

Chapter 871

Charlie pretended to look for it all afternoon, and received a call, saying that Aunt was going home soon, so he drove home.

Claire also received a call from her father. Although she was reluctant, she drove home.

Elsa heard that there was a visitor at home, and said tonight that she did not want to go home for dinner.

Claire wanted her to accompany her, so she wouldn't be so embarrassed, but Elsa felt embarrassed herself, so she used the excuse to work overtime and eat out by herself.

Claire couldn't force it, so she said to Jacob, "Dad, after your classmates come later, try not to talk about me. I am not in a good mood today, and I don't want to talk too much."

Jacob also knows that if his daughter is willing to go home at this time and eat this meal with him and his old classmates, even if it is a lot of face, he can't force her.

So he said to Charlie: "Good son-in-law, you have to talk more at the dinner table later, and be more active."

"Okay." Charlie nodded awkwardly.

At this time, the door bell in the villa rang, Jacob couldn't wait to walk to the videophone, and immediately said to Charlie and Claire excitedly: "They are here, I'll open the door."

After speaking, he opened the door and went through the yard to open the door.

Claire looked at Jacob's positive look, couldn't help sighing, and asked Charlie: "You said my dad and that Aunt, is there something else?"

Charlie smiled and said, "They haven't seen each other for more than 20 years, what can I say? You must be thinking too much."

Claire said earnestly: "But when I see my dad like this, he seem to be a little too excited."

Charlie comforted: "You don't know about this. After all, they have had a history."

Claire hurriedly said: "But my dad has already married my mother, and he and my mother are not divorced! He is responsible for and must be loyal to the marriage!"

Charlie smiled and said: "It seems like Dad really had an extramarital affair. He just saw his first love today. How could it be so serious as you said."

Claire sighed and said, "I'm just worried, not that they already have something now."

At this time, Meiqing was outside the villa, marveling at this top-notch villa in Aurous Hill.

She has been away from China for a long time, so she doesn't understand many domestic real estate and other things, nor does she understand.

When Jacob told her the address, he only talked about Tomson Villa A05, and Meiqing didn't think too much.

But after she came to Tomson, she discovered that the villa in this place turned out to be so luxurious and atmospheric.

Seeing that Jacob lives in such a luxurious villa area now, it made her faintly surprised.

Because she used to ask her classmates to inquire about Jacob's recent developments over the years, but the feedback she got was that he was not very happy, which made her a little confused.

While waiting for Jacob to open the door outside the gate of A05, Paul was bored, so he checked the approximate selling price with his mobile phone, and said to his mother: "The house here needs about 80 million to more than one billion. I read it online. It is said that Type A villas are the largest in size, and they probably sell for one to several tens of millions."

Chapter 872

Meiqing nodded and said, "More than one billion is not expensive, but I don't quite understand. In your Uncle Willson's situation, how can he afford the villa here?"

Paul smiled slightly and said, "This requires you to ask him personally."

Meiqing also smiled and said, "Maybe it's called hiding."

Paul thought for a while, and said, "Well, let me be honest, I feel that Uncle Willson should be a good person, but not like a hidden person."

Meiqing asked curiously: "What do you mean by that?"

Paul said, "It's nothing, it just feels a little strange."

Meiqing smiled and said: "Well, let's not discuss this. I should be happy for the old classmate who can live in such an expensive villa. As for the others, we don't have to ask about it."

Paul nodded and said seriously: "Mom, you are right."

At this time, Jacob had also opened the door of the villa. When he saw Meiqing and Paul, he immediately said excitedly: "Oh, Meiqing and Paul, you are here, please come in, please come in quickly."

Meiqing smiled and said: "Oh, Jacob, your house is really beautiful. When I entered this community just now, it felt very high-end and atmosphere. This should be the best villa area in Aurous Hill?"

Jacob said modestly: "I don't know if it's the best. Actually, I just moved in just two days ago."

Meiqing and Paul walked into the villa with Jacob.

Seeing the exquisite decoration in the yard, Meiqing couldn't help sighing: "It seems that the decoration of your villa is also a lot of thoughtful. It should be designed for you by a high-end designer?"

Jacob said: "In fact, this villa was not decorated by us. In fact, this villa was also given to my son-in-law by his friend."

Paul's expression was very surprised, and he blurted out: "Uncle Willson, this villa is worth more than one billion, right? Mr. Charlie's friend was willing to give him such an expensive villa?"

Jacob nodded and said, "Not only the villa was given away, but even the decoration was paid for by his friends. We just bought some furniture by ourselves and didn't spend much money."

Paul couldn't help asking: "Is this villa also earned by Mr. Charlie showing Feng Shui for others?"

Jacob happily said, "You really guessed right. This villa is his reward for showing others Feng Shui. Let me tell you, don't look at my son-in-law. It seems that there is nothing serious about doing things, and there is nothing to do. , But his ability to look at Feng Shui is truly unique in the upper class of Aurous Hill!"

Paul felt a little strange in his heart. Normally speaking, no matter how expensive Feng Shui masters are, there will be more than one or two hundred million price tags once, right?

Charlie showed others Feng Shui, and others gave him such a good villa, coupled with exquisite decoration, this should not only be for the villa, there must be other reasons.

It seems that Charlie is definitely not an ordinary person!

Thinking of this, Paul couldn't help but exclaimed: "Actually, I also believe in Feng Shui. But I have never met a very good and very capable Feng Shui master. Since Mr. Charlie is so capable, then my new company must Ask him to help me take a look at Feng Shui."

Jacob smiled and said: "Then you can go back and talk to him, Charlie is very interesting, I believe he will not refuse you!"

Chapter 873

At this time, Jacob had taken Meiqing and her son Paul and walked in through the yard.

When they met, Claire was shocked by Meiqing. She heard Charlie say that Meiqing's temperament and appearance were very good, but she didn't expect it to be so good.

Being a woman, Claire even envied Meiqing a little.

After all, it is really amazing that a woman can maintain such a good level at the age of about 50.

Meiqing was also a little surprised when she saw Claire. She really didn't expect that the daughters of Jacob and Elaine was so beautiful and outstanding.

The Paul next to him, at the moment he saw Claire, couldn't help being a little stunned. He was also shocked by Claire's beauty and temperament.

Jacob introduced at this time: "Meiqing, let me introduce to you, this is my daughter Claire."

After that, he looked at Claire again, and said with a smile: "Claire, this is your father's old classmate, Meiqing, you may want her to be called Aunt."

Claire was shocked by Meiqing's beauty and temperament, and at the same time was even more worried about the relationship between her father and her.

Because compared with Meiqing, her mother really seems to be a thousand miles away. In addition, the relationship between the two of them is not stable. Now that there is such a strong competitor, it will become more fragile.

However, out of politeness, she shook hands with Meiqing very warmly, and said with some respect: "Hello, Aunt."

Meiqing smiled, and sighed sincerely: "Claire, you really look so beautiful!"

Claire said modestly: "Aunt, you really appreciate it. Compared to you, I am far behind."

"No, no," Meiqing said seriously: "When I was your age, I was not as beautiful as you."

After that, she looked at Charlie and said with a smile: "Charlie is really blessed to marry such a good wife."

Charlie smiled and nodded and said, "Aunt, you are right. This is my blessing."

Meiqing smiled and introduced her son again, and said: "Claire, this is my son Paul. He should be one year younger than you. It stands to reason that he should call you sister."

Paul on the side hurriedly stretched out his hand to Claire and said seriously: "Hello Miss Willson, I am Paul, my full name is Paul Smith, and I am glad to meet you."

Claire was hesitating whether to shake hands with Paul, and Meiqing hurriedly said: "Son, Claire is a married person. It is necessary to avoid suspicion when contacting the opposite sex."

Only then did Paul come back to his senses, hurriedly withdrew his hand, and smiled awkwardly: "I'm really embarrassed, it's because I was rash."

Claire nodded slightly and smiled as a response. Charlie couldn't help being surprised, Meiqing's tutoring was really extraordinary.

Jacob couldn't wait to say at this time: "Meiqing, I have already bought all the ingredients and seasonings related to those dishes, and are in the kitchen now. We'll go in and beat it, what do you think?"

Meiqing naturally nodded and smiled: "No problem, let's cook a meal for the children today."

After all, she said to Paul: "Son, you have a good chat with Mr. Wade and his wife. In the future, you have to develop as much as possible for a long time. Everyone knows and understands more. It is good for everyone's future development. Young people should communicate more and make more friends to expand network."

Paul nodded hurriedly and said, "Mom, don't worry, I know."

Jacob took Meiqing to the kitchen and turned around to explain to Charlie, saying, "My son-in-law, there is my good tea on the coffee table. You can make a cup and give Paul a taste."

Chapter 874

Charlie nodded: "Okay Dad, I see."

Jacob hurriedly said, "Also, don't forget the thing I reminded you!"

Charlie knew what he was talking about. He wanted to pay more attention. If the mother-in-law came back, she would not be allowed to enter the door and break Meiqing's affairs in her own house.

So he smiled and said: "Dad, don't worry, I will give you a military order for this matter, and there will be no mistakes."

Jacob gave him a thumbs up and exclaimed, "Really my good son-in-law, I will not treat you badly in the future!"

After speaking, Jacob took Meiqing and plunged into the kitchen.

Claire asked Charlie curiously: "What did Dad tell you? The two of you are mysterious and seem to be engaged in a shameful conspiracy."

Charlie said, he definitely can't tell her that dad let him be here to guard? If Mom comes back, he will carry her away. If he can't carry, he will knock her out and carry her away.

So he smiled and said, "It's okay. Dad just asked me to entertain Paul. Don't let him think that our family has no hospitality."

"Really?" Claire was full of disbelief.

Charlie said seriously: "Of course it's true. Didn't you hear that he asked me to make tea for Paul just now?"

As he said, he hurriedly greeted Paul and said, "Come here to Paul, and I will give you a taste of the high-end tea my father-in-law bought from the WeChat tea seller."

Charlie feels that Paul is an American, even if he is half of Chinese ancestry, he probably doesn't know much about tea when he lives in the United States.

Therefore, the ordinary tea that his father-in-law bought by the deceit, should still be able to fool him.

Unexpectedly, Paul immediately smiled and said, "Oh, what I like most is drinking tea. Since Uncle Willson has good tea here, I must try it."

Charlie was taken aback for a while, and said with a smile: "Since you understand tea, then I think you might be disappointed."

With that, he took Paul to sit down on the sofa, ready to make tea.

Claire didn't really want to chat with her father's first lover's son, so she said to the two of them: "You two men talk, I don't like tea too much, and I have a headache. I'll go back to the house and rest for a while, sorry. I'm lost."

Paul hurriedly stood up and said politely: "Okay Miss Willson, take a rest first."

Claire went upstairs, and Charlie said to Paul: "Sit down, don't stand and talk."

After Paul sat down, he looked at the Hainan yellow rosewood sofa sitting under him, and said in surprise: "The material of this sofa is really good! At first glance, it is made of sea yellow material, and it is old. As soon as the pulp comes out, the texture of this wood is particularly beautiful, a good thing!"

Charlie was a bit stunned. He really didn't expect that although Paul was a mixed race, his mother was completely a Chinese.

He speaks good Chinese, knows tea, knows wood, and even knows patina. The other half of this guy's American ancestry is not fake, right?

And why is his hobby so similar to his old man?

Had it not been for his blond hair and a standard white skin color, he would even doubt if he had been left behind by the Old Master.

Chapter 875

So Charlie looked at Paul and asked curiously: "Paul, did you often come to China before?"

Paul shook his head and said with a smile: "I just come here on business occasionally, but every time it doesn't take more than a week."

Charlie asked with a puzzled look: "Then how do you know so much about tea, Chinese furniture and wood?"

Paul smiled and said: "It's mainly because my mother likes these. I only came into contact with these when I was a child."

As he said, Paul said again: "Don't look at me as if I look like a mixed race, and I seem to be more of a white race, but in fact I am a downright yellow person in my bones. I have been very influenced by my mother since I was a child. I like Chinese culture and Chinese food, Chinese habits and everything in China."

"That's it."

Charlie nodded, boiled water in the sea of tea, and started to prepare tea, while letting people be fooled into buying tea on WeChat.

After brewing the tea, Charlie poured a cup for Paul and himself, and smiled and said to Paul: "Come, taste my Old Master's tea."

Paul nodded and thanked him, then took his teacup to his lips and took a sip.

Immediately afterwards, his expression became a little weird.

After tasting it for a long time, he said embarrassedly: "Uncle Willson's taste in drinking tea is very strange. To be honest, I can't taste the goodness of this tea. Why does Uncle Willson treat it as a good treasure? Where's the tea?"

Charlie thought to himself that this Paul was really acquainted, much better than his own husband.

He is a silly Old Master who has been drinking this kind of tea. Not only did he fail to drink it, but the more he drank, the better it tasted.

If he hadn't stopped him, he would definitely find the WeChat girl who sells tea to buy some more.

So he smiled and said to Paul: "father-in-law bought this tea from a liar on WeChat. It cost a lot of money, but it's really not a good thing."

Paul also understood what was going on. He nodded slightly and said to Charlie: "I have the superb one that I entrusted to others and bought from the south. I have a chance to give some to Mr. Charlie next day. Let uncle Willson taste it. The tea is really good. It was a tea that was picked and fried by the top master."

Charlie politely thanked him and said, "father-in-law doesn't know much about tea, but he just likes it very much, so if you give him good tea, it will be a violent thing. Just keep drinking this tea and entertain yourself."

In fact, Charlie's psychological activity is that son-in-law hasn't given him any good tea. Does it seem inappropriate for him, an outsider?

Paul didn't realize Charlie's mentality. He thought of what Jacob told him before entering the villa, and looked at Charlie curiously: "Mr. Charlie, I heard Uncle Willson say that this villa is for others to see. Is it true that I earned it from Feng Shui?"

Charlie smiled slightly and said, "That's right. Actually, it's not just looking at Feng Shui, but by looking at Feng Shui, it solves some of the more important problems for others."

Paul said very sincerely: "Mr. Charlie will tell you that, I am a person who has studied the Book of Changes and gossip and other things, but I have never had a very good Master to get started, and my spare time is also relatively limited. , So my research is relatively superficial."

After speaking, Paul said again: "By the way, Mr. Charlie, my new company will be officially opened in Aurous Hill soon. Could you please help me take a look at Feng Shui?"

Charlie saw that this Paul was very friendly to himself, and his EQ and quality were relatively high. In line with the principle of reaching out and not hitting the smiley person, he smiled and said, "When will your company open? I can take time to have a look."

Paul was very excited and said, "Thank you so much. My company will open the day after tomorrow. If you have time, can it be tomorrow?"

"It is Okay."

Chapter 876

In the kitchen at this moment, Meiqing has put on her apron, and with the help of Jacob, she began to process the ingredients and prepare to cook.

Jacob hit the side, playing very diligently.

He dreams of having such a day, he and his beloved Meiqing can have a sumptuous dinner in the kitchen together.

But he didn't expect that this dream would finally come true after twenty years.

Meiqing was full of emotion. She has lived in the United States with her husband for more than 20 years, and the two often cook together, but she has never made herself feel the way she is now.

She feels that the man next to her, as long as he stands by her side, he can bring her an infinite sense of intimacy.

Cooking for him by her, busy in the kitchen with him, full of joy and satisfaction.

When two people are cooking together, there is always some friction and contact on the body. Sometimes they rub their hands, sometimes they touch other parts. Soon, the two of them are red. face.

After all, both of them have had a lot of past events, and they are each other's first love, and even when they first tasted the forbidden fruit, they both gave each other the first time.

So after so many years, after seeing each other again, the hearts of these two people are always affected by the memories of the past.

It is as if there is a strong magnetic field inside the two people, and it is the kind of magnetic field that the opposite sex attracts.

When Jacob laid hands on Meiqing, they had been close to each other countless times, and had an impulse in heart several times, wanting to hug the other person directly in arms.

But this impulse was quickly suppressed by the timidity in his heart.

Meiqing herself is very capable in housework, but today because she has her first love around her, she also feels that no matter what she does, she seems a little absent-minded.

Even always distracted by the man around her.

A few times when she cut things, she almost cut her own hands because of distraction.

Jacob was also a little absent-minded by the side. His energy was not on washing vegetables, picking vegetables, and helping Meiqing at all, but on Meiqing herself.

At this moment, Jacob even regretted moving to Tomson's big villa.

Because, if it were in the previous home, in such a small kitchen, two people were busy working in it, even if they borrowed it, they would have to touch or even stick to each other.

But the kitchen of Tomson's villa is really too big.

Even if there are five people working in it at the same time, they can be in order without disturbing each other.

Therefore, every time Jacob wants to get closer to Meiqing, he needs to find some special reasons or excuses.

Jacob struggled for a long time and didn't dare to hug Meiqing. Every time he mustered up the courage, he soon persuaded himself against it.

Finally, when Meiqing put the shrimp into the pot, Jacob suddenly showed courage and hugged her from behind Meiqing, and murmured nervously and excitedly in her mouth: "Meiqing, Over the past twenty years, I really missed you!"

Chapter 877

Suddenly, Meiqing was hugged tightly by Jacob, and her whole body stiffened in a moment.

From the bottom of her heart, why didn't she hope that Jacob could hug herself tightly after twenty years?

After all, this is the only person she has loved in her life.

At this moment, the first lover from more than 20 years ago hugged her so tightly, his hands clasped tightly on her belly, and the feeling seemed to have brought her back to the twenty-year-old. Youth years.

The true feelings in Meiqing's heart were surging, and she suddenly couldn't help it, and put her hand on the other's hand.

But at the moment she put her hand on Jacob's hand, she suddenly realized that it was wrong for her to do so.

So she broke away from Jacob's embrace, arranging her hair in a panic, and said unnaturally: "Jacob, we two can't do this, you are married after all, and I can't wrong Elaine! "

Jacob was immediately anxious, and blurted out: "At the beginning, she was sorry for you. When we were together, we were in such a good relationship. She knew that I was your boyfriend, and she took advantage of it when I was drunk. And in, if she were not so shameless, the two of us would have already been together!"

Meiqing sighed lightly and said: "Even though the past was her fault, I was the one who chose to let go. Since I have chosen to let go and give you to her, I will not be like her back then. I'm sorry for that, and I'm sorry for her again. This is a matter of principle. Otherwise, would I be like her?"

Jacob was anxious and said, "That woman has almost ruined the relationship between the two of us for a lifetime. Do you still need to talk about her about principles at this time?"

Meiqing said seriously: "In fact, after that incident happened back then, I also knew in my heart that all of this was caused by Elaine behind my back. I knew she is a villain, but I can't become a villain because of being hurt by a villain."

As she said, she looked at Jacob again, and said very seriously: "You are her husband after all. I can meet you and eat with you like a normal friend or an old classmate, but we can't have such things, it's not possible at all..."

Jacob's tears were streaming down. He looked at Meiqing and choked and said, "Is it impossible for the two of us in this life? After so many years, we can finally meet again, don't you want to make up for us? Was it a regret back then?"

Meiqing's expression was also a bit painful, and she sighed: "Of course I want to, otherwise I won't make a special trip back from the United States, but I think that gentlemen must do everything they want when it comes to money and feelings. If we The two have a chance to be together again, and that must be after you and Elaine divorced."

Jacob blurted out without hesitation: "Then I will divorce her immediately!"

Meiqing said very seriously: "Jacob, don't get me wrong. I'm not saying that after you divorce Elaine, the two of us can be together."

Jacob asked nervously, "Meiqing, what do you mean by this? I don't understand, don't you want to be with me?"

Meiqing said sincerely: "Jacob, after all we haven't seen each other for so many years, how could we suddenly decide to be together? This is too trifling."

As she said, she said with a serious face: "We were in school when we were dating. At that time, we were all students. We had to study and socialize with our classmates every day. We never lived together. Life is different from falling in love. Especially at our age, we must not only consider our own life, not only our own feelings but also our children and their views on each other."

Chapter 878

"So this kind of thing is not something we can decide with our lips when we are like teenagers. We must think carefully before we can make a more mature decision."

Jacob said immediately: "I can't accept what you said. I know you still have feelings for me in your heart, and I have feelings for you in my heart. Since both people have feelings, what can't you break through?"

With that said, Jacob forced himself to ask: "Meiqing, I want you to tell the truth, do you really feel about me now?"

Meiqing said with some embarrassment: "How do you ask me to answer your question? After all, we were together back then, and the relationship was so good, and we were all our first loves, and we had regrets for more than 20 years. It's self-deception."

As she said, Meiqing said again: "But as I said just now, this matter is not just about how you feel."

Jacob's tears flowed more and more, aggrieved like a child.

For so many years, he has suffered too much emotionally. So he felt great comfort at the moment when Meiqing came back.

When he saw Meiqing, he really realized that his previous life had always been in dire straits.

Therefore, he didn't want to live that kind of life for a minute.

Seeing Jacob crying like a child, Meiqing's eyes were red.

She walked up to Jacob, used her sleeves to gently wipe away his tears, and said distressedly: “Jacob, you have worked so hard for so many years. If you can go back in time, return to the one before our graduation. At that time, even if you and Elaine already have facts, I will not give up on you...”

As she said, she sighed sadly again: “It’s a pity, time is gone, no one can let the years turn back. In a blink of an eye, we are all middle-aged and elderly people over half a hundred years old.”

Jacob grasped her hand tightly and said excitedly: “Meiqing! Because we can’t let the years turn back, we should not let down our future! Let us not let down in a second!”

At this point, Jacob was very excited, knelt on one knee, and blurted out: “Meiqing, I want to be with you!”

Seeing him kneeling, Meiqing suddenly panicked, and hurriedly pulled him up and blurted out: “Oh, Jacob, what are you doing? Get up!”

Jacob said stubbornly: “If you don’t agree to me, then I won’t be able to get up here!”

Meiqing glanced at the door of the kitchen and said anxiously: “Oh, get up quickly, if you let the children come in, how can you explain this?”

Jacob said seriously: “If Paul comes in and sees it, then I will tell him that I love his mother. I want to be with his mother and hope to be blessed by him; if it is Claire seeing it, Then I will tell her that I love you, and I want to divorce her mother and be with you!”

Chapter 879

When talking about this, Jacob suddenly became emotional.

He observed at Meiqing’s eyes and said emotionally: “Meqing, I’m really not joking with you. Every word I say comes from the bottom of my heart. In the past twenty years since you left, I have never been happy, we are all this old, why can’t we put aside those scruples and pursue a real love vigorously?”

Meiqing sighed faintly: “Jacob, I have thought about everything you said, and to be honest, I also have illusions in my heart. It’s just that the current situation is really not like before. The third party I hate most in my life. So I don’t want to become a third party, so we shouldn’t be so anxious about this matter. Give me some time, and I will give you some time.”

Jacob hurriedly asked: “Are you willing to stay with me after I divorced Elaine?”

Meiqing’s big beautiful eyes with a few fine wrinkles observed at Jacob unblinkingly, and said seriously: “Jacob, I admit that one of my big motives for returning to China is to hope to see you again. I hope I can continue with you again.”

Having said that, she changed the conversation and said: “However, we are not 18 or even 20-year-old youngsters. We have to think carefully about things now. I have no way to answer the question of whether we are willing to be with you. After you are truly single, the two of us have tried to get along for a while, and I will answer your question solemnly.”

Jacob blurted out without hesitation: “I am willing, I am willing, ten thousand times willing, one million times willing.”

Meiqing said seriously: "Jacob, I also hope that you will seriously and solemnly consider Elaine, your marriage. Consider whether there is still love between you two. If you still have love, then I will wish you all the same as before; if you do not have love, then you must tell her clearly as early as possible. I still know your character very well. If you are constantly interrupted, you will always be disturbed."

Meiqing is already a complete winner in life, but the only thing she has not won in her life is true love.

Therefore, she is obsessed with Jacob.

Everyone should have an obsessive object in their heart. If this obsessive object is with him, then his life is happy and his life is fulfilled; but if the obsessive object is not with him Together, he will regret for life.

Therefore, Meiqing's return to China this time can be said to be nothing else, just to rediscover the unforgettable love during this period of sunset in life.

Jacob couldn't wait to say: "Meiqing, as long as you don't dislike me and are willing to stay with me, I will definitely divorce Elaine!"

Meiqing sighed softly and said, "Whether you and her were intentional or unintentional, or if you were used by others, in the final analysis, you have betrayed our feelings. If you are really willing to make up for it, then of course I am also willing. Give you a chance."

Recalling that year, Jacob suddenly stood up and once again hugged Meiqing face-to-face.

While hugging her tightly, he said: "Meiqing, I regretted what happened back then for more than 20 years. This time I will never let myself regret it again. You must wait for me!"

Meiqing nodded and said softly: "Okay! I'm waiting for you! But you can't hold me like this anymore. What we do now is wrong!"

Jacob said stubbornly: "Whether it is right or wrong, I just want to hold you now!"

Meiqing was struggling in her heart. Want to talk about her feeling of being held in his arms, but she has lived a decent life in her life and cannot accept that she is so close to a married man.

So she said in a panic: "Oh, you let me go first, it's not good for us, and I still have to cook..."

Jacob said: "I have you in my heart, and you also have me in in your heart. What's so bad about this!"

After speaking, Jacob actually plucked up the courage, lowered his head and wanted to k!ss Meiqing.

Meiqing hurriedly avoided him, and said very solemnly: "Have you talked to yourself for a long time?"

Chapter 880

As she was talking, a burning smell spread in the kitchen.

Meiqing exclaimed: "Oh, my Longjing Shrimp!"

Having said that, she hurriedly pushed Jacob away, blushing and ran to the side of the stove, and when she looked into the pot, she let out a mournful cry: "It's over, it's over, the shrimps are all cooked!"

Jacob quickly reminded her from the side: "Quickly turn off the fire, or it will burn out soon."

Meiqing hurriedly turned off the gas on the stove. The shrimp that had been burnt in the pot said helplessly, "I blame you, originally this was my best dish, but it's all over now... "

Jacob was also embarrassed and guilty, and said, "Should I go out and buy you a bag of shrimps again?"

At this time, both Charlie and Paul, who were drinking tea outside, could smell the mushy smell spreading out of the kitchen, and Charlie subconsciously said, "Is it not a mess?"

Paul frowned and said, "My mother cooks very professionally. It shouldn't happen to her..."

Charlie stood up and said, "Paul, sit down for a while. I'll go in and take a look. Don't be surprised."

Paul hurriedly said, "I will come too."

After saying that he was about to get up, Charlie stretched out his hand, pressed him back, and said with a smile: "Sit and drink tea. I'll just go and see it."

What Charlie was thinking at this time was, if his mother and father-in-law were doing the firewood in the kitchen at this time, and the two of them were disheveled and forgot what was in the pot, how embarrassing would he be to rush in like this?

He's different. His mother and Jacob are not related by blood. He just went in to watch the show.

Paul didn't know that Charlie's heart at this time was all thoughts of watching the show. Seeing that Charlie had already stepped to the kitchen, he didn't insist on it anymore.

Charlie came to the kitchen, opened the kitchen door, and probed in.

Seeing that the two people in the kitchen were hurriedly tidying up and had burnt the pot, their clothes looked neat, and there was nothing wrong with them, Charlie couldn't help feeling a little disappointed.

He wanted to come over and eat a melon, but he didn't even have a watermelon rind.

However, looking at the faces of the old man and his first love, both seem to be a little red, and it feels as if the two should have had some closer contact just now.
