

Chapter: 1129

boom!

Everyone suddenly woke up like a dream, and cast resentful glances at Lin Fan!

The shock in that heart instantly transformed into endless anger!

This bastard, fooled them?

How could a trash door-to-door son-in-law be the King of the Blood Prison?

This guy dared to pretend to be the king of the blood prison, it's damn!

At this time, knowing that Lin Fan is not the King of the Blood Prison, Bai Yi's heart can be described as a mixed bag, both fortunate and a bit disappointed.

But Ye Shihao still frowned, and thought to himself: No! That's not fake!

Because he was so close, he could see the tattoo very clearly. It was lifelike, extremely gorgeous and eccentric. Every inch of it revealed the violent aesthetics. It was clearly made by Dilius, the world's number one tattoo artist!

Thinking of being frightened by a trash son-in-law, Situ Hongrui suddenly became furious, with a murderous intent on his face:

"You, dare to pretend to be the god in my heart, you...you are damned!"

The king of the blood prison belongs to him. faith!

His ultimate dream is to become the King of Darkness like the King of Blood Prison!

And Lin Fan is also worthy to pretend to be the King of Blood Prison? This is simply tarnishing the reputation of the Demon King, and he can't wait to cut Lin Fan thousands of times!

Immediately, he strode forward, planning to kill Lin Fan on the spot!

Seeing him coming, Bai Yi almost cried on the spot, and hurriedly shouted to Lin Fan:

"Lin Fan, we can't offend them, you quickly kneel down and apologize! Say you didn't mean it!"

She didn't expect Lin Fan. Anyone who was so courageous and dared to pretend to be the King of the Blood Prison was a belief in the dark world. If this were made known to his followers, Lin Fan would be dead.

Upon seeing this, Huang Fuxuan suddenly smiled grimly, ecstatic to the extreme, looking forward to the scene where Lin Fan was maimed by Situ Hongrui.

"Situ Hongrui, if you dare to hurt him, I won't forgive you in my life!"

At this moment, Situ Yan'er cried bitterly and screamed at her brother. what!

Everyone was in an uproar again, and they all looked at Situ Yan'er strangely.

I couldn't believe that the daughter of the Situ family would actually beg for a door-to-door son-in-law, and the pitiful and nervous appearance seemed to care about Lin Fan very much.

She is actually interested in this rubbish?

Seeing this, Bai Yi felt more and more sure that this was his rival in love.

She suddenly felt annoyed and guilty, and was annoyed by her incompetence, so that her man actually wanted other people's women to protect it!

Hearing his sister's cry, Situ Hongrui hesitated, hesitated and sneered, after all, he sneered:

"You can only rely on a woman to protect you as a rubbish. Now kneel! Kow! Then take your bitch, Get out!"

Bitch?

Lin Fan suddenly wiped a scarlet in his eyes, but everyone did not notice that the totem of the Demon God hidden in the clothes was completely bloodshot because of his killing intent and became blood red, just like the revival of the Demon God!

"You, this is the third woman who insulted me!"

Lin Fan stared straight at Situ Hongrui, the killing intent in his heart was already extremely mad:

"I think you are Situ Yan'er's brother, kneel down. With a bang, I will spare you not to die!"

Jing!

The audience is extremely quiet!

Everyone was shocked, this is the first time they have seen this way of looking for death!

This trash son-in-law angered the Situ family, but still dare to threaten him to kneel?

Is this too long?

"Lin Fan, stop talking! I'm fine!"

Bai Yi gritted her teeth and shook her head vigorously. Although she was already crying badly, as long as Lin Fan can live, what can she be wronged?

"Lin Fan, just bow your head, I beg you!"

Situ Yan'er cried bitterly. At this moment, she was extremely nervous. She knew that with her brother's character, she would really kill.

Situ Hongrui, who was already furious, was completely insane after hearing Lin Fan's words:

"Well, since you are looking for death, then I will fulfill you!" The voice fell, and Lin Fan slammed straight into it!

just!

"Dare to make trouble in the blood, do you want to die?"

A voice that was extremely icy and cold immediately made everyone present without their souls!

Everyone followed their prestige together, and when they saw the face of the opposite party, they were completely devastated, and they all fell to the ground in fright!

"See Lord Blood Lord!"
