

## Chapter 801

At this moment, Tomson Villa.

Elaine was lying on the deck chair on the second-floor all-glass balcony, watching her phone close from ear to ear.

More than 300 people have liked her, breaking her record since installing WeChat.

As for the comments, I can't count them one after a while, or even return them.

Elaine finally felt it today, what is called attention.

People in the entire circle of friends are looking at hers, and they don't hesitate to praise her in the comment area, and she is relaxed and happy.

At this time, Elaine's sisters who played better, sent a message from everyone in the group: "Oh, Sister Elaine moved to the Tomson first-class mansion today, and she has to entertain her for dinner!"

"That's it!" Many people echoed: "Sister Elaine, you are moving to a big house that sells for more than 100 million. It's such a big happy event, it's impossible not to invite us to dinner!"

After a while, all the people in the group came out and lined up for Elaine to invite him to dinner.

Elaine looked at their compliments while feeling depressed in her heart.

Invite to a meal? How can I have money?

Don't think that I live in a mansion worth more than 100 million, but I really can't even get a thousand.

At this time, someone said: "Sister Elaine is worthy, why should you invite a Shangri-La to talk about it!"

An elder sister in the group said: "If Sister Elaine is going to have dinner today, I will take everyone to a high-end spa in the evening. It feels great!"

"Then I invite everyone to sing at Golden Emperor KTV tonight!"

"After singing the song, how about I invite everyone to squeeze their feet and enjoy a foot massage?"

"You are all arranged so densely, then I will invite a late night bar!"

Everyone had arranged the evening activities, so the eldest sister who took the lead said, "Sister Elaine, you are saying something, everyone is waiting for you!"

When Elaine saw that everyone had arranged so well, she also wanted to go out and play with the sisters in her heart.

After all, she was too depressed during this period, and really wanted to take the opportunity to relax.

However, everyone asked her to treat them to dinner, and couldn't afford to pay for it!

Thinking of this, she can only find excuses and say: "Oh, sisters, I'm so sorry. I just moved, there are still a lot of places to clean up in the house, so I may not get time!"

“Oh!” Someone said: “Sister Elaine, you have moved in, so you will slowly clean up! Today is the day of housewarming. If you miss it, there will be no such good sign!”

Elaine was also very excited.

But, money is a big problem!

Jacob has already returned all the remaining money to Charlie, so she can only go to Charlie and ask for the tens of thousands back!

So she said to her friend: “Wait for me, I will confirm the time with my family, and I will reply to you later.”

The eldest sister said: “It’s half past one in the afternoon. Give us a quasi-trust before three o’clock, so we can arrange time!”

“Okay.” Elaine hurriedly agreed, and then quickly got up and wanted to find Charlie.

At this time, Charlie was cooking in the kitchen downstairs.

## **Chapter 802**

Since they just moved to a new house, it took a long time to clean up, so today he had dinner later than usual.

But Charlie’s treatment was good. Two beauties, Claire and Elsa, surrounded him and helped him in the kitchen, so cooking became a kind of enjoyment.

After preparing the meal and serving it out, Elaine also walked down from the elevator at this time.

She was going to ask Charlie for money, but when she saw people preparing to eat in the kitchen, she suddenly hesitated.

She wasn’t embarrassed to talk to Charlie, the key, husband and daughter were here, so she felt it inappropriate to speak immediately.

At this moment, she heard the doorbell ringing outside, so she said in surprise: “Why someone came to visit just after moving in?”

After speaking, she turned and walked out of the gate and went through the yard to open it.

As soon as the door opened, she suddenly discovered that Mrs. Willson was standing at the door with Noah, Harold and Wendy.

Elaine didn’t know that Willson’s family had been sealed up. When she saw the Old Mrs. Willson and a group of people, standing at the door like people fleeing with large bags, she frowned and asked, “Why are you here again?”

Seeing Elaine opened the door, Mrs. Willson ignored her, and walked in blankly.

Elaine hurriedly stood in front of her and said, “What are you doing? Break into the house? Believe it or not, I called the police to catch you!”

The Old Mrs. Willson squeezed Elaine away, and while walking inside, she said dissatisfied: "I can't come to see my son? Now I can't even enter your house?"

Elaine was anxious, and grabbed her, and said, "Why don't you understand the good words? You are not welcome here, have you heard? Don't run to our house if you have anything to do in the future, go quickly!"

Old Mrs. Willson broke free from her and walked in. As soon as she entered the living room, she smelled the scent of the food and she shrugged her nose.

It smells so good...

It's more fragrant than the duck stand boiled cabbage for lunch!

Before the meal was finished at the crucial noon, the people from the court came to the door, and after crying and crying for a long time, the Lady Willson was hungry and pressed her back.

At this moment, when She smelled the scent, her stomach gurgled.

When Elaine heard this voice, she sneered immediately, and said, "It turns out that you are coming to our house to beg for food... I think you were so arrogant at the beginning. Every meal was cold and hot. Why are you hungry now? Be like this ghost?"

When the Old Mrs. Willson heard Elaine's words, her face flushed suddenly, and she wanted to go back directly, but when she thought that she was still planning to live in Tomson and want to live a good life, she could only bear her for a while. "My daughter-in-law, mom is really hungry. You can let mom eat first, right?"

Elaine sneered and said, "Stop dreaming, I'll give you ten seconds to get out by yourself, or let the police come and take you away!"

Seeing that the Old Mrs. Willson couldn't make sense with her, she shouted in a loud voice: "Jacob! Do you have the heart to watch your mother starve to death?"

Jacob walked out with a sad look and said, "Mom, 1.21 million was just given to you yesterday, what else can I do?"

Mrs. Willson immediately sat on the ground and cried loudly: "My son, don't you know that the bank has sealed our villa, and your brother and I have nowhere to stay now!"

After that, she looked at Jacob, crying and pleading: "Good son, you can't see your mother starve to death or freeze to death, right?"

Jacob was a little surprised at once, and blurted out: "What's the matter? How could the villa be sealed?"

"It's not because of the debts owed by the Willson Group!" The Old Mrs. Willson wiped her eyes and said, "Good son, you can't save yourself, your villa is so big, you prepare two rooms for your mother. I sleep in the same room with Wendy, and let your brother sleep in the same room with Harold."

Elaine suddenly became anxious, and blurted out: “Lady Willson, why are you so shameless? We have already said that our house does not welcome you, and licked our face to stay, are you not ashamed?”

The Old Mrs. Willson ignored her, looked at Jacob, and pleaded: “Jacob, you are the head of the family, can you speak for your mother?”

After finishing speaking, she cried: “Please, I’m kneeling down for you!”

### **Chapter 803**

Seeing the Lady Willson about to kneel, Jacob panicked and hurriedly reached out to support her.

But the Lady Willson was determined to kneel down. She was paralyzed and fell straight down. She thought about kneeling first and then said, to see if Jacob is really hard-hearted. It’s useless for the Lady Willson to kneel for him?

Jacob thought the same as Elaine.

Although he was at odds with Elaine and even planned to separate from her immediately, he and Elaine agreed on the matter of the Lady Willson, that is, in any case, the Lady Willson should not be allowed to live in!

So, Jacob held the Lady Willson in his arms, and said coldly: “Mom, don’t come to me to play any tricks. No matter what you say, I can’t let you live in this villa!”

The Old Mrs. Willson blamed sadly: “Jacob, do you still have a conscience? You were born during my pregnancy in October. You moved into such a big villa, and you don’t even let me live?!”

Jacob nodded and resolutely said: “Mom, you will die of your heart. In any case, I will not agree with you to live here!”

“Have you heard?” Elaine pinched her waist and said, “If you still know that you want a face, just leave, don’t wait for me to call the police and drag you out, then your old face won’t look good!”

Old Mrs. Willson’s face was immediately pulled down, and she snorted coldly, and said, “Jacob is my son! My son! He has the obligation to support me. I have no place to live now. He must accept and support me! Starting today, I just live here and go nowhere! If you don’t let me live, I will go to the court to sue you. If you move me, I will call the police and say that you abused the elders, and you will be arrested at that time!”

Elaine pointed at the Old Mrs. Willson and cursed: “You’re an Old Master, you’re starting to play tricks, right? I don’t believe anyone dares to catch me! If you don’t get out today, I will kill you!”

After speaking, Elaine opened her teeth and danced her claws, and hit the Old Mrs. Willson’s face.

Noah hurriedly blocked her and said, “What are you going to do? Do you beat the Old Lady I tell you, my phone can record images!”

Harold and Wendy also rushed up quickly, surrounded the Lady Willson, and arguably said, “It is reasonable and legal for you to support grandma!”

Jacob was dumbfounded.

He also doesn't know how the law generally deals with such problems, but it sounds like if it really gets into the judicial organs, it seems that he is really unreasonable.

Elaine also panicked. If this really makes them succeed here, how will the good life be? !

They just moved in today, and didn't even get a good night's sleep in this villa. Old Mrs. Willson, a nuisance, was about to get entangled in it. Wouldn't it be annoying? !

When the couple didn't know what to do, Charlie suddenly said: "It is indeed his duty of father-in-law to support his mother, but this villa belongs to me, and I have no obligation to support you!"

Jacob breathed a sigh of relief and hurriedly said, "Have you heard? The villa belongs to my son-in-law, not mine. I can't be Master here!"

Old Mrs. Willson gritted her teeth and looked at Charlie, coldly snorted: "You have been eating and drinking for so many years in my Willson family, shouldn't you support me?"

Charlie smiled indifferently: "I am not legally obligated to support you, so I'm sorry, please go back."

Old Mrs. Willson spoofed and said, "Then I don't care, if you marry my granddaughter, you have to support me! I will live in this villa today. No one can get me out. I will die here! "

Charlie frowned and said, "You are trespassing into the homes and provoking troubles. If you don't leave, I will call the police to arrest you!"

The Old Mrs. Willson sneered: "Catch me? I came to my son's house and my granddaughter's house. Why should the police catch me?! Even if you bring the Jade Emperor over, I'm not afraid!"

## **Chapter 804**

Charlie nodded, since you don't want to face, don't blame me for being rude.

So, he said lightly: "Lady Willson, since you don't have a place to live, how about I arrange a place for you to live? It includes food and housing, without spending a penny."

"Don't come to this set with me!" Old Mrs. Willson said disdainfully, "Do you want me to live in the old house where the four of you used to live? I tell you, there is no door! I won't live in such a shabby place, I'll live in you Tomson Villa today!"

Charlie sneered: "You think too much, the old house is also bought with money, how can it be for you to live in vain."

After speaking, he immediately took out his mobile phone and sent Issac a WeChat.

"The Willson family came to Tomson to make trouble. Say hello and get these people into the detention center for half a month."

Issac quickly returned the message: "Understand young master, I will make arrangements."

At this time, Elaine was really upset with Mrs. Willson, and she just wanted to push her and drive her out. Mrs. Willson was too anxious, so she took out her mobile phone and called the police directly,

blurting out: “Comrade police, come soon. Help me, my daughter-in-law doesn’t support me, and she has to beat me out and let me die out!”

The police said very responsibly: “Where is the address? Let’s send someone there!”

The Lady Willson blurted out: “It’s in the Tomson Villa area a05!”

“Okay, please wait a moment, our police officers will be there soon!”

Charlie just finished sending WeChat. Seeing that she called the police, he smiled and said, “Since the police have been called, then everyone will wait for the police to decide.”

Elaine was anxious about it. She was very afraid that the police would come and forced Jacob to support the elderly.

So she hurriedly said to Charlie: “What police are you waiting for, throw them all out, or else the police will come in a while, and the old things will be here, wouldn’t it be more troublesome!”

Old Mrs. Willson coldly snorted and said, “What’s the matter? Are you afraid? If you obediently clean up a room and give it to me, so that I can live here safely, I will tell the police officer well, otherwise, I have to take you all to station!”

Noah hurriedly said to the side: “Mom, ask them to prepare two rooms! I have to live with Harold! Can’t I say I am Jacob’s eldest brother, he also has a maintenance obligation to me! Otherwise, I will tell the police that they fight and break my heart!”

After finishing speaking, Noah looked at Charlie again and snorted coldly: “Tell you Charlie, I have coronary heart disease, and I can die here anytime and anywhere. If I die here, you have to be responsible to the end!”

Charlie smiled slightly and said, “Then wait until the police arrives.”

Soon, there was a knock on the door.

Noah was overjoyed and hurriedly told Harold: “Harold, go open the door!”

Harold quickly went out and opened the door.

At this time, a team of police officers walked in from outside the door.

The Old Mrs. Willson hurriedly cried and shouted: “Comrade police, you have give the old woman a shot. My son is not willing to support me. My daughter-in-law and grandson-in-law beat me!”

## **Chapter 805**

Elaine hurriedly said: “Comrade police, don’t listen to this Lady Willson’s nonsense. My husband was kicked out of the house by her and severed the relationship between mother and child!”

The police officer looked at Elaine, then looked down at Mrs. Willson, and asked, “Is what she said is true?”

“It’s not true!” The Old Mrs. Willson said hurriedly, “I was just talking for a while!”

“An angry word?” Jacob was also angry, and blurted out: “You have long stopped letting us live in the Willson family villa. You also kicked out my daughter and me from the Willson family group, and detained me and Elaine in the Willson family. The group’s pension, cut off the mother-child relationship with me, and now you’re in a downfall, just tell me it’s a moment of anger?!”

The police officer frowned and asked, “Whose the owner of the villa?”

Charlie said: “It’s me.”

The police officer nodded and asked, “What is your relationship with this Lady Willson on the ground?”

“It doesn’t matter.” Charlie said: “She is my wife’s grandmother.”

The police officer said to the Lady Willson: “You have come to the wrong place. You can consult with your son and daughter about maintenance, but you can’t break into your grandson-in-law’s house and make trouble. You are already suspected of breaking into the house and provoking trouble.”

“What?!” The Old Mrs. Willson scolded angrily: “Your head is crowded? My son’s house, can’t I come?”

The police officer said patiently, “The key is not your son’s house, understand?”

“I understand your uncle!” Mrs. Willson scolded angrily: “I don’t care about this, they must take me in today, otherwise, I won’t leave!”

Noah also concealed himself and blurted out: “I am Jacob’s eldest brother, I have no place to live now, and he also has maintenance obligations to me. If they don’t take us in, we will not leave!”

“That’s right, we are not going!” Harold and Wendy also sat on the ground, lying here.

Elaine’s face was extremely ugly, and said: “Your family of four is too shameless, right? All you have is to rely on house?!”

Old Mrs. Willson gritted her teeth and said, “Anyway, if you don’t let me live, I’ll just sit here, sit here without eating or drinking! I’m going to die at your door! I’ll haunt you when I become a ghost!”

Elaine was stunned.

Charlie was also shocked.

Isn’t this the way the mother-in-law used to scold the streets in the previous neighborhood?

The Lady Willson and Elaine, really are born to be the same.

The police officer looked at these four people, waved to the subordinates beside him, and ordered: “Come on, take these people back.”

“OK, Sir!”

The other police officers quickly controlled Mrs. Willson and handcuffed them quickly.

Old Mrs. Willson was confused by this scene and said angrily: “Policeman, did you catch me wrong? They abandoned me and what did you catch me for?”

The police officer glanced at her and said: "You have been suspected of provoking troubles. In accordance with the law and order, you will be detained for 15 days!"

Old Mrs. Willson struggled quickly, and said, "Why are you indifferent? You are turning black and white and wronging good people!"

The police officer frowned and said: "If you don't abandon your support, you can file a lawsuit in the court, and the court will judge it, but you can't go to someone else's house to make trouble. This is already illegal!"

After that, the police officer warned: "The four of you had better be honest. If you yell or even resist, you will be deemed to be obstructing official duties, and you may be sentenced at that time!"

The Old Mrs. Willson was desperate and blurted out: "Why! Why! Why are you arresting me? I'm just an Lady Willson who has no place to live. Even if you are pitiful and pity me, you can't take me away!"

The police officer said coldly: "No matter how poor you are, you must obey the law! Take them all away!"

## **Chapter 806**

Harold was escorted out by two police officers. He turned his head to look at Charlie, and said angrily: "Charlie, is it because your Rubbish framed us!"

Charlie smiled and said, "Guess what?"

Noah cursed loudly: "If you have the Wade, you will definitely get retribution! Sooner or later you will be slashed a thousand times!"

The leading police officer scolded, "Shut up."

Afterwards, a group of police officers escorted all the four members of the Willson family into a police car and drove them to the police station.

Elaine watched the police car drive away, dancing with excitement, cheering repeatedly: "Great, this dead old woman finally got retribution!"

Jacob sighed, and said to her: "Keep a little bit of morals, don't let her live or let her die, but she will be my mother after all."

Elaine curled her lips: "Whoever you love, just don't live in my house!"

Claire, who had not spoken all the time, sighed and said, "Grandma is also very poor now, or let her live in our old house."

"Lend it to her?" Elaine sneered: "I'm pooh! Even if I buy four pigs and put them in, I will never let them live in! You forgot how she treated us?!"

Claire sighed and said, "It's my grandmother after all, so I can't bear it more or less."

Elaine waved her hand: "You don't have to overflow with sympathy. This old thing has long been owed by Noah and his family! This time, just let them go to the detention center to suffer!"

Speaking of this, Elaine said with regret: "It's a pity that I can't go to the detention center to see the desolate state of Old Mrs. Willson in the cell. Otherwise, I will take a video and watch it twenty times a day!"

Claire shook her head helplessly, and said, "Whether it's okay to let grandma get some education, it's best to let her change her son."

Speaking of this, Claire said to Elaine again: "Mom, if nothing happens in the afternoon, I will go to the company."

Elsa on the side also said: "I happen to have to go back to the company to do something, or should we be together?"

"Okay." Claire said: "Then I'll give it to you."

Claire and Elsa cleaned up quickly and left in a hurry.

Charlie sent the two to the yard and watched Claire drive away.

At this time, Charlie received a WeChat message from Issac, which read: "Mr. Wade all four members of the Willson family have been detained for 15 days due to provocation and trespassing. They have been sent to the detention center."

"Good." Charlie replied: "It's done well."

Issac asked again: "Mr. Wade is fifteen days a bit shorter? Would you like me to do it and keep them off for a year or a half?"

"No." Charlie replied: "They have been shut down for a year or a half. Instead, they have a place to eat and sleep. It's better to let them out and let them come out and feel the feeling of being on the street."

"OK, young master."

Charlie put away the phone and saw Elaine throw all the luggage of the Willson family into the Rubbish can outside.

The four members of the Willson family have arrived home in misery.

When they came out of the detention center, they would definitely not even have a change of clothes.

While sighing, Elaine walked back after losing the luggage, and went straight to Charlie, and said: "Charlie, did your dad put all the money left over from buying furniture back into your card?"

Charlie nodded: "Yes, what's the matter?"

Elaine said angrily: "Give it to me, I want to use it!"

## **Chapter 807**

Elaine felt that as long as she talked to Charlie, Charlie would definitely not dare to disobey her.

As long as he puts the money into her card, she can invite her good sisters to eat together. After the meal, the sisters arrange a show. This is the life of the upper class.

Charlie immediately shook his head when he heard that she wanted money, "Mom, I can't give you this money."

Elaine frowned, and blurted out: "Why?"

Charlie said indifferently: "Now dad is in charge of the money at home. If you use money, you have to make dad nod."

"What are you talking about?!" Elaine said coldly: "I can't speak well now, am I?"

Charlie nodded and said, "For money issues, dad must nod."

Elaine said annoyedly: "You don't take Jacob out to press me, I tell you, I am your mother, if I ask you for money, you have to give it to me!"

Charlie smiled and said, "I can give it. As long as Dad nods, it's okay to give it to you."

"You..." Elaine was so angry that she pointed at Charlie and asked, "Do you have to go against me?"

Charlie asked in return: "Mom, dad will take care of the money in the future. You said this by yourself, not me. Am I not also implementing your decision?"

Elaine gritted her teeth and said: "Don't talk so much nonsense, quickly give me the money, have you heard?"

Charlie stretched out his hand and said apologetically, "Sorry mom, if Dad doesn't nod the money, even if you kill me, I won't give it."

After speaking, Charlie didn't bother to talk to her anymore, and walked back to the villa.

Looking at Charlie's back, Elaine was so angry that her lungs were about to explode!

She wanted to find Jacob and ask Jacob to say hello to Charlie, but after another thought, she gave up the idea because she knew that Jacob would definitely not agree.

This old guy is better than Charlie now. Not only does he refuse to listen to her words and follow her, he even asks her to get on the board, and he wants to separate with her. At this time, she is asking him instead of taking it for herself. Shame?

Elaine was so angry and bored in her heart, she didn't know what to do for a while.

In the WeChat group, the old sisters are still waiting for her reply. She is embarrassed, and she is not willing to give up all entertainment plans like this.

At this time, Charlie was cleaning up in the kitchen, and Jacob was enjoying tea and reading the newspaper on the set of Classical sofa left by his father.

At this moment, Elaine's mind suddenly flashed a light.

Charlie, this guy, usually cheats and deceives those rich people under the guise of Feng Shui, and he can fool them to two million at a time. Does the ghost know if he has other private money?

Maybe the last time he watched Feng Shui, he actually made three million?

When she thought of this, she immediately remembered Charlie's purchase of two BMWs.

At that time, even the money to buy two BMWs was the private money that Charlie saved!

Two cars, nearly a million!

In other words, Charlie does have the habit of hiding private money, and he has a lot of private money!

If she can find his bank card and try his password again, wouldn't she be able to get all his private money?

Don't ask this guy to have a million, even if there is one hundred thousand, it is enough to spend some time with her sisters!

Thinking of this, Elaine's face immediately showed an inevitable smile, and immediately decided to steal!

### **Chapter 808**

So, she went to the second floor non-stop, trying to open the rooms of Charlie and Claire.

When she opened, she found that the door was not locked, and she was immediately happy!

When she entered, she began to dump the cabinets.

However, Charlie and Claire just moved here today, and they have not been carefully placed in the cabinet, and there is nothing valuable.

Elaine searched for a long time, but couldn't find Charlie's wallet and bank card. When she was upset, she suddenly saw Charlie's coat hanging in the closet, so she hurried forward, rummaged in his pocket, and found out one. Black gold bank card.

The bank card was written in English. Elaine was a student b@stard when she was in college. After so many years, English is all gone.

So, after watching for a long time, she only saw that this card was from Citibank, but she didn't understand what the card came from.

However, looking carefully at this card, the workmanship is exquisite, and it seems to be extraordinary.

She was overjoyed, and immediately took the black gold card into her arms, thinking to herself, Charlie, Charlie, if you don't give the old woman money, won't the old woman take it by herself?

Also, if you kid behave better just now, I may still leave you a few hundreds in the card.

But your attitude toward me was so bad just now, and you used Jacob to suppress me, then you really offended the wrong person!

Just wait for me, as long as I try out your password, if I can leave you a penny in your bank card, change my name!

Thinking of this, Elaine, with excitement, quietly left the villa and rushed to the nearest Citibank.

.....

Charlie, who was tidying up in the kitchen, had no idea that Elaine would steal his bank card.

As soon as he cleaned the bowls, the phone rang suddenly.

He picked up his mobile phone and saw that the contact showed the words "Aunt Lena", and he was immediately happy.

When Charlie was eight years old, both his parents died. If it weren't for Aunt Lena from the orphanage, he would have starved to death on the street.

Therefore, Charlie has always been grateful to Aunt Lena and never dared to forget this kind of grace.

That's why Charlie was cheeky looking for the Lady Willson to borrow money at the birthday banquet of the Old Mrs. Willson, and give Aunt Lena a kidney transplant.

Later, Stephen appeared and Aunt Lena was also transferred to Fairview in Eastcliff for the best treatment.

During this period of time, Charlie only knew that her surgery was going well, and Stephen had also arranged the best recovery treatment for her, but Charlie himself had not actively contacted Aunt Lena. This was mainly because she didn't want to disturb her. I hope she Concentrate on raising your body in Eastcliff.

Pressing the answer button, Charlie hurriedly said: "Aunt Lena!"

Aunt Lena's kind voice came over the phone: "It's me, your Aunt Lena, how are you doing recently?"

Charlie said excitedly: "I'm pretty good Aunt Lena, how is your health?"

Aunt Lena smiled and said: "I am recovering very well now, and the rejection reaction is not very strong. The doctor said that I will almost meet the discharge standards and will be able to return to Aurous Hill in a few days."

Charlie was overjoyed: "That's great. When Auntie, you come back, I will pick you up."

Aunt Lena hurriedly said: "Charlie, don't spend money. If the nurse accidentally said that you missed the mouth just now, I didn't know that you paid the millions of treatment fees before and after the operation, and the aunt didn't know. How can I thank you..."

With that, Aunt Lena on the other end of the phone couldn't help sobbing.

Charlie felt sour and hurriedly said, "Aunt Lena, don't cry, this is what I should do. You forgot that when I was eight years old, I wandered on the street for three days and three nights, hungry and skinny. It was not you who brought me back to the orphanage? I might have died on the street long ago..."

## **Chapter 809**

Aunt Lena on the other end of the phone sighed: "It was aunt's duty to save you at the beginning, but you did not have this obligation to help aunt with so much medical expenses. What's more, what was your life in Willson's family? Aunt knew well. ...."

After speaking, Aunt Lena said again: "Charlie, don't worry, Auntie will find a way to return this money to you."

Charlie was moved when he heard this, Aunt Lena really thought about him everywhere, treating him as a son.

So he said seriously: "Aunt Lena, you don't have to worry about money, and you don't have to think about paying me back."

Aunt Lena quickly said, "How can this work? You spent so much money on your aunt's behalf. Auntie must find a way to pay you back!"

Charlie refused again: "I always remember your kindness to me. No matter how much money is spent on treating your illness, it should be done. If you raise money again, you will treat me as an outsider. , I will never see you again!"

Aunt Lena felt very moved when she heard this, but she was also very clear that no matter what Charlie said, she must find a way to return the money to him.

But she can only change her mouth and say: "You are sensible now, and the Aunt Lena listens to you."

With that, Aunt Lena asked again: "By the way, Charlie, how are you and Claire?"

She remembered that the relationship between Charlie and Claire had always been delicate, so she was very concerned about it.

Although she knew that Charlie was only married for some special reasons, and it seemed that his relationship with Claire was not very stable, but she always felt that this pair of young people was indeed a good match.

Therefore, she wholeheartedly hoped that Charlie and Claire could truly have love, and then give birth to a fat boy and grow old together.

Charlie heard Aunt Lena's question and hurriedly said with a smile: "Aunt Lena, Claire and I are in a stable relationship now. When you come back, I will bring Claire to pick you up."

Aunt Lena breathed a sigh of relief and smiled: "Oh, then you have to hurry up and let Claire become pregnant. You two are not too young anymore. It's time to have a baby. Listening to Auntie's advice, the young couple has a baby. After that, the relationship will be more stable!"

Charlie sighed, he hasn't gotten into Claire's bed until now. It's a little bit early to want children now, right?

But he can't say this to Aunt Lena, so he smiled and said: "I know Aunt Lena, don't worry, we will consider it carefully."

Aunt Lena smiled and said, "That's good, that's good! Auntie won't tell you anymore. The nurse urged me to hang up and said that I can't talk too much."

Charlie hurriedly said, "You must tell me when you return to Aurous Hill!"

"Ok, rest assured! Goodbye!"

After speaking, he hung up.

.....

At the same time, Elaine rushed to the nearby Citibank.

She took the black gold card and went directly to the bank's ATM.

She felt that Charlie wouldn't have too much money in the card, and she didn't have to toss at the counter, just operate it directly at the ATM and transfer the money to her card.

So, she inserted the black gold card, and the interface immediately popped up: "Hello, honorable Citibank VIP member, it is a great honor to serve you, please enter your black gold card password."

Elaine curled her lips: "What kind of sh!t, you are still a supreme VIP member, pretending to be forced. When the Lady Willson had two million in her card, she was also a wealth management VIP customer at ICBC!"

With that, she was going to try the password of this card.

Because of the experience of successfully trying out the password of Jacob's mobile phone, Elaine felt that this time was also determined to win.

She thought about it carefully, and thought to herself: Charlie, this Rubbish, is really affectionate to her daughter, maybe the bank card password is her daughter's birthday.

So she directly entered Claire's birthday.

Then, the screen prompts directly: "Hello, distinguished VIP member of Citibank, the password you entered is wrong, you can try 2 more times today."

"wrong password?"

Elaine was stunned for a moment, and then yelled: "Oh, Charlie, you say you love my daughter all day long, but the bank card password is not my daughter's birthday! Look at Jacob's dead ghost, the phone password can be set to two The birthday of an old lover from more than ten years ago!"

Thinking of this, she frowned again and thought to herself, could it be their wedding anniversary?

## **Chapter 810**

After that, she immediately entered the wedding anniversary of Charlie and Claire.

The prompt on the screen: "Hello, distinguished VIP member of Citibank, the password you entered is wrong, you can try again today."

"d\*mn!" Elaine cursed and muttered to herself: "Isn't it right? It's just a chance..."

When her heart was extremely anxious, she suddenly thought, could the password be Charlie's own birthday?

She couldn't wait to try it, but she suddenly realized that she didn't know when Charlie's birthday was.

So she had to pick up the phone and call her daughter Claire.

As soon as the phone was connected, she hurriedly asked: "Claire, when is Charlie's birthday?"

Claire asked curiously: "Mom, why are you asking this?"

Claire knew that her mother had never looked down upon Charlie, so she didn't quite understand why she asked her for Charlie's birthday.

Elaine hurriedly said: "Oh, I don't think that Charlie has made a lot of hard work to get a villa for our family, so I want to find a chance to reward him, give him a birthday gift or something."

Claire said: "Charlie's birthday is the second month of the second lunar month."

Elaine frowned and said, "February 2? The dragon raised his head?"

Claire said, "Yes, it was the day the dragon raised his head."

Elaine hurriedly asked, "What day is the solar calendar?"

"March 13th."

"Okay, I see."

After Elaine finished speaking, she hung up the phone impatiently, and then she began to fall into thought.

She knows in which year Charlie was born, but now she is not sure whether to use 0202 in the lunar calendar or 0313 in the solar calendar.

Now there is another chance to try the password. If she make a mistake, she may just swallow the card.

Therefore, she must do a multiple choice question.

After thinking about it, Elaine feels that Charlie's birthday on the lunar calendar is February and the second dragon's head is raised. This is a more meaningful day, and it is also the dragon's head festival in the lunar calendar. In contrast, the solar birthday on March 13 looks somewhat different Unremarkable.

Therefore, she felt that if Charlie used his birthday as the password, he probably also used the lunar calendar.

So she confided her heart and directly entered Charlie's birthday on the lunar calendar into the password area.

Immediately afterwards, a prompt that excited her popped up on the screen: "Hello, distinguished VIP member of Citibank, your password has been verified successfully, please select a specific service."

Elaine didn't expect that she had made a mistake, and she was really wrong, and she was overjoyed.

She immediately clicked the option to check the balance, wanting to see how much money Charlie had in his bank card.

After a while, the screen immediately showed a large number of numbers that were so long that Elaine was dizzy.

“Yeah, she can’t think that Charlie’s waste money is really a lot. Let me count how many times I can make faces.”

Elaine murmured subconsciously, and then carefully counted, the soul was completely scared.

“One, ten, one hundred, one thousand, ten thousand, one hundred thousand, one million, ten million!!!”

“Billion!!!”

“Billions!!!”

“Ten billion!!!”

Elaine slammed her heart tightly, and did not faint when holding on, and exclaimed in a flustered mouth: “What the h\*ll is this, this waste card has 211.9 billion?!?!”
