

Chapter: 1146

Immediately, Master Luo looked at Chen Feng and pleaded: “Young Master Chen, this matter really has nothing to do with me, please let me go.”

“It has nothing to do with you. It is always related to someone. She will never die by herself? If she really committed suicide, I would have to think that she committed suicide because of love, and you are the one who abandoned him. If you think so, how should I deal with you?” Chen Feng said lightly.

Master Luo hurriedly waved his hand and said, “No, no, she definitely did not commit suicide. Someone must have killed her. Master Chen, you let me think about it. I will definitely figure out who did this behind the scenes. Thing.”

Chen Feng was not in a hurry, just waiting for him on the sidelines.

He looked at the two beauties who had been shrunk in the corner and had not dared to speak. They dressed up in red and white, but they felt a bit of ice and fire.

The look is also beautiful, and the makeup on his face is not gorgeous enough, but it is also just right.

“Do you know who he is?”

Chen Feng pointed to Master Luo and asked the two women.

The two were very surprised. They didn't expect Chen Feng to go back and ask them, but seeing the posture just now, they didn't dare not answer.

The woman in the red dress said, “I know his name is Zhao Wuluo. As for other things, I don't know.”

The woman in black said, “He will come to us once for a long time. He is very generous every time, and then he hasn't come again for a long time.”

Chen Feng listened to them and looked at Zhao Wuluo curiously, and said, “Since you didn't get anything from Zhou Luo, where did you get the money this time?”

As if he had been discovered something, Zhao Wulo immediately felt a little guilty, but still pretended to be indifferent: “It is the money I haven't used up last time. I had to take out all the money I saved.”

“Aqiang, break his leg and talk about it, otherwise he will still tell lies next time.”

As soon as Zhao Wulo heard this, he immediately became scared, and hurriedly shouted: “I said, I said, Chen Shao, don't interrupt my legs, I said, I will tell you everything.”

But Chen Feng was completely unmoved, and A Qiang hesitated, but seeing Chen Feng didn't mean to stop, he knew that it was impossible to keep this leg today.

“Shao Chen!” Zhao Wulo shouted as Aqiang was still walking.

But Chen Feng didn't seem to hear, he just watched all this quietly.

Zhao Wuluo couldn't understand Chen Feng, so he turned to A Qiang again.

“Brother Qiang, please don't do it. You wait until I find a rich woman next time, and I will give you all my money. Really, Brother Qiang, all, I don't want anything.”

Chen Feng was also a little worried that A Qiang was really seduced by him, after all, Chen Feng knew his greed.

If this is the case, he can only do it himself, but if he does it, Zhao Wulo might not even be able to save his life.

However, his worry is still unnecessary.

After the pleading sound, I heard a scream, and the sound scattered towards the surrounding like a spike. This chapter is not finished, please click on the next page to continue reading! Page 1 of 2

Chen Feng just watched, but there was no moving emotion.

Even A Qiang, who was standing by and breaking his leg with his own hands, felt some pity when he heard this voice, but this still couldn't make Chen Feng feel sorry for this guy.

After all, Chen Feng hates the scumbag who specializes in deceiving women like Zhao Wulo for a living, and he is already merciful to Chen Feng if he didn't kill him.

After a long time, the wailing voice gradually decreased, and looking at Zhao Wulo, whose face was covered with cold sweat, Chen Feng said calmly: “Now I'll give you another chance. If you still don't want to tell the truth, then I had to interrupt your other one as well.”

Zhao Wuluo looked at Chen Feng bitterly. He was naturally angry, but facing Chen Feng, he had nothing to do. In order to keep the other leg, he could only hold back the resentment in his heart.

“Shao Chen, I said, I said everything.” The voice was obviously weaker than before.

“Very good, so what do you know? Where did your money come from?”

Zhao Wuluo swallowed and made the final decision.

“It was given to me by a man named Huang Shengzhi. He just asked me to do one thing. He brought the unconscious Zhou Luo to the hotel, and then waited until the next day to bring her back. As for what they did inside What, I think it should be just those.

If anyone would kill Zhou Luo, I think he might be a little bit suspicious, but I only know that there is only this kind of relationship between them, and I really don't know the others. ”

When A Qiang heard this, he immediately became angry and said, “Unexpectedly, you are such a scumbag. Even a scum like me wants to beat you badly. Fortunately, I just wanted to pity you, damn you. It's not worth my pity.”

Chen Feng was not surprised that he was able to do such a bad thing. After all, he could lie to women for money, so in his eyes, women were just a tool for him to get money.

But these are not what Chen Feng thought, but he knew this man named Huang Shengzhi.

Huang Shengzhi is the current director of the Resource Allocation Department of the Chen Group. He has been working in the Chen Group for more than 20 years and is considered an old man of the Chen Group.

But Chen Feng never expected that the matter would still be related to him.

Is it really because of what happened that Huang Shengzhi killed someone, or that what he did was discovered by Zhou Luo.

All this is still impossible to talk about, only after finding Huang Shengzhi, can he know the matter between him and Zhou Luo from his mouth.

“Didn't Zhou Luo tell you anything?”

“She didn't know anything. She was in a coma that day. Even if she found that her body was a little different at the time, she just regarded all this as me, so she didn't have too much doubt.”

Chen Feng now has no more questions to ask. He said to A Qiang, “Well, didn't you just want to beat him up? Now I'm leaving. I will leave the rest of the time to you. You dealt with it.”

With that, Chen Feng turned around and left the room. As for what Aqiang was going to do with Zhao Wulo, then it was his business, and Chen Feng didn't want to bother.

But after getting out of the box, he still fell into thinking.

To move Huang Shengzhi, Chen Feng had to consider the impact of this incident on the internal group. If he did the thing, Chen Feng would naturally punish this guy, but it would also cause the stubborn guys in the group to cling together. , They will force Chen Feng to let him go.

So if Chen Feng wants to really deal with Huang Shengzhi, the best way is to not let him do it himself.
