

He had already spent ten days waiting here.

So Mochizuki Kawa had genuinely lost his patience and didn't want to waste his time here.

After Mochizuki Kawa defeated Tong Shan, his eyes landed on Xu Lei once again.

"I didn't think so many people would pop up to interfere when I want to kill a woman. No one else is going to save you now, right? Miss Xu, it's time to face the music. The ten day deadline is up, and you are out of time. I told you. If he doesn't turn up, you will die."

His calm voice was filled with indifference towards life.

For grandmasters like Mochizuki Kawa standing at the summit of success and power, taking lives was a mundane affair.

No one knew how many blood and lives Mochizuki Kawa's sword had claimed on his path to success.

It was as though Mochizuki Kawa just gave Xu Lei a death sentence as he spoke.

He gradually raised his arm as he stood at the lake's center.

Everyone pitifully sighed when they saw this happening from the lakeside of Dongchang Lake.

“Beautiful women suffer tragic deaths from time immemorial. It looks like this stunning woman will meet her end today too,” lamented someone as he shook his head.

“Mr Chu is such a douchebag! Even a bodyguard knows it's his duty to protect his master. But what about him? His wife was held hostage for ten days, but he kept hiding like a coward. Now that she is about to get finished off, he is still hiding like a chicken. Can he call himself a man? Is he fit to be King of Jiangdong? He's worse than a pig!” shouted someone furiously.

“Haha! Ye Fan, this is retribution! This is sheer karma! You were so cocky at the opening of Mufan Real Estate and when you destroyed Qiushui Logistics. But look what happened in the end? Times have changed and so has your fate. Now you will finally lose all reputation! By the time all this is over, it will be impossible for you to stay in

Jiangdong,” chuckled Chu Wen-Fei as he gloated.

Everyone at the lake was in an uproar as they bore witness to Ye Fan’s cowardice.

Tears welled in Qiu Mu-Cheng’s eyes from guilt. She wanted to run over and tell Mochizuki Kawa the truth that she was Yee Fan’s wife and save Xu Lei.

But Li Er and the others pulled her back hard and didn’t let her go.

After all, Qiu Mu-Cheng was Ye Fan’s wife.

If any mishap befell Qiu Mu-Cheng, how would they answer to Ye Fan when he came back?

Moreover, Qiu Mu-Cheng would be incapable of saving Xu Lei and end up endangering herself, given how powerful Mochizuki Kawa was.

So they naturally had to stop Qiu Mu-Cheng from going over.

“But how can I stand on the sidelines and watch Miss Xu die in my place?”

Chapter 828 Time to Face Your Fate

Qiu Mu-Cheng's heart was filled with guilt, helplessness, sorrow, and all kinds of emotions.

Even Su Qian was anxious and worried.

"That stupid Ye Fan. Why isn't he here yet? He had the balls to stand up and defend Jiangdong at Mount Tai. Why doesn't he have the guts to protect his woman now?" shouted Su Qian anxiously in fury.

Despite being completely unacquainted with Xu Lei, even He Yu-Rou couldn't help feeling sad watching the ravishing Xu Lei get executed.

He Yu-Rou's eyes went red as she begged Chen Ao, "Uncle Chen, can't you do something and save her? She's so young, pretty and her life has barely begun. How can she just die?"

Since He Yu-Rou was particularly kindhearted, she couldn't help crying as she spoke.

No one in Jiangdong was capable of opposing Mochizuki Kawa, and even Mr Chu hid cowardly. What else could Chen Ao do?

So Chen Ao could only sigh when He Yu-Rou implored him with sorrow.

His eyes were filled with powerlessness and pity.

“It’s useless. No one else in Jiangdong other than Mr Chu can handle Mochizuki Kawa,” sighed Chen Ao softly.

Chen Ao made no mention that even with Mr Chu around, he wasn't certain whether Mr Chu could defeat Mochizuki Kawa.

After all, everyone keenly understood how much stronger Mochizuki Kawa was compared to Wu He-Rong after the earlier battles.

He Yu-Rou instantly looked around, seeming like she was trying to find Mr Chu.

“Mr Chu, are you really not coming? Are you really going to stand on the sidelines and be a coward while your woman dies?”

He Yu-Rou’s eyes turned red. In her heart, she felt increasingly disappointed with the man called Mr Chu.

Chapter 828 Time to Face Your Fate

Since He Lan-Shan was her father, He Yu-Rou knew about Mr Chu, the King of Jiangdong.

In the past, she thought that the man who could unite Jiangdong and become its leader and even make her father send a bottle of Jiangdong Supreme as a gift ought to be a true hero.

But it seemed she was mistaken.

She was deeply mistaken.

What hero?

He was nothing but a coward.

From now on, the so-called Mr Chu was probably going to be reduced to a laughingstock.

Just as everyone lamented the loss of Xu Lei, Mochizuki Kawa's raised hand was coming down.

He attacked viciously and left waves of piercing explosion in the air.

No one bore any doubts that the beautiful

woman on the boat was going to perish from Mochizuki Kawa's attack.

However, Xu Lei didn't show any fear in the face of death.

Her lovely pale face kept gazing into the distance.

She looked into the endless skies as snow fluttered in the air.

She wished so dearly that she could see Ye Fan one last time while she was on the brink of death.

Her parents died in an accident when she was young, and her biological relatives were heartless.

So Ye Fan meant everything to Xu Lei.

She had no regrets about taking Qiu Mu-Cheng's place and die.

She knew how much Ye Fan's wife meant to him.

If Xu Lei's sacrifice could ensure his happiness, she felt contented she could

help.

Xu Lei's only regret was that she couldn't personally give Ye Fan the tangerines she planted.

"Fan, farewell. If a next life exists, I hope I can be your wife then."

Life was quietly over as she knew it.

The young and beautiful Xu Lei faced her death bravely.

She looked into the distance behind her before she finally closed her eyes and waited quietly for the grim reaper to claim her life.

No one noticed Xu Lei still hugging onto the pot of tangerines she had planted just for Ye Fan.

She didn't let go of them, even in death.

A few drops of tears trickled down her face slowly amid the snow and wind.

Her tears tumbled down her face nonstop like pearls.

Snow filled the skies over Dongchang Lake.

Everyone watched as the beautiful woman faced her death so bravely and felt pitiful for her.

However, Suzumiya Eigetsu couldn't help going in a daze as she witnessed Xu Lei's moving and tragic death.

She thought Xu Lei would be filled with resentment, hate, and fear when her time was up.

Instead, all she saw was Xu Lei's endless love for the man.

Suzumiya Eigetsu couldn't help feeling even more curious.

What kind of man was Mr Chu?

Why would such a beautiful woman love him so loyally and remain unwavering even in death?

"Miss Xu, it's time. Sadly, the man you swore to spend your life with didn't turn up to save you," rang the cold voice like the sound of death knells.

He gathered his Aoki Sword Technique energy before shaping it into a sword and hacked Xu Lei's neck with it!

Just as he was about to inflict a killing blow on her, an unexpected powerful raging wind surged wildly.

A cold, menacing voice exploded thunderously into the atmosphere.

“Mochizuki Kawa, if you dare touch Lei, I will destroy the Sword Shrine! If you dare touch a hair on her, I will slaughter all the martial artists in Japan!”

His fury burned like the fires of hell as they destroyed everything in its path.

His menacing voice sounded so cold that it could seal them in ice.

At the drop of his voice, the land shook in tremor while the oceans rocked tumultuously and the wind and snow flowed in reverse.

A tsunami rose in Dongchang Lake like it had gone crazy.

He completely shattered the silence as boundless fury surged towards Mochizuki Kawa.

The boat Suzumiya Eigetsu was standing on almost sank from the raging waves in Dongchang Lake.

Mochizuki Kawa was in no position to continue killing Xu Lei. Instead, he kept his balance and steadied the boat.

The people around Dongchang Lake stared with their eyes wide open and were dumbstruck by the shocking and unnatural sight.

They were so terrified that it felt as though their souls were extinguished!

Who on earth was he?

He raised waves with a single shout!

And he reversed the direction of the wind and snow!

“Oh my god!”

“What on earth was that?”

“That’s more exciting than a book!”

Everyone nearly pissed in their pants.

They felt as though nothing could surpass their sense of amazement in all their lives combined.

Chu Wen-Fei and the others stared as their pupils constricted and their faces went pale. They turned in the voice’s direction as though they had seen a ghost.

And they saw a skinny silhouette running over.

His bangs were fluttering in the wind while he remained expressionless.

The snow was incapable of hiding his imposing aura.

Regardless of the biting cold, his fury couldn't be contained.

He stood amid the snow under the endless skies.

The young man seemed like the incarnation of a demon.

His murderous eyes were filled with a fury so intense that it could burn everything in its sight.

The moment he was born, all his adversaries would be laid to waste.

HUUU!

Cold wind gusted and dispersed the snow in the air.

The snow couldn't touch him as he stood on the frozen ground.

Despite his skinny physique, he felt as imposing and weighty as a mountain to everyone!

"Is that...is that..is that Mr Chu?! Mr Chu is here. Yes, it's Mr Chu!! Haha!" shouted Lei San first when he caught sight of Ye Fan's silhouette.

Then Li Er and Chen Ao's hopeless faces instantly surged with delight and excitement.

"Haha!"

“It’s him!”

“Is he really back?”

“Our King of Jiangdong has returned!”

Everyone was in an uproar instantly.

The people of Jiangdong had sunk into hopelessness, but Ye Fan was like rain after a long drought and made the withered trees come back to life. They were all thrilled the moment they spotted him.

“How...how is that possible? Did that bastard really come back? Isn't he worried about dying?”

Amid their joy, Chu Wen-Fei was in such shock that his eyes nearly popped out of their sockets.

He was thinking that Ye Fan would hide like a coward and end up destroying his reputation.

He didn’t expect Ye Fan would suddenly turn up at the crux!

“Mu-Cheng, it really is him! It’s him. I just

knew that the mighty Mr Chu of Jiangdong wouldn't chicken out," shouted Su Qian with exhilaration.

Qiu Mu-Cheng said nothing and only smiled and nodded with her eyes red. Her face was filled with joy and love as she gazed at the man from a distance.

"Is this Mr Chu, the King of Jiangdong? Why...why is he so young?"

He Yu-Rou was stunned too.

He Yu-Rou used to think that Mr Chu was a middle-aged man around her father's age.

But He Yu-Rou realized she was deeply mistaken when she saw him with her own eyes now.

It was an absolute mistake!

Mr Chu was no middle-aged man and was around her age instead.

"Dragon Master, Shan is..."

Ye Fan ignored the cheers and went straight towards Tong Shan and Qing Tan the

moment he appeared.

Qing Tan's tears trickled down her face uncontrollably when she saw Ye Fan.

She felt like a lost ship that had finally found a safe harbor.

So all her sadness instantly found release.

Ye Fan said nothing. Instead, he swiftly sealed Tong Shan's pulse to protect his heart from the injuries and turned to leave.

"Qing Tan, take care of Tong Shan. I'll be back soon," said Ye Fan coldly with a murderous aura raging through him.

He clenched his fists tightly as he headed towards Dongchang Lake.

All the leaders of Jiangdong welcomed him when he arrived.

"Mr Chu, you're finally here. The people of Jiangdong have been waiting for you for a long time. This Japanese pig has been terrorizing Jiangdong and killing our brothers. He even wanted to endanger Mrs Chu, but Miss Xu offered to get taken

hostage. We are in a terrible crisis now! Please save us from this desperate situation and slaughter that Japanese pig and save Miss Xu!” implored Li Er sorrowfully as he paid obeisance.

“Yes, Mr Chu. We have been waiting for you.”

“Mr Chu, please save us from this threat!”

Chen Ao and Lei San stepped forward and bowed to Ye Fan reverently.

Their actions caused a domino effect.

In an instant, all the Jiangdong elite and bosses stepped forward and paid respects to Ye Fan in unison and implored him to save Jiangdong.

“Mr Chu, please turn the tides and save Jiangdong!”

“Mr Chu, please turn the tides and save Jiangdong!”

Their voices converged before ringing through the air.

Then Chu Wen-Fei, He Yu-Rou, and the
