mouth curled up:

"Why?"

"Because I said, you can't walk out of the hospital!"

After speaking, Lin Fan put his mask on and relaxed. Take it off slowly!

boom!

After seeing Lin Fan's face, He Jiaojiao and the little white face were completely stunned.

"Yes... is it you?"

He Jiaojiao could hardly believe her eyes.

Isn't the person I saw the genius doctor Lin?

How could it be this old hat?

fake?

Could it be that he is impersonating!

"Old man, hurry up! Find someone to catch this bastard who is posing as the genius doctor Lin!"

"He broke my leg and dared to pretend to be the genius doctor Lin. It's damn!"

He Jiaojiao screamed sadly at the senior man.

Chapter 770

In her eyes, God Doctor Lin, as a master of Chinese medicine, is naturally a respected veteran.

And right now, this guy is not an impersonator, what is it?

just!

After hearing He Jiaojiao's scream, Gao Zhiyuan could only bite the bullet and said:

"Miss He, you are wrong! This one is the real Lin doctor!"

Wow!

When the words fell, He Jiaojiao and the hideousness on Xiao Bai's face instantly solidified.

He... is he the genius doctor Lin?

how can that be!

He Jiaojiao only felt that her three views were about to be subverted. She had never heard of any master of Chinese medicine, who was so young?

This is almost like a fantasy.

especially!

He Jiaojiao finally remembered what Lin Fan said.

He said that he would not let himself walk out of the hospital, and now...

He Jiaojiao's pretty face was instantly as white as paper.

However, she looked at Lin Fan's gaze, which became more resentful and vicious:

"Boy, good! You are so cruel! You know, I am the granddaughter of Helan Mountain!"

"Could it be that you are not afraid of my grandfather's revenge?"

He Jiaojiao's heart was shocked and angry.

In her eyes, she was the sweetheart of the sky, and she was just hitting an old lady today, which was nothing at all.

It's just that she couldn't imagine that the old lady turned out to be the mother-in-law of the genius doctor Lin.

This hatred is getting bigger!

"Your grandfather?"

Lin Fansen smiled and said playfully:

"Don't worry! Don't need him to come to me, I will find him in the Great Master's battle after a day!"

What!

He Jiaojiao could hardly believe her ears when she heard Lin Fan's words.

This guy is looking for his grandfather in the Great Master's battle?

madman!

This guy is so crazy!

"Okay! Boy, don't take this revenge, I'm not He Jiaojiao! You wait! Wait for me!"

He Jiaojiao could only put down a cruel remark in resentment.

Her leg was broken, and looking at the brutal appearance of this guy, if she continued to stay here, her life might even be in danger.

Thought of this.

She turned her head to face the little white face, and cursed angrily : “You trash, what are you doing stupidly! I didn’t see my old mother’s leg broken! Hurry...carry me to the hospital!” The hospital?

The corner of the little white face’s mouth twitched fiercely.

This is the hospital, and the murderer is the most famous doctor in Jiang City?

However, Xiao Bailian didn’t dare to continue talking nonsense, he hurried forward and lifted He Jiaojiao from the ground, and then quickly left like a panicked rabbit.

Chapter 771

at the same time!

In the corridor on the first floor of the hospital.

Bai Yi and Baishan father and daughter, pushing Shen Yumei in a wheelchair, had just walked out of the examination room.

“Great fortune in misfortune! Lin Fan actually connected the broken bones on your leg together! Otherwise, your leg is really useless!” Baishan’s face still has a thick heart with lingering fears. The color.

The doctor who just checked told them.

If she doesn’t get the bone in time, even if Shen Yumei can be cured, she will become a lame in the next half of her life.

And Bai Yi next to Qiao’s face also shone with deep complexity.

She couldn’t imagine how her husband did it.

After all, it is impossible for the old man to succeed in getting a bone in such a short period of time!

“Where is Lin Fan? I really want to thank him, this stinky boy!” Shen Yumei looked pretty good, and said

with a smile.

Lin Fan?

Hearing this, Baishan and Bai Yi were also slightly taken aback.

Yeah, this guy just said to go to the bathroom, how come he still doesn't see anyone?

"Xiao Fan didn't go to that He Jiaojiao to get revenge, right?" Bai Shan seemed to have thought of something, a face that instantly turned pale with fright.

More than him!

After hearing this, the cold sweat on Bai Yi's forehead also rushed down.

And just when the three were anxious.

Pedal!

They heard a rush of footsteps and ran out of the elevator.

But it was a little white face, carrying a woman with heavy make-up.

The blood ticked down from the woman's thigh.

Her whole leg, as if hit by a train, was completely broken.

especially!

After seeing this woman's face, the Bai Yi family was completely confused.

"He... He Jiaojiao! Her legs..."

The eyes of Bai Shan, Bai Yi, and Shen Yumei almost fell out.

At this moment, the minds of the family of three also remembered what Lin Fan said before.

You will become exactly the same as my mother-in-law's injury.

And now... it turned out to be true!

Panic!

At this moment, when he saw that He Jiaojiao had her leg completely broken, whether it was Bai Yi or the Baishan couple, a deep look of panic appeared in her heart.

“What’s the matter? Is it really that stinky boy Lin Fan did it?” The Baishan couple’s complexion was as white as paper, and sweat dripped from their foreheads.

That is the granddaughter of Helan Mountain.

If Lin Fan was really hot-headed and did something to hurt He Jiaojiao, then Helan Mountain would definitely not let Lin Fan go.

Thinking of this, the faces of the husband and wife were as ugly as dead gray.

just!

Even more frightened, it was Bai Yi.

“How can Lin Fan be so impulsive! He just abolished Grand Master Leng Aotian’s grandson two days ago, and now he has interrupted Grand Master Helan Mountain’s granddaughter’s leg again?”

Chapter 772

When Bai Yi thought of her husband and completely abolished the direct descendants of the two great masters, she only felt a tingling scalp.

However, this does not stop.

At this moment, He Jiaojiao also found the Bai Yi family.

On her pretty face, a strong resentment suddenly flashed: “Your family is very good! Wait for me, this thing will never stop!!!”

He Jiaojiao confronted Bai Yi three mouthfuls, resentful Shouted.

There was a deep resentment in the voice.

And this sentence made the hearts of Bai Yi’s family even more tremble.

That’s it!

Lin Fan actually did it!

For a moment, Bai Yi's family of three felt dizzy.

Until He Jiaojiao left the hospital with Xiao Bai's face behind, Bai Yi's family did not react.

Guru!

Baishan swallowed fiercely and spit, his face was full of panic and death:

"What? Or, let's let Lin Fan run away?"

In Baishan's heart, Lin Fan is his child.

How could he just watch, Helan Mountain came to Lin Fan for revenge.

Not only him!

Shen Yumei next to him also looked at Bai Yi anxiously.

escape?

The corners of Bai Yi's mouth were full of bitterness.

Helan Mountain is a great master, and even the Lanshan Group that established the Megatron Jiangnan with one hand. The power is terrifying, and where can Lin Fan escape.

At this moment, the family of three was completely lost.

And at this moment.

A doctor in a white coat came over, it was the emergency doctor before.

"Huh? Miss Bai, why are you still doing here?"

"Mr. Lin has already gone to the ward waiting for you!"

The emergency doctor looked at the Bai Yi family, his face was full of respect.

He had just gotten downstairs and had already learned from other doctors that Lin Fan was the genius doctor Lin, the owner of this hospital.

He now!

The respect for the Baiyi family is extremely polite.

Only at this moment, after seeing the ugly face of Bai Yi's family, the emergency doctor couldn't help but was taken aback, and then hurriedly asked:

"Miss Bai Yi, your family of three don't look pretty! Did something happen?"

He dared not neglect in the slightest.

After all, this is the family of the genius doctor Lin.

Hearing this, Bai Yi quickly asked the emergency doctor:

"Doctor, do you know who broke the leg by He Jiaojiao just now?"

Huh?

The emergency doctor was taken aback for a moment, and then said puzzledly:

"I know, it was the leg that was broken by the genius doctor Lin!"

What!

Hearing this, both Bai Yi and the Baishan couple were taken aback.

Doctor Lin?

Phew... The family of three let out a long sigh of relief.

Chapter 773

"It really scared me to death! It turned out to be the genius doctor Lin. I thought it was Lin Fan, this stinky boy, his head was hot and dry!" Bai Shan wiped the cold sweat from his forehead, and said with a smile.

And Bai Yi next to her also loosened her pretty face slightly:

"Fortunately! Fortunately, it wasn't Lin Fan who did it, otherwise..."

Bai Yi did not continue.

It's just that their family didn't notice it.

After hearing their words, the face of the emergency doctor suddenly became weird.

Only then did he understand that the Bai Yi family of three did not know that Lin Fan was the genius doctor Lin.

"If they know, Mr. Lin is the genius doctor Lin, and it is him who interrupted He Jiaojiao's leg. I wonder if this family will be frightened and fainted?"

The corner of the emergency doctor's mouth appeared. Thick weird.

But in my heart, I felt Lin Fan's mystery and terrifying more and more.

...

Time passed, and it was night in a blink of an eye.

The two pieces of news made Jiang Shi, who had just been silent, completely boiling.

Great Master Leng Aotian, came to Jiangshi!

Grand Master Helan Mountain, came to Jiangshi!

With the arrival of the two great masters, everyone is increasingly looking forward to the battle of the four great masters tomorrow.

The First People's Hospital of Jiang City!

In the corridor, there was a crowd of people, and a man in a black suit was constantly patrolling.

Each of these people wore headphones and a pair of eyes, like a falcon, scanning everything around.

And in their guards.

The atmosphere in that reception room was depressed and silent.

In the room, two elderly people are sitting.

The one with gray hair and white exercise clothes, his wrinkled face, seemed like a piece of ten thousand

years of profound ice, with a cold and arrogant color that turned away from others.

He is the Great Master Leng Aotian!

The old man next to him was wearing a purple robe, and his hair had just been tied up with a hairpin.

The old man's eyes were the size of a copper bell, and the pitted face gave people a strong violent spirit.

This person is the Great Master Helan Mountain.

In front of the two great masters, there are two wheelchairs.

A young man and a woman were sitting on it.

They are Leng Bufan and He Jiaojiao.

"Mr. Lin, is that Lin Fan?"

Helanshan's eyes flashed with a thick fierce luster. At this moment, after listening to his granddaughter's narration, there was an incredible look in his eyes.

More than him!

Leng Bufan and Leng Aotian's grandson beside him were equally shocked.

"I didn't expect this bastard to die like this! Not only did he abolish me, but even sister Jiaojiao was poisoned by this dog!" Leng Bufan gritted his teeth with hatred at the moment.

Finished.

He turned to see Leng Aotian head and Helan Mountain, his face grim shouted:

"!! My Grandpa and Grandpa He waited, Lin Fan that have been harmed, I asked two of you must revenge!"

"Take that Bastard, give me life, and snow our hatred!"

Chapter 774

Leng Bufan has been in the First People's Hospital for two days.

And today!

He Jiaojiao was also sent in.

After the two exchanged, they knew that Lin Fan was the genius doctor Lin!

It turned out that it was the same murderer who caused both of them to be abolished.

This made them feel shocked, and their hatred for Lin Fan grew stronger.

Looking at the miserable appearance of his grandson and granddaughter.

Water dripped almost gloomily on the faces of Helan Mountain and Leng Aotian.

“Okay! Very good! I didn’t expect that the little Jiangshi not only produced a great master Lin, but also such a timid Lin Fan!” Helan Mountain gritted his teeth.

And Leng Aotian’s face was even more grim:

“Yes! It seems that the two old guys of us have not been out of the mountain for a long time, and now any cat or dog, dare to bully us!”

“Grandpa! You plan to What to do?” At this moment, He Jiaojiao’s pretty face was still pale and sick.

Especially, whenever she felt the severe pain of her broken leg, she made her hate Lin Fan.

Heard this!

Helan Mountain couldn’t help but touched the plaster on his granddaughter’s broken leg, and then said angrily:

“Jiaojiao, don’t worry! You are my granddaughter of Helan Mountain. If Lin Fan interrupted your leg, it was a beating. I lost the face of Helan Mountain!” “If this hatred is not revenge, I Helan Mountain will be a great master!” That’s it!

A touch of solemnity appeared on Helanshan’s face:

“However, before that, we still have more important things to do! That is, tomorrow’s battle, destroy the bloody Buddha!”

“Yes!” In Leng Aotian’s old eyes, the same fighting spirit:

“Blood The buddha is fierce and powerful in the northwest, and its reputation is so fierce!”

“This time he came to the Jiangnan site, which is the best opportunity for the two of us to kill this dog!”

Bloody Buddha!

This is almost all the great masters of China who want to punish them.

After all, the other party’s fierce reputation is too high, no matter who it is, as long as the Blood Buddha is removed, he will become a hero in the Chinese martial arts world.

Heard this.

Leng Bufan next to him couldn’t help but asked in confusion:

“Grandpa! Grandpa He! Are you all on your own in the battle tomorrow?”

“This time it is Grandmaster Lin who abolished the blood wolf and the bloody Buddha! Why are you? Don’t the two join forces with Grandmaster Lin ?” Grandmaster Lin?

Heard the name.

Whether it was Helan Mountain or Leng Aotian’s face, there was a deep look of disdain.

“What bullshit Grandmaster Lin! It’s just a junior, what qualifications do you have to join hands with the two of us!” Leng Aotian looked arrogant.

And Helan Mountain nodded in agreement:

“The Blood Buddha on the TV has already issued a challenge letter to the one surnamed Lin! But the one surnamed Lin never came forward to respond. According to my estimation, he is afraid of being scared. !”

Chapter 775

That’s right!

Starting from the declaration of the video challenge of the bloody Buddha, Grand Master Lin never responded to whether to fight.

Not only the two great masters, but even many strong men in the Jiangnan martial arts world have also questioned Grandmaster Lin.

Some people suspected that the name of Master Lin did not match the truth, and he did not dare to fight the Blood Buddha.

Some people also suspect that the surname Lin has not reached the realm of a great master at all.

The reason why the blood wolf was abolished was only by luck!

Anyway!

Almost everyone thought that in the first battle tomorrow, the real challengers were probably only Leng Aotian and Helanshan.

That's it!

Huh!

Everyone saw that the picture on the TV changed, and a video news was interrupted again.

Above the video, an ugly old man appeared.

After seeing this person on TV.

Whether it was Helan Mountain or Leng Aotian, all his expressions changed.

"Blood Buddha!"

That's right!

The person on this TV is the Blood Buddha.

At the moment, he was facing the camera, ghastly smile:

"Linda Zong division, tomorrow is the day I arrived at the River City, it is decisive when we want you to be punctual for appointments!!"

"In addition, I heard the old lady also There are two ant reptiles named Leng Aotian and Helan Mountain, want to challenge me?"

"Sorry, my bloody servants, don't kill the unknown!"

“Iron blood is not dead, I am invincible!”

“Hey... see you tomorrow!”

boom!

When this video message was broadcast on TV, a sigh of cold air suddenly rose in the meeting room.

“Asshole!”

Leng Aotian was extremely angry, and at this moment, he slapped fiercely on the coffee table.

Bang!

The entire coffee table was suddenly covered with layers of ice.

Then it smashed to pieces.

“This Bloody Buddha actually didn’t put the two of us in the eyes, but regarded the Lin surnamed as an opponent! This is damned!”

Leng Aotian couldn’t accept it.

After all, in his eyes, Grandmaster Lin is just a newly promoted Grandmaster. Whether he really has the strength of a Grandmaster is unknown.

And the bloody Buddha’s speech this time was obviously an insult to Leng Aotian!

And the Helan Mountain next to him, in the same eyes, a strong murderous intent flashed:

“Huh! Wait! Tomorrow we two old guys will not only kill the bloody Buddha, but also teach the surname Lin a lesson. Look!”

“Let him understand who is in Jiangnan!”

Finished!

Leng Aotian and Helanshan looked at each other, and became more and more excited about the Great Master’s battle tomorrow.
