

## Chapter 765

Yi Yan opened the door cautiously, seeing that Yin Luo was still asleep, he was relieved, let Bo Chengcheng in, and asked him to move lightly, so as not to wake Yin Luo.

After Bo Chengcheng went in to see Yin Luo's leg injury, he shook his head and signaled Yi Yan to go out with him.

Yi Yan carefully closed the door again and took Bo Chengcheng to a place far away from the bedroom, so that it would not affect Yin Luo's rest. Thinking of Bo Chengcheng's expressions and actions just now, he asked worriedly, "What? Can't it be cured? Is it hurting the bones? I don't look too serious."

Bo Chengcheng wants to reorganize his understanding of Yi Yan. "Wow, Xiao Yan, you know that it is not very serious. I am the second son of the Bo family, a genius doctor who returned from studying in a country. How many people will die? The line was pulled back. Now you actually called me over in the middle of the night for a small skin injury. My time is precious."

How about three years minus one year and only two years as a private doctor? Yi Yan put forward a condition. He thought this condition should be very attractive to him, and he had no reason not to agree.

Sure enough, Bo Chengcheng's eyes shined straight on hearing this condition, it was awesome, hey for a year. He can be less tossed by Yi Yan for a year, and he can be free again in two years, which is great. Thinking back then, he would only lose the betting contract because of Yi Yan's dead stock routine. Now thinking about himself, it's almost impossible. So sum up an experience. Don't gamble with Yi Yan in the future. Everyone knows the result of not betting yet, and Yi Yan will not lose, and has never lost. He was looking for death at the beginning, and he was idle and had nothing to do.

Bo Cheng Cheng Chao Yi Yan saluted "yes, sir, to ensure that the task is completed perfectly."

Yeah. Yi Yan was not surprised by Bo Chengcheng's positive performance. He himself is a person who likes freedom. After this year, I don't know how happy he is. He reminded, "Remember not to hurt him. she."

Okay, simple. Bo Chengcheng nodded. Now the medical skills are so advanced and the medicine is also very advanced.

Don't leave scars either.

necessary.

The treatment time should be fast.

no problem.

Let's go then. Yi Yan entrusted this important task to Bo Chengcheng and followed him into the room.

Before entering the room, Bo Chengcheng told Yi Yan that no matter what he did after entering, he could not speak, show any dissatisfaction, or do any harm to the doctor.

Yi Yan thought that Bo Chengcheng was a professional doctor and his brother for many years, and he would definitely not cheat him, so he agreed.

After entering, Yin Luo woke up in a daze. Seeing a strange man, Yin Luo instantly awoke.

Seeing that Yin Luo was awake, Yi Yan introduced, "This is my personal doctor, Bo Chengcheng, and the second son of the Bo family."

The Bo family is also a big family in this city. I didn't expect the second young master of the big family to become Yi Yan's private doctor.

Yin Luo nodded slightly and said hello, "Hello, I want you to come over in the middle of the night, I will trouble you."

It's no trouble, no trouble, it's my honor to treat a beautiful woman. Bo Chengcheng politely said, then turned to Yi Yan and said, "Xiao Yan, look at how sensible people are, and then look at you... Tsk tusk tusk."

Don't be fussy, hurry up and heal the injury. Yi Yan frowned. He just glanced at Yin Luo's wound again. Xu was accidentally pressed when he fell asleep, and it seemed that a little blood was oozing out.

Okay. Knowing that Yi Yan is now eager to protect his wife, Bo Chengcheng is not too late, and quickly opened the medicine box to treat Yin Luo's injuries.

Yi Yan regretted that he had just promised so much. When he watched him pour the white potion into Yin Luo's wound mercilessly, and watched Yin Luo frown because of the pain when the potion was poured on the wound, he wanted to beat it. Cheng Cheng had a meal. This Bo Chengcheng is quite prescient.

After three minutes, the wound was finally healed, and Bo Chengcheng explained to Yi Yan about the contraindications and medication.

Will you not keep me? Bo Chengcheng joked to Yi Yan.

Yi Yan raised her thin lips. "If you want to eat our dog food, I don't mind if you stay."

That still won't work. I didn't expect that one day you would abandon me. I'm full and I don't need to eat dog food anymore. I didn't expect Yi Yan to have a wife like this, and a daughter-in-law and forget his brother.

Yi Yan asked Bo Chengcheng honestly, "When did I abandon you?"

Do you know that you would lose me like this. Bo Chengcheng is not as serious as Yi Yan at all. He is very lively all day long, like a naughty child.

Seeing his brother found true love, he was actually quite happy, but I hope this true love will only make him happy, not hurt him.

After the indifferent He Yi Yan and Yin Luo bid farewell, Bo Chengcheng packed his medicine box and left.

After sending Bo Chengcheng out, Yi Yan went back to the bedroom to examine Yin Luo's wound. The genius doctor is worthy of being a genius doctor. After a while, the wound looked much better.

Yin Luo asked Yi Yan her question just now, "Why did the second son of the Bo family come to be your private doctor?"

Because of a bet. Yi Yan didn't want to say more, and then whispered in Yin Luo's ear, "I said during the day, I will punish you well at night."

Huh? Thinking of Yi Yan as if he really said this, he could only pretend to be confused, "Is there? Why don't I remember? It may be a temporary amnesia, who are you?"

Seeing Yin Luo pretending not to remember, Yi Yan just hooked his lips, "It's okay, I just remember."

I'm still hurt. Yin Luo opened her big eyes and looked at Yi Yan innocently.

But a man couldn't stop it when he was brutal. What's more, Yin Luo didn't know how attractive it was now.

Yi Yan threw Yin Luo down, held her arms and said softly, "I'll pay attention."

After speaking, he hurriedly kissed Yin Luo's lips.

...

The next day, there were clothes on the bed and the floor. So far, there is an ambiguous atmosphere in the room. The mess in the room shows how intense it was yesterday.

Yi Yan yelled Yin Luo early. Yin Luo had a sore back, his legs were scarred, and he was a little itchy. Yin Luo was upset when Yi Yan shouted so.

Get up and cook. Yi Yan missed Yin Luo's cooking again, although she always made breakfast at a leisurely pace.

Yin Luo was tossed by Yi Yan before going to bed late yesterday. Now he feels that he is going to die of sleepiness, so naturally he does not want to get up.

Looking at the woman lying on the bed, Yi Yan sighed. This woman's physical fitness is not very good, so she will have to exercise more in the future.

Zhang Ma could only make breakfast first, and then Yi Yan called to Yin Luo who was lazy in bed and refused to get up. Watching her eat breakfast in a daze, then he drove Yin Luo to her company.

At this time, Yin Luo was much more awake. She yawned, and then lazily said to Yi Yan, "Then I will get out of the car first. You should drive carefully, bye bye."

Just as Yin Luo was about to leave, Yi Yan grabbed her, leaned to her ear and asked, "Should there be another parting kiss?"

Kiss you big-headed ghost, haven't you kissed enough yesterday? Yin Luo glanced at Yi Yan and said angrily.

Yi Yan rogue stretched out his hand to hug Yin Luo, and gently raised the sexy thin lips, "I took the initiative yesterday. Today, you kiss me."

No. She wasn't that stupid. If she really kissed him, would she still get into the company alive? Yin Luo couldn't imagine.

However, under Yi Yan's control, he couldn't escape at all.

Yin Luo discussed with Yi Yan, "Well...I'm going to work soon, otherwise, I would like to invite you to eat delicious food in the evening, which will definitely surprise you. It's such a happy decision, okay?"

Seeing Yi Yan remained silent and did not answer, Yin Luo knew that Yi Yan was very interested in her proposal.

Seeing that Yi Yan was still in a daze, Yin Luo took the opportunity to remove Yi Yan's hand on his waist, hurriedly opened the car door, and escaped.

Yin Luo took a long breath after getting out of the car, but luckily she had escaped from the tiger's mouth. She waved to Yi Yan, and then said goodbye, "Then I will go to work first, bye."

After that, Yin Luofu left Yi Yan's car and ran to the company. She turned on her phone and checked. She had just been in the car with Yi Yan for so long, but now she was really late.

Yi Yan in the car looked at the woman's silly back and smiled unconsciously. This stupid woman, she thought that if he didn't want to let her go, she thought she could get out of the car safely ?

Yi Yan shook his head. He took out his cell phone to check the time. It was already past his time to go to work. Since having this woman, he has never been late for work before, and has also strictly ordered employees not to be late. But now, he has repeatedly broken the rules, and he feels a little ashamed.

As he was about to drive, Xiaotian called him again.

Xiaotian on the phone asked hesitantly, "President, you... this time you are..."

I'll be there soon. Yi Yan replied decisively, then hung up the phone, speeding up to the company.

...

In the evening, before getting off work, Yi Yan couldn't wait to call Yin Luo and asked, "Are you ready?"

Ah? What? Yin Luo didn't react for a while.

Hearing Yi Yan's voice is obviously a little unhappy, "You forgot? You said you wanted to invite me to dinner this morning, and this is the first time you want to invite me to dinner. Why? Does Tang Yin always go back?"

Hearing what Yi Yan said, Yin Luo remembered what he had promised in the morning. Looking at him, she was expecting it, but when she thought of where she would take him tonight, she was a bit sorry for him.

Of course I haven't forgotten, and I won't go back. Just come and pick me up when I get off work. That's it, I have to work, goodbye. Yin Luo remembered how Yi Yan looked after she turned the surprise into a fright. must be fun.
