

Chapter 789

Everyone wants to know what is the reason why the president is angry. After all, it is rare for a president to be angry, although the consequences of being angry are very serious. Please search on Baidu (web)

Don't ask. Xiaotian glanced at the door of the president's office worriedly, and then shook his head. "You guys should be busy. Before the president has thought about a new assistant and has not completed the handover work, I will pay Won't leave. Hurry up and go to work, don't disturb the president."

Yi Yan only glanced at the photos, and quickly deleted the email. He was afraid that he would accidentally smash the computer if he looked at it a few more times.

No wonder Yin Luo has become weird in the past two days, ignoring him. It turned out that she had reconciled with her ex, but he has been stupidly thinking that he did something wrong to upset her, which is ridiculous.

Opening the file again, Yi Yan had no thoughts at all to read it anymore.

Anger is naturally angry, but he is not angry with Xiaotian, nor Yin Luo, nor Lu Shuchen, but himself. He was not good enough for her, that's why she let her plunge into the arms of other men.

After opening the door and going out, some of the employees who were still discussing quietly shut their mouths immediately, Yi Yan glanced at them coldly, and went downstairs.

It was the same bar and room before. Yi Yan was lying on the sofa comfortably with a bottle of beer in his hand.

Just after drinking a bottle, Yi Yan took out his cell phone and dialed Gu Yan's phone number. Gu Yan actually hung up his phone.

So Yi Yan dialed again, and the phone was connected. Yi Yan said coldly, "Bar, I'm waiting for you."

What are you going crazy? I'm still in the company's meeting. Gu Yan whispered. He just saw Yi Yan call because he hung up during the meeting. Unexpectedly, Yi Yan called a second one. He thought it was important, so he answered the phone. He didn't expect that he would just go to the bar for a drink, or at this time.

I thought that Yi Yan could give him an explanation that would satisfy him, but he didn't expect that a beep came from the phone, and he hung up.

Perceiving something wrong with Yi Yan, Gu Yan could only end the meeting in a hurry and hurried to the bar.

After going to the bar, he should have already drunk a few bottles from the bottle on the stand. Looking at Yi Yan again, he looked decadent, as if he had been hit hard. But even in this way, he is still handsome and shocking.

What can hit the president of Yi Da? Gu Yan walked in arrogantly and sat opposite Yi Yan.

How can I drink without beautiful girls? So Gu Yan asked the boss to call a few good-looking girls to accompany them to drink together.

Thinking that Yi Yan is now like this shouldn't be because of work, it's because of feelings. So calling Niu is also for Yi Yan. Where there is no fragrant grass in the end of the world, why do you have unrequited love for a flower.

After a while, four hot, revealing, sexy and enchanting beauties came to the private room.

As soon as the four beauties arrived, they all walked to Gu Yan to drink with him.

What are you all doing here? Xiaoya Xiaodie, you two go over there. The important purpose of calling beautiful women this time is for Yi Yan, so this time he specifically selected two appearances and figures, both of which are first-class. They went to Yi Yan's side. He didn't believe in Yi Yan and was not moved.

The reason why Yi Yan didn't touch women before was because he didn't taste their beauty. Now, it's time for him to get out of the hurt in his heart.

Xiaodie said hesitantly, "This...Gu Shao, you don't know, Mr. Yi never let us approach him before. Whether we are drunk or sober, we will be driven out of the bar when we approach in a delusion. This work is not easy for us either."

They are naturally willing to serve with Yi Yan's appearance. Even if she asks her to give money to accompany Mr. Yi to drink, she is also willing, let alone return the money. President Yi is not the one who lacks money. It's just that every time Mr. Yi comes here, he just drinks alcohol and doesn't give them a chance at all.

It's okay this time. Gu Yan smiled and looked at Yi Yan who was sitting over there. His cold expression never changed. He waved his hand and said, "You hurry up to accompany Mr. Yi and don't make him angry. I'll give you this time. guarantee."

With Gu Yan's assurance, Xiaodie and Xiaoya boldly walked to the opposite side. Finally, on such a day, they can drink with Mr. Yi, which is really fortunate for Sansheng.

With the envious eyes of the other two beauties, Xiaoya and Xiaodie sat beside Yi Yan.

Today's President Yi is really different from the previous ones. They have all sat by his side, and he didn't even refuse. Mr. Yi finally wants to accept them slowly, which makes them extremely excited.

Gu Yan was drinking wine with the two beautiful women, while persuading him, "This woman, you just can't pet, you can't let her know that you like her, otherwise you have to be lawless. Women are not like real mothers, only one, and they are not happy. Just replace it."

Yes, Mr. Yi. Xiaodie snickered looking at Yi Yan's perfect face.

You shut up. Yi Yan glanced at Xiaodie with cold eyes, and Xiaodie immediately became too scared to speak. She looked at Yi Yan aggrievedly, and then at Gu Yan. She obviously only accepted Mr. Gu's words.

Gu Yan sighed, when will Yi Yan be gentle? When he saw him facing Yin Luo's girl, he was very tender, and it was all right, so Gu Yan had to continue to persuade.

Don't be so fierce to other girls. Women are made of water, so be careful. Gu Yan looked at Xiaoying next to him, raised her chin provocatively, and asked softly, "Did you say right? Xiaoying."

Xiaoying couldn't help laughing, and replied, "Yes, yes, you are right, I toast you."

Okay. Gu Yan drank Xiaoying's wine, then winked at Xiaoya over there, and ordered, "Hurry up and feed Mr. Yi for a drink."

Yes, yes. Xiaoya reacted and quickly poured a glass of wine. Just now Yi Yan only said three words and was scared that they both dared not do anything, especially Xiaodie, who dared not speak any more.

Xiaoya picked up the wine glass, hesitantly handed it to Yi Yan's mouth, and said in a whining voice, "Come on, Mr. Yi, have a drink."

Yi Yan only glanced at the wine glass and wanted to refuse. But thinking about the photos he just saw, it's not that he can't do without Yin Luo. She can hug other men, and he can naturally drink with other women. Besides, he is a man, and it's okay for a man to find a few women like Gu Yan.

After darkening his resolution, Yi Yan bowed his head and drank a drop of the wine in Xiaoya's glass.

Seeing this scene, Xiaoya couldn't believe her eyes, and Mr. Yi was actually willing to feed her wine. Could it be said that Mr. Yi always likes girls who are better-behaved?

Seeing Yi Yan finished drinking, Gu Yan also felt surprised. He just wanted to try it casually. As for the guarantee to Xiaoya and Xiaodie, he was not at all sure. From this it can be seen that Yi Yan can still be trained, and after his mastery, Yi Yan will definitely become a master of love, and will never be trapped by love again.

What kind of love, love, how can there be freshness in changing women every day, it is true.

Xiaoya, you continue to accompany Mr. Yi, and you will be well. Don't double the money, it's not a problem to double the money. Gu Yan promised, he really wanted to see how far Xiaoya could go.

Yes, Mr. Gu. Xiaoya happily closed her mouth from ear to ear. She is probably the first woman to be able to feed Mr. Yi, she is proud to think about it, and she will be able to blow it out in the future.

Seeing Xiaoya win President Yi's favor, Xiaodie was not far behind and became bold.

Mr. Yi... Xiaodie looked at Yi Yan with pitiful eyes, her voice was sweet, and no man should be able to control it. Xiaodie hopes that Mr. Yi can push her down in the next second...

But Yi Yan is Yi Yan in the end, he didn't react at all after hearing Xiaodie's words.

Xiaoya looked triumphant as Yi Yan ignored Xiaodie.

It seems that she may be really special in Mr. Yi's heart. That would be great. She can accompany him and be his lover in the future. Prosperity and wealth must be indispensable, and a man like Yi Yan, even if he is a woman, is particularly eager to conquer.

Thinking of Xiaoya and happily pouring a glass of wine carefully.

A beautiful woman who delivered wine came to the private room. She was stopped by Yi Yan as soon as she wanted to leave after delivering the wine.

At this time, Xiaoya had already handed the drink to Yi Yan's mouth, and Yi Yan stared at the woman who delivered the wine without drinking the wine she poured, so she could only put down the wine glass in embarrassment.

This gentleman doesn't know what's the matter with me? The woman has big eyes, clear and transparent.

Unexpectedly, Yi Yan said, "Stay with me."

This time drinking in the bar, Yi Yan was about to rearrange Gu Yan's Three Views. This time Yi Yan took the initiative to ask a woman to accompany him. It was a rare spectacle.

The woman lowered her head, her long eyelashes trembling slightly, she hesitated and said, "Sir, I'm afraid it won't work. I will bring drinks to other private rooms later."

Gu Yan became impatient, Yi Yan finally took a fancy to one, but couldn't let her run away.

If you ask you to stay, you can stay. If you have anything to let your manager tell me.

After a while, the woman nodded slightly, "Well then, I will stay."

Seeing that the woman agreed to stay, Gu Yan hurriedly called Xiaodie, "Xiaodie, come and sit down, why are you so ignorant?"

Xiaodie was naturally angry. It was obvious that she and Xiaoya were both sitting next to Mr. Yi, so why would she just let her leave? She also said that she didn't wink. But there was no alternative, and Mr. Gu had to listen to his instructions. Xiaodie could only go to Gu Yan's side reluctantly.

However, Mr. Gu is good to take care of her, she just waited to see Xiaoya make a mistake with that woman, and then she was scolded by Yi Yan with blood.

Watching Xiaodie leave, the woman sat in the place where Xiaodie originally belonged.

Gu Yan carefully looked at the woman who had just arrived. She did look different from other women, especially her big eyes, pure and transparent, and she always had a familiar feeling when she looked at it. But what exactly it was, Gu Yan couldn't think of it for a while.
