

Chapter 820

But I didn't expect... Yin Luo's best friend would directly send everyone there, even though it was only asking for a day. But how difficult was it to lose her in the hospital?

However, Luoluo is a person, not an item, and can be exchanged at will. The specifics depend on her wishes. Yi Yan directly threw the difficult question to Yin Luo.

He had already said that he would agree to Yin Luo's girlfriends, so he shouldn't say this, and shouldn't break his promise. But, he wanted to be selfish this time, for himself. But the specifics depend on Yin Luo's wishes, no matter what she wants, he will not force it.

That's right. Ouyang Feifei nodded, Luoluo's man also made sense. Whether Luoluo is a human or a commodity depends on her own wishes. And she just mentioned that just now, and she really wanted to see what the Yin Luo man would do when she knew her request. It seems that he still cares about her family's fall, so she can rest assured.

Then Luoluo, it's up to you to decide. It's up to you. Ouyang Feifei gloated at Yin Luo, she should be a bad choice. The time has come to test Luoluo and her feelings.

This made Yin Luo embarrassed because Yi Yan was injured because of her. She wanted to stay with him and chat with Feifei alone. After all, this time, she has never explained anything to Feifei, Feifei must be very worried, and there are many questions to ask herself. But she can't be divided into two halves alone, right?

In two halves, yes, Yin Luo raised his lips and replied, "Then I will accompany you for a long time, and Yi Yan for a long time with you. At other times, I will go to the company to work."

Yi Yan didn't expect that she would be like this. He thought she would stay with him until he recovered. He didn't expect that she didn't seem to have this plan. Yi Yan resented Yin Luo silently in his heart. This wolf-hearted woman was unfamiliar with how to raise her, and she didn't know that she felt sorry for him.

How? How? Is this a great idea? Yin Luo said happily, feeling that this is the best way to get the best of both worlds.

However, Yin Luo looked at the two, Feifei seemed quite satisfied, but Yi Yan seemed unhappy. Well, he is really not happy, he is depressed, and Yin Luo feels the feeling of resentment all the way away. The temperature in the entire room seemed to be a few degrees lower than usual.

Yin Luo looked at Yi Yan like a child who had made a mistake, but she clearly felt that she had done nothing wrong. Maybe it was because his aura was so strong that Yin Luo always felt that he had done something wrong when he talked to him. But obviously her idea is very good. He would never want to occupy her all the time, even if he was her husband, then she must be free.

Then what do you want to do. You just treat me as a commodity and listen to you. Yin Luo helplessly, this man is so old and so childish, she doesn't care anyway, but she can't be wronged anymore. These two ancestors, especially the difficult ancestor Yi Yan.

Then you should let her go first. Tomorrow I will open my eyes when I wake up and want to see you first. Yi Yan said, this is the biggest concession he can make. As for what Yin Luo said about returning to the company afterwards, don't think about it anymore. He would never think about not seeing her for so long.

Yin Luo glanced at Ouyang Feifei and smiled, and replied "OK."

Yin Luo understood what a stingy man Yi Yan was, so it was good enough to be able to do this step. It's great to think about staying at Feifei's house tonight, and revisiting the life in the university dormitory back then. It's great to think about it.

Gu Yan, who had been watching the show, quietly watched the three of them happily talking about things, and was very angry. Is it true that if he doesn't speak, they will treat her as if she doesn't exist? A few of them froze and ignored him together, which was terrible.

Do you think I don't exist? Gu Yan protested because of indifference. He didn't know when his sense of existence became so low. It must be the woman with the surname Ouyang, she can say so well, he will be overshadowed by her side. So this woman is the most hateful.

You are a person who pollutes the air here. It's better to not exist. Ouyang Feifei saw Gu Yan and remembered that day, which is really deceptive. And today I actually wanted to embarrass her, but fortunately, she was strong enough, she went ahead of him.

You don't exist. Gu Yan answered, this Ouyang Feifei is really special. Women have always embraced him, a man with high-value, high emotional intelligence and money. He said that no one would dare to say two. But this Ouyang Feifei is different from other women. Judging by her character, she counts as half a man. No wonder he is not interested in him.

Gu Yan didn't want to argue with Ouyang Feifei anymore and turned to Yin Luo, "I don't care, Luo Luo, I want you to dine with me. Seeing you are so popular, I also want to fight with Yi Yan, my good buddy."

You... forget it. Yin Luo didn't expect Gu Yan to get involved. He probably fell in love with Yi Yan. Even if Yi Yan is sick, he doesn't want him to get better. There are more beauties, no more than me, no more than me. Besides, I have nothing to do with you?"

When Gu Yan heard Yin Luo praise him, he touched his hair and felt proud. "You are right, because of my personal charm, I am also very upset. There are always many women coming to me, lest I will be badly served. But Luoluo you are special in my heart, and I also saved you. It's that... the third party between you and Lu Shuchen."

Yin Luo thought about it before he remembered it. How long has it been since he still remembered it? Luckily, she thought he was handsome when he appeared.

Yin Luo said helplessly, "My eldest young master, you still have such a long history in your heart. I really appreciate you. But don't be fooling around, in your harem of beautiful women like clouds and three thousand beauties. , There must be no place for me."

That's true. It's strange to look at you, but you can only be a noble person in my harem. Gu Yanying was in harmony, except that all of his women looked like one, convex and curled. , Very obedient, boring to death. He is very envious of Yi Yan now, can always like a woman, never get bored.

I still want to be a court lady more than a noble person. No, do you really think you are the emperor if you give you a harem? I didn't expect that I was almost brought in by him. Fortunately, I finally came back.

That's not right, I will give you whatever you want. Gu Yan is also wealthy, and nothing that can be solved with money is nothing.

Okay, Luoluo, if you want to go play, go with him now. Yi Yan looked at the two people who had been talking. What do you have to say about these two people who seem to have nothing to do with each other? It's been said for so long, and it's so high. Everyone knows that Gu Yan is fascinated, although he still doesn't want to think about it. But watching these two people talk more, he was uncomfortable.

Putting aside these things, although Yi Yan wanted her to stay with him, he also wanted to give enough freedom and didn't want her to feel too oppressive. He may have been too strong all the time.

This time he was very lucky to be able to save her. Thanks to this opportunity, he felt that Yin Luo's attitude towards him had changed. Although she was playing because he was taking care of herself in the name of her injury, it seemed that she didn't care about herself on the surface. But this time he could clearly feel the difference she had to him.

Fortunately, she was not injured, and fortunately, he was the one who saved her.

But he will definitely not let go of the person who tried to hurt Luoluo. And this time things are not that simple. I am afraid that some people are trying to harm him through falling. Their real target is him. Otherwise, it wouldn't be so coincidental. Someone happened to anonymously inform him that Luoluo would be injured. So we must make them understand that hurt Luoluo's end is more serious than hurting him.

Fortunately, their goal was achieved. It's just that, in the future, it may be hurt because of him. He must not let this happen.

Yin Luo didn't expect Yi Yan to let her go so easily this time, but he didn't react for a while.

Why? I don't want to go. I'm afraid I'm lonely and want to be with me? Yi Yan looked at this unresponsive woman. Anyway, she is also the president of a company. Now the company is developing very well, which proves that she is also quite capable. IQ. But how does he feel that she has become more and more stupid since following him? However, it's better to be silly.

Luoluo, don't be afraid, just go, he won't be lonely with me with Yi Yan. A smirk was drawn from the corner of Gu Yan's lips.

Yi Yan glanced at Gu Yan and gave him a cold look for him to experience. This Gu Yan would really make trouble. I always saw him with a lot of women before, and I never saw him like to do things that destroy people's feelings like he does now? Could it be that he couldn't find true love, was jealous and hated?

It seems that such a single dog is worthy of sympathy, but poor people must be hateful. To say that Gu Yan is also the boss, he still finds a lot of women every day, whether he likes it or not, stay with him anyway, if he gets tired of it, he will kick it away. For so many years, I don't know how to find someone I like and treat it well. It's not a loss now.

I don't need you to accompany, you should accompany your girls. Yi Yan said lightly, looking at this Gu Yan deliberately wanted to dismantle them, this is the typical case that he can't get it and don't want others to get it.

How can they be important to you? Don't worry, you still have a high position in my heart. Gu Yan was so generous that he left those women behind.

Yi Yan still said coldly, "Whatever you want."

Yin Luo thought that he might live with Feifei at night, so he remembered that the Prophet would definitely call Zhang Ma at night. Zhang Ma still doesn't know about Yi Yan, should she tell her, or ask Yi Yan first.
