When everyone saw that Ye Shihao, a legendary hero, collapsed to the ground in shock, they all felt like they were dreaming!

Especially, they saw this overlord-level figure face as gray as death, howling in horror, and almost scared to pee, everyone felt terrified!

What is it that can make a murderous hero scared by just one glance?

However, the more terrifying things are still to come!

They suddenly discovered that the mighty and extraordinary Situ Hongrui also showed deep fear on his face, and he yelled frantically,

“Impossible! That would definitely not be the totem of the Devil!”

Everyone was shocked and went crazy!

Even Situ Hongrui was so panicked?

What the hell is the Demon God Totem?

Seeing Situ Hongrui’s horrified appearance, Huangfuxuan completely exploded his hair, and suddenly had an ominous premonition in his heart, and immediately shouted : “Ye Shihao, what the hell are you doing! What is the totem of the devil!”

Ye Shihao went straight. Staring at Lin Fan, his eyes revealed endless fear, like seeing ghosts and gods:

“The totem of the devil is from an illustration in the first bible in the world. It is rumored that it is the oldest symbol of the devil, full of disasters and ominousness. This totem was tattooed on the body, and without exception, they all died of bad luck!”

“And in this world, there is only one man who has this totem tattooed but is safe and sound. That man is a fierce man...”

“The King of Blood Prison” !”

Boom!

Some words suddenly thundered and lightning, and it blasted wildly in everyone’s minds!

When even making everyone present face ashen ashes, all trembling violently, as if they were in the hell of Shura, the panic was extreme!

At this moment, everyone’s hearts beat violently, as if they were about to burst into fright, their eyes were already covered with horror!

Lin Fan, turned out to be the Lord of the Blood Prison?

This foolish family boiled man, turned out to be the man called the “Devil”?

They can’t accept it!

Especially Bai Yi, she couldn’t believe that her husband, who had been with her for many years, turned out to be the terrifying demon who slaughtered the city and the country!

And she didn’t expect that the tattoo on Lin Fan’s body would be so promising!

The audience was shocked, everyone looked at Lin Fan with a ghostly expression!

In my heart, the fear is extreme!

Because of this, the most powerful man in the world, even the leaders of major countries have to be polite!

Lin Fan felt that he had no idea that someone could recognize his tattoo. Now that everyone is staring at him like this, he can’t even argue.

Especially, seeing Bai Yi who was so shocked that he was about to pass out, he didn’t even know what to do.

just!

Just now!

“Hahahaha...”

A laugh full of ridicule and sarcasm suddenly sounded in the entire hall!

Everyone looked in astonishment, but saw Huang Fuxuan laughing disdainfully:

“You fools, let this guy cheat, just this waste? King of Blood Prison? Don’t laugh to death!”

What!

Everyone suddenly changed their expressions.

Situ Hongrui’s face suddenly sank, and he suppressed the panic in his heart, and asked:

“You mean that he is not the king of the blood prison?”

“Do you still need to ask?”

Huangfuxuan smiled contemptuously, and said with extreme disdain:

“You guys. Do you think the dark emperor, who is so famous, will be the ridiculous son-in-law?”
