

# Chapter: 1021

When she saw that Lin Fan didn't notice anything, she couldn't help but change her pretty face:

“Be careful!!!”

Finish!

The red-dressed beauty wanted to jump up and pushed Lin Fan away.

But at this moment.

Click!

There was a sudden sound of glass cracking.

The beauty in red was surprised to find that Lin Fan smashed the empty wine glass in his hand.

then.

His huge palm, as if it had eyes, suddenly stuck out.

Dang Cang.

A dagger that will be the first bastard will be killed!

“Damn it!” The bastard headed by him was taken aback. He didn't expect Lin Fan to be so agile.

Especially when he saw that his dagger had fallen, he turned around and wanted to retreat violently.

But it was too late.

Just as he stepped out, Lin Fan's big hand grabbed his palm, and then yanked him fiercely.

Phew...

This bastard, as if a paper, was dragged to the side of the bar.

“Boy! What...what are you going to do?” The headed bastard was shocked. He wanted to struggle, but in front of Lin Fan, he only felt his own strength, weak as a child.

Lin Fan pressed his palm on the counter top.

“What are you doing?”

Lin Fan sneered coldly. This smile was creepy:

“You don't want your hands anymore, then... give it to me!”

what!

Lin Fan's words made the bastard almost scared to pee.

Especially under his horrified sight.

In the broken cup in Lin Fan's left hand, the glass fell, revealing a gradual fragment.

Then, with one stroke, one stabbing!

Pouch!

The sharp fragments of the wine glass, like a dagger, will instantly penetrate the palm of the first bastard.

The whole hand was pierced by glass and nailed to the countertop.

Quiet...At this moment, the whole bar is deadly silent.

The other gangsters around, just rushed to the front, they were splashed with the blood.

Suddenly let their footsteps come to an abrupt halt.

“Ah ah ah!”

Especially when miserable cry resounded through the remaining few punks are seeing their boss, on the palm of your hand, it has been badly mutilated.

His hand was pierced and nailed to the tabletop, and his whole person trembled with pain as if sifting chaff.

“My hand! Bastard! You... You actually abolished my hand!” The headed bastard was pale as paper.

Looking at Lin Fan, it was like looking at a devil.

Cruel!

Spicy!

He has never seen a person before, so he can just use one hand and abandon a person while talking and laughing.

More than him!

The gangsters around, as well as the customers, only felt a breath of cold air, and went straight to their foreheads along the soles of their feet, giving them a sense of horror as their scalp numb.

Crush the wine glass.

Pierce the palm!

This is simply an extremely incredible thing.

Especially, when everyone saw the young man who had been pierced in the palm of his hand and nailed to the bar for a long time, with his miserable appearance and his bloody palm, everyone only felt his scalp numb.

Ok... so ruthless!

No one thought that Lin Fan looked weak and weak, as if he were a college student, but when he shot, he abolished one of the other's hands, cruel and cruel.

Shit!

And at this moment.

The bastard who was nailed to the bar gritted his teeth and pulled out his palm and broken glass from the bar.

Suddenly, the majestic pain made him tremble all over, his complexion pale.
