

Chapter 785

There are no permanent friends and no permanent enemies.

Lin Lin was puzzled, "Now our company is clearly functioning very well. Is there any other company that wants to pull us into the water?"

Yin Luo raised his head and looked at Lin Lin's longing eyes. After all, Lin Lin was his assistant, and there was nothing to say to her. However, after seeing the faces of Yun Xiaoyin and Lu Shuchen clearly, Yin Luo didn't want to believe too much in one person, he was too lazy to explain it, and there was no need to explain it to her. Since it's just an assistant, she will do what she says.

You just do as I tell you, so hurry up. Yin Luo looked serious, not at all as if he was a bit stupid and a little silly when he was with Yi Yan before, and he looked like a sunny girl. Now she looks like a female white-collar worker in a company, she is still very strict and seemingly unkind.

After working for a long time, Yin Luo stretched out and looked at the time it was almost noon. At this moment, Ouyang Feifei called.

Ouyang Feifei is Yin Luo's college classmate, her roommate, and her best girlfriend, so the relationship between the two is self-evident. Ouyang Feifei may be the person she believes most in this world besides grandpa.

As soon as Yin Luogang answered the phone, Feifei's excited voice came from the phone, "Luoluo, guess where I am now?"

Yin Luo was pleasantly surprised. Since Feifei asked this, it means that she may have returned to China. Yin Luo also asked excitedly, "Feifei, have you returned to China after completing the postgraduate entrance examination?"

Yeah, you guessed all of this. Ouyang Feifei quickly reported her current situation to Yin Luo, "I just got on the plane, and I am in a place. I will drive to your company to find you later. It just so happens that the two of us can How about having lunch together?"

Yin Luo despised Feifei, she guessed right what it meant, she asked so obviously, anyone can guess it right, it seems that she was not by her side these years, she still has the same IQ in life as before. If it is negative, the IQ will soar up in the test.

It would be great if you could come to me for dinner. I'll be waiting for you at the company. Yin Luo said a few words with Feifei, and he immediately relieved his fatigue and felt much better.

Then you just wait for me in the company for nothing. Ouyang Feifei joked. At this point, Feifei suddenly thought of the news she saw about Yin Luo's marriage. Although she knew that the information should be true, she still has a lot of information. I want to ask her, "I heard you are married? Why don't you tell me well?"

That... Feifei, let's talk about this after we have dinner together. Yin Luo didn't know whether to tell Feifei the facts or something else, whether she should tell Feifei that her husband's marriage was just to

save her company, or should she tell Feifei He actually lied to her a lot of things, he has been using her, the purpose is to get her company. Of course, Yin Luo would not tell Feifei that this was such a cold and dark marriage, and she didn't want her to worry about it. Feifei is the only girlfriend she can believe without reservation.

That's fine. I have been out of the country for a long time, and I don't know much about domestic affairs. Especially you, you keep telling me that you are fine and the company is very good, so I don't believe you. Then you will tell me more details. That said, bye bye first, and I'll find you later, okay. After speaking, Ouyang Feifei kissed the screen and made a sound of "wood".

She really wanted to know more about the fallen husband and see what kind of man this man was, since she could let Luoluo marry him willingly. You must know that her family is a beautiful woman who combines beauty and wisdom, or a female president of a company, how domineering! And the character is good, and the work is serious. Anyway, there are many advantages to just talk about it. She wanted to know what kind of man it was to live in and live in a big beautiful woman.

Yin Luo pays attention to the time this time, and must not forget about the meal with Feifei as soon as he works. Feifei has not come to the company for many years, and he may not find a way. When it was time for her to get off work, Ouyang Feifei still did not come to her company to find her.

Yin Luo is a little anxious, isn't she lost? This idiot probably wouldn't have thought of Baidu Maps software, but even if she gets lost, she can ask others for directions. Even if she doesn't find someone else, she can still call him and ask.

When Feifei didn't come, Yin Luo had to call her. Before the call went out, he received a call from Yi Yan. Yin Luo thought about it, but picked it up.

Are you off work? Yi Yan's low-pitched voice came from over the phone.

Yeah. Yin Luo only answered one word.

Then Yi Yan asked, "Then I will pick you up for dinner."

They usually ate together at noon. If Yi Yan didn't call, I'm afraid Yin Luo would forget about it. She wants to tell Yi Yan about Ouyang Feifei. Feifei came back just in time, and she can use Feifei as an excuse to justify rejecting Yi Yan in the future.

No, Ouyang Feifei returns to China today. She is my best girlfriend. I want to help her.

Even if Yi Yan believed in Yin Luo, he wanted to be with Yin Luo during this period of time. He always felt that something was wrong with her, so he asked, "I can go with you to help your best friend pick up the dust."

No. Of course Yin Luo refused. She wanted to avoid Yi Yan, but now how could she give up with such a good reason. "No, she would feel uncomfortable if there are people she doesn't know. "

Okay, you pay attention to safety. Since Yin Luo needs to take her back to the country for dinner, he really can't bother. And he didn't want to tie her too tightly, so he could only let her eat with her girlfriends.

Okay. Yin Luo hung up after saying hello to Yi Yan, only to find that there were several missed calls from Feifei in the phone.

Feifei is impatient, she should have been in a hurry when she didn't get through, so she wanted to call Feifei as soon as possible.

When I was about to fight, I received another call from Ouyang Feifei. Sometimes, Yin Luo and Ouyang Feifei are really predestined, and most of them have the same vision. They often buy the same clothes, the same bags, and the same cosmetics. The two lived as twin sisters, and their birthdays were the same year and the same month.

Hey, Feifei, why haven't you come here yet? Yin Luo asked anxiously. It stands to reason that after such a long time, she also found here instead.

Unexpectedly, there was a small cry from the telephone connection. Ouyang Feifei said in a crying voice, "Luoluo, I got into an accident, there was a car accident."

When Yin Luo heard those three words, he hurriedly asked concerned "What's the matter? How are you now? Where are you?"

I...I'm fine. I'm at the police station now, and I don't know how that person is, but it seems that there should be nothing wrong with me. It should be similar to my situation. But I am a little scared now. Ouyang Feifei At this time, my heart was still beating violently, it was really something that I had never experienced in my life so exciting.

Even if Ouyang Feifei is a girl like a female man, she has a very strong heart, but she is kind of crying, and she is very carefree, and she can say whatever she thinks.

Don't be afraid, don't be afraid, I'll go to the police station to find you, to understand the situation, you have to listen to the police, don't mess with others, do you know? Yin Luo comforted. I didn't expect Feifei's luck to be so bad. To such a bad thing. Fortunately, Feifei herself should be fine. As for other things, things that can be solved with money are nothing.

He drove to the police station and reported Ouyang Feifei's name, and then the police told Yin Luo what happened.

Originally, Ouyang Feifei might not have been driving for a long time, her skills were a bit rusty, and the Mr. Gu she hit did not notice. Originally, both of them were okay, so there was nothing wrong with them. But the other party drove a limited edition Lamborghini, and the car was crashed into a large area.

The car broke down, so he repaired it. Yin Luo paid the bail fee and brought Ouyang Feifei out.

Seeing Yin Luo, Ouyang Feifei excitedly hugged Yin Luo with the princess, and turned around, "Luo Luo, it's great to see you again, great!"

Hurry up and let me down, I will be fainted by you. Knowing that Ouyang Feifei is a female man, and Yin Luo is also very thin, there is no problem at all holding Yin Luo for a while. Yin Luo hurriedly begged Ouyang Feifei to let it go. In the past, Ouyang Feifei also liked to hug her like this. It is really hard to imagine what it would be like when Feifei had a boyfriend, she would hug her boyfriend like this again.

Okay, let you go, let you go. She was so happy to see Yin Luo again. At the moment the two cars hit, she thought she would have finished playing in her life, but now she can still breathe in fresh air, see the blue sky and white clouds, and see her lovely fall. It's great!

You can drag the car in the afternoon. It's around noon. Let's go to eat first. You take my car first. Yin Luo knew that Ouyang Feifei would be tired from taking a car from abroad to China on the road, and Feifei paid A bit motion sickness, I must be very hungry, so I suggest it.

Okay, listen to you, eat first, my sister is starving to death. Ouyang Feifei was really hungry, she took Yin Luo's hand and started to run.

Yin Luo stopped Ouyang Feifei, and forgot everything he thought of eating. The two of them used to like to eat together, gossip, Yin Luo helplessly said, "Do you know where my car is? You are in the opposite direction, you are still pulling me."

Ah? That's it. Ouyang Feifei smiled awkwardly, then pulled Yin Luo and ran in the opposite direction.

Yin Luo was helpless, when could Feifei's fiery temperament change? However, it was precisely because of her careless and carefree personality that Yin Luo felt very agreeable. It was easy for them to get along at the beginning, and in the end they were crazy and crazy when they played together.
