

Chapter 811

especially!

Grandpa Bai knew that if he watched it by himself, but Grandmaster Lin was not Lin Fan, then he was afraid that he would not be able to get out of the gym at all.

This is disrespect to Master Lin!

Even if Grandmaster Lin didn't punish him, the rest of the Blood Buddha and others would definitely not be able to spare him.

Da da da!

Listening to Lin Fan's approaching footsteps, the body of Old Lady Bai bowed lower and lower.

Dense sweat flowed continuously from his forehead.

This feeling was like a terrifying beast that would pass by him, making him tremble with horror.

Until Lin Fan walked past Mrs. Bai's side.

call!

He just breathed a long sigh of relief.

When he raised his head, what he still saw was Lin Fan's back.

"Will you... be Lin Fan?"

A trace of complexity and horror appeared in the eyes of Grandpa Bai.

...

And at the same time!

Everyone in the gymnasium didn't know that when Lin Fan left from the exit, there was also a dark shadow, from above the second floor of the gymnasium, he hurriedly left from the other side of the exit.

This is also an old man.

If Zhang Yichen were here, he would definitely recognize this person as the steward of his cousin Zhang Lei-Uncle Li!

"Damn! The King of the Blood Prison! How could he be the King of the Blood Prison!"

Uncle Li's face was full of panic and disbelief at this moment.

For this trip to the Blood Buddha, he naturally wanted to follow it quietly.

Just before he wasn't sure whether Lin Fan could be beheaded, he kept an eye on him. He didn't carelessly went to the stands to watch the battle, but chose to watch the battle in this secret way.

Originally, when he saw the blood wolf sweep Leng Aotian and others, he was full of confidence, thinking that as long as Lin Fan appeared, he would definitely die.

But things that made him unbelievable happened one after another.

First, the blood wolf was defeated by Lin Fan with one move.

Immediately afterwards, the Blood Buddha Tu was firmly suppressed by Lin Fan.

But what made Uncle Li even more shocked was Lin Fan's true identity.

"Blood Servant! King of the Blood Prison!"

Puffs of sweat dripped down from Uncle Li's forehead: Mobile phone:

"No, I have to report to Master now. I must not provoke the man named Lin again! Otherwise, our Zhang family will be in catastrophe!"

Li Shu was terrified.

While continuing to walk towards the exit, he took out a mobile phone from his pocket with a trembling palm.

Soon, when Uncle Li walked out of the gym, the video call was connected.

Through the video, you can clearly see that Zhang Lei, the youngest member of the Zhang family on the other end of the phone, is now in a hotel, wearing a bathrobe, holding two foreign hot girls in his arms, drinking and having fun.

He watched the video and said with a smile : “Uncle Li, why did you call me for such a long time!”

“How about? Did you get that kid’s head?”

Chapter 813

“Li...Uncle Li! Are you okay now? You leave quickly, you are from our Zhang family, and that kid dare not...”

Zhang Lei’s anxious voice was not finished yet.

He suddenly saw Uncle Li, the housekeeper in the video, his eyes widened, and then his purple mouth opened, intermittently saying:

“Young...Master, he, he is...”

Uncle Li wanted more and more. Telling something.

But he hasn’t finished speaking yet.

Pouch!

A stream of scarlet blood suddenly splattered from his neck, and the video shot was sprayed with blood.

Zhang Lei was cold all over, and he saw a blood line emerging from Uncle Li’s neck.

then!

Uncle Li’s head actually slipped slowly from the smooth neck.

Puff!

In the video picture, Yihua, a dull sound of the corpse falling, came to Zhang Lei’s ears.

“Dead...dead?”

Zhang Lei’s eyes almost fell out.

This is more than that.

He saw that the video camera rotated again, and then it looked like Uncle Li’s mobile phone was picked up by someone, and there was a beautiful face in the picture.

It is... Lin Fan!

“Name...Lin! You killed Uncle Li, how dare you kill our Zhang family! You are looking for death!” Zhang Lei’s voice was full of chills and murderous intent.

Just heard this.

The corner of Lin Fan's mouth curled up:

"This is the second time! If it weren't for Zhang Yichen, from the first time, you should die, and your Zhang family should be destroyed!"

"If there is another time, the god... won't be able to save you!"

What!

Zhang Lei heard this threatening voice, his face was instantly flushed with anger.

Threat?

He unexpectedly heard the threat to himself from the bastard's mouth again.

"Lin, you are amazing! You are awesome! But I don't believe that you alone, can you still compete with our entire Zhang family?"

Zhang Lei's words were filled with resentment.

And Lin Fan was obviously too lazy to talk nonsense with him.

He just looked at Zhang Lei faintly, as if looking at a dead person:

"Remember, there is no next time!" The words were finished!

Click!

Lin Fan squeezed the palm of his hand, and that piece of mobile phone, like a piece of tofu, actually smashed into pieces.

...The gymnasium exit.

Bai Hai and Bai Yifan, father and son, were waiting at the exit with gloomy faces at this moment.

Especially, when they think of the embarrassing appearance that they were thrown out, the anger in the hearts of the father and son keeps rolling.

“Ma! What method did this bastard use to get into the gym!” Bai Yifan’s face was gloomy.

Until now, he still couldn’t believe that Lin Fan was able to enter the stadium to watch the game.

”

Huh ! Leave him alone! When your grandpa comes out, we will know if we ask him!” “Also, Leng Aotian and Helan Mountain are both inside. Once these two great masters know about it, Lin Fan is hurting their grandchildren. The murderer of, whether this kid can come out alive is a question!”

Chapter 814

Bai Hai was equally unwilling.

And as soon as he finished speaking, he saw that the exit had been opened, and big bosses came out from inside.

“Your grandfather is out!” After seeing an old man in the crowd, Bai Hai father and son were overjoyed and hurriedly greeted him.

“Dad, did you see Lin Fan inside? This bastard didn’t know what method he used, but he got in too!” Bai Hai walked to the old man Bai’s side and asked eagerly.

Humph!

In a word, the face of the old lady Bai was scared white.

Is Lin Fan really here?

Originally, Grandpa Bai was still hesitating whether Lin Fan was Grand Master Lin, the terrifying king of the blood prison.

And now...

he was almost 70% sure.

“I saw someone like Lin Fan, but I’m not sure!” Old Grandpa Bai said with a gloomy face.

And heard this.

Bai Hai’s heart became more and more angry: “Dad! Why don’t you call Po Lin Fan’s identity, so Leng Aotian and Helan Mountain, the two great masters, will definitely skin this kid!”

Peeling?

Hearing this, the corner of the old lady's mouth twitched fiercely.

If Lin Fan is really Grand Master Lin, then Leng Aotian and Helanshan will not be scared to pee, let alone skinning him.

"Yeah, grandpa, that Lin Fan is a dog thing that caused my father and me to be thrown out by those security guards! I lost my face!" Bai Yifan said angrily:

"Wait, I must use the Bai Group , Retaliate wildly to Lin Fan!"

Revenge?

This sentence scared the face of the old lady white.

He was angry and angry, and immediately slapped Bai Yifan's face with a slap.

Snapped!

The slap of the old lady Bai contained his anger and made a heavy move.

Almost instantly, a bright red palm print appeared on Bai Yifan's cheek.

This is more than that.

Grandpa Bai was trembling with anger, and said fiercely:

"Shut up!"

"You little beast, I tell you, you are not allowed to trouble Lin Fan in the future! Otherwise, the old man will skin you first!"

What!

Bai Yifan was completely slapped by the slap.

Especially, when the father and son saw the panic and scared face of the old man, the two were completely dumbfounded.

What...what's going on?

When the old man entered the gymnasium, he still dismissed Lin Fan, and even waited for Lin Fan to be abolished by Leng Aotian and Helan Mountain, so that the Bai family could annex the new Bai family.

And this has only passed just over an hour.

Why did the old lady suddenly change his mind?

Chapter 815

“Grandpa, what’s the matter with you? Why can’t you trouble that Lin Fan?” Bai Yifan asked with astonishment covering his cheek.

He only felt the fiery pain in his cheeks, and his hatred for Lin Fan became even more intense.

Baishan on the side also felt something was wrong, and asked the old man Bai:

“Dad! Isn’t that Lin Fan, what did you do in the gym? How can you make your old man so afraid?”

Bai Hai was full of disbelief .

He knew that his old father looked down on Lin Fan, the door-to-door son-in-law.

Even every time the Bai family dealt with Lin Fan, the old lady acquiesced.

And now...

Looking at the confused elders, the corners of Bai’s mouth twitched, and he couldn’t help but sighed:

“You can’t tell, you can’t tell!”

“If Lin Fan is really like I guessed, then our Bai family will He was completely blind and offended an unimaginable big man! ”

What!

The words of the old lady Bai Hai and his sons could not believe their ears.

Unimaginable big shot?

Just rely on that Lin Fan?

This, how is this possible.

“Dad, although I don’t know what Lin Fan did in the gymnasium? But you must not be fooled by this kid! He is a trash, otherwise, how could we wait and die for three years in our Bai family? For a long time!” Bai Hai still couldn’t believe it.

The same is true for Bai Yifan.

He pointed to the electric car and said to Grandpa Bai: “Grandpa, you see, this is what Lin Fan rode when he came! Everyone is a luxury car, only this guy regards an electric car as a treasure!”

“What is something you should be afraid of about this kind of unpromising thing?”

Huh?

Hearing this, Mrs. Bai couldn’t help but look at the electric car, and she was slightly taken aback: “By the way, did you see that Lin Fan came out?” Has he come out?

Father and son Bai Hai stayed for a while, then shook their heads quickly:

“Dad! The two of us have been guarding this exit, and Lin Fan has never come out!”

“Yes! If that kid came out, we would have found out! , His electric car is still here!”

Hearing the words of the father and son Bai Hai, Mr. Bai’s brows wrinkled and tightened.

He saw with his own eyes that Grand Master Lin came out from this exit.

And Lin Fan didn’t show up, doesn’t it mean that he might... not Grand Master Lin?

Thought of this.

Grandpa Bai’s eyes lit up, just when he wanted to continue to ask questions.

Next to Bai Yifan exclaimed:

“Grandpa, look at it, this kid came out from another exit!”

Chapter 816

what!

Hearing this, Old Lady Bai hurriedly looked around, only to realize that Lin Fan had slowly walked over from another direction.

After coming to the front, he didn't seem to see the old lady and many other bigwigs.

He walked straight to the electric car and unbuckled the chain.

Then I rode on the electric bike again and left the parking lot leisurely.

"It turns out, it wasn't him!"

Hu...

After seeing this scene, the old lady Bai couldn't help but let out a long sigh of relief.

It will also completely negate the relationship between Lin Fan and Grand Master Lin.

In his eyes.

Perhaps Grandmaster Lin just imagined Lin Fan's back.

Otherwise, Lin Fan obviously should come out from this exit first.

How could he grind and chirp, until now he came out from the side exit, obviously this guy was hiding in a corner of the gymnasium, peeking at the battle.

It wasn't until everyone left that he sneaked out from the other exits.

"Huh! I'll take it back!"

Old Madam Bai narrowed his eyes, looking at the direction Lin Fan was leaving, with an icy cold look:

"You can continue to trouble this Lin Fan! It is best to provoke Grandmaster Leng and He. Grand Master, completely abolished this kid, and pave the way for our Bai family to annex the new Bai family!"

Wow!

Hearing these words, Bai Hai and his sons were immediately ecstatic, and they answered again and again. Mobile terminal:

.....

With the end of the first battle in the Jiangshi Stadium.

The result of this war almost fell through everyone's eyes.

In the eyes of Jiangshi and everyone in the south of the Yangtze River, the victor of this war is either the bloody Buddha, or Leng Aotian or Helan Mountain.

Everyone could never dream that the hero who saved Jiangnan this time would be a newcomer-Grand Master Lin!

boom!

Following the preaching of a big boss, almost everyone knows the terrifying power of Grandmaster Lin.

Blood wolf defeated Helan Mountain with one move, and Leng Aotian with ten moves.

But such a fierce man who swept the Jiangnan martial arts world was defeated by Grandmaster Lin in a single move.

And Megatron Huaxia's Bloody Buddha, in the hands of Grandmaster Lin, also did not survive ten punches!

Shocked!

All the martial arts people in Jiang City are all boiling.

It was passed on by word of mouth, praising the prestige and combat power of Master Lin in a frenzy.

All of a sudden.

Grandmaster Lin has almost become the patron saint of Jiangshi and even Jiangnan.

just!

To everyone's astonishment, those big bosses who watched the battle didn't even mention the speculation that Grandmaster Lin was the 'King of the Blood Prison'.

Regarding the relationship between Grand Master Lin and Blood Buddha, he is also very taboo.

seem!

Everyone has a clear mind and ignores this question.

This is more than that.

Grandmaster Lin's name, appearance, hometown, and identity are also a mystery that haunts all Jiangnan people.

Chapter 817

There is no answer, he is like a super mysterious existence, despite many curious people, digging hard to guess, but still unable to get the true identity of Grandmaster Lin.

However, when everyone was enthusiastic for Grandmaster Lin.

A piece of news also spread in Jiang City.

New Baishi Group will hold an opening ceremony in a week.

Only at this moment, this piece of news did not cause any waves in Jiangshi.

Almost everyone knows that Lin Fan of the New Bai Group has already offended Leng Bufan, the son of Leng Aotian, and He Jiaojiao, the granddaughter of Helan Mountain.

And the collapse of the New Bai Group has become a certainty in the eyes of almost everyone.

Everyone will naturally not care about the opening ceremony of a group that is about to destroy.

And when there was a lot of speculation about Grandmaster Lin outside.

Lin Fan's life was not affected in the slightest.

In one week, the Xinbai clan is about to open, and in these few days, it is also the busiest time for Bai Yi and Baishan father and daughter.

Bai Yi is negotiating with each supplier.

As far as Lin Fan knows, the largest supplier of New Baishi Group is provided by a material company called Tiansheng.

And now, most of the tasks Bai Yi has done are to finalize specific cooperation details and reach consensus with Tiansheng Group.

It's all this!

He has nothing to do with Lin Fan. He still buys vegetables and cooks every morning, living the life of a family cooking husband for a day.

however!

On this day, Lin Fan just finished buying vegetables from the vegetable market and wanted to go home.

He suddenly pressed the brake of the electric car, and the whole electric car stopped at the corner of the vegetable market.

“That little girl...”

Lin Fan’s eyes looked forward.

There, the vegetable market is where the vegetable waste is handled. There are pieces of vegetables that have been thrown away and almost destroyed.

And a little girl in tattered clothes is stepping on a pair of cloth shoes with holes, walking among the many vegetable wastes, and constantly picking out a little better vegetable leaves.

The little girl looks only five or six years old.

Her hair is withered and yellow, and her whole body is as thin as wood.

Especially her clothes, with patch after patch sewn on it, her thin body, carrying a huge vegetable basket on her back, containing densely packed vegetables that are about to rot.

It seems distressing to the extreme.

“It turned out to be her!”

Lin Fan knew the little girl. At the beginning, the little girl was almost knocked down by a car in the North District. Shen Yumei rescued her.

After that, the little girl accompanied Lin Fan and defeated the bully Iron-faced Gray Wolf in the North District.

Later, after Lin Fan defeated King Kong, after buying vegetables, he also met this little girl and her blind mother-in-law.

“She seems to be called Xun’er!”

Lin Fan frowned, immediately stopped the electric car, and then walked towards the garbage dump.

Chapter 818

As soon as he walked into the garbage dump, there was a pungent rotting stench.

But it is the unpleasant smell that comes out of many vegetables after they rot.

“Xun’er!”

Lin Fan couldn’t help shouting just as he walked to the little girl.

Huh!

Lin Fan suddenly saw that after hearing the shout, Xun’er’s thin and delicate body trembled fiercely.

Then, as if she had heard the voice of the master, that little head drooped in an instant.

“First... Sir, you have admitted the wrong person! I... I am not named Xun’er...”

Finished!

Xun’er looked like a frightened little rabbit. She didn’t even dare to even glance at Lin Fan. She wanted to run to the side of the garbage dump with Nuo Da’s vegetable basket on her back.

And this scene made Lin Fan frown.

He naturally heard the panic in Xun’er’s voice. Now Lin Fan hurried forward and grabbed Xun’er’s little hand. Then he said:

“Xun’er, you clearly recognized me, why are you hiding from your big brother? ”

Lin Fan remembered clearly.

Every time Xun’er calls her elder brother, that kind of intimacy and sweetness, like a little angel.

But now.

At this moment, after hearing Lin Fan’s words, Xun’er’s small body trembled fiercely again.

With her back to Lin Fan, she never dared to turn around.

Tick!

Tick!

However, Lin Fan saw that crystal tears were constantly falling from Xun'er's eye sockets, falling to the ground and shattering.

This scene gave Lin Fan a bad premonition in his heart:

"Xun'er! What's wrong with you? Turn around and let the elder brother take a look!"

Lin Fan finished speaking, and immediately turned Xun'er's small shoulder with both hands.

Suddenly!

When Xun'er's pretty face was facing Lin Fan face-to-face.

boom!

Lin Fan only felt his head stunned, and could hardly believe his eyes.

scar!

That's right!

Xun'er's original small face, which looked like an angel, was densely packed with scars this time.

These scars, bloodshot, seem to have just been crusted.

Vertically and horizontally, Xun'er's little pretty face, which was originally an angel, was fragmented.

It looks ugly.

Lin Fan could see at a glance, these scars were all stab wounds.

He simply couldn't imagine who was so cruel and disfigured a five or six-year-old girl.

“Big...Big brother! Please, don't look at Xun'er! Xun'er is ugly, Xun'er... No, I don't want to scare you!”

Xun'er was facing Lin Fan at this moment.

Her small hands hurriedly covered her ugly face with the scars of her sword, and she squatted on the ground, with puffy teardrops constantly falling from between her fingers.

“Big...Big brother! Go! Xun'er is fine, Xun'er is really fine. After the scar on Xun'er's face is healed, Xun'er will visit you again, okay?”

Chapter 819

The little girl's voice was almost begging.

After hearing Lin Fan's voice, she knew immediately that it was the elder brother who appeared in her life like a god.

However, she did not dare to recognize each other, nor did she want to recognize each other.

She owes too much to her elder brother.

She didn't want her ugly little face to scare him.

Uuuuu...

Looking at Xun'er, who was already crying on the ground, Lin Fan's heart seemed to be struck by a knife, causing his breathing to freeze.

He knew that in this short period of time, something terrible must have happened to Kaoru's body.

Thought of this.

Lin Fan couldn't help taking a deep look at Xun'er before he said:

“Okay! Big brother promises you! Since you don't want to see your big brother, then I...let's go first!”

Finished!

Lin Fan patted Xun'er on the thin shoulder, then turned and left.

Xun'er squatted on the ground, her little head drooping, and her hands pressed her cheeks.

Until she heard the sound of the electric car leaving.

Her crying stopped slowly.

She raised her head and looked at Lin Fan leaving on an electric bike. A trace of guilt appeared in Xun'er's eyes:

“Big brother! Sorry, Xun'er didn't want to see you or recognize you. It's just that the current Xun'er... is so ugly!”

“Xun'er is afraid, I scare you!”

finished.

Kaoru couldn't help wiping the tears from the scars on his face, and then once again struggling to pick up the basket full of rotten vegetable leaves, and then staggered towards the North District.

However, she didn't find it.

A figure slowly followed behind her.

It was... Lin Fan.

North District!

In the slums, here and the bustling Jiangshi city are like two worlds.

Pieces of unfinished buildings, muddy roads.

The garbage bags on the side of the road are constantly flying under the breeze, and the air exudes a suffocating smell.

And at the moment.

A thin figure, carrying a basket full of vegetable leaves, staggered along the mud road.

Tick!

Tick!

While walking, tears still couldn't stop falling from Xun'er's eyes.

If it weren't for the scars on her face and it was too ugly, she would want to recognize that elder brother, look at him, and say thank you.

That man saved his life and gave himself and his mother-in-law money and vegetables.

He is the most grateful benefactor in Xun'er's life.

Wiping the tears from her ugly little face, Xun'er strenuously carried the vegetable basket and walked towards a dilapidated courtyard.

but.

Just when Xun'er turned the corner, she suddenly saw that two cars had already been parked in front of the door of the broken yard in front.

Not only that.

An old woman who was blind was thrown out of this shabby yard.

Chapter 820

"Mother-in-law!!!"

Xun'er's complexion changed drastically after seeing the miserable scene of this blind mother-in-law who was planted in the mud.

She quickly put down the heavy vegetable basket and ran up quickly.

"Mother-in-law, are you okay? Are those bad guys here again? How can they drive you out?"

Xun'er's ugly face was full of a strong atmosphere and anxiety.

Especially, when she saw that the blind mother's forehead had been smashed to bleed, she was even more frightened and at a loss.

But at this moment.

Hoop!

From this dilapidated courtyard, five or six men and women rushed out.

They seemed to have heard Xun'er's words. A young villain headed by him suddenly became extremely angry: "Ma! You little beggar, who do you say is the villain?" The young villain stared at Xun'er, that kind of viciousness. Xun'er's small body trembled fiercely with the look in his eyes.

However, she still plucked up the courage to face the evil young man, angrily scolded:

"I...I said you are bad guys! You are the grandson of the mother-in-law, and you are both the granddaughter and nephew of the mother-in-law! Her real family, you How can you treat your mother-in-law like this! Is your conscience eaten by a dog?"

Kaoru's voice was full of anger.

That's right!

These few people in front of them are the real family members of the blind woman.

And Xun'er was just a little beggar adopted by the blind mother.

But what makes it difficult for Xun'er to accept is that the mother-in-law's family members are like bandits. Not only did they throw out such an old man, but even knocked the old man's head dripping with blood. It was a group of beasts.

"Yeah! Little beggar, what do you think you are! You are just a stray dog adopted by my grandmother!" The evil young man said with a fierce face, "It seems that Lao Tzu is still scratching lightly on your face. That's it! I let you go, but you didn't listen!"

"Okay! As I said, if you don't leave this blind old lady for a day, I will scratch your face with a scar every day!!!"

Boom!

As soon as he said this, Xun'er's delicate body trembled fiercely again.

A trace of fear appeared on her little face bag covered with scars.

And after hearing this.

The blind mother suddenly burst into tears:

"A beast! You can't do this to Xun'er! You have already disfigured this child's face. Are you still a human? You are a beast!" Mobile phone: At this moment, the blind mother, Heartbroken.

She couldn't imagine that her own grandson and her family would be so vicious to such a degree that

they would deal with a little girl like Xun'er.

Just heard this.

The wicked young man and the men and women next to him all showed a strong hideous look on their faces:

“Huh! Old lady, you asked for all this! I said, this yard was taken by the senior man, you guys. But you still don't move out! This is how you end up!”
