However, Lin Fan was too lazy to take a look at them.

He directly said to the black bear:

“Forget it! You are the brother of the black tiger, let me spare you this time!”

Wow!

In a word, the black bear’s heart was so nervous that he put it back in his stomach.

On his hideous face, a strong color of ecstasy instantly appeared.

“Thanks...Mr. Xie Lin! In the future, if your husband is able to get my black bear, even if it is a sea of fire, my black bear will never complain!”

The black bear was full of excitement at the moment.

He raised his head and looked at Lin Fan’s gaze, even full of awe and reverence.

Big shot!

This is a big man that he will never be able to cling to in his life, and now he is in front of him, how can he not take the opportunity.

“Okay! You go first!”

Lin Fan was too lazy to say something and waved his hand directly.

His gaze was Ruoyouruowu glanced at the gangsters.

But just a look.

The black bear knows instantly.

He stood up from the ground, and then turned to look at his subordinates. Within the copper bell-like eyes, a thick anger suddenly flashed:

“You bastards, you have no eyes. You dare to provoke me Mr. Boss Lin. You are looking for death!”

“Come here! Pull these guys out, no one will abandon one hand, just to emulate you!”

Boss!

The black bear is naturally not stupid. With a word of his word, he made himself Lin Fan’s subordinate and regarded Lin Fan as his boss.

And heard this.

Suddenly a group of big guys walked out of the crowd, and after a few words, they kicked the gangsters to the ground.

“No! Lin Lin, we senseless, I beg you to us as a fart, to put it!”

“Mr. Lin, we dare not, and we really dare!”

Needless to say a word, let the bastards who want revenge have their palms abolished.

Such terrible status and methods are creepy to think about.

Seeing that Lin Fan didn’t intend to continue talking with him, the black bear naturally understood.

At this moment, he led a total of 30 or 40 of his subordinates, facing Lin Fan’s back, smashed, and after bowing, each and every one of them cautiously, tiptoe like the tide, and withdrew from the bar.

Until this moment.

Inside the bar, calm was restored again.

It’s just that the eyes of all the customers are involuntarily looking at Lin Fan, as if they are looking at a terrible big person, full of tension and excitement.

And at this time.

Sima Yan’er, the beauty in red, also came over.

She looked at Lin Fan’s gaze, filled with deep complexity:

“Although I don’t know who you are! But I feel that you must have killed people!”

“Moreover, you have killed many, many people!”
