

## Chapter 831

At dinner, Claire barely moved her chopsticks.

She repeatedly picked up her mobile phone to call Elaine and send WeChat videos, but everything seemed like a stone sinking into the ocean without any feedback.

Jacob looked at ease and content, anyway, he felt that Elaine had better run away, just like Horiyah. In that case, his life would be truly liberated.

Claire repeated anxiously about going to the police station. Jacob said to the side: "Oh, Claire, your mother is an adult. Maybe she has something to do. What do you care about her? What if she is single-minded. If she want to leave this house, you can't let the police catch her back, right?"

"How come?" Claire said seriously: "Mom has been looking forward to the Tomson villa for so long, and now she has finally moved in. She wants to leave this home again, and she will never leave this time because of her character! Dad, you have lived with Mom for so long, don't you still know her?"

Jacob suddenly fell into thought.

The daughter's words woke him up.

Who is Elaine?

She is a person whose vanity is so strong that she can even explode.

And she is also a person who dreams of having fun.

When she left home, it was impossible for her to leave home on the day when the whole family moved into Tomson. This was not her style at all.

Thinking of this, he couldn't help but frown, wondering to himself, could it be that Elaine was really surprised?

In fact, although Jacob dislikes Elaine, he has lived together for so many years after all. If something happened to this person suddenly, his heart is somewhat empty. If he is really staying at home and drinking tea, he always feels a little inappropriate.

So he sighed and said, "Eat first, and I'll go out with you after eating."

Seeing that her father's attitude had eased, Claire felt a little more comfortable, and said hurriedly, "Dad, why don't we wait, let's split up, I'll call the police, and you can find the mahjong hall mother often goes to."

Jacob said: "Okay, I'll find it."

Charlie said: "Wife, let me go to the police with you."

Claire hurriedly said: "This simple, one person is enough, you should go everywhere with dad."

"Okay." Charlie nodded, but he was a little worried about Claire, so he said to Elsa: "Elsa, you can stay with Claire."

Elsa hurriedly said: “No problem, I will be with Claire.”

After a few bites of food hastily, the four of them were divided into two vehicles and left Tomson.

Claire drove Elsa to the police station, and Charlie drove Jacob to the mahjong hall.

However, before getting on, Charlie sent Issac a special WeChat message with the content: “My wife is going to call the police. You should say hello to the police station. Don’t disclose any news about my mother-in-law.”

Issac quickly replied: “Young master, don’t worry, I have already called him. Young Lady will never find any information about her.”

“That’s good.” Charlie relaxed a lot.

Driving the car, Jacob drove out.

As soon as he left the house, Charlie asked Jacob: “Dad, where shall we find her?”

Jacob sighed: “I don’t know where she likes to play mahjong. Just drive around and see if there is a mahjong hall. If you see it, go in and look for it.”

Charlie smiled secretly in his heart. It seemed that Jacob was also dealing with errands and acted to show Claire.

They searched for a few mahjong halls but didn’t find Elaine’s shadow. Jacob was not in a hurry. Anyway, his main idea was to come out and behave. By the way, he would feel more at ease. As for Elaine’s specific comfort and whereabouts, He didn’t care too much.

## **Chapter 832**

After searching for a while and not finding anyone, Jacob said, “Charlie, should we go back, or find a place to eat some skewers? I was always nervous at first for dinner, which made me not full. “

Charlie smiled and said, “Okay, Dad, I know a roadside barbecue stall, which tastes very good.”

Jacob patted his thigh: “Let’s go, let’s try the roasted waista. By the way, let me drink two more bottles of beer.

Charlie said hurriedly, “I’m driving, Dad, I can’t drink.”

Jacob waved his hand: “Hey, I’ll just call you a rider. It’s not easy for father and I want to have a drink. Your mother usually cares not, chatting and chatting in my ears all day long, and I’m so annoyed. Now she happens to be away, shouldn’t your father and you have a drink?”

Charlie shrugged and said with a smile: “Since you have said so, drink it!”

With that said, he drove the car to the side of the barbecue stall.

The two ordered a lot of skewers and a few bottles of beer, and happily sat on the side of the road and skewered them.

Elaine was missing, and Charlie was naturally very happy as Master and initiator behind the scenes.

And because Jacob was tortured by Elaine for too long, he suddenly felt a lot relaxed, and he was naturally very happy.

As soon as the two of them sat down and were about to start eating, Claire called Charlie.

He hurriedly winked at Jacob, then put on the phone and asked concerned: "Hey Claire, have you called the police?"

Claire said in a frustrated voice: "I have called the police, but the police says that mom is an adult, and the missing time is less than ten hours. There is no way to send police to help find them immediately, but they are already there. The missing person is reported in the system, and if someone finds her, it will notify me."

Charlie said, "That's good. In fact, what the police said is right. They have only been missing for a few hours. How can they send a large number of police to search? The people's police have more and more important things waiting for them."

"Hey..." Claire said, "I just don't feel very good. I always feel that things are a bit strange in my instinct. I'm really afraid that something will happen to mom...Her temperament, just in case if she has a conflict with people outside, she will easily suffer a big loss..."

Charlie said, she is indeed hyper! Claire really knew Elaine's temperament.

Thinking of this, he couldn't help sighing inwardly. Ever since he married Claire and entered the family of Willson Clan, he has been healed over the past three years that Claire is an extremely rare good girl.

It is not just how beautiful and attractive she is on the outside, but more importantly, the kindness of her nature is really amazing.

Especially in this kind of family environment, the entire Willson family, from Elaine to the Lady Willson, to Noah's family, did not have a good nature at all.

Jacob is barely good, but he is also cowardly and timid.

In such a family, Claire was able to possess gold-like qualities, which Charlie had always appreciated very much.

He also began to ponder about Elaine.

If Elaine was kept for a lifetime, then there was no doubt that Claire would not be able to let go.

In other words, for the sake of his wife, sooner or later, he had to release his brain-dead mother-in-law.

It's not impossible to let her out, but the key is to let her suffer enough first.

Moreover, he still has hidden dangers that have not been resolved.

For example, when Elaine comes out, she will definitely ask him the first time, asking him why she has such a bank card.

She would definitely consider him a member of a scam gang.

In this case, she would definitely tell Claire about this.

So, in any case, he has to think of a good way to make Elaine obediently close her broken mouth!

### **Chapter 833**

Charlie was considering the problem, Claire asked impatiently: "How are you and dad? Do you have any clues?"

"Uh..." Charlie looked at the pile of skewers and beer in front of him, and said against his will: "We are still looking up the mahjong halls, and we have no clues for the time being."

Claire sighed and said, "Then you continue to search for her, and Elsa and I will continue to look for her as well."

"Yeah." Charlie said hurriedly: "Don't worry, dad and I will work hard to find!"

"Okay." Claire said: "Then I'll hang up and communicate if there is anything in time."

"no problem!"

Charlie hung up the phone, and Jacob was already appetizing.

He drank a glass of beer, poured another glass for Charlie, and said while eating the skewers: "Good son-in-law, no one is going to bother us today. Let's have a good drink, come, let's go first."

Charlie was funny in his heart. Elaine was not there, and the Old Master was relieved. He nodded and said, "You should drink less. Drinking too much is not good for your health."

Jacob laughed and said: "People are refreshed at happy events. I am looking forward to your mother being admitted by the MLM organization. Anyway, if she goes in and suffer a bit, she can't die. She will be stuck for three or five years. Yes, let us have a birthday in a few years."

Charlie nodded and sighed: "I think it's good too, but I'm afraid she won't accept it at first."

Jacob sighed, "That's right. At first, this child is filial, too filial, the key is silly filial piety! Is it your mother's kind of person, is she worthy of such filial piety? You have no blood relationship with her, you yourself Say, if your mother is like this, are you still filial to her?"

Charlie was a bit embarrassed and a bit melancholic and said: "If my mother is still alive, even if her temperament is worse than the mother-in-law, I will be a hundred willing."

"That's true." Jacob said embarrassedly: "I'm sorry, dad shouldn't mention this, just use it as an analogy. You see, the grandmother of Claire, and the mother's temperament are basically the same. To be honest, they are two shrews, one older and the other younger."

Having said that, Jacob drank a glass of wine and said seriously: "So you see that I am not filial. My mother can't do things. I won't let her live in my house when she is on the street. Why? you can't say that because it was your mother, you protected her when she kill you?"

Charlie nodded: "You are right."

Jacob sighed and said, "Actually, your life is much better than mine. If you marry a good child like Claire, even if you are not successful anymore, she will not divorce you. If you are like me, marry a b\*tch, then Your days are terrible."

Seeing Jacob's melancholy look, Charlie couldn't help but feel a bit of sympathy. This Old Master's life was really not easy. He had a sweet first love, and he had a good relationship with his first girlfriend, but Elaine gave it to him. Cut her out, how miserable it is.

At this time, Charlie deliberately asked: "Dad, tell me the story of your first lover? Last time your classmates reunion, I listened to a few uncles chatting, and it seemed to be quite legendary."

"What's the legend!" Jacob lamented, and said, "I and Meiqing were getting married before graduation. It was difficult to go abroad at the time, but her family has something to do. They could send us to the United States for further studies. I planned to have a happy event after graduation, and then go to the United States for graduate studies together..."

Speaking of this, Jacob said angrily: "Who would have thought that when I graduated and everyone was partying, I would have a f\*cking drink! When I woke up, your mother-in-law and I had already..."

"Hey..." Jacob covered his face and said, "Elaine, this woman is also very scheming. She told Meiqing about this at the time. She was so angry with Meiqing. Similarly, a b\*tch like Elaine likes to be noisy. Meiqing directly wrote me a parting letter, then packed up and went to the United States by herself. I have never seen her since."

Charlie asked curiously: "You didn't explain to her then?"

## **Chapter 834**

"How to explain?" Jacob said: "No matter how you explain it, Elaine and I had actually done that. Meiqing has a cleanliness, life is clean, and emotions are also clean. She also knows that I was drunk and designed by Elaine. , But she felt that she could no longer accept me like that, so she broke up with me without hesitation and went to the United States."

Charlie deliberately asked him: "Then do you still think of her in your heart?"

Jacob also opened the chatterbox, and said with emotion: "I think, how can I not, she is the first woman in my life, and the only woman I have ever loved, otherwise I would not change the phone password to her birthday. ...."

Charlie nodded with understanding, and then asked: "Then have you inquired about her current situation?"

"I've inquired about." Jacob said: "But I can't find out anything. In the past few years, I only heard that she married an American and gave birth to a son. It is said that the family conditions are very good, but there is nothing more detailed. People know, after all, our old classmates didn't have much contact with her, and we immediately broke contact with our classmates."

Charlie nodded lightly, and thought to himself, if Meiqing knew that Jacob had become like this now, I guess she wouldn't feel the same way back then.

Jacob saw that Charlie had not drunk at this time, and said with some dissatisfaction: "Good son-in-law, why don't you drink two glasses? Just let me drink it alone!"

Charlie smiled and picked up the wine, and said, "Come, come, have a drink with you."

Just after speaking, Jacob's cell phone rang suddenly.

The phone showed an unfamiliar number, and he couldn't help frowning: "That's it, who will call me."

After speaking, he subconsciously pressed to answer.

A woman's gentle voice came from the other end of the phone, and she asked tentatively, "Excuse me, is this Jacob?"

Jacob was taken aback and asked nervously, "You...you are..."

The other party smiled slightly and said with a smile: "I'm Meiqing, Meiqing."

Jacob was struck by lightning!

He was stunned for a while, and then asked excitedly: "Meiqing? It's really you?!"

"It's me." The other party smiled and said, "Is my voice getting old, so you can't hear it anymore? But I heard, your voice didn't change much."

Jacob said in a panic: "I...you...we haven't been in contact for so many years, why would you suddenly call me? I...I just talked to my son-in-law. Talking about you..."

"Really?" The other party couldn't help asking: "Why would you talk to your son-in-law about me? Could it be that you told him the old calendars?"

"No, it's not." Jacob obviously has completely messed up and said hurriedly: "I'm not drinking with my son-in-law, I was a little bit overwhelmed, and I was emotional."

After that, Jacob asked, "Meiqing...how did you think of contacting me?"

Meiqing smiled slightly: "My son and I are going to return to China to settle, so I will contact you and other old classmates. When I return to Aurous Hill, I want to treat you to dinner. After all, everyone hasn't seen you..."

## **Chapter 835**

Jacob never dreamed that he would receive another call from Meiqing in his life.

What was even more unexpected was that Meiqing was going to return to China!

She went directly to the United States after graduating from university, and then she stayed there. Since then, no one has seen her again. It has been more than 20 years since then.

However, even if he didn't meet again after more than 20 years, Jacob's heart was still stirred by her voice.

So he hurriedly asked: "Meiqing, you...are you really coming back? When will you be back?!"

Meiqing smiled and said, "I will be on the plane right away, and I will arrive at Aurous Hill at around 11 o'clock tomorrow. If nothing happens, let's have a dinner together with our classmates the day after tomorrow!"

Jacob was extremely excited. He said with excitement and unbearable excitement: "Oh, you will be in Aurous Hill tomorrow...tomorrow?! Then...where do you live?"

Meiqing said: "My son has booked a hotel in Shangri-La. In the next few days, we may live in Shangri-La for a period of time, and then see if there is a suitable house in Aurous Hill. If so, we will buy one."

Jacob asked tentatively: "Then...then your husband also come back with you?"

"No." Meiqing said in a frustrated voice: "My husband passed away, so I decided to go back to China with my son and not stay in the United States."

Jacob's heart suddenly blossomed!

So he hurriedly blurted out: "Then...Would you like to have a meal together after landing? I'll pick you up! I'll pick you up!"

Meiqing hesitated for a moment and said, "Oh, if Elaine knew, she wouldn't let you eat with me alone, right?"

When Jacob heard this, he almost didn't laugh.

Elaine?

She is missing!

Hahaha! She just disappeared, and Meiqing is coming back, this... isn't this just God opening his eyes?

Jacob got up from the chair of the barbecue booth excitedly, and walked back and forth: "Don't worry about Elaine, Elaine and I are also in a broken relationship now, we are separated, and she doesn't care about my business."

Meiqing asked in surprise: "Why are you two separated?"

"Oh..." Jacob sighed, "This is a long story because the child has no mother."

After speaking, he hurriedly said: "Meiqing, I will pick you up at the airport at noon tomorrow, don't you live in Shangri-La? Then let's have a meal in Shangri-La!"

Meiqing thought for a while, and said, "Um...I still have my son, isn't it inappropriate?"

"It doesn't matter!" Jacob hurriedly said, "I can take my son-in-law. My son-in-law should be about the same age as your son. Let the young people talk more. Let's talk about us."

"Well then." Meiqing said with a smile: "Then we will see you at the airport tomorrow. I haven't seen you in more than 20 years. Don't forget to write a sign, otherwise I'm afraid we won't recognize each other!"

Jacob said excitedly: "OK, OK! I will write a sign tomorrow."

Meiqing said: "Jacob, then I won't talk to you, I will board the plane right away, fly for more than twelve hours, and arrive at Aurous Hill at 10 noon tomorrow."

"Good!" Jacob said with a smirk, "See you at the airport tomorrow!"

After hanging up the phone, Jacob was jumping around in excitement, like a fifteen or sixteen-year-old boy.

Charlie looked funny for a while, and couldn't help asking, "Dad, is your first love coming back?"

### **Chapter 836**

"Yes!" Jacob said excitedly: "The key is that her husband is dead, haha! Isn't this God helping me too?!"

Charlie nodded, but then said: "Dad, but Mom is not dead..."

Jacob's expression suddenly cooled down again, and he said awkwardly, "Don't get me wrong, I didn't curse her to death."

With that, Jacob sighed and said, "You said that if she was like Horiyah, she would have eloped with someone, it would be great..."

Charlie shook his head helplessly, Jacob's heart, fearing that it had all gone to Meiqing, who was about to return to China. The feelings that had been faintly for Elaine had already disappeared.

Therefore, Charlie couldn't help sighing: "If Claire can accept that her mother's disappearance is an elopement with someone else, that would be great."

If Claire treats Elaine as well as Jacob, then he will let Elaine disappear from the world in minutes.

For people like Elaine, it would be cheaper for her to watch everything, eat, drink, and live. It's better to send her to the black coal mine to dig for coal and go with Horiyah.

Horiyah's gang probably hated Elaine. If Elaine was also sent there, it wouldn't be justified not to suffer dozens of beatings a day.

It is a pity that Claire is too kind, kind enough to be too tolerant of Elaine.

Jacob was in a very good mood. He ate and drank all by himself. He was so happy. He kept pulling Charlie to accompany him to drink, but Charlie always picked up the wine glass and poured the wine while he was not paying attention. After all, it was tonight, the first time he went to bed, he still hoped that he could complete the marriage with Claire. Wouldn't it be too disappointing to drink alcohol?

Jacob ate and drank enough. It was already more than ten o'clock in the night. Claire called Charlie to ask about the situation. Charlie had to say: "We haven't found her. I guess mother didn't come out to play mahjong. Where could she be? "

Claire said in an anxious voice: "I also found some of mother's former friends, but I haven't found any clues."

Charlie said: "Why don't you just stop looking around like the headless flies tonight? Let's go home and wait. Since the police have reported missing, I believe they will help pay attention. What do you think?"

"Hey..." Claire sighed and said, "That can only be the case. Elsa and I are going back now, and you and Dad will go back too."

"Okay." Charlie answered, then hung up the phone and said to Jacob, "Dad, let's go."

Jacob patted his thigh and said with a smile, "Come! Let's go home and take a bath and sleep. You will accompany me to the airport tomorrow morning."

Charlie asked in surprise, "I want to go?"

"Of course." Jacob said: "Meiqing is still taking her son. We are reminiscing about the past. Isn't her son just an electric light bulb? Then you will talk to him more, nonsense, and create something private for me and Meiqing. Chance to chat."

"Okay." Charlie nodded and agreed, "Then I will go with you tomorrow."

"Oh, right." Jacob said embarrassedly: "Good son-in-law, your father and I have no money, and I will pay you the money left over from buying furniture. Or tomorrow Shangri-La, will you help dad arrange a table?"

"Okay, I'll arrange it." Charlie didn't have any selfish intentions to the old man, after all, he was pretty good to him.

So Charlie sent Issac a WeChat message, asking him to reserve a better box in Shangri-La tomorrow.

However, he also pointed out that it must not be the best gear, otherwise it is difficult to explain, and it is almost the same if it is above the middle.

Issac immediately ordered the lobby manager of Shangri-La to arrange the boxes in advance.

At this moment, in the detention center.

Because the lights had already been turned off, Elaine could only lie on her wooden bed hungry, enduring the pain all over her body.

As soon as she lay down, her stomach groaned.

Gena Jones, who was not far away from her, immediately cursed: "Elaine, if it groans in your stomach, you can roll out of bed and go to the toilet let me sleep!"

## **Chapter 837**

Elaine was very wronged in bed.

She hasn't eaten a bite for more than twelve hours, and she has been violently beaten. She has gone hungry on her chest and back. Even if she can resist eating or drinking, she can't help her stomach cry!

However, she did not dare to offend Gena Jones.

After all, this stinky lady beats up people too hard.

She was thinking about going to sleep with her head covered quickly. Who would have thought that at this time, her unbelievable stomach groaned again.

Gena Jones stood up immediately, rushed to Elaine in three or two steps, and greeted her face with a slap in the face. Elaine's red and swollen face was blown up with a slap, and it was more like an explosion.

Elaine could only plead, "I'm sorry, sorry, I didn't mean it..."

Due to the loss of two front teeth, Elaine is now seriously leaking, so her speech is very unclear, and it is more difficult to listen to her.

Gena Jones slapped her again and cursed: "d\*mn, your tongue is cut off? You can't speak clearly? Tell me loudly and clearly!"

Elaine hurriedly said loudly: "I didn't mean it! I'm sorry!"

When the voice went down, the two front teeth were vacant, and a ball of saliva was directly sprayed on Gena Jones's face impartially.

Gena Jones stretched out her hand and touched it, angrily grabbed Elaine by the hair, dragged her off the bed directly, and dragged her hair into the toilet.

Elaine struggled and yelled all the way, but no one sympathized with her at all, on the contrary, everyone still watched with relish.

Old Mrs. Willson staggered to the door of the toilet, watching Gena Jones press Elaine on the damp floor and bow left and right, and said with a smile: "Gena, let her sleep in the toilet at night!"

Gena Jones nodded, then slapped Elaine, and said angrily: "If you dare to go out of the toilet tonight, I will f\*cking kill you!"

Elaine's face was even more swollen, and the painful whole person almost collapsed. She could only nod her head and whimper vaguely: "I sleep in the toilet! I sleep in the toilet! Please stop hitting me, please!"

Gena Jones snorted coldly and said, "Is this dying? Tell you, your good days are long, let me wait!"

After finishing speaking, she stood up and kicked Elaine again before turning to leave.

Old Mrs. Willson did not leave, but leaned on the door frame of the toilet, looking at Elaine, who was crying on the ground, and sneered: "Elaine, people are watching, you are an unfilial dog. Did not let me live in Tomson Villa, you can enjoy it by yourself? Take a look! You have not slept in Tomson Villa for one night, and you have fallen to the present end. What is it, do you know? It proves that you did not live at all Enter the life of Tomson first-grade!"

Elaine cried and said, "Mom, all the previous mistakes were my fault, but you have beaten and scolded and scolded. I beg you to tell Gena Jones, don't beat me. I'm wrong I know!"

“Knowing what’s wrong?” Mrs. Willson coldly snorted, “Do you think I don’t know what you are? If it is strong, it will be soft, and if it is soft, it will be strong. If it weren’t for Gena and other inmates to support me here, you would just fight me, if someone like you really knows what’s wrong, the sun can come out from the west!”

Old Mrs. Willson and Elaine are actually the same kind of people, and they know each other’s nature very well.

The Lady Willson knew very well in her heart that neither Elaine nor herself could really succumb to one person, the only possibility was forced by the situation.

Elaine is kneeling on her own now. If she is given a chance to come back, she will worsen her situation.

### **Chapter 838**

Why not change to be herself?

Therefore, she did not intend to have any kindness to Elaine.

Moreover, when she remembered the humiliation she had suffered at Tomson, she felt resentful in her heart, and said coldly, “This is the result of your own self-expression. Enjoy your own bitter bar! This is only the first day. There are fourteen days left which we will spend together!”

After speaking, Mrs. Willson coldly snorted and turned to go out of the toilet.

Elaine sat on the floor of the toilet alone, hungry and cold. She was desperate and wanted to cry, but when she thought of the fierce Gena Jones, she immediately covered her mouth.

In the end, she couldn’t help it, so hugged her legs and buried her face between the legs and started crying.

Elaine has never experienced such a tragic experience in her life, and she suffered more sins in one day than she has suffered in the past decades combined.

She panicked when she thought of living in this cell for next 14 days with Mrs. Willson.

Especially when she thought that she would have to wait indefinitely in the detention center, she became even more desperate, and her tears were almost dry.

.....

When Elaine was crying in the toilet of the detention center, Charlie and the old man just drove back to the big villa of Tomson.

Jacob was humming and singing tunes with excitement along the way, and the joy on his face was beyond words!

Claire and Elsa had already returned before them.

Charlie and Jacob stepped into the door and saw Claire rushing around in the living room.

Seeing them coming in, Claire hurriedly asked, “Dad, Charlie, how many mahjong halls have you been to?”

Jacob said with a guilty conscience: "I don't know anymore. Anyway, there are many. We went all the way and looked for them. Whenever we saw the mahjong hall and the chess room, we went in and asked."

Claire asked, "Is there no result?"

"No..." Jacob waved his hand and said, "Oh, Claire, your mother is such a big person, nothing will happen, at most she will be cheated by the MLM organization. Worry..."

"How can I not worry..." Claire said with red eyes, "What if she encounters an accident? Now that there is no news from her, all bad things may happen, and the more it's more dangerous if you drag on. Looking at so many disappearances reported in the news, how many people find them and everyone is happy? Most of the results are bad guys, accidents, and the worst!"

Jacob said embarrassingly: "How can it be as dangerous as you think, don't you see if your mother is worthy of the bad guys' mind? Is she rich in any way? She has already lost all the money at home. Is she pretty? Other robbers struggled to rob her once, risking being shot in jail, and robbing her like that would be a shame?"

"Dad!" Claire said angrily, "Dad, how can you say that?!"

At this time, Jacob was thinking about Meiqing all over his head. In addition, he drank some wine and was a little unrestrained. He didn't care about Elaine, so he said indifferently: "Oh, it's a bit ugly, but Every sentence is the truth, one is impossible to rob money, and the other is impossible to rob s3x, what danger can she have?"

"Besides, you don't know your mother's temper? Who dares to provoke her? She yelled out of the window in the community before. The dogs in the whole community dare not bark. Are you afraid of her having trouble?"

Claire was speechless by Jacob's words, and then her nose shrugged slightly, and asked angrily, "Dad! Did you go drinking just now?!"

### **Chapter 839**

Originally, Claire hadn't seen Jacob drinking.

But after she got closer, she suddenly smelled the smell of alcohol on his body, and suddenly became very angry!

Father usually likes to drink some wine, she has absolutely no opinion, but the point is, he clearly said that he was going to the mahjong hall to find her mother. Why he came back drunken? !

This...this proves that he didn't go to search for her mother at all, but...to drink!

When Jacob heard Claire asking him about drinking, he hurriedly covered his mouth, stepped back, and explained in a panic: "Don't talk nonsense, I didn't drink!"

"You're just talking nonsense!" Claire stomped angrily: "I can smell alcohol on you! you didn't have it when you went out, you have it now! You must have been drinking in the middle!"

As she said, she fixed her eyes on Jacob's collar, and found that there were a few oil spots, and her angry eyes were red: "Mom has disappeared and cannot be found. Not only will you not look for her, but you will also eat and drink. , How happy you are!"

Jacob said embarrassingly: "Oh, me...Oh, I...I really don't..."

Claire angrily said, "Dad, do you think I can believe it?"

Jacob knew there was no sophistry, so he could only look at Charlie and said, "Charlie called me to go."

After finishing speaking, he hurriedly winked at Charlie, which meant a good son-in-law, please help me carry this pot first.

Charlie is also very human, and without hesitation, he nodded and said: "Yes, that's right, Dad is right, I really called him to drink."

In fact, Charlie knew very well, anyway, he didn't drink any alcohol, Jacob drank dizzy, the more he said it was his own idea at this time, the less Claire would believe it.

Sure enough, Claire stomped her foot and said angrily: "Dad, at this time you are still throwing the pot to Charlie! Can't you be a little manly?"

Jacob said with a gloomy expression: "I'm telling the truth. If you don't believe me, I can't help it."

After finishing speaking, he quickly said: "Oh, I'm really old, and I feel sleepy and uncomfortable after ten o'clock. I will go back to my room and rest first."

Claire wanted to stop him, but he ran away without looking back.

In desperation, Claire looked at Charlie again, and said: "You too, I called you to ask you, and you said you were looking for a mahjong hall, but actually took my dad to eat and drink!"

Charlie coughed and said, "He said he was hungry and uncomfortable. I can't drag the Old Master hungry and run with me all over the street. In case of hypoglycemia and fainting, he might be vulnerable to danger."

"Then you can't lie to me! Tell me the truth, couldn't you tell me that you two are eating?"

Charlie didn't know how to answer at once, and felt that this matter was indeed not handled properly. The key is that Jacob could not be seen by Claire. If he knew this was the case, he really wouldn't go to the barbecue.

So he could only apologize sincerely: "I'm sorry, my wife, I owe this matter to me. Dad said at the time that I didn't tell you, so I couldn't tell you on the phone."

Charlie was not guilty at all when he said this.

Anyway, the pot is tossed back and forth. Since the old man is not here, it is natural to throw the pot to him.

Claire also believed Charlie's words, thinking that it must be Dad's idea, and Charlie was forced to be by his side and couldn't tell the truth to her.

Although her anger had subsided a bit, she still felt very wronged in her heart, so she sighed weakly, and said with some emotional breakdown: "Charlie, my mother is missing now, my dad doesn't care, neither will you, how would you let me find her by myself...If something happens to her, how will you let me live the rest of my life? I might not forgive myself until I die!"

Charlie hurriedly comforted and said, "Don't think too much about it, mom will definitely not have an accident."

## **Chapter 840**

Claire couldn't hear it at all, and waved her hand: "Forget it, I don't want to talk about this problem anymore, I will go back to the room and calm down."

After speaking, she stepped up the stairs.

Seeing her disappearing at the corner of the stairs, Charlie couldn't help sighing.

It seems that Elaine is really hard to deal with.

Can't kill, nor let her evaporate from the world, after he has suffered enough, he still has to let her come back.

However, it is also very troublesome to let her come back. How can he make her shut up and not talk nonsense?

Psychological hints?

Not reliable!

Because the side effect of psychological cues is that once this person starts to do things according to his own cues, his own consciousness will be lost.

Just like Wu Qi, he implied that he had to add a meal every hour. When he added a meal, he was following his own psychological cues. At that time, he had completely forgotten himself and just wanted to eat. The more he eats, the better.

However, once he was full and the psychological suggestion ended, he would regain his own consciousness. At that time, he was still himself, Wu Qi.

So this is very embarrassing. If he gives Elaine a psychological hint that she can't talk nonsense, then this hint must always work.

In that case, Elaine is no longer Elaine, she may be a lunatic, or a lunatic with no self-consciousness at all.

So he has to make Elaine willingly shut up, not mentioning anything about his bank card, this technical difficulty is really big enough.

After Claire left, in the huge living room, only Charlie and Elsa who had not spoken were left.

Elsa has been waiting for an opportunity to be alone with Charlie, and finally waited, so she hurriedly said to him: "Charlie, don't be angry, she didn't intend to be angry with you, but the aunt was missing. Now, she is really anxious..."

Charlie nodded and said, "I know, I won't be angry with her, she is my wife after all."

Hearing this, Elsa's eyes flashed with envy.

She didn't understand that Claire and Charlie were just married in a fake marriage. Why did Charlie feel so passionate about her? Doesn't he know that this is just a scene?

Thinking of this, she couldn't help but feel a little lost.

Regarding appearance, she asked herself if she was not much worse than Claire.

In terms of net worth, she is also a child of the Dong family of Eastcliff, much better than Claire.

"Moreover, I have expressed my heart to him a long time ago. I really love him and I sincerely hope to be with him. But why does he guard the woman who doesn't love him like this?"

Thinking of this, she couldn't help but ask Charlie with a grimace: "Charlie, you should know what I want for you, but do you really have no feeling for me?"

Charlie couldn't help being a little big head when he heard what she said, and said: "Elsa, you are Claire's best friend, and Claire is my wife again, so I'm naturally the same as Claire. As a good friend, there are many good men in this world. You don't need to put your mind on me. I'm already married."

Elsa's eyes were red, and her tears came out. She stubbornly wiped away the tears and said: "You are not married at all, but it is just a scene. This scene you have been acting for more than three years. It's going to be over! What will you do then? Are you standing alone on the stage and continue to perform?"

Charlie looked at her, smiled slightly, and reached out to wipe away the tears for her, but his expression was very firm and said: "Believe me, this scene will never end!"
