

## Chapter 819

Ouyang Feifei looked at Yi Yan almost dumbfounded, she had never expected this seemingly cold man to have such a gentle side. However, this aspect may only be enjoyed by her family. Yi Yan was different from Gu Yan. From his first impression, he felt that he was a good man worth relying on. And that Gu Yan looked frivolous and unreasonable. Anyway, he was a man who was not good at anything and had no merit at all. No, maybe the only advantage is that he is a rich second-generation, she really can't think of other things.

Therefore, Ouyang Feifei was relieved when Yin Luo married him. Although Luoluo said that their marriage was just a use of each other. But Ouyang Feifei could clearly see that Luo Luo's eyes were full of love when she looked at Luo Luo, and the expressions in her eyes were deceptive.

Luoluo was the same. When I mentioned him to her before, the corners of her mouth would rise unconsciously, I'm afraid she didn't even notice it. What she said to her was also his good side, and his lover had the beauty in his eyes. Although the man was quite good, it was enough to prove that she liked him. Besides, she knew enough about Yin Luo that she had never cared about others like this before.

So, don't worry about the reason for marriage between these two people who are in love. There are still a lot of love after marriage. Anyway, it is best to be together sweetly in the end.

Yin Luo thought, although he wanted to walk over, in front of so many people, wouldn't it be shameful for Yi Yan to listen to a word?

As if he could see her mind, Yi Yan changed another statement and said forcefully, "Why? I saved you in vain. How about saving your life?"

I didn't have one. Yin Luo answered immediately, "Just pass it."

So Yin Luo walked to Yi Yan's side and looked down at him under the gaze of the two light bulbs with a power of several hundred watts.

Squat down. Yi Yan demanded. She stood like that, how could he get in close contact with her?

When Yin Luo was hesitating, Yi Yan floated away again, "My life-saving grace."

Okay, Yin Luo really convinced him, but the life-saving grace was very useful, after all, he didn't hesitate to help her withstand the pain, and she should satisfy him for whatever needs he has now. Besides, if he hadn't saved her at the time, I didn't know if she could survive it. So, her life is now his.

So Yin Luo had to squat down again obediently, hoping that he wouldn't make any more strange requests.

Yin Luo, who was squatting down, was not so high. Fortunately, the bed in this ward was not too high, and she could still show her head out.

Looking at Yin Luo's current aggrieved appearance, Yi Yan couldn't help but curl his lips, and chuckled lightly.

Gu Yan was also stunned this time. It seemed that they were already used to spreading dog food, but this time seeing Yi Yan smile like this, it was too Su. His smile clearly pretends to be happiness and too much emotion. Gu Yan had never seen him smile like this, so he was surprised.

In terms of achievement alone, in Gu Yan's eyes, Yi Yan is a very remarkable man. At this time, Gu Yan was about to praise Yin Luo as a more remarkable person than Yi Yan. Even a great man can conquer, that is naturally even more remarkable.

You still laugh at me, it wasn't you who did it. Yin Luo despised Yi Yan very much at the moment, did he deliberately let her squat down to laugh at her. Sure enough, if someone is sick, there is nothing to do. Every day he thinks about some strange things and uses her as an experimental object. If he does this again, then she will be able to curse no matter what she is not saving her life. of. This is still a lesson from Feifei.

Yi Yan suffocated a smile and replied, "Okay, don't laugh. Come on business."

What's the business? Yin Luo raised his head and looked at Yi Yan seriously.

Unexpectedly, Yi Yan directly propped up his body with his arm and kissed Yin Luo's forehead lightly.

Yin Luo didn't expect that he would be so sudden, he was shocked for a while, and then suddenly stood up, farther away from Yi Yan.

What? It's all about the old wife and old wife, and you're still shy? Yi Yan curled up the corners of his lips, revealing a wicked smile.

No, you and I are not an old husband and wife. Yin Luo didn't know what was wrong, so he retorted that he was helpless.

What's that? That's right. We haven't been married for long, so it's called Newlywed Yaner? The two couples are loving, sweet and sweet? Yi Yan completely ignored the two wonderful people who watched the theater, and continued to make fun. she.

I don't want to talk to you anymore. Yin Luo returned to her original position and sat. It is true that although she is a bit more generous and candid, she is also shy.

Well, isn't it okay to just listen to you? Yi Yan compromised. Then Luoluo didn't want to pay attention to him, so he could only get a trick.

Huh? Yin Luo didn't react for a while, and listened to her.

Yi Yan explained patiently to her, "Didn't you just tell me not to be so fierce and to make a good impression on your girlfriends?"

Yeah, can you do it? Yin Luo was full of doubts about Yi Yan. If Feifei only looks at her face like other nymphomaniac girls, then Yi Yan will definitely get it done in minutes. But even though Feifei, a little nymph, is also looking at beauty, Yin Luo knows that she still prefers to be more lively, like Yi Yan who looks cold and difficult to approach. For Feifei, it's just a look, nothing more. NS.

Then, Miss Feifei, what can I do to make your impression of me better? Yi Yan asked directly.

It is estimated that the three people present did not expect Yi Yan to be so direct. Gu Yan had just poured himself a glass of water to drink, and he was choked out immediately.

Ah...I...I... Ouyang Feifei, who was named directly, replied nervously. This is more terrifying than the teacher asked a question that she didn't know during class and was named because she was named.

Then she thought for a while and said weakly, "Put me a small request. If you can promise me, I will think you are a good person."

Yin Luo listened to Feifei's answer and was speechless. Does agreeing to a request really make a person's impression of another person better? Once a person really knows what another person is like, it will be difficult to change.

However, Yi Yan agreed to her so easily, "Well, as long as it doesn't hurt the nature and the principles, it's okay."

Yin Luo looked at Yi Yan who was calm, he was really relieved. What if Feifei asks him unreasonably and excessively? It seems that Feifei, who is human, won't be like that anymore. But it is also true that Feifei has such a kind girlfriend as her, and her natural character will not be bad.

Don't worry, how can I do anything damaging? Ouyang Feifei assured him. After hesitating for a while, she said embarrassedly, "It's just that you don't know if you violate your principles."

Then you just talk about it? Yi Yan demanded.

That won't work. Ouyang Feifei didn't have the fear of Yi Yan at first, and began to bargain, "How do I know what your standard of principle is? What if I say anything you say violated the principle?"

Then let Luoluo be my guarantor, guarantee that I am not that kind of person, and she should know my principles. Yi Yan said directly, Ouyang Feifei should always believe in Luoluo.

All right. Yin Luo knew Yi Yan, she knew that he was not such a person who lied easily. So there is no pressure to be his guarantor. As for his principles, why doesn't she know what principles he has? Anyway, when the time comes, we will see the opportunity to act, how can I do it in my own favor.

Ouyang Feifei nodded and agreed with Yi Yan's statement that she believed in Yin Luo, so naturally she could believe in Yi Yan.

Then I said, cough cough. Ouyang Feifei cleared her throat, and then said quickly, "I want you to lend me a day."

Ouyang Feifei didn't know why she was so guilty, although she knew she had done nothing wrong. Oh my god, is she dying? But she really wanted to be alone with Luoluo.

Feeling the bitter gaze cast by Yi Yan, Ouyang Feifei deliberately avoided his killing gaze, and asked Yin Luo, "I didn't violate his principles, right."

This... Yin Luo doesn't know, but there are some principles, so there should be none. She looked at Yi Yan, his eyes were really pitiful, when did this big president learn to be cute? So what should she say?

Although Gu Yan had always been at odds with Ouyang Feifei, she had to admire her ideas and courage this time. This request is really great, wonderful, I don't know if Yi Yan is willing to bear the pain and cut love, I don't know if Yin Luo will help Yi Yan with his conscience and say that this is his principle. Now there is a good show to watch.

This... probably maybe not. Both of them were her relatives, and Yin Luo didn't know who to help, so she could only say what she thought was a very fair answer.

Then Mr. Yi, what do you think? Ouyang Feifei pressed forward domineering step by step. Anyway, Luoluo will be his person anyway, she shouldn't have anything to borrow from him for a day. And through this incident, it can also be seen that this Yi Yan cares more about her home.

This is really not. Yi Yan told the truth, but he was injured and so boring. The most important thing is that the two of them were in the hospital together during this period, so comfortable and harmonious, he did not want to lose.

In the past, they had too many misunderstandings, either he felt that Yin Luo and Lu Shuchen had an affair, or Yin Luo saw him being ambiguous with other women. There are too many misunderstandings between them. This time, through his injury, he can clearly feel her mind, so the moment he can have a good moment is a moment, and he naturally doesn't want to let her go easily. No one knows what will happen in the future.

But he just promised that Yin Luo's girlfriends had to do something about it. At that time, he thought that as long as Yin Luohuan could ask for his heart, nothing was so important.
