

Chapter: 1113

Two fingers blocked Sasaki Ichiro!

This scene is like a fairy tale!

Let everyone present almost burst their scalp!

Bai Hu and others are dumbfounded, is this an illusion?

The rubbish they looked down upon most, the ant they thought could be destroyed with just a few fingers, was able to block Sasaki Ichiro who could not even stop their three-star warriors with just two fingers?

The atmosphere was almost suffocated.

Almost everyone has a ridiculous thought in their minds: I must be dreaming!

In addition, who else can explain this absurd and bizarre scene?

Everyone was looking forward to it. At this time, the eyes looking at Lin Fan were no longer contemptuous, but infinite longing!

Two fingers can block Sasaki Ichiro. Can this man regain the prestige of the White Tiger Legion and even the entire China?

“Just because you want to block me? Do you know who I am? I’m the big disciple of Saito Asuka, the island war god!”

Sasaki Ichiro’s eyes were full of brutality, staring Lin Fan as if staring at his prey:

” Dare to stop me from killing, kid, your life...I want it!”

Saito Asuka!

One word stirred up thousands of waves!

Everyone was almost suffocated in horror!

Five years ago, there was an island nation’s God of War who set foot in China and slaughtered the strongest of China, unstoppable.

Huaxia dispatched three great war gods, including the Dragon and Tiger God of War, and barely tied with them, and that person was Saito Asuka.

Saito Asuka once publicly humiliated China: There is no man in China!

The whole country is furious, but there is no alternative!

It was precisely because of his words that angered a mysterious existence that was not born in China, and that existence only used one move to defeat Saito Asuka!

He also ordered that Asuka Saito was not allowed to enter China during his lifetime!

And this Sasaki Ichiro turned out to be Saito Asuka’s major disciple?

For an instant, Bai Hu showed a bitter smile, and finally understood why Sasaki Ichiro’s strength had soared so much over the years.

It turned out to have worshipped Saito Asuka and other island nations’ strongest god of war as a teacher, but his two masters combined with another god of war to make a tie.

When everyone heard this, their hearts suddenly sank to the bottom!

That’s it!

Today’s shame is hard to wash away!

Originally there was such a glimmer of hope for Lin Fan, but after hearing Sasaki Ichiro’s words, he was instantly put out.

“Run away! You are not his opponent!”

Bai Hu yelled at Lin Fan. Since the opponent is the big disciple of Saito Asuka, no one can win him except his master Dragon Tiger God of War.

Although he had an enemy with Lin Fan, he was very grateful for Lin Fan’s rescue, and he didn’t want Lin Fan to die in vain.

Unexpectedly!

Lin Fan smiled contemptuously: “A coward who has returned from China, what is fear?”

Huh?

When Sasaki Ichiro heard this, he was furious: “You dare to insult the God of War of the island nation? Insult that god-like existence?”

“You...damn it!” After saying that, he drew a knife and wanted to kill the forest. Where.

That’s it!

Seeing Sasaki Ichiro’s anger, everyone sighed in anticipation of Lin Fan’s end.

In the next instant, Lin Fan was afraid that he would die tragically under that blade!

But the next moment, Sasaki Ichiro’s expression changed drastically, because his sword didn’t move at all, and Lin Fan’s two fingers were like iron tongs, firmly gripping his Tachi.

No matter how hard he tried, he couldn’t get out!

“Saito Asuka’s apprentice, just this ability?” Lin Fan shook his head extremely contemptuously:

“I have to say, I’m disappointed!”

Then, he slapped him over!

boom!

There was a loud noise, and a great head flew to the grass on the side in a parabolic arc!

boom!

Everyone, scalp burst!
