

Chapter 834

Yin Luo smiled stupidly and yelled with her mouth, "The river flows eastward, the stars in the sky are like Beidou. Please search for Baidu (web) Hehe, join the Beidou, a bowl of wine at the turn of life and death. Say go." Let's go..."

That...what else is coming, hey yir, hey hey yir, hey yir. hey hey yir...

Ouyang Feifei's face was full of shock. When did her family fall so hard? Singing doesn't need to rely on breath at all, just yelling directly from the throat.

Seeing how excited she was when she sang, Ouyang Feifei was very confused. What happened? Make her so crazy?

But looking at her like that, why does she feel a little drunk? But Luoluo only drank two or three glasses. Could it be that the wine is not intoxicating and everyone is drunk? But now there are no handsome guys, no good-looking or fun things, drunk or drunk.

Luoluo, Luoluo, you... stop. Ouyang Feifei watched Yin Luo sing frantically, ignoring her own image at all. Well, there are only two of them here, no matter what image they are. What did Luoluo look like before?

Yin Luo looked at Ouyang Feifei with a dull expression, and asked curiously, "Huh? What's up? How good, this song. Singing is very vigorous, it feels like it can drive the atmosphere."

Yes, yes, good. Ouyang Feifei was helpless, why did she hit this song alone today? Ouyang Feifei reminded her, "You started singing before I played the accompaniment."

A good singing voice has a soul. It must be pure and does not require any noise. For example, I don't need any accompaniment. Yin Luo said nonsense. In fact, she didn't know what she was talking about.

Ouyang Feifei has never seen Yin Luo be so narcissistic. She cooperated with her, "Okay, your singing has a soul, but I can't see your soul, and my ears can't understand your purity. I still think the noise can set my ears free."

Well then. Yin Luo leaned his head on the soft sofa and replied feebly, "Feifei is still the best in my family. No man can be trusted, and it's not as good as Feifei."

Ouyang Feifei helped Yin Luo play the accompaniment of that good Chinese song, and said proudly, "That's not it, you know I'm good."

Seeing that the song was about to begin, Yin Luo hadn't got the microphone yet. Ouyang Feifei was helpless again, yelling in her voice without using the microphone. She picked up two microphones and sat beside Yin Luo, and handed her one microphone.

Yin Luo was about to pick it up, but suddenly put his arm around Ouyang Feifei's shoulder, saying "I don't love anyone, I love you Feifei. I love you...I want to be with you forever." "

Ouyang Feifei took down Yin Luo's hand, then put a microphone in her hand, urging her to "Luo Luo, this is the song you ordered, hurry up, it has already started, and the previous ratings are gone."

Okay. Yin Luo replied, then clenched the microphone and stared at the big screen to sing, "Everything is wow, I don't look down at the sky. When it's time to make a move, make a move, go to Kyushu, hey Yier, hey hey Hey Yier, hey Yier..."

Halfway through the singing, taking advantage of the accompaniment in the middle, Yin Luo put the microphone on his mouth and said to Ouyang Feifei, "Come on, Feifei, let's go together. It's you next."

Ouyang Feifei didn't know what was wrong with him today, and even got nervous with Yin Luo. Really, the nerves might be contagious.

...

Inside the 666 ward of the hospital.

Brother Yan, don't refuse me anymore? I know that you are married, and I never thought of becoming your wife. As long as you are willing to look at me more, I am willing even if it is a lover. Gu Xiaoer's eyebrows are fast. Wrinkled together, begged.

Yi Yan turned his head and didn't even look at her. He said coldly, "Please respect yourself. Since the flower you brought for my aunt, I will accept it. Greetings you have also been brought here, so let's go if it's okay."

Gu Xiaoer looked at him with a wry smile, he was so cold, there was always an aura on his body that no one should come near.

What is so good about that bitch woman in Yin Luo? Good enough to make him reject her again and again.

You know my determination, I won't give up. I know you don't want to look at me now, but I also have selfishness. I want you to look at me more. That's it. Gu Xiaoer looked at Yi seriously. Yan said.

Those are all your business, and they are all your choices. It has nothing to do with me. Yi Yan still looks cold, this is how he usually treats others. He doesn't want to say more to unrelated people.

Gu Xiaoer frowned and tried to be as reserved as possible. "Then look at me, if you don't look, don't try, how do you know that I am not suitable for you? Would you give me a chance? Maybe this is another time for you. Where is the opportunity?"

Yi Yan has completely lost his patience. He replied in a cold voice, "Don't say anything else. If you don't leave, don't blame me for calling the security guard. It hurt the face of the two families and embarrassed you."

Seeing Yi Yan expelled her again and again, although Gu Xiaoer loved Yi Yan, she also lost her self-esteem.

This time, it was hard to get her mother's consent and asked her to come to the hospital to see Yi Yan in her mother's name. Otherwise, she wouldn't even know how to contact him when she saw him. This is a rare opportunity.

She was born in a celebrity, and since she was a child, she had to be windy and rainy. Facing people and things has always been arrogant. When Dudu faced Yi Yan, she had to lower her posture. But even so, she still can't get what she wants.

Seeing Yi Yan so unrelenting, many tears suddenly appeared in Gu Xiao'er's eyes. She is very wronged. Even the dearest mother, her father and brother have never treated her like this. She has always been a proud son of the emperor to others. Where can we tolerate the rejection of others?

But for Yi Yan, she made repeated exceptions but still did not regret it. For this man, everything is worth it.

It's just that she doesn't know what's wrong with her. Gu Xiaoer finally asked him, "Brother Yan, what's wrong with me? How can I not compare to that Yin Luo? I am not inferior to Yin Luo in my family background. I also go abroad to study in terms of academic qualifications. I may be able to look at my appearance and body. No better than Yin Luo, but I believe that Brother Yan is not that superficial, I..."

Stop talking. Yi Yan immediately stopped Gu Xiaoer. In order to stop her from worrying about him, Yi Yan had to panic a little, "I just like beautiful, watery girls. A face, of course, can't be better if you have a good figure. And I like smart, simple and stubborn girls, and I don't like others struggling hard."

Do you really only care about these external things? Gu Xiaoer asked blankly.

Of course not only. After thinking about it, Yi Yan curled his lips.

Gu Xiao'er looked at the smile on his lips in surprise, and her heart beat quickly. This man is cold and difficult to approach on general occasions, and he will not laugh easily. Today he is smiling at himself?

Did he lie to her when he refused her before? Is he just going to surprise her? Gu Xiaoer looked at Yi Yan with a serious look.

She hopes that what she thinks is true. If it is true, what honor and excitement should she be?

Of course I still like her inside. Thinking of Yin Luo, Yi Yan curled up his lips and couldn't help saying a few more words.

The unbearable smile on Gu Xiaoer's face slowly became stiff, and the excited heart was beaten back to the original, embarrassed. At this moment, she was standing here looking like a joke, and she had to listen to him saying how much he loved her, so that her injuries would be more serious.

Yi Yan thought of Yin Luo's appearance, remembering what happened when he was a child. Different from usual, his face is filled with a little happiness. "Looking at her appearance, I want to engrave it deeply in my heart, and I can't forget it for a moment. Holding her hand, I can remember if I have her company in the future. What kind of situation... Gu Xiao'er, what I treated her is different from anyone, and no one can replace it.

Gu Xiao'er lowered his eyes and sneered. It turned out that Yin Luo occupies such an important position in his heart. This is the first time he has spoken so much to her on his own initiative. But the content of the words is really about the beauty of him and another woman, it's just ridiculous.

Think about it, she really is guilty of her own mischief, and save her face here and let him trample on it at will. In front of him, she probably lost her face long ago.

I've said everything that needs to be said, you can do it yourself. Yi Yan finally warned that no one can force him to do what he doesn't want. For the same people he doesn't want to see, staying a little longer will feel like a waste of time.

Listening to Yi Yan's voice with deep disgust, Gu Xiaoer no longer entangled too much, she nodded disappointedly, "Okay, I know. Since you don't want to see me, I won't stay anymore. Just go."

She turned around and strode out of the ward. She calmed down for a while now. Men shouldn't like a woman who is struggling, she cares too much about him, so she will show him one after another and lose her reason.

The reality is that the easier a woman is, the less she will be cherished. Think about that Yin Luo could have gotten Yi Yan's fascination so deep and he should have his own means. Her methods in this regard are really clever. What kind of tricks should be played one after another.

I'm really too stupid. Feelings depend on means. The winner is king, so who cares about losing? In short, Yi Yan will never give up. She must get him no matter what method is used, and taste his all kinds of beauty. Such a superb man, what is it like to have him, and what kind of happiness is it to be with him?

She left this time not because she wanted to give up, but because she wanted to meet him again. Yi Yan just said that Yin Luo was stubborn, no matter whether what he said was true or not, at least there was one thing that Yi Yan liked.<
