

Chapter 846

boom!

Cruel! Spicy!

Especially the sentence that life is better than death, made Bai Yi's face a thick anger.

"You...you deceived people too much! Obviously all of this is caused by you! Why do you want to harm my husband!"

Bai Yi flushed with anger, and heard this.

At the corner of Leng Bufan's mouth, a touch of sorrow appeared:

"Why? With our strong power, with our financial resources!" He said.

He glanced at Lin Fan sharply, and then continued:

"Also, Lin Fan! Are you not good at fighting? But do you know that my grandfather is a great master!"

"Today, my grandfather did not come, but he The old man asked me to bring you a sentence! That is, you have two choices, one is to abolish your limbs, and my grandfather will not blame it! Second, my grandpa personally comes to abolish your meridians and make you a vegetative forever !"

Boom!

Leng Bufan's words made everyone's complexion change drastically.

This is a threat from Great Master Leng Aotian!

In an instant, Bai Yifan, Shen Jie, Lin Guangyao and others behind, as well as Gao Shengyuan's face, couldn't help showing a strong expression of excitement and pleasure.

This bastard is finally going to play himself to death?

Thought of this!

The faces of the four of them were full of anticipation, as if they could not wait to see the miserable appearance of Lin Fan being abolished.

And Zhou Nan!

At this moment, he looked at Bai Yi with a pity on his face, his face was full of sarcasm and playfulness, and said lightly:

“Bai Yi, please persuade your husband! It’s best to let him do it himself, otherwise, if Grandmaster Leng comes personally, then your husband will be over for the rest of his life!” Zhou Nan knows how much Leng Aotian is to Lin Fan. Leng Bufan’s hatred, after all, this guy who was dead had almost kicked Leng Bufan’s lifeblood to pieces. Mobile phone:

I heard Zhou Nan’s threat.

On Bai Yi’s pretty white face, dense cold sweat appeared.

How to do?

What should we do now?

Although she knows that Lin Fan can fight, but the opponent is a great master?

Lin Fan is in the opponent’s hands, afraid that every minute will be abolished, and by then, the end will be even more miserable.

however!

This threat is only the beginning.

He Jiaojiao, who was next to him, also smiled coldly : “Hey! It’s not just Grandpa Leng, my grandpa Helanshan has also spoken! Either you do it yourself, or his old man does it himself!”

Wow!

Death threats from the two great masters.

This is just the horrible name of the two, which makes everyone in the hall behave.

And now...

“Lin...Lin Fan, why don’t you listen to them! Otherwise, if the two great masters come, you might be dead!” A senior from the new Bai clan persuaded Lin Fan Tao.

And next to it!

The rest of the high-levels also spoke up one after another.

Chapter 847

“Yes! Lin Fan, if you do it yourself now, then the grudges between our New Bai family and the Shengshi Group and the Lanshan Group can be wiped out!”

“Yes! We can’t provoke the Shengshi Group, nor can we provoke Lanshan !” Group! Lin Fan, this is your last chance!”

“...”

Many senior officials of the New Bai family spoke one after another.

It’s just that Lin Fan didn’t seem to hear all of this.

He looked at Leng Bufan and He Jiaojiao with a smile, and shrugged:

“Let your grandpa come!”

“I...wait for them!”

When he heard Lin Fan’s words.

boom!

In the whole hall, the pot was fried almost instantly.

Everyone looked at Lin Fan one by one, as if they were looking at an idiot, a lunatic.

What does this guy mean?

Isn’t he really afraid of the two great masters, Leng Aotian and Helanshan?

In particular, if the two great masters came personally, then they would definitely do what they said and beat Lin Fan as a vegetable, so that he would be better off dead.

now!

Looking at Lin Fan’s calm appearance, he listened to these arrogant words.

The most exciting is Lin Guangyao and others.

“Hahaha...Lin Fan, you are awesome! You are definitely the most arrogant person I have ever seen! I took it!” Lin Guangyao sneered, looking at Lin Fan as if looking at a dead person.

And Bai Yifan and Divine Sword also sneered:

“Bai Yi, is your husband crazy? He really thinks he is the incorruptible body of King Kong!”

“Hahaha... is he provoking the two great masters? ? This idiot!”

ridicule!

Disdain!

At this moment, almost all the people in the hall were extremely contemptuous of Lin Fan.

Even the father and daughter of Baishan and Baiyi are full of anxiety:

“Lin Fan, you... don’t be impulsive! If you just do it yourself, then we can contact the genius doctor Lin through the seniors to help you treat! You are completely It can be recovered!”

“Father is right! Lin Fan, why don’t we listen to them!”

In the eyes of the father and daughter.

Even if Lin Fan broke his limbs by himself, there is complete hope of recovery.

But if the two great masters make a move.

Then Lin Fan will become a vegetative person 100%, and the hope of his life will be completely gone.

After looking at the expressions of Bai Yi and his daughter.

Lin Fan smiled slightly:

“Dad! Wife! Don’t worry, those two old guys dare not do anything to me!”

I...wow!

old man!

When Lin Fan said even more arrogant words, everyone in the entire hall felt their heart beat fiercely.

Chapter 848

This arrogant guy...

everyone is completely speechless.

Especially Leng Bufan and He Jiaojiao.

They heard that after Lin Fan called his grandfather an 'old guy', the two of them were instantly blown into their lungs.

"Okay! Lin Fan, since you won't give up when you reach the Yellow River! Then I will call my grandfather now, and his old man will join me to see how you die!"

"That's right! I also call my grandpa now, I must Tell him the old man's attitude!"

Finished!

Under the horrified sight of everyone.

Leng Bufan and He Jiaojiao took out their mobile phones one after another.

Then, I started to make a video call.

quickly!

When the call was connected, Bai Yifan and others behind the wheelchair saw an old man appeared in the picture.

The old man seemed to be injured in his body, but it was still difficult to conceal his sharp eyes and terrifying aura.

He is exactly Leng Aotian.

"Uncommon! How is it? That kid, did you do it yourself?" Leng Aotian asked lightly.

In his words, there seemed to be incomparable confidence.

It seemed that Lin Fan would definitely do it himself after hearing his own threats.

just!

Leng Bufan bit his scalp and said angrily:

“Grandpa! That kid doesn’t know what is good or bad! He asked you to come in person, and even ranted that you are an old guy, so I dare not do anything to him!”

After hearing Leng Bufan’s words.

Bai Yifan and others behind, immediately saw that Leng Aotian’s expression in the video suddenly stagnated, and then a trace of fierce light began to flicker in his eyes.

suppress!

At this moment, the atmosphere was extremely suppressed.

Everyone seemed to be able to hear the heavy breathing sounds from the video, like a fierce beast, completely irritated by this sentence.

“Hahahaha...” Mobile:

After the silence of depression, a burst of vicissitudes of laughter resounded instantly.

“Okay! I really didn’t expect that I, Leng Aotian Hero I, had lost to the master and apprentice of the Blood Buddha a few days ago, not to mention! Now even a junior in a third-tier city dare to be disrespectful to me! It’s...very good. ! ” ”

extraordinary! you let that guy wash his neck, waiting for the old man! Naturally, I am now go! he is not there to see King Kong is not bad! ”

discourse, reveals a demon gas.

Everyone can hear that when Leng Aotian said these words, he was gnashing his teeth.

Not only him!

He Jiaojiao, who was next to him, said this to the Helan Mountain in the video.

The same sound of vicissitudes of anger resounded.

“What!”

“A dog-like thing, dare to disrespect me Helan Mountain!”

“Okay! Very good! Jiaojiao, wait for me there, the old man is going to skin that kid now!”

Chapter 849

Toot!

When these two sounds of fright and anger sounded, there was a beeping blind tone.

But it was a video call, and all hang up.

That’s it!

At this moment, after seeing this scene, Bai Yi in the hall suddenly felt his heart beat fiercely, and then his eyes went dark, almost fainting.

“Wife!”

Lin Fan’s eyesight was quick and he hugged Bai Yi immediately.

He saw that there was no trace of blood on Bai Yi’s complexion, and it seemed that he would faint at any time.

Obviously, it was too frightened.

“Dad! Now you can help Bai Yi to go to the office to rest! I am here!” Lin Fan said to Baishan quickly.

And heard this.

On Baishan’s face, a deep worry could not help showing up:

“Xiaofan, you...are you all right by yourself? Why, let’s call the police now! The police will definitely protect you!” At this moment, Baishan felt his scalp numb. .

After all, the other party is two great masters, and even if his son-in-law is against the sky, he is afraid that the end will still be extremely miserable.

just!

Lin Fan shook his head faintly:

“Dad, don’t worry, I will take care of everything here!”

“Okay... okay!”

Baishan saw Lin Fan’s resolute attitude, and now he could only hold Bai who was almost fainting. Yi, walked towards the office upstairs.

Until after the two left.

boom!

The noise in the entire hall instantly boiled over.

Gao Shengyuan in the wheelchair looked at Lin Fan as if he was looking at a clown, and laughed wildly:

“Hahaha...Lin Fan, I really didn’t expect the retribution to come so quickly! You broke my limbs and blinked my eyes. The two great masters will abolish you and become a vegetative! Hahaha, happy!”

Gao Shengyuan felt extremely happy.

And next to it!

Gao Zhilong and a group of suppliers who have just severed their ties with the New Bais Group are also very lucky.

Fortunately, they broke up with Xinbai’s.

Otherwise, we will all be troubled by the broom star Lin Fan.

And Leng Bufan and others looked at Lin Fan, as if looking at the dead.

All of a sudden!

Lin Fan seemed to be a thorn in the eyes and a thorn in the flesh of everyone in the entire hall!

Tick!

Tick!

Time is passing slowly!

At this moment, the clock in the hall seemed to be controlling everyone's emotions.

They were waiting, waiting for the arrival of the two great masters, waiting for Lin Fanna's miserable end.

Creak!

Creak!

However, at this moment, the brakes of cars came again outside the door.

Then everyone will be welcome to hear outside sound resounded:

"! Dragon Group Chairman Xu Tianlong, led all Denon directors, to"

! "Golden Age Club, blood rose, led by club members, to"

"sea of clouds Fisher Mr. Fei of the group, lead the senior executives of the group, here!"

Chapter 850

Wow!

Listening to these voices, the silence in the hall just became noisy again.

Gangster!

Everyone heard that each of these names were giants and figures in Jiang City and Yunhai City, as well as the surrounding cities.

This is more than that.

Gao Shengyuan and the others saw that after hearing these names, the expressions of Leng Bufan, Bai Yifan, and others sank slightly.

Ok?

A faint premonition appeared in the hearts of Gao Shengyuan, Gao Zhilong, and all the suppliers.

Could it be that New Bai's has something to do with these giants?

The expressions of the people were a little surprised and uncertain.

Under their gaze, they saw the giants and figures of the cities stepping in.

Hoop!

It is Xu Tianlong, Blood Rose, Fei Lao and others.

Especially, after they came in, they didn't even look at everyone, and walked towards Lin Fan.

Until the week before Lin Fan.

Uniform, bowed:

"!! Xu Tianlong, Meet Mr. Lin congratulated the new Pak, opened their doors"

!! "Blood Rose, Meet new congratulate Mr. Lin Bai, opened their doors"

"....."

Road sound Resounded, everyone bowed.

This scene fell in the eyes of the people around, and instantly surprised the high-levels of the new Bai family.

in contrast!

Gao Shengyuan, Gao Zhilong, and all the suppliers were taken aback.

"This...what's going on?"

All of them looked at each other.

They know that Xu Tianlong and others are under the command of Shengshi Group, which is equivalent to Leng Bufan.

And now!

Why did they bow to Lin Fan and even come to congratulate?

This... an ominous premonition filled the hearts of Gao Shengyuan and others.

And at this moment!

Everyone heard, Leng Bufan's frightened and angry shout:

"Xu Tianlong! Blood Rose! You are so brave!"

"You know, this bastard is going to be finished, my grandpa will be here soon, you are actually bow to a dead person and congratulate him! Don't you want to be in the Shengshi Group again?"

Leng Bufan's voice was full of threats.

However, it is shocking.

Xu Tianlong, Blood Rose and others turned a deaf ear to Leng Bufan's words.

Especially the blood rose.

She turned to look at Leng Bufan, as if looking at an idiot:

"Master Leng, don't forget what I said to you before! Since you were deposed, within three days, you did not apologize to Mr. Lin, then you, At your own risk!"

What!

Seeing that the blood rose actually spoke to Leng Bufan directly like this.

The bad feelings of Gao Shengyuan and others around him grew stronger.

just!

Leng Bufan smiled sternly:

"Cut! Blood Rose, you don't have to threaten me! I tell you the truth, you and Xu Tianlong were all deceived!"

Chapter 851

"You think that this kid has a Skeleton Emperor card! But he...stolen that card!"

Boom!

As soon as this is said!

Not only Gao Shengyuan and the others, their complexion changed drastically, but even the senior officials of the New Bai Group changed their colors.

Skeleton King Card!

They have naturally heard of how noble that card is, and each one is held in the hands of China's top boss.

And Lin Fan owns this card, or stole it?

This... an instant!

The senior officials of the New Bai Group, as well as Gao Shengyuan and others, all understood why Xu Tianlong and others would come to see Lin Fan.

It turned out that they were all deceived by Lin Fan!

Thought of this.

The senior officials of the New Bai Group were almost scared to death.

And the ominous premonition that had just emerged in the hearts of Gao Shengyuan and others disappeared instantly.

however!

at this time!

The welcoming guests outside the door actually shouted again:

"Sheng...Mr. Leng Kang, President of Shengshi Group, and all the senior leaders of Shengshi Group, here!"

Jing!

After hearing the words of welcoming guests outside the door, the voice of everyone in the hall suddenly stopped.

Everyone can hardly believe their ears, Leng... Lengkang?

President of Shengshi Group?

And all the directors of the Shengshi Group, unexpectedly...coming!

What is even more frightening is that this Leng Kang is Leng Bufan's father, and when he comes at this time, is it not possible to avenge Leng Bufan?

Everyone at this moment, their faces changed.

Especially after they thought of Leng Bufan just now about Lin Fan stealing the Skeleton Emperor Card.

Everyone immediately recognized it.

The arrival of Leng Kang and all the directors of Shengshi was first to help his son and revenge, and secondly, he might come to Jiang City to pursue the responsibility, the matter of Emperor Card.

In the silence, everyone only felt that their hearts were accelerating crazily.

And Lin Guangyao excitedly said to Leng Bufan:

"Master Bufan, have you told your father about Lin Fan stealing the Emperor Card?"

Huh?

Heard this!

Swish.

Everyone looked at Leng Bufan in unison.

That's right!

If Leng Bufan really said this to Leng Kang.

Then the purpose of Lengkang's arrival at this moment is self-evident.

"Yes! I knew at the first time that this kid had stolen the Emperor's Card, deceived Xu Tianlong and Blood Rose, and told my father about it!"

“I just didn’t expect that my father would choose this point in time. , Come here to pursue the blame! Hahaha...”

Leng Bufan smiled very happily.

Obviously!

Lengkang’s arrival was also beyond his expectation.

However, none of this matters anymore.

At this moment, Leng Bufan looked at Xu Tianlong and the others with a sneer:

“! Xu Tianlong, you hear me blood rose to my father, and you even dare to support the liar you waiting to be dismissed and punished it ha ha ha?!!”

Mobile terminal:

Chapter 852

Leng Bufan laughed wildly.

And hearing this, everyone looked at Xu Tianlong and Blood Rose with a hint of pity.

That’s it!

In the eyes of everyone around, this moment is not just the broom star, Lin Fan, who is completely finished, and even the two Jiangshi giants are also unlucky.

clatter!

Just as everyone imagined the end of Lin Fan, Blood Rose and others, footsteps resounded.

Then in the sight of everyone worshiping.

A white-faced elegant middle-aged man with a group of successful people in suits and leather shoes walked in from the entrance of the hall.

This middle-aged man is the giant chaebol of Megatron Jiangnan and the president of Shengshi Group-Lengkang!

The father of Leng Bufan!

at the same time!

Outside the door of an office on the second floor of the Blue Ocean Building.

Bai Shan just helped Bai Yi walk to the door, and Bai Yi's pretty face suddenly turned white.

She woke up instantly from that kind of muddle-headedness:

"Lin Fan!!!"

Bai Yi screamed, and she realized that she was not in the hall.

"Dad! I... why am I here, Lin Fan? What about others?"

Bai Yi seemed to think of something, and a dense cold sweat suddenly appeared on her forehead.

And see this scene.

Bai Shan breathed a sigh of relief and quickly said:

"Xiao Yi, you were scared just now and almost fainted. Lin Fan asked me to help you up and rest!"

"How are you now?"

Hakusan hear the words, white Yi Qiao Lian paler one point:

"Dad, I'm okay now I want to find Lin Fan, I have to go find him!!!"

Said!

Bai Yi broke free of Baishan's support, and quickly ran towards the elevator.

And see this scene.

Bai Shan was taken aback, and quickly stopped her and said,

"Xiao Yi, you can't go down! Lin Fan told him that he will take care of everything himself!"

"Moreover, Leng Aotian and Helan Mountain are probably coming soon. You go down too, they might transfer their anger to you too!"

Baishan's scalp was numb.

In his eyes, Lin Fan provoked the two great masters in such a way, and the tragic ending was almost doomed, even if the gods descended from the earth, they would not be able to save him.

And now!

The only thing he can do is to help Lin Fan keep Bai Yi.

just!

Bai Yi seemed to understand Baishan's intentions, a hint of mist filled her beautiful eyes instantly:

"No! Dad, Lin Fan is my husband. He is in trouble, how can I stop!"

"Moreover, I absolutely can't let him People killed Lin Fan, if someone wants to be against him! Then they can only step on my corpse!"

Tick!

Tick!

The crystal clear teardrops continued to drip down Bai Yi's beautiful eyes.

And her words made Bai Shan's body tremble fiercely.

Chapter 853

Baishan's whole person seemed to be several years old, and said bitterly:

"Xiao Yi, do you love Lin Fan so much? You used to hate him very much!"

"Also, Lin Fan now, we can't save him, if What's the matter with you, then your mother and I won't be alive anymore!"

Baishan's voice was filled with deep pleadings.

Even in the look, it was a little unbelievable.

after all!

He knew best that the former Bai Yi hated Lin Fan so much, let alone living and dying together, even Bai Yi had considered divorce time and time again.

And now!

Hearing Bai Shan's words, Bai Yi shook his head. The tears were like broken beads, dripping continuously:

"Dad! I'm sorry! I love Lin Fan and live and die together!"

"If I too In the event of an accident, please take care of your own body, mom and you!"

Finished!

Bai Yi never wasted time anymore, he quickly entered the elevator, and then pressed the button on the first floor.

See this scene!

Baishan knew that he would no longer be able to persuade his daughter, a madness appeared on his face:

"Wait for me! I will go too!"

What!

Seeing Baishan get into the elevator, Bai Yi's pretty face became even paler:

"Dad! What are you..."

Bai Yi knew that the methods used by the two great masters, Leng Aotian and Helanshan, were extremely brutal. Will be affected by the pond fish.

As Lin Fan's father-in-law, Baishan was naturally unable to escape the disaster of the pond fish.

Looking at Bai Yi, Bai Shan's face couldn't help showing strong perseverance:

"If my son-in-law and daughter are all in trouble, what is the point of being alive with my old bones!"

"You and I will live and die together!"

Wow!

As soon as this remark came out, Bai Yi's nose was instantly sore, and the tears flowed down like a bank burst.

At this moment, Bai Yi really felt the warmth of the family.

This feeling.

You can live together, you can die together!

quickly!

When the elevator came to the first floor, the father and daughter walked out quickly.

However, as soon as they got out of the elevator, they heard the welcoming voice at the door of the building, which resounded:

“Leng Kang, President of Shengshi Group, and all the directors of Shengshi Group, here!”

Boom!

The words fell in my ears, and the bodies of Baishan father and daughter trembled.

Shengshi Group!

This is a giant chaebol in the Jiangnan business community, especially if the other party is a behemoth belonging to the Global Group. Both its status and background are terrifying beyond imagination.

And now, not only the president personally came to the other party, but even all the directors of Shengshi Group came together.

This made Baishan and Bai Yi hardly believe their ears.

Chapter 854

“Wh...what's going on? Why did the Shengshi Group also come? Isn't that Leng Kang just to avenge his son?”

Baishan was completely confused.

Because he couldn't think of any reason that could shock all the big brothers of Shengshi Group.

Just at this moment!

The father and daughter suddenly heard that Lin Guangyao and Leng Bufan were talking about the Skeleton Emperor Card.

Huh! Mobile phone:

Bai Yi's pretty face was as white as paper in an instant.

Skeleton King Card!

She naturally knows what's going on?

At the beginning of the Shengshi Club, Lin Fan gave this card to himself, and even Lin Guangyao and others questioned that he stole it.

And Lin Fan did not refute at all.

"It's over... it's over!"

"This time, it seems that it is really our Xinbai family's trouble!" A deep smile appeared on the corner of Bai Yi's mouth.

And at this moment!

With the sound of footsteps, resounding from the hall.

Leng Kang, president of Shengshi Group, came with a group of group directors.

The whole hall was once again in an uproar.

respect!

fanaticism!

Whether it was Gao Shengyuan and others, or Bai Yifan and others, looking at Leng Kang's group of big men at this moment, as if looking at their idols, they worshipped to the extreme.

And Leng Bufan quickly said:

"Dad! Why are you here? Are you here to avenge me?"

“That’s right! That bastard also stole our Shengshi Group’s Skeleton Emperor Card, and even used this palm card to fool Blood Rose and Xu Tianlong!”

“The two wastes were so easy to be taken by the bastard Lin Fan. You lied, you must not spare them!”

Leng Bufan’s words were full of excitement and excitement.

It’s not just him!

Lin Guangyao, who was behind him, also hurriedly jumped out, flattening his face and said to Leng Kang, “Mr. Leng Kang, I can testify! That skeleton emperor card was stolen by this bastard Lin Fan!

” At that time, I even questioned him, but he didn’t refute it!”

Wow!

Following the words of Leng Bufan and Lin Guangyao.

Everyone in the entire hall was once again in an uproar.

That’s it!

All the senior leaders of the New Bai Group felt that their scalp was bursting.

However, Gao Shengyuan and the others were trembling with excitement!

They didn’t expect that Lin Fan would have died like this!

Injure Leng Bufan, He Jiaojiao, Gao Shengyuan!

Enraged the two great masters of Leng Aotian and Helan Mountain!

And now!

This guy turned out to be the thief who stole the Skeleton King Card!

Chapter 855

That’s it!

Dead!

Bai Yifan and Shen Jie looked at Lin Fan at this moment, with pleasure, complexity, and even a little pity.

after all!

Although they hated Lin Fan a lot, they had to admit that this guy was their relative, and sometimes the bastard's methods, even as opponents, were somewhat admired and admired.

however!

"All the grievances and hatreds, is it coming to an end today?" Bai Yifan glanced at Lin Fan complicatedly.

Suddenly, it felt that this guy was not as nasty as he looked before.

For a moment, he didn't even want Lin Fan to have an accident.

More than him!

The corner of Shen Jie's mouth could not help but a wry smile appeared:

"Brother Bai! Although Lin Fan is afraid that this time he is in danger, but why, I feel a little bit sorrowful for him!"

"Whether it is this guy who hurt Leng Shao, Miss He! I still disdain the two great masters, and even make me have some admiration for him!"

"If I were replaced by me, I...definitely could not do it!"

Shen Jie shook his head, his face full of complexity.

Bai Yifan also involuntarily patted him on the shoulder.

"It's not just you, but me too! Although I hate Lin Fan, I admit that he is an opponent that I admire!"

Finished!

The expressions of Shen Jie and Bai Yifan became even more complicated.

clatter!

And at this moment!

As if hearing the words of Leng Bufan and Lin Guangyao, the footsteps of a group of big men like Leng Kang gave a slight pause.

His eyes turned to look at his son, and there was no emotion in his eyes.

It seemed that even if his son was kicked to the ground, he couldn't cause him the slightest disturbance.

"I know about the Emperor Card!"

Finished!

Lengkang no longer paid attention to Leng Bufan and others, but took a group of Shengshi directors, stepped towards Lin Fan, and walked away slowly.

Da da da!

The sound of these footsteps, like a series of reminders, made the faces of the seniors of the New Bai Group become paler and paler, and some of them have even been unstable and limp to the ground.

especially!

When Leng Kang waited for a group of big guys, walked in front of Lin Fan and others.

Just about to speak.

"No!!!" A scream came suddenly.

Everyone was shocked to see that from the direction of the elevator, a woman ran out quickly.

It is Bai Yi.

Her pretty face was pale, and at this moment, she hurried to Lin Fan's face, and then stopped Lin Fan behind her, as if she was protecting a little chicken, and said to Leng Kang and the others with a panic face:

"Leng Kang President Kang, dear directors of Shengshi Group, hello! I am Bai Yi!"

"Regarding the Skull Emperor Card, I can tell you that this matter has nothing to do with my husband Lin Fan!"

“That card is... I stole it!”

Chapter 856

what!

As soon as this is said!

The expressions of everyone in the hall changed.

Bai Yi stole it?

This... how is this possible!

All the people around were unbelievable.

Especially Lin Guangyao, as if he had been stepped on his tail, he screamed:

“Mr. Lenggang, please don’t trust this woman! That card was not stolen by her at all! It was given to him by Lin Fan. ! ” ”

she came out, Lin Fan is clearly want to help the thief to drop the charges! ”

scapegoat!

Hearing these two words, everyone around them all shocked.

Everyone looked at Bai Yi, but there was no ridicule and ridicule, but a deep complexity and admiration.

after all!

In this world, there are a few women who can do it to help their husband withstand the crime, especially this crime, it is very likely to kill their own lives.

“I really don’t know, what kind of shit luck this bastard took to make Miss Bai Yi so obsessed with him?”

Everyone’s heart was full of wry smiles.

They envy and hate Lin Fan’s luck.

just!

At this moment, Bai Yi didn’t care about the thoughts of everyone around him.

She glared at Lin Guangyao angrily, and then continued to say to Leng Kang and others:

“What I said is true!”

“I stole this card. It has nothing to do with Lin Fan. If your group wants to If you want to be held accountable, then just hold me accountable! I am willing to take it all!

Bai Yi’s words are full of determination.

just!

Accountable?

When they heard these two words, whether it was Leng Kang or the rest of the Shengshi Group directors, their faces paled in fright.

A wry smile appeared at the corner of Leng Kang’s mouth, and then wiped the sweat from his forehead, and then secretly glanced at Lin Fan.

As if waiting for Lin Fan to give instructions to himself.

And see this scene!

Lin Fan looked a little weird, but he nodded.

call!

After seeing Lin Fan’s gesture, President Leng Kang and all the directors of Shengshi breathed a sigh of relief.

Then Leng Kang said directly:

“Okay! In that case, then on behalf of Shengshi Group, I believe this card is related to Miss Bai Yi!”

What!

Hearing this, the rest of the people in the surrounding hall were once again in an uproar.

Top offense succeeded?

They did not expect that Leng Kang actually believed that this emperor card was stolen by Bai Yi.

For an instant, whether it was Leng Bufan or Lin Guangyao and others, their expressions were hard to see the extreme.

They stared at Lin Fan fiercely.

How unwilling to let this bastard escape.

And just when Leng Bufan and others wanted to continue to impose the charge of stealing cards on Lin Fan.

But I was stunned to hear the voice of President Leng Kang, and continued:

“Today, I officially announce that from now on, Miss Bai Yi will become the fourth Skeleton Emperor Card owner of our Shengshi Group in China!

” As long as she appears in the industry under our Shengshi Group, she will enjoy the honorable treatment of the supreme emperor!”

Chapter 857

what! ! !

When Leng Kang’s words were heard, everyone around him was dumbfounded.

The 4th Skeleton Emperor Card owner in China!

Imperial treatment!

This... how is this possible.

The people around, whether they were the senior officials of the New Bai Group, Gao Shengyuan and others, or Leng Bufan and others, could not believe their ears.

Didn’t Bai Yi succeed in the crime?

Why now, he has become the owner of the Emperor Card?

Everyone felt a buzzing in their heads.

However, this is only the beginning.

“Besides!”

“Today, I brought all the members of the Shengshi Group to congratulate the opening of the New Baishi Group!”

“New Baishi Group, from now on, will become our first partner of the Shengshi Group! Hundred percent of resources are tilted!”

“Any friend of the Xinbai Group is our friend, and any enemy of the Xinbai Group is an enemy of our Shengshi Group!”

Boom!

In a word, everyone was shocked!

The friends of the new Bai family are the friends of the prosperous age!

The enemy of the Xinbai family is the enemy of the Prosperity!

At this moment, after hearing Leng Kang’s words, everyone in the entire hall couldn’t believe their ears.

What...what’s going on?

In the hall, everyone looked at each other.

Didn’t you mean a thief?

Didn’t you say that it’s a crime Why now, Bai Yi has not only become the fourth holder of the Skeleton Emperor Card, but now even the New Bai Group has become the first partner of the Shengshi Group.

Everyone understands the significance of partners of Shengshi Group.

This is a cooperation with the top chaebol in Jiangnan.

Especially, as the first partner, the position of the New Bai family can be said to be soaring. I am afraid that all the chaebols in the south of the Yangtze River will squeeze the door and want to cooperate with the New Bai family.

Puff!

At this moment, after hearing this news, whether it was Gao Zhilong or the group of suppliers, one by one seemed to have been drained of all their strength, and people kept falling on the ground.

“Oh my God, this...how is it possible! Xinbaishi became a partner of Shengshi? And I was so stupid to terminate the contract with Xinbaishi?”

“How could this happen! If I didn’t terminate the contract, it would mean that I It is also equivalent to a partner of the Shengshi Group! And now...”

“Ma’s! Gao Zhilong, you bastard! You are so damned!”

“...” It’s messed up!

At this moment, these suppliers, one by one, simply regretted their intestines.

Everyone looked at the gazes of Gao Zhilong and his son, wishing to swallow them alive.

after all!

With the support of the Shengshi Group, the new Bai family is definitely an upstart in the Jiangnan business circle.

Following the New Bai family, it will definitely be a turbulent one in the future, and they unexpectedly canceled the contract stupidly, and even complacent for the small amount of cancellation fees.

Thought of this!

Crackling!

Suppliers slapped their faces regretfully, and wished to slap their cheeks.

Chapter 858

More than them!

After reacting, Gao Zhilong’s mouth also twitched fiercely. He only felt that his heart was dripping blood.

Originally, their Shengyuan Group was the first supplier of New Bai’s.

If there is no termination, then their company will be the same as the new Baishi, soaring into the sky, becoming the top chaebol in Jiangnan.

But now!

Thought of this.

Gao Zhilong looked at his son, full of hatred and cruelty:

“You bastard! I want to kill you!”

Finished!

Gao Zhilong seemed to be mad, kicking Gao Zhiyuan’s wheelchair to the ground, and then slapped Gao Shengyuan with his head and face.

“Dad...no, don’t fight! I was wrong, I really know it was wrong!”

Gao Shengyuan almost peed in shock at this moment.

He naturally understood why he was so angry.

And he also regretted his intestines.

However, nothing could be done again, feeling the appearance of Lao Tzu wishing to kill him, Gao Shengyuan’s body trembled, but he was completely scared to urinate.

And contrary to them.

After hearing Leng Kang’s words.

All the senior staff of the New Baishi Group were all dumbfounded.

Bai Yi, Baishan, and the rest of the high-levels, one by one, as if struck by lightning, their eyes widened, and their faces were full of consternation.

“I... Am I wrong? We have become the first partner of Shengshi?”

“God... God! We are going to develop? God sent us such a gift?”

“No, it’s not right! Lin Fan seemed to have said before that we will soar into the sky today! Could it be this?”

boom!

At this moment, after a brief consternation among Baishan, Bai Yi and others, Lin Fan’s words echoed in

everyone's mind.

This guy said before that the new Baishi will fly into the sky today.

At the time, almost everyone thought he was crazy. Mobile:

And now!

When the opportunity to fly into the sky appeared in front of them, everyone actually felt a sense of creepy fear.

One after another, they all looked at Lin Fan, as if they were looking at a devil.

They couldn't figure out how Lin Fan knew?

In the hall at the moment.

Not only these suppliers.

The most shocking was Leng Bufan and others.

"No...impossible! Is my dad crazy? The Bai Yi and Lin Fan stole the Emperor Card, and even the bastard Lin Fan, and destroyed me!"

"My old man doesn't count as revenge for me. Now, he...he listed the enemy's company as the number one partner! How could this be!"

Leng Bufan's complexion was as ugly as dead gray. Even if he wanted to break his head, he couldn't figure out why. .

And behind his wheelchair.

Bai Yifan, Shen Jie, and Lin Guangyao were even more stunned.

Chapter 859

Especially Bai Yifan.

One of his face was instantly as white as paper, without blood:

"It's over! New Bai's has become a partner of Prosperity, then our Bai Group... is completely over!" Bai Yifan seemed to have seen the end of the Bai Group. He almost fell to the ground.

But Lin Guangyao almost fell to the ground with a pair of eyeballs.

He hated Lin Fan so much, and naturally he didn't want to see that the New Bai Group flew into the sky.

"Young Master Leng, you... please persuade Mr. Leng! You can't give this opportunity to the New Bai Group!" That's it!

Lin Guangyao's eyes flashed a bit of cruelty:

"Also, don't forget, your grandfather Grandmaster Leng, and Miss He's grandfather Grandmaster He are coming soon!"

"They said, Call this Lin Fan a vegetable! How can your father cooperate with your grandfather's enemy?"

"

Huh?

have to say!

Under the previous series of shocks, Leng Bufan almost had to forget about his grandfather. After Lin Guangyao's reminder, he suddenly reacted.

At the moment he shouted to Leng Kang:

"Dad! You can't do this!"

"Just now, Bai Yi's husband, Lin Fan, humiliated my grandfather and grandfather He!"

"They are on their way now, and The two great masters have already spoken, they must turn this bastard into a vegetable! How can you cooperate with Grandpa's enemy?"

What!

Leng Bufan's roar instantly changed the expression of Leng Kang and other senior leaders in the prosperous age.

These people, who only arrived in Jiangshi today, are not clear about the affairs of Leng Aotian and Helanshan.

just!

Those two were not only great masters, but also cold-hearted elders.

If they really have a deep hatred with Lin Fan, then... it will be extremely tricky.

And at this moment!

Creak!

Creak!

Two rapid brakes resounded suddenly from the door of the building.

Then the two vicissitudes of frightened voice suddenly resounded from outside the door.

“That brute Lin Fan it? Destroy my grandson, dare to humiliate the old lady, out of death!” “Lin Fan, you audacious, dare hurt my granddaughter, is simply seeking death!”

Boom!

These two voices contained true energy, suddenly resounding like rolling thunder, echoing endlessly throughout the hall.

At this moment, when outside the hall, those two rolling thunder sounds came in.

Everyone in the hall changed their complexion.

What a terrible sound.

Everyone felt that the sound seemed to contain terrifying magic power, almost like shaking the human soul out of the body.

This voice is exactly Leng Aotian and Helan Mountain.

And at the moment.

After a brief shock, Lin Guangyao, Leng Bufan and He Jiaojiao were suddenly ecstatic.

Chapter 860

“Come! The two great masters are finally here! Lin Fan is done!” Lin Guangyao’s face was full of viciousness.

He hated Lin Fan very much.

But what made him gritted his teeth was that every time Lin Fan, this bastard, faced a desperate situation, he could turn around and make him slap his face again and again.

And this time.

“I don’t believe it, the two great masters can’t kill you!” Lin Guangyao looked at Lin Fan, feeling extremely happy.

And Leng Bufan also shouted to his father Lengkang:

“Dad, did you hear that? My grandfather is here, and he will definitely not spare this little beast! I advise you to take it back quickly, otherwise, my grandfather will take him back. ...”

Leng Bufan did not finish, but the meaning of the words made Leng Kang and all the senior leaders of the Shengshi Group look gloomy.

And behind the crowd.

Baiyi, Baishan, and all the senior officials of the Xinbai clan were all panicked.

The Great Master is here!

And it’s two!

This terrible formation made everyone feel numb in their scalp.

“Lin Fan, you...you go quickly! Go!” Bai Yi almost cried anxiously.

It just made Bai Yi and others unbelievable.

Lin Fan didn’t even panic at all. Instead, he patted Bai Yi on the shoulder with a smile, and said comfortingly:

“Don’t be afraid of my wife! I said, those two old guys can’t hurt me!”

What!

It’s the old guy again!

Hearing Lin Fan’s words, the corners of Bai Yi and everyone’s mouths were filled with bitterness and

despair.

And Lin Guangyao, Leng Bufan and others looked at Lin Fan as if they were looking at a dead person.

“Huh! The dead duck has a hard mouth, and dare to call my grandfather an old guy. Watch and see how my grandfather will kill you soon!” Leng Bufan sneered.

Lin Guangyao, He Jiaojiao and others nearby also smiled sorrowfully.

Da da da!

Especially at this time.

Two heavy footsteps resounded from outside.

In the shocking sight of everyone, Leng Aotian and Helan Mountain stepped in.

The momentum is cold and violent.

After the two came in, everyone in the hall only felt the temperature here, as if it suddenly dropped to freezing point, causing everyone to shiver involuntarily.

“This...Is this the grand master’s aura ? It’s terrifying!” Everyone in the hall looked at Leng Aotian and Helan Mountain at this moment, filled with deep fear.

And the two old people, just entering the door, shouted angrily:

“Who is Lin Fan, get out!!!”

Boom!

In a word, everyone shuddered again.

And see this scene.

Leng Kang, the president of Shengshi Group, hurriedly bite the bullet and ran over:

“Dad!”

Huh?

Leng Aotian was taken aback for a moment. When he saw his son appeared here, he couldn't help but frown and asked,

"Leng Kang, why are you here too?"

"Dad! You can't do anything to Lin Fan!" Leng Kang's face was gloomy.

But this sentence was like stepping on Leng Aotian's tail, making him look furious:

"Shit!"

"Leng Kang, is your kid's head flooded! That Lin Fan, not only has your son been abolished," I dare to humiliate you Lao Tzu! Now, you are an unbelievable thing, you won't let me move him?" Leng Aotian's eyes were wide and he could hardly believe his ears.

Lin Fan has now become their number one enemy of the Leng Family.

He never thought that his son turned his elbow out.

However, this does not stop there.

Immediately after Leng Kang's words, almost all of the people in the hall were dumbfounded.

"Dad, I do it for your own good! I don't want your old man to lose his life!"
