

Chapter: 1098

Hearing Lin Fan's words, almost everyone looked at him like a fool.

Especially Zheng Hao. He seemed to have heard the funniest joke in the world. He pointed at Lin Fan and cursed:

"Hahaha... the surname is Lin, so you have a brain! People Zhang Yichen knows where you are. Green onion?"

"Don't say it's you, even me, I'm lucky enough to meet Zhang Yichen! They are the top celebrities in the entertainment industry. What are you and your Xinbai clan ? Hahaha..." Zheng Hao Laughing is unusually arrogant.

However, although his words were ugly, everyone in the hall agreed with them.

Zhang Yichen's status in the entertainment industry is too high.

Not to mention a new Bai family, even if he was the most powerful chaebol in China, Zhang Yichen didn't even look at it. Even to this day, he has never spoken for any industry on social platforms.

And now.

Lin Fan obviously wanted Zhang Yichen to help him promote the video and pictures of Bai Yi's endorsement.

This is simply a fantasy.

For an instant.

Almost all the employees of New Bai's are shaking their heads. They feel that their boss is simply whimsical.

Not only everyone.

Bai Yi said bitterly to Lin Fan:

"Lin Fan, what do you want to do? Do you think Yichen Zhang will take care of us?"

"Yes, we have received tickets for Zhang Yichen's concert before, but that's just Because I am a fan of her! How can an idol who is aloof care about ordinary fans like us?"

Bai Yi felt 10,000 unbelief in his heart.

In her opinion, @章依晨's help in propaganda is simply a matter of selfish humiliation.

just.

Lin Fan did not explain the doubts and puzzles of the people around him. Instead, he smiled and said to assistant Xiaoxian:

"Now send it! Three minutes later, our new Bai family will be popular all over the net!"

What?

Hot on the whole network?

This sentence fell in the ears of everyone, more like crazy talk.

Everyone even wondered if Lin Fan was insane.

Assistant Xiaoxian glanced at Bai Yi embarrassedly. After seeing Bai Yi nodded helplessly, she immediately opened the official social platform of New Bai's, and then posted a photo of Lin Fan and Bai Yi. At the same time @章依晨.

Assistant Xiaoxian.

"Hahaha..." After seeing this scene.

Zheng Hao couldn't help the sarcasm anymore, and burst out laughing again:

"Idiot! I, Zheng Hao, who has been in the entertainment industry for so many years, have never seen a celebrity to help his fans propagate endorsements! Hahaha, especially never accept business The endorsement queen Zhang Yichen? This is simply a big joke!"

"Haha, wait! In three minutes, your new Bai family will not only not be popular on the whole network, but will even become a whole network joke!"

Zheng Hao laughed extremely confidently.

Even if it kills him!

He also absolutely doesn't believe that Zhang Yichen will talk to Xin Bai family and Lin Fan.

Time goes by slowly every second.

One minute!

Two minutes!

three minutes!

When the third minute was about to pass, Zheng Hao's sarcasm smile grew thicker, while Bai Yi and the others turned paler.

really!

It's impossible for someone to be a super queen in the entertainment industry to care about small fans like them.

The corners of Bai Yi and others' mouths were filled with wry smiles.

And Zheng Hao, when he was about to speak and continue to humiliate Lin Fan.

Assistant Xiaoxian swiped the web page, and then she looked at the phone, completely frozen.

Not only that.

She even suspected that she was dazzled, and rubbed it vigorously, and then made sure that she had not made a mistake.

boom!

She jumped up excitedly:

"President Bai, Lin Dong! There is a reaction! Zhang Yichen replied to us with four words-the gods and relatives!"

"Also, she reposted our new white on her social platform. 'S endorsement advertisement, @ a group of entertainment circle big coffee, send the best blessings to you husband and wife!"
