“Boy, if you abandon Xiaochen, then you have to pay for it...” The young man said gloomily while turning his head to look at Lin Fan.

however!

When he saw Lin Fan’s cold face clearly.

The youth’s words stopped abruptly, and the anger and killing intent on his entire face completely froze.

The whole person, as if frozen, stood there with a pale face.

“Big brother! You...what’s wrong with you?”

Seeing that his elder brother didn’t continue speaking, Ye Chen suddenly felt that something was wrong, and hurriedly asked his elder brother.

Not only him!

The happy smile on Chang Yuan’s face was completely frozen. He also didn’t understand. He just wanted to kill Lin Fan’s big brother Ye Chen, but he didn’t even say a word!

This... what happened.

just!

This is just the beginning.

In the unbelievable look of Ye Chen and Chang Yuan.

Puff!

Ye Chen was stunned to see that the elder brother he respected and admired the most was panicked to the extreme, his knees softened and he knelt straight in front of Lin Fan.

He lowered his head and yelled:

“Apprentice Sun Yetian, pay homage to Master!!!”

Boom!

As soon as these words came out, to Ye Chen and Chang Yuan, it was like five thunderstorms, making the two of them completely stunned.

What did they see?

Ye Tian, one of the heirs of the Ye family, knelt to Lin Fan!

Even called him...Master?

how can that be!

“Big brother, are you crazy? He is my enemy, not your master! What are you doing? Quickly stand up for me!”

Ye Chen looked at his big brother Ye Tian at the moment like a madman.

However, Ye Tian ignored him at all.

Instead, he kept kowtow to Lin Fan:

“Master, forgive me! The disciple was anxious just now, and didn’t see you. Just now the words collided, please forgive me, Master!”

Dense cold sweat continued to flow down from Ye Tian’s forehead.

At this moment, he was almost scared to death.

This is his master-the sacred hand of the bones.

I was in Jiangshi before.

He followed his master Zhang, the genius doctor, to the Bai’s house to meet with Bai Chen’s banquet, but he saw with his own eyes that the four great masters, Blood Buddha, Blood Wolf, Helan Mountain, and Leng Aotian, killed the White Three Groups for Lin Fan and even The heads of the masters were thrown into the Bai family courtyard.

and!

He had inquired carefully with his master, and even guessed that Lin Fan has a more terrifying identity, he may be... the king of the blood prison!

Think of the name of the King of the Blood Prison.

Ye Tian only felt his scalp numb, dripping cold sweat from his forehead:

“Master forgive me! Master forgive me!”

Ye Tian kept kowtowing at Lin Fan.

It’s like a chicken pecking rice.

It’s just that this scene fell in the eyes of Ye Chen and Chang Yuan, and it completely frightened the two of them.

“How could this be! How could Lin Fan become my elder brother’s master? It even made my elder brother fear to such an extent!”

“Impossible! How could this be possible!”

Ye Chen only felt that his head was completely blank, and even had an illusion of dreaming.

As for Chang Yuan, his body trembled even more, and a trace of urine flowed out from under his crotch.

Scared to pee by...!
