Take me away for the first time!

When Lin Fan heard this sentence from Sima Yan'er, a black line could not help appearing on his forehead.

This silly woman didn't even know if she was taken away for the first time, which made him speechless to the extreme.

"Sorry, I am not interested in your first time, and we have not had any relationship!"

What!

Hearing Lin Fan's words, Sima Yan'er was taken aback, and then the anger on her pretty face became more and more intense:

"You...you bastard!"

There were blood stains on the sheets, and she clearly reached it last night. climax.

This bastard didn't even admit it now.

"You let me go!"

Sima Yan'er's eyes instantly became wet and red.

Her expression reveals a deep sadness and despair.

See this scene.

Lin Fan's heart trembled slightly.

At the moment, he could only sigh for a long time, and then released Sima Yan'er's jade hand.

Until then.

Puff!

Sima Yan'er's delicate body seemed to have been drained of all strength and fell to the ground.

"That person, yes... I'm sorry!"

Her pretty face showed a strong bitterness.

Three years.

The person she thinks about day and night, even dreams that if one day see you again, she would rather dedicate her chastity to that man.

But now, she is completely gone.

A deep sorrow filled Sima Yan'er's heart. At the moment, she seemed to have lost her soul, stood up from the ground, and then picked up her clothes one by one and put them on her body.

See this scene.

Lin Fan shrugged helplessly, and also changed his clothes.

Until the two of them put on all their clothes, the look on Sima Yan'er's pretty face gradually concealed the sadness, replaced by a deep indifference.

She looked at Lin Fan as if she was looking at a stranger, and said coldly:

"You remember, tonight's things, I hope you will forget forever!"

"We... never see you again!"

Finished!

Sima Yan'er walked straight out of the room.

Looking at Sima Yan'er's back, Lin Fan's bitter smile couldn't help but grow stronger. He didn't expect that he saved someone but was misunderstood.

But...

"Then never see you again!"

Lin Fan sighed in his heart, and also walked out of the room following Sima Yan'er.

Outside the hotel, it's time to go to work now, and there are busy traffic on the road.

And a Mercedes-Benz was blocked at a crossroad outside the hotel.

"Damn! Why is there such a traffic jam today?"

A young man on the Mercedes-Benz looked at his watch and could not help but cursed softly:

"This time I have an appointment, but it is the young master of the Ye family, one of the four largest hidden worlds. I'm late, that would be too bad!"

This young man is Chang Yuan.

Today, he is going to meet with a rich and powerful young man, but now, he did not expect that he would be blocked on the road.

Under the boring!

Chang Yuan's gaze couldn't help looking into the surrounding cars, looking for any attractive beauties.

But when his gaze swept across a hotel next to the road.

He was slightly taken aback.

"En? That person seems to be... Lin Fan?"

Chang Yuan could hardly believe his eyes at this moment, but he saw it at the hotel next to the road.

There was a man and a woman walking out of the hotel.
