

Chapter 781: Looking for Trouble

The crew was filming at the university.

A lot of the scenes were on campus, so more time was spent here.

So far, there had been about ten days of filming, and Xia Xibei's scenes were almost over.

In fact, she didn't have too many scenes. They were rather scattered, which was why it took so much time.

When she was not needed on the set, she just watched and learned from the sidelines.

Although she had a lot of experience in her previous life, there was always something new to learn.

Today, she was sitting quietly and watching everyone shoot when she heard a commotion coming from outside, vaguely hearing her name.

She stood up and looked over towards the sound.

Then, she saw a girl rushing in furiously.

The girl looked quite pretty, but because she was so angry, her face was a bit distorted.

She rushed in while shouting angrily, "Where is that tramp Xia Xibei?! Come out here!"

She was accompanied by a few people who were obviously her helpers. Otherwise, even if she wanted to come in, it wouldn't be possible. After all, there were quite a few people in the crew.

Just now, they came in so aggressively that the security guards couldn't stop them.

The noise interfered with filming and attracted many people, who started to watch.

Shi Huan stood up with an annoyed face, asking, "What is going on? Who is causing trouble?"

While they were puzzled, the group of people had already rushed to the front.

When the girl saw Xia Xibei, her eyes lit up and she got angrier.

"You are Xia Xibei?! You're the one who stole my Brother New?!"

"Brother New?"

"A new bro?"

The others were dumbfounded.

Was it a new brother? Was it a person?

"Who are you? Who let you in?" Shi Huan came forward with an unhappy face.

His tall stature seemed intimidating.

The other party cowered for a moment, but quickly perked up, "I'm looking for that tramp Xia Xibei!"
"Watch your mouth!" Other people also came forward.

These people had inexplicably come to the set and pointed at Xia Xibei and called her tramp. It was crazy!

"She's the tramp! She's the one who seduced my Brother New!"

While everyone was at a standstill, the girl looked very agitated and rushed towards Xia Xibei, her hands out and moving very quickly.

The others were instantly shocked and called out, "Watch out!"

However, at the next moment, everyone was stunned.

"Ah!"

After a miserable scream, the girl had been kicked away by Xia Xibei.

Everyone was dumbfounded as they watched the girl fall to the ground.

Wow! Awesome!

The men who wanted to protect Xia Xibei couldn't help but take a step back.

She didn't even need them to fight for her!

"Damn bitch, I'm going to kill you..."

The girl got up from the ground, gripped her stomach, gritted her teeth, and shouted to the men who accompanied her, "Get her for me!"

"How dare you?!" Shi Shuhang stepped forward and asked these people with a stern face, "Who the hell are you people? Who told you to come here and cause trouble?"

The girl became even more agitated and simply ignored their peaceful questioning. With a fierce expression, she told her companions to make a move.

At the next moment, her eyes blurred as a figure appeared in front of her, twisted her hand back, and then kicked her leg, causing her to fall to her knees in pain.

"Ah!" she screamed miserably.

Then, her hands were grabbed.

Chapter 782: Who is Brother New

Everyone present was dumbfounded as they watched Xia Xibei move as if she was grabbing a doll.

She was too skilled!

It was as if this girl was a defenseless chick who fell into Xia Xibei's hands and was instantly controlled.

Moreover, Xia Xibei found a rope somewhere and tied up the girl.

"Let her go!"

The men with her were anxious and immediately wanted to pounce, but in the next second, Xia Xibei kicked out her foot.

Everyone was dazzled and a few people screamed and fell backward.

Everyone's jaws dropped as they looked at the people who had fallen to the ground.

Holy crap! Xia Xibei was really good! She was awesome!

People were dazzled. This was too incredible!

The girls especially were looking at Xia Xibei with glowing eyes, instantly transforming into fangirls.

In fact, Xia Xibei wore a very ladylike dress in a blue gradient. Since the skirt had a wide hem, she wore bike shorts underneath, so that she didn't flash people when she lifted her leg to kick.

Of course, no one had time to pay attention to any flashing.

The men, after being kicked, were immediately grabbed by the others to keep them from making trouble again.

"Are you awake?" Xia Xibei lifted the struggling girl up.

The girl was still struggling, but after meeting Xia Xibei's cold gaze, her body involuntarily froze, not daring to move anymore.

She found that Xia Xibei's eyes were so cold and scary.

She had a feeling that if she still didn't do as she was told, something terrible would happen!

The alarm bells that kept ringing in her head made her finally come to her senses; her eyes wandered a bit and she didn't dare to speak.

"Well, now that you're awake, we can get down to business." Xia Xibei looked at the girl. "First of all, I want to know one thing: when did I become a tramp?"

The girl got angry again after mentioning this matter.

However, looking at Xia Xibei's ice-cold expression, she didn't dare to do anything.

Moreover, her hands were still tied behind her back! Even if she wanted to move, she couldn't.

"You're the one who seduced my Brother New!"

"Who is Brother New? Which new brother are you talking about?" Xia Xibei asked again.

“Luo Xinkai!”

Only when those words came out did everyone react to who she was talking about.

Oh my god! Shouldn't Luo Xinkai be called Brother Kai? Why would he be called Brother New?

No wonder no one figured it out.

Wait a minute! Luo Xinkai?!

What did this have to do with Luo Xinkai?

Xia Xibei was also exasperated, “When did I have a relationship with Luo Xinkai? I didn't know I had become a tramp?”

“Don't you lie to me!” The girl was angry. “You think I don't know about you seducing Brother New?! I have proof!”

The crowd immediately drew a breath.

There seemed to be a problem here! And she had proof!

Everyone's breathlessness made Xia Xibei react and frown at Shi Huan.

He was the director, this kind of thing could not involve everyone too much. Even if she was innocent, she didn't need to settle this matter in public.

Shi Huan saw her look and immediately coughed lightly, looking at the others. “Okay, stop gawking. Go back and continue working!”

Then he looked at Xia Xibei again, “Hurry up and settle the matter.”

Needless to say, he believed in Xia Xibei's innocence.

How could such a fierce girl be a vixen? What guy could withstand her kick?

Xia Xibei nodded at Shi Huan. “Sorry, director. I'll settle this first.”

Chapter 783: What Do You Mean?

“All right, back to work!” Shi Huan shouted at everyone.

The crowd hesitated. No one wanted to just leave.

Of course they had to finish watching the show! What a juicy scene!

But alas, Shi Huan was not someone they could resist.

“If you aren't working, get out of here! And anyone who dares to tell people about this, you can get out!” Shi Huan looked at everyone with a warning.

With such a command, everyone moved fast and left quickly.

Before leaving, Xia Qinghan's eyes took on a look of mockery and smugness.

She finally understood the good news Zhang Yiqi was talking about.

So that's how it was!

Of course, Xia Qinghan also knew that Xia Xibei would not like other men. After all, Qiao Yanjue was so outstanding, no one else could compare to him.

1

But so what?

Anyway, it was enough to make Xia Xibei lose face and suffer.

Moreover, she did not believe that Qiao Yanjue would come out to explain this matter.

In fact, even if Qiao Yanjue came out to explain, Xia Xibei could not clean up the situation, and it would get more troublesome.

No matter what, Xia Xibei would be affected in the end.

Thinking of this, Xia Qinghan finally felt refreshed.

She took a few quick steps and walked to Shi Shuhang's side, smiling and saying, "Don't worry, she is used to this kind of childish thing. She can handle it."

This sounded good, but when you thought about it, it was not right.

Shi Shuhang just nodded twice. Then he paused, his eyes a little unkind.

"What do you mean by that?"

His cold face made Xia Qinghan freeze.

"I- I did not mean anything...."

Shi Shuhang's face turned grim, "Come on, don't say these shady things to me. I know what you mean."

Xia Qinghan's expression stiffened a bit, but still she explained, "I mean, she's so good, she can definitely handle this kind of thing."

"Huh?" Shi Shuhang hummed, "Come on, don't take me for a fool. How come I didn't know that you guys got so close and you knew her so well?!"

Xia Qinghan's mouth moved, her expression stiffened even more, and her eyes couldn't help but wander a bit.

"Just shoot the scene properly. Don't do these weird things."

Shi Shuhang glanced at her, then returned to Shi Huan's side.

Shi Shuhang was not a fool. Although he was usually a little clueless, he could tell there was bad blood between Xia Xibei and Xia Qinghan.

When the two of them needed to act in a scene, Xia Xibei was in full swing, crushing Xia Qinghan so much that she couldn't hold her head up.

And Xia Xibei never hid her dislike for Xia Qinghan.

Shi Shuhang originally did not want to get involved in the two girls' drama, and Xia Xibei never asked him to pick a side.

However, that didn't mean he couldn't see the problem between the two.

Moreover, the meaning behind Xia Qinghan's words was too ridiculous.

What did she mean by "used to it?" Did she mean that Xia Xibei often encountered such things, and was used to being treated like a tramp and picked on?

It was ridiculous!

After being saved by Xia Xibei once before, Shi Shuhang was very grateful to her.

Now Xia Qinghan wanted to bad mouth Xia Xibei to him?! Yeah, right!

Shi Shuhang snorted to himself. Although he was not that bright, that did not mean that he was really stupid!

Thinking of this, he glared at Xia Qinghan.

Xia Qinghan's mood instantly sank to the bottom after receiving Shi Shuhang's angry look.

She didn't expect Shi Shuhang to be so trusting and supportive of Xia Xibei!

Moreover, because of what she said, he disliked her now! This was terrible!

Chapter 784: I Have Proof

Xia Xibei didn't know about what had happened between Xia Qinghan and Shi Shuhang, she was doing her best to deal with the girl.

Pan Yan and Gu Lan rushed over to help immediately after hearing about what had happened.

A few people took the group into an empty classroom next door.

The men wanted to leave but were immediately cowed by a cold look from Xia Xibei.

They really didn't expect Xia Xibei to be so powerful! It was so scary!

The girl was still angry, but she was much better behaved than when she first arrived. Her hands had been untied, but she didn't dare to act up again.

“Okay, tell me what the hell is going on here.”

Pan Yan and Gu Lan stood at the back like two sentries, and Xia Xibei sat on a chair and looked up at them.

Although her expression was calm, her eyes made people afraid to look straight at her.

“What do I need to say? Don’t you know what you’ve done?” The girl grunted angrily.

“I really don’t know.” Xia Xibei’s eyelids lifted slightly. “I only know that I don’t have any relationship with Luo Xinkai.”

That made the girl angry again.

“How dare you deny it?!”

She was very angry.

“You were clearly seducing Brother New before!”

If she hadn’t remembered Xia Xibei’s violence just now, she might have pounced on her.

“What are you talking about!” Pan Yan was extremely angry. “Who said such things to you!”

Xia Xibei raised her hand to stop Pan Yan’s outburst and looked at the girl.

“All right, don’t talk nonsense. Bring out the proof if you have it.”

Speaking of evidence, the people finally reacted.

“Yes! I have proof!”

The girl pulled out a stack of photos from her bulging pants pocket and threw it onto the table in front of Xia Xibei. “See for yourself!”

Without waiting for Xia Xibei to reach for the photo, she grunted again with a little smugness, “Don’t try to destroy the photos, I have many more here!”

Xia Xibei ignored her threat and picked up the photos.

Pan Yan and Gu Lan looked at the photos from behind and were stunned.

In the photos, Luo Xinkai stood in the doorway of Xia Xibei’s room while wearing a bathrobe, and Xia Xibei was wearing casual pajamas. The two of them were facing each other.

In some photos, the two were very close to each other, and in a few of them, Xia Xibei also reached out to touch him, looking very intimate.

People could immediately imagine what the girl was talking about just by looking at these photos,

Pan Yan’s face suddenly turned stormy. Who took these photos?

Obviously, there was no reporter in that hotel!

Gu Lan also widened her eyes. When did Xia Xibei and Luo Xinkai have contact?

“See? Don’t you say I wronged you!”

The girl finally perked up as she watched their expressions,

After being pinned down by Xia Xibei for so long, she had finally “gotten her revenge.”

“I see.” Xia Xibei nodded, but the corners of her mouth took on a smile. “But with just a few photos, what can you say? Have you seen what happened later?”

The girl was instantly exasperated.

“It’s already like this, and you still don’t admit it? Do you have to be caught in bed before you will admit it? She gritted her teeth, “Okay, I’ll go to the media and let everyone decide!”

“Oh?” Xia Xibei raised an eyebrow. “But if you spread the word, I’m not the only one who will be hurt. Your Brother New will also be affected.”

This made the girl hesitate.

She didn’t care what happened to Xia Xibei, but if it affected Luo Xinkai, it would not be good.

However, while she hesitated, the Internet was already in an uproar.

Chapter 785: It is All Her Fault

When Xia Xibei’s ad hit the streets, it was met with a strong response.

This commercial was so well done!

Everyone knew she was pretty, but they didn’t expect her to be so good on camera as well.

This ad quickly spread, and many others cropped her picture for worshipping.

It could be said that with this ad, she had gained even more fans.

Although all of them were fans of her looks, it was still pretty good.

Moreover, the sales of the clothes she endorsed exploded.

Even if some of the clothes were not yet available for the season, people made advanced reservations for them.

The clothes were too beautiful!

Of course, people knew that they didn’t have Xia Xibei’s looks, so even if they wore the same clothes, they wouldn’t necessarily be prettier.

Still, they might look better when they wore these clothes...

Even if they didn't look good, they still had the same style!

As a result, Simu's sales went up, and Qi Yuntian was overjoyed that she had found the right person.

At the same time, the spokesperson for the Simu men's line had also changed.

He was Zhou Qiyu, who was also a popular first-tier actor. The guy was young and handsome and had many fans.

He was a good match for Simu, and he could master Simu's menswear style.

Inspired by Xia Xibei's "girlfriend's POV" campaign, the director changed Zhou Qiyu's campaign into a shoot for "boyfriend's POV."

The ad was launched two days later than the Xia Xibei ad, but the effect was just as good.

After all, there were more female fans than male fans.

The fans were going crazy looking at Zhou Qiyu from the boyfriend's point of view. How nice would it be if he was their boyfriend?!

Both commercials were popular, and Zhou Qiyu's fans grew even more.

Also, because of this, Zhou Qiyu got a role from another director.

This was a great thing for Zhou Qiyu, but this was not good for Luo Xinkai.

Although he had not admitted it publicly, everyone knew that he and Zhou Qiyu were not on good terms. The two were more or less the same in every way, and their resources also matched each other.

This advertisement was originally Luo Xinkai's, but now it fell into Zhou Qiyu's hands.

The role that Zhou Qiyu got because of this ad was also something that Luo Xinkai was fighting for before.

It was a deep grudge! Luo Xinkai almost died of anger!

His resources were taken away, so how could he not die of anger?

However, Zhou Qiyu was now in the limelight, and he was not good at confronting it directly.

After thinking about it, Luo Xinkai felt that this whole thing was Xia Xibei's fault!

If she hadn't brought this matter to light, how could he have lost his endorsement?

If the endorsement was still there, the role would have been his too!

Besides, it was no big deal. If Xia Xibei didn't want to say yes to his invitation, she could have just turned it down. Why did she have to make such a big deal out of it?

And Simu was making too much of a fuss!

The more he thought about it, the angrier he got. Luo Xinkai put all the blame on Xia Xibei!

Of course, he had no intention of confronting Xia Xibei head-on.

After this happened, Simu stood by Xia Xibei's side, which already spoke for itself.

And when he talked with Simu before, it was Zhuo Yu who came to the table.

Who knew what the relationship between Xia Xibei and Zhuo Yu was?

Eh?!

Thinking of this, Luo Xinkai had an idea at once.

So, as the ad was heating up, a piece of breaking news appeared online.

"A certain actress is actually a mistress?!"

Chapter 786: She is the Mistress

Mistress, tramp, cheating, affair...

These words had always attracted the audience's attention.

When they saw the sensational title, everyone immediately stopped.

[A certain young female artist became popular from a variety show and is now gaining momentum. She's not only taking on several roles, but also picking up an endorsement. She can be considered a new starlet!]

[However, I found that the female artist and the owner of the brand she endorses have a very close relationship! Note: The boss already has a wife and child...]

This news immediately drew attention from everyone.

Variety show, endorsement, starlet...

Everyone soon locked on Xia Xibei.

After all, Xia Xibei's performance was very eye-catching, and now she had the title "King of Variety Shows."

And her commercial had just aired!

There were many comments immediately.

[I knew it! I was wondering how she got an endorsement so soon... So that's how she got it!]

[Being a mistress is so disgusting! Such people deserve to die!]

[Get out! Who knows if this kind of rumor is true or not. Where is the evidence? Our Sister Bei has become popular, so there are always people who try to stir up trouble!]

[Damn marketing accounts...]

There was a lot of arguing. However, the account quickly made a new post.

[Here's the evidence you want.]

There are a few photos. Although a little blurry, you could still see the general situation.

In the photos, a long-haired woman was holding a child in her arms, and a tall man was standing next to her.

The two people did not seem too intimate, but in the eyes of the public, this was really incriminating!

[It really is Xia Xibei! The fans were begging for evidence and got it! Try to explain now! How disgusting! Damn the mistress!]

[Oh my God, it's really Xia Xibei! She's really a mistress? She's not the one who gave birth to this baby, is she? No wonder she's endorsing Simu!]

[Are you mentally challenged? Our Sister Bei is only 17-years-old! This child is at least two years old. Do you mean to say she got pregnant when she was 14? There's a lot of air in your head!]

[The child could not be Xia Xibei's. Then it's her boss' child. Wow, she's already in the family?! Amazing!]

[She really had the skills!]

[But this boss looks young and handsome! If it were me, I'd be willing to be his mistress too!]

[Get lost! Your mother raised you just to be a mistress?]

While everyone was arguing, the marketing account released another message.

[According to reliable information, Luo Xinkai's previous endorsement cancellation was also due to someone's pillow talk!]

What?!

When this news came out, Luo Xinkai's fans exploded.

Previously, people were just looking at it as a joke.

Now the matter involved their idol, so it was not so easy to ignore.

The comments below were even more chaotic.

[According to a knowledgeable person, Xia Xibei was attacked by the original spouse on set!]

Damn!

That was a lot of information!

The spouse? Attack? This confirmed the rumors that Xia Xibei was a mistress?

At once, it was a mess online.

Looking at the information on the internet, Song Jiaren, as the president of the fan group, became anxious and called Xia Xibei to understand the situation while calming down the fans.

After the phone call, Song Jiaren was relieved to get Xia Xibei's reassurance.

Yu Ziqi, who didn't even look up, continued to draw and paint.

"I told you, Beibei will be fine."

"Oh, you know everything!" Song Jiaren wrinkled her nose at him.

Chapter 787: Don't Dare to Complain

Song Jiaren was the president of the Xia Xibei Fan Club. Of course, no one else knew that she and Xia Xibei were so close.

Everyone only knew that she must have known Xia Xibei, and that was why she knew so much.

With her as a connection, fans were calmer.

Xia Xibei had been smeared so many times, and they had also experienced a lot, so they were not as anxious.

However, this time, the matter was more serious. Once the "mistress" was convicted of this crime, it would be a problem.

In this kind of society, people were harsher on women. Even if two people were immoral, the one to be condemned more was always the woman.

Moreover, many of her fans were girls, and they had less of a tolerance for these things.

The fans started to get agitated, and Song Jiaren and a few fan leaders immediately acted and tried to calm everyone down.

"We believe in Beibei! Beibei is so powerful, how could she do such a thing?! Besides, I've already received news from my side. Things will be resolved soon! When the time comes, let's see who will be the one to lose face!"

Song Jiaren sent several commands in the group, asking everyone to appeal to other fans not to argue with Luo Xinkai's fans.

Arguing with them would be useless, instead making the situation worse and affecting Xia Xibei's reputation.

With their reassurance, the fans finally calmed down a bit.

However, they immediately exploded when Luo Xinkai came out to speak!

A reporter interviewed Luo Xinkai because of this matter.

“I heard that you canceled the collaboration with Simu because of Xia Xibei?”

“Where did you hear that from?” Luo Xinkai reacted a bit excitedly, then hurriedly calmed down. “There is no such thing. How could there be such a ridiculous rumor?”

“Then have you ever seen her with the Simu boss?”

“Oh, how would I know that? Besides, the boss and his wife are so in love, and their families are perfect for each other. Other people can’t get between them.”

This sounded like everything was fine, but the fans could read between the lines!

[I think there must be something wrong here! If there’s no problem, why would Luo Xinkai say that?]

[I think so too! What did he mean by no one else can get between them? There must be something fishy here!]

[Damn it! It’s all because of that mistress who hurt Brother Kai!]

[Look at Luo Xinkai’s micro-expressions! His eyes are evasive, so he’s obviously lying! And his reaction is so obvious!]

After this analysis, everyone believed that Luo Xinkai did not dare to offend Simu, so he did not dare to tell the truth. Even if he was aggrieved, he did not dare to complain!

For a while, his fans were even more heartbroken.

Xia Xibei’s fans were also a little restless.

It was time for Xia Xibei to come out and say something.

Everyone was desperately trying to get Xia Xibei to come out and explain. After all, it was better to explain such things sooner rather than later.

If everyone made up their mind, it would be the end!

It was a pity that Xia Xibei’s Weibo hadn’t been updated.

Of course, this also made some people think that she was feeling sheepish and didn’t dare to speak.

So, everyone became even angrier.

Song Jiaren was anxious as she watched many people below shouting that they were no longer Xia Xibei’s fans.

However, she was very tough.

If one wanted to stop being a fan, they could do as they liked. Just don’t come back later!

Regardless, how come there was still no response from Xia Xibei?

While she was being conflicted, a post blew up on the internet again, quickly attracting everyone's attention.

Chapter 788: Sweetheart Baby

The post was from a blogger called "Sweetheart Baby" and had explosive content.

[I was a fan of Luo Xinkai before, and then became one of his girlfriends... Recently I found out that Luo Xinkai is scum and has many girlfriends!]

When this post first came out, people didn't pay much attention to it.

After all, there were many fans who claimed they were a star's husband or wife online. Sometimes when the mood struck, the drama queens would make all kinds of jokes about how they were together.

This kind of story was very common, not at all rare.

Of course, fans were very angry about Luo Xinkai being labeled as scum.

Even if she said she was his wife or girlfriend, how dare she call him scum? This was not acceptable!

So, some people went to comment under her post, saying that she was delusional and that the drama was too much.

The "Sweetheart Baby" was tough. She did not argue with the fans, just released a few photos.

These photos were blurred in some places, but the face that was revealed was very familiar to all the fans!

It was really Luo Xinkai!

One was a photo of him sleeping with his eyes closed, and it was obvious that he was not wearing any clothes.

When they saw this photo, the fans could still console themselves.

His eyes were closed, so it could be someone else, right? After all, it wasn't unusual for some people to resemble each other.

However, the next photo shattered their illusion.

In this photo, Luo Xinkai's eyes were open. He was sitting on the couch, holding his cell phone and flipping through it, obviously not noticing that someone was snapping pictures of him.

In the next one, he was only clothed in the lower half of his body, his torso was bare, and he had a salacious expression.

These photos managed to break the hearts of all the fans.

It was really him!

“Sweetheart Baby” also showed screenshots of her previous posts, including all the things she did for Luo Xinkai, such as spending money on gifts, voting for him online, and so on.

This all showed that she was really a fan of Luo Xinkai before.

She also said that her name was “Sweetheart Baby” because Luo Xinkai liked to call her that, so she changed her alias.

This was such a powerful post, instantly exploding online.

He really slept with his fans!

Fans had been shouting for him to date them for so long, but they never thought this would really happen!

For a while, the fans were all confused.

The die-hard fans shouted, “This is a conspiracy made up by Sweetheart Baby! These photos are photo-shopped, and they are all fake!

“Sweetheart Baby” did not retort, she just posted a short video.

Although the video was quite short and there were not too many revealing images, it was obvious that it was Luo Xinkai.

The endless evidence broke the hearts of the fans who did not believe the news at first. Immediately, a bunch of people shouted to stop being his fans.

[Didn't you say he had multiple girlfriends? Where are the other girls?]

Unlike the devastated fans, the passers-by and fans of other stars were excited.

This scoop was too much!

Also because of this incident, everyone shifted their attention to Xia Xibei.

With everyone clamoring for more, other girls popped up, each with evidence on hand to prove their relationship with Luo Xinkai!

To the surprise of the onlookers, these people's accounts all had words like “baby” and “sweetheart.”

[Luo Xinkai has too many girlfriends and couldn't even remember their names, so he used names like “baby,” “sweetheart,” and “honey.”]

This comment immediately drew strong approval.

He really was scum!

How dare you not be attentive when you have this many girlfriends?!

Chapter 789: Continuing to Make Trouble

In the office, Luo Xinkai had a scowl on his face and was so angry that his chest hurt.

“Hurry up and take this thing down!”

He was going crazy with anger.

He didn’t expect that what he had done would be exposed!

Everyone was still talking about Xia Xibei before, so how come all of a sudden the wind changed direction?

He did not expect that these things were related to Xia Xibei. After all, Zhuo Yu had only shown him the video that Cui Tong shot.

Moreover, when the contract was terminated, Zhuo Yu also deleted these videos, which was the condition.

Of course, he was also afraid that Simu’s side had other proof, so he didn’t dare to take the risk himself, but made others attack Xia Xibei.

He only made some murky comments on this matter.

So why did his story blow up?

His dating multiple women wouldn’t necessarily bring him down. It was not a crime, after all.

However, these things had dealt a heavy blow to Luo Xinkai’s career!

Especially those female fans of his, who were talking about stopping being fans!

“Hurry up and pull me off of the hot searches! I will sue them!”

Luo Xinkai was pacing around in the room, so angry that his face was black.

His manager was also angry and his expression was even uglier than his.

“How can we sue? Isn’t this true?” Speaking of which, the manager got even angrier. “I told you before to control yourself and not mess around!”

When he took over managing Luo Xinkai, the manager knew that the star was not well-behaved.

It was one thing to play around, but the most troublesome thing was that Luo Xinkai was too stupid!

He knew what he had done, but he didn’t know how to keep it a secret?!

He had cheated on so many people and everyone had taken pictures, yet he did not know?

Was it because of his lust-crazed brain that he was so stupid?

The manager was cursing to himself, but it had already happened, so cursing was useless. The matter had to be handled properly.

“What’s the use of talking about this now? Now the most important thing is to fix the problem!”

The manager’s face was stony, “The company will talk with these girls and make them delete their posts. When the time comes, we’ll use other things to divert attention, and it will soon pass. You can rest assured that the people online have a short memory.” After saying that, he stared at Luo Xinkai again, “So, you better behave! Don’t make any more trouble!”

When it came to artists like this, the manager was also tired.

When Simu canceled his contract earlier, he was also confused. Only afterward did he realize what Luo Xinkai had done.

This bastard went so far as to seduce Xia Xibei! She was still underage!

Now that these things had come up, without a doubt, they definitely had something to do with Luo Xinkai!

If he messed up again, it would be the end!

“Okay, I understand.”

Luo Xinkai reluctantly sat down, but his eyes wandered.

After admonishing Luo Xinkai, the manager immediately went out.

Only he didn’t expect that just as he left, Luo Xinkai took out his phone.

Soon, more news appeared online.

“Zhou Qiyu and a mysterious woman are seen together. Is romance brewing?”

Zhou Qiyu’s fans exploded when they saw the two people in the photo.

When did their beloved idol have a girlfriend?

In the photo, the young woman was tall, approximately 170 cm, with a slim back and long hair. She looked a bit familiar.

[She... She looks like Xia Xibei!]

This sent shock waves again, like a stone tossed into a lake.

Chapter 790: All Dragged Into It

Xia Xibei and Zhou Qiyu had a thing?!

This speculation caused a huge explosion on the Internet right after it surfaced.

Zhou Qiyu and Xia Xibei were both spokespersons of Simu, and it was only natural that they had rubbed elbows.

Before this, however, there were rumors about Xia Xibei having a fling with the owner of Simu, and now she was said to be in a relationship with Zhou Qiyu. She was simply... Impressive, wasn't she?

[I don't think that's something impossible though! Xia Xibei has a thing with both the owner of Simu and Zhou Qiyu, and that was how she made Zhou Qiyu one of the spokespersons of Simu... God d*mn it! She's awesome, ain't she?!!]

[Whoa, that level of networking though! Wait, can they be having threesomes?]

[What a messed up world!]

All these statements made Believers go ballistic.

What disgusting and ridiculous speculations!

How did Zhou Qiyu get dragged into this mess?

Besides, when had Zhou Qiyu and Xia Xibei ever even crossed paths?!

Zhou Qiyu's fans went berserk too.

Sure enough, the fans spitefully condemned Xia Xibei alongside the rumor-mongers.

As far as they were concerned, their idol was the most innocent baby boy in the world. If something bad ever came up, it would always be someone else's fault!

Xia Xibei was simply a vixen who enjoyed hooking up with men wherever she went!

Although there weren't many such comments, they were awful enough to read.

Moreover, the concurrence of the two incidents took a great toll on Xia Xibei's reputation.

She used to be the most attractive girl in school and the popular Miss Know-It-All. Yet, she'd turned into a dishonorable mistress now!

Even though the fans were desperately trying to explain how the woman wasn't Xia Xibei at all, as far as most netizens were concerned, savoring the drama was the whole point!

So what about the truth then?

Well, who cared?

Zhou Qiyu was also stunned by how the matter unfolded.

How on earth did he get dragged into this though?!

What was even more ridiculous was that the girl in the photo wasn't even his girlfriend!

She was his older cousin! His cousin, for God's sake!

Who the hell was trying to backstab him?!

He became vigilant instantly.

This could very well be a trap! This piece of fake news could just be a smoke bomb, and he believed more traps would follow.

Once he denied it, the other party would make another move!

He had seen too many tricks like this in the past. It was a ruse that the media loved to deploy!

He couldn't help but ponder... He didn't have a lot of dirt for people to talk about, did he?

However, he dared not speak up before the coast was clear, neither did the company allow him to say a word about it.

After all, what happened with Luo Xinkai was a big deal, and they were afraid that mishaps would also befall Zhou Qiyu.

Very soon, however, Zhou Qiyu received a phone call.

It was Nie Zehai who called.

Nie Zehai went straight to the point.

"It isn't Xibei in the photo."

It was an affirmative sentence.

Nie Zehai had seen how Xia Xibei got along with Qiao Yanjue. Although he had yet to know that they were now a couple, he was certain that Xia Xibei did not have a thing with Zhou Qiyu.

Nie Zehai's call roused Zhou Qiyu's curiosity.

"It isn't her, indeed."

"Why don't you come forward to explain then?"

His questioning made Zhou Qiyu somewhat unhappy.

"Why should I?"

Nie Zehai was silent for a moment, then he blurted out, "Are you an idiot?"

Huh?!

Zhou Qiyu's distaste only intensified, "Did you give me a call just to insult me?"

Nie Zehai took a deep breath to calm his tone, "Do you know about Xia Xibei's relationship with Simu?"

He understood Zhou Qiyu's worries and why he did what he did. However, he didn't want Xia Xibei to suffer such unnecessary assaults.

“What relationship?” Zhou Qiyu seemed to think of something, “Is it true that she...”

“Don’t overthink it,” Nie Zehai denied. “I’m just offering you some advice since you’re an acquaintance of mine. Of course, if you don’t want to...”
