

Chapter 881: Rejection and Hatred

Xia Qinghan stood in front of Qiao Haoming, defending him.

“Mom, these are all Xia Xibei’s shenanigans!”

Just now outside, Qiao Haoming told her that this matter was done by Xia Xibei, because only Xia Xibei could have taken that picture.

So, this definitely had something to do with her.

Of course, no one would do such a thing besides Xia Xibei. There was no need!

Xia Qinghan understood that this kind of thing and Xia Xibei had to be connected, but she wondered, ‘Where exactly did she get these photos? Did she take them secretly?’

“Xia Xibei?” Xia Qingxun caught her meaning and immediately frowned. “Why would she do that? Didn’t you say that your relationship with her was good?”

Xia Qingxun’s questioning caused Xia Qinghan to freeze.

Chang Qianzi also followed and asked, “Yes, why would Xia Xibei do such a thing? Why would she slander you guys? What kind of grudge do you two have?”

As for Xia Jun, he stood quietly on the side and said nothing.

Xia Qinghan was pressed by the two people’s questions and her face turned pale.

“I... How would I know why she’s so evil?! She... She just doesn’t like me!”

She scrambled to find an excuse.

“Doesn’t like you?” Xia Qingxun frowned. “Why should she dislike you?”

“I- I-”

“Because she likes me!” Qiao Haoming stood out and said righteously. “She likes me but was rejected by me. That’s why she used this tactic!”

This statement made a few people freeze.

“She likes you?”

Xia Qingxun was stunned.

He didn’t expect that to be the reason! No way!

He immediately shook his head.

(If you have problems with this website, please continue reading your novel on our new website myAllNovelFull.Com THANKS!)

If it was before, he would have believed Qiao Haoming's reasoning, thinking that this was something Xia Xibei did because her unrequited love had turned into hate.

However, he saw with his own eyes yesterday how intimate Qiao Haoming was with other girls!

Moreover, when he questioned Qiao Haoming just now, his vain attitude already said it all!

Xia Qingxun's mouth moved, but in the end, he didn't say anything.

He knew the truth, but his parents didn't.

If he insisted on exposing Qiao Haoming's lie, his parents would definitely be more worried.

So, he didn't say anything further.

Xia Qinghan nodded along, "Yes! Xia Xibei liked Haoming before, but Haoming firmly rejected her. That's why she did such a thing! I don't know how she photoshopped the photos and videos. It's too much!"

Chang Qianzi was stunned by these words.

"How can there be such an outrageous person?"

"Yes!" Bai Meixue also spoke up. "That girl is not a good person! I saw that the two of them looked alike and were similar in age, so I asked Hanhan to get along with her like a sister. To my surprise, she didn't accept our good intentions at all! She even became a gold digger and tried to step on Hanhan!"

Bai Meixue had a face filled with disgust, "If I had known, I would have told Hanhan to stay away from people like her!"

Chang Qianzi was dumbfounded, "How could there be such a bad person?!"

"Yes!" Bai Meixue nodded forcefully with a pure and innocent face. "You have no idea. She has a few similarities with Hanhan, and she specializes in stepping on Hanhan to get to the top!"

"Right!" Xia Qinghan's heart jumped and she hurriedly nodded. "I told you guys before that it was fine. I just didn't expect that she would go so far!"

Qiao Haoming was dumbfounded. Xia Qinghan and Bai Meixue had completely made up for the lie he told!

Aside from them, Xia Xibei was also dumbfounded.

How on earth did they dare to say such things?!

Chapter 882: A Magical Development

After knowing where the hotel that Xia Qinghan had booked was located, Xia Xibei sneaked inside and set up a bug in advance.

She felt that she could definitely hear something special from inside.

However, she didn't expect to hear such powerful news!

Qiao Haoming and the others had thrown mud on her!

She was rejected by Qiao Haoming so she hated him?

What the...!

How dare they say something like that?!

However, the lie appeased Chang Qianzi, who asked with hesitation, "Is she really that bad?"

"That's right!" Xia Qinghan nodded her head vigorously and pouted. "You don't know how crazy she is! I was the top school beauty before, then she jumped out and said she was the top school beauty too!"

"Then why didn't you say anything when I asked you before?"

"I just didn't want you to worry!" Xia Qinghan took her hand and shook it. "If it weren't for this mess, I wouldn't have wanted to tell you and make you worry."

"Yes, Qianzi, this is all Xia Xibei's fault. The kids are innocent," Bai Meixue smiled and soothed her.

"Look, Haoming is such a good kid. How could he do such a thing?"

Qiao Haoming also hurriedly nodded, "Yes, Hanhan and I are so good together. How could I possibly hurt her?"

Even Xia Jun finally spoke up, "Don't worry, the kids are very well behaved."

Their repeated persuasions finally reassured Chang Qianzi, "Aye, I was scared to death by you guys!"

She patted Xia Qinghan's hand and complained, "If there's anything like this in the future, you absolutely can't hide it from us! If there's another misunderstanding like this, how bad would it be?"

"Don't worry, I know!" Xia Qinghan smiled and nodded.

This time, the crisis was over and harmony was restored once again.

Xia Qinghan and Bai Meixue looked at each other and breathed a sigh of relief in unison.

Qiao Haoming was also happy that he had gotten away with it.

Xia Qingxun's face was expressionless, quietly observing the expressions of the people around him, puzzled.

(If you have problems with this website, please continue reading your novel on our new website myAllNovelFull.Com THANKS!)

This matter definitely couldn't be so simple.

Moreover, he also had doubts about Bai Meixue's reaction.

Why did she speak for them?

Moreover, her attitude was too strange!

She and Xia Qinghan shared a tacit understanding, which made him feel strange.

It really felt like there was a secret here.

Xia Xibei was also stunned by these developments.

Originally, she thought that she could take advantage of this opportunity to get them to make a scene.

Who would have thought that they would use this excuse to avoid it?!

Also, Chang Qianzi was too naive and fooled right away! Xia Xibei admitted that she wasn't as shameless as them!

It seemed that it was time to think of other ways.

The thought had just appeared in her mind when God sent her a heavenly opportunity!

After the group of people finished eating, they decided to go back.

Just as they reached the door, they saw a man coming in with a cloth bag in a panic.

What was puzzling was that there was something struggling inside the cloth bag.

Judging by the movement, it seemed to be some kind of mollusk.

The person holding the bag was a little nervous. He also attracted the attention of the hotel attendant.

"Sir, please wait a moment..."

When he heard someone speaking to him, the man became even more nervous and tried to rush in, and the bag in his hand struggled much more vigorously.

"Watch out!"

The man went towards Xia Qinghan, but the bag fell to the ground, revealing the terrible contents.

At once, people passing by screamed in horror, and chaos ensued.

Chapter 883: Don't Scare Mom

The snake that appeared out of nowhere made everyone freak out.

It was a chaotic scene. The snake had a flat, triangular head and sharp teeth that seemed to glitter with light.

Xia Qinghan was scared out of her mind because this snake was very close to her!

“Be careful!” Chang Qianzi and Bai Meixue both shouted in shock, trying to pull Xia Qinghan backward.

The next second, the snake rushed towards them.

Everyone was scared, screaming.

Xia Qinghan screamed and backed up, hitting the wooden shelf behind her so hard that the vase placed on it fell down and hit her in the back of the head.

In the next moment, she passed out.

“Hanhan!” Bai Meixue quickly rushed over. “Don’t scare mommy!”

The scene was a mess, but instead of scurrying to them, the snake stopped halfway and swayed in place, as if it was held in place by something.

Guests fled frantically, and no one paid attention to this development.

The hotel attendant had already called the police.

By the time everyone noticed that the snake was not moving much, their hearts were about to explode.

Everyone was slightly relieved to see it stop, but they still stayed far away, not daring to come close at all.

Qiao Haoming stood behind as the three Xia family members ran to Xia Qinghan’s side.

Xia Qingxun picked up Xia Qinghan and carried her off.

As they moved, they watched the snake vigilantly and nervously, afraid that it would begin to move violently.

To everyone’s confusion, the snake did not continue to move!

By now, the security guards had rushed over with tools and surrounded it.

The man who brought the snake was also arrested.

Although the scene was a bit chaotic, apart from Xia Qinghan passing out, there was no big problem.

(If you have problems with this website, please continue reading your novel on our new website myAllNovelFull.Com THANKS!)

This was a great blessing among misfortunes.

The hotel manager ran over, apologizing to the surrounding customers and dispersing the crowd of onlookers.

The man who had been arrested, on the other hand, looked dismayed.

He didn’t expect that it would be over before it started.

The most hateful thing was that the snake he had worked so hard to find was totally useless!

The guests were pointing at him, not understanding why he had done this.

As for the Xia family, they were in a hurry to get Xia Qinghan to the hospital, so they had no time to pay attention to the snake.

Only after the crowd at the scene left did Xia Xibei walk out from the side with a complicated expression.

If she heard correctly, Bai Meixue had shouted, "Don't scare mommy."

Xia Xibei finally confirmed her suspicion: Bai Meixue and Xia Qinghan were mother and daughter!

That was why Bai Meixue was so good to Xia Qinghan, and that was why the two of them always worked together!

She just didn't know if the other three members of the Xia family knew about this matter.

Just now, it was so chaotic and there were so many screams, so maybe they did not notice this.

Xia Xibei lowered her gaze, stood in place for a while, and took out her phone.

Soon, she found the hospital where Xia Qinghan was using social media.

There was no need to doubt, it was that simple.

Xia Qinghan and Bai Meixue were both stars, and didn't have a disguise. If they were admitted to the hospital, they would certainly be recognized by the public, who would then post the information online, so it would be easy to find the location.

Xia Xibei soon arrived at the hospital and saw several reporters surrounding Xia Qinghan's agent.

Although it was not good to be in the hospital, it really wasn't Xia Qinghan's fault, so the agent quickly sent these reporters away.

Xia Xibei calmly went up to Xia Qinghan's floor and slowly walked over.

Chapter 884: The Big Secret

Xia Xibei quickly found the room where Xia Qinghan was, as there were several nurses outside the room.

Soon, they were reprimanded by the head nurse and quickly dispersed.

Xia Xibei walked near the room, found a seat, and sat down. Then she took out her cell phone and pretended to play with it. Meanwhile, she pricked up her ears to listen to the conversation inside.

In the room, Xia Qinghan was lying on the bed.

That big vase had fallen down and almost smashed her into a fool.

In order to ensure her health, she had to stay in the hospital for a day, just to watch out for concussions and any aftereffects.

She was lying on the bed and the others were gathered around, talking with concern.

Beside the bed, Xia Qingxun's gaze was deep as he looked at Bai Meixue.

He vaguely remembered that just now, during the mess, Bai Meixue rushed to Xia Qinghan and shouted something with "mom."

He had misheard... Right?

Moreover, no one else seemed to have noticed this, and it didn't seem to be a problem at all.

Maybe he had heard wrong?

However, Bai Meixue's attitude towards Xia Qinghan was too much, right?

Even Chang Qianzi, who was her mother, was not as nervous and worried as she was.

Xia Qingxun was in a very confused mood today.

Too many things had happened.

Whether it was the matter with Qiao Haoming, the snake, or Bai Meixue, it was all too much for him to digest.

His mind was in disarray, and he could only stand aside and observe everyone's reaction.

He trusted his instincts.

There was definitely something wrong here!

Chang Qianzi took Xia Qinghan's hand and nagged her, "Are you feeling okay?"

(If you have problems with this website, please continue reading your novel on our new website myAllNovelFull.Com THANKS!)

"It's nothing." Xia Qinghan showed a weak smile. "I'm fine now, don't worry about it. Even if you made me work now, I'll be fine!"

"You silly kid, what are you talking about!" Bai Meixue glared at her angrily. "You get some rest first. Work or whatever else can be put on the back burner! There's no rush!"

She was already hurt, she couldn't be allowed to continue working! The company would not be so heartless either.

"Okay, I know. I won't be crazy, don't worry about it," Xia Qinghan pouted.

Xia Qingxun noticed that his mother's face was not too good, and asked with concern, "Mom, are you okay?"

“Yes, I just got scared just now.”

Chang Qianzi shook her hand, “I’m fine.”

Her health was not too good, and it was normal for her to look pale.

“I don’t know what’s going on with that guy. How come he had a snake?!”

Xia Jun also looked annoyed.

If she was bitten, how troublesome it would have been!

“The hotel must give us an explanation!” Qiao Haoming added.

They were all talking and the room was very lively. They didn’t stop until the agent came over.

It was getting late. Xia Qinghan was going to stay overnight, and it was not good for them to all stay here, so they had to go back.

Everyone argued for a while about who should stay, but finally, Xia Qingxun decided to let Bai Meixue take care of her here, just for that night anyway.

This decision made Bai Meixue’s expression a bit strange. She had already forgotten what she had said out of turn and naturally did not know that Xia Qingxun was suspicious of her.

In the end, Bai Meixue and her manager stayed behind while the others went back.

After they left, Xia Xibei threw an inconspicuous wiretap device into the room and left as well.

When she returned home, Qiao Yanjue was already waiting impatiently.

“Why are you so late?”

“I found a big secret!”

Xia Xibei, however, was excited.

Chapter 885: Mother-Daughter Relationship

“Big secret?” Qiao Yanjue was bewildered. “What big secret?”

“Xia Qinghan and Bai Meixue are mother and daughter!”

Xia Xibei did not hide the secret and said it outright.

“Huh?” Qiao Yanjue froze for a moment. “You’re not kidding, right?”

“Of course not!” Xia Xibei shook her head. “I heard it with my own ears today! It’s a pity it wasn’t recorded.”

It would have been fun if it had been recorded.

“They are actually mother and daughter?” Qiao Yanjue frowned, feeling slightly surprised but not shocked. “I was wondering why they have such a good relationship!”

Although Qiao Yanjue didn’t go to SY Entertainment much, that didn’t mean he didn’t know what was going on there.

Bai Meixue had shares in the company and lots of contacts in the entertainment industry.

For such a veteran, she treated Xia Qinghan with absolute devotion.

In fact, with Xia Qinghan’s qualifications, she could not get any good resources in SY. After all, she had just joined the company.

However, she had participated in many shows and competitions, many of which were provided by Bai Meixue.

While the company had resources, if you wanted to develop more, you also needed to have private resources.

If Bai Meixue had not been so good to her, her development would not have been so smooth.

Although Xia Qinghan was a far cry from Xia Xibei, such resources were enough to make other people’s eyes green with envy.

However, everyone knew that Xia Qinghan and Bai Meixue were very close, as close as mother and daughter, so everyone had nothing to comment on when she had such resources.

Qiao Yanjue was the boss and had no ill feelings about such things. After all, Xia Qinghan was the company’s artist. If she developed well with extra resources, and the company did not have to pay much but reaped the benefits, it was quite a good deal.

Qiao Yanjue had also suspected the two before. He just did not expect that they were actually mother and daughter!

“Isn’t Xia Qinghan the daughter of the Xia family?” Qiao Yanjue was still puzzled. “If she is Bai Meixue’s daughter, then who is her father?”

Although he wasn’t close friends with them, he had met Xia Jun and Chang Qianzi before.

Chang Qianzi was the Chang family’s daughter, and the Chang family was as well-off as the Xia family, so how could Chang Qianzi raise someone else’s daughter?

(If you have problems with this website, please continue reading your novel on our new website myAllNovelFull.Com THANKS!)

“I don’t know,” Xia Xibei shook her head. “There must be a secret here!”

She also saw today that Bai Meixue and Chang Qianzi had a great relationship. The point was that no one knew about Xia Qinghan and Bai Meixue’s mother-daughter relationship.

“Looks like we’re in for a show!”

Seeing her sly look, Qiao Yanjue couldn’t help but smile and tap her nose.

“You!”

“What?” Xia Xibei wrinkled her nose. “I haven’t blamed them yet! I have no grudge against them, but they are always giving me a hard time. They really think I have no temper!”

“How can you not have a temper?” Qiao Yanjue laughed. “You have a big temper!”

“Humph!” Xia Xibei frowned at him, showing a fierce face. “What do you mean?”

“I mean, I like your little temper.”

Qiao Yanjue hugged her and couldn’t resist kissing her.

Only when the two were breathing heavily did Qiao Yanjue let her go, his eyes implacable and crazed.

“Four more days.”

Xia Xibei’s birthday was in a few days.

Xia Xibei blushed and grunted, not willing to show weakness.

“I’m not afraid of you!”

Seeing her arrogant little look, Qiao Yanjue was even more impatient, feeling that time was going too slow.

To distract himself, he asked, “What are you going to do to make the story public?”

Chapter 886: Unidentified Call

Xia Xibei shook her head. “No, no announcement for now.”

Qiao Yanjue was curious, “Why?”

Xia Xibei already had a lot of dirt on Xia Qinghan. If she released it, Xia Qinghan would be in trouble.

She didn’t have powerful ways of explaining herself as Xia Xibei. When she got critiqued by everyone, she would have a meltdown and would have to quit the industry.

“‘Garden of Youth’ airs at the end of September.”

Qiao Yanjue understood Xia Xibei’s words instantly.

That was a problem.

Xia Xibei could release the dirt on Xia Qinghan. For example, the feud between her and Hong Zhenhan.

The love triangle between the girl group members was enough gossip for everyone.

If you added her relationship with Bai Meixue, it would be the drama of the year.

However, if this came out, Xia Qinghan's image would be affected, which would also affect "Garden of Youth's" ratings.

Xia Qinghan was the leading lady!

If she was just a supporting actress with a small role, then whatever scenes she had done could be cut.

However, she was the lead actress. If these things were exposed, the whole drama would be affected.

So, Xia Xibei could only hold back for now.

Qiao Yanjue looked at her and couldn't help but frown, "I'll make them air the show earlier."

That was what he said, but it took time for a drama to go from being scheduled to airing.

Although Qiao Yanjue was the president of SY, the company was not very influential in the entertainment industry.

What he said didn't have much power.

"However, even though we can't expose them, it's okay to see their show," Xia Xibei smirked again.

Although she couldn't make a show for the people online, it was possible to make trouble in private.

(If you have problems with this website, please continue reading your novel on our new website myAllNovelFull.Com THANKS!)

Xia Qinghan had always wanted to backstab her, so let her have a taste of that herself.

Soon, Xia Qingxun's phone received a strange call from an unknown source.

When he answered the call, a somewhat indistinct and distant voice could be heard from the other end.

He was a little confused. Who was calling? A harassment call?

Just as he was about to hang up, he paused because Xia Qinghan and Bai Meixue's voices were coming from the other end!

Only, they didn't sound like they were talking into the phone.

He should say that they didn't seem to even know that their voices were on Xia Qingxun's phone.

Xia Qingxun frowned, looking uncertain. He hesitated for a moment, but still did not hang up the phone.

Although he didn't know who was responsible, he was curious about Bai Meixue and Xia Qinghan's business.

In fact, he also wanted to do something in private.

Otherwise, he wouldn't have asked Bai Meixue to stay and take care of Xia Qinghan.

He just did not expect a strange phone call to suddenly appear.

He carefully listened to the voices.

At first, it was some meaningless conversation. When he couldn't resist hanging up the phone, the conversation changed.

Bai Meixue said, "Hanhan, you are 18 years old, so..."

Xia Qinghan replied, "What's wrong with being 18?"

The next second, she reacted and exclaimed, "What!"

Bai Meixue hummed, "Since Qiao Haoming is not committed, then you have to use something different."

"The different thing you said... Wouldn't it be..."

"Right," Bai Meixue affirmed. "You are a girl. Naturally you have a girl's weapon."

These conversations made Xia Qingxun's face darken.

He was not a kid who knew nothing, so he naturally understood what this meant.

He just didn't expect that Bai Meixue would urge Xia Qinghan to do such a thing!

If he had been in front of them, he might have rushed up to slap Bai Meixue!

Chapter 887: Old Affair

Xia Qinghan was stunned by Bai Meixue's words, her cheeks turning scarlet.

"Auntie Xue, you..."

Bai Meixue patted her arm, "You silly child, what's so embarrassing about this? You're all grown up."

"But..." Xia Qinghan was nervous. "I thought that for men, the more difficult it is to get something, the more they cherish it. The easier they get it, the easier they discard it?"

Bai Meixue laughed, "That's somewhat true, but it's not absolute."

She smiled confidently, "It depends on how you use your strengths."

"How?"

"A woman's advantage, as long as it's used properly, is not something men can resist!" Bai Meixue's eyes glittered. "You have to catch him step by step. First, give him a little sweetness, then hang on to

him. After that, you can take one step at a time. Of course, as you know, if it is too easy to get, he will not cherish it. So, you have to know the right level.”

“Um... How do I know that?”

“Don’t worry, I’ll teach you.”

Xia Qinghan’s face became even redder.

“Auntie Xue, this kind of thing....”

“What are you afraid of? Would I ever hurt you?” Bai Meixue patted her arm, “You have to grab Qiao Haoming now. Otherwise, if something happens later, you won’t have a backer! You saw today how wimpy your father is! He’s useless!”

When she mentioned Xia Jun, Bai Meixue was angry all over again.

When she was young and ignorant, just a teenager, she had met Xia Jun. She quickly fell for him, foolishly flying into the flame and even getting pregnant by him.

Who knew that he was scum, and such a wimp?!

Of course, it was also her fault for being stupid enough to believe the lies told by such scum!

At first, Xia Jun told her that he was still single and would definitely marry her and treat her well in the future.

She foolishly devoted herself to him and gave him everything.

To her surprise, he already had a family and his child was seven years old!

Chang Qianzi was a sheepish character, but the Chang family was not easily bullied.

(If you have problems with this website, please continue reading your novel on our new website myAllNovelFull.Com THANKS!)

So, Xia Jun dutifully went back after he used her, kicking her out.

By that time, she was pregnant.

Xia Jun was anxious when he found out she was pregnant and told her to get rid of the baby.

She took the money, but instead of aborting the baby, she gave birth and switched her baby with Chang Qianzi’s newborn daughter.

Thinking about what happened back then, she was a little glad.

It was more than 10 years ago, so the hospital was not so closely guarded then.

Plus, on that day, there were several women giving birth at the same time in the same hospital. The whole place was a bit chaotic, so she was able to accomplish this appalling plan.

After that, she took the compensation Xia Jun had given her out of guilt and entered the entertainment industry, soon gaining her own piece of heaven.

After her success, she looked for opportunities to connect with Chang Qianzi and got closer to Xia Qinghan.

Chang Qianzi didn't suspect her identity at all, much less question whether Xia Qinghan was her daughter.

What made Bai Meixue helpless was that Xia Jun was too much of a wimp.

If Xia Qinghan's identity was really revealed afterwards, he would not be able to help Xia Qinghan.

So, Xia Qinghan had to find another backer.

Although Qiao Haoming was not a good partner, his family was very good. As long as Xia Qinghan had some skills, she could naturally hold him down.

"Don't think of relying on your father, he's been such a wimp all his life! Why was I so blind to be with him in the first place?!"

Speaking of these things, Bai Meixue gnashed her teeth.

She didn't know that Xia Qingxun, who was listening at the other end, was dumbfounded hearing all this.

Chapter 888: Where is My Sister?

When Xia Qingxun heard what Bai Meixue said in a panic earlier, he still convinced himself that he had heard wrong.

Now he realized that he really didn't hear it wrong!

Bai Meixue was really Xia Qinghan's mother!

Obviously, Xia Qinghan also knew about this matter and hid it from everyone!

This was too ridiculous!

How could Bai Meixue be Xia Qinghan's biological mother?!

When his mother gave birth to his sister, he was almost seven years old and had already started to remember things. He still remembered Xia Qinghan as a child!

So when did Bai Meixue switch the kids?

Xia Qingxun couldn't help but think back to what had happened before.

Bai Meixue appeared beside Xia Qinghan when she was seven or eight years old. At that time, the woman was only in her twenties, still young and beautiful.

She always said the right things, plus she had been in the entertainment industry for so many years, so she was emotionally savvy. Once she put away her arrogance, she made Chang Qianzi laugh and the two women had a great relationship.

Chang Qianzi was a mother and was naturally happy to see others treat her children so well.

Bai Meixue came to their house often and treated Xia Qinghan better and better.

Xia Qingxun remembered that when the family moved to G City, Bai Meixue also followed them and changed her company!

At that time, Chang Qianzi marveled that they were really destined to always be friends.

Now he realized that Bai Meixue had a premeditated plan!

Xia Jun's attitude was even stranger.

Every time Bai Meixue came over, his expression was a bit strange.

Xia Qingxun didn't find anything wrong before, but today, after thinking about it so much, he naturally found something wrong.

Every time Bai Meixue was around, Xia Jun's expression was a bit odd, and sometimes he would avoid her.

Before, he had thought his father knew how to distance himself, but now it seemed that he was simply feeling guilty!

(If you have problems with this website, please continue reading your novel on our new website myAllNovelFull.Com THANKS!)

The more Xia Qingxun thought about it, the angrier he became, and almost couldn't resist rushing to the hospital to have a showdown!

However, he still held back.

No matter what, he had to find evidence to confirm the relationship between the two people before he could act.

Moreover, what he was more curious about was where his own sister had gone.

If Bai Meixue had exchanged Xia Qinghan for his sister, where was his sister?

Bai Meixue had no girls around her, and she was only in her thirties. Who would have thought that she had already given birth to a teenage child?

Xia Qingxun's mind was overwhelmed with thoughts.

Early the next morning, he rushed to the hospital.

“Brother, did you not rest well last night? You look a little haggard.”

Faced with Xia Qinghan’s concerned expression, Xia Qingxun’s mood was very complicated.

He had always loved Xia Qinghan before. After all, she was his only sister, so he would do whatever she wanted.

Now he realized that she was Bai Meixue’s child!

Although they were still brother and sister, they now had different mothers. How could they stay the same?

He took a deep breath, put together his expression, and said with a smile, “It’s because I’m worried about you.”

“You don’t have to worry, I’m here,” Bai Meixue said with a smile.

“Yes, Auntie Xue is here,” Xia Qinghan added.

Xia Qingxun was even more overwhelmed as he watched the two women’s reactions.

Looking at their faces, he could indeed see the similarities.

How blind was he before, that he didn’t see the problem?!

“I’m worried about you, no matter who’s here.” He walked over to Bai Meixue. “Auntie Xue, you have a bug here. Let me help you get it off.”

Bai Meixue was startled, “There’s a bug?!”

“It’s taken off now, you’re okay.”

Xia Qingxun did something behind her back, then laughed.

1

“That’s good.”

Chapter 889: Visiting the Company

Xia Qingxun got both Xia Xibei and Bai Meixue’s hair. In order to ensure that he was not found out, he actually ran back to the Capital City.

Chang Qianzi was confused as to why Xia Qingxun suddenly left.

Plus, Xia Jun also went back. Only she had stayed.

However, it couldn’t be helped. Both of them had jobs, so it was not easy to stay here for two days. She didn’t have a problem with it, as she was used to this life anyway.

Since she had come to G City, she’d stay a few more days.

Moreover, she was also curious about this Xia Xibei that Xia Qinghan had mentioned.

Who was that girl and why did she want to hurt Xia Qinghan and Qiao Haoming?

In order to solve the mystery, she decided to go to the company with Xia Qinghan and find out what was going on.

Xia Qinghan had signed up with the company for several months and she hadn't even been to SY, so of course she had to check out the place where her child worked.

Xia Qinghan was stunned when she found out Chang Qianzi wanted to go to the company.

If Chang Qianzi went to the company and ran into Xia Xibei, wouldn't it be all exposed? What if something happened on the spot?

For this reason, she tried to persuade Chang Qianzi to dismiss the idea.

However, Chang Qianzi had made a decision and would not be dissuaded.

Chang Qianzi argued, "I am your mother! How can I say that I haven't seen your workplace? Is there something you don't want me to see there?"

The last sentence was hard to argue with!

Xia Qinghan could only hold back her apprehension and agreed to the request.

However, Bai Meixue reassured her that even if Chang Qianzi went over and saw Xia Xibei, she wouldn't necessarily have any reaction. After all, they had already prepared the story quite a bit beforehand.

Besides, there were many people who looked alike but were not related to each other. It was impossible that everyone was a blood relative, right?

Being comforted in this manner by Bai Meixue, Xia Qinghan pushed down her fear and took Chang Qianzi to the company.

It was Chang Qianzi's first time in an entertainment company, and seeing

so many handsome men and beautiful women, she was very curious, a bit like a country bumpkin seeing a big city for the first time.

However, she was also a socialite, so she could hold her own.

She only marveled in her heart; her expression was as calm and elegant as ever, looking like a boss's wife who had come to inspect the company.

Other people looked at her and couldn't help but be surprised.

So young! She looked like she was in her thirties, at most. Although she didn't look like Xia Qinghan, she had a different temperament!

Surely she was the wife of a rich family!

Chang Qianzi, accompanied by Xia Qinghan and Bai Meixue, took a tour of the company and received a lot of amazed looks.

Chang Qianzi looked forward to seeing Xia Xibei as she surveyed the company.

However, she didn't say it, lest she made Xia Qinghan unhappy.

After walking around, when she was about to leave the company, Xia Xibei still hadn't appeared, leaving Chang Qianzi a little disappointed.

Xia Qinghan, however, was relieved.

In fact, Xia Xibei would not be at the company today. She seemed to have gone to talk about some perfume endorsement.

Xia Xibei's popularity was soaring now, as those few songs had brought her so much attention. This was in addition to the plagiarism thing that happened before, which successfully drew everyone's attention, and made those songs even hotter.

It could be said that at least 90% of people had heard of her songs.

Such a degree of exposure had brought her so much popularity.

Now she was the most popular new generation singer!

Therefore, the advertisements she received were even more high profile.

This made Xia Qinghan jealous and depressed.

However, it was nice not to be forced to see her in the company.

Just as this thought occurred in her mind, Xia Qinghan saw Xia Xibei and Pan Yan walking in, and her face instantly darkened.

Chapter 890: You Two Really Look Alike

Looking at the beautiful and valiant Xia Xibei standing in front of her, Chang Qianzi's expression was a bit complicated.

This was the Xia Xibei who turned her unrequited love into hate and rumors?

Such a beautiful girl... There must be many who people liked her, so why was she so desperate for one person?

Thinking of this, Chang Qianzi showed a polite smile.

“Hello! You are Xia Xibei, right?”

“Yes, I’m Xia Xibei,” Xia Xibei nodded and smiled brightly. “Auntie, you are Qinghan’s mother, right? You are so young and beautiful, you look like sisters!”

Although she was not happy with what Xia Xibei did, Chang Qianzi did not have a penchant for spilling her guts and quarreling in public.

Besides, a woman was certainly quite happy to be complimented on her beauty and youthfulness.

“I am old, how can I still be young and beautiful.”

“How can you be old?” Xia Xibei looked surprised. “You look even younger than Sister Xue!”

These words made Xia Qinghan and Bai Meixue’s eyebrows furrow. What was she trying to do?

Before, whenever they faced Xia Xibei, she never had such a good attitude. Why was she acting like this now?

How come she was so enthusiastic in front of Chang Qianzi?

Could she...

Bai Meixue’s heart jumped and her face slightly changed.

She immediately went forward to separate the two people, “Xibei had a busy day and just got back. She must also be tired, we should not delay her anymore.”

Looking at Bai Meixue’s somewhat irritated reaction, Xia Xibei also began to wonder.

“It’s fine,” she shook her head and smiled. “I’m happy to meet such a fine lady as Auntie.”

She added, “Sister Xue, why are you so free today? Aren’t you working? Qinghan, are you well? I heard earlier that you had a scare. Are you okay?”

She was so enthusiastic that Xia Qinghan and Bai Meixue were surprised. What did she want?

Xia Qinghan was wary, but she could only shake her head, “It’s fine, it’s just a small accident. I have already recovered.”

“That’s good.” Xia Xibei breathed a sigh of relief, then whispered, “Oh yes, I think I just saw your fiancé’s car!”

“What?!”

Chang Qianzi’s anger came at once, but she still held back.

“Young lady, when did you see Haoming’s car?”

She hadn't even brought up the matter of Qiao Haoming, yet Xia Xibei brought it up herself. Was she that concerned about Qiao Haoming?

"Haoming?" Xia Xibei first looked confused, then understanding dawned. "Oh yes, Qinghan's fiancé's name is Qiao Haoming."

Her reaction made Chang Qianzi frown. Did she not know Qiao Haoming's name?

"Don't you know him? How come you don't even know his name?" Chang Qianzi couldn't help but ask.

"We met once, when Qinghan brought him to the company for a visit."

Chang Qianzi frowned at her, "What do you think of him? Isn't he pretty great?"

"He's okay." Xia Xibei looked innocent. "However, I didn't pay much attention to him. After all, I have a boyfriend. I don't dare to get too familiar with him, or my boyfriend could get angry."

"You have a boyfriend?" Chang Qianzi was confused.

"Yeah," Xia Xibei nodded. "I have a boyfriend, Qinghan and the others know that. My boyfriend is very handsome and rich!"

Chang Qianzi turned to look at Xia Qinghan and Bai Meixue.

"Wow! You look even more alike!" Xia Xibei suddenly sighed. "If I hadn't seen Auntie today, I would have thought that Auntie Xue was Qinghan's mom! Not only do you two look alike, you even have the same expression!"

These words made the two of them panic.

What the hell did Xia Xibei mean?!
