

The One and The Only Chapter 91 - 100

Soon, not only Miss Qingqing came.

Even Zhao Wanhao, the boss of the Dorsett Hotel, also appeared.

Zhao Manhao brought a group of men and accompanied Miss Qingqing in.

Ms. Qingqing arrived at the scene with the first sentence: "Who is Mr. Yash?"

Everyone's eyes fell on Yash Nics. Yash Nics calmly said: "I am Yash Nics!"

Qingqing, who is known for her elegance and nobility, Miss, as if a fan saw an idol, she was

extremely excited.

She walked over quickly, bent over respectfully, stretched out her hand, and said excitedly:

"Mr. Yash, it's a great honor to meet you."

Yash Nics Juzhi Ruotai shook hands with Qingqing, and said faintly: "Qingqing Miss, you're

overwhelmed."

Yash Nics introduced: "This is my wife, her name is Song Pingting. She is a fan of yours. She

really wants to hear your live performance."

Ms. Qingqing smiled and shook hands with Song Pingting. Said: "It's simple, I am here to

play for Mr. Yash and your couple."

Zhao Manhao also complimented Yash Nics: "Mr. Yash, my name is Zhao Manhao. I am the

boss of this hotel, what do you have? Despite the order."

It turned out that Zhao Manhao and Qingqing both knew the true identity of Yash Nics.

The City Lord also called Zhao Manhao in person just now, he must take care of Yash Nics,

not make any difference, and he must keep Yash Nics's identity absolutely confidential.

Yash Nics said lightly: "Arrange the piano and let Ms. Qingqing play it."

Zhao Manhao said flatly, "Yes, yes, I will do it."

Soon, the piano and the scene were arranged.

Ms. Qingqing sat in front of the white piano and played for Song Pingting herself.

She played "Moonlight Song", "The Wedding in a Dream", "To Alice" and other songs before

Song Pingting's favorite piano, which made Song Pingting flattered and full of happiness

and excitement.

After several songs were played, there was a warm applause.

However, a few people looked ugly throughout the whole process, and that was Luo Yuefeng

and Zhang Jun.

Even Zhang Jun was ready to sneak away at this moment. However, he just wanted to slip away, but Yash Nics shouted: "Zhang Jun, you have lost. Haven't fulfilled the promise, you want to leave?" Everyone at the scene cast their eyes on Zhang Jun, everyone As I remembered, Zhang Jun lost. According to the gambling agreement, Zhang Jun wanted to drink the dark drink on the table and get out of here. Zhang Jun bit his scalp and said: "Yash Nics, I was joking with you, shouldn't you take it seriously?" Yash Nics said coldly, "I take it seriously!" Zhang Jun said sternly, "I am. If you don't drink it, what the hell can you do with me?" The people at the scene didn't expect Zhang Jun to be willing to gamble, and they all shook their heads and despised Zhang Jun as a person.

Yash Nics indifferently told Zhao Manhao next to him: "He doesn't want to drink it himself, you help him!" Zhao Manhao respectfully said: "Yes, Mr. Yash." After he finished speaking, he instructed his men around him: "Do it!" Several bodyguards, like wolves and tigers, swarmed up, slapped Zhang Jun's loud slaps, and pressed Zhang Jun to the ground. Then, in front of everyone, he abruptly poured the glass of dark drink into Zhang Jun. In the end, a few bodyguards dragged Zhang Jun out like a dead dog and threw Zhang Jun out on the street. Zhang Jun's fate can be said to be self-blaming. However, the gazes everyone looked at Yash Nics were completely different from before. Even Luo Yuefeng was shocked to guess, what exactly is Yash Nics's background? The One and The Only Chapter 92 pianist Qingqing's performance has been heard, and Zhang Jun, the clown jumping beam, has also learned a lesson. Yash Nics and Song Pingting did not stay long, and took the lead to leave. Zhang Manhao and Ms. Qingqing accompanied Yash Nics and his wife, and watched Yash Nics and his wife drove away. Afterwards, Qingqing also prepared to leave. But at this time, Luo Yuefeng seized the opportunity and came over and asked: "Miss

Qingqing wait a minute.”

Miss Qingqing was puzzled: “This gentleman is?”

The ghost next to Luo Yuefeng immediately said: “This is our Luo family’s. Third Young

Master !” Luo Yuefeng asked, “Ms. Qingqing, I don’t know who Yash Nics is. Why did you

leave Shizun and other leaders and come over to play for him?”

Ms. Qingqing said calmly, “Oh, The performances on the city hall are almost the same.

According to my principle, I generally will not pick up two performances a day.”

“But I have admired soldiers since I was a child . I learned that Yash Nics is a veteran, so I

decided to come over.”

Luo Yuefeng, Guishou, Tong Lulu, He Wei and others opened their eyes wide when they

heard Miss Qingqing’s words.

Qingqing saw that everyone believed it was true, a smile flashed in her eyes, and she stopped talking, turned and left with the bodyguard.

Luo Yuefeng noticed Zhao Manhao who was about to return to the hotel, and he hurriedly

called out: “Boss Zhao, I want to ask about your friendship with Yash Nics...”

Zhao Manhao expressionlessly: “Ms. Qingqing came to my hotel to perform. Xun Shenghui.

Since Ms. Qingqing respects Yash Nics so much, I naturally respect him as a guest.”

“Whoever dares to be rude to Yash Nics, I will naturally clean up someone. Are you satisfied

with my explanation?”

Zhao Wanhao finished. Turn around and leave.

At this time, Luo Yuefeng and others finally realized that Yash Nics was nothing but a fake

tiger!

Tong Lulu also shouted: “I thought Yash Nics was so capable. It turned out that Miss Qingqing had finished performing at the city hall. It was because of Yash Nics who had

had

served as a soldier.”

“And Boss Zhao, too. It was because of Miss Qingqing’s face that he helped Yash Nics teach

Zhang Jun.”

He Wei also said, “Emotional Yash Nics is a waste, and the blind cat encounters the dead

mouse. With luck, he even pretended to be a big match. Damn it! ”

Many people at the scene knew Yash Nics’s “details”, and they scolded uncomfortably.

Only Luo Yuefeng, with a confident smile on the corner of his mouth, calmly took the ghost

hand and waited for a few of his men to leave.

After he and the ghost got his Mercedes-Benz big G, he smiled triumphantly: "I thought Yash

Nics was so amazing. I didn't expect it to be a paper tiger. Then, our plan can continue to go

in. ! a "

ghost hand respectfully said:" Feng less, I've let a few bull, posed as a gang of street punks,

shadowing the Ning Song Painting with the car, and now it is necessary to allow them to act

"?

Luo Yuefeng Said with a sneer: "Yes, let them do it now, this time I will play a hero to save

the United States."

...

after leaving the hotel.

Yash Nics and Song Pingting were driving home slowly and quickly.

Song Pingting was still immersed in the happy aftermath of Yash Nics's invitation to Ms.

Qingqing to play the piano for her.

She asked with interest how Yash Nics did it?

While driving, Yash Nics glanced at the rearview mirror from the corner of his eye and found

a dilapidated van behind him, which had been following them for a long time.

Yash Nics calmly said: "When I was a soldier, I happened to rescue this Miss Qingqing once

on a mission. She was very grateful to me, so when I called, she came over."

Song Pingting's face was stunned: " It turned out to be this!"

The One and The Only Chapter 93

At this moment, the van that Yash Nics secretly noticed had suddenly accelerated and

surpassed Yash Nics's BMW.

When the van accelerated past the BMW car, it suddenly merged and stayed in front of the

BMW car.

Yash Nics had already prepared, and suddenly stepped on the brakes. The BMW car stopped abruptly with the harsh brakes, and then a car accident was avoided.

Song Pingting looked suspiciously at

the van that had stopped in front of him, and said, "What's the matter with their car?" Yash

Nics hadn't spoken yet, and the van in front had already crashed down five people.

They were all burly men, all of them bleed, and at first glance they were rogues.

The headed guy is 1.9 meters tall, with big eyes and full face.

He brought a few companions to Yash Nics aggressively in front of their BMW car. He raised

his hand and slapped the hood of the BMW car. He pointed at Yash Nics and said cursingly:

“How do you drive? Get out of here, otherwise don’t Blame my buffalo for being rude to you.

“Did you come here to find fault?

A playful smile appeared at the corner of Yash Nics’s mouth, unfastened his seat belt,

opened the door and got out of the car.

Seeing that the Buffalo guys were aggressive, Song Pingting hurriedly followed down, fearing Yash Nics would suffer.

The Buffalo’s eyes brightened when they saw Song Pingting, who was as beautiful as a fairy

wearing a strapless evening dress.

Even the water buffalo whistled and cried wretchedly: “Oh, this girl is so punctual!”

Song Pingting showed a disgusting expression!

Yash Nics squinted his eyes and slowly said, “Who asked you to find the fault?”

When the

Buffalo heard Yash Nics’s words, a little panic flashed in his eyes, but soon disappeared. He

grinned and said, “Boy, I don’t Know what you’re talking about? How did you drive just now

and you wanted to kill a few buddies? How do you calculate this bill?” Song Pingting said anxiously: “It was obvious that you didn’t turn on the turn signal just now

and suddenly stopped the car. My husband slammed to avoid a car accident. This is obviously your fault!" Buffalo grinned and sneered, "Fart, it's your husband fighting. I'm driving a luxury car and want to hit our van. You don't give me Buffalo a satisfactory explanation about this, then don't blame me Buffalo for being rude." While talking, Buffalo and several of his companions have already pulled out sharp Knife. Song Pingting's face paled with fright, and quickly said: "If you have something to say, we will give you as much as you want." Buffalo squinted his eyes on Song Pingting's slender figure, and then He said with a smirk: "We who love beauties don't love money!"

Buffalo said here, in front of Yash Nics, gestured with the sharp knife in his hand, and threatened viciously: "Brother Niu, I don't want to see you. , Now you're going to get out of here, and our brothers will discuss the compensation separately with your wife." "If you don't leave, then I will pierce a few holes in you." The buffaloes were sent by Luo Yuefeng. The Buffalo is now going to scare Yash Nics so that he will leave Song Pingting and run away alone, waiting for them to prepare to insult Song Pingting. In order to cooperate with Luo Yuefeng, who was finally waiting, let Luo Yuefeng stage a heroic rescue of the United States. In this way, Luo Yuefeng can not only leave a noble image in Song Pingting's heart, but also allow Song Pingting to recognize Yash Nics's "ugly" true face. Then Luo Yuefeng wanted to capture Song Pingting's heart, it would be easy! The Buffalo guys were staring at Yash Nics ferociously. It seems that if Yash Nics doesn't get out now, they will have white knives in and red knives out. However, what Buffalo did not expect was that Yash Nics was not as scared as he had imagined, leaving behind his wife and fleeing. Instead, the sneer on the corner of Yash Nics's mouth became stronger. Yash Nics sneered: "Your nonsense, are you finished?"

The One and The Only Chapter 94

Buffalo thought to scare Yash Nics away. But what they didn't expect was that Yash Nics, instead of running away from fear, didn't pay attention to a few of them at all.

This made the buffalo completely angry.
Anger starts from the heart, and evil grows toward the gall.
Buffalo thought that this guy in front of him was an enemy of Feng Shao, since it was useless to scare him, he would just kill the stunned boy.
Thinking about this, the eyes of Buffalo really showed a cruel look, and he grinned:
“Brother
Niu gave you a chance. You are not sure about it. Then don’t blame Brother Niu!”
He said, the knife in his hand suddenly It was pierced towards Yash Nics’s lower abdomen.
Song Pingting next to her was so scared that she screamed!
Yash Nics stretched out his hand and clasped the buffalo’s wrist like lightning.
The Buffalo felt the back of his hand clamped in a vise, and despite all his strength, he could
no longer advance the knife any more.
He raised his head and looked at Yash Nics with suspicion.
Yash Nics said faintly: “I will ask you the last time, who sent you to find the fault.”
“Ask your father!”
Buffalo roared and kicked Yash Nics up.
Yash Nics snorted coldly, lifted his foot, and then came first, kicking the buffalo’s right foot
off with a click.
At the same time, Yash Nics twisted his hand and snapped, breaking the right wrist of the
buffalo.
“Ah—” The
water buffalo fell to the ground, screaming and rolling over.

Several companions of Buffalo were dumbfounded when they saw this scene, wondering
why this kid is so cruel?
Yash Nics’s gaze fell on these guys, and said lightly: “Who is willing to tell you the truth, who
sent you to find the fault?” The
four guys were startled when they heard the words, looked at each other, and then said in
unison: “Together. Come on, do him!”
After speaking, the four of them grabbed knives and rushed towards Yash Nics.
Bang bang bang bang!
As soon as the four of them approached, they were continuously kicked in the chest by Yash
Nics, all of them flew out, vomiting blood and fell to the ground.
Yash Nics picked up a knife on the ground and came to the buffalo.
Buffalo’s right hand and right foot were broken and he was sweaty, but his mouth was very

hard, and he gritted his teeth hoarsely and said, "Even if you break my other leg, I won't say it."

Yash Nics picked Raised his eyebrows: "What if I scrap your third leg?"

Yash Nics said, suddenly letting go, and the knife in his hand fell straight and plunged into the crotch of the buffalo.

The sharp point of the knife pierced the buffalo's pants instantly. Although it did not hit the

buffalo's third leg, the buffalo could feel the cold chill from the crotch knife.

He was frightened and

urinated. The hard breath just disappeared instantly, and he said in a trembling voice: "I said,

I said everything, it was Feng Shao who told us to do this!" Luo Yuefeng!

The answer was in Yash Nics's expectation.

Song Pingting was surprised: "Why did he do this?"

Buffalo said with a sad face: "He wants us to teach Mr. Yash. If Mr. Yash is so scared and

throws Ms. Song to escape alone, then Xiao Feng will appear in due course. , Staged a good

show of heroes saving the United States, defrauding Miss Song's favor."

Song Pingting scolded: "Despicable villain!"

Buffalo begged for mercy: "We know what was wrong, please forgive me!"

At this moment, A Maserati and two black Volkswagen cars screamed.

The three cars quickly stopped, and Luo Yuefeng hurried over with some of the ghosts.

Before the people of Luo Yuefeng approached, he shouted in a righteous manner: "You

beasts, dare to bully women in the street. Don't be afraid, Ping Ting, I'll save you."

The One and The Only Chapter 95

Luo Yuefeng roared and came down with a few hands.

However, when they saw the real situation in front of them clearly, they were instantly shocked.

It was not Yash Nics who fell on the ground, but some water buffaloes.

Song Pingting was not insulted or insulted, and she stood beside Yash Nics with a pretty

face, looking at him indifferently.

What's going on here?

Why didn't it follow the script?

Luo Yuefeng was uncertain in his heart, with a far-fetched smile on his face, and said embarrassingly: "Pingting, you are fine, that's good, that's good."

Song Pingting said coldly, "Luo Yuefeng, you seem to have the skills of an unknown prophet.

Before I got closer to see what was going on, I knew that there were a few gangsters who were insulting me."

Luo Yuefeng became furious: "Song Pingting, what do you mean by this? I just saw your car parked on the side of the road, and I felt that something happened to you. I came to rescue you. I didn't expect you to speculate for no reason!"

Song Pingting pointed to a few buffaloes on the ground and said indifferently: "They all admitted that you instigated them, and you still quibble."

Luo Yuefeng heard. He was shocked again. He stared at the buffalo angrily: "You dare to betray me?" The

buffalo dying and said, "If we don't tell the truth, there is nothing we can do. If we don't explain the truth, Mr. Yash will ask us. Little fate."

Luo Yuefeng was about to freak, Yash Nics had already spoken faintly: "Your dog biting the dog, put it aside first, Luo Yuefeng, let's settle the account first!" Luo Yuefeng looked away from the buffaloes and fell on Yash Nics body.

He didn't have to pretend anymore, showing a hideous appearance, and said in a sinister voice: "Boy, it seems that I really underestimate you. But the woman Luo Yuefeng loves has never been unavailable. This time I count you as lucky, Let's wait and see from now on..."

Yash Nics calmly said: "This is the third time you have offended me! There are only three things, you have no future!"

Luo Yuefeng was taken aback when he heard Yash Nics's words, and then waited a few times with the ghosts beside him. The subordinates glanced at each other, and then all laughed wildly.

Luo Yuefeng laughed a few times, then the laughter stopped, and stared at Yash Nics and said loudly: "The toad yawns, it's a big tone. I want to see how good you are. Can you kill me?"

Yash Nics told Song Pingting: "Wife, wait for me in the car, don't watch, be good!"

Song Pingting hesitated, then said that you should be careful, and then follow Yash Nics's

instructions and return to the BMW. Wait for Yash Nics.

Seeing Song Pingting walk away, Luo Yuefeng didn't have any scruples, so he directly ordered some of Guishou's men: "Do it, kill him, I will take care of the big things!"

Whoosh!

The speed of the ghost hand is extremely fast, and even the afterimage is about to appear.

He rushed towards Yash Nics like a ghost, and his right hand was like an eagle's claw, grabbing Yash Nics's head fiercely, as if he was about to explode Yash Nics's head. boom!

Yash Nics threw a punch and hit the ghost hand's chest first.

The ghost hand's chest instantly seemed to be hit by a sledgehammer, all the bones in his

chest were broken, sinking deeply.

Blood spurted wildly from his mouth, and his body was like a broken kite, flying upside down

and falling at Luo Yuefeng's feet, even as dead.

Guishou was Luo Yuefeng's first bodyguard, his skills were so extraordinary, he didn't expect

to be killed by Yash Nics with a single move.

Luo Yuefeng and others all opened their eyes in horror!

Yash Nics casually shot the ghost hand to death, walked into Luo Yuefeng a few steps, and

said coldly: "If you have another life, remember not to mess with me."

Luo Yuefeng was terrified, and sternly shouted: "I am the third youngest of the Luo family, do

you dare Move me..."

Before he finished speaking, Yash Nics slashed him on the neck with a knife.

With a click, Luo Yuefeng's voice stopped abruptly, and the body slowly fell to the ground.

Yash Nics looked at Luo Yuefeng's fearsome subordinates, and said indifferently:

"Take his

body back to Luo's family. No one from Luo's family will be allowed to set foot in Mannity.

Those who come will kill you without mercy."

Yash Nics turned and left. , Got into the BMW car and drove away with Song Pingting.

The One and The Only Chapter 96

then!

Luoja, the provincial capital of Tianhai.

Patriarch Luo Linyuan was now looking at the body of his third son Luo Yuefeng with complicated eyes!

Luo Yuefeng is the son of his mistress and his third son. He can only be regarded as a bastard in the Luo family, and has never been taken seriously by him.

Luo Yuefeng is also to prove himself, so he went to Mannity City, wanting to prove himself

with some achievements.

But unexpectedly, Luo Yuefeng was killed a few days after he arrived in Mannity City. Although he was the son he didn't pay much attention to and didn't want to see him, Luo

Linyuan was still full of anger when he was killed by someone like this.

His gaze fell on Song Zhongxiong who had brought his youngest son's body back, and said

indifferently: "Tell me, what's the matter?"

Song Zhongxiong lowered his head and said, "Feng Shao likes a woman named Song Pingting. There was a conflict with Song Pingting's husband, Yash Nics, and Yash Nics beat

Feng Shao to death."

Luo Linyuan was noncommittal and pointed to one of Luo Yuefeng's bodyguards:

"You're

here to answer!" The

bodyguard replied with a trembling voice: "Report to the lord, that Song Ping Ting is the

young lady of the Song family, and Feng Shao really likes her."

"But the Song family also deliberately instigated Feng Shao to pursue Song Ping Ting. Without the Song

family's instigation, Feng Shao might not end up like this." Song Zhongxiong heard.

This

bodyguard was shocked and angry: "You—"

Luo Linyuan said indifferently: "You are so courageous, you dare to use my son!"

"Come here, kill him first and let my son be buried!"

Luo Linyuan said. As soon as he landed, among the gang of men in the hall, several people

immediately pounced on Song Zhongxiong with murderous aura, trying to kill Song Zhongxiong on the spot.

Song Zhongxiong was so frightened that he screamed: "Mr. Luo wait a minute!"

Luo Linyuan raised his hand and signaled his

subordinates to stop. He said coldly: "I'm going to hear what else you have to say?"

Song

Zhongxiong was sweating, and said anxiously, "Mr. Luo, the reason why Feng Shao clashed with Yash Nics, it's really not because of our Song family's instigation." "The reason why he has to get Song Pingting is because he is interested in Song Pingting's career, and wants to use Song Pingting as his footboard to make a career to show you."

Luo Linyuan squinted his eyes and said slowly: "Even so, it can't change the fact that your Song family is not good and use my son. Your explanation will not save your life." Song Zhongxiong heard the words and became even more anxious. , Hurriedly said: "Mr. Luo forgive me, our Song family did something wrong this time. Mr. Luo, you killed me and it won't help. Our Song family originally intended to atone for the crime." Luo Linyuan finally got some interest: "How do you redeem your merits?" Song Zhongxiong hurriedly said: "Our Song family originally intended to avenge Mr. Luo, and we seized Song Pingting's company project and dedicated it to Mr. Luo!" Luo Linyuan knew that his son was because of coveting Song Pingting. The company project ended up dead.

He was a little curious about Song Pingting's company project at this time, and asked, "Song Pingting's company project is very profitable?" Song Zhongxiong nodded repeatedly, "Yes, it is the key project of Mannity City, Haitang Shopping Plaza. " Complete the project in a prudent manner and earn at least one billion." "If you do something about the quality of the project and the materials are shoddy, you can make more."

Luo Linyuan heard this, his eyes brightened. ! The engineering project that can make a billion yuan is indeed a big project, and he is moved. His tone also eased, and he asked faintly: "Tell me about your plan!" Seeing Luo Linyuan's tone relaxed a lot, Song Zhongxiong knew that Luo Linyuan was interested, and his chance to survive had come. He wiped the cold sweat from his forehead with his backhand, and said with a smile: "Our Song family is still a bit capable in Mannity. Yash Nics is just a reckless man who fights harder. When I go back, I will find someone to kill him and give Feng Feng. Take revenge less." "As soon as Yash Nics dies, our Song family will be able to seize the project from Song Pingting."

“At that time, our Song family will dedicate all the project proceeds to Mr. Luo as an apology.”

Luo Linyuan’s eyes suddenly became sharp, his eyes looked like a knife, and he stared at

Song Zhongxiong: “Okay, I’ll give you one month.”

“If you can’t kill Yash Nics and take the project away within a month, then don’t blame me. I

won’t give you a chance.”

Song Zhongxiong said repeatedly, “Yes, yes, Mr. Luo, don’t worry, I will get things done!”

Luo Linyuan squinted his eyes, “I’ll wait and see, you will do it.”

The One and The Only Chapter 97

Song Zhongxiong returned from Tianhai Provincial City in a panic, he returned home and

told everyone in the Song family about the matter.

Song Qingsong was anxious and angry after hearing this: “What, the Luo family actually

blamed Feng Shao’s death on us?”

Song Zhongxiong smiled bitterly, “Yes, if it weren’t for the promise of helping Feng Shao get

revenge, take Song Pingting’s The project was won and dedicated to him. I guess it’s gone.”

Song Qingsong and others know that the Luo family is not easy to provoke. Now that things

have reached this point, they can only help the Luo family take revenge. Taking Song Pingting’s project over as a gift to the Luo family.

Otherwise, the Luo Family could really use Thunder to destroy the Song Family directly.

Song Qingsong sighed and said, “I’m tired, and I’m going to rest. This matter is left to the

boss and the third and you two to deal with it. This matter is related to the survival of our

Song family. You two must handle it well, and you can’t do anything. It’s too

late.” Song Zhongxiong and Song Zhongping said in unison: “Dad, don’t worry.”

Song Qingsong left with a group of family members. Only Song Zhongxiong and Song Zhongping were left in the living room.

Song Zhongping looked sad, and asked Song Zhongxiong: “Brother, Yash Nics has been a

soldier, and he fought very hard. We have found a few groups of people to clean him up, but

we have not succeeded. What should we do now?”

Song Zhongxiong said in a deep voice. Said: “The people I looked for before are more unreliable than the other. This time I have found someone who is absolutely reliable to help

us kill Yash Nics.”

Song Zhongping asked curiously: "Who?"

Song Zhongxiong asked slowly. Said: "Jiuye!"

With a shocked expression on Song Zhongping's face, he lost his voice: "Jiuye? That is Yash

Jiu, Jiuye, who is known as the underground emperor of Mannity, the Ninth Five-Year Lord?"

Song Zhongxiong said triumphantly: "No. Who else is he? Every city in Mannity has an

underground overlord. But everyone knows that in the underground circle of Mannity, the

real emperor is Jiuye."

"Jiu Ye wants to destroy the overlord of any city area. It is a

matter of little effort. Only by asking him to make a move can Yash Nics be sure that Yash

Nics will die." Song Zhongping nodded, but immediately said: "Jiu Ye rarely makes any

moves. If you want to ask him to take

action, I guess it will cost a lot of money, right?" Song Zhongxiong bit his lip, and said

painfully: "I have already talked to Jiuye, and he asked for 100 million. But this matter has

something to do with our Song family. So I agreed."

Song Zhongping sighed: "Oh, as a wealth and disaster, I hope Jiuye can act quickly and get

Yash Nics done quickly."

...

Jiangbin Garden, Yash Nics's home.

Yash Nics's family had just finished dinner and had fun with his daughter Song Qingqing.

Suddenly there was a knock on the door. After Song Pingting opened the door, she said in

surprise: "Mr. Dong, you are here, please come in soon."

It was not someone else who came, but Dong Tianbao.

Dong Tianbao respectfully handed over a bag of gifts, then followed into the house.

Song Pingting said embarrassedly: "Mr. Dong, why are you still bringing gifts? You don't

have to spend money in the future."

Dong Tianbao smiled and said, "Yes, it should be."

Yash Nics said lightly when he saw Dong Tianbao. Bao is here."

Dong Tianbao respectfully said: "Master!"

Yash Nics knew that Dong Tianbao was here, there must be something to do, otherwise

Dong Tianbao would not disturb him casually.

He handed the daughter in his arms to Song Pingting, then stood up and said to Dong

Tianbao: "Family with children, the living room is messy, go to my study room."
Soon, the two came to the study room, Song Ping Ting brought tea, and then backed out.

Yash Nics took a sip of tea and asked faintly: "What's the matter?"

Dong Tianbao whispered: "There is something trivial. Come over and report to Master."

Yash Nics: "What's the matter?"

Dong Tianbao said, "Jiuye sent someone to find me!"

Yash Nics asked indifferently, "Who is Jiuye?"

Dong Tianbao explained, "Yash Jiu, a member of Mannity Underground. The true emperor is nicknamed the Ninth Five-Year Sovereign."

Yash Nics disdainfully said: "There are many kings in the shallow water, and a scorpion

dares to be called the Ninth Five-Year Sovereign. What is he looking for?"

Dong Tianbao whispered, "He seems To avenge Luo Yuefeng, threaten to kill you, warn me

not to intervene in this matter, or even me to kill."

Yash Nics's mouth raised slightly: "The tone is not small!"

Dong Tianbao said: "Yash Jiupai people told me Let me take you to Baihutang to meet him

tomorrow night. Otherwise, he will kill me with me."

The One and The Only Chapter 98

Baihutang, one of the most mysterious places in Mannity, is also the residence of Jiuye!

At this time, in the antique study, wearing a black cloth, Jiuye, who is about fifty years old, is

practicing calligraphy in front of his desk.

I saw him brush with dragons and snakes, and a few majestic characters floated out on the

rice paper: Tigers roar the mountains and rivers!

After writing, his thin face showed a satisfied expression.

The black dragon, who had been standing next to him for a long time, spoke respectfully

and respectfully: "Jiuye, your subordinates have something to report to you."

Jiuye casually read his masterpiece, while watching his masterpiece, he said faintly:

"What's

the matter?"

Heilong Said: "I have followed your instructions to the Jiuye and sent a message to Dong

Tianbao, so that Dong Tianbao should not try to save Yash Nics, and ordered him to bring

Yash Nics to Baihutang tomorrow night to accept Jiuye's punishment."

"However, Dong Tianbao seems to be punished. I didn't take Jiuye's words seriously, and I

don't know if he would follow Jiuye's instructions." A cold light flashed in Jiuye's eyes, and he calmly said: "Mannity has always been a hegemon in every city. , But recently there have been incidents between the overlords of Xicheng District and Nancheng District. Dong Tianbao occupied three districts by himself. He thought his wings were hard!" Heilong said: "Mannity is divided into five districts in the southeast and northwest, and Dong Tianbao alone occupies the three districts. There are three. He thinks he's more capable, and he doesn't even take Jiuye's words in his eyes."

Jiuye laughed and said, "If you are not obedient, you should spank!" Heilong's eyes lit up. "Jiu Ye, do you mean that not only will Yash Nics be touched this time, but also Dong Tianbao will be taught?" Jiu Ye said lightly: "The disobedient dog, what are you keeping for?" "Heilong, you wait for the notice. Beicheng Ba advocates horizontality, and there is also Ma Fei, the city hegemon. Let the two of them come to Baihutang tomorrow night to hunt Dong Tianbao with me." "Dong Tianbao will be destroyed at that time, Zhang Heng will be given to Nancheng District, and Ma Fei will be given to Xicheng District;" "As for the rest of Dongcheng District, you will be in charge of the Black Dragon." Heilong was instantly energetic and excited when he heard what Jiuye said. Said: "Yes, Jiuye!" ... The next day, night fell. Inside the Baihutang, the lights are brilliant. The three-meter-high white tiger roaring mountain picture on the wall is even more domineering. Under the picture of Baihuxiaoshan, Jiuye dressed in commoner, Zhengda Ma Jindao sits on the chair of the Supreme Master. The black dragon, under his deli, stood by his side. On both sides of the hall, sitting two VIP guests tonight, Zhang Heng and Ma Fei. Behind Zhang Heng and Ma Fei, there were dozens of subordinates standing. Everyone was murderous and Ling Ran. At a glance, they knew that they were the elites of Zhang Heng and Ma Fei.

Jiuye has already negotiated with Zhang Heng and Ma Fei to deal with Dong Tianbao together tonight, and then divide up Dong Tianbao's territory and business.

Zhang Heng, with his face full of flesh, said with an annoyance: "Jiu Ye, it is said that Dong

Tianbao has a close relationship with Yash Nics. I don't think he will bring Yash Nics to

death tonight, right?"

Ma Fei with a horse face, Jie Jie smiled and said: "I guess that guy was so scared that he

didn't dare to come."

Jiu Ye took his tea, took a light sip, and said faintly: "If Dong Tianbao and Yash Nics don't

come, then At 12 o'clock in the evening, we directly took action, swept Dong Tianbao's site,

and destroyed both Dong Tianbao and Yash Nics!"

Heilong was full of interest and eager to try: "Jiuye, I think Dong Tianbao and Yash Nics are

two. I'll dare to come, let's just don't wait, just act directly."

Heilong's voice just fell, and suddenly his subordinates exclaimed from outside the door:

"Come on, Dong Tianbao and Yash Nics are here."

Everyone in Jiu Ye looked at each other, and each was a little surprised, Dong Tianbao and

Yash Nics actually came.

Is it possible that Dong Tianbao knew that Yash Nics could not be covered, so he decided to

break his wrist and bring Yash Nics to Jiuye for punishment?

Well, it must be so!

Just when everyone was thinking about it, they saw Yash Nics coming in with two burly men

and eight other men.

Of the two burly men, one is Dian Chu and the other is Dong Tianbao.

As for the other eight subordinates, each of them showed a clambering and iron temperament.

The eight people walked around neatly and uniformly, giving people an aura of a thousand troops!

These eight people are the eight most elite members of the Yash Nics Guards, and they are

known as the Eight Tigers in the Northern Army!

The One and The Only Chapter 99

Yash Nics and his party, although their momentum is extraordinary.

But Jiu Ye and others didn't pay attention to it at all.

After all, there were more than one hundred and fifty subordinates standing in the White Tiger Hall alone. Outside the Baihutang, there are five hundred men rushing in at any time to fight. Yash Nics and his party have twelve people, how can they be? The eyes of everyone in Baihutang fell on Yash Nics and Dong Tianbao. Jiu Ye said with a sneer: "Dong Tianbao, it seems that you still have some knowledge of the current affairs, and honestly follow my instructions and bring Yash Nics." "For the sake of your knowledge of the current affairs, I will spare you a little. Fate." "You will hand over all your turf and business right now, and then get out of Mannity, and will never step into Mannity again. Do you have any opinions?" Heilong, Zhang Heng, Ma Fei and others are all looking at it. Dong Tianbao. Everyone felt that Dong Tianbao had finally made a name in Mannity, and Jiuye was about to beat Dong Tianbao back to his original form with a word. It is estimated that Dong Tianbao will definitely not be reconciled and will fight the trapped beast. But what everyone did not expect was that Dong Tianbao actually smiled and said, "I have no opinion." When

everyone heard Dong Tianbao's words, they were all stunned. Obviously, they didn't expect Dong Tianbao to compromise without resistance? But unexpectedly, after Dong Tianbao finished speaking, he added: "But now I don't count it, my master said it!" Young master! The eyes of Jiu Ye and others moved to Yash Nics. Jiuye said with a sneer: "Your young master is already half-footed into the coffin. He also said a fart, come here, send Yash Nics on the road." Jiuye's words fell, and two figures immediately rushed towards him. Yash Nics. The two men were murderous and menacing. But they hadn't gotten close to Yash Nics. Dong Tianbao and Dianchu, who were beside Yash Nics, took a step forward together and shot at the same time. Bang bang! Two of Jiuye's men flew upside down and fell heavily to the ground. One face was smashed to blood by Dong Tianbao's fist, and the other chest was deeply sunken by Dian Chu's kick. Both of them were killed on the spot. Upon seeing this, Jiuye was furious: "Do you dare to kill my people?"

Yash Nics's mouth raised slightly: "Not only do I dare to kill your people, but I also dare to kill you, believe it or not?"
Jiuye opened his eyes wide. He laughed furiously: "Very well, since you all think your life is too long, then I can only send you all on the road! Give me all hands and kill them!"
Jiuye's voice fell, Heilong, Zhang Heng, The three Ma Fei immediately took their men and killed Yash Nics and the others with murderous aura.

Even outside the door of Baihutang, there were many people, holding machetes, filed in.
Ning front face countless enemies, without batting an eye, cold and said: "Eight Tiger Wei!"
Eight guard, shouted roar: "In!"
Ning: "Kill!"
Eight guard opt Take a step, the fighting spirit is overwhelming, and they shouted in unison:
"Kill!"
Although there are only eight people, the momentum is not defeated by thousands of troops!
Dong Tianbao was also full of excitement. After he retired, this was the first time he had fought side by side with Dian Chu and other guard comrades.
He turned his head and looked at Dian Chu next to him, and said, "Captain Dian, you used to be my target. But when I was in the team, every time I challenged you, I was tortured by you.
Until I retired, I never won. You once."
Dian Chu squinted his eyes: "What, are you not convinced?"
Dong Tianbao eagerly rushed: "The fighters who don't want to be the captain are not good fighters. Although I don't have a chance now, I still want to beat you once."
Dian Chu said, "You haven't beaten me before, and it's even more impossible now."
The One and The Only Chapter 100
pointing to the front Dong Tianbao Haoqiganyun Black Dragon and other enemies: "?
Check
out our enemy who downed more"
! "Good"

Dian Chu mouth agreed with, as the Tigers out of the body Jian, greeted Ma Fei, the overlord of the city like lightning.
Ma Fei was born with a red stick and is famous for being able to fight.

He was leading a group of men, cooperating with Zhang Heng and Heilong, to besiege Yash Nics and his party.
But he didn't expect that Dian Chu moved so swiftly and swished before his eyes. Before he even had time to dodge, he was knocked into his arms by the bear-like Dian Chu.
Bang!
Ma Fei was hit by Dian Chu and flew out like he was hit by a train. His body was twisted and fell heavily to the ground, and his whole body bones were actually shattered by Dian Chu's momentum, and he was killed on the spot.
After Dian Chu killed Ma Fei, he didn't take his time idle, punched and kicked, banged twice, and then severely injured two enemies. His loud and powerful voice sounded at the same time: "Three!"
Dong Tianbao opened his eyes and said, "You It's a bit shameless to start doing it first!"
Although he screamed like this, he was like a cheetah and rushed to the other underground tyrants in the North City.
Zhang Heng was strong and his muscles spurted. He raised his hand and punched Dong Tianbao.
Dong Tianbao didn't dodge or avoid, strode forward and slammed his fists at the opponent.
Dong Tianbao was faster and more powerful, and hit Zhang Heng's chest first.
boom!
Zhang Heng's chest was punched by Dong Tianbao, and his chest was deeply sunken in an instant, a blood spurted out, and he fell to the ground.

Dong Tianbao proudly reported: "One!"
At this time, the Eight Tigers and the enemies in the hall had also handed over. Although Jiuye and the others have a large number, their strength is obviously not on the same level as that of the Eight Tigers.
The Eight Tigers are like eight tigers, the enemy is full of lambs, knocking down an opponent with one move. No one is the enemy of them.
The Jiuye sitting in the chair of the master's master was dumbfounded. Why are these people such as Yash Nics so powerful?
Ma Fei and Zhang Heng, in the underground circle of Mannity, are also known for their

sturdy fighting. How come they were killed by Dong Tianbao in seconds when they met each other?

Looking at the subordinates, who were knocked down by Dian Chu, Dong Tianbao and

others, a chill rose in the heart of Jiu Ye.

No amount of subordinates can withstand these killings!

Jiu Ye was frightened and angry. He acted decisively and shouted at his capable subordinate Heilong: "Catch the thief first

, capture the king first, and take Yash Nics first!" Yash Nics and his party.

However, Yash Nics always came with folded arms, and no one could get close to him.

Heilong heard Jiuye's words and immediately rushed towards Yash Nics with his subordinates aggressively.

A large number of subordinates around Heilong stopped the Eight Tiger Guards and others

one after another to prevent the Eight Tigers from protecting Yash Nics.

Heilong grinned and rushed towards Yash Nics. In his opinion, Yash Nics must be a soft

persimmon standing still and not doing anything.

Moreover, Yash Nics is the master of Dong Tianbao and others. If Yash Nics is taken hostage, Dong Tianbao and others will definitely surrender.

He rushed to Yash Nics smoothly, and punched Yash Nics with a grinning fist: "Hey, kid, lie

down for me!" The

corner of Yash Nics's mouth rose slightly: "The glow of the firefly also shines, and it's not

self-reliant."

Ning said, raising his hand is the punch.

boom!

The two fists collided!

Heilong's body is exceptionally burly, his fist is like a casserole, obviously bigger than Yash

Nics's fist.

He thought he could knock Yash Nics upside down with one punch, but what he didn't

expect was that when the two fists collided, a powerful force came from Yash Nics's fist like

an overwhelming force.

Kaka Kaka... A

series of sound of broken bones sounded.

The bones of Heilong's right arm were broken, and the whole arm was hanging weakly like

noodles.

"Ah!"

Heilong's screams just sounded, and Yash Nics had already taken a kick and slapped the black dragon in the head. Heilong's scream stopped abruptly, his body flew out and fell on the ground in front of Jiuye, which was already a dead body. what? !

Jiuye's heart shook wildly, and he couldn't help but stood up suddenly, staring at the black dragon's corpse on the ground with eyes full of disbelief. Yash Nics was killed by Yash Nics, who followed him to the north and south, and had not encountered an opponent in Mannity for 20 years?
