

Chapter 821: Mother and Son Complaining

Now Qiao Yanjue had no problems, and Qiao Weiyue was kicked out instead!

Wan Yunfei almost choked to death!

“It must be Li Weiyun and that little bastard teaming up to play us!” Wan Yunfei immediately figured it out. “They’re using this method to make us let down our guard so they can take the company in one fell swoop!”

The more Wan Yunfei talked, the more she felt that this was a great possibility, and she could not wait to confront Li Weiyun!

Qiao Weiyue was also very angry. After Qiao Yanjue’s attack, the assets he had accumulated over the years had been wasted!

Of course, he never thought that his so-called accumulation was perhaps not useful.

“All right, shut up!” Qiao Weiyue grumpily stopped Wan Yunfei’s outburst. “Things are what they are, let’s just calm down!”

Moreover, the old man gave an ultimatum for him to behave. If he dared to mess up at this time, it would not be easy to clean up.

“But...”

Wan Yunfei bit her lip, still very reluctant.

Qiao Weiyue was now driven out and the entire group fell into the hands of Qiao Yanjue... At this rate, was there still a place for them in the group?

The business changed so rapidly. They may be gone for just a week, but what if they couldn’t go back?!

But what could she do, even if she wanted to?

Qiao Yanjue was not easy to deal with!

The more Wan Yunfei thought about it, the angrier and more resentful she became. She dwelled on it all night and finally called her son.

“Haoming, your father was kicked out by Qiao Yanjue!”

“What?!”

Qiao Haoming received a call from his mother and was startled.

“Kicked out of where?!”

What did she mean by kicked out?

“Qiao Yanjue drove your father out of the group!”

“Oh, so- What?!”

Qiao Haoming had just breathed a sigh of relief before he became tense again.

His father was kicked out of the group by his younger uncle?

“What the hell is going on here?! Don’t scare me!”

When his mother explained, Qiao Haoming was stunned.

He had always known that his father was not a smart person. After all, if he was smart, he would not have gotten things into such a state.

However, he also didn’t expect that his father would be so stupid!

Qiao Weiyue’s way of doing things also left him slack-jawed!

Which company negotiated like this?

After partying too much and missing the meeting, they just went along with it, pretending there was no such thing?

Was he crazy?!

Sometimes it took multiple tries to negotiate a deal.

Of course, you could fail after many tries.

At least then you could say that these people were simply not capable.

Who the hell would do it like this?

Qiao Haoming was shocked by Qiao Weiyue’s way of doing things!

This was too incredible!

After listening to his mother’s complaint, Qiao Haoming no longer knew what expression to put on.

His father was driven out of the group, meaning his inheritance was gone, which was really sad.

However, he didn’t have the ability to inherit the group!

If the company fell into Qiao Weiyue’s hands, it wouldn’t take even two years to collapse!

Even if Qiao Haoming was his son, he couldn’t say such things with a clear conscience!

Other than Wan Yunfei, who still had unrealistic hopes for him, everyone else knew what kind of person Qiao Weiyue was.

“Mom, don’t be angry. As you know, Dad is fine the way he is now-”

“Haoming!” Wan Yunfei got angry. “That’s your dad!”

“Mom!” Qiao Haoming lowered his voice, “Of course I know that! But it’s really good that Dad is out. Otherwise, it would affect me at the company!”

At the mention of this, Wan Yunfei was silent.

Chapter 822: Over-confident

“Mom, it’s not that I’m critical of him. It’s just that this kind of thing...”

Qiao Haoming hesitated, he had the good sense to not talk too harshly.

After all, this was his father.

“Besides, he may be out of the company, but there’s still me!” he reassured Wan Yunfei. “I’m here, the company can still be ours.”

Wan Yunfei felt slightly comforted, but she was quickly anxious again. “But you just joined the company, how can you compete with Qiao Yanjue...”

“Mom, you do not have to worry. Although I just joined the company, I believe that I will soon be able to catch up! Besides... It’s not time for grandfather to hand over power yet.”

Qiao Haoming had this concern too. After all, Qiao Yanjue had entered the company earlier than him and had a different status.

But it was not the last minute yet.

“Besides, who can guarantee that he won’t make mistakes?”

Being comforted by Qiao Haoming, Wan Yunfei was convinced.

Qiao Weiyue also joined the company early, didn’t he? He had been in the company for many years, but Qiao Yanjue had only been in the company for a few years and got him thrown out.

It meant that age and seniority didn’t matter, strength did!

Qiao Haoming was so smart, he would definitely take over when the time came!

For Wan Yunfei, who had never been exposed to company operations, she had no idea of the difference here.

Although she knew that her husband was not capable, she did not know that between capable and incompetent was a world of difference.

She had no idea of Qiao Yanjue’s strength, let alone the fact that if he were given the opportunity, he would have the Qiao Group firmly in his grasp.

At that time, Qiao Haoming could not do anything at all to shake his control.

She just believed that her son would be able to defeat Qiao Yanjue!

Qiao Haoming, who had just joined the company from college, was also naive and confident in his own strength.

If the mother and son's burst of confidence were known to Qiao Yanjue, he would have died laughing.

They were really from the same family; even their thinking was the same.

The father was stupid, the wife he found was not smart, and the son she gave birth to was the same.

Wan Yunfei's mood improved after being consoled by Qiao Haoming, but when she mentioned Xia Qinghan, she still didn't feel good.

"This time, if it weren't for Qinghan, we wouldn't be in such a mess!"

"What does this have to do with Qinghan?"

Qiao Haoming was puzzled.

"If it weren't for her, we wouldn't be working with Li Weiyun. If not for..."

After hearing Wan Yunfei's logic, the corners of Qiao Haoming's mouth twitched.

Where did this conclusion come from?

However, he also knew that his mother liked to put the blame on others.

However, what could he do? She was his mother.

"In this matter, it is indeed her fault." Qiao Haoming understood his mother's character, and did not argue with her, simply admitting it. "But she is young. How can she understand the importance of these things? So, if you teach her more in the future, she will naturally understand."

Being so appeased, Wan Yunfei's frustration finally dissipated.

"Okay, I'll teach her well afterward! I can't let her do whatever she wants!"

Mother and son chatted for a while before Qiao Haoming hung up the phone.

The next second, the phone rang again.

It was Xia Qinghan.

"Brother Haoming, who were you talking to on the phone?" Xia Qinghan's voice was a bit nervous.

Qiao Haoming sighed, "I was talking to my mother."

"Auntie?"

Xia Qinghan's voice immediately perked up.

Chapter 823: Can't Be Capricious

Ever since Xia Qinghan found out about Qiao Haoming and Hong Zhenhan, she called Qiao Haoming often to check up on him.

Qiao Haoming was also feeling guilty, and although he didn't like the stalking, he put up with it when he thought about what he had done.

Xia Qinghan also knew that Qiao Haoming didn't like this kind of thing, but she couldn't control herself.

Now, both sides maintained an agreeable front to stay together as peacefully and lovingly as ever.

"Well, you have a good rest. You still have to continue filming tomorrow."

"Right, you also get some rest."

After saying a few words, the two hung up the phone at the same time.

After hanging up the phone, the smile on Xia Qinghan's face was replaced by gloom.

Although Bai Meixue had advised her not to be stubborn with Qiao Haoming, she just couldn't help it.

She clicked on her phone, and there were a few photos on it.

The male in the photo was still Qiao Haoming, but the female lead was not her, nor Hong Zhenhan, but another girl.

Although only the side of her face was visible, it was clear that the girl was quite beautiful.

In the photo, the two of them were hugging and kissing each other quite passionately.

These photos made Xia Qinghan's heart go cold.

Previously, Qiao Haoming and Hong Zhenhan were just a little intimate, but this was a real affair!

Xia Qinghan didn't know who sent the photos, and she couldn't find the other girl.

However, these photos had successfully affected Xia Qinghan's mood.

If it was before, she might have comforted herself with the idea that these photos were doctored, but after what happened with Hong Zhenhan, she didn't even need to doubt that they were real!

Just how much fun was he having when she wasn't around?!

It also made Xia Qinghan's heart go numb.

The door rang, and it was Bai Meixue.

Bai Meixue was heartbroken seeing how lost and sad Xia Qinghan looked.

Looking at the photos on her phone, Bai Meixue was also very angry.

However, no matter how angry she was, she could not get justice for her.

She couldn't let Xia Qinghan and Qiao Haoming break up!

"Bear with it," Bai Meixue said. "As long as you hold on for two years, you can get married. Then it's good."

Xia Qinghan looked up.

“Married?”

“Yes.” Bai Meixue’s eyes flashed. “As long as you get married, then you don’t have to be worried.”

Not worried?

Xia Qinghan’s heart went cold and she looked at her in shock.

Bai Meixue stroked her hair, “Well, don’t think too much. Rest well and shoot well tomorrow. The director is already angry, and you can no longer be capricious. Success and fame is your goal.”

These days, Shi Huan had been very angry.

Xia Qinghan was often distracted and had been scolded many times.

If it wasn’t for Bai Meixue’s mediation and the fact that the show had already been shot a lot and it would be troublesome to change, Shi Huan would probably not hesitate to replace her!

That’s why Bai Meixue told Xia Qinghan to shoot the show properly.

She had to shoot this one well to get the next one and go farther in the entertainment industry.

“Good.”

Xia Qinghan also understood this and nodded obediently.

“Get some rest.”

Bai Meixue got up and left.

Xia Qinghan sat on the sofa, her eyes empty.

After a while, the ringing of her cell phone woke her up.

“Sister Weiyun?”

Xia Qinghan was surprised. Why would Li Weiyun suddenly contact her?

“I have something I need your help with.”

Li Weiyun’s grim voice came from the other end.

“Help?” Xia Qinghan’s heart jumped.

“Yes. It’s related to Xia Xibei.”

Xia Qinghan instantly became energized.

“Okay, just tell me!”

Chapter 824: Buying the Copyright

While Xia Qinghan and Li Weiyun were talking on the phone, Xia Xibei was also at home talking with Qiao Yanjue.

Qiao Yanjue had made a fruit plate and put a piece of watermelon into Xia Xibei's mouth.

She half-leaned in Qiao Yanjue's arms, opened her mouth and ate the fruit.

She had a few books in her hand.

She looked surprised, asking, "When did you buy the rights to these?"

The books were all synopses of various scripts and novels, and Qiao Yanjue had the copyright for them all.

Xia Xibei then realized that Qiao Yanjue had previously bought not only SY Entertainment, but also several smaller companies, including an online literature company!

"A few months ago."

Qiao Yanjue took a bite of watermelon while answering.

Xia Xibei looked through the contents while admiring them.

There were several dramas that were big hits in her previous life!

No matter whether the production was big or small, these dramas were all popular, and the actors in the shows also became famous.

In the previous life, the rights to these novels had been in the hands of others.

If these novels were properly filmed, they would definitely make money!

Xia Xibei couldn't help but look at Qiao Yanjue.

He couldn't be reborn too, right? Otherwise, how would he know how to buy the rights in advance?!

After the first drama became a hit, all the other royalties were bought up.

At a later stage, these royalties would be very expensive!

Before they were popular, however, these royalties were pretty cheap, relatively speaking.

"How much did you spend?" Xia Xibei couldn't help but ask.

Qiao Yanjue said a number.

She couldn't help but draw in a breath.

This was a bargain!

Later on, the same amount could only buy the copyright of two or three works, at most!

Now, this amount of money could buy so many copyrights! It was such good a deal!

“What’s wrong?”

Qiao Yanjue touched his own face in confusion at Xia Xibei’s inexplicable look of hatred.

He was fine!

Xia Xibei looked away and sighed. It was really upsetting to compare yourself to others!

Qiao Yanjue was obviously not reborn and did not know about any future development, so how did he know to buy these rights in advance?

“Why did you buy these copyrights?” she asked directly.

“Don’t you want to enter the entertainment industry? Of course I bought them for you to shoot,” Qiao Yanjue said with a straight face.

Since Xia Xibei wanted to enter the entertainment industry, she naturally wanted to be successful.

With Qiao Yanjue helping her, she did not have to worry about sexual harassment or anything, but she needed to do good work to go far in this field.

Qiao Yanjue did not know which scripts were good, and did not have time to check.

Since that was the case, he bought the whole company. With so many stories, there would always be a story for her!

The corners of Xia Xibei’s mouth twitched for this reason.

So this was how rich people played? That was awesome!

Xia Xibei had money of her own, but she didn’t have the guts to buy a company as a toy.

Qiao Yanjue’s intention also warmed her.

Who wouldn’t be touched to have someone who had done so much for them early on?

“Moreover, since I have the SY Company, it is natural for me to let it grow properly.” Qiao Yanjue stroked her head. “I also want to develop SY Company into an industry leader.”

For Qiao Yanjue, he would do his best for anything he did.

He had been busy with the Land King project before, but now that that side was taken care of, the work after that could be left to others. Now he would have time to deal with the SY company.

The Qiao Group was involved in several fields, and it was quite good to add an entertainment company now.

This was a time of peace, and people were especially interested in entertainment, so there was money to be made here.

Chapter 825: The Future Diva

SY Entertainment was not small, but it was definitely not big either.

It was really behind, especially when compared to other big companies in the country.

This was also one of the reasons why Qiao Yanjue was able to acquire this company so quickly before.

Right now, the company had a small number of artists and staff, and was just medium-level in the industry.

When it came to the top artists it owned, the company could not be compared with other big companies.

Xia Xibei didn't have much of a sense of belonging to SY Entertainment before. After all, she only wanted to join the same company as Xia Qinghan to give her trouble and get revenge in the process.

After two years, when the contract period ended, if she didn't like it, she would just leave.

Now that Qiao Yanjue had become the president of the company, the significance was different.

Moreover, Qiao Yanjue acquired SY because of her.

Therefore, she couldn't just leave.

If the company wanted to grow, talent was indispensable.

Xia Xibei frowned and thought for a while, soon having an idea.

The two of them discussed and made a decision.

The next day, all of SY Entertainment received a notice.

Everyone at the company, whether a trainee, a debut artist, or a staff member, even a janitor, if they had excellent work, the company would produce it for them.

This news instantly stunned everyone.

How could such a good thing happen?

Those who entered this circle all wanted to achieve fame and fortune. Even if you were just a janitor, you couldn't help but be envious after seeing the glitz and glamour.

However, it was not that easy to achieve fame and fortune.

This was a very difficult thing to do, especially for some people, who were unlucky and not discovered.

Although the circle was large, to succeed was really difficult. After all, when you worked hard, others worked even harder, and there were also people more talented than you!

Some people thought they had the strength, but they lacked a sufficient platform.

They did not know how long they had to try to persevere in order to make it.

The company had resources, but they were not equally divided.

It was great that the company was so serious about it now!

If there was a good project, the company would help produce it and they could make their debut!

This was great news for some people who wanted to go down the creative route!

Xia Qinghan also received the news and was first surprised, then ecstatic.

She didn't expect that the opportunity would come to her so quickly!

She was still thinking about how to find an opportunity to deal with Xia Xibei, but now the opportunity was given to her!

She immediately called Li Weiyun.

When Xia Qinghan gave Li Weiyun the information, she also immediately became happy.

"Good, I know. I will arrange it from my side."

Li Weiyun's voice was gloomy with endless resentment, but she was also very pleased

Ever since she had been ruined by Qiao Yanjue, she had been thinking about revenge.

Now she was trapped at home every day, making all kinds of preparations just to meet that Mr. Wilson!

Her father's attitude towards her was also very bad. After all, because of her, the company lost a lot of money!

It wasn't a few hundred million, but billions of dollars in big projects!

How could they not be furious?!

After Li Weiyun hung up the phone, she called Li Feiyun, who was out of town.

Li Feiyun was also righteously indignant after finding out that she had been bullied.

Had he not been out of town and inconvenienced, he might have flown back.

The two siblings discussed things for a while, soon coming up with an idea.

Meanwhile, Xia Xibei put on her makeup and disguise, then went to a restaurant.

She had come here to look for a certain future diva.

Chapter 826: Same Experience

Xia Xibei came over this time for one person: a woman.

Right now she was just an ordinary waitress, but in a few months, she would be discovered by an entertainment company by chance, entering the entertainment industry.

She was pretty, had a good voice, and was also a singer-songwriter, becoming famous soon after releasing an album.

After that, several albums in a row achieved good results and her position was further consolidated.

Transforming from a waitress to a diva was inspirational, and she had become an idol in the hearts of many people.

If there was no mishap, she would have been brilliant forever.

However, a few years later, her parents went to the media accusing her of being a bad daughter, saying she was a drug addict and making a series of accusations.

At the same time, some outlets broke the news that she used to be an escort in a bar, after which she was made into a mistress before she entered the industry.

After entering the entertainment industry, she also kept changing her benefactor.

After this series of events, she was condemned by everyone.

A few months later, it was discovered that she had left a letter of confession before committing suicide in her apartment.

After her death, her fans were sad and angry, taking it upon themselves to clear her of her previous negative press.

It was then that people learned that her parents were both scum.

She was the oldest in the family and had a younger brother. Her parents preferred sons to daughters, and she started working in high school.

It was incredibly difficult for her to go to college. She had to work and study at the same time, while also giving money to her family and supporting her parents and brother.

After she entered the entertainment industry, her parents continued to use her for money.

Later on, her father became addicted to gambling and lost a lot of money, so they looked at her to fill the hole.

In anger, she broke off her relationship with her parents.

However, her parents set her up, calling her a drug addict and promiscuous, trashing her to the media.

Such scum parents were an eye-opener!

As for the bar escort scenario, it was also a rumor. She worked in a restaurant and went to a bar at night to sing and make money.

She was also discovered in a bar.

As for the so-called benefactor, it was a terrible thing.

It was only afterwards that this matter was blown up by an artist from the same company.

It was only then that people realized that this company was chaotic and rotten.

Many of the company's artists had more or less been sexually harassed.

The only way to escape was to cancel your contract and leave. Otherwise, if you didn't do what they wanted, you'd be shut out.

Even as a diva, she was blackmailed by the company and not allowed to leave.

After this series of experiences, the actress became depressed.

The company did not speak up for her when everything broke out and everyone blamed her, so she chose to commit suicide.

This result made everyone angry.

They now understood why her later songs became darker in style. She was threatened by all this!

The reason Xia Xibei remembered this star's name, Mu Qiaona, so well was that they had some similar experiences.

However, Xia Xibei was much stronger than her. Even though she encountered all kinds of oppression, she still stood strong.

Unfortunately, her ending was not much better than Mu Qiaona's. Additionally, when she finally died, her face was disfigured.

Xia Xibei mentally recalled these events while looking around.

Finally, her eyes lit up. She found her!

Seeing the woman heading towards her, Xia Xibei was about to reveal a smile when she noticed that she was stopped by a young man.

The woman broke out into a big smile after seeing the man.

Chapter 827: Scummy Ex-Boyfriend

Xia Xibei looked at them and began to remember the specifics.

After Mu Qiaona's death, her story was unearthed.

As a result, everyone knew that she had a boyfriend before she entered the industry.

It was a pity that this boyfriend was not a good person either.

It could be said that this boyfriend was the main reason why she ended up in such a miserable situation.

When Xia Xibei first found out about Mu Qiaona, she was stunned.

Mu Qiaona was a few years older than her and had achieved such great success that she became her idol.

However, after finding out what happened to Mu Qiaona, her heart went cold.

How similar the two of them were!

They both had a scum “ex-boyfriend” and the same kind of heartless family!

Could it be that this was the boyfriend who offered her to the benefactor?

Looking at the situation now, it was obvious that Mu Qiaona hasn't had any bad experiences yet.

Xia Xibei stood up, pretended to go to the restroom, and slowly walked towards them.

“Qian Ying, what are you doing here?” Mu Qiaona looked at her boyfriend with surprise. “Don't you have to work today?”

“I came here with my boss.” Qian Ying looked at his beautiful young girlfriend with a weird glint in his eyes.

“Really? Then you better go, I have to work too!”

Although Mu Qiaona was happy, work was the most important thing.

It was okay to chat a little bit, but if you talked too much, you would be scolded by the manager.

“You can come to us. Our boss is generous, he tips well.”

Before Mu Qiaona could refuse, he whispered again, “I also want to see more of you.”

At these words, the young and innocent Mu Qiaona immediately blushed.

“Okay... I'll come over, but I have to speak to the manager first.”

Anyway, it was all about greeting the customers. It would be fine for her to go to them.

“Good, come over soon.” Qian Ying nodded happily, then admonished again, “Remember to come over.”

Xia Xibei walked past them slowly, taking in the conversation.

When Qian Ying walked away, she also followed behind him and walked over.

She looked at ease and without a care in the world, so no one knew what she was doing.

Soon, Qian Ying returned to their private room.

The door of the private room was not very soundproof. Xia Xibei stopped outside and started swiping on her cell phone, as if she was talking to someone about something important, but her ears were straining to listen to the conversation inside.

Soon, Qian Ying's voice came from inside with suppressed excitement.

"Don't worry, she'll be here soon!"

"Well done!" Another man's voice rang out. "But are you sure she's willing?"

"Don't worry, she's definitely willing!" Qian Ying nodded and spoke with flattery. "If she knew who you were, how could she be unwilling?"

"That's right," the man agreed. "If she knew who you were, Mr. Qiao, how could she refuse!"

Then, a proud voice rang out, "You guys have a point."

The voice inside was not loud, but for Xia Xibei, the words were enough.

Mr. Qiao?

This familiar last name made her heart jump.

While she was wondering, Mu Qiaona came over with the dishes.

Looking at Xia Xibei standing in the doorway, she gave her a curious look, then opened the door to enter.

Taking advantage of the open door, Xia Xibei glanced inside and fell silent..

Chapter 828: Who is It?

There were three men in the room: Qian Ying, his boss, and a middle-aged man with a seemingly elegant appearance.

Although it was just a glimpse, Xia Xibei also recognized the man's identity.

Then, she remained silent.

Sure enough, it was not that she was overthinking. This so-called Mr. Qiao was really Qiao Yanjue's elder brother- Qiao Weiyue!

The Qiao brothers would often appear in the news back then, so Xia Xibei knew what they looked like.

Moreover, Qiao Weiyue had just been kicked out of the group by Qiao Yanjue, so she was even more impressed.

She just didn't expect that Qiao Weiyue wouldn't stay in the imperial capital, but come here instead!

Moreover, by the sound of it, it was him who was going to make a move on Mu Qiaona!

Xia Xibei couldn't help but frown, trying to recall the situation back then.

In her previous life, after Mu Qiaona's suicide, their company was also caught up in various disputes.

Then, her "benefactor" was revealed.

However, everyone was more concerned about her family drama, and with Mu Qiaona dead, there was no evidence to accuse these bigwigs, so their identities weren't widely reported.

Besides, these bigwigs had the money to make things go away, and the matter soon faded away.

It could be said that Mu Qiaona was nothing more than their plaything.

Even Xia Xibei was not sure if this matter had anything to do with Qiao Weiyue.

Xia Xibei was not sure how it was in her previous life, but she was certain that there was a connection this time.

Xia Xibei stayed at the door for a while, listening to the voices inside, her expression cloudy and uncertain.

After Mu Qiaona entered, she met the two men's scrutinizing eyes and couldn't help but feel a little panicked.

Did she do something wrong?

Fortunately, they quickly collected their gazes and became amiable.

They didn't say anything to Mu Qiaona, as if their scrutiny of her just now hadn't occurred.

When Mu Qiaona came out from inside, her heart beat a little faster and she had an ominous feeling.

Soon it was time to leave work, and her phone rang.

Her brow furrowed.

She looked for a place to pick up the call, and soon her mother's shrill voice rang out on the other end.

"Where's this month's money? Why haven't you sent it yet?!"

"I- I won't get my money until tomorrow..."

The voice on the other end sharply interrupted her, "I don't care when you get the money! Hurry up and send it now! Your brother can't even afford to go to school!"

Mu Qiaona couldn't help but bite her lip.

How could her brother not have money for school? Wasn't all the money in the family going to her brother?

She hadn't graduated highschool yet, so what kind of money could she earn?

Still, her parents were always this tough, and she had no way to resist.

“I- I’ll send it tomorrow.”

The person on the other end cursed some more before hanging up the phone.

Mu Qiaona ended the call and leaned back against the wall with a tired, disheveled look.

This life was too depressing.

She didn’t have the courage to break off her relationship with her parents, thinking that if she tried hard enough, they would eventually see the good in her.

Now, however, it seemed that there was little hope.

She gave a bitter smile and stood up straight.

The next moment, the phone rang again.

It was Qian Ying calling.

“Are you done with work yet? I’ll be waiting for you outside.”

Qian Ying’s call revitalized her.

With her boyfriend around, she finally felt able to catch her breath.

Looking at Mu Qiaona, who had become youthful and beautiful after changing her clothes, Qian Ying’s eyes couldn’t help but twinkle.

“Where are you taking me?”

“To a good place. You’ll know when you arrive.”

Mu Qiaona didn’t ask more questions and took the water Qian Ying gave her and drank it.

When the car moved forward, she felt a little dizzy and slowly fell asleep.

When she woke up, the world had changed!

Chapter 829: Giving You an Opportunity to Make Money

Mu Qiaona woke up to find herself lying on a bed. Her clothes were the same, but she was weak and feeble.

She flinched, her heart beating wildly, and turned her head to survey her surroundings.

Before she could figure out where she was, the door opened and a man walked in.

When she saw who the man was, she was stunned.

Wasn’t this the same Mr. Qiao who had dinner with Qian Ying today?

This Mr. Qiao looked quite gentle and elegant. However, the look in his eyes made Mu Qiaona go pale.

At this point, she would be really stupid if she didn’t understand what was going on.

“What- What do you want? Hurry up and let me go, or else I will call the police!”

She was lying on the bed, too weak to move, and could only stare at him in shock and anger.

“Don’t be nervous.”

Qiao Weiyue showed a gentle smile, looking very kind.

However, in this setting and this situation, the smile was too ironic.

“Hurry up and let me go, and I- I’ll pretend this never happened!”

Mu Qiaona made an effort but she couldn’t move at all.

Her heart went cold when she thought of the bottle of water she had drunk.

“Don’t be anxious.” Qiao Weiyue sat in the chair across from her and looked at her with a smile, his gaze moving over her, his dignified face dripping with desire.

Mu Qiaona almost threw up; this kind of person was too disgusting!

“You should know who I am by now. Rest assured, as long as you are with me, I will definitely not treat you badly,” Qiao Weiyue said with a smile. “Aren’t you short of money? I can give it to you, as much as you want.”

Mu Qiaona’s heart got even colder.

Only Qian Ying knew about her lack of money.

Coupled with knowledge of the bottle of water he gave her, she felt herself become cold all over.

“Where is Qian Ying? Where did he go?” Mu Qiaona’s face turned white. “You’re kidnapping me!”

“How so?” Qiao Weiyue laughed. “I just invited you over to discuss something.”

“And what if I don’t say yes?”

“Don’t worry, I’m sure you’ll say yes.”

Qiao Weiyue did not care about Mu Qiaona’s refusal.

Since he dared to lay hands on her, he was naturally sure of himself.

Moreover, Qian Ying had also said that her family would not help her out at all.

As long as he had dirt on her, he had no fears of her resisting.

“As long as you stay with me, you can have as much money as you want. In the future, you won’t have to work so many jobs, and you can easily enjoy life. Isn’t that good?”

Mu Qiaona wanted to spit on his face.

“You pervert!”

“Pervert?” Qiao Weiyue shook his head, “I’m giving you a chance to make money! And I’m sure your parents will be very happy.”

Speaking of which, he stood up.

Looking at his hand reaching towards her, Mu Qiaona was going crazy.

She never thought that she would encounter such a thing!

As she was about to have a melt down, the door was suddenly kicked open and a figure rushed in, accompanied by screams of agony.

Qiao Weiyue turned his head to look, but before he could get a good look at the visitor, he saw the figure rushing toward him, and with a lift of a foot, he was kicked out as well.

“Argh!” Qiao Weiyue screamed miserably and flew backwards, knocking the chair over.

Mu Qiaona was stunned by this scene.

When she looked closely, she saw that there was a tall girl in front of her.

The girl looked a little familiar, but she didn’t recognize her.

“Who are you...”

Qiao Weiyue got up from the ground, but he was slapped before he could speak.

Chapter 830: Illegal Detention

“Argh!” Qiao Weiyue screamed miserably, and his cheeks instantly turned red.

No sooner did he make a move than he saw his opponent lift her leg again and kick him backward!

“Argh!”

Qiao Weiyue let out another pathetic scream, feeling that his internal organs had shifted, and he was close to spitting out blood.

Mu Qiaona was stunned by this turn of events.

This girl was so powerful!

The next second, she met the girl’s eyes and was almost taken aback.

Then the girl came over and felt her pulse with a frown.

After a while, the girl held her arm and pressed several acupuncture points.

Being so compressed, Mu Qiaona felt her body, which had been weak, start to recover.

By the time the girl stopped, she felt that she had renewed some strength.

“You... Who are you?” Qiao Weiyue covered his chest and got up from the ground, looked at Qian Ying, who had fallen in the doorway.

He said angrily, “You are trespassing!”

“I’m trespassing? You have illegally detained her, plus attempted rape!”

Xia Xibei looked at Qiao Weiyue with a cold smile.

She really didn’t expect Qiao Weiyue to be so low.

If he had used money to lure Mu Qiaona and everyone had consented, she would not have interfered.

However, he actually used such despicable means! It was so disgusting!

She then looked at Qian Ying, who had just taken a breather, and was beyond contemptuous of him.

Although she knew that Qian Ying was the scum boyfriend who betrayed Mu Qiaona, she didn’t expect that these things would all be connected!

She came here today and just happened to run into this kind of thing!

If she had come a day later, Mu Qiaona would have been destroyed by them!

Thinking of this, she couldn’t help but be glad that she came just in time.

“What are you talking about!” Qiao Weiyue’s face turned white and he shouted, straining his neck, “Who illegally detained anyone?! I- I have just invited this young lady here as a guest!”

“Huh,” Xia Xibei sneered. “Go ahead and lie.”

Then, she pulled out a small object from Mu Qiaona’s pocket.

Mu Qiaona was confused. When did she have this thing in her pocket?

Xia Xibei tapped a file on her phone, then a voice rang out.

It was the conversation they just had!

“If the police heard this, what do you think will happen?”

Qiao Weiyue and Qian Ying’s faces suddenly went white.

When did she put the recorder there?!

Mu Qiaona frowned. She dimly remembered that she seemed to have collided with someone after she left work.

Could it be...

Xia Xibei did not give her an answer, but coldly looked at Qiao Weiyue.

“Mr. Qiao, if this thing is handed over to the police, what do you think will happen?”

Qiao Weiyue’s face was both pale and gray.

“You... What do you want to do?”

Even if he got a lawyer, it would definitely be trouble at that point.

Xia Xibei looked at Mu Qiaona, “What do you want to do?”

Being stared at by her beautiful eyes, Mu Qiaona hesitated for a moment, but finally looked at her.

“I- I’ll listen to you.”

Just now, Xia Xibei came down from the sky like a god and saved her.

She was now at a loss for words and could only listen to Xia Xibei.

Xia Xibei also froze for a moment, not expecting her to be so direct,

saving her the trouble of talking some more.

“Okay, I’ll handle it.”

Then, she walked towards Qian Ying.

“Stop! D-don’t come over!”

Qian Ying’s face was pale, his eyes were frightened, and he tried to shrink back as if he was a weak girl being bullied by villains.

Looking at his feeble appearance, Mu Qiaona felt the situation was very ironic.

How could she have been in love with this kind of scum before?

Xia Xibei walked toward Qian Ying, then grabbed him by his torso and dragged him next to Qiao Weiyue.

Chapter 831: Abusing The Scumbags (1)

“What- What are you doing?!”

Qian Ying looked at Xia Xibei with a fearful expression. He wanted to dodge her, but her hand was like an iron pincer, and he could not struggle at all.

Qiao Weiyue also looked at the scene with fear and regret. Why didn’t he bring some bodyguards today?

Although the bodyguards may not have been able to stop this violent girl, who came out of nowhere, at least he’d have room to breathe!

He could only watch as Xia Xibei dragged Qian Ying to the bed.

Mu Qiaona was also dumbfounded. What was this girl trying to do?

Then, they saw Xia Xibei stripping Qian Ying's clothes.

Stripped!

Being the lead, Qian Ying was dumbfounded.

Was it possible that the girl wanted to offer herself?

1

Xia Xibei did not pay attention to his reaction. Her hands moved quickly and easily tore off his clothes.

Mu Qiaona was dumbfounded!

What kind of strength was this?

This was not undressing, it was tearing clothes!

If someone suddenly barged in, they would think that these two were playing something special!

Qian Ying remembered to struggle only after his skin felt cold.

"Let go of me..."

Although there was a moment of joy just now, he wasn't really stupid.

How could Xia Xibei voluntarily offer herself on such an occasion?

He had an ominous feeling in his heart and began to struggle desperately.

While he was struggling, Qiao Weiyue carefully got up from the ground and was about to escape.

Xia Xibei saw this out of the corner of her eye. She pressed Qian Ying down with one hand, grabbed something by the bed with her other hand, and threw it fiercely.

"Argh!" Qiao Weiyue screamed again, covering his stomach and curling up, no longer having enough strength to escape.

Watching Xia Xibei settle all of this with one hand, Mu Qiaona's jaw dropped!

This was too powerful!

Obviously they were all women, so why was she so powerful?!

Mu Qiaona couldn't help but doubt herself.

After Xia Xibei prevented Qiao Weiyue from escaping, she continued to strip off Qian Ying's pants as well, leaving him in only a pair of underwear.

1

She couldn't help but roll her eyes.

"So small... Where on earth did you get the nerve to live?"

1

Then, she looked at Mu Qiaona.

"So small, is it really useful?"

Qian Ying was infuriated. This was insulting!

Mu Qiaona's mouth twitched, her face was flushed, and she was embarrassed to death.

Qian Ying tried to struggle, but when Xia Xibei slapped him on the chest, he felt he couldn't move.

His eyes were wide open. What was going on?!

Then Xia Xibei strode towards Qiao Weiyue, who was curled up on the floor, and lifted him to the bed.

Then, she stripped him as well.

At this point, if they still didn't understand what was going to happen, they would be morons.

Although there was nothing too low for them to do, it didn't mean they really had no brains.

"Let go of me now! You won't get away with this!" Qiao Weiyue screamed frantically.

A grown man screaming like a little girl who had been harassed looked ridiculous.

Mu Qiaona, who was originally in a heavy mood, was chagrined by this scene.

Before, it was her on the chopping block, and she could not fight back.

Now, with the roles reversed, her mood was suddenly different.

"Shut up!"

Xia Xibei gave him a slap and he couldn't move.

Soon, both of them were left with only their underwear.

The two men's faces were pale, as if they had been ravaged a million times.

However, this was only the beginning.

"You.. Come over here and help."

Chapter 832: Abusing The Scumbags (2)

Xia Xibei made Mu Qiaona come over to help.

“Oh, okay!” Mu Qiaona hurriedly leaned over, a bit overwhelmed. “I- What should I do?”

Xia Xibei stared at them for a moment, then pulled Qian Ying onto Qiao Weiyue’s body with one hand.

The two men’s bodies were in close contact, and suddenly their faces turned ashen!

So disgusting! They were flesh to flesh with a big, hard man! It was so damn disgusting!

Qiao Weiyue wanted to curse.

However, he could not curse. He couldn’t even open his mouth. He could only let them manipulate their bodies, and he felt desperate.

Although the two men still had underwear on to cover their bodies, they knew that what was to come would be even more horrific!

“Strip their underwear,” Xia Xibei commanded.

“Wh- What?!”

Mu Qiaona wanted to scream too.

“It’s too disgusting, I don’t want to touch them.” Xia Xibei looked disgusted. “They’re so fat and greasy, I’m afraid I won’t be able to wash the stench off for a few days after touching them.”

Qiao Weiyue had a passable face, but he was middle aged, and coupled with constant drinking and a lack of exercise, there was a noticeable difference when he took off his clothes

Although Qian Ying was younger and stronger, he was still a sedentary office worker. He was not balding with a pot belly yet, but he wasn’t much better.

Their figures were night and day from Qiao Yanjue’s!

Xia Xibei was into good-looks.

She just had to strip them, which was already very difficult.

Now she had to strip off their underwear too? No!

Hearing Xia Xibei say that, Mu Qiaona also felt disgusted.

If she had to personally strip the two men of their underwear... It was so strange that she felt disgusted.

“Hurry up,” Xia Xibei urged. “We don’t have much time. What if someone comes? Besides, aren’t you angry?”

When she said that, Mu Qiaona immediately perked up.

She was the victim. and she had a reason to be angry.

Gritting her teeth, she stepped forward and took a handful of Qian Ying's underwear, revealing the white flesh of his buttocks.

Her face went white and her heart beat like thunder.

This kind of thing was so exciting and scary. She was doing it for the first time and almost got scared to death.

Qian Ying and Qiao Weiyue's reactions were no calmer than hers.

Just now, there were still underwear, separating them.

But now...

Their parts fit intimately, and they were going crazy!!!

However, they could not move and could only curse themselves.

If they hadn't been unable to move, they would have thrown up by now.

After Qian Ying's underwear was stripped, it was Qiao Weiyue's turn, and he was pinned underneath.

However, Mu Qiaona was a bit conflicted. In this position, what should she do?

Pull Qian Ying down and then take off Qiao Weiyue's underwear?

If that was the case, it would be very troublesome!

Besides, she still had to see their disgusting parts!

She looked hesitant at Xia Xibei, her eyes questioning.

Xia Xibei rubbed her chin, thought for a moment, then looked around.

Soon, she found a pair of scissors.

Looking at the shiny scissors, the two men winced.

She wouldn't?!

Xia Xibei handed the scissors to Mu Qiaona, who almost didn't catch them.

"Cut his underwear."

Mu Qiaona originally blanched miserably. After all, she couldn't do such things.

Fortunately, Xia Xibei's words saved her.

So it was just cutting clothes!

She breathed a sigh of relief and quickly cut off Qiao Weiyue's underwear.

So, the two men finally met skin to skin.

Chapter 833: Abusing The Scumbags (3)

Xia Xibei pulled out her phone as she looked at the two naked men.

By this time, Mu Qiaona also knew what she was going to do and looked at her in shock.

Xia Xibei tapped on the camera and started looking for an angle.

“Here, do a kiss.”

She adjusted the angle and movement from time to time during the shooting process.

Mu Qiaona was in a trance. Her eyes were vacant as she helped make adjustments, and she was out of it the whole time.

Qiao Weiyue and Qian Ying, who were being tossed around like toys, wanted to die.

Their bodies were in seamless contact, and the feeling of flesh on flesh was horrible!

The most disturbing thing was that their bottoms were also stuck together as they were being moved around, so they were rubbing against each other...

After all, they were men. Regardless of whether the other party was male or female, they could not control their reaction.

This horrified them even more.

When the two kissed, they wanted to bite their tongues!

This was such a creepy world!

Mu Qiaona followed Xia Xibei's direction as she worked to move the two men around, watching them suffer, but she was relieved.

Her mental trauma from before had now disappeared.

On the contrary, she actually felt a little bit of sympathy for them.

Of course, this bit of sympathy quickly disappeared. After all, if not for Xia Xibei's sudden appearance, she would have been the one to be pitied now!

If she was really assaulted by them, her life would have been ruined!

They were definitely not good people—good people wouldn't do such a thing—and they definitely had other tricks up their sleeves.

When the time came, she would have wanted to die but couldn't!

Her heart hardened at the thought of this.

Why should she sympathize with these scum?

Later on, without Xia Xibei saying much, she took the initiative to help adjust the men's positions.

Looking at her being so proactive, Xia Xibei couldn't help but raise an eyebrow.

She was adapting pretty well!

For a girl with this kind of personality to choose suicide later on, how much pain must she have suffered?!

Xia Xibei grew to like Mu Qiaona even more than before.

The two of them had comparable experiences, so they empathized with each other.

However, what made her different from Mu Qiaona was that she did not choose to commit suicide.

If she was really pushed to the edge, she would choose to make her enemies die with her.

In her previous life, if she hadn't been killed so suddenly, she wouldn't have died just like that.

It could have been a personality issue, but she didn't like people who felt sorry for themselves and were weak and incompetent.

Now that Mu Qiaona had pulled herself together and showed some gusto, Xia Xibei was in a pretty good mood.

It took half an hour to finish taking these photos.

Xia Xibei drew the quilt next to them, covered their bodies, then squatted down, showing the phone screen to them.

"Let me show you your wonderful work!"

Qiao Weiyue and Qian Ying looked at the photos of them tangled together and almost passed out.

However, with Xia Xibei around, it was not so easy to faint.

They braced themselves to see the photos, wanting to break Xia Xibei into pieces!

Especially Qiao Weiyue, his eyes were on fire.

Who the hell was this woman? He must kill her!

Seeing his anger and threatening eyes, Xia Xibei smiled and patted his face, then wiped her hand on the quilt in disgust.

"Don't worry, I won't release these. After all, there's still some face to save for you guys! However, if you do anything wrong, I don't mind sharing them!"

Chapter 834: Abusing The Scumbags (4)

There were several reasons why Xia Xibei chose to do this.

With Qiao Weiyue's status, even if the police were called, it wouldn't necessarily teach him anything.

After all, it was only attempted rape!

When the time came, he'd get a bunch of lawyers and naturally wash his hands of it all.

However, this was not good for Mu Qiaona.

In this strict society, women were already subject to much harsher accusations and discrimination.

Even if she was the victim, in the eyes of those who were watching, it was her fault.

When the time came, it would be her who would be hurt.

After that, if Mu Qiaona wanted to be a star, these things would hurt her a lot. After all, she hadn't grown up enough to be fearless of the elements.

Moreover, Qiao Weiyue was from the Qiao family and was Qiao Yanjue's older brother.

Even though they were not on good terms, this kind of thing would affect the Qiao family.

When the time came, if they emotionally kidnapped Qiao Yanjue, how disgusting would that be?!

All in all, calling the police was an inefficient and useless method.

With this approach, it would be a different story.

Xia Xibei had the recordings of Qiao Weiyue's crimes and now she had taken these unsightly photos, which would be a good way for her to keep Qiao Weiyue in check.

If Qiao Weiyue dared to act rashly, she would release these photos.

By then, even if Mu Qiaona did suffer, they definitely could not be happy either.

At that time, it would be a lose-lose situation.

Oh no, it should be said that Qiao Weiyue would be worse off.

If these photos got out, even if he denied that it was not consensual, who would believe him?

He usually partied so much that playing with men and being played with by men would be very normal for him.

The barefoot one was not afraid of the one wearing shoes.

Mu Qiaona was barefoot, while Qiao Weiyue was wearing expensive leather shoes.

How would he dare to mess around?

Sure enough, after Xia Xibei said these words, the anger in Qiao Weiyue's eyes suddenly dimmed, and his eyes became flustered.

If this got out, his reputation would be ruined!

On top of that, he started this whole thing!

If he hadn't made the first move against Mu Qiaona, it wouldn't have turned out this way!

Even if the matter fully came out, he would be the one to lose the most in the end!

Thinking of this, he was immediately abashed.

Xia Xibei smiled, "Don't worry. If you behave, we can pretend this never happened. However, I have one more condition."

Qiao Weiyue's eyes widened.

Xia Xibei patted his chest, and he instantly felt that he could speak.

"What- What do you want?"

His voice was unconsciously faint.

"It's no big deal, but I think you are quite rich. We need a little compensation for all these injuries we've suffered today."

She rubbed her fingers together in a gesture of "a little bit."

She wanted money?

That would be easy then.

Qiao Weiyue nodded. "Yes! But let me up first!"

He felt like he was about to lose his breath, being pressed by Qian Ying like this. It was disgusting and heavy.

Xia Xibei nodded, "OK."

She pulled Qian Ying up from him and also patted Qian Ying.

When both of them realized that they could move around, they immediately became happy.

However, before they could make their next move, they heard Xia Xibei laugh.

"You know, I don't mind if we talk about this properly, but if you do anything stupid, I don't mind making you do it for real!"

For real? What was real?

The two men froze, and when they figured it out, they turned pale!

Just now, those photos were just posing. If it was the real thing...

They looked at each other and almost threw up!

However, they also did not dare to act rashly.

Chapter 835: Compensation (1)

Qiao Weiyue was about to cry. Where did this crazy woman come from?

She was so strong, and also had magic moves, like using acupuncture points to immobilize them, so they could not resist at all!

The image of himself being tossed around just now made him want to vomit.

He couldn't even call the police for this kind of thing.

If he did, he would be the one to suffer!

"How much compensation do you want?" Qiao Weiyue gritted his teeth and asked, wanting to solve this matter quickly.

The most pitiful thing was that he started this matter himself!

Even if it was a con, he was the one who set the trap!

However, he was caught instead of getting to do something salacious!

"Not much." Xia Xibei looked at him with a smirk, "Just give us five million."

"Five million?!" Qiao Weiyue almost jumped up. "Are you crazy?"

Five million yuan!

Where could he get so much money!

Before, he was still quite rich, but he had to ruin it all.

He spent money really fast and also kept a few lovers, plus he had to fill the company's losses, so he spent money like water.

Moreover, he had now been driven out of the Qiao Group. Although he had some shares, it was only the middle of the year, and dividends had not yet arrived!

He had spent almost all of his previous dividends, and the next round had not yet arrived.

If he had to give five million at once, it would be like stabbing him in the heart!

"Yo, Mr. Qiao, Mr. Qiao. Aren't you Mr. Qiao?" Xia Xibei looked surprised and tsk-tsked. "Five million is a small amount for you. You can afford it. You're a boss, right? You can't be that poor?!"

Xia Xibei certainly knew that Qiao Weiyue did not have much money on him. After all, he had just been expelled from the group.

Five million was a little difficult for him, but not so much that he couldn't deliver it.

Besides, it would be a shame not to let him bleed a little!

Qiao Weiyue was ridiculed by her words and turned ashen.

In this situation, what should he say?

Should he say that he didn't have any money?

"If you don't have money, you shouldn't have sounded so brash before!" Xia Xibei huffed. "Sir, I thought you were rich because of the way you sounded before! You can't even get five million?"

Hearing Xia Xibei say "sir," Qiao Weiyue was about to spit blood.

He would have called the police if it were normal. This was blatant blackmail!

In this case, however, he simply did not dare to act recklessly. Unfortunately, he was in the wrong here.

"Five million..."

He hesitated a little.

"Yes or no?" Xia Xibei directly interrupted his hesitation. "If not, I can't guarantee that I won't do something!" She patted Mu Qiaona. "Anyway, we're not afraid since we have nothing to lose!"

Mu Qiaona looked confused but still nodded obediently, "Yes!"

They were the ones who were on board, so of course they had to support each other unconditionally.

After making the threat, Xia Xibei laughed again, "But don't worry, as long as you give the five million, this matter will be over!"

Qiao Weiyue couldn't help but look up.

"Really?"

It'd be over?

"Of course!" Xia Xibei nodded. "Don't worry, we won't get rich from this kind of thing."

"Then will you give me back all the evidence?"

"No," Xia Xibei refused instantly.

Without waiting for him to look upset, she immediately said, "Don't worry, as long as you don't mess around, we definitely won't mess around either. Besides, if we continue to threaten you, you can call the police to arrest us. We can be tried for two crimes together, and then we will definitely be worse off than you. We won't be so stupid.."

“We’re just doing this for peace of mind, too.” Xia Xibei continued to brainwash him. “We’re all ordinary citizens, we don’t mess around.”

God damn ordinary citizens! Was there any citizen as mean as she was?

Qiao Weiyue griped madly in his heart but did not dare to refuse directly.

He hesitated for a moment, weighing the pros and cons, and finally gritted his teeth.

“Okay! I will give you the money! But you have to guarantee that this evidence will never come out!”

This time, he was the one who was in the wrong, so he really had to give the five million.

If there was a next time, he would definitely retaliate!

“Don’t worry!” Xia Xibei’s smile was brilliant. “We are as good as our word!”

Mu Qiaona watched Xia Xibei and Qiao Weiyue discuss their compensation plan so quickly, dumbfounded the whole time.

She was really good at this blackmailing thing! Was the girl a chivalrous hero?

Xia Xibei did not know what was going on in Mu Qiaona’s mind. She just handed her phone to Qiao Weiyue, “Transfer the money.”

Qiao Weiyue took the phone, his expression a bit strange.

“Don’t try anything stupid. I’ve already passed these photos to my friend. If you mess up, we’ll immediately send them out! Moreover, even if there are others coming, you are still a hostage!”

Xia Xibei’s glib words made Qiao Weiyue shiver and immediately dispelled any ideas in his mind.

However, he did not have five million on hand.

He hesitantly looked at Xia Xibei, “Let me make a phone call to raise the money!”

“Yes, go ahead.” She also offered advice. “You have so many friends, surely there are some who can help you?!”

Qiao Weiyue looked down, searched for a while, and quickly found a number.

“Hey, Brother Xianyao? Yes, this is Weiyue. I have something that I need your help with...”

Xianyao?

Xia Xibei’s eyebrows twitched.

This name was a bit familiar!

“Okay, okay, I’m also in G City now. I’ll come find you tomorrow!”

Also in G City?

Xia Xibei quickly racked her brain, finally remembering this person.

It was Wan Xianyao! He was the father of Wan Shijie and Wan Shicheng, and the older brother of Qiao Weiyue's wife Wan Yunfei.

It was normal for Qiao Weiyue to borrow money from Wan Xianyao. After all, they were brothers-in-law.

Qiao Weiyue hung up the phone and waited a little longer, then the phone rang.

"The money has arrived. How do I transfer it to you?"

Xia Xibei looked to Mu Qiaona, "Your bank account number."

"Huh?"

Mu Qiaona froze for a moment and wanted to refuse, but after meeting Xia Xibei's eyes, she obediently reported her account number.

Very quickly, Qiao Weiyue transferred the money over.

Mu Qiaona's cell phone, which had fallen to the floor, rang.

Picking it up and looking at it, she froze.

Although she knew that five million had been transferred to her account, how could she not react when she saw such a long string of numbers for the first time?!

"OK! Thank you Boss Qiao for your cooperation!"

Qiao Weiyue breathed a sigh of relief to himself. Was this going to be over?

"But..."

The words made his heart clench. Was it still not over?!

Xia Xibei looked to Mu Qiaona, "What do you want to do with this person?"

She looked over to Qian Ying, who was shrinking into a quail.

Qian Ying trembled. He had shut up the whole time. Why didn't they let him go?

Mu Qiaona's eyes flashed with sadness and anger.

She was most sad that the person who betrayed her was Qian Ying, her own boyfriend!

"Nana..."

Qian Ying grinned an embarrassing smile, but in the next moment, he screamed miserably.

Mu Qiaona had kicked him in the groin!

Qian Ying's painful shout instantly cut through the silence of the room..

Chapter 837: Compensation (3)

When Mu Qiaona kicked him, Qian Ying immediately screamed and curled up.

This was the most fragile part of a man; it was hard to heal here.

Even if it got better afterward, it would be almost ruined.

Looking at Mu Qiaona's ferocious appearance, Qiao Weiyue was also startled and couldn't help but take a few steps backward.

It was horrible!

Were all women this scary?

He couldn't help but be glad that Mu Qiaona didn't have the strength before. Otherwise, maybe he would have ended up the same way!

Xia Xibei gave a satisfied nod.

Good. She liked this kind of temper and tenacity!

If Mu Qiaona had easily let go of Qian Ying, she would be very disappointed in her.

People who easily let go of their bullies were the kind of noble people that Xia Xibei would stay away from, for fear of being infected.

Luckily, Mu Qiaona was not so noble.

However, after giving Qian Ying a kick, Mu Qiaona was a little worried.

What if he called the police?

In her moment of anger, she had forgotten about this.

However, she quickly came back to her senses and said to Qian Ying, who was still moaning, "We're done! I am not afraid if you call the police!"

That was what she said, but she was still a little nervous.

What man wouldn't hate it if this part of his body was injured?

Xia Xibei added with a smile, "Don't worry, I believe he has a sense of proportion. After all, he initiated this matter. If you call the police, when you get caught, he can't get away with it. It'll be a lot of trouble for Mr. Qiao."

As her eyes glanced at him, Qiao Weiyue's heart jumped and he immediately assured them, "Don't worry, he definitely won't dare to call the police!"

He also gave Qian Ying an angry glare.

If Qian Ying hadn't mentioned this idea, he wouldn't have ended up in this situation and lose five million yuan!

"Mr. Qiao is really an understanding person!" Xia Xibei smiled gently, but it made people's scalp tingle. "If this matter gets out, it's not good for anyone!"

It would be especially miserable for Qiao Weiyue.

Xia Xibei also added, "We're not too worried, we're just afraid that Mr. Qiao would suffer. I heard that you have two brothers, right?"

This sentence made Qiao Weiyue's heart flutter.

Exactly!

If this news got out, could Qiao Yanjue pretend that he didn't know and not use this against him? No way!

No, it must not get out! If this got out, he would lose what little shares he had left!

"Don't worry, there will be absolutely no problem!"

"Mr. Qiao is really good to do business with!" Xia Xibei applauded. "Well then, it's late, we should go now. Good night."

After saying that, they really just left.

After they left, Qian Ying was relieved, but was then slapped to the ground by Weiyue, revealing his private parts.

This made Qiao Weiyue remember what happened before, and he almost wanted to vomit.

He said in a cold voice, "I hope you know what you can and can't say! Otherwise, I don't mind letting you know what it means to suffer even worse!"

Qian Ying was instantly chilled to the bone.

Although he hated Mu Qiaona's ruthlessness in his heart, he also knew that if he disobeyed, it would really be the end!

So, even though he hated it, he could only pretend that it never happened.

Mu Qiaona had evidence, so she was not afraid, and Qiao Weiyue was from the Qiao family, who were not so easy to mess with!

He shrank his neck and said in a small voice, "I- I know."

As for Mu Qiaona, who had extorted five million yuan, she went outside to a quiet spot.

There, her limbs went weak, leaning against the wall, and she couldn't help but cry..

Chapter 838: Fangirl

With everything happening before, Mu Qiaona simply didn't have time to process.

Now that she was finally safe and sound, all the emotions from before came rushing up.

Fear, sadness, aggravation, hatred, anger, remorse... Complex emotions all woven together... It made it impossible for her to control her tears.

She did not cry loudly. She just buried her face between her legs, tears pouring down her face.

Xia Xibei stood by her, not saying anything, just waiting for her to recover on her own.

After ten minutes of crying, Mu Qiaona stood up, wiped her tears away, took a few deep breaths, and collected her thoughts.

"Thank you!" she said very seriously to Xia Xibei. "If it wasn't for you, I would be..."

"Yes."

Xia Xibei frankly accepted her gratitude.

If it wasn't for this coincidence, Mu Qiaona would have had to repeat the mistakes of her previous life.

However, Xia Xibei was curious. Did this happen to Mu Qiaona at this time in her previous life?

When she thought about it, it dawned on her.

In her previous life at this time, Qiao Weiyue did not appear in G City at all, so it was impossible for him to see Mu Qiaona and have such things happen.

In this life, Qiao Weiyue's trajectory changed, and along with it, things changed for Mu Qiaona too.

Luckily, she was just in time and didn't let Mu Qiaona suffer.

"That money..."

"How much do you want?" Xia Xibei asked her.

The money certainly could not all go to Mu Qiaona.

"Me?" Mu Qiaona hurriedly shook her head. "I don't want it!"

"You're the victim."

"I would really be a victim if it weren't for you." Mu Qiaona laughed and shook her head. "Never mind the money, it's not easy for me to stay alive."

She knew very well that the money was all because of Xia Xibei. Otherwise, she would be in dire straits.

So, she didn't want the money.

“Aren’t you short on money?” Xia Xibei asked. “Even if you only took 100,000 yuan, it’s still enough to get you through your current problems.”

“No,” she shook her head firmly. “This is not money I deserve. I need money, but I’ll work hard to earn it.”

The money had nothing to do with her.

“Aren’t you afraid your parents won’t be happy? This is five million!”

When these words came out, Mu Qiaona’s expression froze.

Yes, it was five million!

If her parents knew that she had turned down the five million, they would be furious!

“I won’t tell them.” She shook her head, “They won’t know.”

If they didn’t know, they wouldn’t be angry.

“Are you sure you don’t want it?”

“No.” She shook her head firmly. “Just tell me your card number, and I’ll transfer it to you.”

She understood the reason Xia Xibei didn’t use her own card number. It must be because she didn’t want Qiao Weiyue to find out her identity.

“By the way, what’s your name? I don’t know your name yet!” she asked curiously. “Don’t worry, I won’t tell anyone!”

Xia Xibei curled the corner of her mouth, “My name is Xia Xibei.”

“Xia Xibei... Xia Xibei?!” She drew in a breath. “You’re Sister Bei?!”

Xia Xibei smiled, “You know me?”

Mu Qiaona was surprised.

“I’m a Beiliever!”

Xia Xibei’s fans were called Beilievers.

Xia Xibei was surprised, “You’re a Beiliever too?”

She was a little surprised.

In her previous life, she was a fan of Mu Qiaona, and in this life, their roles were switched?

“Yes! I’m super fond of you!” Mu Qiaona immediately perked up, revealing the crazy excitement of a fangirl. “I’ve watched all your shows several times! I even joined the fan group!”

Chapter 839: Part-time Talent Scout

Xia Xibei was surprised to learn that Mu Qiaona was a fan of hers.

This was incredible.

Knowing that it was Xia Xibei, her idol, who had saved her, Mu Qiaona almost jumped up and down from excitement.

“That’s amazing! I can’t believe that it was you who saved me! You’re so amazing!”

“We were talking about whether your performance on the show was real or not! Now I’m sure it’s all real! You’re really amazing!”

Looking at Mu Qiaona’s excited fangirl look, Xia Xibei’s mood was a bit complicated.

She didn’t expect Mu Qiaona to like her so much that she would turn into a chatterbox.

“If the other Beilivers knew that you helped me, they would be so jealous!”

Mu Qiaona’s eyes seemed to glow, as if all those nightmarish things that happened before were just dreams.

After a while, she calmed down and touched her head, a little embarrassed.

“Sorry, I got too excited.”

“It’s fine. It’s okay.”

At least she could leave the trauma behind.

Mu Qiaona was a little nervous as she looked at the time.

“It’s already so late. Are you going home?”

Xia Xibei nodded, “Well, I have to go back.”

Mu Qiaona was a little disappointed, “Yes, you have to get some rest. I’m sorry for all the trouble today!”

“It’s nothing.” Xia Xibei smiled and shook her head. “Are you free tomorrow?”

“What’s up?”

Mu Qiaona’s eyes immediately glowed. Her idol wanted her to go somewhere?!

“Do you want to go see SY?”

“Huh?” She looked confused, “See- See what?”

SY Company? The company where Xia Xibei worked?

“I think you sing quite well. Do you want to come and audition?”

“You- You’ve heard me sing?” Mu Qiaona’s eyes widened.

“Yeah, I heard it in a bar before. That’s why I came to look for you. I didn’t expect to catch you just in time.”

Xia Xibei’s excuse didn’t make Mu Qiaona suspicious, but rather embarrassed.

“I’m actually not very good at singing.”

“Be more confident! You sing very well!” Xia Xibei said seriously.

“Really?”

She was even more shy, yet she couldn’t resist hearing more praise.

“Yes,” Xia Xibei nodded. “Maybe some of it was not too professional, but with a little training, you’ll be much better. You’re doing very well.”

“Really?”

Her eyes brightened even more.

“Really. And don’t you know how to compose too? You can try it out.”

“How do you know that?”

Mu Qiaona was even more surprised.

How did Xia Xibei know that she could compose? She didn’t seem to have shown off the skill anywhere.

“I just heard about it.” Xia Xibei kept up the white lies with a blank expression. “SY is now recruiting trainees, so you can come and try. As long as you have good enough work, you will be able to debut soon.”

This surprised Mu Qiaona.

“Is it really possible?”

“Of course,” Xia Xibei nodded. “If your work is good, you can debut as a singer-songwriter when the time comes.”

A singer-songwriter!

Mu Qiaona drew in a breath. It was more fantastic than she had ever imagined!

If she could really be a singer, that would be great!

Mu Qiaona had thought about being a star before, but she hadn’t dared to think too much about it. After all, it was too far away from her.

But now Xia Xibei gave her hope!

She was so happy, she didn't even ask Xia Xibei when she started working part-time as a talent scout.

"Yes, I'll come over tomorrow!"

Even if she was not free and had to take time off work, she had to go!

Chapter 840: The Wrong Focus

It was almost midnight when Xia Xibei returned home.

At this hour, Qiao Yanjue was still up, waiting for her at her place.

Xia Xibei had just opened the door when she saw him walking over.

"Why are you so late?" Qiao Yanjue frowned. "What happened?"

Xia Xibei was quite popular now. If it was any other company, they would have arranged all kinds of variety shows and gigs for her, trying for her to be seen everywhere.

She wouldn't be able to run around so easily.

However, her situation was different from others.

As of now, she had no serious projects. Variety shows didn't count.

The movie and an idol drama she shot before had not been aired yet, and naturally, she had no work to show.

If she didn't have any work but went around for press, it would be counterproductive and could affect her popularity.

Xia Xibei had been through this kind of thing for a long time and already had experience; she would definitely not let herself be disliked.

Of course, she would not waste the golden time of summer vacation.

She asked Pan Yan to turn down a lot of gigs, wanting to release a song or two first.

Her excuse for taking time off from work today was to work on songs at home.

In fact, she already had the songs, so she could just take them out when it was time.

After all, in her previous life, she had also composed several popular songs.

She had many classic songs in her head. However, she did not need to rob others of their work because she had enough strength herself.

Together, with knowledge from the two worlds, she had many different experiences in her mind to turn into various works. There was no need to plagiarize others' works at all.

That was why she took advantage of this time to look for Mu Qiaona.

Only Qiao Yanjue, the boss, knew what she was doing today.

It was fortunate that she went over today. Otherwise, she wouldn't have been able to save Mu Qiaona.

"Something did happen," Xia Xibei grunted.

"Hmmm?" Qiao Yanjue was curious. "What happened?"

"Guess who I met today?" Xia Xibei asked instead of answering.

"Who?"

"Guess. Someone you know."

"Someone I know? Male or female?"

"Male."

"Male..."

Qiao Yanjue frowned. Xia Xibei's expression clearly indicated that this matter was not ordinary.

"How old is this person?"

Xia Xibei smiled and looked at him, "Forty-something."

A man, around 40 years old, and Xia Xibei's smile was so strange...

"Qiao Weiyue?"

Xia Xibei raised her eyebrows in surprise, "How did you guess it was him?"

"It's really him?" Qiao Yanjue was also surprised. "He's the only man we know in his forties."

Xia Xibei's expression already said a lot too.

"Besides, Qiao Weisen is somewhere else right now and doesn't have time to run around at all. Only Qiao Weiyue is free to wander," Qiao Yanjue explained.

After all, Qiao Weiyue had no job now, and could waste his time.

Xia Xibei nodded, "Indeed, he is really free."

More than free, he was simply too free!

Qiao Yanjue frowned, "What did he do?"

"What he did was great!" Xia Xibei mocked. "If I hadn't caught up with him, he would have ruined a good girl!"

After she told him what happened today, she took out her phone.

“Let me show you something exciting!”

Qiao Yanjue watched as she clicked on the photo album, the pictures filled with flashes of pale flesh.

He was stunned.

“What is this?!” he asked, snatching the phone.

When Xia Xibei explained, his face darkened.

“And you touched him?”

Xia Xibei was speechless.. This was not quite the right focus!
