

Chapter 941: Stop Right There

Yuan Sichun narrowed her eyes and looked at her coldly.

At the Shen residence.

At the Su residence.

Both of them had fallen because of Shen Fanxing.

Did she mean that if she looked down on the Yuan family, she would end up like the Shen and Su families?

“Ha...”

The cold atmosphere was broken by Yuan Sichun’s sneer.

She looked up at Shen Fanxing and smiled sarcastically. “Sister-in-law is so arrogant.”

Shen Fanxing smirked and said, “That depends on how restless you are.”

Yuan Sichun sneered silently as her eyes darkened.

Shen Fanxing retracted her hand and straightened her body. She stared at Yuan Sichun coldly and said after some thought,

“I can more or less empathize with the obsession you’ve built over the years. I didn’t suffer any losses from your recent small actions, so I won’t bicker with you. The Bo family has been in a relationship with the Yuan family for several generations, so it’s a pity to part ways. But remember, you have to know when to stop. No matter how deep your relationship is, it can’t withstand exhaustion. I can accommodate you because of the Bo family, but it’s not without a bottom line.”

Sarcasm flashed across Yuan Sichun’s eyes. “You’re right. Relationships can’t withstand exhaustion. Everyone has a bottom line...”

Her tone was a little strange and the smile on her face was disgusting.

Shen Fanxing pursed her lips coldly before entering the bathroom.

Yuan Sichun stood rooted to the ground with a fearless smile on her face. A dark glint flashed across her eyes.

Qian Ziyu didn’t know much about Shen Fanxing. She didn’t understand the Shen and Su families. Anyway, from the ambiguous conversation and the atmosphere, she could tell that their relationship wasn’t good.

Of course, she could tell that Yuan Sichun liked CEO Bo.

Anyone would be indignant to be snatched away halfway.

“That woman is really arrogant. Is it because she has the support of Chief Executive Bo?”

Yuan Sichun retracted her expression and said, “Other than the Bo family, who else can she rely on?”

Qian Ziyu walked to the sink and took off the decorative ring and bracelet on his left hand. He placed them aside and bent down to wet his right palm to wipe the wine stains on his sleeve.

“She doesn’t have any family background. What right does she have to compete with you for a man? At most, I’ll let her have a taste of the Yuan family’s power. I think she should do this so that she can understand what family background and power are.”

Yuan Sichun also walked to the sink to wash her hands and tidied her hair.

“So what if she’s Brother Bo’s woman now? She’s just a woman from a small family. After some time, we’ll know her character. Whether it’s Grandpa Bo or Auntie, they’ll naturally have their judgment.”

Qian Ziyu smiled happily and said, “Sister Chun is right. Such a person is not presentable. She can’t get CEO Bo, let alone Brother Jinghang. Let her go back to where she came from.”

Yuan Sichun walked to the side and took two tissues to wipe her hands. At the same time, she sucked the water off Qian Ziyu’s clothes.

“Come and dry your phone.” She pointed at the phone on the wall and made way for Qian Ziyu.

When Shen Fanxing came out, Yuan Sichun was standing in front of the sink where she had just washed her hands. She glanced at her before retracting her gaze calmly. She looked up and tidied her hair again.

Shen Fanxing walked to the side and washed her hands. She took a tissue and threw it into the bin before leaving.

Qian Ziyu glared at her.

Shen Fanxing didn’t even look at her.

Qian Ziyu looked at Yuan Sichun through the mirror and said disdainfully,

“She looks serious, but I didn’t expect her to be a vixen.”

Yuan Sichun curled her lips and remained silent.

Qian Ziyu dried his clothes and was about to pick up the jewelry on the sink when his expression changed.

She practically pounced on the sink and looked around anxiously, as if she was looking for something.

Yuan Sichun was touching up her makeup. Seeing Qian Ziyu’s actions, she asked curiously,

“What are you looking for?”

“My bracelet! The bracelet I bought at The Queen today! I clearly took off my ring and placed it here. Why is it gone?”

Yuan Sichun placed the cosmetics in her bag. “Did you remember wrongly? Think carefully.”

“How can I remember wrongly? It’s only been a few minutes. I took it off and placed it with the ring. I remember it very clearly! Now, there’s only the ring left...”

At this point, Qian Ziyu paused. She seemed to have thought of something and anger appeared on her face.

“It’s that woman. It must be that damn vixen!”

She gritted her teeth and left the washroom angrily.

“Ziyu, Ziyu...”

Yuan Sichun called out anxiously and ran out of the washroom.

—

Shen Fanxing could feel that her body couldn’t take it anymore. She couldn’t help but feel a chill down her spine and her head was spinning. The thrilling experience in the pool had really frightened her.

There was nothing to be afraid of in this life. The only thing was that fatal flaw...

It was something she didn’t even want to touch.

When she walked into the venue, someone stood at the side and pointed at her.

“That’s the fiancée of the young master of the Bo family. She’s not from a prestigious family.”

“Isn’t she Star? She’s a famous international perfumer.”

“I can only rely on myself if I don’t have a father.”

“Shh, lower your voice...”

In the past, Shen Fanxing wouldn’t care about the gossip behind her back. Otherwise, she would be the most tired.

She was tired today and didn’t have the energy to care about this.

Bo Jinchuan was surrounded by people. When he saw Shen Fanxing walking out of the exit, he turned around and walked towards her.

Just as she was halfway there, a furious roar sounded behind her.

“Shen, stop right there!”

Shen Fanxing paused. The voice sounded familiar.

Unable to take it anymore, she closed her eyes and finally lifted her feet.

Shen?

There were so many people with the surname Shen, so why should she take the lead?

Qian Ziyu caught up with Shen Fanxing and grabbed her arm.

“You have a guilty conscience. Are you trying to escape?”

Shen Fanxing’s face, which was already dark, darkened even more.

Her voice was bone-chilling. “Let go.”

Startled, Qian Ziyu loosened his grip on Shen Fanxing’s arm before tightening his grip.

“Give me back my bracelet!”

Chapter 942: Dragging Them Down

“Give me back my bracelet!”

Shen Fanxing and Qian Ziyu became the center of attention again.

Lou Ruoyi walked over and asked, “What happened?”

Qian Ziyu’s anger didn’t subside. He glared at Shen Fanxing and shouted angrily,

“She stole my bracelet!”

“...”

“...”

The moment Qian Ziyu’s sharp voice fell, the entire venue fell silent.

What kind of occasion was this tonight? Although it was a welcoming banquet, everyone present was a lady of high society.

In the eyes of everyone, the word “steal” was enough to give this person a death warning.

Her reputation was completely ruined. What did that mean?

Shen Fanxing stood rooted to the ground in silence for a few seconds before a sneer flashed across her face.

How pervasive.

Everyone looked at Shen Fanxing with suspicion, hatred and disdain.

Updates by

“Indeed, it’s better to find a wife of equal social status. People from small families have so many shortcomings.”

“That’s right. She’s about to marry into a wealthy family. She can have anything she wants. Why hasn’t she changed her habit?”

“I’m afraid she’s used to it. When she sees something that belongs to someone else, her first reaction is to take it for herself...”

Some people around them whispered to each other. Although their voices were deliberately lowered, they were still light and ethereal.

“She stole your bracelet?” Lou Ruoyi’s face turned cold. “With her character, she wouldn’t do such a thing. As the daughter-in-law of the Bo family, she wouldn’t do such a shameful thing. You have to figure out if you remembered wrongly. Don’t slander others!”

Lou Ruoyi’s cold and angry voice was loud and clear, silencing the whispers around her.

Yuan Sichun frowned and glanced at Lou Ruoyi.

She was clearly unhappy with Shen Fanxing just now, but why was she acting as though nothing had happened? She stood up to protect her.

Perhaps it was because she had suffered a shock tonight that all her defenses were removed. Shen Fanxing suddenly felt a lump in her throat.

This should be the unconditional trust and protection a mother had for her daughter.

She had experienced it before, but after so many years, this feeling suddenly surged out, making her feel nostalgic and touched.

Her eyes trembled slightly, and a faint smile appeared on her indifferent face.

Bo Jinchuan observed her expression and his eyes darkened. He strode towards her and pulled her into his embrace.

“I’ll bring you back first.”

Bo Jinchuan’s appearance made everyone’s faces turn serious. They took a few steps back and didn’t dare to say another word.

“You can’t leave!”

Qian Ziyu suddenly screamed and strode in front of Shen Fanxing and Bo Jinchuan.

An extremely cold aura almost froze the entire venue.

Everyone gasped and didn’t even dare to breathe loudly.

Looking at Bo Jinchuan’s handsome face, Qian Ziyu’s legs went weak.

“Brother... Brother Bo...”

“Get lost.” Bo Jinchuan’s voice was extremely cold.

Shen Fanxing grabbed Bo Jinchuan’s arm and said softly,

“Wait a minute. This matter does need to be resolved. Otherwise, there will be a misunderstanding.”

Even though she had a clear conscience, she couldn’t let others think that Bo Jinchuan’s wife was a thief. The wife of the Bo family’s young master was an unpresentable person.

Neither.

Now, she couldn't allow herself to be tainted.

Bo Jinchuan frowned and tightened his grip on Shen Fanxing.

Lou Ruoyi said, "This matter needs to be resolved first. Jinchuan, don't be nervous."

Nervous.

Lou Ruoyi was more or less surprised.

Although she knew that her son liked Fanxing, she didn't expect him to be so nervous.

Fanxing didn't look too good, but she wasn't at her limit.

He actually wanted to forcefully take Fanxing away when the situation was unclear.

Was Fanxing's reputation gone?

She didn't want the Bo family's reputation anymore?

Did he not care about anything anymore?

"I'll settle this," said Bo Jinchuan firmly.

Shen Fanxing pushed Bo Jinchuan away gently and smiled at him.

"Wait for me for two minutes. I'll settle this myself."

Bo Jinchuan tightened his grip on her hand, refusing to let go.

Shen Fanxing looked up at him and asked, "Don't you believe me?"

Bo Jinchuan's eyes flickered as he lowered his head to stare at her. In the end, he let go of her hand.

Shen Fanxing was touched and she gave him a reassuring smile.

Then, she slowly turned her body to face Qian Ziyu. The smile on her face had already disappeared.

"Without evidence, why do you insist that I took your bracelet?"

At the mention of the bracelet, Qian Ziyu was furious.

"You're still quibbling? When I bought the bracelet today, Sister Chun, Aunt Bo, and even Aunt Bo were there. You dare to say that you didn't like my bracelet? Back then, you even had a small argument with me over that bracelet. In the end, I still bought it. You must be indignant, right? That's why when I wasn't paying attention in the washroom, you took the bracelet away from me!"

Qian Ziyu had said so much in one breath, and there were four witnesses.

It sounded like there was evidence.

Shen Fanxing sneered and said, "Since I gave it to you back then, I have no intention of insisting on it. If I really like it, you won't even have the chance to touch it."

As she spoke, she looked at Yuan Sichun.

“Miss Yuan was present back then, right?”

Everyone’s gaze landed on the silent Yuan Sichun. Bo Jinchuan narrowed his eyes and looked at her.

That cold and sharp gaze was like an arrow shot with ice. Yuan Sichun’s heart trembled and she took half a step back.

Then, she immediately noticed that something was amiss and hurriedly said,

“Sister-in-law, what do you mean? Are you suspecting that I took Ziyu’s bracelet?”

Shen Fanxing smirked and said, “Now that you mention it, it’s not impossible. But what I wanted to ask is, since you were present, didn’t you see if I took her bracelet?”

“If she thinks that I took it, it should be after I came out of the bathroom. I remember that you were tidying your hair in the mirror. She said that her bracelet was on the sink. If I wanted to take it, you should be the easiest to find.”

Yuan Sichun’s face darkened and she gritted her teeth!

This damned woman!

He actually wanted to drag her down with him!

Chapter 943: That’s All I Remember

From the beginning to the end, she was a bystander.

Even if there were any consequences, it had nothing to do with her.

Now that she had been dragged down, it was difficult for her to stay out of trouble.

Shen Fanxing gave Yuan Sichun a faint smile.

Yuan Sichun’s expression changed subtly. In the end, under everyone’s gaze, she had no choice but to say,

“I didn’t notice it back then because I didn’t expect Sister-in-law to be a thief... But you were right just now. Ziyu did take off her jewelry after you entered the bathroom... Then, I remember that when you came out, Ziyu was drying clothes on her phone. When I was at the sink outside, you were indeed washing your hands behind her... Yes, that’s all I remember.”

As Yuan Sichun spoke, she recalled the situation seriously.

She didn’t say that Shen Fanxing had stolen Qian Ziyu’s bracelet, but this process increased the possibility of Shen Fanxing stealing it.

She pointed out that Shen Fanxing knew the exact time she had lost the bracelet.

She had also approached the location of the bracelet at that time.

Everyone could no longer restrain their fear of Bo Jinchuan.

The doubt in her eyes turned into certainty and disdain.

Hearing this, Qian Ziyu felt even more confident!

“Hurry up and return my bracelet to me!”

Updates by

Shen Fanxing looked at her coldly and said, “I said I didn’t take it.”

“You...”

Qian Ziyu didn’t expect Shen Fanxing to be so stubborn. He pointed at her and said,

“Even a fool can tell that Sister Chun is saying that you stole my bracelet, but you refuse to admit it!”

“Oh? So what Miss Yuan said just now was to clearly say that I stole the bracelet?” asked Shen Fanxing sarcastically.

Yuan Sichun’s chest tightened as she cursed Qian Ziyu for being an idiot!

Seeing Lou Ruoyi’s cold gaze directed at her, Yuan Sichun couldn’t tell what she was thinking. However, she still felt nervous.

Moreover, there was Brother Bo...

When she looked up at him, he wasn’t looking at her.

However, she could clearly feel that cold gaze.

“I... I’m just telling the truth. I didn’t say that Sister-in-law stole it...”

Qian Ziyu glanced at Yuan Sichun and said, “Sister Chunchun, why are you giving her face now? It’s fine if you see it. If you don’t say it, she won’t be grateful to you.”

“...” Yuan Sichun gritted her teeth!

Qian Ziyu, that damn idiot!

Shen Fanxing stood there, sneering coldly. The sarcasm on her face was obvious.

“I see. Looks like I was foolish. But what should I do? I really didn’t take your bracelet. In that case, did Miss Yuan deliberately frame me by saying that she saw me steal the bracelet?”

“...”

“I heard that Miss Yuan is childhood sweethearts with the two young masters of the Bo family. She adores the young master, but now that her fiancée is someone else, she must be feeling indignant...”

“Everyone in the industry thinks that the eldest daughter of the Yuan family will be the future young mistress.”

“That’s hard to say. If we chase this woman out, won’t she still have the best chance?”

...

Sensing the questioning gazes from the people around her, Yuan Sichun frowned. After some thought, she pulled Qian Ziyu to her side.

“Ziyu, why don’t we forget about this matter? It’s just a bracelet anyway. We can buy another one.”

Qian Ziyu glared at her. “How can I? I only had one bracelet when I bought it. I like it very much. How can I let her have it? No! I must find the bracelet today!”

Shen Fanxing watched their conversation and fell into deep thought. In the end, her eyes flickered and she clasped her hands.

Then, his expression changed slightly.

She turned around and saw Bo Jinchuan’s dark expression. She paused before walking to his side.

Bo Jinchuan’s gaze followed her closely. Before she got close, he raised his arm, afraid that she would fall. He pulled her into his embrace.

That careful and protective look made everyone’s hearts flutter.

It turned out that this cold and heartless man was actually so gentle.

However, all his gentleness and doting were only given to one person.

“How much longer do you need?” asked Bo Jinchuan in an aggrieved tone.

Shen Fanxing smiled apologetically, knowing that he was angry at her for not letting him handle this matter and her persistence.

She was touched by the respect he gave her.

But she didn’t need his help.

Most of the people present today were women who coveted the Bo family.

What she had to do was not a woman who needed protection.

Instead, it was a woman who had the right to stand beside him.

She looked up at the man’s handsome face and placed her hand on his chest. She tiptoed and adjusted his tie.

Bo Jinchuan bent down instinctively.

“Yes?”

His low voice made Shen Fanxing look up at him. Her lips curled and her gaze landed on his side profile.

Bo Jinchuan bent his back and pressed his face against Shen Fanxing’s.

“There’s someone in our room. Call him down for me.”

Shen Fanxing said softly before retreating slightly. She placed her hand on his chest and smiled at him.

Bo Jinchuan straightened his body slowly and stared at her for a while. In the end, the corners of his lips curled up. He held her hand and kissed it.

“Wait here.”

Shen Fanxing grabbed his shirt again.

“Arrange for someone else to go.”

Bo Jinchuan raised an eyebrow and asked, “Why?”

“It’s not good to be alone in a room,” said Shen Fanxing calmly.

Bo Jinchuan smiled.

The intimacy between the two of them made Yuan Sichun a joke in everyone’s eyes.

Now that Young Master Bo doted on this woman so much, what was the use of her trying to frame Shen Fanxing?

It would only make her seem like she was pestering him.

When Yuan Sichun saw how openly Bo Jinchuan doted on Shen Fanxing and how everyone looked at her, the hatred in her eyes intensified.

She held Qian Ziyu’s arm tightly and continued,

“Ziyu, you shouldn’t make a scene here! Even if this matter has to end today, someone will be embarrassed! Besides, you don’t have any evidence to prove that Sister-in-law stole it...”

Shen Fanxing watched as Bo Jinchuan left and the smile on her face turned cold.

After Yuan Sichun’s words, Qian Ziyu said loudly,

“I don’t care if she’s embarrassed or not. Since she stole something, she deserves to be embarrassed in front of others! There’s no evidence? Since she refuses to admit it, let’s search her!”

Chapter 944: Trust Miss Yuan

“I don’t care if she’s embarrassed or not. Since she stole something, she deserves to be embarrassed in front of others! There’s no evidence? Since she refuses to admit it, let’s search her!”

“This... isn’t appropriate! Ziyu, stop fooling around!” Yuan Sichun looked troubled and wanted to pull Qian Ziyu away.

“What did I do? Sister Chun, I lost something. I’m the victim. She stole something from me and refused to admit it. Doesn’t that mean she owes others to search her body?”

“How dare you!” A furious voice sounded.

Everyone was stunned when they saw Lou Ruoyi’s face turn ashen. Her usually optimistic and smiling face was now cold and full of anger.

Qian Ziyu shrunk his shoulders and looked at Lou Ruoyi timidly.

Lou Ruoyi's chest heaved with anger.

A body search?

This was an insulting action to begin with, let alone under such circumstances!

How could Fanxing face being searched in public?

"Who here doesn't know that Shen Fanxing is my daughter-in-law? The future daughter-in-law of the Bo family? You want to search her body in public? Are you trying to humiliate me or the Bo family? Who gave you the guts to say such words?!"

"Auntie... Auntie, I..." She swallowed her saliva and glanced at Shen Fanxing. Her heart hardened. "She hasn't married into the Bo family yet, right? Auntie, I'm doing this to let you see her true colors. How can such a despicable woman be worthy of entering the Bo family!"

"I have eyes! You don't have to worry about whose face is clear! There are many women who are worthy of entering the Bo family, but you're definitely not worthy of entering the Bo family!"

Qian Ziyu choked and looked at Lou Ruoyi. He was so angry that his eyes turned red.

Updates by

All she wanted was to marry into the Bo family.

If Bo Jinchuan couldn't do it, she would look for Bo Jinhang!

How... how could she...

Wasn't she doing this for the sake of the Bo family...

Seeing that the situation had reached a stalemate, Shen Fanxing smirked and stole a glance at Yuan Sichun.

She would never let go of such an opportunity to embarrass herself in front of everyone.

Moreover, they had already made sufficient preparations. How could they give up halfway?

As expected, the moment Shen Fanxing looked over, Yuan Sichun couldn't help but walk up to Lou Ruoyi.

With a troubled expression, she said, "Auntie, Ziyu has indeed gone overboard today. As her sister, I must apologize to you and Sister-in-law... but..."

Shen Fanxing raised an eyebrow.

Here it comes.

"But think about it, things have already reached this stage. If we don't resolve it now, what about Sister-in-law's reputation? The only way now is to prove her innocence and seek justice for her..."

Lou Ruoyi frowned and glanced at Yuan Sichun coldly. She didn't say anything and didn't intend to respond to Yuan Sichun.

"So, Miss Yuan still wants to search him."

Yuan Sichun was worried that no one would follow her wishes when Shen Fanxing suddenly spoke.

Her lips curled and she said, "Otherwise... Sister-in-law, do you have any other ways?"

Shen Fanxing smiled and said, "Since the smart Miss Yuan suggested a body search, I'll give you face."

Yuan Sichun frowned and felt that something was amiss.

She was giving her face?

How could she give her face?

Shen Fanxing glanced at her before looking at Qian Ziyu. "What if I didn't steal it? How are you going to resolve the matter of you slandering me and searching my body in public?"

Qian Ziyu was stunned by Shen Fanxing's sudden compromise.

Now, even she wondered if she had stolen the bracelet.

She looked at Yuan Sichun carefully.

Yuan Sichun gave her a reassuring look before she snorted coldly.

"How could you not have stolen it?! Alright, if you didn't steal it, I'll kneel down and apologize to you. I'll go through the legal procedures!"

"The maximum punishment for slander is three years in prison," said Shen Fanxing calmly.

"Then three years in prison!"

"Okay, I agree." Shen Fanxing nodded and turned to look at Yuan Sichun.

"Since it's Miss Yuan who suggested the search, and I believe in her character, I'll leave the task of searching to her."

As Shen Fanxing spoke, Bo Jinchuan and Bo Jinhang walked over with a woman.

Upon hearing Shen Fanxing's words, Bo Jinchuan and Bo Jinhang frowned.

Yuan Sichun suggested a body search?

With her back facing them, Yuan Sichun frowned when she heard that. "This... isn't too good, right?"

"But what should I do? I only trust you. Miss Yuan is so anxious to prove my innocence. Who else present has such a good heart?"

"..." Hypocrite!

"Sorry to trouble you, Miss Yuan."

Shen Fanxing walked towards her and opened her arms slowly.

“Fanxing!”

Lou Ruoyi looked at her disapprovingly.

Not only was a girl slandered, but she was also searched in public.

Didn't he consider his reputation?

She thought she was easy to bully!

Shen Fanxing smiled at her and said, “It's alright, Mom. This is the only way to prove my innocence.”

“But you...”

The smile on Shen Fanxing's face was faint, but Lou Ruoyi could sense the fatigue in her eyes. She pursed her lips and remained silent.

Alright, let's settle this quickly and let her go back to rest.

Looking at Shen Fanxing's honest expression, Yuan Sichun sneered in her heart and walked towards her.

“Sister-in-law, then... I'm sorry.”

Shen Fanxing raised an eyebrow and said, “Search anywhere.”

Yuan Sichun smiled and reached out to touch Shen Fanxing. However, just as her hand touched Shen Fanxing's shoulder, she suddenly said,

“Miss Yuan, please save time and check your pockets.”

Yuan Sichun's heart skipped a beat!

Shen Fanxing was taller than Yuan Sichun. Yuan Sichun had to raise her head to look at her.

Shen Fanxing's face was cold, but there was a hint of a smile in her eyes. She looked extremely sarcastic.

Yuan Sichun frowned and lowered her head, feeling uneasy.

The thought of retreating welled up in her mind. Her intuition told her that Shen Fanxing wasn't that easy to deal with, but she was already in a difficult position.

She had no idea what Shen Fanxing was thinking.

Frowning, she reached into Shen Fanxing's pocket.

When she reached into her pocket, Yuan Sichun froze.

Shen Fanxing frowned at her before looking up at Bo Jinchuan and Bo Jinhang. She smiled and shrugged at them.

Her confidence and intelligence made it seem like... everything was within her expectations.

Chapter 945: I Can't Even Know Some Plots In Advance

Her confidence and intelligence made it seem like... everything was within her expectations.

Bo Jinghang coughed lightly and leaned towards Bo Jinchuan. He whispered,

“Sister-in-law is the most amazing woman in the world. I feel that no matter what happens, she’s not afraid.”

As he spoke, he looked down at the trembling little woman standing in front of them and shook his head.

“For Sister-in-law to be able to plan ahead in an emergency, I’m really ashamed of my inferiority. This young lady has been picked up since she got off work in the afternoon. She has been eating and drinking in her room until now... Although I don’t know why Sister-in-law called her here... it’s definitely useful.”

Bo Jinchuan merely gave him a sidelong glance and stared intently at Shen Fanxing. His lips were pursed and his face was cold.

Bo Jinghang pursed his lips and looked at the woman in front of him.

“Hey, young lady, do you know why my sister-in-law called you here?”

The trembling woman hunched her shoulders. “I... I don’t know.”

“Tsk, you can’t even know the plot in advance!” Bo Jinghang complained as he stood by the side with his hands in his pockets.

—

Yuan Sichun paused for a moment before a smile appeared on her face.

She thought that Shen Fanxing had discovered the item in her pocket and moved it elsewhere.

Unexpectedly, it was still there.

Updates by

Repressing the emotions on her face, Yuan Sichun reached out her hand and held the item. She looked up at Shen Fanxing in disbelief.

“Sister-in-law, you...”

Before she could finish speaking, Qian Ziyu suddenly pounced over and snatched the bracelet from Yuan Sichun.

“My bracelet!”

“!”

“!!!”

Everyone around gasped in shock!

She had actually... been found?!

Although she felt disdain in her heart just now, it was just wishful thinking. This was much different from being caught red-handed.

To be caught red-handed in front of so many people, this...

How embarrassing!

Lou Ruoyi's face changed and her heart skipped a beat.

"F*ck!!!"

Bo Jinhang, who was about to watch the show, was shocked when he saw the bracelet.

Damn it, what was going on?!

She actually found it?

This was awkward, okay?!

Everyone couldn't hide the way they looked at Shen Fanxing.

Gloating, contempt, disgust...

However, this had no effect on Shen Fanxing.

She stood there quietly, neither servile nor overbearing. Even though someone had found evidence on her, she did not panic at all.

Her beautiful face was cold, and there was a faint smile in her eyes, but there was an endless coldness.

Qian Ziyu looked at his bracelet repeatedly. He was overjoyed for a long time before he turned to glare at Shen Fanxing.

She raised the bracelet in front of Shen Fanxing and shouted angrily and smugly,

"What else do you have to say?! I asked you to hand it over long ago, but you refused. Now that it's been searched in public, it feels especially good, right? How shameless!"

Then, she turned to look at Lou Ruoyi. "Auntie, did you see that? I just bought this bracelet today. You were there back then. Now that Sister Chun has personally searched her body in front of so many people, do you still believe her?!"

Lou Ruoyi pursed her lips and stared at her coldly.

"Of course I believe you!"

"..."

"..."

"..."

Yuan Sichun's eyelids twitched violently.

Everyone cursed in their hearts. Was Madam Bo possessed? The truth was right in front of her, yet she still believed her?

Shen Fanxing's eyes flickered and her lips twitched.

"Auntie! What are you thinking..."

"I'm not thinking about anything! I believe in my son's judgment and Fanxing's character!" Lou Ruoyi said coldly.

"But! The truth is right in front of us!"

"What truth? The bracelet was found on her? Is she stupid? Since she was the one who stole it back then, how dare she carry it with her?! Not only did she carry it with her, she even agreed to your search in front of so many people?!"

Lou Ruoyi's gaze swept past Yuan Sichun and everyone else.

"Who's stupid? Even a fool can tell that she was framed! Do you believe her?"

"..."

Everyone shook their heads. Since he said that those who believed him were fools, they naturally couldn't believe him!

And from what she said, it seemed to be true.

Seeing everyone like this, Qian Ziyu stomped his feet in anger!

"That doesn't prove that she didn't steal it. Moreover, Sister Chun could testify that she stole it in the washroom just now. Now, the evidence has been found... The evidence is clear! You..."

Qian Ziyu was on the verge of tears. Who was Shen Fanxing? Even at this stage, there were still people who believed her!

"If... if she didn't steal it, why is my bracelet on her?!"

As Qian Ziyu spoke, he burst into tears.

Seeing this, Yuan Sichun quietly walked to Qian Ziyu's side and comforted him softly.

"Alright, Ziyu, since the bracelet has been found, it's fine. Auntie was right just now. That's indeed the case. No one would steal something and keep it with them. Sister-in-law is so smart. It's impossible for her to do such a thing and let me search her on the spot..."

Shen Fanxing narrowed her eyes at Yuan Sichun coldly.

Discussions broke out around them.

"That's true. Since she's so smart, she must know that even if someone finds her on the spot, it won't prove that she stole it. Therefore, she might as well bring it with her. It doesn't matter if she's found..."

"She's smart enough to think that we're not fools. That's why she used this..."

Qian Ziyu paused for a while before reacting.

“That’s right! She thought that even if she was found, no one would believe that she stole it. That’s why she placed my bracelet in her pocket! Yes, that’s it!”

Shen Fanxing took a deep breath and looked around. She walked to a pillar and leaned against it.

Everyone did not understand her actions and their gazes followed her.

Placing her weight on the pillar behind her, Shen Fanxing heaved a sigh of relief.

“What are you doing?” Qian Ziyu frowned.

Enduring the throbbing pain in her forehead, Shen Fanxing crossed her arms and stared at the bracelet in her hand.

He said casually, “You’re mistaken. That’s my bracelet, not yours.”

“...”

“...”

Everyone was completely dumbfounded this time. What kind of turn of events was this?

Why was it her bracelet?

Chapter 946: Answer Second Young Master

Didn’t she say that there was only one bracelet left when she bought it? And it was bought by Qian Ziyu!

Why was it hers?

Even Lou Ruoyi frowned slightly when she heard Shen Fanxing’s words.

When she bought this bracelet back then, she was also present. There was only one bracelet left and Qian Ziyu bought it.

Why did she say that?

She would never believe that she had stolen it!

Otherwise, she would have lived for forty years in vain!

“Yes?”

Bo Jinghang tilted his head and stared at Shen Fanxing with a puzzled expression.

“Why does that bracelet belong to Sister-in-law?” He kicked the woman in front of him, scaring her so much that she shrank back.

“Hey, young lady, could it be that your boss bought another identical bracelet?”

Yes!

The woman Shen Fanxing had asked Bo Jinchuan to look for was The Queen's employee, Qiao Yuyan.

Just seeing Shen Fanxing as her superior was enough for Qiao Yuyan. Now, the two people standing beside her... were actually the young master and second young master of the Bo family!

Updates by

She hadn't lived long!

She was really still young!

She had really not seen much of the world!

Everything had to be done step by step, right?

Why did she meet people she would never meet in her life?

"Second... Second Young Master, our boss didn't buy that bracelet. When Miss Qian bought it, it was really the last one."

Bo Jinghang was puzzled.

"That's strange. Where did Sister-in-law's bracelet come from?"

Qiao Yuyan thought for a while and her mouth opened and closed. "That..."

"You're hilarious! There was only one when we bought it, and now you're saying it's yours? You have so many excuses!"

Qian Ziyu's sharp voice sounded with a sneer. "What other excuses do you have? Tell me everything. Let me see how many excuses you have prepared tonight!"

Shen Fanxing smirked coldly as she looked at Yuan Sichun.

"I'm telling the truth. If you don't believe me, you can ask Miss Yuan."

Yuan Sichun, who had been gloating and watching the show, suddenly became the center of attention before she could retract her sneer.

Her face froze and she frowned at Shen Fanxing.

Everyone was confused by Shen Fanxing and their curiosity was suffocating them.

From the start, the eldest daughter of the Yuan family had given them the impression that she was on Qian Ziyu's side. Now, Miss Shen had pulled her out to be an "alliance". What was she trying to do?!

Surrounded by everyone's curious gazes, Yuan Sichun was also dumbfounded!

What did this have to do with her?!

Qian Ziyu looked at her in confusion.

"Sister Chun, what... happened?"

How did she know?

She looked at Shen Fanxing warily and said, "Sister-in-law, I don't know what you're talking about. I didn't know you had such a bracelet."

She paused for a moment and glanced at Qian Ziyu and Lou Ruoyi. She pursed her lips and said, "When I bought the bracelet back then, I only knew that Qi Yu had bought the only bracelet. I don't know where you got the exact same one. If it's really yours, I have to congratulate you. You've finally bought something you like without any regrets."

"When did she buy it? The logo of The Queen is clearly printed on the inner wall of my table. Where did she buy it from?!"

Qian Ziyu opened his palm, intending to let everyone see the logo.

Yuan Sichun glanced at it and smiled awkwardly. "Then I have no idea."

"You don't know? How can that be?" Shen Fanxing smiled and pointed at the bracelet in Qian Ziyu's hand. "Didn't you give me that bracelet?"

"..."

"..."

"!!!"

Everyone present was in an exaggerated state of confusion.

'What do you mean?'

Was this bracelet a gift from Miss Yuan?

Yuan Sichun's confused face suddenly darkened. "Sister-in-law... What are you talking about? When did I give you a bracelet? I know you're in an awkward situation now, but this has nothing to do with me. Even if I want to absolve you, I have to be honest..."

Shen Fanxing smiled faintly, her expression full of sarcasm.

"I'm naturally speaking the truth. Miss Yuan, what you're doing is really immoral. You can clearly prove that I didn't steal Qian Ziyu's bracelet, but you insist on refusing to testify for me. Didn't you give me this bracelet in the washroom just now? You said that you haven't given me a gift since you came back. You know that I like this bracelet very much, so you forced it on me."

"I didn't..." When had she ever said such things?

"Hahaha... you're spouting nonsense! Back then, I was in the washroom too. The two of you didn't speak much. Moreover, the Shen family and the Su family have nothing to do with what you just said. Shen Fanxing, you're lying."

Everyone couldn't react in time and their gazes landed on Shen Fanxing.

"Nonsense? Miss Yuan, you're going to be the head of the Yuan family in the future. Your memory needs to be improved."

Yuan Sichun felt a lump in her throat as she stared at Shen Fanxing's nonchalant but confident face. Her aloofness and strong aura made her instinctively detest and reject her.

She hated her dazzling and domineering appearance. She hated admitting her excellence!

She hated her even more for doubting her ability to be the head of the family.

The situation had reached a stalemate. Shen Fanxing looked at Yuan Sichun and smirked coldly.

She slowly lowered her arms and rested them on the pillar behind her for a while before straightening her body and walking towards Qian Ziyu and Yuan Sichun.

Her steps were light and slow, but Yuan Sichun felt an inexplicable sense of fear and wariness.

Shen Fanxing walked to Qian Ziyu and stood in front of him. Without knowing what Qian Ziyu wanted to do, she easily took the bracelet.

"What are you doing?! Give it back!" Qian Ziyu shouted angrily and reached out to snatch the bracelet from Shen Fanxing.

However, Shen Fanxing avoided her. She lowered her gaze and looked at Qian Ziyu, who was shorter than her. Her eyes were filled with coldness.

"This is mine. Your bracelet might be on someone else now."

"You... you're too much! This is my bracelet! How can you be so shameless! You've been caught red-handed! You still want to deny it! I'm going to get the police to arrest you!"

Shen Fanxing nodded and said, "Sure... But I've already informed them to come."

Chapter 947: Mrs. Bo, Who Dares Not Give Her Face?

Shen Fanxing nodded and said, "Sure... But I've already informed them to come."

"You..."

However, while Qian Ziyu was panicking, Yuan Sichun's face turned pale and flustered...

No, that was impossible.

How could she know?

The crowd was in chaos and they were equally confused.

"What happened? The thief called the police?"

"So she's not the one who stole it?"

"Maybe. Otherwise, is she crazy?"

"Does that mean that the bracelet in her hand is really hers?"

"I think so. But in that case, who stole the bracelet?"

Everyone's gaze landed on Yuan Sichun.

Although they felt that the eldest daughter of the Yuan family wouldn't do such a thing...

Who knew?

Updates by

Yuan Sichun had never received such an unbridled questioning gaze before. Every gaze was like a knife stabbing into her body.

He was overwhelmed.

Shen Fanxing's gaze swept past Yuan Sichun and she rubbed the bracelet in her hand with a smile. "Miss Yuan, have you really forgotten?"

Yuan Sichun's pupils constricted as she gripped her bag tightly.

Shen Fanxing raised an eyebrow and nodded helplessly.

"Alright, there's no other way..."

As soon as she finished speaking, there was a commotion at the door. Everyone turned their heads and gasped.

It was really the police!

This Miss Shen wasn't just for show, but when did she...

Qian Ziyu's eyes widened in disbelief. He didn't expect Shen Fanxing to really call the police...

Then she...

Was she really not a thief?

"Excuse me, who is Miss Shen Fanxing?"

Shen Fanxing smiled and turned to look at a few people in police uniforms. She raised her hand.

"I am."

Yuan Sichun's face turned even paler.

"May I know what happened?" The police officer asked.

Shen Fanxing explained briefly, "Miss Qian Ziyu lost her bracelet in the washroom. However, there were three people in the washroom back then. I was the only one suspected of being the thief and I was searched in public. After that, Miss Qian Ziyu mistook my bracelet for hers. I need to be innocent now, Officer."

The police officer frowned and fell silent for a while. He looked up at Bo Jinchuan and said,

"Since there were three people in the washroom back then, you shouldn't be the only suspect. Since you were searched, the other two should be searched too."

Shen Fanxing smiled and said, "Thank you, Officer."

"You should."

After the police officer finished speaking, he instructed the female police officer he had specially brought over.

"Pfft..."

Bo Jinghang couldn't help but laugh. "Sister-in-law, you're too much. You even considered bringing a female police officer along. I think it's just for the convenience of searching her body. You really can't take any losses. Do you want to search everyone together? Pfft..."

Bo Jinchuan remained expressionless, his gaze fixed on Shen Fanxing.

Seeing his brother like this, Bo Jinhang shook his head helplessly. "Brother, look, Sister-in-law is so powerful, right? She fights on her own and her combat power is off the charts! Alright? She's good!... But... she's a woman and she doesn't seem to rely on you for anything. Don't you think that you don't have any bargaining chips to keep her? You're in danger... It's not a good thing for a woman to be too strong. She doesn't rely on you at all and can leave whenever she wants. She has a good life wherever she goes..."

Bo Jinchuan's face darkened instantly!

From the start, he had been unhappy because she didn't want him to interfere. Now that Bo Jinhang had said it so bluntly, it was as if he had pinched something invisible into a sharp arrow that pierced straight into his heart.

For some reason, Bo Jinhang had poked her chest.

Fanxing didn't rely on him.

He had no leverage to keep her!

He was in danger!

Seeing the sudden change in Bo Jinchuan's expression, Bo Jinhang grinned and moved away silently.

"Actually, that's not true... How can I not have any bargaining chips? Sister-in-law loves you, so she's your biggest bargaining chip, right? Hahahaha..."

Bo Jinchuan didn't look any better.

In front, just as the female police officer stood up, Yuan Sichun took two steps back. Her face was pale and ugly.

"Don't touch me!"

"... Miss, please cooperate with the police."

At this moment, Ye Zhiqing, who had been watching the show silently, stood up with a straight face.

"Are you suspecting the Yuan family of stealing?!"

The Yuan family?

Was he using his family background to suppress others?

With a cold expression, Yuan Sichun looked at the female police officer opposite her warily and forcefully, not allowing her to get close.

“We’re just doing our job. Miss Yuan is naturally one of the suspects.”

Ye Zhiqing said angrily,

“How dare you! How dare you search Sichun’s body in public? Where is the dignity of our Yuan family?!”

“...”

The banquet hall fell silent.

The Yuan family!

Yes, the Yuan family was not to be trifled with.

In a place like Hong Kong where the underworld was everywhere, so what if a few lives were lost?

“Mrs Yuan...”

Lou Ruoyi suddenly spoke. Her voice was cold and her expression was cold.

“When Sichun suggested a body search, why did you think that Shen Fanxing was a member of the Bo family? My daughter-in-law was personally searched by your daughter. Now that she’s with you, she’s not even qualified to be a law enforcement officer? It seems like your Yuan family’s reputation is really high. Our Bo family is really far from it!”

Ye Zhiqing’s face froze. “Mrs. Bo, what are you saying...”

“What I said is what I saw. Now that the matter needs to be resolved, I need to give my daughter-in-law an explanation immediately! Since we’re both suspects, it’s natural for me to search her body. What do you think?”

“Mrs. Bo...”

“What do you mean by insisting on not searching? Do you not believe in your daughter’s character, or is Sichun guilty?”

“...”

“...”

The banquet hall fell silent. The female police officer stood rooted to the ground, waiting for the next order.

Lou Ruoyi didn’t make things difficult for the police officer. Instead, she smiled and said to Yuan Sichun,

“Sichun, regardless of whether your mother believes you or not, I still believe in your character. It’s just a body search. Now, someone suspects you of stealing. Just like what you said just now, in order to prove your innocence, I can only suffer for a while. Officer, search.”

Without waiting for everyone to refuse, he ordered the police officer.

Who would dare to disrespect Madam Bo?

Chapter 948: Signing

Who would dare to disrespect Madam Bo?

Ye Zhiqing gritted her teeth and didn’t say anything. She only snorted coldly.

“I naturally believe in my daughter’s character. But I can’t let this matter rest!”

As she spoke, she glared at the police officers.

The female police officer pursed her lips and stepped forward expressionlessly. Her gaze was already fixed on Yuan Sichun’s handbag. The first thing she did was to take it.

Yuan Sichun refused to let go, but it ended up in the policewoman’s hands.

Everyone couldn’t help but surround her curiously. They craned their necks to watch the female police officer open Yuan Sichun’s high-end and exquisite bag. They saw her taking out the items inside bit by bit. Cosmetics, lipstick, mini perfume, phone, and... bracelets!

“Ah!”

“How did this happen?”

“Oh my god, what’s going on?”

“Why does Miss Yuan have an identical bracelet?!”

Yes!

It was a bracelet identical to Qian Ziyu’s.

A bracelet that looked exactly like Shen Fanxing’s!

Updates by

Shen Fanxing stood quietly at the side and glanced at the bracelet. She smiled calmly without any surprise.

Everything was indeed... Ha.

Ye Zhiqing’s confident and arrogant face instantly turned pale.

How could this be?!

Qian Ziyu pounced on Yuan Sichun and snatched the bracelet from her.

After taking a closer look, her face was filled with disbelief.

“What... What’s going on?! Sister Chun, you...”

Yuan Sichun stood rooted to the ground and stared at the bracelet on Qian Ziyu’s hand. Her expression was unreadable.

She clenched her fists tightly and said calmly after a while,

“That’s my own bracelet.”

“...”

“...”

“!!!”

Everyone was speechless.

Qian Ziyu was even more confused as he held his head with both hands.

“This is your bracelet, that’s her bracelet! Where’s my bracelet?!”

The most innocent person present was probably Qian Ziyu.

She was clearly the victim in the beginning. She only wanted to find her favorite bracelet. Why did she have a few bracelets in the end, but...

Where was her bracelet?

“F*ck! What’s going on?! Why am I in a daze from the beginning to the end? My head... my head is still there. Why do I not understand?”

Bo Jinghang touched the head on his neck. After confirming that it was still there, he couldn’t help but complain.

The surrounding people were even more shocked.

“This... Could it be that Miss Yuan stole it?”

“She seemed to be afraid of being examined just now. She must be guilty!”

When Ye Zhiqing heard that someone suspected her daughter, she pointed at Shen Fanxing angrily.

“Who said that she’s a thief just because she took it out of her bag?! Even Sichun said that it was her! She was searched just now, but she wasn’t directly convicted!”

“...”

At this moment, Yuan Sichun continued,

“I bought this at The Queen last night. If you don’t believe me, there’s a record of my purchase at The Queen’s shop. Just check.”

Compared to her flustered expression just now, she looked much more confident. No one could doubt her.

At this moment, Shen Fanxing, who had been fiddling with her bracelet, suddenly spoke.

“Qiao Yuyan.”

She didn’t even look up. “Come here.”

Everyone looked at her doubtfully, wondering who she was talking to and what she was saying.

Not long after, a trembling girl squeezed out of the crowd.

“Shen... Shen...”

“It’s you? What a coincidence!” Qiao Yuyan was so nervous that she didn’t even manage to say hello before she was stopped by Yuan Sichun.

“Miss Yuan...” Qiao Yuyan called out softly.

Yuan Sichun grabbed Qiao Yuyan’s arm and said anxiously,

“Aren’t you the salesperson of The Queen? I remember that you handled the bracelet last night, right?”

Qiao Yuyan glanced at Shen Fanxing, not knowing what to do. However, Shen Fanxing didn’t look at her.

Previously, they had agreed that if he needed her, he would tell her the truth without any taboos.

Looking at CEO Shen’s attitude now, she should tell him the truth.

Hence, she nodded and said, “That’s right. Miss Yuan did buy that bracelet from our shop last night.”

The moment Qiao Yuyan said that, Yuan Sichun and Ye Zhiqing relaxed completely.

At this moment, Qian Ziyu questioned sternly, “Then let me ask you, how many bracelets do you have?”

“Just two. The styles of the products in each division of The Queen are different. It’s just that post-production maintenance is common. To be precise, this bracelet is the only two in the entire brand.”

The people around them finally understood.

Miss Yuan had indeed bought the bracelet herself.

This time, she looked at Shen Fanxing with disdain.

Qian Ziyu snorted coldly and crossed his arms. He looked at Shen Fanxing in disdain and disgust.

“What else do you have to say?! There are only two bracelets. One was taken by Sister Chun and the other was bought by me. Then where did the bracelet in your hand come?!”

Shen Fanxing said calmly,

“I’ve already said that it was given by Miss Yuan.”

“You... you keep saying that. Don’t you have any other excuses?!”

Shen Fanxing shook her head and scanned the crowd before her gaze landed on Yuan Sichun.

There was provocation and smugness in her eyes.

Shen Fanxing stared at her for a while before an obvious smile appeared on her face.

“Miss Yuan, you gave me your bracelet. Why do you have another bracelet?”

Yuan Sichun’s eyebrows twitched and her heart started to feel uneasy.

“I...”

Shen Fanxing’s eyes turned cold and she hissed, “Qiao Yuyan!”

“Yes!” Qiao Yuyan was so frightened that she closed her eyes and replied.

“Take out the sales records of these two bracelets and let Miss Yuan and Miss Qian Ziyu see if they are autographed!”

“Yes.” Qiao Yuyan hurriedly took out the sales records.

Qian Ziyu glanced at it and said, “This is my signature. This... is also Sister Chun’s signature. I recognize her handwriting.”

Shen Fanxing sneered and said, “Very good. Qiao Yuyan, hand the sales records to the police! Also, hand the pen to the police!”

“Okay.” Qiao Yuyan obediently followed his instructions.

No one knew what Shen Fanxing’s actions meant. Even the police officer was confused.

Then, Shen Fanxing continued,

“Every well-known brand has an anti-counterfeiting logo and serial number! Naturally, the jewelry of ‘The-Queen’ will also have it! So please check the anti-counterfeiting logo and serial number of these two bracelets and compare it with the number of anti-counterfeiting logo and serial number on the sales record. Every anti-counterfeiting code is different, and every serial number will be different! With double proof, it’s obvious who these two bracelets belong to.”

Shen Fanxing’s words enlightened everyone.

“Oh, I see. A carrot and a pit. Each number corresponds to a person. Although the items are the same, the numbers are different. So in a sense, what you have is still unique.”

“This is a brand!”

The blood drained from Yuan Sichun’s face.

The police officer took the bracelet from Qian Ziyu and opened the pen to take a look.

“There really is!”

Yuan Sichun’s legs went weak.

“This anti-counterfeiting code and serial number... are the bracelets signed by Qian Ziyu!”

“What?! But that bracelet was clearly taken from Miss Yuan’s bag!”

“Then the bracelet in Miss Shen’s hand belongs to Miss Yuan?!”

“Yes, why is Qian Ziyu’s bracelet in Miss Yuan’s bag?”

“This... This...”

Chapter 949: You Stuffed Me

Before everyone could figure it out, their gazes landed on Yuan Sichun.

Yuan Sichun took a step back.

“Oh~~ So that’s what happened...”

Realization dawned on Bo Jinghang.

He was shocked just now. He wondered why Sister-in-law had called Qiao Yuyan over and became Yuan Sichun’s witness.

This witness was good!

It was really great!

Rubbing his chin, he narrowed his eyes at Shen Fanxing.

This woman was too smart.

This was a reversal in adversity. It felt better than ever.

Recalling what she had said from the beginning to the end, although she seemed to be giving the Yuan family face and had even paved the way for Yuan Sichun...

Ha ha.

This move was even better.

Yuan Sichun’s next move was blocked.

Updates by

At this point, the female police officer walked to Shen Fanxing and checked the bracelet in her hand with a pen. Then, she glanced at the sales record and nodded expressionlessly.

“This bracelet is indeed signed by Miss Yuan Sichun.”

What was already set in stone was now smashed down by the police officer’s words.

The entire banquet hall was in chaos.

Yuan Sichun’s head buzzed.

Shen Fanxing!

When did she know that she had an identical bracelet?!

All of this was planned step by step because she knew that she had a bracelet that was identical to Qian Ziyu's!

How did she find out?!

No matter how brainless Qian Ziyu was, she had no choice but to believe him.

"Sister Chun, you..."

She still couldn't believe it. She wanted to say something, but she didn't know what to say.

"Oh my god, I can't believe it..."

"The eldest daughter of the Yuan family can actually do such a thing."

"He's obviously framing her!"

Shen Fanxing looked at Yuan Sichun's pale and helpless face and smiled coldly. "Miss Yuan, don't you remember? You took the opportunity to help me in the washroom and forced the bracelet on me."

Yuan Sichun looked up at Shen Fanxing and suddenly felt a chill run down her spine.

In reality, she was indeed shivering from the cold.

Shen Fanxing was simply too scary.

Ye Zhiqing's face turned pale and her body swayed, almost losing her balance.

Lou Ruoyi recovered from her shock and took a deep look at Shen Fanxing. Her heart was still pounding.

She had to admit that this reversal was indeed exciting.

Now, Sichun couldn't even retort. Even her only way out was blocked by Fanxing.

Just thinking about Sichun's current situation made her feel awkward.

However, Si Chun still refused to accept the truth and tried her best to embarrass Fanxing. She could only blame herself.

However, she was too self-centered. When she did everything, she had never thought that Fanxing was Jingchuan's choice. She had never thought that if Fanxing really had a bad character, how would others look at Jingchuan?

Thinking of this, Lou Ruoyi's face turned cold again. She looked at Yuan Sichun and frowned.

"Sichun, what's going on?!"

Yuan Sichun bit the wall of her mouth as the taste of blood spread endlessly.

Everyone's gazes were on her now. Their gazes were filled with disdain, disgust, and mockery that almost made her break down.

"I... It's me... I forgot..."

Everyone scoffed.

Even she would feel ashamed to say such words.

Yuan Sichun paused for a long time before she braced herself and said,

“I forgot... I gave Sister-in-law... a bracelet.”

“You’re admitting it now? She gave her so many chances just now, but she refused to admit it no matter what. She made others believe that the person who stole the bracelet was Miss Shen. In this situation, she’s still trying to find an excuse?”

“That’s right. Now that I think about it, didn’t Miss Shen give her a few chances? She just took advantage of the situation and wanted to harm others. She missed the opportunity time and time again. Now, she wants to take advantage of the situation? Don’t you think it’s ridiculous?”

“I think Miss Shen is magnanimous. You already know that you’re harming her, but you still want to save her face.”

“So what if she’s the eldest daughter of the Yuan family? If I were to choose a daughter-in-law, I wouldn’t want such a woman as my daughter-in-law.”

It was the nature of women to watch a show.

But sometimes, it was the most lethal.

She naturally had to return the favor.

“I’ve said it many times. You must have forgotten, but you just don’t remember. It was clearly because of the time in the washroom... that I suffered such a huge misunderstanding. Fortunately, Miss Yuan finally remembers now.”

But it was too late.

Who didn’t know how to act, act dumb, and act innocent?

“Miss Shen is too magnanimous. Even if Miss Yuan has really forgotten, the most important thing now is how Qian Ziyu’s bracelet ended up in her hands.”

“That’s right! So what if she admitted it? The key now is that she took Qian Ziyu’s bracelet.”

Qian Ziyu also looked at Yuan Sichun, hoping for an answer.

“Because the bracelet looks the same, I thought it was mine... so...” Yuan Sichun said softly without any persuasiveness.

Now that the truth was out, everyone no longer had any doubts. Yuan Sichun’s final struggle only made her look more ridiculous.

“Sigh, you’re the eldest daughter of the Yuan family. One second, you gave her a bracelet, and the next second, you forgot to take it as your own. Back then, when Miss Qian lost it, she clearly stated the location. Don’t you have any awareness?”

“Yes! The truth has been decided. She’s obviously up to no good. Think about it, Miss Yuan personally suggested that we search her body in public.”

“Moreover, she personally found the bracelet on Miss Shen’s body. She placed it on Miss Shen’s body and then searched it herself. She even pretended to be shocked back then. Aiyo, I wish I could find a hole to hide in.”

Shen Fanxing smiled faintly. That was even more embarrassing!

Otherwise, why would she agree to Yuan Sichun’s request and ask her to search her body?

It was to embarrass her even more.

Yuan Sichun seemed to have realized this as well. She looked up at Shen Fanxing in shock and anger.

This woman was really... ruthless.

“Anyway, thank you for the bracelet.”

As she spoke, she looked at Qiao Yuyan again and handed the bracelet to her. “I don’t think Miss Yuan has the chance to wear this bracelet after buying it last night. Take it back to the shop and sell it. Sell it at a 20% discount.”

Chapter 950: Her Power

“I don’t think Miss Yuan has the chance to wear this bracelet after buying it last night. Take it back to the shop and sell it. Sell it at a 20% discount.”

Qiao Yuyan quickly took the bracelet and nodded. “Okay, CEO Shen.”

Yuan Sichun narrowed her eyes and looked at Qiao Yuyan. “What did you call her?!”

Qiao Yuyan also understood the general situation and her attitude towards Yuan Sichun changed slightly.

She had already subconsciously sided with Shen Fanxing. Upon hearing Yuan Sichun’s question, she retaliated,

“CEO Shen! CEO Shen is the boss of The Queen.”

Yuan Sichun’s eyes widened. “What did you say?”

The brand she had been eyeing was actually Shen Fanxing’s?

“Oh my, I know this brand. So the boss is Miss Shen.”

“I think Miss Shen’s jewelry is quite beautiful. It’s also from The Queen, right?”

“It’s really beautiful. I’ve seen this brand before. The design inside is really good. I’ll go to the shop next time.”

“Let’s go together. I like it too.”

“Yeah, I’ll go take a look too...”

Yuan Sichun wanted to scream in anger!

Updates by

She had been tricked to such an extent and had even been Shen Fanxing’s loyal customer for so many years!

Clapping her hands, Shen Fanxing looked at the stunned Qian Ziyu and said to the police officer beside her,

“That Miss Qian Ziyu slandered me. Before the body search, she promised that if I didn’t steal it, she would be willing to be sentenced to three years in prison. There’s no need to fight the lawsuit.”

Qian Ziyu’s expression changed and he panicked.

“I... I didn’t!”

She screamed in denial.

“If you don’t admit it, there’s no harm in fighting a lawsuit.”

“You... I... Sister Chun...”

Qian Ziyu turned to Yuan Sichun for help, only to be mocked.

“In the end, she’s the one who caused you to be like this. You still want her to help you?”

“She’s really a good-for-nothing who has been sold by others.”

Shen Fanxing closed her eyes slowly and massaged her temples. Her relaxed body felt weak again.

She turned to look at Bo Jinchuan and smiled at him.

He wanted to take credit, but the corners of his lips did not reach his expectations.

Bo Jinchuan’s heart turned cold at Bo Jinhang’s words.

Seeing Shen Fanxing’s pale face, he frowned and strode towards her.

When Yuan Sichun saw Bo Jinchuan, her pale face changed again and she took two steps back uncontrollably.

Brother Bo!

No...

Bo Jinchuan walked towards Shen Fanxing without giving Yuan Sichun a glance.

However, Yuan Sichun suddenly had a feeling that Brother Bo wouldn’t let her off easily...

What had she done?

Why did Brother Bo have to see her in her most pathetic state?

Bo Jinchuan wanted to say something, but Shen Fanxing didn't look too good.

Shen Fanxing took two steps towards him before her body swayed and she fell forward.

"Fanxing!"

"Sister-in-law!"

Bo Jinchuan's face fell and he dashed forward to hug Shen Fanxing tightly.

Shen Fanxing looked up from his embrace and smiled at him. "I'm fine. I... tripped over myself just now."

Who would believe that?!

Bo Jinchuan carried her and said, "I'll bring you to the hospital."

"No, I want to go home." Shen Fanxing wrapped her arms around his neck and rejected him.

"Yeah."

Bo Jinchuan didn't stop and strode away with her in his arms.

Lou Ruoyi's face turned pale from fright. How could she be in the mood to stay under such circumstances? She hurried after Bo Jinchuan.

The banquet hall was noisy and Bo Jinhang wanted to chase after her with an ugly expression. However, when he saw Yuan Sichun, his handsome face darkened.

"Yuan Sichun, tonight's welcome party for my mother is really exciting! You've caused trouble time and time again. How do you feel now? Don't think that things will end here. Today, my brother agreed to Shen Fanxing's wish and didn't interfere in this matter. But that doesn't mean that he won't settle scores with you in the future! You want to force Shen Fanxing to step down? Trust me, even without her, you won't be able to be the young mistress of the Bo family!"

"No... it's not me... Jinhang..."

Of course, Yuan Sichun knew the consequences. Her heart was filled with fear. Just as she was about to explain, Bo Jinhang had already left quickly!

Unwilling to give up, Yuan Sichun chased after him, but her hand was suddenly grabbed.

She turned her head and her expression wavered.

"Sichun, what happened?"

Yuan Sichun stared at Qi Mingchu for a long time before her eyes turned red.

"Qi Mingchu, what should I do? What should I do?!"

The surrounding people looked at Yuan Sichun and the unbearable comments became more and more unrestrained. Qi Ming looked at the devastated Yuan Sichun, pursed his lips, and pulled her away forcefully.

Qi Mingchu pulled Yuan Sichun into his car.

“What happened? Sichun, why did Bo Jinghang say that to you?”

Yuan Sichun’s mind was in a mess. She really didn’t want to mention what happened at the banquet today.

It was really too tragic.

She had lost terribly!

She had actually been harmed to such an extent by Shen Fanxing!

How could she still have the face to wander around in this industry and in a place like Hong Kong?

Thinking of the gazes she had endured at the banquet tonight and the blatant and harsh comments, she felt uncomfortable and panicked.

She hugged her head and shrank into the passenger seat.

“Don’t ask, don’t ask...”

At this moment, she wanted to wrap herself up tightly. She didn’t want to face this terrible situation at all.

However, how could Qi Mingchu give up so easily? Looking at her fearful expression, he wanted to know everything and do more for her.

As long as she was happy, she could return to her confident, beautiful and arrogant self.

“Is it because of Bo Jinchuan again, or did her fiancée do something to you?”

Yuan Sichun froze.

Qi Mingchu understood instantly.

Sighing softly, he said,

“Sichun, that woman is very powerful. She’s not someone you can deal with casually! I’ve been investigating her these few days. She’s vengeful and her methods are even more powerful.”

Six years ago, the Shen family chased her out of the country. However, they couldn’t find anything about her life overseas. Three years later, she returned and supported the dying Su Corporation...
