

Catch Me If You Love Me

Chapter 87

Zoey looked at him decisively, with a gleam of water in his eyes.

“Liam Lu, this is a matter between me and Anna Yun. It has nothing to do with you. Don’t let me hate you!”

Liam Lu’s eyes were cold, and there was an unknown cold light in his eyes, which made people unable to understand the emotions.

For a long while, only the meaning is unknown, and he said in a low voice.

“Zoey, enough.”

Zoey Gu’s heart hurts, his eyes flushed suddenly, and he slapped Anna Yun’s hand vigorously, and it hurt even more.

“Liam Lu, she killed my dad and brother, and even wanted to live and bury me. The lives of several people are over because she pretended to be miserable to you and a few tears. If you have enough, I will let go. Why? !”

Liam Lu squinted at her.

“Just because she is my Liam Lu’s fiancée, is that enough?”

Zoey Gu shook her body, took a long breath, and was forced to tears.

She gritted her teeth and stared at him.

“What if I must send her in?!”

Liam Lu did not move, looking at Zoey Gu’s eyes with a sharp cold light.

“You can try.”

Snapped.

Zoey Gu slapped Liam Lu’s face fiercely, and her red eyes were filled with disappointment and hatred.

“If time can go back, I would rather be blind than know you!”

Liam Lu’s figure shook, a trace of scarlet popped up in his eyes.

Zoey Gu had stepped past him without hesitation, and walked towards several police officers not far away.

In the next second, the wrist was clasped firmly again.

She subconsciously wanted to turn her head, and forcefully broke away from Liam Lu's hand.

He suddenly lifted a palm and slashed it behind her head.

“Ok!”

Zoey Gu only felt a pain in the back of his neck and his eyes went dark, and his whole person was completely plunged into the overwhelming darkness...

The ward is very lively in the early morning.

Standing in the corridor, one could clearly hear Anna Yun's sharp out of control crying from the ward.

“When will the swelling of my face disappear? Zoey Gu made such a big cut on my face. Will I be disfigured or leave scars?”

Logan Fu propped up one leg and leaned against the wall outside the door. Hearing Anna Yun's scream higher than one, he could not help but curl his lips mockingly.

Not far away, Liam Lu's tall figure stood in the corridor, and he turned around and walked back when he saw the more police officers leave.

His efficiency is very fast.

After Zoey Gu was knocked unconscious and sent to the ward, before the matter even had time to ferment, he had already pressed it down with his own hands.

When Logan Fu saw him coming, he looked at him with a smile.

“To be honest, even if I have experienced so many women, the cruelty to women is not as cruel to women as you, Liam Lu, to the ex. Zoey Gu is blind to falling in love with you!”

Liam Lu looked at him coldly, his thin lips lightly opened.

“Stay away from Zoey Gu, she is not something you can use at will. There will not be a second time for things tonight.”

Logan Fu stood up straight, watched Liam Lu turned sideways, and laughed coldly.

“Heh! Liam Lu, don’t you think that things are settled like this? Don’t forget, your fiancée Anna Yun really stabbed me tonight.”

“Zoey Gu has nothing to do with her, I always have the right to sue her?”
