

Chapter 826

“Did you forget our favorite food before?” Ouyang Feifei asked. In the past, they had a simple and varied breakfast, but the only thing they ate was the combination of soy milk and fried dough sticks.

The fried dough sticks should be freshly fried and still hot to taste. Soy milk should not be too sweet. I only asked if it came out of the soy milk machine. And such a breakfast can be done within five yuan, which is very cheap. Although they don’t care about the money, eating breakfast like that is the most different feeling.

Of course I remember, how could this be forgotten? Yin Luo said, recalling that carefree and quiet time so far, I feel that the things of the previous few years are like dreams. They haven’t changed, Feifei is still carefree, and you still watch horror movies for some of their favorite things at night. Their favorite breakfast is still soy milk fritters.

Then we are the same way? Yin Luo asked, thinking that it might have been a long time since Feifei wanted to have breakfast together. After graduating from university, she herself didn’t eat soy milk fritters very often. Read it.

Okay. Ouyang Feifei squinted and smiled at Yin Luo.

After ordering the meal, they sat opposite each other, and according to the past habit, first put a fried dough stick in soy milk, and then ate them together. In fact, the deep-fried dough sticks without soy milk are very crispy and delicious. So they are used to soak some fried dough sticks according to their own preferences, and then eat some fried dough sticks directly.

Ouyang Feifei happily ate the fried dough sticks, and praised “It is delicious, it still tastes the same. I haven’t eaten this kind of breakfast in a long time abroad.”

If it’s delicious, then you can eat more, don’t worry. Yin Luo shook his head, looking at Ouyang Feifei’s anxious look helplessly.

After Ouyang Feifei finished eating a fried dough stick, she looked at Yin Luo who was still eating a fried dough stick slowly. Yin Luo felt Ouyang Feifei’s serious gaze, so he put down his chopsticks and looked at her curiously, “What? Why are you looking at me? Is there anything on my face?”

Ouyang Feifei rested her chin with her hand, still looking at Yin Luo thoughtfully, and said seriously, “Luo Luo, I feel you have changed.”

I have changed? Where has it changed? Yin Luo asked Ouyang Feifei nervously. She changed, why didn’t she feel it? But it is also true that you may not feel your own changes. Look at Feifei’s serious look, it shouldn’t be a lie to her.

If I tell the truth, you are not allowed to beat me, you swear it first. Ouyang Feifei asked Yin Luo to guarantee first.

Okay, I promise I will never hit you. Yin Luo was very curious. If she really did something that is not as good as before, or if she has forgotten her original intention, if she is really wrong, she is willing to try

her best to change it. Only if one person is willing to admit the mistake, and then change the mistake, then this mistake will have the opportunity to make up for it.

But if you make mistakes again and again, you will go further and further away from your original self, and you will become a person who even hates you. And Yin Luo didn't want to be such a person. She always wanted to believe that with a good heart, she could go farther and farther and everything went smoothly. And if you complain about life all day, nothing will happen and you will regret all day long.

Seeing Ouyang Feifei still staring at her, Yin Luo put up her three fingers and swore, "I swear by Yin Luo, if you tell the truth, I promise not to kill you."

Guarantee not to kill? Luoluo, why are you doing this? Are you sure you are going to beat me? Then I won't say it. Ouyang Feifei narrowed her mouth. She wanted to praise her.

Okay, okay, I just joked with you. Yin Luo held up three fingers again and swears, "I swear by Yin Luo, no matter what Ouyang Feifei says, I won't hit her, no matter what. She doesn't know how to pinch her, beat her, kick her, slap her, pat her, etc. Anyway, Ouyang Feifei will not be harmed a bit. Okay, you can rest assured now."

Yes, then I said it. Ouyang Feifei nodded, staring at Yin Luo against the sky's long eyelashes, and said enviously, "Luo Luo, you are getting more and more beautiful, you see that your eyelashes are longer than before. It's dense, and those big eyes look very sensational, and the eye shadow matching colors are much better. Take a look at this face, the small panel is nice."

Huh, you scared me to death. Yin Luo originally thought that what Ouyang Feifei said had changed. It was something else. If it hadn't been for the assurance that she would not hurt her before, it would be difficult to guarantee that she would not do anything to Ouyang Feifei.

However, Ouyang Feifei's compliment to her is still acceptable, but it is a bit exaggerated.

Feifei, I really envy you. I have such a good-looking, kind-hearted, and kind-hearted girlfriend to you. Yin Luo said that he was not too embarrassed.

Ouyang Feifei shook her head, "No, what I want to express is not what I mean. I want to ask, is it because you are a man that you look so good now? Because you like your man, you want to express yourself in front of him. , So it's getting better and better. Don't you love your man too much?"

Yin Luo was helpless, but Ouyang Feifei was shocked? Why always like to mention her man, even though Yin Luo knew that Ouyang Feifei was only joking with her. Could it be, she also hopes she has a man? Chunxin is rippling.

Yin Luo sneered, "Feifei, if you think I'm good-looking because of a man, then you might as well find one, so you can definitely become a beauty with your current capital."

Not quite Ouyang Feifei directly said shamelessly, "I'm fine, I'm so good-looking, so I don't need a man at all."

Yin Luo glanced at Ouyang Feifei, she really became less and less reserved. She had never been reserved before, and she didn't think she was holding anything. "It's because my Feifei is so powerful and doesn't need any man at all. This meal is so delicious, so you can eat your meal."

After they had eaten it, Yin Luo was embarrassed. What kind of food should Yi Yan bring? He is a patient and can't eat fried dough sticks as greasy as she and Ouyang Feifei.

Yin Luo asked Ouyang Feifei for help, "Feifei, what kind of food should I bring him."

I also have choice difficulties. Ouyang Feifei shook her head, expressing that she was powerless. It was so difficult for her to buy things on her own, not to mention that she had to choose for such a cold man, so she didn't pay attention.

Luo Luo, you have been with him for so long, don't you know what he likes to eat in the morning? Ouyang Feifei can only give Yin Luo a hint in this way, and she really can't do anything else.

Yin Luo listened to Ouyang Feifei's words, thought about it carefully, and replied in embarrassment, "I don't seem to know, he doesn't seem to be picky eaters, he eats whatever Zhang Ma does."

But there is another possibility that Zhang's mother has always known what Yi Yan likes to eat, so she deliberately avoids what Yi Yan doesn't like, and will eat everything that Yi Yan does. Of course, she doesn't seem to be picky.

It's just that Zhang's mother usually cooks toast bread, milk or something, and the breakfast shop didn't buy it, and she couldn't always eat that.

You are his wife, why don't you know anything about his preferences? Ouyang Feifei really doubts whether Yin Luo is married or not, and he doesn't care about feelings as much as before.

Yin Luo squatted, looking aggrieved. She usually doesn't pay much attention, so at this critical moment today, she doesn't know what to do.

Then you can just buy some, maybe he really doesn't pick it, just what is suitable for the patient. And even if he is a bit picky, you brought him the meal personally, he will definitely not dislike it. Ouyang Feifei could only comfort Yin Luo in this way.

It makes sense. I have worked hard to bring him food, so he can't say anything. Yin Luo nodded and started to look at the menu earnestly. When watching every dish, she had to think once Yi Yan is a patient now, can she eat that dish.

Then...a bowl of noodles, a boiled egg, and some stuffed buns with mushrooms. Yin Luo finally decided.

The noodle water is to help Yiyan nourish the stomach, the egg is to supplement nutrition, and the steamed bun with mushroom filling is her favorite. Not only does she like to eat, shiitake mushrooms should also be very nutritious, and eating them should also have certain benefits for Yiyan.

Seeing that Yin Luo had already packed up the food, Ouyang Feifei said goodbye to Yin Luo, "Luo Luo, since you are ready, then I won't be with you. If your man sees me in the hospital again, it's no use. The look in your eyes can't kill me."

How can he be so terrible. Yin Luo weakly defended Yi Yan. Well, his eyes can really kill people when he has time. But he can't kill innocent people indiscriminately.

Ouyang Feifei couldn't agree with Yin Luo's words at all. The man she saw yesterday was only his normal side. If one day he would be angry and sad because of a person, he would be terribly like a devil. It may

be more terrifying than the devil, and it can be suffocating at a glance. In short, under the cold skin of such a man, something colder may be hidden.

So there must be someone destined to warm him and influence him. And this person is undoubtedly Yin Luo, but Ouyang Feifei feels that there is still some gap between Luo Luo and his feelings, so she can't do her best to love.

But Ouyang Feifei believes in her own self-consciousness. They will definitely be able to achieve positive results after going through the nine-nine-nine-eighty-one difficulties and go on happily. This journey will last a lifetime.

Maybe in front of you, he is not so scary. Ouyang Feifei muttered softly. Yin Luo's attitude towards her and others is not the same at all. She might naturally feel that he is not so scary. However, if this is for someone like her who meets Yi Yan for the first time, it will definitely feel the same as her.
