

Super Rich Dad Chapter 849-850

Chapter 849

Ning Kun looked at Jiang Hao and shrugged, then handed the coffee in his hand to Jiang Hao, then leaned over the railing and looked down the mountain and spoke, 'There's still a bit of finishing work left to do, Sanniang has a deputy called Lei who hasn't been found yet.'

Jiang Hao picked up his coffee and took a sip before saying softly, 'Do you need my help?'

'And then make another scene like in the warehouse? Forget it. Do you know how disgusted Sally and I were that day, the old black who went in to carry you out was a little too much to handle.'

Looking at Ning Kun's disgusted face, Jiang Hao couldn't help but laugh lightly twice, knowing that he was deliberately teasing himself.

After a slight shake of his head. The two of them were silent for a moment before Ning Kun suddenly spoke, 'I don't know what you're thinking. But I know you're in a very wrong state right now.'

Jiang Hao nodded slightly and spoke back, 'I know, I'll adjust properly here during this period of time.'

Ning Kun looked at Jiang Hao and hesitated for a moment, 'It's not just your physical condition, it's also your psyche, I'm afraid you've met a demon in your mind right now.'

All monks cultivators and so on and so forth will meet their mind demons, or they can be called obsessions. The first website <http://m.26.cc>

This is the most basic common sense among martial artists, if their obsessions are not broken, their cultivation will not rise.

Although Ning Kun did not have a high cultivation level, that was because he did not focus himself on cultivation, and his own talent also limited his future in the path of a martial artist.

It was because of this that he had reminded Jiang Hao, as he couldn't bear to see that Jiang Hao would be wasted in the future because of this matter.

Looking at Ning Kun's eyes. Jiang Hao bowed his head in silence for a while, because he knew that Ning Kun was right, Shen Tianyang had become his own demon.

As long as it involved Shen Tianyang, Jiang Hao would be somewhat unable to control himself.

This was the case in the warehouse, and it was also the case when he watched her die at Thirty Mile Shop.

Ning Kun hesitated for a moment, then spoke, 'If you continue like this, you should be clear about what the consequences will be.'

Jiang Hao took a deep breath before looking up at Ning Kun and smiling, 'Don't worry, I'll adjust properly, it might not be that easy, but I'll try.'

The two men looked at each other for a moment before laughing softly. Enjoying the warm sun shining through.

After a long while, Jiang Hao spoke tentatively, 'How's the Sanniang I captured yesterday?'

Ning Kun listened and spoke casually, 'When I just came over to find Sally, the subordinates said they were interrogating that guy in the dungeon, so I guess she should have suffered a lot by now, what's wrong?'

Jiang Hao hesitated for a moment before shaking his head, 'Nothing, there's just some things I want to ask her alone.'

'It's about those friends of yours, right?'

Ning Kun had already investigated Jiang Hao before, and the Chu Jiang branch had also sent a copy of Jiang Hao's information over. They naturally understood some of these things.

Looking at the worried look on Jiang Hao's face, Ning Kun spoke after a long period of silence, 'Don't worry. Those friends of yours seem to have been locked up by Shen Tianyang, I'll help you find out the details.'

Jiang Hao looked at Ning Kun and nodded somewhat gratefully. Just when he wanted to say something, Old Black suddenly walked in.

Seeing that he was carrying a basin and a towel in his hand. Jiang Hao turned his head to look at Old Black and smiled, 'I'm already up, by the way, thank you for taking care of it.'

A hint of unnaturalness flashed across Old Black's face as he

He said, 'Don't thank me, it's all the old boss's orders. How is your health now?'

'Fine, nothing serious, how is your interrogation going?'

Old Black put the things in his hands down after hearing this, then looked at Ning Kun and nodded in a deep voice, 'You'll know this later, since you're already up, pack up and come with me to see the boss.'

Jiang Hao and Ning Kun looked at each other before they both noticed a hint of something unusual in Old Black's appearance.

Soon after Jiang Hao washed up and followed Old Black into Sally's office, Sally was sitting at her desk with her eyes closed, quietly meditating.

When she heard the door open, Sally opened her eyes and saw Jiang Hao and the others walking in, so she got up and smiled, 'I just asked Old Black to check on you. I didn't expect you to wake up, have a seat.'

After saying this. Sally gestured to Old Black and closed the door, Ning Kun took a look at Sally before also walking over and sitting down.

As soon as Jiang Hao sat down, he looked at Sally and said, 'How did you guys get on with the trial just now. Did that woman say anything?'

Sally smiled when she heard this and said, 'Nothing, it's basically what we already have. The most important thing for them to do when they come to the Northern Province this time is to find you, and only secondly, they are responsible for establishing the financial link between the Shen family and Shen Tianyang in the Northern Province.'

After hearing this Jiang Hao nodded in silence and then spoke, 'So, the North Province Shen family is really in cahoots with Shen Tianyang, and he was involved in the Shen clan's affairs back then?'

Sally was silent for a moment before glancing at Ning Kun with some embarrassment, who noticed Sally's look.

Hesitantly, he spoke, 'This matter is also what we were about to tell you, from what we have investigated now, it seems that the Northern Province Shen Family was indeed involved in the Shen Clan's affair back then.'

Jiang Hao closed his eyes at these words, his aura gradually becoming a little off.

Old Black looked at Jiang Hao as a hint of panic flashed in his eyes and hurriedly put his hand on Jiang Hao's shoulder and said in a low voice: 'Calm down! Calm down!'

Sally followed suit and hurriedly spoke, 'The North House Shen family has fallen now, in less than three days they will be bankrupt, by then I will be able to use a little more connections on my side to get them in hand!'

Jiang Hao lowered his head in silence for a moment before speaking, 'Three days, I can't wait that long!'

After saying this Jiang Hao directly got up and grabbed the door, Old Black and Ning Kun couldn't even react!

Old Black saw this and quickly looked at Sally and asked, 'This, what about this?'

Sally looked at Old Black, 'What else can we do? Take the men and go after him! Do you really want to see him turn the North Mansion upside down?'

At the same time, she took out her mobile phone and called Lin Yan, because apart from her, Jiang Hao was the closest to Lin Yan!

When she received the call, Lin Yan didn't react at all to what had happened, but only heard Sally repeatedly asking her to rush to the Shen family, as something big would happen if she was late!

At this time, Lin Yan was already the general manager of the Lin Group and had to deal with a lot of things every day, but after receiving Sally's call, she still put down her work and rushed to the Shen family.

The reason was that Sally would never say anything without a reason, and the atmosphere of the Shen family in the North was not quite right recently.

When Lin Yan arrived at the Shen family home, Shen Qing Shu came out of the house and when he saw Lin Yan at the door, he said indifferently, 'What are you doing here!'

Chapter 850

Before Lin Yan could say anything, she suddenly saw a flash of a white figure, and then Shen Qing Shu disappeared!

She hurriedly looked around before rushing in after her. But she saw that Jiang Hao was slowly walking into the Shen house with one hand around Shen Qingshu's neck.

'Shen Wennian! You get out of here!'

When he heard a shout from outside, Shen Wennian, who was meditating in his room, hurriedly came out and saw several security guards surrounding Jiang Hao with an eye on him.

Because Jiang Hao had removed the disguise from his face in the warehouse yesterday, he had reverted to his original appearance. Therefore, Shen Wennian did not recognise Jiang Hao for a while.

Seeing his son in Jiang Hao's hands, Shen Wennian was furious: 'Who are you! How dare you do this to my son! Do you know what kind of place this is!'

Jiang Hao looked at Shen Wennian with a gloomy face and laughed twice. Then with a fierce force in his hand he threw Shen Qing Shu to the ground!

'Of course I know, Shen Wennian, Shen Qingshu of the Northern Province Shen Family, how could I not know!'

Shen Wennian rushed up to protect his son, and after checking to make sure that Shen Qingshu was not seriously hurt, he then turned his head to look at Jiang Hao.

‘Unbridled! You know what this place is and you still dare to act so boldly! Give me a go!’

A few security guards laughed at these words and rushed towards Jiang Hao, swinging their sticks at him head on, and hitting him dead on the spot!

Jiang Hao glared angrily at the man, his arm stretched out like a snake and grabbed the stick, then with a fierce force he even grabbed the man. Then with a kick, he sent the other man flying four or five metres!

Seeing this, Shen Wennian could not help but sneer twice and said, ‘I didn’t see that you were still a martial artist, I said how dare you come to my house and make trouble!’

As soon as the words left his mouth, Shen Wennian sped out and arrived in front of Jiang Hao in an instant, and judging from his body, Shen Wennian was also a Level 3 martial artist!

It was a pity that he was still a step below Jiang Hao, but because of the incident at the warehouse yesterday, Jiang Hao’s body had not yet recovered.

After taking a blow from Shen Wennian’s hand, Jiang Hao took two steps back and opened his mouth to spit out a mouthful of blood.

Shen Wennian looked at Jiang Hao with arrogance and sneered twice, ‘Kid, what are you. I have never seen you before, is there any misunderstanding between us?’

When Shen Wennian saw that Jiang Hao was able to take a sticker blow from himself, he couldn’t help but feel a bit of scorn for Jiang Hao, knowing that an ordinary person wouldn’t be able to take it at all!

Even if he was a Level 3 martial artist like him, if he took a blow from himself, he would have to break at least two bones!

But looking at Jiang Hao’s appearance, apart from spitting blood, he didn’t seem to be seriously hurt!

Jiang Hao laughed out loud twice at Shen Wennian’s arrogant appearance. Then he pointed at him and spoke, ‘Who do you think I am, haven’t you all been looking for me. Didn’t Shen Tianyang give you a picture of me?’

Shen Wennian fell silent after hearing this, and stared at Jiang Hao carefully for a long time before it dawned on him!

‘Oh? Hahaha, that’s really stepping through iron shoes and finding it!’

After laughing. Shen Wennian stared at Jiang Hao with a sinister look in his eyes and said, ‘I was wondering how to find you, but I didn’t expect you to come to me on your own!’

Jiang Hao ripped open his shirt to reveal his strong upper body and looked at Shen Wennian and said, ‘You don’t have to come looking for me, I’ll come looking for you even if I die!’

p; Looking at Jiang Hao’s look of deep hatred for himself, Shen Wennian couldn’t help but think why Shen Tianyang was in such a hurry to find him.

From the information Shen Tianyang gave himself. The man in front of him was just a nobody, but why did a nobody look like he had a deep hatred for him?

Thinking of this, Shen Wennian pondered for a moment before speaking, ‘Who the hell are you, kid? Tell me honestly, and maybe I can still leave you in one piece.’

‘You have searched so hard for me, do you still not know who I am?’

Jiang Hao reached out to wipe the blood off his own mouth before looking at Shen Wennian angrily, ‘The only son of the Shen Clan, Shen Hao! Of course, you can also call me Jiang Hao!’

Hearing these words. Shen Wennian instantly understood why Shen Tianyang had gone to such great lengths to find this man before him!

‘Can Shangdian be on you?’

Seeing Shen Wennian's look of impatience. Jiang Hao reached out and pointed at his head, 'The Shang Dian is here, come and get it if you have the guts!'

The words had just fallen. Shen Wennian rushed towards Jiang Hao with one strong step, while Shen Qingshu lay on the ground with a sinister look at Jiang Hao who was struggling with his father.

Then he slowly got up and touched the door. He grabbed Lin Yan, who had just rushed in, and then choked her with one hand, saying, 'Stop it all! Shen Hao! Stop it for me! Or I'll strangle her to death!'

Hearing this, Jiang Hao hurriedly stopped his hand and looked at Lin Yan, who was being controlled by Shen Qing Shu, with a concerned face!

He was caught off guard and fell to the ground after being hit hard by Shen Wennian, then he looked at Shen Qingshu with his eyes wide open and said angrily, 'Shen Qingshu, if you dare to touch her, I will leave your Northern House Shen family without any chickens or dogs!'

Looking at Jiang Hao's wretched appearance, Shen Qing Shu laughed sorrowfully and then said, 'I won't dare to do that as long as you give up your hand, but if you resist, the big deal is that we will die together!'

After saying this, Shen Qing Shu's hand gently caressed Lin Yan's beautiful face.

'It's worth it to have such a beautiful woman to bury with me, and besides, she was originally my fiancée, hahaha!'

Shen Wennian slowly walked towards Jiang Hao with his hands in his hands, and spoke with arrogance on his face, 'I didn't expect to leave such a sinful child like you behind after exterminating over 300 people back then, hand over Shangdian.'

Jiang Hao looked at Shen Wennian and then at Shen Qingshu before laughing out loud!

'Hahahaha, Shen Wennian, old dog Shen, I want to ask you why you did that back then, what exactly did the Shen clan do to you!'

Shen Qing Shu glanced at his father after hearing this and kept his mouth shut, while Shen Wennian snorted twice.

‘What do you know, the king is the king and the knave is the knave, the weak are the strong, this is the rule of the world. Since your Shen clan can no longer hold a sword, it can only become meat!’

After saying this, Shen Wennian licked his lips before whispering, ‘Besides, who are you to monopolise Shangdian, it doesn’t belong to your Shen clan at all, but to all of us!’

Hearing this, Jiang Hao now understood that his father had raised a group of wolves with white eyes back then!

After shaking his head helplessly, Jiang Hao climbed up from the ground and pointed at Shen Qing Shu, ‘Let her go, or you will never get the Shang Dian!’

Shen Qing Shu laughed and was about to speak when Lin Yan suddenly looked at Jiang Hao with tearful eyes and said, ‘No! I won’t go! If you want to go, we’ll all go together!’
