

## Chapter 911

Xie Wenru, who was quite disdainful of Jacob just now, was a little more jealous of him at this moment.

In any case, his son-in-law can make Boyu so caring and respectful, which proves that Jacob is more important than himself in Boyu's eyes.

He asked his old classmates about the background of Jacob's son-in-law, who happened to have attended the last class reunion, so he smiled and said, "The son-in-law of Jacob seems to be a vagrant. It is said that he is a full-time worker at home. Mr. Wade what exactly does he do, we really don't know."

Xie Wenru is in business after all and has seen the world.

From Boyu's attitude alone, he realized that he must never underestimate Jacob's son-in-law.

Maybe the other party is still a very big person, otherwise it would be impossible for Boyu to be so respectful.

This also made him feel worried, fearing after ridiculing Jacob just now.

Aside from other things, just with Boyu's respectful attitude, it can be seen that if he is really torn apart with Jacob, Boyu will definitely not be against him.

Therefore, he looked at Jacob with some fear, hesitated for a moment, and said: "Jacob, I was so embarrassed just now. They were all angry words made in anger. Don't take it to your heart. Everyone is old classmate. It's just a matter of just saying a few words, what do you think?"

Jacob knew very well in his heart that Xie Wenru was so arrogant just now, and suddenly became so polite at this moment, and even took the initiative to apologize to him, it must be because Boyu's attitude made him realize that he was not so easy to mess with.

He didn't want to just give up with Xie Wenru, but Meiqing also said at this time: "Jacob, both are classmates, don't mention the unpleasantness just now."

Jacob nodded and said to Xie Wenru: "Since Meiqing has spoken, I won't mention it anymore. I am a person who does not offend others and I not like being offended. If you do not continue to trouble me, of course I will not put my foot on your tail."

If someone talked to Xie Wenru like this, he would have exploded.

But at this time, he dared not clamor with Jacob anymore.

After all, this is in the Song family's territory, and Boyu has such respect for Jacob. If he really makes trouble, he must be finished.

Therefore, he can only say in an utter anger, "Jacob, you have a lot of respect, I will definitely toast you later."

Other students also noticed the change in Xie Wenru's attitude. Everyone knew that Xie Wenru was a little jealous of Jacob.

Some people are also surprised, this Jacob, his son-in-law is really so good, can the Song family be so polite to him?

Jacob's heart at this moment is also very proud. He didn't expect that even though he didn't bring his son-in-law, his son-in-law could still help him grow a face.

With this attitude of Boyu today, in the circle of classmates, no one should dare to underestimate him.

.....

At this moment, Paul also took the car to his company "Smith Law Firm."

Americans and Chinese act in different styles. Chinese seldom use their own names to name companies, because the Chinese as a whole still believe in acting low-key, obscure, and not too public.

The whole should highlight a modest way of doing things.

However, Americans are generally very high-profile. Well-known American companies are basically named after their founders.

## **Chapter 912**

For example, the famous Boeing Company is a super aerospace group that produces passenger aircraft, military aircraft and space shuttles.

It was named Boeing because of their founder, William Edward Boeing.

It is equivalent to the founder using his surname as the name of the company.

Another example is the world-renowned hotel company Hilton Group. Its founder is Conrad Hilton. This family is also the famous Hilton family.

Paul's full name is Paul Smith, Paul is his first name, and Smith is his family name.

Since his father founded this law firm, he named it Smith Law Firm after his family name.

"Smith Law Firm" has been well-known internationally after many years of hard work by Paul's father.

So this time Paul moved his office to Aurous Hill and directly chose the best cbd area in Aurous Hill for the company's location.

And he chose the most prosperous and top-notch office building, Gemdale Building.

The Gemdale Building, with 58 floors, is the best and top five-star office building in Aurous Hill. Basically all the top enterprises in Aurous Hill and the country and even the world can settle in the Gemdale Building.

Because Paul Smith's law firm is also very well-known, and it serves all of the world's top 500 companies, they also pay great attention to their appearance.

It is worth mentioning that the Emgrand Group, which Wade Family bought for Charlie, is the largest group company in Aurous Hill, and it is mainly based on real estate.

The Emgrand Group owns a number of high-end office buildings in Aurous Hill, and these office buildings are operated by the Emgrand Group itself and have not been sold. This includes the entire Gemdale Building.

Charlie was a little surprised when he heard that Paul chose the company in the Gemdale Building.

Unexpectedly, he chose his property by such a coincidence.

But think about it carefully. The Gemdale Building is the best office building in Aurous Hill. A law firm like his is in need of a sufficient facade, so there is no other option except Gemdale Building.

After he had lunch at home, he took a taxi to Gemdale Building.

Paul's law firm is on the 27th floor of the Gemdale Building. He took the elevator directly to the 27th floor. Paul was already waiting for him at the elevator entrance.

When he saw Charlie, Paul was very, very polite, and he came forward and said politely: "Oh, Mr. Charlie, it's really hard for you to come here."

Charlie smiled slightly and said to Paul: "It's just a matter of raising your hand, don't be so polite."

Paul invited Charlie to walk in and said, "Mr. Charlie, I had already let someone rent the 27th floor of this Building a few months ago, and the renovation started immediately. Now the renovation is basically fast. The construction is completed, how about the overall Feng Shui? Is there anything that is not suitable, and if so, how to modify it?"

Charlie probably read it once, and soon found out that Paul had a very careful Feng Shui layout here. He smiled and said: "Paul, you seem to have seen an expert here, right? I think you have set up this entry point. The Jucai Fengshui Bureau can gather wealth; there is a disaster-avoidance Fengshui Bureau in the main hall. For legal business like yours, this type of Fengshui Bureau can avoid disputes to the greatest extent. Overall it is very good."

Paul exclaimed and said: "Mr. Charlie, you are really smart, you can see my Feng Shui arrangement at a glance."

Charlie said calmly: "Paul, your mother and my father-in-law have been classmates for so many years, so you don't have to be too polite with me. But I'm very curious, since you have already found someone here to see Feng Shui, why do you invite me?"

Paul did not hide it at all, and said frankly: "It is true. Yesterday I invited you to help me see Feng Shui, mainly to see if you really have the true talents in this area. Now it seems to be abrupt. Please forgive me, Mr. Charlie!"

### **Chapter 913**

Paul was really curious about Charlie. From the beginning, he thought Charlie belonged to the Wade family of Eastcliff. Later, even though Charlie let him dispel this doubt, the title of Mr. Charlie still gave Paul a new name. doubt.

Asking Charlie to come over and show himself Feng Shui is actually Paul's one-step temptation. He has already asked someone to watch Feng Shui specifically here.

If Charlie couldn't tell after he came, that the Feng Shui Bureau had already been set up here, it would prove that he didn't have such a level;

But if Charlie can see the Feng Shui Bureau here after coming, it will prove that Charlie's level is extraordinary.

Paul did not expect that Charlie could see all the Feng Shui layouts here at a glance. The previous master also watched for a long time and studied for a long time before thinking about and laying out these.

Charlie was not angry about Paul's suspicion. On the contrary, he admired Paul's magnanimity. He would say whatever he wanted, without covering up. This kind of quality is very rare in today's society.

So he said to Paul: "You want to see if I have this ability to learn. This is also human nature, but since I am here, I will charge you a fee for feng shui, which is also human nature. "

In fact, Charlie didn't intend to ask Paul for money before he came. After all, he was the son of the Old Master's lover, so he still had to give this little face.

But since Paul is so frank, one said one, and the other said two, then he should also get along with him in the same way.

When Paul heard this, he immediately said, "Of course! Since Mr. Charlie is invited, how can he not be paid for it!"

As he said, he took out the checkbook from his pocket without hesitation, drew on it for a while, tore it off and handed it to Charlie, saying, "Mr. Charlie, this 1 million is a little bit of my care. Please accept it. "

Charlie accepted the check with a slight smile, and said with a smile: "Then I would be more respectful than fate."

After speaking, Charlie looked around, and said: "That means it is indeed seen by an expert, but the expert will inevitably omit something. For example, the entrance of the Jucai Fengshui Bureau is naturally There is nothing wrong with it, but the failure to make a corresponding layout behind this is really a failure."

Hearing what he said, Paul hurriedly asked: "Mr. Charlie, what do you mean by this?"

Charlie smiled and said: "Feng Shui often says that purple energy comes from the east, wealth comes from the east, and your entrance faces east. There is nothing wrong with setting up the Jucai Fengshui Bureau, which means that money comes in from your entrance and enters your company. , This is a good start, but your company must be able to keep the money."

After all, he pointed to the back of the company and said: "Look at this side of your company, there are all transparent floor-to-ceiling windows and transparent glass. There is no such thing in the Feng Shui Bureau, so you just come in from the entrance and stay let it go out directly from the back without stopping. Do you know what it is called?"

Paul asked nervously: "Please Mr. Charlie make it clear!"

Charlie laughed and said: "There is an old Chinese saying that bamboo baskets can be used to catch water. Why do you say that is because although the mouth of bamboo baskets can enter water, the gap

itself is too big to retain water. If the company can't retain money, it is very likely that your company will be big in and out in the future, with more money in and out, and in the end nothing will be left behind."

Paul exclaimed and asked, "Mr. Wade, how should this situation be resolved?"

Charlie said lightly: "First of all, all glass must be filmed. As I said earlier if the glass is transparent, it means nothing, but once it has a color, even if it is just a light brown color, it is equivalent to putting it on. The glass becomes a wall."

## **Chapter 914**

Paul nodded in excitement, and blurted out: "Thank you so much, Mr. Charlie, I will arrange for someone to do it quickly."

Charlie smiled slightly and said, "Don't worry, I haven't finished talking yet."

Paul hurriedly said respectfully: "Mr. Charlie, please tell me."

Charlie said: "When you put a film on the glass, you also have to place a golden brave on the left and right sides. It must be made of pure gold to play the best role in fortune. Moreover, Paixiu is famous. The best way to keep money is to eat but not pull, but not to get in. This is tantamount to setting up a feng shui bureau for keeping money. After the money comes in, you can keep it, and your business will naturally flourish."

Paul held a fist at Charlie with a grateful look, and said respectfully: "Mr. Charlie is indeed worthy of the title of Master. From today onwards, I, like everyone else, will respect you as Master!"

Charlie smiled and waved his hand: "You don't need to call me Master. If you call me Master in front of my Old Master, or in front of your mother, I don't know how to explain it to them. "

Paul blurted out: "From then on, in front of them, I will call you Mr. Charlie, but when not in front of them, I must call you Mr. Wade!"

Having said that, Paul immediately took out his checkbook again, and wrote and painted on it for a while. Then he tore off the check, dragged his hands to Charlie respectfully and said, "Master, this is a supply. Please accept your expenses."

Charlie glanced at it and found that the check was written for 4 million, and he said to Paul: "One million is already a lot. You don't need to be so polite with me. I will accept this million, but this 4 million you should take it back."

Paul resolutely said: "No, Master, if it weren't for you, I might just be in Aurous Hill in the future with not much wealth."

Charlie waved his hand and smiled: "These are just some sayings about Fengshui. Even if I don't point it out to you, you may not be able to make money. After all, your law firm has been in business for so many years and is already very famous. "

Paul said earnestly: "Master, it is true that when my dad opened a law firm, he first took a few cases and lost all of them, and the reasons for losing the case are strange. During that time, using my mother's words Said, Dad happily drank cold water and stuffed his teeth."

"Later, my mother invited a Feng Shui gentleman from Chinatown to see Feng Shui in my dad's law firm. At first, my father rejected this kind of oriental feudal superstition, but when that Feng Shui gentleman clearly figured out what happened to my father After a few difficulties, my father realized that the mystic academic fengshui was really extraordinary!"

"Then the Feng Shui gentleman changed the layout of my father's law firm and re-established a Feng Shui bureau for him. Since then, my father's law firm has prospered."

Speaking of this, Paul said with emotion: "If it weren't for the Feng Shui man at the beginning, my father might have failed at the beginning of his business, so there would be no Smith Law Firm, which is why I am so firm. Believe in the reason of Feng Shui."

Charlie didn't expect that at the beginning of the Paul's business, it was because of Feng Shui that it survived.

Feng Shui sometimes is so magical. When you are ready and owe the east wind, the east wind may not come.

Then no matter how you prepare, it is impossible to succeed.

Feng Shui, in the subtlety, plays the role of borrowing the east wind!

## **Chapter 915**

Paul's admiration for Charlie really called a five-body cast.

He himself is an American who looks more like a Chinese. He is obsessed with Chinese traditional culture and Feng Shui metaphysics, and he believes very much.

Everything that Charlie said just now made him feel that this man's accomplishments in Feng Shui were unfathomable.

So he didn't understand why someone would give Charlie a luxury villa worth more than one billion.

Paul is very aware of the importance of a Feng Shui master. A good Feng Shui master can not only help people improve their luck and gather wealth. It can even help people change their lives against the sky.

Therefore, the better the Feng Shui master, the higher their appearance fee and the higher their worth. For example, Hong Kong's Li Jiacheng, it is said that their royal Feng Shui masters will pay hundreds of millions for one visit.

Therefore, he even felt that his 4 million cheque was a bit small.

He knew he should write him a check for 10 million.

Thinking of this, he directly shredded the 4 million cheque and threw it aside, and then hurriedly rewrote a 9 million cheque and handed it to Charlie respectfully, "Mr. Wade, please accept it."

Charlie said earnestly: "Paul, I'll charge you 1 million, it is already enough, you don't have to give it to me anymore."

Paul said very seriously: "Mr. Wade, Feng Shui metaphysics itself emphasizes piety. In some respects, money is also a representative of piety, so I hope you can laugh at it. Otherwise, you will appear to be insincere. ."

Charlie is not short of money. There are nearly 22 billion in the entire account, so he doesn't know how to spend it.

Whether Paul gives him 1 million or 10 million, there is actually no difference to himself.

Charlie was not going to ask Paul for too much money. The money was just a form. He had no opinion on how much he gave, but he gave too much, and it was indeed not appropriate.

However, Paul was very determined, and he was unwilling to take the money back, he insisted on letting Charlie accept it.

Seeing this, Charlie no longer shied away from him, saying: "Since you have to give me the money, I will accept it first, but if I need to use your barrister in the future, you must charge as much money as you should."

Paul smiled and said, "How can that work? You are Master. You can use me. That's an exaltation to me."

Charlie said, "In this case, I have legal affairs in the future, so I dare not come to you."

Paul hurriedly said: "Mr. Wade, if you have any legal needs in the future, you can come to me and I must collect the money normally."

Charlie nodded and smiled: "It's pretty much the same."

After speaking, he looked at the time and said, "Paul, since there is nothing wrong with you, then I won't bother you today."

Paul hurriedly said: "Master Wade, I would like to treat you to a meal tonight. I wonder if you have time?"

Charlie smiled and waved his hand and said, "I don't have to eat, there is still something waiting for me to do, I have to go."

When Paul heard this, he immediately nodded and said, "Since Mr. Wade has something to do, then I will not keep you. I will send you out, please."

Paul's simplicity made Charlie very appreciative of him.

Most Chinese people prefer to be polite. If someone else wants to invite them to dinner, and if they shirk something, they will definitely continue to invite a few more enthusiastic invitations until they explicitly refuse it.

Sometimes even if deep down in heart, they don't really want to invite the other party to dinner, they will treat each other politely.

## Chapter 916

It's like a few people rushing to pay after dinner.

Everyone is rushing to pay, but not everyone really wants to pay.

It is very possible that everyone just wants to be polite, because if you are not polite, it seems that you are not sensible.

Therefore, there are often people at the hotel bar asking who pays the bill, and you come and go all the time.

Charlie saw many such people, but he admired people like Paul, who is witty, decisive, and straightforward.

Since he has said something, he will absolutely stop talking nonsense, and send him away directly. This is the way of communication between smart people should take place.

Afterwards, Paul took Charlie all the way out of the company and came to the elevator door.

He took the initiative to press the elevator button for Charlie, and then an elevator came up from the first floor and stopped on this floor.

As soon as the elevator stopped, Paul hurriedly made a please gesture.

Just about to speak to Charlie, at this moment, the elevator door suddenly opened, and a super beauty with a glamorous and tall figure, wearing a small suit on the upper body and a skirt with a covered hip suddenly appeared in the elevator.

The beauty is glamorous and moving, but at the same time there is no lack of glamorous and s\*xy look. It can be described as the best of the best, so that all men are excited.

Paul looked at her in surprise and exclaimed: "Miss Song, why are you here?"

The beauty was about to speak when she suddenly saw Charlie next to Paul, her cold and pretty face suddenly seemed to be bathed in the spring breeze, with a cheerful smile of the little girl, she said in surprise: "Mr. Wade, why are you here?"

Charlie looked up and found out that the person in the elevator turned out to be Warnia, the eldest of the Song family. She was also accompanied by several bodyguards, each holding a beautiful flower basket.

Warnia didn't expect to meet her sweetheart Charlie here, and she was naturally very happy in her heart.

Charlie felt a little surprised to see her here, and said with a smile: "I came here to help my friend take a look at his Feng Shui."

After all, he thought that Paul had recognized Warnia just now, so he guessed that the two of them must know each other.

Warnia smiled and said, "It seems that Mr. Wade, you also know Mr. Paul. I came here because my grandpa asked me to help him and gave Mr. Paul some flower baskets to congratulate him on the opening of his company."

After speaking, she realized that she hadn't greeted Paul, so she said with some embarrassment: "Mr. Paul, it's been a long time."

Paul is a smart man, and the most contacted suspects in his work as a lawyer, so he has a very strong ability to interpret people's eyes and expressions.

FBI in the United States once offered a course on interpreting facial expressions.

This is mainly to teach the case handlers how to use the subtle expressions and eye changes of the suspect to guess whether the other party is lying.

This is a very high-end psychology category, but it is also a compulsory course for every judicial officer.

Paul studied law in the United States for many years, and also became a lawyer, coupled with his childhood family edification, so that he has a unique talent in this area.

Therefore, from Warnia's look at Charlie's expression and eyes, he could tell that Warnia liked Charlie.

While admiring Charlie, he was able to attract such a stunning beauty as Warnia, and he couldn't help but sigh. It seems that Charlie is really extraordinary, and even the eldest lady of the Song family has a deep love for him.

More importantly, Charlie is a married person. The Song family's eldest lady would actually like a married man. This is simply explosive news!

## **Chapter 917**

At this time, the graceful Warnia walked out of the elevator.

Although she came to give Paul a flower basket, her eyes were always on Charlie's body.

Every time she saw Charlie, Warnia felt very happy, as if she had returned to the age when she was 18 years old.

In fact, an eldest lady like her matured earlier than most people, got in touch with the human world earlier, and learned to put on a mask earlier.

But after seeing Charlie, after falling in love with Charlie, Warnia's ability to put a mask on herself failed in front of him.

She looked at Charlie with admiration and affection in her eyes, and she answered shyly: "Mr. Wade, how did you and Mr. Paul know each other? Mr. Paul should have just arrived in China not long ago?"

Charlie smiled slightly and said, "My father-in-law and Mr. Paul's mother are college classmates, so they met each other."

Warnia was surprised and said: "Oh, how could it be such a coincidence!"

Paul on the side smiled and said, "It's such a coincidence. I didn't expect that, Miss Song, you also know Mr. Wade."

Warnia took a deep look at Charlie and said to Paul: "Mr. Wade can be regarded as my savior. Do you remember one time when our export goods arrived in the United States, they were immediately said to be unqualified, but they still want to sue us and make us bear huge compensation?"

Paul immediately nodded and said: "Of course I remember that time you asked me to rush from the east coast of the United States to the west coast to help you resolve this dispute, but the problem was resolved before I reach the west coast."

Warnia said with lingering fear: "I accidentally broke the Feng Shui at home that time. Not only did the business suffer, but I also had many problems with it. I even had frequent driving problems and accidents."

With that, Warnia raised her wrist to reveal the bracelet her mother had left her, and said with emotion: "At that time, this bracelet was already lost. If it weren't for Mr. Wade, I wouldn't be able to find it back."

Paul exclaimed: "It turns out that the great Feng Shui master you told me was Mr. Wade!"

Warnia nodded and said, "Yes, it's Mr. Wade."

Paul's eyes looking at Charlie are already full of worship and admiration!

He blurted out: "Mr. Wade, I really didn't expect that you are the Feng Shui master who has always been praised by Miss Song!"

Charlie smiled indifferently, waved his hand and said, "It's nothing more than a little bit of bugging skills, not worth mentioning."

Paul hurriedly said: "Mr. Wade, you are really too modest. If you hadn't pointed it out just now, my Feng Shui bureau might have a big problem. I'm so grateful!"

Although Charlie was very humble, Paul didn't think so. He already had some respect for Charlie in his heart.

Moreover, even the eldest lady of the Song family praised Charlie for being more natural, not to mention Charlie.

At this moment, Charlie said, "I still have something to do, so let's talk about it first, and I will leave now."

Warnia hurriedly asked: "Mr. Wade, where are you going? Do you have the car? If you aren't driving, I will see you off!"

Charlie smiled and said, "Don't you need to retell the past with Paul?"

Warnia hurriedly said: "Paul and I are old acquaintances. From now on, he will develop in Aurous Hill. We have time to relive the past. If you don't drive today, please let me see you off!"

Seeing this, Paul knew that Warnia not only liked Charlie, but also put Charlie in a very, very important position in her heart.

At this time, he said in a hurry, "Miss Song, thank you for the flower baskets you gave, and thank, Mr. Song, for helping me. If you have the opportunity, you will definitely come to visit me next time."

### **Chapter 918**

Warnia glanced at Paul gratefully, and said to him, "That's fine, since you have something to do, then I won't bother you much, let's get together again!"

Paul is indeed very high in EQ, and also very high in IQ. He can see that Warnia's mind is all on Charlie, so he proposed to send Charlie to her. In that case, why not push the boat along the way and help her?

So Warnia said to Charlie: "Mr. Wade, I'll give it to you!"

Charlie nodded and said with a smile: "Well then, I will trouble you."

Warnia smiled shyly, and said seriously: "Mr. Wade, don't be so polite with me."

.....

Warnia left her bodyguard to carry the flower baskets to Paul. She pressed the elevator, reached out to block the elevator door, and said to Charlie, "Mr. Wade, please!"

Charlie nodded slightly, stepped into the elevator first, and Warnia followed in.

The elevator door closed, and the faint and advanced fragrance of Warnia's body slowly penetrated Charlie's nostrils.

Warnia's taste is very high, the perfume on her body is light and long. Not only makes people feel very comfortable and refreshing, but it also smells not vulgar, and even makes people obsessive and addictive.

Standing with her, Charlie even had some contemplation in his heart.

It is undeniable that Warnia is indeed very beautiful, with a very noble temperament, and more importantly, this woman is too gentle when she is in front of him, and she can't see the air of Missy.

The two left the Gemdale Building together, and Warnia personally opened the door of her Rolls-Royce and asked Charlie to sit in.

After getting in the car, Warnia respectfully asked Charlie next to her: "Mr. Wade, where are you going, I will see you off!"

Charlie smiled slightly: "Then please take me back to Tomson Villa."

Warnia asked in amazement: "Mr. Charlie, are you going to do errands? Why are you going home suddenly?"

Charlie said with a smile: "The time to do something hasn't arrived yet, I'll go home and wait."

Although Warnia was a little surprised, she nodded slightly and said, "Then I will take you back."

As she said that, she plucked up courage again and asked expectantly: "Mr. Wade, when will you have time? I want to treat you to dinner..."

Charlie thought for a while and said, "Let's take two days. There have been a lot of things recently, especially today."

He has already explained to Issac very clearly that once he is ready to release Elaine, the detention center will specifically ask her to call him.

At that time, he will go and pick Elaine back.

The reason why he had to pick up Elaine himself was mainly because he wanted to see how miserable Elaine was now.

This woman, who dared to steal 21.9 billion, would never be able to learn a lesson if she didn't suffer from it.

21.9 billion. If show mercy to her and she are not afraid of revealing identity, and he calls the police directly, Elaine will be sentenced to at least a suspended death sentence even if he doesn't shoot her for such a large amount of money involved.

Let her go in and suffer for a few days and then let her out. It's already very cheap for her!

## **Chapter 919**

After Elaine returned to the detention center from the police station for questioning, she has been waiting for the result with anxiety.

She didn't know if the police would let herself go, so she could only pray in her heart.

In the two days since entering the detention center, Elaine has suffered. She has never suffered the painful torture in her life. Now she feels that she is on the verge of collapse. If they not let her go out, she will really have to die here.

Old Mrs. Willson knew that Elaine was called to the police station for questioning in the morning, and she felt a little worried in her heart.

She was afraid that Elaine would tell the police officers that she and Gena tortured and beat her.

Moreover, she was also worried that Elaine would apply for a cell change with the police officer.

If the police officer replaced her, wouldn't she lose the greatest pleasure?

For so long, the Willson family has suffered so many misfortunes and tribulations, that the Old Mrs. Willson's mood has been very low. It was not until Elaine and her were locked up in the same cell that she regained the joy and joy of life.

The thought that Elaine might have been in prison for more than ten or twenty years, and that she would be able to go out after waiting for more than 10 days, the Old Mrs. Willson felt excited.

Seeing Elaine curled up in the corner of the cell, the Old Mrs. Willson was very playful. She stepped up to Elaine and asked with a smile: "Oh, I heard you were called to the police station for questioning?"

Elaine looked at her, shivering: "Yes, mother, I was called to ask about the situation."

Old Mrs. Willson asked coldly: "Then did you talk nonsense with the police? Did you not complain to them?"

Elaine hurriedly waved her hand and said, "Don't worry, mom, I didn't tell the police what happened in the cell. They came to me to ask about the case."

Old Mrs. Willson relaxed, snorted and asked her: "I said Elaine, have you consulted with a lawyer? How many years are you going to be sentenced to in this situation? Is 10 years and 15 years enough?"

Elaine shook her head repeatedly and muttered: "I haven't found a lawyer yet, so I don't know how long I will be sentenced."

After returning, Elaine did not dare to say that she might be released soon.

Because once they knew she was going to be let go, they would definitely do everything possible to torture themselves severely before they left.

So Elaine decided to forbear, until the moment the police came to let him go.

The Old Mrs. Willson sneered and said proudly: "I have heard others say that in your case, at least 15 years will be sentenced!"

The Lady Willson said with a long sigh, but she said with excitement: "Oh, 15 years, Elaine, 15 days, I can't stand it for 15 years, how will you take it then? I will worry about you when I think about it."

Elaine said nonchalantly: "I don't know ah! Mom! When I thought that I might be locked up in it for more than ten years, my heart was so cool..."

Gena stepped to Elaine at this time, and slapped her right and left, and then looked down at her: "Like you, a bankrupt woman who snatches someone else's husband, don't say you will be detained for more than ten years, even if you are detained for a lifetime. It doesn't reduce the hate. Think about that Meiqing who was forced to the United States by you. Although I don't know her, I haven't even met her, but when I think of what you did to her, I want to do it for her. Bad breath!"

After that, she stretched out her hand to grab Elaine's hair, crackling her face several times.

Elaine's mouth soon shed blood, and at the moment Gena stopped, she did not expect that the Old Mrs. Willson on the side was also waiting to teach her.

Just as Gena stopped, the Old Mrs. Willson suddenly stretched out her hand, tightly grabbing Elaine's ear, and pulling desperately, making Elaine cry out in pain.

Elaine grinned and asked, "Mom, why are you pulling my ears? Did I do something wrong, mom?"

## **Chapter 920**

Old Mrs. Willson coldly snorted: "You still have the face to ask me, what did you do wrong? I tell you, as long as you are alive, as long as you can breathe, it is wrong. Your only correct choice is to die quickly. , Don't waste air in this world!"

Elaine felt that her ears were about to be pulled off, and the pain was so painful, but she didn't dare to have the slightest sense of disobedience, so she could only swallow the bitterness into her stomach, thinking that if she persisted, she could just persist this out!

After she goes out, this bad Lady Willson will also be released in less than ten days. At that time, this bad Lady Willson has no place to live, no place to eat, no place to drink, or she will go to death on the street. There is a chance to find her revenge!

Doesn't this bad Lady Willson feel that she is going to be locked up in it for more than ten years?

She also wanted to take the letter written by her and go to live in her Tomson Villa, which is simply a dream!

She must have never imagined that it would be impossible for her to be detained here for more than ten years, and she will be released soon!

When the prison guards come to let her go, she believes this bad wife will be dumbfounded, dumbfounded, and even very painful, very depressed, and very angry!

Maybe it's possible to die here on the spot.

The Old Mrs. Willson did not expect that Elaine might be released. She only felt that Elaine might stay in jail for the rest of her life.

That's why she has always regarded the letter written by Elaine as a treasure, because with this letter in her hand, she can go to live in the big mansion of Tomson after only waiting for more than ten days from now.

"OMG, Tomson, how dare I think about it before."

After staying in the Tomson First-Class this time, she said nothing would be possible to move away, and she would die in a mansion like Tomson First-Class.

She is more feudal and superstitious. She feels that only by dying in this kind of mansion can she devote herself to a wealthier family and enjoy a lifetime of prosperity.

At this time, the guards in the detention center stepped over.

Only then did Mrs. Willson reluctantly let go of Elaine's ears. Just now, with all her strength, she pulled Elaine's ears so red and swollen, and there was even some tearing and bleeding at the base of the ears.

Elaine's painful tears burst, but when she saw the prison guard, she was almost crazy with excitement.

The prison guard is here, the prison guard is here to let her go!

"I am finally going to be free again!

I can finally return to the big mansion of Tomson, have a full meal, and sleep peacefully!

For more than two days, I didn't eat anything except licking two mouthfuls of porridge on the ground, I didn't sleep well, and I also had a fever. This feeling was simply too painful."

So Elaine can't wait to leave here quickly, leave here forever.

The prison guard strode to the cell, opened the door, and said, "It's time to let the wind out, everyone lined up to the playground!"

"Out for the air?!"

Elaine's heart was extremely excited, and instantly fell to the bottom.

Are the prison guards here to take everyone out? Isn't she ready to let her out? Haven't the police officers discussed whether they want to let her out?
