

Super Rich Dad Chapter 851-853

Chapter 851

Jiang Hao glanced at Lin Yan with some disgust, not wanting to say much at all, but exchanged glances with Shen Wennian.

Originally, because Jiang Hao had stormed off inside the warehouse yesterday, he had hurt his spirit not to mention. The true qi in his body was also seriously overdrawn.

He was already at his limit when he was able to wrangle with Shen Wennian, not to mention the fact that he had taken two of Shen Wennian's moves so hard that his body had already been badly damaged!

Shen Qingshu reached out and slapped Lin Yan to shut her up, then looked at Jiang Hao and said with a fierce smile, 'Who are you? Do you think you have the qualifications to bargain now, hand over Shang Dian!'

Although Shen Wennian didn't say anything. But the look on his face had already revealed his mind.

As long as he had the Shang Dian, what if he didn't want the foundation of the Shen family in the Northern Province, in a short time, he would create a Shen clan that no one could beat!

Just as he was getting more and more excited with his thoughts, another voice suddenly came from outside the door!

'I'd like to see how many times you have the guts to do it, Shen Qingshu!'

It turned out to be Old Black who had arrived with Sally and Ning Kun, as well as twenty men from the Beast Camp!

With a flash, Old Black controlled Shen Qingshu and then pushed Lin Yan into Sally's arms!

Jiang Hao saw that Lin Yan was saved and Sally was relieved to see that she had brought her men over, so he relaxed and sat down on the ground and looked at Shen Wennian quietly.

Sally let out a somewhat helpless sigh as she hugged Lin Yan. Then she slowly walked up and looked at Shen Wennian and said in a low voice, 'I really didn't see it coming, but it turns out that Elder Shen is still a third level martial artist.'

Shen Wennian glanced at Old Black and Sally with some confusion: 'Since when did the Tianzhu Villa start to interfere in these matters, if I remember correctly, you seemed to have said that you would not interfere in any family's affairs, Miss.'

The twenty beast guards that Ning Kun had brought in surrounded Shen Wennian with a fish, and Sally looked at Shen Wennian's scornful look and smiled before speaking, 'Oh, I forgot to mention that I have another identity as the head of the Section 13 branch in the Northern Province.'

Old Black also followed at this time and spoke sorrowfully, 'The head of Section 13's action team in North Province.'

Ning Kun slowly walked behind Sally and looked at Shen Wennian and smiled, 'Thirteen Section belongs to the intelligence section codenamed Big Fish.'

Sally waited until the crowd had finished and made a gesture, and someone soon brought up a chair and placed it behind Sally.

She sat down and looked at Shen Wennian with a calm smile and said, 'Elder Shen, do you think I should be in charge of this matter now?'

Shen Wennian looked at Sally with a gloomy face. Every now and then, he surveyed the beast guards surrounding himself in black armor.

'Thirteen sections? Well, well, well, I really didn't expect that you, who had been uninvolved in the world, were the biggest fish in this Northern Province!'

Sally laughed haughtily before whispering, 'I've actually rarely bothered with your affairs, but this time you have violated my bottom line, so I can't help it.'

Shen Qingshu had never heard of the Thirteen Sections, so he looked at his father with a scornful look and called out in some confusion, 'Dad! Save me! What are you waiting for!'

Old Black tightened his hand and gestured at Shen Qingshu: 'You'd better shut up. Or you'll really die, you know?'

Lin Yan was already stunned by such a turn of events at this point. First it was Shen Yan saying that his real name should be Shen Hao, and then that he was Jiang Hao.

Then there was Shen Wennian, an old man who raised his hands and feet as if he carried great power!

The next thing was even more mysterious, that Sally, whom she knew so well, had also changed into the head of the 13th Section in the Northern Province!

As she thought about this, she looked at Sally in disbelief and said, 'What is this? What the hell is going on here?'

Sally looked back at Lin Yan after hearing this and frowned, then said softly, 'Ning Kun, send someone to send Miss Lin back, what happened here today is none of Miss Lin's business.'

After saying these words. Sally got up and walked to Lin Yan and said with an apology, 'I originally wanted you to stop Jiang Hao, but I didn't expect you to be involved instead, you should go back first.'

Lin Yan was about to say something when Ning Kun knocked her unconscious with a single blow, and then slowly retreated with Lin Yan on his shoulder, closing the door behind him on his way out.

Only after Ning Kun had sent Lin Yan away did Sally turn to look at Shen Wennian and say, 'Since you know about our Section 13, I guess you know what you did wrong, right?'

Shen Wennian sneered and did not reply. In fact, he was already thinking about how to escape!

Each of the twenty beast guards had a strength of between one and two, and they were proficient in cooperation. They couldn't be handled by themselves!

Plus, Old Black, who was controlling his son, looked ordinary though. But Shen Wennian could feel that his strength was on a par with his own!

After a slight hesitation, Shen Wennian stared at Sally with a sinister look in his eyes and said, 'You let my son go. I will give you Jiang Hao and never set foot in the North Mansion again!'

Sally looked at Shen Wennian with flat eyes, and after a moment of silence she said, 'Okay.'

Old Black hesitated for a moment before controlling Shen Qing Shu and slowly walking over, while Shen Wennian also grabbed Jiang Hao, who was sitting on the ground without saying a word, and then walked towards Old Black.

With a wrong turn, Old Black grabbed Jiang Hao in a hurry, while Shen Wennian grabbed his own son and at the same time, reached out and struck Old Black in the chest with a fierce hand!

With the force of this slap Shen Wennian turned around and tried to attack Old Black, while the beast guards who sensed something was wrong swarmed around him and the whole courtyard was lit up with swords and shadows!

It was funny that in a world of heat weapons, there was such a scene in a small courtyard!

Sally sat on a chair and looked at Shen Wennian, who was surrounded by the beast guards, and said in a somewhat bored voice, 'Old Black, is everything alright?'

Old Black wiped the blood seeping out of the corner of his mouth, gritted his teeth and smiled before speaking, 'It's fine, Old Master, what are you going to do with this guy?'

As she watched Shen Wennian slowly retreat into the study with Shen Qingshu at his side, Sally got up somewhat bored and said back, 'Of course I'll give it to Jiang Hao, but before that I have to do one thing.'

As soon as the words left her mouth, Sally slapped Jiang Hao across the face.

Looking at the dumbfounded Jiang Hao, Sally said with tears in her eyes, 'Do you know what you're doing! You were that close! You were so close to dying, do you know that?'

Jiang Hao reached out and touched his face, and after a moment of silence he lowered his head and whispered, 'I'm sorry.'

'Is it useful to be sorry, I know how much responsibility you carry, but did I say I wouldn't help you! Just by fooling around, you think you're good don't you!'

Old Black rolled his eyes as he watched Sally lecture Jiang Hao, then hastily turned around and plugged his ears to pretend he couldn't see!

Chapter 852

While Sally was teaching Jiang Hao a lesson, three dusty men slowly walked outside the gate of the North House Shen family.

Chen Shilong took out his mobile phone and pointed at the gate before speaking, 'This is the North House Shen family's mansion, Jin Shengwu. Go knock on the door and we'll wait for you here.'

The short man, Jin Shengwu, nodded with a cynical smile on his face when he heard this, and then walked to the front door of the Shen family's house and knocked impatiently.

Old Black glanced at Sally after hearing the knock, while Sally, who was lecturing Jiang Hao, also stopped. There was some confusion as she looked at Old Black.

After a moment of silence Sally let Jiang Hao go for the moment and said in a deep voice, 'Open the door and see who it is.'

Old Black nodded, at such a critical time. The person who suddenly approached the Shen family was either one of Shen Tianyang's men or that deputy of Sanniang from before.

Judging from the mobile phone left behind now, Sanniang had every time to inform some people of her accident before Jiang Hao knocked her out.

When Old Black carefully opened Jiang's door, he saw a man of about six-foot-five with a bag on his back and a dusty look looking at him.

After sizing up the other party a little, Old Black looked at him with a fawning smile and spoke, 'Hey, this big brother, may I ask what's up?'

After hearing this, Jin Shengwu looked at Old Black with a cheeky smile and spoke, 'Open the door, I have something to see Shen Wennian about.'

Old Black frowned slightly after hearing this, then laughed lightly and said, 'That. Our family lord is a little busy with something right now, dare I ask your Excellency is?'

'Oh, I forgot to introduce myself, I am one of Chief Shen Tian Yang's men, my name is Jin Shengwu, the two tallest behind me are Chen Shilong and the other is Zhao Tianzhong.'

Noticing the true qi fluctuations on the other party's body, Old Black frowned before saying in a deep voice, 'In that case, please come in, everyone.'

Hearing this, Jin Shengwu turned around and happily looked at Chen Shilong and beckoned, 'Come over, Shen Wennian is at home!'

Chen Shilong covered his face with a slap. He was a level three martial artist, but he was acting like a child, couldn't he be more calm?

This was not the first time that Zhao Tianzhong had worked with Jin Shengwu, and he was already accustomed to his nature of work.

At this time, looking at Chen Shilong's actions, he laughed bitterly and shook his head and said, 'Let's go, finish this matter early and go back to your orders, it's better to have more fun over in Chujiang.'

Chen Shilong nodded slightly after hearing this and then walked over.

After Old Black opened the door and let Chen Shilong and the others in, he slammed the door shut. Only now did Chen Shilong and the others notice that something was wrong.

At this moment, a burst of true qi fluctuation was coming from inside the Shen family mansion, and it looked as if someone was fighting inside.

Then he looked at Old Black's unpleasant face. Chen Shilong's face was grim as he spoke, 'What's going on?'

Sally also walked out from the corner at this time and surveyed Chen Shilong and the others and said, 'It looks like there are quite a few fish here today, when did third level martial artists become so worthless?'

Jin Shengwu slowly put away the smile on his face, then sized up Sally and Old Black and spoke, 'It looks like we've met Shen Wennian's injustice at our door.'

Chen Shilong frowned and looked at Sally and said in a deep voice, 'We don't want to interfere in your feud, but can you please wait until we are done with our business before continuing?'

Sally looked at Chen Shilong a little strangely when she heard this. Seeing that he did not look like he was joking, she said amusedly, 'Aren't you guys here to help Shen Wennian?'

As soon as the words left his mouth, Zhao Tianzhong suddenly attacked Sally with a dash, and Old Black saw this and hurriedly blocked it!

But at the same time, he could not help but secretly cry out in pain. He had just taken a blow from Shen Wennian and had already suffered internal injuries.

He had already suffered internal injuries from the blow he took from Shen Wennian, and when he was caught off guard, his injuries had worsened.

Jin Shengwu also followed and attacked Old Black, they could already see that only Old Black had some strength, while Sally was just an ordinary person!

Chen Shilong's eyes coldly swept a glance at Sally and then coldly snorted and followed the true qi fluctuation towards the study, he would like to see what kind of strength this Shen Wennian is.

Just as Chen Shilong left, Jiang Hao got up and kicked Zhao Tianzhong who was attacking Old Black's face!

Zhao Tianzhong felt a strong wind in his face. He took a half step back and dodged it, but then he said, 'What a skill!'

At this moment, Jiang Hao slowly walked out and looked at Zhao Tianzhong with a somewhat pale face and smiled, 'Sloppy. It's just that you are Shen Tianyang's men?'

Zhao Tianzhong nodded his head. Old Black, who had finished dealing with Jin Shengwu's attack, stepped back and stood shoulder to shoulder with Jiang Hao, whispering, 'It's a bit tense, you protect the boss and go first. I'll hold them off.'

Zhao Tianzhong looked at Old Black and laughed grimly twice before suddenly speaking, 'We haven't even decided on a winner yet, why do you want to leave, let's play slowly!'

As soon as the words left his mouth, he attacked Jiang Hao, while Jin Shengwu attacked Old Black.

As Sally backed away, she took out her mobile phone and hurriedly contacted Ning Kun, no one had expected that three Level 3 martial artists would suddenly arrive at Shen Wennian's home!

After sending the unconscious Lin Yan to the Lin family, Ning Kun received a call from Sally just after he walked out of the door.

So he picked up and said, 'Hey, what's going on?'

Sally took the phone and hurriedly said, 'Three Level 3 martial artists have suddenly arrived from the Shen family, urgently requesting help!'

Ning Kun froze on the ground with the phone in his hand, and only after a long time did he come back to his senses, only to find that the phone had already hung up!

In desperation, Ning Kun had to urgently notify the beast guards in the east, south and north of the city to rush to the Shen family!

At this moment, while Shen Wennian was struggling to deal with the beast guards protecting his son from the secret passage, Chen Shilong suddenly entered the formation like a fierce tiger.

Then he looked at Shen Wennian and said in a deep voice, 'I am Chen Shilong, one of Shen Tianyang's men, the boss told us to come and find you, then ask you about someone!'

Shen Wennian had just dealt with the attack of the two beast guards after glancing at Chen Shilong, he hurriedly spoke, 'Stop it, the person you want is outside in the courtyard, just call out to Jiang Hao if you don't believe me!'

Hearing this Chen Shilong's eyes lit up, just when he wanted to go out and have a look.

Shen Wennian suddenly spoke again, 'But you'd better help me kill them out first, these people are all the beast guards of the Thirteen Sects, if you can't kill them out again soon their support will come!'

'The Thirteen Sects?!'

Hearing that name Chen Shilong's heart was startled, it seemed he didn't expect to run into someone from the Thirteen Sects so soon!

Shen Wennian looked at Chen Shilong's reaction and skimmed his lips before sneering, 'Why else do you think I'm trapped here, help!'

Chapter 853

Hearing this, Chen Shilong shouted loudly, 'Jin Shengwu, the target is outside and his name is Jiang Hao!'

Hearing this, Jin Shengwu noticed a wry smile flash across the face of the man he was battling!

So with a tentative grim smile, he said, 'You're Jiang Hao. Isn't that right?'

Old Black looked at Jin Shengwu and said with a heated smile, 'Are you face blind or blind, take a good look again, who is Jiang Hao!'

As he spoke, Old Black took advantage of Jin Shengwu's inattention and punched him in the face. He blasted him more than five metres away before he stopped!

Zhao Tianzhong, who was fighting with Jiang Hao, saw this scene out of the corner of his eyes and was in a hurry. He hurriedly retreated two metres and distanced himself from Jiang Hao, then rushed to Jin Shengwu and said, 'How is it, are you alright?'

Jin Shengwu wiped the blood from the corner of his mouth and shook his head, 'This guy is not easy to deal with, why don't we call the boss to come out, we are here to catch Jiang Hao, not to help him solve Shen Wennian's problems.'

Zhao Tianzhong rolled his eyes helplessly and said, 'Shen Wennian is the boss's partner, if we don't do anything, we'll get the boss into trouble!'

As soon as the words left his mouth, he turned his head to look at Old Black and said in a deep voice, 'Which one of you is Jiang Hao, come forward!'

Jiang Hao wiped the blood from his body, then looked at Zhao Tianzhong, smiled and said, 'I am. What, did Shen Tianyang send you here to arrest me?'

Zhao Tianzhong laughed twice and then took out two daggers from his bag, the sharpness of which was vaguely blue, obviously poisoned!

‘Good to know, come with us honestly, we all have less trouble, otherwise, don’t blame me for not showing mercy under the knife, our boss didn’t say whether he wanted him alive or dead!’

Jiang Hao snorted twice before glancing at Old Black and whispering, ‘Have you brought the guys? It looks like it’s going to be a bit difficult here today.’

Old Black was silent as he took out a box from the corner. Then he opened it and took out two long knives from inside and threw one to Jiang Hao.

‘Ning Kun is on his way here with his men, hang in there and try to keep these three buggers, otherwise it will look too much like we are not capable!’

Jiang Hao laughed and coughed out a mouthful of blood, then wiped it on his body before pulling out his long knife and laughing, ‘In that case, there’s nothing we can do, let’s go!’

In an instant, the courtyard was again filled with sword shadows. Jin Shengwu and Zhao Tianzhong took on Jiang Hao and Old Black respectively.

Sally sat behind Old Black and Jiang Hao and quietly watched the four men, her palms covered in cold sweat.

As the fight between the two sides was intensifying. The gate of the Shen family collapsed, and Ning Kun, holding two lances in his hands, pointed at everyone in the courtyard and shouted angrily, ‘Stop!’

Thirty beast guards came in behind Ning Kun and surrounded Jin Shengwu, Zhao Tianzhong and the others, while Shen Wennian and Chen Shilong, who had managed to get rid of twenty beast guards in the room, saw the scene through the window.

Shen Wennian looked at Chen Shilong with some anxiety and said, ‘What should I do, I don’t have much true qi left!’

At this moment, Chen Shilong was also feeling a bit annoyed. If it wasn’t for the fact that they had come to find Shen Wennian to ask about Jiang Hao’s whereabouts, they wouldn’t have met the people from Section 13!

Thinking of this, Chen Shilong spoke back in an unkind tone; ‘If you ask me, who will I ask!’

Ning Kun looked at the crowd and stopped. He hurriedly opened his mouth and called out, ‘Old Black, Jiang Hao step back, is the old boss alright?’

Sally slowly walked out of the corner, looked at Ning Kun and smiled, ‘Nothing is wrong.’

She then pointed to Zhao Tianzhong and Jin Shengwu inside the courtyard and said, ‘These two are Shen Tianyang’s men, take them down, there is another one inside the room, and Shen Wennian is also inside.’

Ning Kun laughed twice before pointing his two guns at Jin Shengwu and Zhao Tianzhong, ‘Do you know how to do it yourselves, or do you want me to help you?’

Jin Shengwu and Zhao Tianzhong looked at each other. Zhao Tianzhong stepped out and looked proudly at Ning Kun, 'Within ten paces, I'm fast. Beyond ten paces, you are faster. Let's see how close we are.'

Ning Kun hemmed and hawed, and the surrounding beast guards instantly surrounded him!

In an instant. Zhao Tianzhong and Jin Shengwu were under the siege of thirty beast guards!

Seeing this scene, Chen Shilong also came out of the room with Shen Wennian and shouted, 'Go!'

Old Black and Jiang Hao looked at each other and then gritted their teeth and joined the battle again, and while Chen Shilong was taking Zhao Tianzhong away, he thrust his sword into Jin Shengwu's waist!

Watching his good brother being stabbed in the stomach by Jiang Hao, Zhao Tianzhong turned around and fiercely shouted, 'No!'

Ning Kun wanted to leave everyone behind, but in the end he could not stop Chen Shilong from taking Shen Wennian and Zhao Tianzhong away.

Jin Shengwu fell to one knee, blood foaming from the corner of his mouth as he looked at Jiang Hao and Old Black and fell to the ground with a smile.

Sally slowly walked up and took a look, Ning Kun looked at Sally somewhat apologetically and said, 'Sorry, I was remiss this time, I didn't think Shen Tianyang would even send someone over.'

Sally shook her head and then said softly, 'It's nothing to do with you, no one expected this to happen, pack up the place and go back, prevent them from coming over again soon.'

After hearing this, Ning Kun nodded and helped Old Black and Jiang Hao up, then counted the beast guards and found that they had lost twenty of them in this battle alone!

The point was that they hadn't caught Shen Wennian yet, even Shen Qingshu had escaped, and that was what angered Sally the most!

After returning to the villa, Sally looked at the list of the dead in her hands and closed her eyes in pain, while Ning Kun stood in front of Sally with his head bowed in anxiety, looking up at her every now and then.

Only after a long time did Sally say, 'Go down and send the list to the headquarters, and also inform Section 4 and 5 that Shen Tianyang's attack on Section 13 and the incident of the traitor in the Chujiang branch have also been reported!'

Ning Kun hesitated for a moment and whispered back, 'The matter of the traitor in the Chu River Division, don't we check it out ourselves?'

This was something they had discovered a long time ago, and at first Sally had handed it over to Section 13, saying that she had given it to someone from Section 1 to investigate.

But so much time had passed without a single letter, and today's incident made Sally even more furious!

'Since the people from Section One can't do this matter properly, then let the people from the headquarters side do it, I just don't believe that he, Shen Tianyang, can be so wild in Chujiang!'

The death of the twenty beast guards directly irritated Sally, at this moment she was like a fierce tiger that chose to devour people, if anyone sang against her at this juncture, she could crush the other person's head!

Ning Kun took one look at Sally's gloomy face, nodded and retreated, and had the captive treated.
