

# Chapter: 1094

what!

When this sound resounded, everyone in the entire shooting hall was taken aback.

One after another, they turned to look at the person who heard the sound.

When they saw that the speaker was wearing a shabby casual dress, carrying a basket full of vegetables and fruits in his hand, after being dressed as a family cook.

Everyone was dumbfounded.

Nima, is there any mistake? This woman and man just came back from the vegetable market, right?

Change him?

This...what a joke!

For almost an instant, in the entire shooting hall, everyone's mouth twitched, and black lines appeared on everyone's foreheads, and even Bai Yi was speechless.

"Hahaha..." There was a burst of laughter, but Zheng Hao was already laughing forward and backward.

He pointed to Lin Fan as if he was watching a joke, almost laughing out of his anger:

"President Bai Yi, why do you have anyone in the New Bai Group? This one, is this your guy? Hahaha... Look at him, still carrying a basket, I'm afraid it is working in the cafeteria!"

Zheng Hao's words were full of humiliation.

He met Lin Fan.

When entering the building just now, the cafeteria clerk blocked his way and was pushed away by his assistant.

And now, a small cafeteria guy still wants to grab his job?

Isn't this a joke?

It's just that he just said this sentence.

"Shut up!!!"

Bai Yi's anger suddenly resounded.

Zheng Hao was stunned to see that Bai Yi's pretty face was filled with thick anger, and he looked at his eyes as if he was looking at an idiot.

This...

Zheng Hao was dumbfounded.

He couldn't think that President Bai Yi would be so angry with himself, a big star, for a cafeteria man.

Just at this moment.

Bai Yi's voice suddenly came:

"This is the chairman of our New Bai's! What are you doing in a daze? Don't say hello yet!"

What!

In a word, not only Zheng Hao was dumbfounded, but the rest of the film crew were also dumbfounded.

Chairman?

he?

The film crew in the hall had heard that the chairman of the new Bai's was the husband of President Bai Yi.

Could it be that .....

thought of this, almost all of the shooting hall staff looking pale, uniform against Lin Fan, stature bowed:

"! Chairman"

! "Chairman"

"....."

Road greetings Sounds, one after another.

And seeing this scene, Zheng Hao only felt like being struck by lightning.

"He... he is my boss?"

Zheng Hao couldn't believe this fact. Although he looked down on Xinbai, he was a wealthy group chaebol with tens of billions of assets, but he never dreamed of controlling this chaebol. The person from Great Wheel is actually a cafeteria clerk?

What's so... For an instant, Zheng Hao only felt a hot pain on his face, as if he was slapped in the face by Lin Fan.

However, Bai Yi didn't care about Zheng Hao's reaction at this moment. She stared at Lin Fan with beautiful eyes, her eyes full of helplessness and worry:

"Lin Fan, you...do you really want to try it?"

No matter whether it is Bai Yi or the people around him, they don't feel that Lin Fan fits this image.

After all, this advertisement requires too much external image, even if it is Zheng Hao, this little fresh meat is just barely suitable.

It seems that everyone's worries are felt.

Lin Fan smiled slightly:

"Wife, trust me!"

Finished!

Lin Fan put down the food basket and followed the staff into the fitting room.

One minute!

ten minutes!

...

And when fifteen minutes have just passed.

Creak!

After the locker room door opened, a figure walked out.

After seeing the face and dress of this figure, almost everyone's eyes fell out of the entire shooting hall.
