

The One and The Only Chapter 81 - 90

Song Pingting saw her, her eyes were a bit complicated, but she still calmly said,

“Tong Lulu,
what a coincidence!”

Tong Lulu didn't need to say hello to Yash Nics Song Pingting, she just pulled away.

Sitting

down in a chair, she said: “Yes, what a coincidence, who is this gentleman?”

Song Pingting introduced: “It's my husband, Yash Nics.”

Tong Lulu's eyes rolled around, and she inquired intentionally or unintentionally. Oh, I don't

know what industry Mr. Yash is in?”

Yash Nics told the truth: “I don't have a job now!”

Tong Lulu immediately showed a disdainful expression: “Tathagata, no wonder you eat

cheap fast food here.”

Yash Nics Smile, noncommittal.

Song Pingting was slightly displeased, and said lightly, “Tong Lulu, didn't you come to eat?”

Tong Lulu exaggeratedly exclaimed, “Eating, you said to eat in such a rotten ghost place, my

God, I never eat this. Meals for migrant workers.”

Tong Lulu's words not only made Yash Nics and Song Pingting frown, but even the customers around who were eating were all looking strangely.

Song Pingting

said: “Why don't you come here if you don't eat?” Tong Lulu triumphantly said: “My boyfriend is going to invest in this area to do a big business. He is here to investigate, and I

will accompany him to stroll around. I am on weekdays. They all eat in Michelin restaurants.

I don't eat this cheap fast food.”

Yash Nics stood up and said, “Xiaoting, I'm full. Wait for me and I'll drive over.”

Song Pingting nodded “Okay!”

Looking at Yash Nics's back, Tong Lulu said to Song Pingting intentionally or unconsciously:

“Tsk, Song Pingting, you used to be the school flower of our school, how can you get this way?”

“Although I listened. Saying that you gave birth to a child out of wedlock and you were

expelled from the house, but you don't have to do it like that. Just find a vagrant and leave

it?

As soon as she finished speaking, suddenly a middle-aged man wearing an Armani suit came over. The middle-aged man stared at Song Pingting with bright eyes, and asked, "Lulu, is this beauty your friend?" Tong Lulu Seeing the middle-aged man, he leaned in affectionately and said diligently, "He Wei, let me introduce to you. This is my college classmate Song Pingting. Pingting, this is my boyfriend, He Wei. " Song Pingting nodded slightly, and said politely: "Mr. He has a successful career, Lulu has found a good home." He Wei squinted his eyes around Song Pingting, and said pretentiously: "Nothing, my career has just started." Tong Lulu said quickly after hearing the words: "Oh, He Wei, you are very good. You used to be the boss of Tianzi Company. He has accumulated countless management experience and millions of fortunes. Recently, he plans to come out. I went it alone and bought a Mercedes Benz worth more than 300,000 yuan. This is already a successful person!" When Tong Lulu said this, she turned to Song Pingting and said, "Pingting, don't you think?" Song Pingting nodded. " Right !" Tong Lulu deliberately showed off in front of Song Pingting, hoping to see the expression of envy and envy from Song Pingting's face.

But to her disappointment, Song Pingting didn't even have the slightest envy or jealousy. She immediately changed the conversation and said: "By the way, Ping Ting, your husband said to drive, why hasn't he come?" "What kind of car is he driving ? Isn't it a van? Haha, I guess it is. You can only eat meals for migrant workers, how can you afford to drive a good car..." Before she could finish her words, a BMW M760Li xDrive worth nearly three million stopped at the door of the restaurant! Then she was shocked to see that Yash Nics got out of the car. The One and The Only Chapter 82 Her mouth opened wide, her face full of disbelief. Yash Nics turned out to be a BMW with more than three million dollars, ten times more expensive than her boyfriend's Mercedes-Benz!

Yash Nics came over and smiled politely: "Miss Tong, what did you talk to my wife? It seems to be a very happy chat?"
Tong Lulu and her boyfriend He Wei, her face flushed instantly, she waved her hands again and again: " Nothing, nothing..."
After she finished speaking, she hurriedly pulled her boyfriend with her face full of embarrassment, and ran away dingly.
...The Song family mansion, the living room.
The old man Song Qingsong, the brothers Song Zhongxiong, Song Zhongping, and a group of relatives of the Song family were surrounded by a distinguished guest.

This distinguished guest is about 27 years old, wearing a tailored suit and a pair of exquisite gold glasses on the bridge of his nose, revealing a distinctive aristocratic atmosphere. He is the third youngest from the Luo family in the provincial capital, Luo Yuefeng. The Song family still has a bit of status in Mannity, but if it is in the south, or in the entire China, it can only be regarded as an influential family. And the Luo family is a wealthy provincial capital, and its status is several grades higher than that of the Song family.
Song Qingsong looked at Luo Yuefeng with a smile at this moment, and said kindly: "Sao Feng, why are you so free to come to Mannity?"
Luo Yuefeng said with a smile: "Mannity is a good city and has great development potential. I am going to come here. the development of "
Song Qingsong eyes wide open, surprised, said: ". the sea is good, but compared with the days of sea provincial capital, still better than not the " "
Luo extraordinary position in the provincial capital, has a variety of resources , Why should Feng Shao give up close and seek further ?" Luo Yuefeng said lightly: "I don't want to rely on my family. I plan to go out alone and show my dad some results."
Song Qingsong smiled and said: "So, Feng Shao is the Raptors crossing the river, I am afraid it will set off a bloody storm in the business of China Shipping!" Luo Yuefeng said with restraint: "Grandpa Song is too acclaimed, I am here with an attitude of learning and practicing. In addition, I chose to

come here because there are people in this city that I can't forget.”
Song Qingsong and others were all interested, and they asked who would make Feng Shao worry about them?
Luo Yuefeng smiled and said: “Back then, I was studying at China Overseas University and I was an alumna with you Miss Song Song. Song Pingting was an alumna. I have been

studying abroad in Yuanyang over the years, but I never forget her. By the way, Pingting, why didn't I see her? ”

Song Qingsong's family opened their eyes wide when they heard Luo Yuefeng's words.

Unexpectedly, the person Feng Shao never forgets was Song Pingting!

Song Qingsong was both excited and embarrassed.

Excited, Feng Shao actually liked Song Pingting.

Embarrassingly, Song Pingting's family has been expelled from the family by them.

At this moment, Song Zhongxiong took the lead in answering: “Shao Feng, you don't know

anything, Ping Ting insists on marrying a useless person, and she even cuts off the relationship with our family.”

Song Zhongping also said regretfully: “Yes, she Now I'm with Yash Nics, and I still have an

oil bottle. She is no longer worthy of being a

leader .” Song Qingsong's family is full of regrets. If Song Pingting is not with Yash Nics,

then they How nice it is to marry Song Pingting to Luo Yuefeng.

Being able to become in-laws with the provincial giant Luo family is a good thing that many

people can't hope for.

Song Qingsong and others all told Luo Yuefeng euphemistically that he and Song Pingting

were not suitable, and the two had no chance.

But what everyone didn't expect was that Luo Yuefeng said: “I heard about Pingting's

experience over the years. She was defiled by a drunk and gave birth to a child out of wedlock.”

“She was planning to raise her child by herself, but she didn't expect it to be drunk.

Han

Chenning unexpectedly came to the door.”

“Ping Ting is kind-hearted. For the sake of her children, she wronged herself and stayed with

Yash Nics, a waste person.” When

Luo Yuefeng said this, his eyes became a bit sharp: "I don't mind Ping Ting's past, I will take

Yash Nics this

If you drive away the waste, I will give Ping Ting happiness, and I hope Ping Ting can reconcile with Grandpa Song and your family."

The One and The Only Chapter 83

Song Qingsong's family heard Luo Yuefeng's words, they all showed excitement and excitement.

Song Qingsong took Luo Yuefeng's hand and said excitedly: "Well, good, less front, if you

can drive away Yash Nics's scumbag, our family is willing to accept the Pingting family again."

"And I promised to marry her to you. So, our Song family and your Luo family will become relatives."

Song Zhongxiong said worriedly: "Yash Nics's bastard has no other skills, but he has coaxed

his second brother's family around. I'm afraid that Ping Ting would not agree to talk to Yash

Nics. ! that wreck separate it, "

Luo Yuefeng his eyes, faint:." you worry uncle, off Yash Nics, Painting capture the hearts and

minds, it is to me to run the "

Song gang could not stop smiling, They said yes.

Luo Yuefeng chatted with Song Qingsong's family for a while, and then he took his men and

drove away from Song's family.

Coming out of the Song's house, the capable man in charge of driving, the ghost hand,

couldn't help but say to Luo Yuefeng, "San Young Master, is this Song

Pingting's ruined branches and willows worthy of you?" Luo Yuefeng helped the gold glasses on the bridge of his nose. He squinted his eyes and said, "Naturally, I won't really

marry her, but she recently won a key project in Mannity City. This project is very profitable.

If I take her, this project will become mine." Guishou's

eyes widened: "So Feng, you are planning to borrow

chickens to lay eggs!" Luo Yuefeng's mouth raised slightly: "I will go out to do it alone, so

naturally it will take the shortest time to make some achievements for my dad, Song Pingting It will be a good pedal for me."

"When I take over her company and projects, will I not get married in the future?

Isn't it a

matter of me?"

“Besides, she looks good and plays with this kind of young woman. Not bad too.”
Guishou smiled ambiguously: “The subordinate congratulates Feng Shao Ren and Cai for a good harvest in advance!”

...

Ningda Company, downstairs.
Nine thousand nine hundred and ninety-nine vivid roses are spread on the ground into a huge love shape.
In front of the rose love pattern, there is also a Maserati roadster with a value of more than two million parked.
In front of the Maserati sports car, stood a handsome man in a white suit. This man has a pair of gold glasses on the bridge of his nose, which is quite aristocratic.
He also held a bunch of roses in his hand, and was waiting at the gate of Ningda Company with a smile.
The passers-by on the street all stopped and watched, and the young audience members whispered: “Oh my God, it seems like a rich man, ready to confess his love, it’s so romantic!”
“It must be the rich man, that Maserati, you have to It’s more than two million!”

“What’s even more rare is that he is not only young and rich, but also very romantic. He has prepared 9999 roses, which is really very deliberate.”

This man in a white suit is naturally Luo Yuefeng. .
At this moment, he was waiting for Song Pingting to leave the company, and it was time for Ningda Company to leave work.
He was going to use a romantic scene to directly take down Song Pingting. Soon, Song Pingting, who was wearing a full skirt, came out of the company. Her hair was rolled up high, two strands of hair hung down on both cheeks, like a goddess.
Song Pingting saw roses spread all over the floor in the shape of love, Maserati, and a man in a white suit holding flowers.
She was a little stunned, thinking it was another couple who confessed here, and quickly stepped aside, trying to avoid it.
But he didn’t expect that the man in the white suit would come towards her with a rose in his hand.

She also recognized the other party and was a little surprised: “Luo Yuefeng.”

The One and The Only Chapter 84

“Ping Ting, it’s me!”

Luo Yuefeng came to Song Ping Ting and said affectionately: “I just came back from studying abroad. I have been abroad for the past few years and I have never forgotten you. I

came to you as soon as I returned to China.”

“Ping Ting, I like you, be my girlfriend!”

Song Pingting was stunned. When she was in university, Luo Yuefeng was the president of

the student council and she was a member of the student council.

Other than that, they have no intersection.

Why did Luo Yuefeng say that he didn’t forget about her now, and he still confessed to her?

She just wanted to refuse in a hurry, ready to tell the other party that she didn’t like him and

that she had a husband and children.

But she hadn’t spoken yet, suddenly there was the roar of the supercar engine.

Everyone at the scene, subconsciously, looked in the direction where the supercar engine

sound came from.

Then everyone opened their mouths in shock, showing an expression of disbelief.

A super sports car worth more than 30 million yuan, Pagani Zonda, appeared in the eyes of

everyone.

The Maserati at the scene instantly became a younger brother in front of Pagani’s Son of

the Wind.

What made everyone more stunned was that Pagani Zonda didn’t slow down at all, just

whizzed past.

He ran over Luo Yuefeng’s roses all over the floor, and then stopped by Song Pingting and

Luo Yuefeng’s brakes.

Luo Yuefeng’s eyes widened in anger!

When the car window fell, Song Pingting was shocked to find that the person driving this

Pagani Zonda super sports car turned out to be Yash Nics.

Yash Nics frowned and looked at Luo Yuefeng, then said to Song Pingting, “Wife, get in the

car and go home.”

“Oh, good!”

Song Pingting got in the car, Yash Nics drove the supercar, and took Song Pingting away in

the enviable eyes of countless spectators at the scene.

Luo Yuefeng didn't come back to his senses until Yash Nics's super running disappeared.
He looked at the messy roses on the ground and the strange gazes of passersby around him, his face suddenly turned into a pig liver color, and his eyes were full of hatred. Song Pingting was sitting in the passenger seat of the supercar, and it took him a long time to recover from the shock.
She turned her head to look at Yash Nics, and asked suspiciously: "Why did this sports car come from?"
Yash Nics said calmly, "There is only one car in the house. My parents just drove out to buy groceries, so I picked them up from school by the way. I didn't have a car. To pick you up, I asked my friend to send me a car for temporary transportation. I didn't expect that he would prepare this car for me."
It turned out that Song Zhongbin and Ma Xiaoli drove out to buy vegetables and pick up the children from school.
Yash Nics told Dianchu to send a car to let him travel.
After Dian Chu knew that Yash Nics was going to pick up his wife by car, he immediately sent the Pagani Son of the Wind to Yash Nics.
When Yash Nics saw this car, she was also depressed, and felt that the car Dian Chu had prepared was too high-profile.
However, considering that Song Pingting got off work immediately, he didn't ask Dian Chu to change to another car, so he drove over in this supercar.
Unexpectedly, it happened that a rich man was confessing to Song Pingting, so Yash Nics naturally ran over the roses confessed by the rich man without hesitation, and picked up Song Pingting.

After listening to Yash Nics's explanation, Song Pingting mistakenly thought that Dong Tianbao had lent the car to Yash Nics, and she was completely puzzled.
She peeked at Yash Nics and whispered: "Don't you ask me?"
Yash Nics said flatly: "What?" Song Pingting said helplessly, "It's about the situation just now."
Yash Nics smiled. Said: "I believe in you, and no one can take you away from me."
Song Pingting was a little bit ashamed and a little bit ashamed by Yash Nics's words.
Is this

guy too confident and overbearing?

However, she explained to Yash Nics her relationship with Luo Yuefeng and that she would

not like Luo Yuefeng.

With a faint smile at the corner of Yash Nics's mouth, she looked at Song Pingting narrowly,

teasing: "Xiaoting, are you in love with me in your heart, so you rush to explain the situation

to me, afraid I might misunderstand?"

Song Pingting Hearing Yash Nics's words, his pretty face flushed instantly, and he said in

embarrassment: "Who likes you, less stinky!"

The One and The Only Chapter 85

Yash Nics and Song Pingting went home happily, and Luo Yuefeng's face was very ugly at

this time.

He thought he had an extraordinary background, young and golden, romantic and romantic,

he could easily win Song Pingting's.

Unexpectedly, he carefully prepared a confession downstairs in Song Pingting's company.

Yash Nics, who appeared while driving Pagani, directly slapped his face, making him a street

joke.

His face was pale at the moment, and he ordered his men next to him: "Agui, you show me

what Yash Nics's identity is, why can he afford a 30 million super sports car?" The ghost hand said respectfully, "Shao Feng. , I checked it the first time."

Luo Yuefeng frowned: "What is the result? " Guishou

smiled: "There are not many Pagani Zonda supercars in China. After my query, this car It's

not that the grade is under the personal name, but the grade is under the name of a company in the north, and it belongs to the company's car."

Luo Yuefeng was puzzled: "Then why Yash Nics would drive this car?" The

ghost hand said: "There is only one reasonable explanation, and that is that Yash Nics

rented it through certain car rental channels and spent money."

"Nowadays, not many people who can't buy a luxury car like to rent a luxury car and install it

in front of relatives and friends. Can you force it?"

"Anyway, even if it is a supercar, the rent for a day is not very expensive. Ordinary people can

still afford it." When

Luo Yuefeng heard this, the doubts and anger on his face disappeared, turning into a sneer:

“Haha , I said that I checked Yash Nics’s details before. It’s just an idle man who has just retired. How could he be able to drive such an expensive supercar? It turned out to be rented.”

Guishou said cautiously along with him: “But Feng Feng Little, this Miss Song seems a little cold!”

Luo Yuefeng said with a sneer: “ No matter how strong the rouge horse is, it can also be conquered. And the stronger the horse, the more fulfilled it will be after conquering.”

Guishou : “What is Feng Shao going to do next?” Luo Yuefeng helped the gold glasses on the bridge of his nose and said with a sneer: “It is a bit difficult to conquer Song Pingting. It seems that I have to think a little bit.”

He said After that, I took out my mobile phone, found a contact number in the Mannity

alumni address book, and dialed the other party’s number.

The person who answered the phone was Tong Lulu.

When Tong Lulu received Luo Yuefeng’s call, she was flattered and her voice trembled with

excitement: “Ah, Feng Shao, it’s really you! I was so surprised that you called me!”

Luo Yuefeng didn’t talk nonsense with Tong Lulu, and said directly. He wants to hold an

alumni gathering in Mannity and let Tong Lulu be responsible for contacting and organizing alumni.

As for all expenses, he is responsible.

Tong Lulu smiled flatly and said: “Don’t worry, Feng Shao, I will do it well.”

Luo Yuefeng said, “I remember when you were in college, you and Song Pingting were in the

same dormitory. I miss her a lot. Also invited to participate in the alumni meeting.”

Tong Lulu: “Good!” The

two chatted for a few words, and then hung up the phone.

He Wei, Tong Lulu’s boyfriend, said sourly: “Which man is calling you, you may be so excited.”

Tong Lulu laughed and said, “It’s the third young master of the Luo family, but you don’t need

to be jealous. I contacted the alumni to hold an alumni party. And I felt that he was tinkering

with the alumni association as if it was for Song Pingting.”

He Wei remembered Yash Nics and Song Pingting. They were shocked by the luxury BMW

car that Yash Nics drove yesterday at the farmhouse restaurant. To. But after they got home, they inquired about Song Pingting's current situation. Finally, I learned that Song Pingting had established Ningda Company, and also took over key engineering projects in the city, with a boundless future.

As for Yash Nics, he is just a casual man who eats soft rice. It is estimated that Song Pingting also belonged to the luxury BMW car yesterday. He Wei heard that Feng Shao's target was Song Pingting, he was relieved, and said with a smile: "Then we must get together the two of them. If this happens, Master Luo will definitely be grateful to us. Then he Feel free to support us, we are all useful." Tong Lulu smiled: "That's not it!"

The One and The Only Chapter 86

evening, Yash Nics and Song Pingting were playing games with their daughter Song Qingqing. Suddenly Song Pingting received a call from Tong Lulu. Tong Lulu said: "Ping Ting, you started a company. You all become bosses and you have won key projects in the city. You eat fast food and pretend to be poor. Are you too tricky for my old classmate?" Song Pingting smiled bitterly: "Lulu, you misunderstood, my small company has just started, and the road is still far away." "Moreover, our company is burdened with large and large debts. I really don't pretend to be poor, and I'm not tricking you. Meaning." Tong Lulu said with a smile: "Well, I just made a joke with you." "By the way, tomorrow night at the Imperial Hotel, our alumni of Mannity will have a party. Many classmates will come, and you must come too. Oh!" Song Pingting was stunned when she heard the words. She was not accustomed to attending such class reunions and alumni associations, so she subconsciously wanted to refuse: "I don't know if I have time..."

Tong Lulu immediately said: "The evening party, again It's not a daytime party, how could there be no time. Unless you are rich in Pingting and look down on our poor classmates." Song Pingting said quickly, "How is it possible!" Tong Lulu smiled: "That's it, remember. Tomorrow night at nine o'clock in the Imperial Hotel, don't be late."

After speaking, Tong Lulu hung up the phone, not giving Song Pingting a chance to refuse.

Yash Nics next to Song Pingting smiled bitterly, and asked: "What's wrong?"

Song Pingting said helplessly, "It was Tong Lulu yesterday. It means that I have to attend the alumni gathering that night, so I can't say that I can't go. Just look down on a bunch of classmates." When

she said this, her eyes lit up suddenly, staring at Yash Nics, expecting to say: "Would you like to accompany me tomorrow night?"

Yash Nics: "Your alumni gathering, is it appropriate for me to go there??"

Song Pingting Yanran said: "You are my husband, what is wrong with going together."

Yash Nics is actually not interested in this kind of entertainment, but looking at Song Pingting's sake, he still agreed: "Okay, then Tomorrow night, I will accompany you."

... The

next night, Yash Nics and Song Pingting drove a BMW M760 to the Dorsett Hotel to attend

the Mannity alumni gathering.

The huge Peony Hall is brightly lit.

There is a champagne tower and a professional band, playing relaxed and happy tunes.

Hundreds of brightly-dressed men and women were holding champagne or red wine, standing together in twos and threes and chatting quietly.

One of the most eye-catching is a handsome man wearing a white suit and a pair of gold

glasses on the bridge of his nose.

It is precisely the student council president of this group of alumni, and Luo Yuefeng, the

third young master of the Luo family in the province of Hainan today.

Tong Lulu and a group of men and women, at this time, surrounded by Luo Yuefeng like

stars arching over the moon, desperately slapped Luo Yuefeng's flattery.

"Luo Yuefeng, you are really the pride of our Mannity alumni!"

"Is Luo Yuefeng our name? We should be called Feng Shao, or Luo President!"

"Hehe, Feng Shao, I have a cousin who just returned from overseas and looks like It's very

beautiful. How about I'll give you

her WeChat account, you two know each other?" When Tong Lulu saw that an alumnus

unexpectedly wanted to introduce her cousin to Luo Yuefeng, she immediately said with a

grin, "Zhang Jun, you're not here, people are not leading But I am interested, and it is our

alumni of the year, your cousin will save the province." When everyone heard Tong Lulu's words, they all showed surprised expressions, wondering which female classmate was so lucky to win the favor of Feng Shao? Luo Yuefeng did not directly answer everyone's questions, but only smiled and asked, "Right, why haven't you seen Song Pingting?"

The One and The Only Chapter 87

Song Pingting!

Many people at the scene heard Luo Yuefeng's words, even if they were stupid, they all understood.

It turns out that Feng Shao's favorite is Song Pingting, the school flower of China Overseas University!

Just as Luo Yuefeng mentioned Song Pingting, he immediately heard someone whispering: "Say Cao Cao, Cao Cao is here, Song Pingting is here."

Luo Yuefeng, Tong Lulu, He Wei, Zhang Jun and others, looked towards the door together.

Then I saw a man and a woman walking in. The woman is wearing an evening dress, her hair is rolled up high, her white neck and sexy collarbone are exposed, and she is like a noble white swan. Not Song Pingting, the school flower of the year, who else? The man next to Song Pingting was Yash Nics. Yash Nics is like a wine, he belongs to the kind of man who feels ordinary at first glance, but the more he looks at it, the more flavorful it becomes. His charm is not superficial. Therefore, when many people see Yash Nics, their first feeling is that Yash Nics is a bit unworthy of the outstanding Song Pingting. In addition, many people at the scene already knew that Luo Yuefeng liked Song Pingting. Everyone wants to please Feng Shao. Seeing Yash Nics's eyes naturally wear tinted glasses, some people even muttered, "Damn, a flower is stuck in the cow dung." Yash Nics and Song Pingting had just arrived at the party, Luo Yuefeng When people came up, they greeted Song Pingting affectionately. Some people are happy to see Song Pingting, an old classmate. There are also many people's enthusiasm because of ulterior motives.

Song Pingting smiled and greeted everyone one by one, and at the same time explained
Yash Nics to everyone: "I forgot to introduce you, this is my husband, his name is Yash Nics."
Yash Nics also smiled and nodded slightly. Say hello.

Luo Yuefeng squinted his eyes and looked up and down Yash Nics with bad eyes. It was this kid who used a Pagani Zonda yesterday to make him embarrassed in public.
Luo Yuefeng deliberately asked, "Where is Mr. Yash taller?" Before Yash Nics could speak, Song Pingting first said, "My husband has just left the army, and he is now resting at home temporarily."
Song Pingting's voice just fell off. , Zhang Jun, who was tall and burly, said mockingly: "That's a vagrant!"
Song Pingting frowned when she heard this.
This Zhang Jun was Luo Yuefeng's attendant at school back then, and he was especially pleased with Luo Yuefeng. Many students privately said that Zhang Jun was Luo Yuefeng's dogleg.
Song Pingting retorted: "It's not unemployed, but a period of rest. My husband can work at any time."
Zhang Jun smiled and said, "That's true. I heard Pingting, you are now the boss of a company. .Your husband wants to go to work, you can arrange it directly for him."
"But I don't know, this counts as your husband's soft rice, hahaha."
Song Pingting heard the words, a flash of anger flashed in her beautiful eyes, and at the same time She was also very worried. She was afraid of Yash Nics's temper, so she pulled Zhang Jun's mouth on the spot.
However, Yash Nics was not angry, and Luo Yuefeng pretended to be a good person and said, "Zhang Jun, what you said is a bit too much."
This was originally Luo Yuefeng's deliberately provoked head. After Zhang Jun took advantage of the trend and laughed at Yash Nics. Now Luo Yuefeng is pretending to be a good person again!
The corners of Yash Nics's mouth rose slightly, and his smile was a bit intriguing.

Tong Lulu also took the opportunity to complete the scene and said: "Yes, yes, everyone is

alumni. This gathering is to connect with each other. Don't sneer at each other, come and come, just sit down and drink."

The One and The Only Chapter 88

Soon, a group of people sat down to drink. Luo Yuefeng gave Zhang Jun a wink. Zhang Jun understood, and immediately smiled and apologized to Song Pingting and said, "Song Pingting, you know I have a big mouth, and what I said just now is a bit reckless. I apologize to you."

Song Pingting sat side by side with Yash Nics, and she calmly said, "I didn't take it to heart."

Zhang Jun smiled and said, "That's good, don't blame me, in fact, I'm not worth it for you."

"You are The school flower of our Mannity University back then is still the boss of a company, so I just marry such a cripple." "I think, only our Feng Shao, such a rich and handsome man, is worthy of you."

Zhang Jun said this. The faces of the people at the scene were different. With a smile on his face, Luo Yuefeng looked at Song Pingting affectionately, and made no secret of his intention to like Song Pingting. Song Pingting was very upholding to Yash Nics in her heart. Seeing Zhang Jun repeatedly insulting Yash Nics, she suddenly couldn't sit still and had a seizure. However, Yash Nics held her hand, indicating that she didn't have to care about such a villain.

Yash Nics faintly said: "Xiaoting, you alumni gathering, I don't think it is very interesting. If there is nothing else, then our family will go home and rest early."

Luo Yuefeng saw that Yash Nics and Song Pingting were going to leave. , He was anxious in an instant. He can be said to have come prepared tonight, and he must not let Song Pingting just leave like this. If Song Pingting is allowed to go now, how can he capture Song Pingting's heart? So he hurriedly said to Song Pingting: "Pingting, don't rush away. I remember that when you were in college, you liked classical music very much and admired the famous pianist Qingqing very much."

"As far as I know, she happened to be visiting friends in Mannity recently. I have sent

someone to invite her over and play a piece for us live. Don't you want to watch your idol perform live?"

Qingqing, a famous piano master, Especially in classical music, he is very accomplished and has a good international reputation.

However, she rarely conducts commercial performances and occasionally holds international tours.

Song Pingting has been fond of music since childhood, especially classical music. She was already a fan of Qingqing when she was studying. At this time, she was moved

when she heard that the idol was coming here to perform live.

However, she finally decided to leave.

Although she wanted to listen to the idol's live performance, she was even more reluctant to

let Yash Nics stay here and be laughed at by everyone.

Yash Nics realized that Song Pingting wanted to listen to this pianist's performance, he said

lightly: "Xiaoting, since you want to listen to this pianist's performance, it doesn't matter if

we

stay longer ." Luo Yuefeng: "Yes. , I just learned that Qingqing is in Mannity City, I immediately sent someone to invite her, I guess she will be there soon."

At this time, Luo Yuefeng's follower Guishou came back from outside.

When Luo Yuefeng saw the ghost hand, he hurriedly asked: "Agui, how about it, did you

invite the pianist Qingqing here according to my instructions?"

Everyone on the scene looked at the ghost hand, these noble circles Both men and women

are proud to have the opportunity to listen to piano master Qingqing's live performance, and

they are all looking forward to it at this time. Guishou

said with shame, "I'm sorry, I'm so sorry, I'm not able to invite Miss Qingqing."

Luo Yuefeng was shocked and angry: "What did you say, didn't I say that I will give you all

the appearance fees, and how much do you have? Didn't explain my identity to her?"

The

dignified provincial capital, the third young master of the Luo family, asked Qingqing to play

a song with a lot of money, but was rejected?

Luo Yuefeng felt that he could not afford to lose this person!

The One and The Only Chapter 89

Guishou lowered his head and whispered, "It's not a matter of money. I also said that Feng

Shao's identity, but Ms. Qingqing is performing now, so she can't come over." Luo Yuefeng was unhappy. He said: "Who the hell is such a cow? I, Luo Yuefeng, want Qingqing to come over and play. How dare they not let anyone go?" Guishou whispered, "Feng Shao, it's a meal led by the city's gang. Qingqing wants to give it to the city's veteran. Playing the piano, so..." Luo Yuefeng was immediately embarrassed when he heard this. Although he was the third young master of the Luo family in the provincial capital, he really didn't have the qualifications compared to Mannity's City Master. I want Qingqing to leave the leaders of the city respected and come here to play, but he doesn't have that ability.

He felt embarrassed and a little lost, and said angrily: "It turned out to be playing for the city lord and other leaders, no wonder. Then I can only invite her again next time, what a pity." Many people at the scene felt very sorry. I thought I had the opportunity to listen to the piano master's performance, but I didn't expect my wish to come to nothing. The lost person also included Song Pingting. She knew that Qingqing had been abroad for a long time. This time she was unable to listen to Qingqing's live performance, and it would be difficult to listen to it in the future. Yash Nics saw Song Pingting's loss, and he smiled suddenly and said, "Xiaoting, you really want to listen to the pianist's live performance. Okay, I'll call her to come over and play it for you. When they heard Yash Nics's words, Luo Yuefeng, Guishou, Tong Lulu, He Wei, and Zhang Jun were all startled, and then they all sneered. Even Feng Shao can't invite you, Yash Nics, an unemployed vagrant, why should you call Qingqing away in front of the leaders of the city's gang? Luo Yuefeng and the others sneered, and Zhang Jun directly sneered: "Hehe, don't piss and take pictures of your own birds. Even our young master Feng can't invite Qingqing here, you guys who eat soft food, dare Are you bragging here?" Zhang Jun spoke harshly to Yash Nics before. Yash Nics treated him as a clown and didn't

care about him.

But Zhang Jun now had to push his nose to face, Yash Nics's face sank, and he said indifferently: "If I can really invite Qingqing, how will you stay?"

Zhang Jun saw Yash Nics who was a soft meal. Speaking to him in this tone, he suddenly sneered.

In front of everyone, Zhang Jun directly bends over, picks up the ashtray on the tabletop, pours all the ash butts in the ashtray into a glass of red wine, and then spits into the wine in disgust.

Zhang Jun pointed to the disgusting thing and provocatively said to Yash Nics: "If you can

invite Qingqing, I will drink this glass and get out of here;"

"If you can't bring Qingqing, please If you come, then you can drink this glass of things and get out of here, dare you to bet?"

Yash Nics said coldly: "You are insulting yourself, you can drink this glass of things."

Everyone on the scene, Looking at Yash Nics and Zhang Jun with interest, and the disgusting glass of drinks on the table, no one can drink this thing!

Those who lose are destined to be ashamed to be thrown to grandma's house tonight!

Everyone held the mentality that watching the excitement is not too big, and even many

people gloated at Yash Nics, feeling that Yash Nics was defeated.

After all, Ms. Qingqing is playing for a group of leaders waiting for Shizun.

Few Fengs with extraordinary status, spending a lot of money, were unable to invite Ms.

Qingqing.

How could Yash Nics, an unemployed vagrant, invite Miss Qingqing to come!

Luo Yuefeng gave Zhang Jun a look of approval and praised Zhang Jun for his beautiful work.

Song Pingting was anxious, she wanted to persuade Yash Nics not to be aggressive. If you

lose, you won't be able to look up after that.

Yash Nics calmed her with a smile and said: "Don't worry, I said that if Qingqing comes to

play for you, she must come."

The One and The Only Chapter 90

Luo Yuefeng sneered with Zhang Jun and others. Zhang Jun sneered: "You can keep playing. I will give you one hour. If within one hour, Qingqing's pianist will not be able to

appear. Here, even if you lose.”

Yash Nics said calmly: “Why don’t it take an hour, I only need to make a phone call, and she will rush in.”

Luo Yuefeng and others laughed again, laughing that Yash Nics brags that there is no need to pay taxes.

Even Song Pingting was anxious, thinking Yash Nics was too casual to boast.

Now the pianist Qingqing is playing for a group of leaders of Shizun. How could it be possible that because of a phone call from Yash Nics, he left the group of leaders and rushed over?

Even if it was the original intention of the pianist Qingqing, the leaders of the city respected

others would not agree!

Ning but believe the phone out to Code Chu called and simply say the sentence: “Let the

pianist Miss Frances, ten minutes to the Imperial Hotel, my wife played a.”

Having , Yash Nics hung up the phone.

Luo Yuefeng, Zhang Jun and others laughed and laughed again.

Zhang Jun grinned and said sarcastically: “Hey, this guy is pretty good at pretending to be true.”

“Why should Ms. Qingqing come in ten minutes? He doesn’t know that the traffic is the

busiest now. Ms. Qingqing really wants to come. I don’t

know if it’s half an hour’s drive. I guess she won’t be there?” Luo Yuefeng sneered, “Since

people pretend to be forced regardless of the consequences, let him pretend to be for two

minutes, but don’t wait until they lose Just rely on the account.”

Zhang Jun waited fiercely and stared at Yash Nics and said: “If he dares to repay the account if he loses, I will directly pour this cup of things into him.”

Everyone is waiting to see Yash Nics’s joke, Song Ping Ting was also too anxious.

As time passed by, the eyes were almost ten minutes away.

Zhang Jun squinted his eyes and said to Yash Nics, “Hehe, ten minutes will be enough right

away, Yash Nics, where is Miss Qingqing you said?” As

soon as the voice fell, a loud and sudden noise came from outside.

It seems to be the sound of a tractor, but it seems to be coming from the air.

Everyone was amazed and came to the window one after another, and then they were

shocked to see that in the night, a helicopter flew up suddenly.

Someone exclaimed: “The helicopter is like a helicopter belonging to the city’s Zun Mansion.

How could it appear here?”

Soon, everyone saw the helicopter, slowly descending from the sky, landing in front of the Emgrand Hotel. On that tarmac. Then, two bodyguards in suits, guarding an elegant and noble beauty, hurried down from the helicopter. The sharp-eyed people saw that this noble beauty was the internationally renowned pianist, Miss Qingqing, and immediately exclaimed: "It's her, the piano master Qingqing. Oh my God, she really came." Swish! Hundreds of people on the scene cast their eyes on Yash Nics by chance. The look in Yash Nics's eyes was full of shock. Yash Nics turned out to be a real phone call, and Miss Qingqing left the leader of the City Lord and rushed in on a helicopter in the city. Oh my god, how did he do it? His ability is too strong!

Even Luo Yuefeng looked at Yash Nics with wide-eyed eyes, wishing to stick his eyes out to see if the scene in front of him was true? Song Pingting's worries about her pretty face disappeared, and she was replaced by a deep surprise. She looked at Yash Nics incredulously, and asked in surprise: "Yash Nics, Miss Qingqing is really here." Yash Nics smiled and said, "I said, if you want to listen to her, I will call her. , Play it for you." In a word, Song Pingting smiled like a flower, her beautiful eyes were full of touch and tenderness.
