

Chapter: 1120

Seeing Shen Yumei and Baishan, Baichuan and the others were also taken aback for a moment, but then, on their faces, a thick sneer and mocking smile appeared on their faces:

“Ah! Third brother, you are here too! Why? You two. Didn’t Kouzi accompany Bai Yi to help Lin Fan redeem him?”

The corner of the second master Shirakawa’s mouth was full of brilliant smiles.

Looking at the Baishan couple’s gaze, it was as if they were watching a joke.

And heard this.

The expressions of the Baishan couple became even more ugly:

“Second brother, what are you doing here in Xinbai?”

Baishan’s heart was both angry and annoyed.

It was not Shirakawa and the others, how could Lin Fan offend the Jiangnan Bai family, but now that Lin Fan is in trouble, he does not know his life or death, and Baichuan and others dare to come to laugh at it. This is simply deceiving.

“Hahaha...” At this moment, Shirakawa’s smile became more and more intense, and that face was full of thick madness and viciousness:

“What are you here for? Of course it is to help Jiangnan Bai family and collect the new Bai family’s property!”

“Master Bai Chen has already said, let us comfort you! After a while, Jiangnan Bai’s family will have a new order to be sent here!”

What!

Shirakawa’s words changed the expressions of everyone here.

Baishan and others did not expect that Bai Yi and Lin Fan had no news yet, and the Jiangnan Bai family couldn’t wait to come and collect the property of the new Bai family.

especially!

This order was issued by Bai Chen, which almost represented the will of the Jiangnan Bai clan.

“Master Bai Chen is trying to kill our family?” The corner of Bai Shan’s mouth became more bitter and desperate.

Before in Jiang City, Lin Fan had offended Bai Chen the most ruthless person.

And now, Bai Chen has become the third heir of the Jiangnan Bai family, this time it must be a crazy revenge.

really!

Shirakawa smiled brighter and brighter:

“Yes! Third brother, you just confess your fate! Who made your trash son-in-law offend Master Bai Chen!”

“This time, Master Bai Chen said that we should calm down. You, but the meaning of this comfort is self-evident! Hahaha...”

Shirakawa laughed more and more wildly.

Before coming to New Baishi.

Bai Chen called them to the front, Qian Xianwan urged them to comfort the Baishan couple.

But in Shirakawa’s ears, the so-called ‘comfort’ is frantic revenge, nothing more.

Heard this.

Zheng Hao’s face on the side was full of joy.

He hurriedly ran up to Shirakawa and the others, and said respectfully:

“Mr. Bai, this is Zheng Hao! Just now the Baishan couple wanted to leave, so I stopped them!”

Huh?

Shirakawa and others were taken aback, but when they recognized Zheng Hao, the smiles on their faces became more intense:

“Hahaha...Mr. Zheng, you are doing the right thing! I will tell us Master Bai Chen! He must be I am inexplicably grateful to you!”

Shirakawa said very politely.

But falling in Zheng Hao’s ears made him even more ecstatic to the extreme.

“Thank you Mr. Bai! I wonder, after Lin Fan’s death, can Master Bai Chen help me lift the ban in the entertainment industry?” Zheng Hao looked forward to it.

After all, Bai Chen is one of the heirs of the Bai family.

His words are full of weight, and even the boss behind him is estimated to give him three points.

“It’s easy to say! It’s easy to say!”

Shirakawa agreed.

Then, he turned his gaze and couldn’t help but look at the two of Baishan and his wife, his eyes flashing with a dark and ruthless color:

“Come here! Grab the Baishan and his wife, and wait for the arrival of Baihu and Baichen, and he will let go!”

Wow! Mobile phone: A word falls.

Suddenly, from behind Shirakawa, a group of Baijia guards sprang out.

These people were fierce and vicious, one by one, like a hungry tiger rushing for food, they surrounded the Baishan couple and surrounded them.

See this scene.

Zheng Hao’s whole body was overwhelmed with excitement:

“Hey...Lin Fan, Lin Fan, did you see it? You’re done, your father-in-law, and your wife are all done!”

“Faithful, so enjoyable!”

Zheng Hao only felt the resentment in his heart, all pouring out, ecstatic.

Just at this moment.

An icy voice suddenly came out from the corridor:

“You guys, are you looking for death?”
