

# Chapter: 1009

At this moment, the voice of twitter is endless.

Almost all the guests looked at Bai Yi again, full of awe and flattery.

And on the sidelines.

Chang Yuan is completely gone, he is like a falling dog, embarrassed and miserable.

“Lin Fan!”

“Who is he? Also, if Tian Shao and the others are leaving, are they going to see Lin Fan in the parking lot?”

Thought of this.

Chang Yuan’s eyes lit up suddenly, he quickly got up from the ground, and then walked quickly out of the box.

quickly!

After Chang Yuan got out of the box, he went straight to a window on the tenth floor.

Looking down from this window, one can see the parking lot outside the hotel door, and a thin figure standing silently in the dim parking lot.

It is... Lin Fan!

“Lin Fan! I don’t believe it, if you interrupted Tian Shao and their legs, they won’t hate you at all!”

“It’s impossible, absolutely impossible!” At this moment, Chang Yuan only felt his heart puffing and puffing, , Jumping wildly.

He didn’t want to believe that Lin Fan was powerful.

He also didn’t want to believe that Lin Fan was really the one who convinced the Yang family.

Tick!

Tick!

The gentle evening breeze blew from the window, but the sweat on Chang Yuan’s forehead continued to drip. Mobile:

And just waiting for him.

Wow!

At the entrance of the hotel below, a group of people suddenly appeared, it was Tian Hao and others.

“Come!” Chang Yuan’s heart twitched.

Under his nervous gaze, he suddenly saw that after Tian Hao and others walked out of the hotel, without a word, they went straight to the parking lot.

quickly!

When they came to the parking lot, they walked behind Lin Fan’s front.

Swish!

A group of princelings bowed to Lin Fan’s back.

“Tian Hao, see Mr. Lin!”

“Chou Jie, see Mr. Lin!”

“...” A series of reverent voices came from Tian Hao and others.

At this moment, each of them flushed with excitement.

Because only they know.

Lin Fan, is the true king of the global racing industry-King!

It’s not just Tian Hao and others.

At this moment, there was another figure, rushing up from behind, and then knelt on the ground behind Lin Fan with a thud.

“Boy Yang Mingpeng, bye ... to see Lin Zuo!” “I am guilty of my sins, and I have offended Lin Zuo, please let Lin Zuo not remember the villain’s fault, and give me a chance to atone for my sins!”

said!

Yang Mingpeng was on the ground, banging, banging, bowing and bowing.

This scene!

It’s too shocking.

Tian Hao, Qiu Jie, Yang Mingpeng and other people are all the top second-generation Kuoshao in the entire Jiangnan Province.

But now, they either bowed to Lin Fan or knelt down.

This kind of picture fell in Chang Yuan’s eyes by the window on the tenth floor.

It is tantamount to five thunderstorms!

Puff!

Chang Yuan’s whole body trembled and fell to the ground.

His face was as pale as paper.

Although he could not hear, the people below were calling Lin Fan or telling something.

But just this scene of bowing and kneeling had already caused his scalp to burst and his soul was embarrassed.

“Oh my God! It must be him, it must be him!”

Chang Yuan’s body trembled as if sifting chaff, and there was boundless fear in his eyes.

Now he is 100% convinced.

Lin Fan was the one who made the Yang Family panic, knelt to apologize, and sacrificed Galaxy!

“He...what is his identity?”

“Oh my God, I actually want to get Bai Yi from the hands of such a terrible figure! I...I am such a fool!”
