

Chapter: 1043

“Chang Yuan! Why didn’t Bai Yi come out yet?” In the box, Ye Chen asked Chang Yuan next to him after drinking all the drinks in his glass.

And hear this!

Chang Yuan couldn’t help but smiled and said: “Ye Shao, don’t be impatient! Now it must be the medicinal power gradually starting to come on, Bai Yi will soon be unable to bear it, come out!” As he said, Chang Yuan gave a thief with a smile, as if fantasizing. When he arrived at Bai Yi’s wonderful ketone body, he said excitedly: “At that time, Ye Shao, you can enjoy it!”

Hear this!

Ye Chen’s frowning brows, not only did not stretch, but they wrinkled deeper:

“No! The onset time of the drug effect is only five minutes! Ten minutes have passed, Bai Yi hasn’t come out, something is wrong!”

“She may have noticed it, so she deliberately hid in the bathroom, waiting for someone to save!”

What!

Ye Chen’s words shocked Chang Yuan.

In particular, I think, white when Iraq entered the bathroom, and the phone is back with a bag, suddenly looking for a change:

“Shao, I went to the White Iraq shout out!”

Said!

Chang Yuan walked quickly to the outside of the bathroom, knocking on the door, and shouting at Bai Yi inside:

“Bai Yi, are you alright? Ye Shao is already waiting! Come out!”

Just!

There was no response, no sound.

This scene made Chang Yuan’s complexion more ugly. He tried to open the bathroom door, only to find that the door had been locked by Bai Yi from the inside.

This made Chang Yuan’s expression gloomy and almost dripping out of water:

“Bai Yi, I count three times. If you don’t come out again, I will kick the door!” he said.

Chang Yuan wanted to count down.

Just at this moment, Bai Yi’s weak voice suddenly came from inside:

“Senior, you... hurt me!”

Boom!

In a word, Chang Yuan’s face was completely pale.

He was only certain that Bai Yi had actually noticed it, and Chang Yuan could n’t help but said with a complicated face: “Bai Yi, I am not going to harm you! Ye Shao is a member of the Ye family, a hidden wealthy family! As long as you climb this high branch, then In the future, we will surely become more prosperous!”

“Also, if you accompany Ye Shao, your husband Lin Fan wants to divorce you, then I will often marry you!”

Chang Yuan wanted to explain.

However, his words fell in Bai Yi’s ears, but they were so nasty and shameless.

“You are despicable! Even if I die, I will never be sorry to Lin Fan!”

“You have to die! Also, Lin Fan already knows that I am here, he will come to save me immediately! I persuade You guys, get out! Otherwise, my husband will never spare you easily!”

Wow!

Bai Yi’s words were full of resentment.

But it fell in Chang Yuan’s ears, but it shocked him.

He had personally seen how ferocious Lin Fan was.

At the beginning, this guy almost slapped Yang Mingpeng’s cheeks with a few slaps.

Thinking of Lin Fan’s harshness, Chang Yuan’s face suddenly turned pale.

Just at this moment.

Ye Chen, who was next to him, came over, with a thick sneer on his face, and said disdainfully:

“Lin Fan is here? Humph! What is he? This Crown Club is my Ye Family. There are dozens of bodyguards in the industry!”

“He can beat a few!” He said!

The evil in the corner of Ye Chen’s mouth became more and more intense: “Also, I want to catch this Lin Fan, and then fuck his wife in front of him! Hahaha...”
