

## Chapter 96: Xia Xibei's Anger

At first, Jin Yazhen was confident that the bracelet would be found in Xia Xibei's bag.

However, the course of events that followed stunned her.

Where was the bracelet?!

She couldn't help but panic.

If the bracelet was not in Xia Xibei's bag, then where could it be?!

Although she knew that it couldn't possibly be in her bag, while watching the girl search her bag, her hands and feet started to turn cold.

When the girl pulled out a silver-white bracelet with a surprised expression, her heart stopped beating for a few seconds, her entire body now stiff and unable to move.

How could it be?!

Why was the bracelet in her bag?!

But no matter how surprised she was, she couldn't alter reality.

"This is your bracelet, isn't it?" Xia Xibei asked Tao Yueying.

Before Tao Yueying could speak, the discipline master took the bracelet.

"Well, this is a real platinum bracelet with some small diamonds on it."

The discipline master swiftly verified the authenticity of this bracelet.

Tao Yueying and Jin Yazhen reacted in the same way, both of them dumbstruck.

How could the bracelet be in Jin Yazhen's bag?!

"I didn't steal it! You framed me!" Jin Yazhen finally reacted, pointing at Xia Xibei with a mournful expression on her face, shouting, "It was you who framed me! It was you!"

Facing her accusation, Xia Xibei's expression became stern as she exclaimed, "Enough!"

Xia Xibei's face was gloomy, as if a furious storm would arrive the very next second.

“Do you think I’m so easy to bully?” She took a big step forward and approached Jin Yazhen in an instant, her movements intimidating. “Every time you steal something, you come to slander me and say that I stole it. Let’s forget about the events that happened earlier. I’ll endure them and won’t try to get even with you. But you’re still slandering me even now!”

Boom!

A loud noise could be heard, causing everyone’s hearts to beat wildly.

Turning to the source of the sound, they all gasped.

Xia Xibei had kicked a table down to the ground, and all the books that had been stacked on top of the table were now scattered all over the floor.

What kind of force was this?!

“Xia!”

The discipline master’s expression changed.

Xia Xibei flushed. She took several deep breaths, her chest heaving as if trying to restrain her anger.

She pointed at Jin Yazhen and spoke coldly, “Jin Yazhen, listen clearly. Don’t force me, otherwise I won’t be blamed for being rude! Next time, this kick will befall you, not the table!”

After she finished speaking, she turned around to face everyone.

“Sorry, I couldn’t hold it in.”

The others shook their heads quickly in response. They felt that she had been pretty good at holding it in.

If it were them who had slandered repeatedly, and now accused even when the evidence was revealed, they wouldn’t be able to hold back their desire to get revenge on Jin Yazhen!

Xia Xibei was already restrained and patient enough. If it were them, they would already have slapped Jin Yazhen’s face!

“Teacher, I’m sorry, I’m too agitated,” Xia Xibei said to the discipline master.

“It’s alright, I understand.” The teaching master could only comfort her, “Don’t worry, I will take care of this matter.”

Seeing the anger on Xia Xibei’s face, the teaching master also felt a little sympathy towards her.

Anyone who had to go through this would be furious!

Xia Xibei had already behaved well by not beating her up.

Thinking of this, he looked at Jin Yazhen, who hadn't regained herself yet. "Go to the office! Give me a clear explanation!"

He appeared stern and infuriated.

"Such a rebel! How dare you do such a thing?! I have to call your parents now! I won't accommodate this misdeed!"

Stealing things and slandering others, this student had gone too far!

When Jin Yazhen heard that he was going to call her parents, her face turned ghastly pale.

"I didn't do it, they forced me!" Her hand immediately pointed to Tao Yueying's trio.

"What?!"

Everyone present was once again stunned.

Was there a story behind this?

## Chapter 97: The Result Had Been Determined

Jin Yazhen's words stunned everyone.

Was this drama also related to Xia Qinghan's trio?

Xia Qinghan's trio were also dumbstruck by Jin Yazhen's sudden explosion.

Why was this idiot exposing the matter?

But no matter what Jin Yazhen claimed, they would never admit to it.

"You are talking nonsense!" Liu Zhijing reacted quickly. She stepped forward immediately, fury all over her face. "You're the one who did wrong, how dare you slander us!"

Tao Yueying added, "Yes! How is it related to us? You're the one who stole my bracelet!"

Xia Qinghan appeared helpless and distressed. "Jin, are you trying to drag us through the mire?"

The reaction of the trio made the onlookers waver.

Who was telling the truth?

Xia Xibei smiled scornfully. "Discipline master, it seemed that things are not as simple as they appear!"

The discipline master's expression had turned completely dark.

He never expected that things would progress like this.

"All of you, come with me!"

He was extremely indignant.

"Teacher!" Xia Qinghan's trio said in unison, "We are being wronged!"

"Whether they are wronged or not depends on the evidence," Xia Xibei slowly said. "Teacher, I think this matter should be investigated carefully. If they were really slandered, then the slanderer has to be punished; but if it is true... "

The discipline master nodded and stated coldly, "I know what to do."

Xia Xibei shrugged.

"Teacher, I'll have to leave this to you. I still have other things to handle, so I have to go back first."

Xia Qinghan was stunned for a moment. She hadn't expected that Xia Xibei wouldn't use her advantage.

She thought that Xia Xibei would definitely refuse to let her go!

Meeting her confused eyes, Xia Xibei smiled brightly.

Xia Qinghan turned away immediately, as if scalded by scorching flames.

Seeing her guilty look, Xia Xibei smiled once again.

Of course, she knew what Xia Qinghan must be thinking.

It's just that she had already foreseen the final result.

Since they dared to involve Jin Yazhen in this matter, they must have ensured that there wouldn't be any evidence left behind.

So, even if Jin Yazhen wanted to expose their evildoing, it would be useless.

They weren't fools who didn't know how to defend themselves.

When that time arrived, it would be another round of never-ending quarreling.

Even after the quarrel, the result would remain unchanged.

No matter what happened, the final result would be that another wrongdoing would be added to Jin Yazhen's crime, but nothing would happen to Xia Qinghan's trio.

But Xia Xibei did not care about what happened to them.

After all, whether or not they were convicted, they couldn't erase this matter.

Since the enmity between them had already been established, why waste any more time on them?

After this, the discipline master took those people to the office, and the rest of the students dispersed.

While Xia Xibei was packing her bag, she said to Tang Luo, "Should I give you a new bracelet?"

"No need," Tang Luo shook his head, "It's just a worthless object, no need to give me back."

"Thank you, then. Next time, I'll treat you to milk tea!"

Xia Xibei did not insist but nodded readily.

If Xia Qinghan heard their conversation, she would be furious!

Unbeknownst to her, Tang Luo happened to discover that Jin Yazhen had put the bracelet in Xia Xibei's bag.

Tang Luo had informed Xia Xibei of this matter.

Originally, Xia Xibei only intended to place the bracelet in Jin Yazhen's bag, but Tang Luo happened to also have a knockoff bracelet with him.

After adding this bracelet into the drama, the effect was even better.

After setting those girls into the trap, Xia Xibei was in a very good mood.

On the way home with Song Jiaren, she suddenly stopped and said that she wanted to head to the shopping mall.
