

## Chapter 901: Life-Changing Discovery

Tang Luo was still very hot after she took off her clothes.

She cocked her head to the side and thought for a moment, finally grasping the point from her muddled mind.

She needed to take off more clothing!

So, she fumbled around her body for a while and removed the corset.

After taking off the corset, she felt much more relaxed and threw it away.

At this moment, she didn't even notice that there was an extra person beside her, not to mention how shocked the other person was!

After Tang Luo took off her corset, still felt that it was not enough. Frowning at the thought, she stood up and stripped her pants off.

Although wobbly, she still relied on her own strength to take off the pants.

She had no idea how much of an impact this scene would have on Mo Bonan!

Mo Bonan watched as Tang Luo felt around her thin, flat upper body and found a strange piece of fabric. After taking that fabric away, her chest instantly changed from flat to curvy! This scene was magical!

Then, he watched as she took her pants off, revealing the arching part.

It was shocking to see!

The corners of his mouth twitched. This part was... Not small!

He was petrified seeing Tang Luo's upper and lower body.

What was going on here?

While he was confused, Tang Luo's movements had not stopped.

She probably also felt that the situation was not right and went into the bathroom, her hand covering her chest.

She didn't even notice that Mo Bonan was right beside her.

Mo Bonan took a deep breath, hesitated, then followed.

After entering the bathroom, Tang Luo took off her panties as soon as she could!

Her action made Mo Bonan jerk backwards and almost black out!

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

Tang Luo, who was so drunk that her mind was not clear, had no idea where she was and what kind of situation she was in.

She pulled off the thing that made her uncomfortable underneath, and her whole body was instantly naked.

Then she grabbed a nearby bath towel, wrapped herself in it with sluggish movements, walked out, and fell head first onto the bed.

In a short while, she fell asleep.

Mo Bonan, who had watched the whole thing, was frozen.

Mo Bonan came out of the bathroom and walked to Tang Luo's bedside, looking at her peaceful sleeping posture, his facial expressions out of control.

He was so defenseless; he couldn't move at all as he took in the whole scene!

Just now, Mo Bonan had made a life-changing discovery, and was still in a state of confusion!

He didn't know how long it took for him to come to his senses, and his face was stony as he did so.

Tang Luo was a girl?

That was ridiculous!

The scariest question was this: where the hell did she get those strange things?

Weird clothes, weird fake penis... Did all the kids play this way nowadays?

Mo Bonan hadn't drunk tonight, but he felt like he was drunk and his mind was all out of whack.

What the hell was going on?!

Mo Bonan wanted to scream.

He wanted to shake Tang Luo and ask him about the whole thing.

In the end, however, he didn't do it. He turned on the air conditioner, covered her up in the blanket, and left.

Only when he left did he stumble a little, as if he had received a strong blow.

On the other hand, Xia Xibei, who didn't know Tang Luo was making a huge mess, also felt a little out of sorts.

When she returned home and was taking a shower, she felt a little different.

The alcohol that she drank before seemed to have come back with a vengeance.

## Chapter 902: Big Changes

Xia Xibei could feel that the wine she had drank earlier had not finished digesting, and a surge of heat once again rose in her body.

She sat on the bed and let this heat circulate through her limbs, bones, organs, and guts, driving the qi in her body.

The qi surged in waves, making her so comfortable that she wanted to sigh.

She didn't know how long it took before she opened her eyes, her eyes shining bright, clear, and very awake.

All her fatigue had disappeared at this moment.

'It was really good stuff!' Xia Xibei thought to herself.

She had to say that the Qi family was capable of making a really good wine!

In fact, Xia Xibei herself could make such wine, and she could also make wine that was more effective.

It was just a pity that she has the ability, but not the ingredients.

It was hard for a smart woman to cook without ingredients.

As strong as her skills were, there was nothing she could do if she couldn't find all the herbs.

She had thought about making wine before, but several herbs were extinct and she could not find them at all.

She could also replace them with other herbs, but it would take many experiments to achieve the same good results.

In her current situation, she had no time to do such a troublesome thing, so she had to put it on hold.

She couldn't take time off work and run into the deep mountains to find all kinds of medicinal herbs, could she? Pan Yan would cry his eyes out!

However, in the future, if she came across suitable herbs, she could do so.

This wine was a good thing, good for both the body and cultivation.

She was thinking about this when she heard a sound coming from the door.

She came out and saw that it was Qiao Yanjue.

Qiao Yanjue was wearing pajamas and his face looked a little strange.

"What's wrong?" she asked with worry, walking over quickly.

(If you have problems with this website, please continue reading your novel on our new website myAllNovelFull.Com THANKS!)

"I feel a little strange," Qiao Yanjue frowned and sat down.

"Strange?" Xia Xibei frowned and reached for his wrist.

Then, she was stunned.

Qiao Yanjue's body had two gusts of qi rushing against each other, and while these two gusts were not very strong, the impact from their collision was enough to make it difficult for Qiao Yanjue.

"Come here!" Xia Xibei made an immediate decision and brought Qiao Yanjue to the room. "Lie down."

Qiao Yanjue gritted his teeth and laid down on the bed, then was stripped out of his clothes.

He didn't even have time to feel anything before he found Xia Xibei's hand on his chest.

"Hold your breath, circulate the qi, and follow my instructions."

Hearing the seriousness in her tone, Qiao Yanjue immediately put aside the random thoughts in his mind and followed her movements to move the qi.

Qiao Yanjue could feel his qi following Xia Xibei's movements, rising, struggling, and roaring...

By the time everything stopped, Qiao Yanjue found himself full of energy!

His body was very relaxed, as if all the stress had been cast aside!

This feeling was really comfortable!

"What..."

He looked at Xia Xibei in confusion.

"It's the wine you drank today," Xia Xibei explained.

"Wine?" Qiao Yanjue's face suddenly changed. "There wasn't anything wrong with it, was there?"

"It's okay," Xia Xibei smiled and reassured him. "It's good wine, it's good for both of us. Moreover, this wine is even better for you."

Qiao Yanjue, who was also a martial arts practitioner, had some qi in his body, but not much.

The Spirit Heart Wine brought him more qi, while Xia Xibei's directions just now gave him a huge improvement.

Qiao Yanjue felt the change in his body carefully and was surprised.

"It really changed so much!"

He felt that he would be more powerful now when he swung his fist than before!

What kind of divine wine was this?!

“Huh? What’s this?” he suddenly asked, pointing at Xia Xibei’s forehead.

### Chapter 903: A White Lotus Flower

Qiao Yanjue looked at Xia Xibei’s forehead with surprise.

“What?” Xia Xibei was confused and touched her forehead. “Is there something on here?”

“It looks like a flower.”

Qiao Yanjue immediately took her to the bathroom, which had a big mirror inside.

However, when Xia Xibei looked into the mirror, there was nothing there.

“What is it?” She looked confused. “Is there something here?”

Qiao Yanjue was surprised and made her get a closer look.

“Why is it gone?”

Xia Xibei frowned, “What on earth is it? Are you seeing things?”

“Definitely not!” Qiao Yanjue shook his head.

However, he looked at Xia Xibei’s forehead for a while, but saw nothing, as if it was only an illusion.

“It’s a flower! Very much like a lotus flower, a white lotus flower!”

Qiao Yanjue had confidence in what he saw.

Besides, the light was so bright, and the lotus flower on Xia Xibei’s forehead was so clear, so how could he be wrong?

Xia Xibei’s mouth twitched, “It’s not as if I’d tattoo a lotus flower on my forehead!”

She was not that leisurely.

Qiao Yanjue could not help but doubt himself after he did not see the lotus flower again.

Could he be wrong?

“What did you just do?”

He was still undeterred.

“I didn’t do anything.” Xia Xibei shrugged, “What can I do? I was just helping you adjust the qi in your body!”

(If you have problems with this website, please continue reading your novel on our new website myAllNovelFull.Com THANKS!)

Qiao Yanjue frowned with a puzzled look.

He was a bit worried about the effect this inexplicable lotus flower had on Xia Xibei.

If it were any other time, he would have doubts about what he saw.

However, after the cultivation just now, he felt that his senses were very clear and lucid, so naturally he would not doubt his vision.

“Let’s do it again.” Qiao Yanjue pulled Xia Xibei back to the bed and laid down. “Come on, repeat what you just did.”

Looking at him lying on her bed obediently, revealing his beautifully defined chest, Xia Xibei felt her lips go dry.

She thought he wanted to do something and smiled, narrowing her eyes.

“I get it.”

“You do?” Qiao Yanjue was surprised. “You know what’s going on?”

In the next second, Xia Xibei hemmed and hawed, “You want to play something special, right?”

The corners of Qiao Yanjue’s mouth twitched.

What was she thinking? He did want to do something, but now it was not the case!

Xia Xibei raised an eyebrow at him, showing a lecherous face, “It’s okay, let me take care of you...”

She scowled at him and laughed strangely, like a pervert or a witch cooking poison, and reached out to touch his chest.

When did this girl get so melodramatic?

However, Qiao Yanjue did not refuse, laying flat and letting her play.

Xia Xibei recalled what just happened, then moved her fingertips back and forth on his chest.

“Come, follow me....”

Qiao Yanjue got goosebumps from her hand, but followed her touch and moved the qi inside him.

He could feel the little heat coming from Xia Xibei’s fingertips entering his body, and the two energies began to intertwine.

He didn’t have time to think about Xia Xibei’s amazing strength- being able to release her qi outward was not something easy to do. In the next second, he grabbed Xia Xibei’s hand with a serious expression.

“It’s here again!”

Xia Xibei was startled when he grabbed her hand.. Her qi immediately dispersed, and the lotus flower disappeared.

#### Chapter 904: Background

Qiao Yanjue pulled Xia Xibei into the restroom and told her to look in the mirror, "Use your qi and take a look."

Although Xia Xibei was a bit puzzled and skeptical, she still did so.

Soon, her eyes widened, and when she got in front of the mirror, she stared at her own forehead.

There was really a lotus flower on her forehead, just as Qiao Yanjue said!

The white lotus flower was about the size of a stamp, and right in the middle of her forehead.

Looking at it this way, it was as if the lotus flower had been printed on, but there was no trace of pen or ink to be found.

The lotus flower was clear and half-open, and its petals were clear and lifelike.

"Crap!" Xia Xibei could not help but curse as she reached out to touch her forehead. "What is this thing?!"

If Xia Xibei didn't have confidence in her own strength and wasn't sure she hadn't let anyone get close, she would have thought someone had imprinted it on her while she wasn't looking!

She touched her forehead, but didn't feel a bump.

The next second, she dispersed the qi that had coalesced and saw the lotus flower disappear.

She stared at her forehead, dumbfounded.

What the hell was this thing?!

This was too amazing!

When did she have such a thing on her forehead?

She had lived two lives, but she had never found anything different on her body.

So what was going on now?

Qiao Yanjue hugged her, knowing she was a little nervous, and gently coaxed her, "It's okay, let's check it out. We'll know what's going on."

He led Xia Xibei back to the bed.

"You were using your qi when the lotus flower appeared. Usually there should be no problem."

Xia Xibei was still a little confused, "But... What is this thing?"

(If you have problems with this website, please continue reading your novel on our new website myAllNovelFull.Com THANKS!)

Qiao Yanjue did not understand either, but he still replied, "I'll look it up. I should be able to find out."

Xia Xibei frowned and carefully raised a possibility, "Could this have something to do with my background?"

"Your background?" Qiao Yanjue was surprised.

"Right." Xia Xibei nodded, her expression a bit downcast. "Have I ever told you about my birth?"

"No," Qiao Yanjue shook his head. "But I know."

He had looked into Xia Xibei's story before, so of course he knew who her parents were.

Moreover, he helped Xia Xibei to break off the relationship with her father, Xia Shahai.

It was also from that time that he took a liking to her.

She was obviously a nice girl, so why were her parents so cold-hearted towards her?

However, he did not overthink it. If her parents did not love her, then he would take care of her.

Of course, he didn't expect that things would develop so far.

"No," Xia Xibei shook her head. "They're not my real parents."

"Hmm?!" Qiao Yanjue was shocked. "Not your real parents?!"

He didn't know that.

Back then, when Dong Shulan brought Xia Xibei back, everyone thought the baby was her biological daughter. It didn't occur to people that she had bought the baby.

Qiao Yanjue wouldn't have dug so deep.

"I was bought by Dong Shulan." Xia Xibei's voice was a little cold. "She said she was pregnant back then in order to get Xia Shahai to come back to her. After that, she went abroad to pretend to be in labor, and then bought me."

It was the first time Qiao Yanjue had heard such a statement and was immediately shocked.

"What about your real parents?"

"I don't know," Xia Xibei shook her head, "If I hadn't accidentally overheard Dong Shulan and her mother talking before, I wouldn't have been able to figure out why they didn't like me!"

Chapter 905: Experienced

What Xia Xibei said was a lie, of course.

She had only learned the truth in her previous life, when she was in her twenties.

At that time, she was considered to have achieved fame and fortune, although her achievements were nothing compared to other accomplished people.

However, she had fumbled her way from nothing to now, and had so many fans to support her, so it was already very inspiring.

She was just starting to take off when Dong Shulan and Xia Shahai popped up.

They fabricated all kinds of lies and excuses to get money from her, forcing her to give them money.

It was only after giving them money for some time that she overheard Dong Shulan's words by chance and realized that she was not their biological child!

It was only because of this that her confusion was solved- this was why neither of her parents loved her!

Dong Shulan didn't love her because she wasn't her biological child.

Xia Shahai did not love her, not because he knew the truth, but because he simply did not care about her and Dong Shulan.

Looking at Xia Xibei's unconcealed expression of pain, Qiao Yanjue was suddenly heartbroken.

"It's okay! They don't love you because they are stupid, but I am here!"

Xia Xibei shook her head to shake off this residual loss, "It's okay, I won't be sad because of them."

After so many years and two lives, it would be silly for her to still be sad because of their attitude.

"I used to think that I might have been sold by my biological parents, so I don't want to find them either." Xia Xibei's expression was a little serious. "But now... I want to find out."

Her body was too strange, and if she didn't find out, who knows what would happen?

Therefore, even if she didn't like it, she still had to know the truth.

"Don't worry, I'll handle it."

Qiao Yanjue squeezed her hand and reassured her.

"Okay," Xia Xibei nodded obediently.

"Well, get some rest first. You still have to work tomorrow," Qiao Yanjue said.

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

"I'm not sleepy, I don't want to sleep," Xia Xibei shook her head.

Although she still had to have a birthday party tomorrow, with so many fans waiting for her, she could not just do a perfunctory job. However, after she drank the wine, her whole body benefited a lot, and she was now in good spirits.

Moreover, after bringing up these old stories, she was not in a good mood and did not want to sleep.

“Not sleepy?” Qiao Yanjue asked in her ear.

When she reacted, she realized that the two of them were in an interesting position.

Somehow, she was already sitting in Qiao Yanjue’s arms, while Qiao Yanjue was naked above his waist and her pajamas were open, revealing her pale skin.

Qiao Yanjue’s breath warmed her ear, “Since you’re not sleepy, let’s finish what we haven’t done just now.”

She was startled, goosebumps rising due to his hot breath.

Without waiting for her to react, she was already pinned to the bed by Qiao Yanjue, enveloped by his body.

“You-”

Before she could speak, she was kissed by Qiao Yanjue.

Soon, she didn’t know what to say, only able to dance to her heart’s content with Qiao Yanjue.

No one knew who was taking the lead.

It was only when the outside world had fallen asleep that the storm inside the room had subsided.

The next morning, Xia Xibei was awakened by a phone call.

“Missy, I’m going over there now. Get ready! There’s going to be a rehearsal soon!”

Pan Yan hung up after his quick message.

If he had let Xia Xibei speak, he would have noticed that her voice was not right.

After hanging up the phone, Xia Xibei felt a tightening around her waist and she got a little closer to the warm body next to her.

“Good morning.”

A good morning kiss landed on her.

Chapter 906: Excellent Service

By the time Qiao Yanjue released Xia Xibei, both of them were a bit emotional.

Thinking back to last night, Xia Xibei couldn't help but blush, and her body got hot again.

While she was experienced in her thoughts, she was still a little uncomfortable when she really did the deed.

However, she had to admit that Qiao Yanjue was doing very well.

The first part wasn't very smooth, but later on, it became flawless.

He had good endurance too, probably because of the improvement in his qi last night.

They tossed and turned for most of the night before stopping.

However, to Xia Xibei's delight, she had also improved yesterday, so although her body was a little sore and weak, it didn't affect things today.

"Okay, I have to get up. Brother Pan will be over soon," Xia Xibei pushed him away.

Qiao Yanjue hugged and kissed her, smiling languidly and teasingly, "Are you feeling alright?"

Xia Xibei blushed a little and shook her head, "I'm fine."

Qiao Yanjue raised his eyebrows, "Really? My performance was not good enough?"

Seeing that he was about to make another move, Xia Xibei hurriedly pushed him away.

"You're doing very well, really!"

Qiao Yanjue was just scaring her and wasn't going to continue. After all, she had to work today.

Xia Xibei turned her back to him and asked, "I have no lotus flowers on me, right?"

She had to perform today, and her clothes were special, so she couldn't reveal herself.

Looking at her beautiful body, Qiao Yanjue's eyes darkened and he took a few deep breaths before suppressing his overwhelming thoughts.

"Don't worry, there are no lotus flowers."

Xia Xibei got dressed and asked, "Do you want to sleep a little longer?"

"No need," Qiao Yanjue replied, sitting up, "I'll prepare breakfast for you."

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

Xia Xibei raised her eyebrows, "Such good service?"

Qiao Yanjue also raised his eyebrows, "Of course! I'll definitely make you feel at home.

Those experienced words made Xia Xibei glare at him, put on her clothes, and go wash up.

Qiao Yanjue put on his pajamas and went to the kitchen to prepare breakfast.

It took 15 minutes to go from where Pan Yan lived if there was no traffic. If there was traffic, it'd take at least half an hour.

So, Xia Xibei still had time to have breakfast.

Besides, they had to make up for the heavy exertion last night.

They had a lot of stuff in the fridge, and usually had someone to help replenish the food.

When Xia Xibei finished washing up and came out, she saw Qiao Yanjue making sandwiches and warming up some cooked food.

He didn't have much cooking skills to speak of, but he could still make a sandwich.

Xia Xibei took the sandwich and gave him a kiss.

"A reward for you."

"Is this enough of a reward?" Qiao Yanjue hugged her and wanted to continue.

"That's enough, I have to go to work!"

Xia Xibei pushed him away. Now was not the time to continue.

They just had a taste of it, so if they didn't have a little restraint, they wouldn't be able to leave the house.

When Pan Yan came over and saw Xia Xibei, his face darkened.

Although they controlled themselves, their demeanor was obvious to people at once.

When Pan Yan saw Qiao Yanjue, he couldn't help but draw in a breath.

Without saying much, he could guess that the two definitely had experienced something last night

If Qiao Yanjue wasn't his boss, he might have been unable to resist cursing out loud.

He was an animal!

Qiao Yanjue raised his eyebrows at his condemnation.

"She came of age yesterday."

Well, by the time they did anything, it was already after twelve o'clock. Xia Xibei had become an adult then.

Pan Yan's face was grim.

However, he could not do anything but urge Xia Xibei to finish her breakfast and leave. Today was her birthday party!

Xia Xibei did not pay attention to the drama between the two.. After finishing her food, she wiped her mouth and left.

## Chapter 907: Birthday Party (1)

The birthday party wasn't exactly grand, but for many fans, it was their most anticipated event.

It was even more exciting for those fans who could attend.

For this birthday party, the fans started to raise money for support two weeks in advance.

In recent years, fans' support of celebrities had gotten more and more crazy and exciting.

From bus and subway station billboards and all sorts of LED ads, to other expensive gifts, there was nothing the fans didn't think of.

After all, there was more than one star in the industry, so they had to do their best to make their idol's name stand out. They wanted their idol to shine the brightest!

However, Xia Xibei had said before that she hoped people did not go crazy and overspend on her.

The student fans, especially, should not support her like this.

Even if the fan's family was wealthy, the money was their parents' and they should not be so wasteful.

Fans who were already working should use their income to improve their own lives.

Moreover, she didn't need people to give her gifts.

Instead of giving her gifts, it would be better to use those gifts for charity.

She also made a post saying that she would only accept handmade gifts at most, and she would not accept any of the expensive gifts.

Her statement was, "I am richer than you think!"

This statement managed to ignite a lively discussion, which led to many people's amusement.

Everyone knew that stars were much richer than ordinary people. Ordinary people could not earn in a lifetime what a star earned in one show, so it would be hilarious for these fans, who were so poor, to spend a lot of money to give a gift to a celebrity.

However, many artists did not refuse fans' gifts. After all, the gifts represented their fans' devotion.

Still, gift-giving could easily cause problems.

There were idols who reportedly threw away inexpensive gifts from fans.

These incidents hurt the hearts of the fans and some people had stopped being such idols' fans. This was simply trampling on their hearts!

Xia Xibei didn't want this to happen and had to turn it down right at the source.

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

She refused such gifts, but asked for a new kind of gift.

If the fan was a student, any progress in grades was the best gift.

If the fan was working, a promotion or raise was the best gift.

Such a special request got everyone talking once again.

However, this different style of request had helped her gain more fans, and get more fans to come to the birthday party.

So, with such a large group of fans, those who were lucky enough to be drawn for party attendance were extremely lucky!

Everyone almost fought to the death!

Although Xia Xibei did not accept gifts, the fan support was there.

So, early in the morning, various support booths were set up outside the party venue, and Xia Xibei's photos and posters were spread all over the place.

Although only 200 people could get in, more than that came to the venue.

They couldn't get in, but they felt as if they were close to Xia Xibei!

When Xia Xibei passed by in her car, she lowered the window and said hello to everyone, which triggered an enthusiastic chase.

After entering the venue and rehearsing once, it was soon 2 pm, and the birthday party officially started.

In the beginning, Xia Xibei sang three of her own songs, which drew cheers and applause from the audience.

After the performance, the heart-to-heart session began.

In this session, the fans and Xia Xibei could get close to each other and play games together.

## Chapter 908: Birthday Party (2)

The fans who were chosen were all very excited, some so excited that they could not even speak because they were covering their faces.

Xia Xibei played a few games with everyone and the scene was full of joy.

There were also many live streams on the Internet.

[Sister Bei is so beautiful! Super beautiful! Now I have no regrets in my life!]

[Beibei is super pretty and her skin is super nice! I went on stage to play the game and hugged her, and wow! She's super gentle and super sweet!]

[She's flawless up close! Beibei is super beautiful! She's like a fairy goddess!]

[I'm so jealous of people who can get close to Sister Bei!]

[Sister Bei drew a few more people up to ask questions! Envy! Why not me?]

[Oooh, I can't believe someone took their phone up and asked Sister Bei to help draw a card! I'm laughing my ass off! That's amazing!]

[Sister Bei's luck is really amazing! I can't believe she got a lucky card!]

[She's so lucky! Sister Bei is amazing!]

[Really? I want her to draw a card for me too! My luck is terrible!]

The fans at the scene let out shouts of surprise.

Everyone knew Xia Xibei's luck was good, as several previous variety shows had illustrated.

However, seeing it in person and seeing it on TV were two different things.

The fan who took out her phone and asked Xia Xibei to draw a card was so excited that she couldn't speak.

Her luck was too good!

The incident opened up people's minds and made the party go off in another direction.

A fan connected to the card game, Fight the Landlord, and then took it to Xia Xibei and asked her to help play.

Everyone was stunned, then burst into laughter.

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

People were stunned by this move.

Xia Xibei was also stunned by the fan's request, and after dumbfounded laughter, could only help to play this round.

The cameraman connected the phone screen to the big screen so that everyone could see it clearly.

Everyone was talking about it.

The cards in this round were not good. So many of them were disconnected that they could not form a straight or even a pair.

Moreover, the fan was playing wild cards, but at the beginning, there was not even a single one! Other good cards were not available either.

Such a deck of cards was not the worst, but not very good either.

Looking at the deck of cards, Xia Xibei's expression was also interesting.

She called the landlord first.

This kind of card shouldn't be called landlord, but she hesitated and called it anyway.

So, she became the landlord.

The fans looked at each other in disbelief. How could she be the landlord of such a card? Did she think she was this lucky?

What was surprising was that after she became the landlord, she got three extra cards to make up for the previous somewhat garbage cards, and three extra wild cards!

While everyone was still wondering how this deck of cards should be played, she had already thrown all the cards out.

Then an airplane appeared on the screen, and the sound effects sounded: "Airplane!"

Upbeat music played and a bouquet of flowers appeared: Spring. Game won.

Everyone was flabbergasted! The game was over?!

This was too damn amazing! Winning it all in one hand!

This luck was awesome!

While many people were still figuring out how to play this hand, she had already thrown it out. Her reaction speed was too scary!

Of course, the more powerful thing was her luck.

She had dared to win with bad cards like these?

She was really the luckiest of the lucky ones!

This was what you called luck!

Everyone was practically ready to bow down to Xia Xibei.

Chapter 909: Birthday Party (3)

This scene was filmed by fans and then posted online, which soon reaped a bunch of comments.

[Wow! Incredible!]

[Awesome! How did she win with these cards?!]

[Awesome! What luck! It's amazing!]

[She's the luckiest! Let me get some of her luck!]

[She's the luckiest! Let me get some of her luck!]

[She's the luckiest! Let me get some of her luck!]

Soon, there were similar comments, and everyone wanted to get some of Xia Xibei's luck.

Of course, everyone was also stunned by this birthday party.

Singing, performing, and game-playing were not uncommon, but who the heck played card games?!

This was too insane! It was too different! And that was not all!

Later on, a fan came up with a workbook and asked questions!

The fan was a 14 or 15 year old girl, one who would be in her third year of middle school next semester. Therefore, she came to the party with her backpack.

Seeing others do crazy things like this, she presented a math problem she needed help with.

Xia Xibei was the god of learning! Of course she should ask her!

Everyone wanted to get help from the god of learning!

The fans below were bending over with laughter.

This birthday party of theirs was so special; it changed everyone's perception!

Other idols' birthday parties were all about singing and dancing, then games with fans, and all kinds of heartfelt talks that left tears in their eyes.

Xia Xibei's birthday party had the same content, but with these extra magical things.

Which idol's birthday party helped draw cards?

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

Which idol's birthday party played a card game?

Which idol's birthday party helped fans with homework?

Only Xia Xibei did this!

Not only were the fans dumbfounded, even the staff members were stunned by such a scene.

They had planned so many birthday parties and meet-ups, but this was the first time they saw something like this!

However, they had to admit that the atmosphere was really superb! Was it because there were many top scholars here?

Xia Xibei helped the young fan answer the math problem and encouraged her. The girl went offstage with a red face and covered her mouth, almost not knowing how to walk anymore.

After the math problem, the interactive session finally came to an end.

Although everyone wanted to continue, Xia Xibei was determined to go on to the next session.

Next, it was time for the others to perform.

Gu Lan and Mu Qiaona collaborated on a song, and the other artists performed a routine together.

When they finished their performance, Xia Xibei came out with a new outfit and performed a new song for everyone.

The songs performed this time were new songs that had not been released yet. Xia Xibei played the piano with one hand and a guitar with the other.

After that, she also performed on a drum set, and during the drumming, she spun the drum sticks in her hands, which was so cool that it managed to cause fans to scream.

When it was all over, she said some more words of encouragement, which ended the birthday party.

Fans left the birthday party reluctantly and immediately posted the footage with their own crazy screams.

[Sister Bei is so awesome! Piano, guitar, drum set... She knows them all! So incredible!]

[I'm glad I came back from abroad this time! Otherwise, I'd regret it to death!]

[I will definitely get into the best high school! I will definitely not let Sister Bei down!]

Some of the images from the birthday party were also made into animated gifs and clips that began to circulate online, quickly making the rounds and taking Xia Xibei's popularity to the next level.

Chapter 910: Dong Shulan

Xia Xibei's popularity was growing, and even though the movies and dramas she had made had not yet been broadcasted, there were not many people who did not know her.

Even people in more remote and smaller places had heard of her and her songs, not to mention Dong Shulan, who was also in G City.

Since giving Xia Xibei 200,000 yuan to break off their relationship, Dong Shulan had not cared about Xia Xibei's situation.

To her, Xia Xibei was just a little girl she bought back and didn't need to be concerned about.

If Xia Xibei hadn't learned about the previous events and threatened her with exposure, she wouldn't have given her the money at all.

Unfortunately, Xia Xibei knew her weakness.

After gritting her teeth and giving the money, Dong Shulan was heartbroken.

Two hundred thousand yuan! That was a lot of money! It was her personal money that she had saved all these years!

Giving it away like that hurt her terribly.

However, after giving the money, she ignored Xia Xibei and wished for her to die.

Anyway, the kid was under Xia Shaha's name, so she could care less.

She just didn't expect to see Xia Xibei on TV.

It was more than a month ago that she first saw Xia Xibei on TV.

When she saw Xia Xibei, she was stunned!

She was Xia Xibei? That skinny and timid little girl?

Oh no, Xia Xibei was not cowardly anymore. She had the guts to play blackmail.

Still, Dong Shulan could never have imagined that Xia Xibei would become a star!

If she hadn't seen Xia Xibei a few months ago and known what she looked like when she grew up, or seen the words "Xia Xibei" written on her name tag on the TV, Dong Shulan would have thought she had mistaken her for someone else!

After confirming Xia Xibei's identity, she was stunned!

When did Xia Xibei become a star?

Her neighbor, a young woman, told her that the show was very powerful, and the stars who participated were viral stars.

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

Dong Shulan didn't know what a viral star was, so the girl explained, "Viral stars make a lot of money!"

Earn a lot of money!

Dong Shulan immediately understood, and then she was tempted.

Xia Xibei was more beautiful than before, and she was also a star, so she was earning a lot of money!

She was excited when she thought of how much money those stars could make in such a short time.

However, the fire in her heart was quickly quenched.

If it was before, she could still go up and sheepishly have Xia Xibei give her some money. After all, she was her mother!

However, after Xia Xibei told her secret and broke off the relationship with them, she didn't dare to go there.

What if she went there and was threatened by Xia Xibei?

The severance letter was still in Xia Xibei's hand!

Of course, what she was more afraid of was that people would know that Xia Xibei had been bought by her.

Although 18 years had passed, this kind of thing was never good.

Moreover, Xia Xibei was obviously not an easy person to mess with. The way she threatened them before was particularly ferocious.

Therefore, Dong Shulan could only hold back the longing in her heart and made herself stop thinking about these things.

It was such a pity... All that money!

If she had known this, she would have been better to Xia Xibei.

Now their relationship was strained, and Xia Xibei would never give her any money!

Dong Shulan was smarter than Xia Shapai, so she knew that she could only be quiet at times like this, not making a mess.

She just didn't expect that instead of her going to Xia Xibei, someone would come to her.

She was shocked when she found out why the visitor came.

## Chapter 911: A Drawing

"I don't know what you are talking about!" Dong Shulan's face darkened. "If you guys keep talking nonsense, I'll call the police!"

"Ms. Dong, I don't believe that you will call the police."

The visitor was a young man in his twenties. With a pair of gold-rimmed glasses, he looked very gentle and elegant, but the words that came out of his mouth startled Dong Shulan.

“Besides, we are not trying to make trouble this time. We just want to know a little old story.”

“I- I really don’t know what you guys are talking about!” Dong Shulan immediately shook her head. “You should go! I still have to go grocery shopping!”

The man laughed, “Ms. Dong, you really don’t have to worry. We are very sincere in coming here.”

Saying that, he took out a box.

When he opened it, inside the box was a very beautiful gold necklace!

The shiny necklace immediately dazzled Dong Shulan.

She drew back her eager gaze and looked at him warily, “I really don’t know...”

“Ms. Dong, the matter has passed and we don’t want to make a big deal out of it. We just want to know the truth.”

Dong Shulan still gritted her teeth and denied it, “I really-”

“I heard that Mr. Lin is working for the Xinyuan company?”

At these words, Dong Shulan’s face changed.

“What do you want?!”

“Mr. Lin is very good at his job and is suitable for a better position, right?” the man said with a smile.

Dong Shulan’s face froze.

This man had come prepared!

After a moment’s stalemate, Dong Shulan gritted her teeth again, “You have to promise not to say anything about what I tell you! And don’t make any trouble for us!”

“Don’t worry, that’s for sure!”

The man nodded with a smile and pushed the jewelry box over.

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

Dong Shulan’s heart was beating wildly. She stopped herself from touching the necklace before she slowly told the story from the past.

“Back then, I found out that I couldn’t have children and almost had to get a divorce. So, I wanted to buy a child. I met a woman in a hospital in N city. The woman said she could help me buy a child....”

“Do you remember what that person looked like, or who she was?”

“I remember. I drew a picture.”

Dong Shulan’s words made the man’s eyes light up.

“Can I see it?”

She hesitated for a moment, but got up and retrieved the drawing.

It must be said that Dong Shulan’s drawing skills were very good, and the woman’s appearance was clearly shown.

It was a woman in her forties, with an ordinary and unremarkable appearance, and after 18 years, she should have changed a bit by now.

However, with this drawing, it could reduce a lot of steps.

The man took a picture of the drawing and said with a smile, “Okay, we’ve got it figured out, so we’ll go now. If there is anything more, we will come back and ask.”

The corners of Dong Shulan’s mouth twitched reluctantly.

Who would want to see him again?!

However, she didn’t say anything.

As the man was about to leave, the door opened and a teenage girl walked in.

“Aunt Lan, who is this?”

The young woman was the daughter of Dong Shulan’s current husband. Her name was Meng Sushan. She was just a year younger than Xia Xibei, and she was quite pretty.

Looking at the young man in the house, and a rather handsome one at that, she was instantly curious.

“Oh, he’s the son of a friend of mine who came here to work and stopped by to see me. He’s leaving now.”

“Leaving now?” Meng Sushan blinked her big eyes.

“Yes, I have something going on right now and I have to go,” the man smiled and nodded, striding out.

## Chapter 912: I’ll Be a Star Too

Meng Sushan was a little disappointed while watching the man leave.

However, she came up to Dong Shulan again, “Aunt Lan, where is that handsome man from? He looks so cute!”

She also noticed that the man was wearing a very expensive brand!

Dong Shulan looked at Meng Sushan and squeezed out a smile, “He is from X City, far away from us.”

X city and G city were far away. One was in the south and one was in the north, and a flight took several hours, so Meng Sushan was a little disappointed.

However, she quickly perked up again.

“What does he do? Is he working in G City?”

G City had been developing over the years, so there were many rich people here and many people came here to work.

Gradually, they would stay and settle down.

If this handsome guy stayed, she wouldn't mind being with him.

“I don't know,” Dong Shulan shook her head. How dare she ask that much?

“How come you don't know anything?” Meng Sushan gave her an unpleasant look. “Forget it, I won't talk to you.”

She straightened up, “Oh yeah, I'm going to SY Entertainment company tomorrow.”

“SY Company?” Dong Shulan looked confused. “What kind of company is that? What will you do there?”

She was only a junior in high school next semester, and she was going to work?

“SY is an entertainment brokerage company! I'm going to be a trainee! I'll be a star!”

“A star?” Dong Shulan's eyes widened. “You want to be a star?”

“Yes!” Meng Sushan nodded her head, very confident. “I'm so good-looking, it would be a waste if I don't become a star!”

Her face was beautiful and her figure was so good, it was a waste not to be a star!

“But-”

“You don't have to object, it's useless if you do.” Meng Sushan glanced at her. “I am definitely going to be a star!”

“I didn't say I was against it.” Dong Shulan hurriedly shook her head. “It's

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

good to be a star....”

Never mind anything else, they would be making more money!

“You think it's a good idea too?” Meng Sushan was immediately excited. “I told you! How good it is to be a star?!”

Being a star, making money, and having so many people like you was much better than other jobs!

The more she thought about it, the more excited she got, and Meng Sushan couldn't wait until the next day.

Looking at her stepdaughter so happy, Dong Shulan couldn't help but look forward to the day she succeeded.

Meng Sushan was indeed a beautiful girl. Though not as good-looking as Xia Xibei, she was not far behind.

When she became a star, she would surely make a lot of money!

Thinking about it, Dong Shulan also got excited.

If she couldn't get any perks off of Xia Xibei, couldn't she get perks off of Meng Sushan?

Although they were not very close, they were family after all, and she could benefit from Meng Sushan's success.

So, mother and daughter started to prepare for the interview the next day with great enthusiasm.

The next day, Meng Sushan actually passed the interview!

Meng Sushan thought she would become a star right after passing the audition. She didn't expect that she would have to go through at least one year of training as a trainee!

She was so confused! Wasn't she going to be a star right away? Why did it take so long?

In the face of her confusion, everyone laughed.

If it was so easy to become a star, why would they be here practicing so hard?

Meng Sushan was good-looking, but she was too naive!

Besides, didn't she check out the situation when she came over? Who could just debut these days?

Unless you were lucky enough to have the right benefactor or someone to help you, you should train hard!

Meng Sushan was dumbfounded knowing all this, but could only grit her teeth, and follow the training, hoping to become a star soon..

### **Chapter 913: Xia Qinghan in a Coma**

**Translator:** Dragon Boat Translation **Editor:** Dragon Boat Translation

Xia Xibei didn't know what kind of trouble Dong Shulan had started, they had no relationship once they got the severance letter.

As long as they did not come to provoke her, she would not have a problem with them.

As for Meng Sushan. The girl was not her concern. They didn't even have a relationship.

After the birthday party, Xia Xibei had to shoot a music video and also record a new song, which left her very busy.

The few songs that came out before still needed MVs.

A MV had several different formats.

One kind was made by the singer herself, who did all the singing, dancing, and acting.

The other kind was to get other actors to shoot the song as a story, in which the singer only made a "cameo."

Xia Xibei chose to get other people to do the shooting.

This was also a chance for others to work and get exposure.

Fans came to her to hear the songs and see the music videos, and then they'd get to know the newcomers through the music videos.

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

Many artists had appeared in other artists' music videos when they first started out. This was also a kind of experience.

Now that Xia Xibei was the boss lady of SY, she also had to help bring up her juniors, although she was not quite a proper senior.

So, she decided to find someone in the company to do the shoot.

The trainees were excited to know that they had a chance to be chosen for the music video and have a chance to appear.

If they performed well, they could even be seen by other directors and get a chance to shoot other projects!

As long as there was a chance to appear on camera, there was a possibility!

So, the company's trainees were all agitated.

Xia Xibei paid attention to the filming while keeping her mind on her own background.

Qiao Yanjue had someone go to Dong Shulan and ask about the previous situation, and now the investigation was continuing.

It was thought that in a few days, there would be news.

This made her feel a little apprehensive and nervous.

While she was nervously waiting for the information, a piece of news suddenly came.

Xia Qinghan had suddenly fainted during an event and had not woken up since!

This news immediately caused an uproar.

What happened?

Xia Xibei didn't care about Xia Qinghan's condition, but still followed everyone over to see Xia Qinghan.

After all, they were colleagues. Although their relationship was not good, at times like this, it was good to show a little concern.

When they arrived at the hospital ward, they saw Bai Meixue standing guard, her face haggard.

Chang Qianzi was also there, and her face was not happy either.

Xia Qinghan suddenly fell into a coma, which panicked all of them.

The doctor checked for a long time, but found no problem with Xia Qinghan- that was the biggest problem!

Xia Xibei saw that Xia Qingxun was also there, a very complicated expression on his face.

How could Xia Qingxun's feelings not be complicated?

He took Xia Qinghan and Bai Meixue's hair back for testing and found out that the two were really mother and daughter!

After getting the results, he thought about how to tell the truth, but unexpectedly, before he could say anything, Xia Qinghan fainted!

How could he say anything when she was in a coma?

How could he tell his mother not to be sad because Xia Qinghan was not her real daughter?

Xia Qingxun could not say such a thing!

After all, he had been Xia Qinghan's brother for many years and could not be so heartless.

Now that she was sick in bed, he didn't have the heart to say anything else.

He could only wait until she woke up.

So, when Xia Xibei came over, she saw them full of care and concern.

Xia Xibei greeted them, then walked to Xia Qinghan's bedside.

Bai Meixue didn't have time to taunt Xia Xibei, staring at Xia Qinghan with worried eyes.

Xia Xibei walked to the bed, and after seeing Xia Qinghan's face, her expression changed slightly.

She was under a parasite compulsion!

## Chapter 914: We'll Take Care of Her

**Translator:** Dragon Boat Translation **Editor:** Dragon Boat Translation

Xia Qinghan was sleeping peacefully on the bed. She seemed calm, as if she was really asleep, and not a trace of pain could be seen.

The doctor had examined her and said that there were no external or internal injuries, so it should be said that she was quite healthy.

However, this was only a superficial situation.

If she continued to sleep, her body's functions would gradually decline, and in the end, she would become a vegetable.

This puzzled everyone.

How could she suddenly fall asleep? There were no signs before!

Could it be that she was too busy working before and was exhausted?

However, the other members of the group were even busier than her! How come no one else had an accident?

Faced with everyone's questions, the doctor was very troubled.

They simply couldn't find the cause!

All kinds of tests had been done, but they just couldn't find a single problem!

This situation made everyone helpless. Could it be a curse?

Of course, this was only speculation.

Only Xia Xibei knew that Xia Qinghan was under a parasitic insect spell!

Her eyes were sharper than others, and after drinking the Spiritual Heart Wine, her strength has improved even more, so she could see very clearly.

Therefore, she could see that a black line occasionally flashed across Xia Qinghan's face.

Even if other people stared at Xia Qinghan, they would think they were blurry-eyed. After all, the black line passed quickly.

Xia Xibei, however, was certain that Xia Qinghan was under a parasitic insect spell.

But how did she get this parasitic insect spell?

Xia Xibei had wanted to embarrass Xia Qinghan, but now she was suddenly sick from a parasitic insect spell?

She didn't have the heart to help Xia Qinghan solve the compulsion- even if she was willing, other people wouldn't be willing, for fear that she would make her sicker.

(If you have problems with this website, please continue reading your novel on our new website myAllNovelFull.Com THANKS!)

Moreover, it was quite good to see Xia Qinghan lying like this, unable to be a troublemaker.

Looking at Bai Meixue, who was worried and put off her work, she couldn't help but raise her eyebrows.

Bai Meixue really cared about Xia Qinghan; she was worthy of being her mother.

"You guys should get some rest. Don't wear yourselves out, or Qinghan would definitely not be happy."

Xia Xibei said some polite words and quickly left.

Looking at Xia Xibei's departing back, Xia Qingxun was a bit confused, feeling as if she knew something.

He must admit that Xia Xibei and Xia Qinghan really had some similarities!

However, Xia Xibei looked much more delicate and beautiful than Xia Qinghan.

He thought about it, then looked at Bai Meixue.

"Auntie Xue, you go get some rest. It'll be fine with us here," he said to Bai Meixue.

"No, I'll stay here," Bai Meixue shook her head a little tiredly.

Xia Qingxun's face sank.

"You'd better go back and rest, you can't help much here. Besides, we're her family, we'll take care of her."

Bai Meixue frowned. She felt that there was something in these words.

"No need..."

"You'd better go back." Xia Qingxun stared at her. "If you stay here, it will make others misunderstand."

Misunderstand? Misunderstand what?

Bai Meixue wanted to ask him, but after meeting his eyes, her heart jumped and she didn't dare to say anything.

After a while, she stood up and smiled, "Alright then, I'll go back to rest."

"OK."

When Bai Meixue walked out, her heart was beating wildly.

Did Xia Qingxun know?

The look in his eyes was too strange, as if he already knew some secret!

However, whether Xia Qingxun knew or not, she had to get Xia Qinghan to wake up first!

The last person she chose to turn to was Zou Zheng.

She and Zou Zheng had an affair in the beginning.

It was because of this affair that she was caught by Liu Manhong and almost got embarrassed to death.

## **Chapter 915: Old Romance**

**Translator:** Dragon Boat Translation **Editor:** Dragon Boat Translation

Bai Meixue and Zou Zheng met about ten years ago.

At that time, she met Zou Zheng after an introduction by Yu Lanxiang.

Back then, Zou Zheng was a handsome man. Although not perfect, he was still quite good-looking.

After ten years had passed, Zou Zheng had now become a middle-aged man. Both his baldness and beer belly shocked Bai Meixue.

She did not expect that gorgeous, young man to turn into this!

If Zou Zheng had looked like this back then, she would not have been able to be with him.

After all, she was into looks.

However, that was all in the past, and now she wouldn't be with Zou Zheng.

She just wanted Zou Zheng to do her a favor.

After Xia Qinghan didn't wake up for two days, she finally couldn't wait any longer.

Unlike others, she had some other suspicions in her heart. After all, she had been exposed to different things before.

Now, her own daughter was lying in bed like this, with an unknown fate... How could she continue to wait?

If conventional medical methods could not be used, then she had to find other ways.

Among the people she knew, Zou Zheng was the most well-connected.

Back then, their affair was discovered by Liu Manhong.

Liu Manhong had the Qiao family behind her and she was tough, so Zou Zheng had no choice but to divorce her, even if he didn't want to.

After the divorce, Zou Zheng left G City and went to other cities, also cutting off contact with Bai Meixue.

However, Bai Meixue knew from the gossip she had heard over the years that Zou Zheng was still very powerful.

If he wasn't powerful, he wouldn't have been able to succeed again.

Zou Zheng seemed to have contact with some weird and supernatural things, so when Bai Meixue wanted to find someone to help, the first person she looked for was Zou Zheng.

It just so happened that Zou Zheng was now in G City.

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

So, she came to his door.

“You said your daughter is unconscious?” Zou Zheng looked at Bai Meixue and asked with a raised eyebrow.

“Right.” Bai Meixue had a grim face. “She suddenly passed out, but the hospital couldn’t find a single problem.”

“What do you think?”

“I just think there must be something weird here.” Bai Meixue’s face was scrunched up. “That’s why I want to ask you for help! For the sake of our love back in the day-”

“Back in the day?” Zou Zheng snorted and waved his hand. “Please, don’t mention back then to me.”

Bai Meixue’s heart sank. Could it be that he was not willing to help?

In fact, Zou Zheng was very fond of Liu Manhong back then.

It was just that men always liked what was new and couldn’t hold on to their pants.

Liu Manhong was a person who could not tolerate imperfection. So when she caught him cheating, she immediately broke up with him, not giving him a chance to explain.

When Zou Zheng tried to get back with her, he was almost beaten to death by Liu Manhong.

Bai Meixue knew that she was not innocent, but Zou Zheng was the one who had started the affair.

If he could control his own waistband, how could she force herself on him?

Still, it was not impossible that he would blame her for the affair.

What would she do if that was the case?

Fortunately, Zou Zheng didn’t mean it like this.

“What happened back then is in the past, so don’t mention it. After all, we are also friends. Since you said so, then I naturally have to help you.”

This greatly surprised Bai Meixue.

“Really?”

“Of course,” Zou Zheng smiled a little. “It just so happens that a friend is coming over. I’ll have her go over there with you to check it out.”

“Thank you! Thank you so much!”

Bai Meixue was so excited.

## **Chapter 916: Offended the Spell Master**

**Translator:** Dragon Boat Translation **Editor:** Dragon Boat Translation

That night, Bai Meixue met a woman.

It was a middle-aged woman, probably in her forties. She had an ordinary appearance and was wearing a bright, strange dress, like the outfit of an ethnic minority, but Bai Meixue couldn't recognize which ethnic group it was.

The woman was wearing gorgeous jewelry and had a small emerald green snake wrapped around her hand.

When she realized it was a snake, Bai Meixue almost jumped three feet high.

Fortunately, she had seen some things and knew that there were many supernatural people in this world, so naturally, she did not dare to react too much, or she would offend the master.

She secretly took a deep breath, pinched herself to calm herself down, and then looked at the woman.

“Hello, Master Bu Liya!”

Bu Liya swept her a glance and hummed indifferently, “Hmmm.”

Bai Meixue was usually an arrogant person, but in front of Bu Liya, she didn't dare to have an attitude at all.

Powerful masters all had their tempers. She was an ordinary person, so how dare she offend the masters?!

Besides, she still had to rely on Bu Liya to save her life now!

Bai Meixue respectfully told Xia Qinghan's story, finally asking, “I was wondering if Master has seen this before?”

Bu Liya lowered her eyes and thought for a while before she spoke a little hesitantly, “Well... I can't be sure. So I have to go and look before I can be certain of the situation.”

“Okay, okay!” Bai Meixue nodded respectfully. “Then let's get in the car!”

Soon, the two of them arrived at the hospital.

In order not to arouse other people's suspicion, Bai Meixue strongly requested to guard Xia Qinghan this evening, and she also made Chang Qianzi and Xia Qingxun leave.

They couldn't persuade her otherwise, so they went back.

Moreover, they had also kept watch for two nights and were really tired.

Although there was a resting place in the room, it didn't feel the same.

That was why Bai Meixue could move freely today.

When they entered the room, Bu Liya slowly walked to Xia Qinghan's bedside and stared at her from up high.

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

After looking for a while, she tilted her head suspiciously.

Then, she took out some strange props and fiddled over Xia Qinghan.

Bai Meixue stood aside and watched her movements with a bewildered expression.

Although she couldn't understand it, she didn't dare to say anything, or she could incur the displeasure of the master.

Anyway, how could an amateur like her understand these things?

Although she couldn't understand Bu Liya's movements, she could read Bu Liya's expression.

As Bu Liya frowned, Bai Meixue's heart jumped. Was there something wrong?

Bu Liya's frown grew tighter and tighter, then she pulled out a silver needle and stabbed Xia Qinghan's middle finger.

Before Bai Meixue had time to make a sound, Xia Qinghan's middle finger oozed out a drop of blood.

Xia Qinghan was still sleeping, with no sign of her waking up.

Bu Liya squeezed the drop of blood onto a dirty-looking cloth. After a while, she raised her head, her face very serious.

"Master, what's going on?"

Bai Meixue was quite anxious.

"The problem is a bit serious." Bu Liya frowned, "When did you guys offend a spell master?"

"Spell? What spell?"

"Spell master, a master of compulsion."

"Compulsion?!" Bai Meixue's face went white. "This- This- This can't be right?!"

Bai Meixue had heard of spell masters and had always stayed respectfully far away from those mysterious and powerful people.

How did Xia Qinghan offend a spell master? She didn't do anything!

“Master, please save her!”

Bai Meixue almost kneeled.

## **Chapter 917: I Can't Solve It**

**Translator:** Dragon Boat Translation **Editor:** Dragon Boat Translation

Bu Liya's face was stern. “I can't save her either. This is a sleeping compulsion. Once a person is infected, they will not wake up.”

This made Bai Meixue draw in a breath.

A sleeping compulsion?

It didn't sound scary, but Xia Qinghan's appearance was scary enough.

“Master, you must be able to do something! Please help!” Bai Meixue was anxious. “How much money do you want? I can pay you!”

It had to be said that Bai Meixue had little sense of morality or guilt about other things, but she was very concerned about Xia Qinghan, her only daughter.

As long as she could save Xia Qinghan, she was willing to do anything.

Bu Liya shook her head, “It's not that I won't help you, it's that I'm not good enough.”

At that moment, she wasn't telling the truth.

If she used her full strength, she would be able to remove the sleeping compulsion.

However, if she did that, she would be greatly injured.

Whatever money Bai Meixue gave her would be useless!

The most important thing was that if she solved the parasitic insect spell, she would definitely offend the spell master.

“Master...” Bai Meixue's eyes were teary. “Is there really no other way?”

“That's not true...”

“Is there a way?!” Bai Meixue became elated. “Tell me! As long as I can do it, I will!”

“Don't be so worried,” Bu Liya comforted her in a rare display of kindness. “Although I can't solve it, someone else can.”

“Who?”

“The spell master who cast the parasite spell.”

“Huh?” Bai Meixue thought she had heard wrong. “Spell master?”

“Yes,” Bu Liya nodded. “As long as we find the spell master who cast the parasite spell, we will be able to solve it.”

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

Bai Meixue’s eyes widened, “But I don’t know who he is! And would he do it?”

She didn’t know when Xia Qinghan had offended the spell master and when she had been bewitched, but if the spell master had done such a thing, it would not be so easy to undo it, right?

“That, I don’t know,” Bu Liya shook her head. “I’m just offering you a way. However, I know the spell master.”

Bai Meixue immediately drew a breath, “You know him?”

“Yes,” Bu Liya nodded, “I know her.”

It was because she knew her that she recognized the sleeping spell.

Bai Meixue suddenly had a little more hope in her heart.

“Then where is she?”

“She should be around here.”

“Nearby?” Bai Meixue was surprised.

“Hmmm,” Bu Liya nodded. “This parasitic insect is quite active, which means that the master is nearby.”

Usually, the spell master of the parasitic insect would be near the insect, and when the insect was done, then it would be recovered.

After all, parasitic insects were troublesome to cultivate, and it was good to recover one.

“Then how do we find her?” Bai Meixue said anxiously.

“I’ll contact her first.”

“Okay! Thank you, Master!” Bai Meixue was good at what she did and immediately took out a check and handed it over. “Anyway, you’ve worked hard, Master.”

Looking at the numbers on it, Bu Liya nodded in satisfaction.

“Don’t worry, I will help you contact her.”

Bai Meixue smiled, feeling nervous.

What she was more curious about was why the spell master would suddenly make a move on Xia Qinghan.

While she was apprehensive, Bu Liya contacted the spell master.

When she was allowed to go there, Bai Meixue was so nervous that she didn't sleep all night.

When she saw what the spell master looked like, she was stunned.

The spell master was a woman?

"What is your relationship with Xia Qinghan?" The spell master, whose age was hard to discern, asked in a low voice. Her eyes were deep, as if a light in the dark night, and a bit frightening.

"She is my daughter!"

"Your daughter?" The master's expression instantly sank. "You're lying to me!"

When she was angry, she looked cross-eyed, and the skin at the corners of her mouth drooped down, making her appear very frightening.

Bai Meixue was so frightened that she almost fell to her knees and shook her head hurriedly, "I'm not lying! She really is my daughter!"

"She can't be your daughter." The master's eyes were deep and appalling, as if a storm was coming. "Do you know what happens to people who lie to me?"

"I really didn't lie to you!" Bai Meixue really wanted to kneel down, shaking her head repeatedly. "She really is my daughter! Eighteen years ago, after I gave birth to her, I exchanged her with Chang Qianzi's real daughter!"

Since she was here, she naturally wouldn't continue to keep the secret, hurriedly explaining, "She's really my daughter!"

When she looked up, she couldn't help but freeze, because the master's expression was a bit strange.

"So... She's really your daughter? Do you guarantee it?"

"I guarantee it!" Bai Meixue raised her hand and swore. "I swear, she really is my daughter! If this is a lie, God will strike me down!"

"What about the other kid?"

The words made Bai Meixue's expression freeze.

"Um..."

"Say it."

These words made Bai Meixue shiver and she immediately explained. "After I brought that kid out, I gave her to someone else to sell!"

She originally wanted to kill the child, but she was young at that time, and she wasn't so cruel-hearted.

Moreover, she thought back then that as long as the child was given away, there would be no more interactions in the future.

After all, the country of Hua was so big, they would certainly not meet.

She didn't expect that the country of Hua was sometimes really small!

"Who did you sell the kid to?"

Bai Meixue muttered in her heart, 'What's with this master? Why is she asking about the other kid?'

Then, her mind flashed and her expression suddenly changed.

"Are you trying to get to that kid?!"

The master didn't answer, but her expression already said it all.

Bai Meixue drew in a breath, instantly frightened.

So that was it!

She was wondering why Xia Qinghan would suffer this kind of disaster.

So that was what happened! This was too pitiful!

Xia Qinghan had always been so well-behaved, never stirring up trouble. How could she encounter such a terrible thing? So she had taken the blame for someone else!

"Where is the kid?"

The Master didn't care what Bai Meixue guessed, she just stared straight at her.

"She..."

"Say it."

"Her name is Xia Xibei!" Bai Meixue blurted out. "She is in this city!"

"Xia Xibei?"

"Yes!" Bai Meixue nodded. "That's her!"

Back then, Bai Meixue stole Xia Xibei from the hospital and gave her to a woman, who finally sold her to Dong Shulan.

Her claim at that time was that the kid was born out of wedlock and she could not afford to raise her, so she wanted to give the kid to another family.

The middle-aged woman did not doubt her story. Of course, even if she suspected her, it was no big deal. The woman just wanted money.

Bai Meixue was watching when the transaction took place afterward, so she knew what Dong Shulan looked like.

Ten years later, she met Dong Shulan in G City and immediately remembered her.

After that, she paid a little more attention to Xia Xibei.

She had mixed feelings when she learned that her parents had formed their own families and Xia Xibei had to live with her grandmother and had a miserable life.

However, she didn't do anything to Xia Xibei in the end. Even if she did nothing, Xia Xibei would only disappear into oblivion if things continued like this.

Yet, just a few years later, Xia Xibei seemed to be a new person and had entered the entertainment industry!

Thinking about this, Bai Meixue's mood was also very complicated.

If she had known that Xia Xibei would have become like this, she would have done something long ago, so that she would not be able to succeed!

However, who would have thought that the young, timid girl at the bottom of the social ladder would turn out to be so beautiful?

Her face was even more beautiful than Xia Qinghan's!

Now Xia Qinghan was dominated by her!

If Bai Meixue had known that there would be such a day, she would have killed Xia Xibei back then. At least she wouldn't get in the way now!

Moreover, looking at this master's attitude, Xia Qinghan was taking the blame for Xia Xibei!

Thinking of this, Bai Meixue's resentment towards Xia Xibei grew even more.

However, after looking up and meeting the master's eyes, she hurriedly bowed her head, not daring to say anything else.

As a result, she didn't notice that the master's expression had become twisted!

After looking conflicted for a while, the master spoke, "So where is Xia Xibei now? What does she look like?"

"I have a picture here!"

Bai Meixue immediately pulled out her phone and searched for Xia Xibei's photos.

She knew that with the master's status, she would not be concerned about the entertainment industry, much less know what Xia Xibei looked like.

Even if Xia Xibei's popularity was now soaring, in the eyes of the master, she was just a small pawn.

Bai Meixue gritted her teeth in contempt and quickly searched Xia Xibei's photo.

"That's her."

Looking at the coquettish and beautiful girl in the photo, the master stared with wide eyes and whispered, "This is her?"

Bai Meixue froze for a moment, "You know her, Master?"

The master turned a deaf ear, but her brow furrowed and her expression changed constantly.

There was remorse, bewilderment, and a little bit of incomprehension...

A variety of emotions flashed back and forth on the master's face, making Bai Meixue sigh in amazement.

Even she, an actress, did not have such a wonderful range of expressions.

However, she didn't dare to say anything, just waiting in silence.

"I see." Soon, the master calmed down and her expression became serene. "I will help your daughter unlock the compulsion."

"Really?" Bai Meixue was surprised. "Thank you, Master! Thank you!"

Although this was a compulsion placed by the master, Bai Meixue did not have any complaint. She could only say thank you.

"However, you have to help me with one thing."

"Anything you say! As long as I can help, I will definitely help!"

"Yes? Then kill her."

Bai Meixue's words came to a screeching halt, and the smile on her face froze, looking ridiculous.

Kil- Kill?!

How dare she do such a thing!

Even if she hated Xia Xibei to death, she couldn't do it.

If the police found out, she would be finished!

"Master, it's not that I won't help you, it's just that... I can't do it!" Bai Meixue cried. "You have no idea... This little bitch..."

When she said this, she also carefully paid attention to the master's expression, to make sure she did not object to her words, then continued, "This little bitch can be bad! Moreover, she has a backer! If I dare to act rashly, when her backers find out, I'll be finished too! I'm afraid I'll be found out before I do anything!"

Even if Bai Meixue wanted to deal with Xia Xibei, she didn't want to do the killing herself. At most, she would borrow a knife to kill, but she didn't want to be that knife.

"A backer?"

The master's icy eyes looked over.

"Yes!" Bai Meixue shook a little. "It's Qiao Yanjue of the Qiao family!"

"Qiao Yanjue?"

The master frowned.. The name was familiar.

"Yes, it's the Qiao family in the imperial capital." Bai Meixue swallowed uneasily. "I'm just an ordinary star, and I have no chance of winning against the Qiao family!"

"Qiao family in the imperial capital..." The master frowned and pondered for a while. "What does Qiao Yanjue look like?"

Bai Meixue thought about it, took out her phone, and flipped through it. Finally, she came to a photo of Qiao Yanjue that she had secretly taken earlier.

"That's him."

After seeing this handsome face, understanding finally dawned on the master, and she confirmed her previous suspicions.

"It's really him," she frowned. "Surprisingly, it's him."

These words surprised Bai Meixue.

Did the master know Qiao Yanjue?

If Li Weiyun were here, she would know that this Master was the Master Lu she knew.

Master Lu was now torn.

She didn't expect that she had gotten the wrong person!

It was so hard to get the right person, and then Qiao Yanjue appeared!

If it was before, she wouldn't have cared about Qiao Yanjue.

However, after Qiao Yanjue unlocked her compulsion, she paid more attention to Qiao Yanjue.

After years of hard work, she was very confident in her compulsion.

Even the people of those ancient martial arts families who were hit by the compulsion would have to suffer a big loss.

She didn't expect Qiao Yanjue to easily unravel her love spell.

So, Qiao Yanjue must have known a stronger compulsion master than her.

If she put a compulsion on Xia Xibei, Qiao Yanjue would definitely bring that compulsion master over when the time came.

In other words, as long as Xia Xibei and Qiao Yanjue were still together, it would not be that easy to get rid of her.

Master Lu pondered over this for a long time, and only looked over when Bai Meixue was about to break her silence.

(If you have problems with this website, please continue reading your novel on our new website [myAllNovelFull.Com](http://myAllNovelFull.Com) THANKS!)

"Tell me about the situation."

"What situation?"

"Xia Xibei, the Xia family, your daughter... Give me a clear picture."

She needed to understand the situation clearly before she knew where to start.

Bai Meixue, although puzzled, obediently told her all that she knew.

Only an hour later did Bai Meixue emerge from the room, weak and covered in cold sweat.

Her expression was torn, but thinking about what Master Lu had said, it was all she could do.

Still, they were in a bad way, and Xia Xibei was no better off!

Besides, they were putting their lives on the line here!

After thinking clearly, her body regained its strength.

On the other end, Qiao Yanjue also received the message.

Looking at the information on it, he was first shocked, then dazed.

Later that night, he said to Xia Xibei, "There's news."

"There's news?" Xia Xibei was stunned, her heart beating wildly. "You found out?"

"Yes."

"What is it?" Looking at Qiao Yanjue's strange expression, Xia Xibei couldn't help but be worried. "Was I really abandoned?"

"No," Qiao Yanjue shook his head, "I just think that things are wonderful in the world."

"What are you talking about?" Xia Xibei stared at him, not comprehending. "Hurry up and tell me!"

The longer it took, the more she suffered, so it was better to solve the puzzle at once.

"See for yourself."

Qiao Yanjue handed over the pieces of paper.

Xia Xibei took them suspiciously, not looking at the front, but flipping directly to the back.

When she saw the beautiful young face on it, she blinked in confusion, thinking she had misread it.

When she looked at the content on it clearly, her face instantly changed.

"It's really her?!"

It was a young Bai Meixue!

It was Bai Meixue who sold her?

Thinking of other events, Xia Xibei instantly understood!
